Ewell's wetlands to be celebrated on an open day

11 April 2024

The South East Rivers Trust (SERT) is inviting local residents to come and celebrate the newly-created **Chamber Mead** wetlands with a day of family fun, activities and guided tours.

The celebration day on Saturday 20th April will give nature lovers the chance to add plants to this critical pollution buster for the **River Hogsmill**, a precious chalk stream.

Families will also have the chance to learn about the health of the river by taking part in riverfly demonstrations, a scavenger hunt and nature craft activities. Guided tours of the wetlands will also be part of the day, which runs from 11am to 3pm.

The open day begins a fortnight of planting opportunities for schools and community groups. All the plants have been specially selected to absorb pollutants and attract pollinators and an increased range of wildlife across the **Hogsmill Local Nature Reserve**.

The wetlands in **Ewell** now divert urban pollutants from the Green Lanes Stream away from the Hogsmill, one of only 200 chalk streams in the world. Once filtered water is fed back into the river just downstream of the famous Stepping Stones, another 5km of waterway is protected as it flows into south London all the way to the Thames.

Dr Bella Davies, Co-CEO of SERT, said: "We're thrilled to be giving the community the chance to learn all about Chamber Mead wetlands and crucially give people the chance to complete the project. The public have been very supportive of the wetlands from the start and adding plants is a wonderful opportunity to attract new wildlife not only to the water but the wider nature reserve. This will fulfill the potential of the wetlands to become another jewel in the crown of the reserve and make it an even bigger asset for the community. We're excited to see the results in years to come on the Hogsmill, which should be a haven for brown trout, water voles and native crayfish, among other species which need our help in recovering their numbers."

Councillor **John Beckett**, (RA Auriol) Chair of the Environment Committee at **Epsom & Ewell Borough Council**, said:

“We are overjoyed to be able to join SERT on the Chamber Mead Wetlands Open Day, to celebrate the fantastic work that has been done here to boost biodiversity and reduce pollution in the Hogsmill River. I hope that residents will join us to help complete the project, which will ensure the Hogsmill River Local Nature Reserve is a place where wildlife and nature can thrive, and one that we can enjoy for many years to come.”

Supported by the Hogsmill Catchment Partnership, the project has received funding from The Coca-Cola Foundation, Natural England (through the Species Recovery Programme), the Environment Agency, Surrey County Council, the Rivers Trust, the Zoological Society of London, Garfield Weston Foundation and Thames Water, with in-kind support from the landowner Epsom & Ewell Borough Council. The new wetlands are part of the wider Replenish programme in partnership with the Coca-Cola Foundation and the Rivers Trust. The aim of Replenish is to restore millions of litres of water in this and other local catchments, in turn improving biodiversity.

Speeches will take place at 11:30am- 12noon:

These will be delivered by **Jackie King**, Chief Executive of Epsom & Ewell Borough Council, Dr Bella Davies, Co-CEO of the South East Rivers Trust, and Borough Mayor Cllr **Robert Geleit** (Labour Court) who will also cut the ribbon to officially open the wetlands.

Plants such as yellow flag iris have been chosen for their ability to take up nutrients such as nitrogen and phosphorous. Meanwhile ragged robin and purple loosestrife will attract species such as butterflies, bees and damselflies, while brooklime, typical in chalk stream settings, will offer shelter for tadpoles and sticklebacks.

About the South East Rivers Trust:

The South East Rivers Trust is an environmental charity bringing rivers and their catchments back to life. Working in 12 river catchments across the South East, the Trust connects communities and mobilises citizen scientists to educate and engage people on the importance of rivers, and supports and challenges stakeholders, businesses and individuals to protect them. The Trust uses data and evidence to target positive action and works with nature to make rivers healthy again. This includes tackling water pollution, addressing water scarcity, reconnecting rivers and restoring habitats.

Music for our times

11 April 2024

Shelagh Godwin reviews last Saturday's Epsom Chamber Choir concert at St Martin's Church.

