Epsom & Ewell Borough Council Green Guide

14 November 2025

Epsom & Ewell Borough Council is proud to launch its Green Your Home Guide to help residents take simple, everyday actions to contribute to a healthier environment and help combat climate change. The guide offers practical advice and tips for making small changes that collectively make a big difference.

The initiative empowers individuals and households to take ownership of their environmental impact through easy-to-follow steps. From reducing waste and conserving energy to choosing sustainable transport and supporting biodiversity, the guide highlights how everyone can play a part.

The Green Your Home Guide is being rolled out as part of Epsom & Ewell Borough Council's Climate Change Action Plan 2025-2029, which has already helped reduce the council's operational emissions by 16% since 2019/2020. This is part of the council's commitment to becoming carbon neutral by 2035.

Councillor Liz Frost, Chair of the Environment Committee, said:

"This guide is about showing people they don't need to make radical changes to their lives to make a difference. Simple, ongoing changes—whether building on existing efforts or starting something new – can have a meaningful, long-term impact. From making homes more energy efficient, to planning wildlife-friendly gardens, and investing in systems that reduce reliance on fossil fuels, every step counts. We want residents to feel confident and motivated to take action, and we hope the guide supports their decision-making along the way."

About EEBC's Climate Change Action Plan including progress so far

In 2020, the council's first Climate Change Action Plan (2020-2024) was developed, setting an ambitious target of becoming carbon neutral by the year 2035. It set out plans to implement a range of measures to reduce the council's own emissions as well as promoting good practice throughout the borough. The council has since adopted its second Climate Change Action Plan 2025-2029. The plan is a living document which will be reviewed and updated over time. Epsom & Ewell Borough Council is celebrating receiving the prestigious Green Flag Award for Epsom Common Local Nature Reserve, the international quality mark for parks and green spaces, for a 19th consecutive year.

Councillor **Liz Frost**, (RA Woodcote and Langley Vale) Chair of the Environment Committee said: "We are incredibly proud that Epsom Common Local Nature Reserve has received its 19th consecutive Green Flag Award! This local nature reserve contains oak woods, open pasture woodland and wetland habitats, including large ponds, and hosts species including cotton spotted orchids and purple emperor butterflies.

New Epsom and Ewell Parish? Cherish or perish the thought?

14 November 2025

Epsom & Ewell Borough Council consults residents on new parish councils

Epsom & Ewell Borough Council is asking residents and stakeholders for their view on whether to create parish areas, along with a parish council or councils, in Epsom & Ewell. The Community Governance Review (CGR) consultation opens on 17 July and will run for 12 weeks, closing at 11.59pm on 9 October.

Epsom & Ewell is currently an unparished borough which means there is no lower tier of local government below that of the borough council. As part of local government reorganisation in Surrey, Epsom & Ewell Borough Council and the other district and borough councils and county council will be dissolved in April 2027. Two or three unitary councils will then be responsible for local government in the county, with each unitary council representing between around 330,000 to more than 650,000 residents, depending on whether the Government opts for a two or three unitary model.

Epsom Rotary and Epsom and Ewell Times hold a public question time with Councillors on local government organisation on Wednesday 23rd July at 7pm at St Josephs Catholic Church St Margaret Dr, Epsom KT18 7JQ. It is free to attend and open to all residents and businesses. Full details HERE

Councillor John Beckett, Chair of Standards and Constitution Committee, said:

"We feel it is vital that residents, businesses, and local communities within Epsom & Ewell are given the opportunity to explore the creation of parish councils. This will give them a greater local voice and enable them to stay closer to the decision-making process within local government in the future.

"A parish council could take on responsibility for parks, playgrounds, community centres and cultural events in the borough, keeping decisions locally on how these are delivered as well as having the ability to drive economic growth by attracting funding and grants that would boost the local economy.

"Another key factor which is close to the hearts of residents is planning. A parish council would be a statutory consultee on planning matters, and as such would be able to reflect the concerns and aspirations of residents during any planning application process."

The CGR consultation asks residents:

- whether to create new parish areas and a parish council or councils
- what the geography should be, and
- how many councillors should be elected.

