# **D-Day celebration on Epsom Downs**

A special event to commemorate the 80<sup>th</sup> anniversary of the D-Day Landings is taking place on Epsom Downs on Thursday 6 June, 7–9.30pm. The event is being jointly run by Epsom & Ewell Borough Council, Go Epsom and Epsom Downs Racecourse.

The D-Day Landings are recognised as the largest naval, air and land operation in history, with more than 150,000 troops landing on five beaches in Normandy and bringing about the liberation of north-west Europe from Nazi occupation. Commemorative events are taking place nationally to remember those who gave their lives during the D-Day Landings.

The public are invited to come down to the Racecourse from 7pm, when the grandstand will open. Refreshments and fish and chips will be on sale, and there will be a range of entertainment on offer. The event is free to attend.

At 9pm, a ceremony will take place at the beacon on Epsom Downs, including a lone piper playing, and at 9.15pm the beacon will be lit. The beacon lighting is part of a national chain of beacons being lit across the country, and along the Normandy coast of France, and is designed to represent the 'light of peace' that emerged out of the darkness of war.

Cllr Clive Woodbridge, Chair of the Community and Wellbeing Committee at the council, said:

"The beacon lighting event is an opportunity for the community to come together to honour the thousands of people involved in the D-Day landings. Their brave actions enable us all to enjoy the peace and freedom we have today.

"We look forward to welcoming residents and visitors to this special and important event."

#### Karen Pengelly, BID Manager at Go Epsom, said:

"Epsom's beacon was erected two years ago to mark the Platinum Jubilee of Her Majesty the Queen. It is an absolute honour to be involved in the D-Day 80<sup>th</sup> commemoration. Epsom, just like many other places, played an active part in World War 2; this is our chance to remember the sacrifices made by so many."

Tom Sammes, General Manager at Epsom Downs Racecourse, said:

"We are honoured and delighted to be a part of the D-Day 80th commemoration. The racecourse was a key part of Epsom's World War 2 response and we look forward to welcoming the community to remember the brave personnel who risked their lives for freedom and peace."

### Community fund open for bids

Epsom & Ewell Borough Council is inviting community groups and organisations to bid for neighbourhood funds raised by the Community Infrastructure Levy (CIL), to deliver projects that will support new development and benefit Epsom & Ewell residents across the borough. Bidding opens on 7 May for six weeks, closing on 18 June.

The CIL raises funds from developers in recognition that new development creates pressure on local infrastructure. It is spent on the provision, improvement, replacement, operation, or maintenance of local infrastructure. Epsom & Ewell Borough Council has invested more than £210,000 from the 2022/23 Neighbourhood CIL Fund in community infrastructure projects including:

- Replacing playground equipment in Rosebery Park and Alexandra Recreation Ground
- Repairing pathways in Nonsuch Park to ensure they are safe and accessible
- Upcoming works to support biodiversity and improve visitor experience, including an additional new bench, at Stamford Green Pond.

Councillor **Steven McCormick**, (RA Woodcote and Langley) Chair of the Licensing and Planning Policy Committee, said "I strongly urge local community groups and organisations to take this opportunity to bid for funds for community projects and initiatives that can improve quality of life for residents in Epsom & Ewell.

The Neighbourhood Community Infrastructure Levy Fund offers us the chance to deliver projects that have a real impact on our communities, for example enhancing access to the countryside, improving accessibility and facilities in our parks and open

spaces, improving health and safety for example by installing public water fountains, and more."

The bidding process is designed to be as clear as possible. Information on the process can be found in section 6 of the CIL Spending Protocol.

Bids will be shortlisted using the criteria set out in section 7 of the CIL Spending Protocol. Shortlisted bids will be presented to the Licensing and Planning Policy Committee for approval and, for any spend over £50,000, then to the Strategy and Resources Committee.

## Should Nonsuch Park go to the dogs?

Epsom & Ewell Borough Council will launch a six-week consultation on commercial dog walking in Nonsuch Park from Monday 29 April.

The consultation was commissioned by Nonsuch Park Joint Management Committee following concerns raised by visitors about the increase in dog walkers with multiple dogs in the park.

Ahead of implementing any measures to control commercial dog walking, the Committee is keen to consult with the public and stakeholders about this issue to help inform any future decisions.