Imagine writing a piece that means a lot to you and then never hearing it performed. This was the fate of **Maximilian Steinberg's** Passion Week. Composed in the 1920s just as the Soviet regime was banning any religious music, the piece was published in Paris at the behest of the composer in 1927, and scores eventually made it to the United States, but it was not until 2014 that a complete performance and an award-winning recording took place. It has had its enthusiasts since, one of whom, Epsom Chamber Choir's conductor Jack Apperley, presented a performance on Saturday 23rd March in St Martin's Parish Church in Epsom.

Based largely on Russian Orthodox chants, Passion Week could not be more different from the sacred music composed by Steinberg's contemporary and fellow-student Igor Stravinsky. Indeed, it draws more from the influence of his father-in-law Rimsky-Korsakov. It is more reflective in mood than Rachmaninov's more celebrated Vespers, and the stepwise movement of Orthodox chant pervades the work and the general mood. The texts are Church Slavonic hymns for Holy Week, and are reflective tableaux rather than narrative. The eleven sections tend to sound somewhat the same, but there are great moments, enhanced on Saturday by the Epsom Chamber Choir's well-co-ordinated ensemble and effective use of excellent soloists from within the choir. Like much Russian choral music of the time, it abounds in low notes for the basses, who dealt with that challenge magnificently.

Interspersed with the hymns of Passion Week were the five deeply moving spirituals from **Tippett's** A Child of our Time, which received superb and moving performances from the choir.

A more unfamiliar interjection was **Owain Park's** Phos hilaron (Hail gladdening Light), a complex setting of psalms and Greek liturgy. I say complex because it was very difficult to follow the words! It did achieve the desired effect, as did the extremely evocative encore, **John Rutter's** heart-rending Prayer for Ukraine, sung in Ukrainian. Entirely appropriate in view of the tragedies of the previous few days.

Shelagh Godwin

Ashtead Choral Society give a lesson in three Rs

11 April 2024

Jane Pickles reviews a concert given by the Ashtead Choral Society in Epsom's St Martin's Church on Saturday 16th March that included works from Rameau, Rossini and Rutter.

I don't know about you, but when I open my Spotify application to listen to music I am immediately drawn to the familiar where one finds comfort and pleasure. The glory of this programme was to take the audience on a spiritual journey from the less familiar Catholic Baroque to the well-known glory of the modern English church tradition.

You will find it difficult to find a recording of **Rameau's** Blow the Trumpet. One wonders why as this joyful opening set the scene invigoratingly for the evening, bringing together the full forces of choir, organ and soprano, Helen Pritchard. If you were at the last ACS concert, you will have enjoyed the rich, operatic dramaticism of **Rossini's** Petite Messe Solennelle. This time we were treated to three of his glorious motets in the same vein, with Musical Director Dr Andrew Storey making the most of the sacred setting and acoustic of St Martin of Tours and the powerful shifts in expression offered by Rossini.

Helen Pritchard's solo performance moved us firmly into the early 20th century with a rare opportunity to experience Vierne's Les Angelus song cycle in which John Carnelley's shimmering organ playing underpinned Pritchard's effortlessly lyrical appeals to the Virgin Mary. This set the scene for another rarely heard classic: the intense homophonic simplicity of Gorecki's incantation Totus Tuus. Storey created and sustained a mesmerising soundscape, still yet kinetic, and crowned with a resounding silence at the end of this evocative chant to the Virgin Mary.

Faure's Pavane and Cantique de Jean Racine brought us back to the familiar and foreshadowed the last stage in the evening's journey, **Rutter's** well-known Requiem. Rutter went to France to view the original manuscript of Faure's Requiem before he wrote his own, and Storey illustrated exactly why Rutter's offering is a modern classic.

The choir dealt purposefully with the anguished chromatic calls for eternal rest that open the work, before resolving into the simple, lyrical beauty of Rutter's requiem theme. In the psalm setting movements - Out of the Deep and The Lord is My Shepherd - the choir shifted seamlessly from simple lines shared between the parts, to glorious harmonies and well-delivered choral recitatives. Pritchard gave us grace and purity in Rutter's Pie Jesu, soaring to heaven and back again from the pulpit.

