Ring-tails are heads for Harriers

Epsom and Ewell Harriers sang "God Save The King" and then won some races on Ashted Common. Sunday 25th September. **Lauren Johnson** triumphing in the 10K fun run and her son **William** in the 2K. A week later than originally planned, due to the passing of Her Majesty, the **17th Ashted 10k and 2k fun run** took place on Ashted Common. Right after singing the Club's first ever rendition of "God save the King" the 2k race was off. A tight sprint finish led to **William Johnson** taking pole position, putting the pressure on his mum in the 10k. Lauren didn't disappoint, coming in first for the ladies in a time of 43:40, and securing first place for the **Epsom & Ewell Harriers**. That wasn't the only good news for the local Harriers, snatching 2nd and 3rd place too, with **Sophie Lomas** coming in 2nd at 44:18 and **Sophie Glencross** 3rd at 44:54.

More trees please for Surrey

Surrey County Council will receive £298,000 from the Defra Local Authority Treescapes Fund (LATF) to increase tree planting and keep on target with the planting of 1.2 million trees, one for every resident, by 2030, supporting the Council's aim to be carbon neutral by 2050.

This funding will help to facilitate planting in non-woodland settings such as parks and community spaces as well as along roads and footpaths helping communities to fight the effects of climate change. Trees in these settings are particularly valuable as they can provide the greatest levels of benefit to ecosystems, such as carbon absorption, flood protection and support for biodiversity, as well as connecting fragmented habitats through wildlife corridors.

Marisa Heath, Surrey County Council Cabinet Member for the Environment comments: "Since 2019 over 333,749 trees have been planted across Surrey. We are well on our way to achieving the County Council's ambition to plant 1.2 million new trees and this boost in funding will help us to achieve this. We can't do this alone and encourage Schools, Parish Councils, landowners and community groups to help us achieve this".

The LATF fund will help the nation build back greener from the pandemic and will target landscapes that have been neglected in the past, ecologically damaged or affected by tree diseases like ash dieback - with ash being the most common species of tree found in non-woodland locations. For further information on the LATF Fund visit Local Authority Treescapes Fund - GOV.UK (www.gov.uk).

If you are a school, Parish Council, Charity or formal community group who own, or have a formal lease agreement on land and you are interested in receiving free trees to plant, you can contact SCC at trees@surreycc.gov.uk.

Epsom Advice Bureau Board boost before bad times

Four new trustees have joined Citizens Advice Epsom & Ewell's (CAEE) Board to guide and lead the charity as it approaches what will undoubtedly be a very difficult winter.

Peter Edwards, chair of the Trustee Board, said: "I'm delighted to welcome four new and very talented trustees who will

strengthen the Board at a challenging time for our charity, as we are already seeing rapidly rising demand for our services, inflationary pressures on costs, and fewer resources. With inflation rising steeply, the cost of living is a major concern for us all, and especially for the people we are here to help. Families on the lowest incomes will be hit hardest by spiraling price increases and our frontline advisers are already supporting people who are finding it difficult to get by."

Photo from left to right back row: Andrew Heffernan, George Bell, Ian Davison, Shaun Jones, Patrick O'Driscoll. Front row left to right: Fiona Taylor, Lisa Davis, Yvette Ball, Hardik Trivedi and Peter Edwards.

Joining the Board as new trustees are Yvette Ball, Hardik Trivedi, Fiona Taylor and Andrew Heffernan. Yvette's professional career was with the Probation Service culminating as Chief Officer of the service in Gloucestershire and then Surrey. With retirement her voluntary career has included Chair of Faith in Action Merton Homelessness Project and then of Refugees at Home before joining CAEE. In these roles Yvette led the organisations to achieve success, changing dysfunctional groups into high functioning teams and enabling the charities to thrive. She gained good knowledge of governance from experience as an Honorary Secretary. She understands disadvantage and brings her passion to tackle it as incoming Chair designate.

Hardik is an experienced consultant with Duetsche Bank and has a track record in delivering transformation projects across different industries in government and commercial organisations. Prior to consulting, he was a systems engineer within the UK Ministry of Defence. Hardik holds an MBA from University of Warwick and a MEng in Aerospace Engineering from Queen Mary University of London.

Fiona has 35 years' experience in the transport industry including 13 years with her current employer, Network Rail, holding a number of director and senior leadership roles. Fiona spent several years as a self-employed consultant, working on a range of transformation, business improvement and commercial bidding assignments.

Andrew started his career in brand marketing for a number of blue-chip organisations, following which he took a break from the corporate world to qualify as a teacher. Andrew then worked for an educational charity before taking on the role of Membership and Marketing Director for a leading membership body in the social care sector.

Those who have departed are Alison Cribbs, vice-chair, who had been a trustee since 2015, Ian Davison who joined the board in October 2016 and chaired the HR committee, Bernie Watson who joined the board in 2018, and Alexis Marz and Hony Premial who both joined in 2017 and sat on the Finance and HR committees respectively.

Council's memorial benches to Co-Vid victims

Epsom & Ewell Borough Council is installing 14 memorial benches across the Borough to commemorate all the lives lost in the Covid-19 pandemic.

Metal benches have been placed at Alexandra Recreations Ground, Long Grove Park, Nonsuch Park, Shadbolt Park, Stoneleigh Broadway and The Grove in Ewell Village.

More metal benches are in the process of being installed at Auriol Park, Ewell Court Park, Mounthill Gardens and The Wells Centre.

Wooden benches will also be placed at Epsom Common, Grandstand Road, Horton Country Park and Hogsmill by the stepping

stones at a later date. Flowers will also be planted around the benches where appropriate.

