

Kids takeover Bourne Hall digitally

15 July 2023

On Friday 7 July **Bourne Hall** in Ewell handed over its social media channels to young people from **St Clement's Catholic Primary School** in Ewell, as part of a national Kids in Museums Digital Takeover Day event.

Supported by Arts Council England, the Kids in Museums charity aims to empower young people and help them learn digital marketing skills, as well as support museums to engage younger audiences.

The charity has held an annual digital takeover since 2014, where young people take over the social accounts of museums, galleries, historic homes, archives and heritage sites across the UK. Last year, over 50 museums were taken over and the hashtag #TakeoverDay has even trended on Twitter.

Bourne Hall welcomed a group of year 2 students to its Museum to become cultural detectives for the morning. Focusing on five specific themes: Space, Nature, Local History, Holidays and Textiles, children highlighted their favourite items, which were then photographed and placed alongside their own caption, to go out on Bourne Hall's social media.

As well as the digital takeover, the children also created some brilliant visual responses to their visit, these artworks will be turned into an exhibition at Bourne Hall - watch this space for the launch date!

The children had some insightful comments to make about the objects in the museum. One commented about some 1950s card games:

"Amazing, incredible, really fun! The cards were colourful and rainbowy and reminded us of holidays."

Thinking about working in the role of a Curator, another child added: "I'm thinking about the security in our museum - and how we keep everything safe. I'm also thinking about how I would make sure that everyone had a great time when they come to visit our museum."

Speaking of the recent event, Councillor **Clive Woodbridge**, Chair of Epsom & Ewell Borough Council's Community and Wellbeing Committee, said "This was a great event that brought our fantastic museum to life for some of our borough's young people. It was a highly engaging experience for the children and they also gave us valuable feedback on what they loved in the museum and what they'd like to see more of. I am really looking forward to seeing the children's artwork when it is displayed in Bourne Hall's foyer."

Should have gone to the Surrey Youth Games?

15 July 2023

On Saturday, children in **Epsom & Ewell** who took part in the 2023 **Specsavers** Surrey Youth Games and their families came together to celebrate the Games at the Surrey Sports Park in Guildford. Around 70 children from Epsom & Ewell aged 7-16 took part in the Games this year, having a go at a fun across a range of activities - from boccia, boxing and street basketball to judo and rugby, all at no charge.

The Specsavers Surrey Youth Games is the biggest multi-sport youth programme of its kind in the south east. The Games were open to all but were actively promoted to encourage those who might not normally get the chance to join a sports club or are otherwise inactive.

The Games would not have been possible without the 12 young ambassadors who helped promote them in their schools, encouraging young people to find out more and sign up to take part.

Councillor **Clive Woodbridge**, (RA Ewell Village) Chair of the Community and Wellbeing Committee said “We were overjoyed to see so many children from Epsom & Ewell take part in the Specsavers Surrey Youth Games this year.

“We know that building positive habits in early life is vital for the long-term health of our children and the Games are a great way for children who may not previously have had access to some of these sports to join in and have fun taking part.

I was honoured to meet the young ambassadors who volunteered their time to help promote the Games to their peers earlier in the year while I was serving as Mayor of Epsom & Ewell and was delighted to see the positive outcome of their efforts this weekend.”

The Specsavers Surrey Youth Games were coordinated by Active Surrey and sponsored by Specsavers.

Epsom and Ewell’s 7th Labour Mayor?

15 July 2023

Labour Councillor **Rob Geleit** for Court Ward has been officially recognised as the new Mayor of Epsom and Ewell at the council’s annual Mayor Making ceremony at the Town Hall on Tuesday 23 May.

The Mayor is the first citizen of the Borough of Epsom & Ewell and has several specific roles during their one-year term of office. These include representing the council and the local community at formal and ceremonial occasions, both within the borough and elsewhere, and chairing full meetings of the Council.

[The Epsom and Ewell Times adds to this Council press release: The founding Mayor of Epsom was Chuter Ede who later became Home Secretary in the post-war Labour Government. Despite the dominance of the Residents Association in the Council the ruling group have not been ungenerous in voting in opposition Councillors to the top ceremonial post. Labour’s Laura Woodcock, Bill Carpenter, Joyce Storer, Alan Carlson and Sheila Berry all taking a turn and the Liberal Democrat’s Colin Taylor.]