Storey gave a blazing Sanctus, an Angus Dei which tore at the heartstrings as he drove a crescendo of pleas to the Lamb of God from choir, and, finally, resolution and rest through the spare lines of the Lux Aeterna.

All in all, tour of Europe, a tour of musical epochs, and a tour for the soul. Storey must have tours on his mind as he mentioned that ACS will be taking much of this repertoire on tour to Italy later this year. Bravo!

Jane Pickles

Epsom squash team stand the squeeze

11 April 2024

When five girls from **Rosebery School, Epsom** formed the school's first ever squash team just six months ago with a view to entering the England Squash National Schools Championships 2023/24, little did they know how far they would go in this tough and prestigious tournament. Being a state school with no on-site squash facilities, they knew they would be competing against a lot of private schools around the country, many with their own squash courts and dedicated coaches. They were, however, all keen squash players and junior members of **Ebbisham Sports Club** in Epsom where they trained on a regular basis.

By dint of their considerable success in Stages 1 and 2 of the Championships, held respectively at Limpsfield Club in November 2023 and **Epsom College** in January 2024, the Rosebery School Girls Squash Team were delighted to learn that they had done enough to qualify for the Finals held in Birmingham on 14th March. One of the top eight teams from around the country to reach the Finals, the Rosebery Squash Team battled hard through three very tough matches during the course of a long day, with some excellent individual match wins and some very close losses. Whilst they came extremely close to beating one of the other schools, in the end the Rosebery team had to settle for final place, but did so with a smile on their faces and knowing they had given the Championships their all.

Gillian Mead

NESCOT marks 70 years with a tree

11 April 2024

Nescot (North East Surrey College of Technology) in Ewell marked seven decades since its official opening with a commemorative tree planting in the college grounds today (22.03.24). The Mayor Epsom & Ewell, Councillor **Rob Geleit** (Labour Court Ward) planted a silver birch along with **Julie Kapsalis**, Principal and CEO of Nescot and **Chris Muller**, Chair of Nescot Corporation. They were joined by three students, Donna from our Supported Internship programme; Kirsty from Access to Nursing and Anna from Catering who have all had a successful term and made an impression.

Speaking at the tree planting, Julie Kapsalis, said: "It is wonderful to have students take part in this historic moment as without them and the many thousands who walked through these gates before them, we would not be here.

"As we reflect on 70 years of Nescot today, by planting this beautiful silver birch tree we are also looking to the future of education here, which we hope will be sustainable, ever-growing and long-lived. Maybe in 70 years' time - 2094 - people here will be looking back on photos from today, admiring this tree in its full maturity, and be reflecting on education and what Nescot means to them."

Marking the commemorative event with the tree planting, the Mayor of Epsom & Ewell, Cllr Rob Geleit, said: "It is an honour to be here today to plant this commemorative tree to mark Nescot's 70th anniversary. I hope in 70 years' time someone similar will be doing the same thing."

Julie added, "When this site was formally opened on 22 March 1954, the world was very different and courses such as Home Economics, Flower Arrangement, Guest House Management and Typing were on the curriculum, along with a number of more scientific and technical subjects. Today, our curriculum includes learning opportunities in electric vehicles, artificial intelligence, robotics, gaming, sectors which could barely have been imagined in 1954.

"We can be proud of the role that Nescot plays, offering increased opportunities for people from all walks of life to gain the skills and qualifications they need for a successful career and continuing to provide learning for the local community in Epsom & Ewell and our surrounding region."

Students and staff took part in a variety of events throughout the day and during the week organised by various curriculum areas that included activities, displays and even a 1950s lesson for some of our plumbing apprentices to mark Nescot's 70 years.

Nescot began life as Ewell County Technical College, with the first students beginning courses in September 1953 and the establishment being formally opened the following March. Explore the college's rich history, evolution of education and community engagement on our website here.