Residents will also be asked, if parish councils are formed, whether they should be divided into wards, and if they should be called parish, community, neighbourhood or a village council(s).

The consultation can be completed online on the consultation website: Community Governance Review – Epsom and Ewell Borough Council Consultations or by completing a paper consultation questionnaire. Paper consultations can be found in Epsom Town Hall, in Bourne Hall, in local libraries across the borough and in the Community & Wellbeing Centre, Longmead (during normal opening hours).

This summer, the council will also hold a series of events across the borough where residents will be able to ask Councillors questions about local government reorganisation and the community governance review, including this consultation, the process and timeline.

Councillor John Beckett continued:

“I urge every resident of voting age within the borough to have their say on the future of your local democracy and representation in your local government for Epsom & Ewell. Tell us what you think by completing the Community Governance Review consultation questionnaire online or on paper and posting it back to us.”

As part of the Community Governance Review a second consultation would take place in early 2026. A timeline and frequently asked questions about CGR can be found on the council’s website: www.epsom-ewell.gov.uk/CGR

Epsom and Ewell Borough Council out – Community Council's in?

14 November 2025

Earlier this month, at a meeting of the full Council, Epsom & Ewell Borough Council (EEBC) agreed new strategic priorities for 2025-2027, with the number one priority being to explore future local governance in Epsom & Ewell. This week, Councillors will attend a briefing on Community Governance Review (CGR) and will, with the Mayor's agreement, schedule an extraordinary full Council meeting on Thursday 26 June 2025. At the extraordinary Council meeting, Councillors would agree whether to commence with a CGR in Epsom & Ewell, that could eventually lead to the creation of new community councils.

Community councils provide a vital link between residents and larger unitary authorities, which will be critical as a result of imminent local government reorganisation in Surrey. They aim to enhance local representation by providing a direct route for the essential voices of residents and local communities, ensuring that residents are aware of local issues, and are involved in decision-making they are affected by.

Councillor Hannah Dalton, Leader of Epsom & Ewell Borough Council, said "We are navigating the biggest change in local democracy for more than 50 years. As a priority we are working to ensure that, whatever the outcome of local government reorganisation, the voices of our residents and local communities continue to be heard in years to come – this is a vital element of local democracy. We will keep residents informed and updated throughout this process."

In the coming days, Councillors will be briefed on the CGR process and possible geographies for establishing community councils in Epsom & Ewell:

ISSN 2753-2771

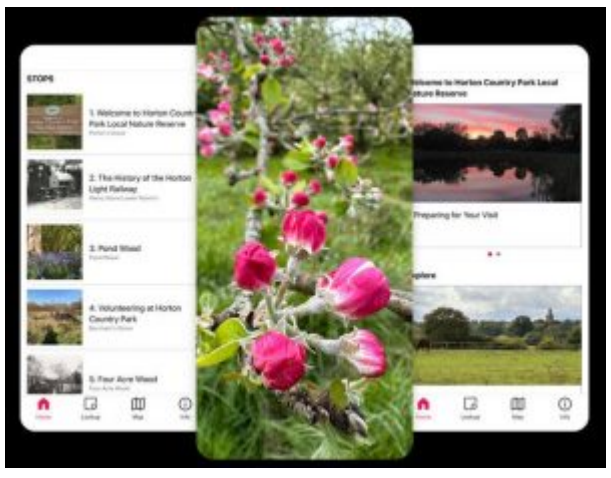

Should full Council decide to commence with the CGR, the process will include a public consultation which would take place summer 2025, with any final proposal being consulted on in early 2026.

EEBC council meetings, including extraordinary full Council meetings, are open to the public to observe and are also live streamed: details on how to watch meetings can be found on the council's website: Epsom and Ewell Democracy

In light of the plans for local government reorganisation, which will see the formation of new unitary councils and the dissolution of all current district, borough and county councils in Surrey; EEBC approved an amendment to the Council's Four-Year Plan earlier this month, replacing it with strategic priorities for 2025-2027. Prior to the 9 May final submission deadline, Epsom & Ewell with nine of the eleven Surrey district and borough councils submitted a proposal to government to create three unitary councils in north, east and west Surrey. The county council and two other district and borough councils favour a two unitary model. Council leaders ruled out the creation of one unitary council for Surrey in February this year.