During the mayoral year the Mayor is strictly politically neutral. As Mayor for 2023/2024, Rob will have a full diary of civic events planned throughout the year, including visits to residents, community and sports groups.

On becoming Mayor, Rob said, “It is a great privilege to be appointed Mayor of Epsom and Ewell. It is a wonderful opportunity to give back to and highlight the community I love and the place I’ve called home for many years.

“I look forward to meeting as many residents and organisations as possible throughout my tenure as Mayor and showcase their work in our community.”

Rob first moved to Epsom in 1977 when he was 5 years old and has lived here, on and off, since then. He attended Pound Lane School, Bishopsmead Church of England School and finally Epsom High School, where he was Head Boy.

After he left school, Rob suffered an episode of mental ill health, a challenging time for him. He recovered well and was first elected as a Labour Councillor in Court Ward in 2011.

Rob has served on several committees during his time as a Councillor at Epsom & Ewell, most recently serving as Deputy Mayor.

In his professional life, Rob works as a computer programmer in Leatherhead. During his career, he has written code for the European Space Agency, as well as working on Smart Metering and at the Crown Prosecution Service.

Rob is passionate about the environment. He has had a zero-carbon footprint for over seven years. He doesn’t own a car, instead choosing to cycle and use public transport. At home, he uses sustainably sourced electricity and offsets his gas usage.

During his Mayoral year, Rob will raise awareness of and funds for three charities. These are:

Age Concern Epsom & Ewell

A local community charity focusing on empowering older people in the Borough of Epsom & Ewell by providing

information, advice, medical transport, social support and befriending services.

Citizen Advice Epsom & Ewell

A free advice service to people that live, work or study within the Epsom and Ewell area.

Love Me, Love My Mind

A small registered charity based in Epsom, which aims to promote better understanding of mental health and to support the wellbeing of everyone in the community.

Surrey Youth Games getting starting pistol

15 July 2023

The Specsavers Surrey Youth Games is kicking off next month, with a wide range of activities available in Epsom & Ewell. The Games are the largest multi-sport youth programme of their kind in the South East, offering FREE local training for 7-16 year olds across Surrey, leading to a final celebratory event for the whole family.

The Games are for beginners who may not get the opportunity to attend clubs, or are put off by the thought of initially competing against others. Supportive coaches will help participants join in, have fun, learn new skills and boost their confidence.

Registration is now open for the free training sessions across a range of activities, which start after Easter and are aimed at those who live or go to school in the borough. All teams then unite for a family-friendly event at the Surrey Sports Park in Guildford on Saturday 17 June.

Councillor **Alex Coley**, Chair of the Community and Wellbeing Committee, said "This is a wonderful initiative that provides a great opportunity for young people who are still building their confidence in sport to access training free of charge, as well as gain a feeling of belonging in their local setting. I encourage all those who might benefit from the training to take a look at what's on offer"

Your Council Needs You - to bin your litter

15 July 2023

Epsom & Ewell Borough Council has launched an anti-littering campaign, aimed at reducing litter throughout the borough. The campaign will focus on hotspots including Epsom train station, Epsom and Ewell town centres, and the borough's parks.

The Council's team of Environmental Enforcement Officers, who work in partnership with Surrey Police, will patrol the borough on foot or in a marked council vehicle and may warn people at risk of being fined or issue a Fixed Penalty Notice of £100.

The latest virtual recruit to the Council's Environmental Enforcement team is the famous image of Lord Kitchener, created by British graphic artist Alfred Leete. Posters will be displayed around the borough and used on social media, instructing potential litterlouts to bin their litter or take it home - or risk a penalty fine.

Littering is a criminal offence under the Environmental Protection Act 1990 sections 87/88.

A Fixed Penalty Notice will be issued to any person who is witnessed littering, including:

- Throwing away food wrappers or uneaten food
- Dropping chewing gum
- Discarding cigarette butts

Councillor John Beckett, Chair of the Environment and Safe Communities Committee, said: “Dropping litter is an issue for several reasons. It can take years to degrade, causing harm to wildlife and habitats. Food which is discarded by people attracts vermin such as rats and feral pigeons.

“Research has also shown that people can feel less safe in areas that are littered. Poor levels of cleanliness have been found to be associated with an increase in social disorder and crime.

“Epsom & Ewell Borough Council is committed to reducing incidents of littering within the borough, to ensure that Epsom & Ewell is a pleasant place to live and to visit, that feels safe.”

