Dear Subscriber,

With numerous reports this week we are breaking our promise to rest in August otherwise the stories go stale. There are no Council meetings in August so we do now expect this to be the last email update until September. You may browse the website during August as it will continue to be updated throughout.

Following confirmation of Epsom and Ewell Times qualification to be regulated by the Independent Monitor for the Press we are now a recognised partner with the BBC's Local Democracy Service. This will enable us to bring to you more quality professional journalism on local matters in the months and years ahead.

Best wishes,

The Team at Epsom and Ewell Times