Officers from Epsom & Ewell Borough Council will also be at Nonsuch Park on the following dates and times to answer any questions the public may have:

- 29/04/2024 Cheam Gate, 8:30am-10:30am
- 15/05/2024 London Road Gate, 10:30am-12:30pm
- 22/05/2024 Sparrow Farm Road Gate, 12:30pm-2:30pm.

Councillor **Julian Freeman**, (Lib Dem College) Chair of the Nonsuch Park Joint Management Committee, said: "We are aware that Nonsuch Park is hugely popular with dog walkers and while most dog walkers are responsible, concerns have been raised about the growth of commercial walkers with multiple dogs.

"It is important that as many people as possible engage with the consultation, so the Committee can understand park visitors' thoughts, concerns and suggestions about dog control and commercial dog walking. Their input will help us make informed decisions that balance the needs of both dog walkers and the broader park community."

The consultation survey is available on the Epsom & Ewell consultations webpage - Consultations | Epsom and Ewell Borough Council (epsom-ewell.gov.uk).

The survey will close on 3 June 2023.

Nonsuch Park is managed and maintained by a Joint Management Committee, comprising an equal number of Councillors from Epsom and Ewell Borough Council and the London Borough of Sutton. The committee Chair rotates between the two councils annually. The two councils fund, on an equal basis, the running of the park, after taking income into account. The committee is covered by the political balance arrangements.

# Boxing champions young people in Epsom & Ewell

A new local boxing programme, led by **Epsom & Ewell Borough Council** and delivered by **Epsom Boxing Academy**, saw its first cohort graduate in March. 14 students, referred by local schools, were enrolled on the course. Graduating students were awarded an England Boxing Bronze Award which was complimented with an AQA Empire Fighting Chance Award in nutrition and health.

The structured boxing programme aimed to help young people build confidence, self-discipline, and resilience as well as improving self-esteem and supporting positive mental health.

Councillor **Clive Woodbridge**, (RA Ewell Village) Chair of the Community and Wellbeing Committee, said; "I was honoured to attend the graduation of the Epsom & Ewell Community Boxing Scheme.

"Boxing is a fantastic way to keep fit, but it has also been shown to aid in the development of life skills including self-discipline, mental strength and control, and personal responsibility; as well as helping manage feelings of aggression. Boxing also provides invaluable opportunities for students to connect with positive mentors.

"We know that community schemes like this one are a fantastic way to tackle inclusion in sport whilst promoting positive outcomes for young people in our borough. I look forward to Epsom & Ewell Borough Council spearheading more initiatives like this one in the future."

**Joe Harding**, Boxing Coach and founder of Epsom Boxing Academy, added; "The scheme was a great chance to create and deliver a programme specifically for our community in Epsom & Ewell.

We saw an unbelievable change in the students over the weeks as they developed and demonstrated boxing techniques, learnt about the human body, and about food labels and nutrition.

Life coaching and mentoring helped students' progress in terms of their self-confidence, personal discipline, and punctuality. We were able to provide a safe space and an environment for the young people to express themselves. The results were outstanding. We were extremely proud to be part of such a great project."

The Community Boxing Scheme is part of Epsom & Ewell Borough Council's wider strategy to improve the wellbeing of residents through activity; and reduce barriers to sports and leisure participation for those who may not otherwise have access to facilities. It follows on from a successful swimming programme, delivered in partnership with leisure operator and social enterprise GLL and made possible by an award from Sport England funded by the National Lottery.

# Fast track your planning application at a premium

From 1 April 2024, applicants submitting certain planning applications in Epsom & Ewell will be able to choose to 'fast track' their application.

Developed to meet customer demands, the new optional service will be helpful to applicants who have a builder waiting to start work, or who need building work to start or finish by a certain date. Applicants will be able to pay to have their planning applications determined more quickly than the statutory eight-week period.

The types of applications that can be fast-tracked are:

- Householder Applications for instance, those required for extending homes e.g. building a single storey rear extension, or front porch.
- Certificate of Lawful Development Proposed (Householder) an application to show that the work you are proposing to do to a house is a 'permitted development' and therefore doesn't need a formal application. Sometimes you will need a certificate of this nature when you sell a house.