A concert of English music in Epsom

11 April 2024

Peter Lutton reviews a concert given by Epsom Choral Society of English music conducted by their Musical Director,

Julian Collings. The concert took place Saturday 9th March at St Martin's Church, Epsom.

The concert opened with Elgar's *The Spirit of the Lord*, the atmospheric opening to his oratorio *The Apostles*, contains several themes heard throughout the work. There are one or two tricky moments but it is very direct in its unison passages and with its majestically long melodic line. The choir ensemble throughout was good and the climax was very effective, Elgar's word setting allowing real clarity of text. Just occasionally I felt that a little more support in the choir's breathing would have lifted the line, but this was a strong start.

John Ireland's *Greater Love Hath No Man* again has a strong melodic line and clear presentation of the text. The opening tenor line was well projected with a good vocal blend and it was encouraging to see a choral society with a healthy number of men, some younger - one or two of the latter watching the conductor assiduously. Only once was the ensemble not quite together but the early climax was powerful and was particularly dramatic as it subsided. The Soprano solo was excellently projected and well balanced by the Baritone. The change of tempo was smooth and the build up to the choral climax suitably staged. The arrival at the final climax was very effective, followed by a well-supported soft closing section, though I would have liked to hear more bass in the final bars. The emotional circumstances of this work's early performances (during and after WW 1) resonate today as much as ever and this presentation was in the best English tradition.

Herbert Howells' *Like as the Hart* is one of four small-scale anthems written in war time when he directed the reduced forces of the chapel music at St John's College, Cambridge. The tenors and basses produced a warm sound at the start and the first tutti was suitably intense. A few more consonants from the sopranos would help in the acoustics of St Martin's but the *Piu Animato* went well as did the climax on 'Where is now thy God?' The Tenor and Bass were better supported than the Sopranos but the latter handled very well the demanding descant which accompanies the return of the opening material. Bliss indeed was the final tutti with its ecstatic solo Soprano, followed by the atmospheric ending. A memorable performance of a great piece, an all-time favourite of your scribe.

Gerald Finzi's *Lo the Full and Final Sacrifice* is a work on a much greater scale. After the organ introduction (full marks to the organist, Peter Jaekel, as this is a demanding piece on any instrument) the first choral entry was excellent despite a hint of flatness at the end of the section. Again, we have a piece where the words can be heard and understood - we heard them clearly. Though the next entries were exposed, they were confident and accurate, not least the altos with the low start. While the G flat section wobbled slightly, the Soprano entry with (another) big tune was very clear and confident as indeed were the following entries, though the unison on 'Help, Lord' was less united. But these are small points; the performance conveyed the rhapsodic nature of a musical style very suited to the metaphysical poets, not least in the climax on 'Lo the Bread of Life'.

The final work, Stainer's 'The Crucifixion' of 1887 has, as the programme helpfully noted, had its ups and downs. Stainer had rebuilt the reputation of St Paul's Cathedral Choir; in 'The Crucifixion' he encouraged the grass roots of Anglican music.

This performance did full justice to this piece. The soloists gave us the lines with simple directness, as did the choir in its first entries outlining the drama of the scene in the Garden. John Findon sensitively sang the tender solo that provided relief before the final tutti section. The recitative which covered the crucifixion itself was clearly given - the soloists were consistently top-class and the solos which followed kept up the intensity, especially in 'King ever Glorious'. John Findon was very impressive at every level - I have not heard it sung better.

In the final chorus the pent-up tensions of the drama found release, in the brisk tempo and strong dynamic contrasts. There was some lack of clarity in the short 'Crucify!' shouts but we got the point. The final pages were well shaped, as well as being tender and dramatic in equal measure and having an effective ending, even though it was *pianissimo*.

Though we all know the end of the story, it still has the power to move, as this performance of the final recitative and semi-chorus proved. The well-known final hymn leaves us with the hope for the future even though Easter is not mentioned. It was clear that the choir had really enjoyed the whole dramatic progression; the audience certainly did.

