Cleanliness is next to Godliness

On Sunday, June 9th, around 30 volunteers from ASEZ WAO UK, a local young adult volunteer group inspired by the World Mission Society Church of God in Epsom, gathered to clean along the stream at Longmead Road. The event, joined by Howard Gregory, Chairman of the Epsom & Ewell Tree Advisory Board, aimed to prevent plastic pollution in local waterways.

This litter pick was part of the group's Blue Ocean campaign, which strives to reduce pollution in streams, rivers, beaches, and seas. In just two hours, the volunteers collected a total of 37 bags of litter, removing mainly plastics to prevent them from entering the waterways. Passersby at Longmead Road were pleased and cheered the volunteers, expressing their gratitude.

ASEZ WAO UK conducts cleanups like this almost monthly, fostering a positive mindset and a sense of community.

The World Mission Society Church of God, located on East Street in Epsom, is a global church with over 7,500 branches and approximately 3.5 million members. The church teaches about God the Father and God the Mother through the Bible.

The group remains committed to keeping the waterways in Surrey plastic-free.

Epsom and Ewell General Election Public Hustings

Epsom and Ewell Times, in collaboration with NESCOT, will host a public hustings for local voters. Your opportunity to question Parliamentary Candidates on Wednesday 26th June at 7pm. The hustings will be held in the Adrian Mann Theatre, NESCOT, Reigate Road, Ewell, Epsom.

Epsom author thinks the unthinkable

Published on 28th May 2024, **The Unthinkable Truth** by **Epsom** based author **Yona Bouskila** is a gripping thriller that delves into the depths of the human mind and explores how real and seemingly innocent scientific discoveries can spiral into global dystopia.

With the authorities set to rob people of their freedom of choice, in order to create a perfectly obedient and mindless society, The Unthinkable Truth questions whether free will is simply an illusion, and whether our own human nature could be the catalyst to our downfall.

Making use of his extensive background in neuroscience, the author expertly transports us into a world where a team of scientists, other experts and a characterful AI are tasked with solving the most baffling question about the human mind, creating a gripping narrative that will appeal to all.

Yona Bouskila ticks all the boxes for fans of both thrillers and intellectually stimulating reads, but most importantly, readers aren't required to know the first thing about science to enjoy his compelling and thought-provoking novel.

In the hope of distracting himself from his heartache, George Bennet, a mild-mannered professor of theoretical physics, accepts an invitation by UNESCO to join an eclectic multidisciplinary team of experts, tasked with unravelling the enigma of the human mind.

20th November 2025 Weekly

ISSN 2753-2771

As this seemingly innocent academic investigation twists and turns, George suspects that they are being duped into aiding a sinister plan, which threatens to shatter the very foundations of society. When the unthinkable truth emerges as their final conclusion, and the plan is exposed, George and the team must be silenced. No matter the cost.

What is the unthinkable truth? Will George survive to reveal it? Only one thing is certain: humanity will never be the same.

Drawing on solid scientific research, The Unthinkable Truth is a compelling and intricate thriller that will make readers question their own human nature.

A scientist by training, a thinker by nature, and an author by passion, Yona Bouskila has a particular fascination with the human mind in all its aspects. This enduring passion, together with his penchant for thrillers, served as the driving force behind his novel, The Unthinkable Truth, which he describes as a thought-provoking thriller that culminates in an eye-opening revelation on the mind and humanity. He studied biology (with philosophy) and received a PhD in neuroscience from UCLA.

He is involved in medical research and development. Before that, he conducted brain research at several institutions in the US and Europe. He writes short stories, often with a humorous slant, and his debut novel will be published in May 2024. He lives in Epsom with his wife and pets, where he enjoys the Surrey countryside and contemplating life.

A book promotion will end on 10th June (https://www.amazon.co.uk/Unthinkable-Truth-Yona-Bouskila-ebook/dp/B0CW1N2JTJ)

A beacon of hope in a troubled world?

6th June 2024 marked 80 years since D-Day. The massive allied military campaign that signaled the beginning of the end of Nazi tyranny in Western Europe.

The Borough of **Epsom and Ewell** came together on Epsom Downs to celebrate this momentous day. Events organised by Epsom and Ewell Borough Council, the Epsom branch of the Royal British Legion and Epsom Bid Ltd honoured the ultimate sacrifices of a then young generation of servicemen.

About 1500 residents flocked to the Downs, enjoying fish and chips while entertained by a choir and the **Epsom and Ewell Silver Band**. The Grandstand exhibited a gallery of photographs of Epsom and Ewell in wartime. The exhibition will be transferred to Bourne Hall in Ewell in due course.

The Worshipful Mayor of Epsom and Ewell Cllr. **Steve Bridger** addressed the assembled, paying tribute to the fallen and survivors of the historic day. Just before 9.15pm the Mayor lit the great Beacon at the viewpoint car park on Grandstand Road.
