Epsom Advice Bureau Board boost before bad times

29 September 2022

Four new trustees have joined Citizens Advice Epsom & Ewell’s (CAEE) Board to guide and lead the charity as it approaches what will undoubtedly be a very difficult winter.

Peter Edwards, chair of the Trustee Board, said: “I’m delighted to welcome four new and very talented trustees who will strengthen the Board at a challenging time for our charity, as we are already seeing rapidly rising demand for our services, inflationary pressures on costs, and fewer resources. With inflation rising steeply, the cost of living is a major concern for us all, and especially for the people we are here to help. Families on the lowest incomes will be hit hardest by spiraling price increases and our frontline advisers are already supporting people who are finding it difficult to get by.”

Photo from left to right back row: Andrew Heffernan, George Bell, Ian Davison, Shaun Jones, Patrick O’Driscoll. Front row left to right: Fiona Taylor, Lisa Davis, Yvette Ball, Hardik Trivedi and Peter Edwards.

Joining the Board as new trustees are Yvette Ball, Hardik Trivedi, Fiona Taylor and Andrew Heffernan. Yvette’s professional career was with the Probation Service culminating as Chief Officer of the service in Gloucestershire and then Surrey. With retirement her voluntary career has included Chair of Faith in Action Merton Homelessness Project and then of Refugees at Home before joining CAEE. In these roles Yvette led the organisations to achieve success, changing dysfunctional groups into high functioning teams and enabling the charities to thrive. She gained good knowledge of governance from experience as an Honorary Secretary. She understands disadvantage and brings her passion to tackle it as incoming Chair designate.

Hardik is an experienced consultant with Duetsche Bank and has a track record in delivering transformation projects across different industries in government and commercial organisations. Prior to consulting, he was a systems engineer within the UK Ministry of Defence. Hardik holds an MBA from University of Warwick and a MEng in Aerospace Engineering from Queen Mary University of London.

Fiona has 35 years’ experience in the transport industry including 13 years with her current employer, Network Rail, holding a number of director and senior leadership roles. Fiona spent several years as a self-employed consultant, working on a range of transformation, business improvement and commercial bidding assignments.

Andrew started his career in brand marketing for a number of blue-chip organisations, following which he took a break from the corporate world to qualify as a teacher. Andrew then worked for an educational charity before taking on the role of Membership and Marketing Director for a leading membership body in the social care sector.

Those who have departed are Alison Cribbs, vice-chair, who had been a trustee since 2015, Ian Davison who joined the board in October 2016 and chaired the HR committee, Bernie Watson who joined the board in 2018, and Alexis Marz and Hony Premial who both joined in 2017 and sat on the Finance and HR committees respectively.

Council's memorial benches to Co-Vid victims

29 September 2022

Epsom & Ewell Borough Council is installing 14 memorial benches across the Borough to commemorate all the lives lost in the Covid-19 pandemic.

Metal benches have been placed at Alexandra Recreations Ground, Long Grove Park, Nonsuch Park, Shadbolt Park, Stoneleigh Broadway and The Grove in Ewell Village.

More metal benches are in the process of being installed at Auriol Park, Ewell Court Park, Mounthill Gardens and The Wells Centre.

Wooden benches will also be placed at Epsom Common, Grandstand Road, Horton Country Park and Hogsmill by the stepping stones at a later date. Flowers will also be planted around the benches where appropriate.

Funding for the benches was provided via the Community Infrastructure Levy (CIL).

Councillor Hannah Dalton, who put forward the CIL bid, said, "The past two years have been extremely hard for everyone in the borough, but more so for those who have lost loved ones. These benches are our permanent memorial to all those affected by the pandemic.

"I hope they will bring comfort to grieving families, ensuring that their loved one will always have a place in and be remembered by our community."

Councillor John Beckett, Chair of Environment and Safe Communities Committee, added, "While these benches memorialise the pandemic, they also represent a time for reflection within the Borough. I can't think of a more fitting tribute to those we have lost, than to have something to remind us and generations to come."

Surrey Art for Ukraine

29 September 2022

ShedArt Gallery will be painting for **Epsom** based **Surrey Stands With Ukraine** during **Mole Valley Arts Alive** in October. There will be paintings of sunflowers and other subjects in different media and sizes. All proceeds from the sale of these paintings will go towards a bus pass for a local Ukrainian family and the rest will go directly to the charity.

In addition to the Ukraine-themed paintings, there will be over 100 other works on display including from two new artists who have recently joined the Gallery. These events are always a lot of fun for everyone and it's a chance to meet the local artists and see how they work.

One artist has welcomed a Ukrainian family into her home and the gallery has become aware of how difficult it is for them to live in a different country and not able to speak English and hence not able to work. They decided to help by dedicating wall space in their gallery to Ukraine. Some of the artists have chosen sunflowers as their theme. Some will donate a piece of their existing work to this cause.

All genders, races and backgrounds are welcome at Scouts. Every week, it gives almost half a million people aged 4-25 the skills they need for school, college, university, the job interview, the important speech, the tricky challenge and the big dreams: the skills they need for life.