Funding for the benches was provided via the Community Infrastructure Levy (CIL).

Councillor Hannah Dalton, who put forward the CIL bid, said, "The past two years have been extremely hard for everyone in the borough, but more so for those who have lost loved ones. These benches are our permanent memorial to all those affected by the pandemic.

"I hope they will bring comfort to grieving families, ensuring that their loved one will always have a place in and be remembered by our community."

Councillor John Beckett, Chair of Environment and Safe Communities Committee, added, "While these benches memorialise the pandemic, they also represent a time for reflection within the Borough. I can't think of a more fitting tribute to those we have lost, than to have something to remind us and generations to come."

Surrey Art for Ukraine

ShedArt Gallery will be painting for **Epsom** based **Surrey Stands With Ukraine** during **Mole Valley Arts Alive** in October. There will be paintings of sunflowers and other subjects in different media and sizes. All proceeds from the sale of these paintings will go towards a bus pass for a local Ukrainian family and the rest will go directly to the charity.

In addition to the Ukraine-themed paintings, there will be over 100 other works on display including from two new artists who have recently joined the Gallery. These events are always a lot of fun for everyone and it's a chance to meet the local artists and see how they work.

One artist has welcomed a Ukrainian family into her home and the gallery has become aware of how difficult it is for them to live in a different country and not able to speak English and hence not able to work. They decided to help by dedicating wall space in their gallery to Ukraine. Some of the artists have chosen sunflowers as their theme. Some will donate a piece of their existing work to this cause.

In addition to the Ukraine-themed paintings, there will be over 100 other works on display including from two new artists who have recently joined the Gallery. These events are always a lot of fun for everyone and it's a chance to meet the local artists and see how they work.

Epsom Beavers away in Surrey woods

Beavers and adults from **8th/14th Epsom (Air Scouts)** and **3rd Epsom (St Martins)** joined over 400 Beavers and leaders from other Surrey Scout groups. **Beavers Go Wild** is an overnight camp which is held at Bentley Copse Activity Centre, south of Guildford, which is owned by Surrey Scouts.

During last weekend over 50 activities were on offer including Zip Line, Go Karts, climbing, caving, bouncy castles, making large bubbles, giant games, target slingshot paintballing, assault course and many more. In addition, young Beavers got to learn about Rail Safety by Network Rail who brought their train set, which is part of giving Scouting "skillsforlife".

Denise Iverson, Assistant County Commissioner (Beaver Scouts), said: "Fun and Friends, it was great seeing all the children and leaders meeting new and old friends".

Beaver Scouts are 6-8 years old, the next section on from Squirrels which are 4-6 years old.

Barnaby a Beaver Scout aged 6.5 from **Epsom & Ewell**, said: "I liked the campfire because it was nice and toasty." Evelyn a Beaver Scout aged 6 from Farnham, said: "I liked the Zip Line as it feels like you are flying when you are doing it." Matthew a Beaver Scout aged 7 from Pyford, said: "I liked doing all the activities with my friends."

Finley a Beaver Scout aged 6.5 from Haslemere, said: "I liked the cave maze because there was lots of different ways out and campfire because there was lots of singing." Jayden a Beaver Scout aged 7 from Sunbury, said: "I liked the cave maze because I like the dark." Rory a Beaver Scout aged 7 from Farnham, said: "I liked the rock climbing as it was fun and challenging." Vivian a Beaver Scout aged 7 from Farnham, said: "I liked the arts and crafts and I made some rope."

All genders, races and backgrounds are welcome at Scouts. Every week, it gives almost half a million people aged 4-25 the skills they need for school, college, university, the job interview, the important speech, the tricky challenge and the big dreams: the skills they need for life.

Scouts helps members gain these skills by encouraging them to ask the big questions and listen with wide open minds. It helps them to take a deep breath and speak up, think on their feet, ignore the butterflies and go for it. With Scouts, young people don't give up - they get back up and try again, often with the support of the friends they've made there.

Scout volunteers contribute more than 50 million hours of voluntary work each year to their local communities.

Painting the Town Purple against Polio

The **Rotary Club of Epsom** will mark historic progress toward a polio-free world while urging the community to help end the paralyzing disease. On Saturday 22nd October 2022 Epsom Rotary members are taking action for **World Polio Day** (24th) to raise awareness, funds, and support to end polio, a vaccine-preventable disease that still threatens children in parts of the world today.

There will be a stand in the **Epsom Market Place**, by the Clocktower, with members of the Epsom Rotary Club providing information on polio and the work being done to eradicate it. The Epsom Clock tower will be lit-up purple. The colour purple stems from a symbolic purple dot painted on the fingers of children to show they have been vaccinated.

When Rotary and its partners launched the **Global Polio Eradication Initiative** in 1988, there were 350,000 cases of polio in 125 countries every year. We've made great progress against the disease since then. Today, polio cases have been reduced by 99.9 percent, and just two countries continue to report cases of wild poliovirus: Afghanistan and Pakistan. And we remain committed to the end.

With polio nearly eradicated, Rotary and its partners must sustain this progress and continue to reach every child with the polio vaccine. Without full funding and political commitment, this paralyzing disease could return to polio-free countries, putting children everywhere at risk. Rotary has committed to raising US\$50 million each year to support global polio eradication efforts. The Bill and Melinda Gates Foundation has pledged to match that 2-to-1, for a total yearly contribution of \$150 million.

Past Epsom Rotary Club President, **Veronica Smith**, is organizing the event and hopes that members of the local community will come and visit the stand and give support to this very worthy cause.

Rotary has contributed more than \$2.2 billion to ending polio since 1985.