No laughing matter for Council

15 July 2023

Epsom and Ewell Borough Council has brought in a **Public Space Protection Order** following a consultation with residents about psychoactive substance abuse in the Borough’s open spaces.

Image Philafrenzy CC

The Order covers psychoactive substances not otherwise fully controlled by national legislation. The most significant example of this is currently nitrous oxide, **known as laughing gas**, which is typically used in the catering industry and supplied in small metallic cannisters or larger pressurised tanks.

A Public Space Protection Order makes it an offence to use or be in possession of these types of substances on public land. It will be in place two years initially and signs are being placed in hotspots around the Borough, including all parks, over the coming month.

Any person who fails to comply with this order without a reasonable excuse will have their material confiscated and risk a Fixed Penalty Notice of £100 or a fine in court of £1,000. This will be enforced by both the police and the Council’s enforcement teams.

Councillor **John Beckett**, Chair of the Environment and Safe Communities Committee, said, “We have seen a considerable increase in the use of nitrous oxide cannisters in the Borough. There are real concerns from residents about the risks of this drug and the gateway effect to other dangerous substances. We want to alleviate the impacts of this drug by highlighting the adverse effects and provide a safe community for all residents in Epsom & Ewell. This public space protection order will provide powers to the police and our enforcement teams to issue fixed penalty notices in the event of a breach. We know our residents feel strongly about this issue and we thank them for their responses to our consultation.”

If residents are concerned about the presence of psychoactive substances in the Borough, they may report them via https://epsom-ewell.gov.uk/residents/online-forms?field_form_category_value=Report.

This Public Space Protection Order has been made under 59 of the Anti-Social Behaviour Crime and Policing Act 2014.

The Council has already located and seized substances from persons present in the stairwell of one of its carparks and carried out follow up work with them and their parents.

Downs payment from EU for Epsom

15 July 2023

The Mayor of Epsom & Ewell Borough Council, **Councillor Clive Woodbridge**, has officially unveiled the first phase of an exciting programme of improvements on **Epsom & Walton Downs**.

Epsom & Ewell Borough Council (EEBC) secured a grant of £132,000 from the **European Agricultural Fund** for Rural Development to support the rural economy by encouraging visitors. The EAFRD grant was boosted by a further £18,000 from **The Jockey Club** and £20,000 from the **Epsom & Walton Downs Conservators**.

The improvements, which includes new benches, bins, picnic tables, waymarkers, information boards and counting posts, have been three years in the planning and began earlier this year after funding was secured.

The new infrastructure will enhance the visitor experience and allow tourists and residents to enjoy the panoramic views, discover the role of the Downs in the Borough's equestrian history and learn about the unique flora and fauna of the area. It also improves safety for both visitors and the horses by directing people away from training grounds.

The benches, bins, counting posts, picnic tables and waymarkers are now in place, and the information boards will be completed in the coming weeks. Further developments such as a brass rubbing trail are also planned for the future.

Councillor **Liz Frost**, Chair of the Epsom & Walton Downs Conservators, stated "I am delighted to see the improvements being made to this much-loved part of our Borough. We had three aims at the start of this project; to increase rural tourism; to improve safety for visitors and for both the horses and staff involved in racehorse training on the Downs; and to educate people about the area. I think this initiative will help us to achieve those goals. I love the nods to our equestrian history on the benches and bins. The information boards will be a great asset in sharing the unique history and ecosystem of the area with visitors, and the counting posts will be able to tell the difference between walkers, cyclists and riders, so we can tailor facilities in the future. We hope that visitors to the Downs will enjoy these new resources."

Simon Durrant, General Manager at Epsom Downs Racecourse, said, "The contribution to improving the Epsom & Walton Downs is something The Jockey Club is very passionate about. The work being carried out contributes to preserving the history of the area, along with improving the experience of all visitors, be that walkers, riders or cyclists. We look forward to the continued development throughout the next phase of improvements."

While open to the public, the Downs is privately owned by The Jockey Club and managed by the Epsom & Walton Downs Conservators. Membership of the Conservators is prescribed by the Epsom & Walton Downs Regulation Act 1984, and is made up of Borough councillors, The Jockey Club and the **Betting Levy Board**.

The Council is committed to supporting the Conservators in maintaining the Downs.

The Council was able to secure the EAFRD funding before the UK becomes ineligible for such grants following Brexit.
