

Adviser to Pope blesses Epsom Heritage Project

26 August 2022

Baroness Sheila Hollins has joined Freemen of the Borough, the local MP and others in their Patronage of The **Friends of Horton Cemetery**. Baroness Hollins is a leading figure nationally and worldwide in the field of psychiatry. A former President of the Royal College of Psychiatrists and the British Medical Association, she is an adviser to **The Pope** on the protection of minors and is a cross-bench member of the **House of Lords**.

The Charity's 50+ strong research team leader, **Kevin McDonnell**, said "We are truly honoured that the charity's objects have Baroness Hollin's endorsement. Especially as on 6th September we launch our project "**Out of Sight, Out of Mind**", supported by **Historic England** and **Kings College London**. The story of the Cemetery and the Stories of the lives of those buried there are becoming significant locally, nationally and internationally. We have researchers and followers here, across the United Kingdom and overseas. An extraordinary heritage putting Epsom on the world map."

Dr Alana Harris, Director of Kings College's Liberal Arts Department said "The project aims to restore dignity to the 9000 patients buried beside Epsom's Hook Road, in Europe's largest asylum cemetery. Our project seeks to recapture these stories and to create a crowd-sourced memorial, overcoming historical amnesia, neglect, and inaction. We are seeking volunteers (who will be trained, and work in pairs) to lead public engagement 'chat and craft' workshops, which will discuss the history of the 'Epsom Asylum' cluster and its cemetery."

You can find out more at an information session on Tuesday 6th September 4pm-6pm at St. Barnabas Church, Temple Road, Epsom KT19 8HA and you can contact the Project via www.hortoncemetery.org

Out of Sight, Out of Mind? Remembering Epsom's Forgotten Residents

Did you know that the largest cluster of psychiatric hospitals in Europe was in Epsom?

And that the unclaimed bodies of over 9000 psychiatric patients who died in these facilities were buried in the local graveyard, Horton Cemetery?

We want to restore dignity to the thousands of people buried in unmarked plots on this wasteland.

Our project, supported by **Historic England**, seeks to recapture these stories and to create a crowd-sourced memorial, overcoming historical amnesia, neglect, and inaction.

We need your help!

We are seeking volunteers (who will be trained, and work in pairs) to lead public engagement 'chat and craft' workshops, which will discuss the history of the 'Epsom Asylum' cluster and its cemetery.

Come and find out more at our information session on