11 April 2024

Saturday 10th March a Bronto Fire Engine came to Epsom's Market Square outside the Assembly Rooms. A crowd gathered to admire the magnificent machine and wish it well on its journey to a city near the front-line of the conflict between Russia and Ukraine.

Roy Deadman of the charity **Surrey Stands With Ukraine** explained: "Some population centres in Ukraine are so close

to the Russian artillery that the missiles can strike before the sirens sound. This fire engine with its long-ladder can rescue lives trapped in apartment blocks.”

Another volunteer with the charity **Nick Budd** said “There has been a tremendous effort to raise the money to purchase this vehicle and the public have been very generous. Our partners in Ukraine are very grateful to be receiving this vital equipment.”

The Mayor of Epsom and Ewell **Robert Geleit** (Labour, Court Ward) was in attendance, confirming a moment of pride for Epsom and Ewell as the headquarters for the humanitarian efforts of SSWU.

Charity director **Lionel Blackman** said: “Post Brexit there remain various bureaucratic obstacles to the engine’s transportation across Europe to the Polish border, where our Ukrainian partners will collect and take through their country to where it is most needed; but we will overcome and we expect it to be in place in a few weeks from now.”

Boats on the canal "your time is up"?

11 April 2024

Basingstoke Canal could stop leisure activities like boat hire and camping because they're not financially viable.

The 32-mile-long Basingstoke Canal was jointly acquired by Hampshire and **Surrey County Councils** in the 1970s to manage risks, protect the canal, and provide public recreation.

It is a site of Special Scientific Interest (SSSI) and due to its hydrological biodiversity and effective management of its ecosystem, it is home to numerous nationally scarce species of flora and fauna.

The Basingstoke Canal Partnership was established to fund the canal operation following restoration in the late 1980s. The partnership includes a number of "riparian" partners like district, borough and town councils that contribute financially to the running of the canal.

In 1990, county councils for Hampshire and Surrey, as landowning authorities, created the Basingstoke Canal Authority. Under the arrangement, Hampshire employs the staff, provides IT and finance support to the authority, and Surrey manages the visitor centre at Mytchett.

However, according to the report, the current arrangement is not financially sustainable. In 2023/24, the cost of the canal required a draw of £192,000 on existing reserves to cover a shortfall in income.

The canal is funded by the landowning authorities and the riparian funding partners; however, some have indicated the reduction or withdrawal of their contributions, like Woking and Rushmoor Borough Council, which confirmed it was pulling all funding in 2023/24.

Due to the withdrawal of some funding, the two landowner authorities commissioned an external company to review management and recommend a sustainable operating model.

From the five alternatives, the chosen one indicated that the Basingstoke Canal Authority will continue to deliver statutory requirements and leisure navigation.

However, under this option, the authority will no longer deliver activities such as boat hire, camping, running the visitor centre, and events.

The proposal will be debated at the universal select committee (March 11), and the executive member for countryside and regulatory services, Cllr Russell Oppenheimer, will take a decision later that day.

Surrey "relay" car thieves sent down

11 April 2024

Four members of an organised crime group (OCG) responsible for the theft of 53 high value vehicles in **Surrey** and the South-East have been sentenced to a total of 12.5 years behind bars at **Guildford Crown Court** on Friday 8th March.

All four men pleaded guilty to conspiracy to steal and conspiracy to acquire criminal property and were sentenced to;

- Perry Lovejoy, 29, born 01/11/1994, of Reigate Road in Horley, was sentenced to 3 years in prison
- Luke Jackson, 28, born 25/07/1995, of Shoreham Close in Croydon, was sentenced to 3.5 years in prison
- Billy Harrison, 30, born 29/10/1993, of Tollers Lane in Coulsdon, was sentenced to 3 years behind bars
- Harry Sales, 28, born 20/09/1995, of Cornwall Road in Croydon, was sentenced to 3 years in prison

The conviction of the four men was the result of a thorough and complex investigation by the Serious and Organised Crime Unit into the thefts of the 53 vehicles, with a combined value of over £3.7 million pounds.