The fast-track fee is £350 for a Householder Application and £150 for a Lawful Development Certificate and is paid to the council, in addition to the usual cost of submitting a planning application.

Councillor Steve McCormick, (RA Woodcote and Langley) Chair of the Licensing and Planning Committee, said,

"We are incredibly proud of our Planning department who in the last year, have overcome significant challenges to go from being one of 10 UK council teams performing below an expected threshold of 70% for minor/other applications, to well exceeding national targets. It is brilliant that Epsom & Ewell Borough Council can now facilitate a service which will meet an obvious need for many residents wishing to progress building projects within the borough.

"I hope that this will ease stress for many people working to tight timelines for their builds."

Applicants can learn more about the service and apply by visiting the council's dedicated webpage: Fast Track Service | Epsom and Ewell Borough Council (epsom-ewell.gov.uk)

### Should we be going to....?

The Specsavers Surrey Youth Games is back. Following on from the success of the games last year, a wide range of activities are available in **Epsom & Ewell** again, including tennis, judo, swimming and more. The Games are the largest multi-sport youth programme of their kind in the South East, offering **free** local training for 7-16 year olds across Surrey, leading to a final celebratory event for the whole family.

The Games are ideal for beginners who may not get the opportunity to attend clubs or are put off by the thought of competing against others. Supportive coaches will help participants join in, have fun, learn new skills, and boost their confidence.

Registration is now open for the free training sessions which start after Easter and are aimed at those who live or go to school in the borough. Following the training, teams can unite for a family-friendly event at the Surrey Sports Park in Guildford on Saturday 15 June.

Councillor **Clive Woodbridge**, (RA Ewell Village) Chair of the Community and Wellbeing Committee, said "I'm so pleased that we are running the Specsavers Surrey Youth Games in Epsom & Ewell again this year. The initiative provides a fantastic opportunity for young people who are still building their confidence in sport to access training free of charge.

"I hope that everyone in our borough will take a look at what's on offer and even tell friends and family about the initiative, so that we can ensure that as many children as possible can access the training."

You can find out what's on offer in the Epsom & Ewell borough and register for a place by visiting www.epsom-ewell.gov.uk/syg

# A helping hand from the Council

Epsom & Ewell Borough Council has launched a local campaign to tell residents about community support services that offer them, and their loved ones, a helping hand.

The council offers a range of valuable services for those who are elderly or vulnerable. They are run by staff who provide a personal and caring service, and council subsidies mean that costs are kept to a minimum. Services include:

- The Dementia Hub: respite care for people living with memory loss and dementia.
- Meals at Home: tasty, healthy meals delivered to homes in and around Epsom & Ewell, catering for any dietary requirement. The team can even drop off shopping, too.
- Transport from Home: DBS checked drivers help people in Epsom & Ewell, who are unable to use public transport, with door-to-door travel.
- Community Alarm: easy-to-use devices that raise an alarm in an emergency and can even help find a loved one who has become lost whilst away from home.
- The Community & Wellbeing Centre: support hub for the over 55s; a place to relax, make friends, join activities, and feel at home.

Residents will notice information about the services across the borough on council social media accounts including Facebook, Instagram and X, in the council email newsletter, and in local advertising.

Councillor Clive Woodbridge, Chair of the Community and Wellbeing Committee, said: "As we become older, or for people with additional needs, living independently can feel challenging. We also know that many of our residents are carers for loved ones who would really benefit from our services.

Our trained teams offer care and support for people who need it most, allowing them to stay independent for longer. We hope this campaign will reach residents who could use a helping hand and encourage them to talk to us to find out how we can help."

If you or someone you know could use any of these services, please talk to Epsom & Ewell Borough Council today. Call 01372732000 or visit the website: www.epsom-ewell.gov.uk/communitysupport

The Dementia Hub, meals at home and shopping service are also available for people who live outside of the borough of Epsom &

Ewell.

### **Epsom and Ewell Council goes East**

Councillors at Epsom & Ewell Borough Council voted last night to undertake the relocation of the council's Town Hall accommodation. Staff currently located at the Town Hall will move to 70 East Street, a modern purpose-built office building in central Epsom.