Epsom's nature reserve goes digital

14 November 2025

Epsom & Ewell Borough Council has launched a new digital tour that showcases local beauty spot, Horton Country Park Local Nature Reserve. The tour is available to download now via Bloomberg Connects. Epsom and Ewell Borough Council created the tour to help both first-time and returning visitors explore the history of Horton Country Park Local Nature Reserve.

This is the second tour to be launched on Bloomberg Connects by Epsom & Ewell Borough Council; in September 2023, Nonsuch Park went live on the app, allowing users to peruse the formal gardens at their leisure.

Horton Country Park Local Nature Reserve covers 200 acres and is situated in the northern half of the borough of Epsom and Ewell. There are 14 stops along the tour, which include Pond Wood with a mention of the bomb crater which was left from an air raid in 1941; volunteering at Horton Country Park; as well as the community orchard where residents can pick apples in the summer season. It also highlights the Horton Light Railway, which once ran through the area, serving the largest hospital cluster of its kind in Europe at the time. The entire walking tour takes approximately 2.5 to 3.5 hours, but can be enjoyed at any pace, returning to the start at any of the designated turning points.

The new digital tour of Horton Country Park Local Nature Reserve is packed full of information, interesting facts, photos, history and more. It is the perfect accompaniment to enhance the experience of those visiting Horton Country Park Local Nature Reserve and makes information accessible to people anytime, anywhere.

The tour is an important part of the council's Arts, Culture and Heritage Strategy. One of the aims of the strategy is to increase access to culture and heritage in Epsom & Ewell, allowing people to engage with our colourful and varied cultural past in new and engaging ways.

Councillor Clive Woodbridge, Chair of Epsom & Ewell Borough Council's Community and Wellbeing Committee, said,

"I am delighted to support the launch of our latest free-to-enjoy digital tour about the Horton Light Railway at Horton Country Park Local Nature Reserve. Showcasing the richness of our borough's heritage, the tour is a great way to spend time outdoors, learning about the importance of the railway and its vital contribution to the borough's hospital cluster."

The Bloomberg Connects app is available for download from Google Play or the App Store.

Surrey district and borough councils submit proposal to government outlining vision for future governance in the county

Today, district and borough councils in Surrey have submitted proposals to government outlining their vision for the future of local government in Surrey.

Nine district and borough councils support the formation of three unitary councils (Epsom & Ewell, Guildford, Reigate & Banstead, Runnymede, Spelthorne, Surrey Heath, Tandridge, Waverley and Woking) while two district and borough councils (Elmbridge and Mole Valley) and the county council favour two. Both proposals are published on council websites.

The proposal submitted by district and borough councils supporting three unitary councils is underpinned by the following priorities:

- supporting economic growth
- housing and infrastructure delivery
- unlocking devolution
- valuing and advocating for Surrey's unique local identities and places
- providing strong democratic accountability, representation and community empowerment
- securing financial efficiency, resilience and the ability to withstand financial shocks
- delivering high-quality, innovative and sustainable public services that are responsive to local need and that enable wider public sector reform.

Speaking about the proposal for three unitaries, Councillor Hannah Dalton, Chair of the Surrey Leaders Group and Leader of Epsom & Ewell Borough Council, said: "Today, district and borough councils have submitted a proposal for local government reorganisation in Surrey, a proposal rooted in what local government is all about: local identity, representation and economic alignment.

This is a once in a generation opportunity to shape Surrey's future, to improve outcomes and opportunities for our residents, businesses and people across the county who rely on us most. We look forward to the government's response to our proposal.

The government set out proposals for local government reform in the English Devolution White Paper. This outlines their plans to move away from the current two-tier system of district and county councils.

Residents can keep up-to-date with plans for local government reorganisation on the Surrey Local Government Hub.

Proposals can be read here: Epsom and Ewell Democracy and on all Surrey council websites.