Jackson also had additional offences taken into consideration when sentenced after admitting his guilt in stealing a further 42 cars, with a combined value of 2.1 million pounds.

The thefts took place over 12 months and across Surrey and the South-East of England. Officers arrested the suspects on the 26 April 2023, after successfully building a clear picture of their illegal activities through intelligence, forensics, ANPR, call data, witness testimony and CCTV enquiries.

During the investigation, officers discovered how the gang used the ‘**relay attack**’ technique to target keyless vehicles including Rolls Royce, Bentley, Land Rover, Range Rover and Alfa Romeo. This method involves using a master device to copy the signal of the vehicle key and transmit it to a second smaller device, which replicates the key and unlocks the car.

Tellingly a manual for a relay device was also found saved on a mobile phone seized from Lovejoy’s possession.

Jackson was also sentenced for two offences of burglary committed whilst stealing two of the cars after pleading guilty. He received 18 months in prison to be served concurrently.

Lovejoy was also sentenced to being concerned in the supply of class b drugs (cannabis) after pleading guilty to this offence when officers found messages on his phone showing supply activity. He received 9 months in prison to be served consecutively.

Investigating Officer DC **Matt Earl**, said; “This was a large-scale investigation that was made possible by the hard-work and dedication of the Serious and Organised Crime Unit, as well as the support and collaboration of other neighbouring police forces.

In Court lawyers for the four said they were the “foot soldiers” in the operation and the maximum sentence for theft being 7 years, the sentences for the defendants should be less than the masterminds “at the top of the chain”, should they ever face justice.

His Honour Judge **Banarjee** said the conspiracy was sophisticated and involved extensive planning. He took into account the guilty pleas of the defendants and the conditions they had endured in HMP Wandsworth since their arrests in April 2023.

Chinn up for women

11 April 2024

On International Women’s Day (Friday 8th March) and Epsom and Ewell’s association with the struggle for equal rights for women through the actions and death of Emily Davison, local Labour Councillor **Kate Chinn** (Court Ward) shares her thoughts on the special day:

Today is **International Women's Day** and this year's theme is to inspire inclusion.

It means breaking down barriers, challenging stereotypes, and creating environments where all women are valued and respected. I've heard repeated the old idea that women don't really understand figures. Tell that to the three women at NASA who did the maths that were instrumental in one of history's greatest operations - the launch of astronaut John Glenn into orbit celebrated in the book and film **Hidden Figures**. A great read and watch

World renowned feminist, journalist Gloria Steinem reported:- "the story of women's struggle for equality belongs to no single feminist nor to any one organisation but to the collective efforts of all who care about human rights"

We can all do what we can to support and advance women.

As the IWD website states:- "When women aren't present, we must ask: "if not why not." When women are discriminated against, we must call out poor practice. When the treatment of women is not equitable we must take action"

Local politics is a way that women can get involved with their local communities and work with the community, other councillors and partner agencies to make a difference in their local community.

I became active as I believe local politics matter. People need a decent home, to feel safe in their communities, access to the services they need and the opportunity to enjoy the good things in life. We need "bread and roses too", a phrase attributed to a strike in Massachusetts in 1912 now often referred to as the "Bread and Roses strike". The slogan pairing bread and roses, appealing for both fair wages and dignified conditions. Now a poem by **James Oppenheim**.

It's only good governance that can enable both and why local and national politics are so important to all of us.

If anyone is interested in getting involved in politics then please do get involved and there is plenty of available help and support. Talk to your local councillors and the local political parties. Both the political parties and Epsom and Ewell Council run sessions on being a councillor; some in person and some on line

I believe it is important to mark International Women's Days. One of the many reasons is to celebrate the inspirational women we have both past and present. **Emily Wilding Davison**, Mary Seacole, Rosa Parks and Malala Yousafzai, to name just a few of so many women who have made the world a better place.