Scouts helps members gain these skills by encouraging them to ask the big questions and listen with wide open minds. It helps them to take a deep breath and speak up, think on their feet, ignore the butterflies and go for it. With Scouts, young people don’t give up – they get back up and try again, often with the support of the friends they’ve made there.

Scout volunteers contribute more than 50 million hours of voluntary work each year to their local communities.

Painting the Town Purple against Polio

29 September 2022

The **Rotary Club of Epsom** will mark historic progress toward a polio-free world while urging the community to help end the paralyzing disease. On Saturday 22nd October 2022 Epsom Rotary members are taking action for **World Polio Day** (24th) to raise awareness, funds, and support to end polio, a vaccine-preventable disease that still threatens children in parts of the world today.

There will be a stand in the **Epsom Market Place**, by the Clocktower, with members of the Epsom Rotary Club providing information on polio and the work being done to eradicate it. The Epsom Clock tower will be lit-up purple. The colour purple stems from a symbolic purple dot painted on the fingers of children to show they have been vaccinated.

When Rotary and its partners launched the **Global Polio Eradication Initiative** in 1988, there were 350,000 cases of polio in 125 countries every year. We’ve made great progress against the disease since then. Today, polio cases have been reduced by 99.9 percent, and just two countries continue to report cases of wild poliovirus: Afghanistan and Pakistan. And we remain committed to the end.

With polio nearly eradicated, Rotary and its partners must sustain this progress and continue to reach every child with the polio vaccine. Without full funding and political commitment, this paralyzing disease could return to polio-free countries, putting children everywhere at risk. Rotary has committed to raising US$50 million each year to support global polio eradication efforts. The Bill and Melinda Gates Foundation has pledged to match that 2-to-1, for a total yearly contribution of $150 million.

Past Epsom Rotary Club President, **Veronica Smith**, is organizing the event and hopes that members of the local

community will come and visit the stand and give support to this very worthy cause.

Rotary has contributed more than $2.2 billion to ending polio since 1985.

About Rotary
Rotary is a global network of 1.2 million neighbours, friends, leaders, and problem-solvers who unite and take action to create lasting change in communities around the globe. For more than 115 years, Rotary's people of action have used their passion, energy, and intelligence to improve lives through service. From promoting literacy and peace to providing clean water and improving health care, Rotary members are always working to better the world. Bloom awards for Epsom and Ewell

29 September 2022

It has been announced yesterday that Epsom & Ewell have both won silver in the annual South & South East in Bloom competition. **Stoneleigh** was awarded a commendation in this year's competition.

This is the first year that Ewell has taken part in the competition and the second consecutive year that Epsom has won an award. Last year Epsom town centre entered for the first time and won a silver award.

Councillor **John Beckett,** Chair of the Environment and Safe Communities Committee, said "It has been an absolute joy to see the contributions to this year's Epsom & Ewell in Bloom. We're over the moon that both Epsom and Ewell have won silver awards, Epsom for the second year running.

"I extend my sincere thanks to all the residents, volunteer groups, schools and businesses who made this year's Epsom & Ewell in Bloom such a huge success.

Ewell Village saw 'blooming' themed windows in shops along the high street and beautifully knitted floral decorations, created by the Ewell Yarn Bombers, on post boxes.

Ewell Castle School re-used wellies to create fabulous displays and St Mary's Church in Ewell produced stunning floral displays.

Volunteers populated cast iron troughs with flowers creating welcome splashes of colour in Epsom town centre, planted bulbs on street verges, and have been helping to keep displays watered over the summer.

Jubilee themed planting schemes in Rosebery Park, depicting a crown and a colourful feature bed, were planted by U3A volunteers.

Plans are already being formulated for Epsom & Ewell to take part in South & South East in Bloom next year. I would like to take this opportunity to thank everyone who is committed to ensuring our Borough is the best it can be for the local community, for visitors and for wildlife, all year round".

Surrey County Council will launch a new campaign on **World Car Free Day**, 22 September, to encourage residents to change the way they travel to stay healthy, save money and help the environment by reducing their carbon footprint.

In Surrey, 41% of carbon emissions come from transport, with around half of that coming from private vehicles. For shorter journeys such as the school run, the commute to work or a trip to the shops, residents are being encouraged to consider leaving the car at home and walking or cycling instead

The County Council has teamed up with BetterPoints to reward anyone in Surrey who opts to travel by foot, bike or public transport, instead of using a car. Each car-free journey earns residents points which can be redeemed for high street vouchers to spend at shops, local coffee shops or can be donated to charity.

Surrey County Council is developing Local Cycling and Walking Infrastructure Plans (LCWIPs) across the county to help determine where best to prioritise improvements to continue to enable residents to walk and cycle more often. Residents can use an interactive map to 'pin' locations and comment on how walking and cycling could be made easier there.

Matt Furniss, Surrey County Council's Cabinet Member for Transport, Infrastructure and Growth, said: "We know it's not always possible for everyone to walk or cycle everywhere, but for shorter journeys we could all think about making a small change which on mass would make a big difference.

"We're continuously looking at ways to improve our infrastructure to make walking and cycling easier for the people of Surrey and would really encourage feedback on our interactive map."

The council has a target to be a net zero carbon council by 2030 and a net zero county by 2050, in line with government targets. Information about making active journeys can be found on the Surrey County Council website.