The move will bring about a number of significant benefits:

- Financial benefits: Remaining in the Town Hall building would require it to have extensive, costly refurbishment over the coming years to comply with energy efficiency and fire regulations, along with general maintenance of existing building structures which are reaching end of life, which would cost more than twice as much as the cost of relocating. In addition, the move will create significant operating cost savings into the long term, with annual operating costs expected to reduce by over 50%. These future costs savings will help sustain key service delivery.
- Environmental benefits: The new building will be more energy efficient and sustainable with a smaller carbon footprint, enabling the council to deliver on its ambitions to be a greener council and to become carbon neutral by 2035.
  - Service benefits: The move will provide a modern and fit-for-the-future workplace that will best serve the Borough.

The East Street building is already owned by the Council. It is a five-minute walk to the High Street and bus stops are located directly outside the building, providing easily accessible public transport. The building also provides its own parking, serving visitors and those with mobility issues.

It is intended that 70 East Street will not accommodate the Council Chamber, and instead a separate proposal is being developed to locate this in Bourne Hall, Ewell.

Cllr Neil Dallen, Chair of the Strategy & Resources Committee, said:

"Our focus must always be on what is best for our residents, and the significant financial and environmental benefits of this move are clear. The current Town Hall building is expensive to run and contains a significant amount of unused space. The new building is smaller and will be far more cost-efficient. The costs involved with the move are far outweighed by the savings that we will make through avoiding the Town Hall refurbishment and through significantly reduced running costs into the long-term.

"Just as importantly, the move will allow us to progress towards our target to become a carbon-neutral council by 2035. We believe the relocation will provide multiple benefits to the borough."

#### Jackie King, Chief Executive of the council, said:

"Relocating council staff to a smaller, modern and fit-for-purpose building aligns strongly with our ongoing determination to be a modern, forward-looking organisation that can best meet the needs of our residents. We are excited to progress with this move and improve value for money for our taxpayers as well as continue to provide the best services possible to the community."

Work continues to look at options for the existing Town Hall site and this will form the subject of a separate report to the council's Strategy and Resources Committee in due course.

### Kids takeover Ewell's Bourne Hall

On Friday 17 November **Bourne Hall** in Ewell collaborated with local college **NESCOT** as part of a national Kids in Museums Takeover Day event. This project sits within **Epsom & Ewell Borough Council**'s Arts, Culture and Heritage Strategy which aims to increase access to art, culture and heritage within the borough, as well as nurturing local, creative talent.

### 20th November 2025 Weekly

ISSN 2753-2771

Mirroring these values and supported by Arts Council England, the **Kids in Museums** charity, aims to empower young people and help them learn digital marketing skills, as well as support museums to engage younger audiences.

Since Takeover Day began in 2010, over 40,000 children and young people have taken part. Takeover Day was established to help historic institutions empower young people and give them meaningful roles in their organisations. Over 5,000 people, from toddlers to 25-year-olds, now take part each year.

In support of the Takeover Day, Bourne Hall welcomed a group of creative arts students from NESCOT to its Museum this month to view their collection of 'paper tapestry' wallpapers. The wallpapers originated from homes within the borough from 1690 onwards and were created by hand using block-printing techniques. As objects within Bourne Hall Museum's collection, they are excellent examples of our borough's creative and heritage-rich past.

Focused around the Kids in Museums theme of 'Let's Play', students then used the wallpapers as a springboard to let their creativity run free – employing techniques learned in the artistic studios at NESCOT, the end result is a fantastic collection of colourful and characterful textile artworks. An exhibition of the students' work is now on display at Bourne Hall Museum, free to access and enjoy at your own pace.

"As part of our new Arts, Culture and Heritage Strategy, we are committed to nurturing creative talent and increasing access to resources and opportunities within our Borough," says Councillor **Clive Woodbridge**, (RA Ewell Village) Chair of Epsom & Ewell Borough Council's Community and Wellbeing Committee. "Working collaboratively with NESCOT shows how our cultural and historical past can be reimagined through the eyes of the creative talents of the future. Blending the past and the present through such artistic outputs is fantastic to see and I warmly congratulate the students from NESCOT on their exhibition, which I would encourage residents to visit."

Sarah Jane Morgan, Curriculum Coordinator Art and Design and Digital Design and Lecturer and Chloe Chivers, Art & Design Tutor at NESCOT added "Our UAL Level One Diploma in Art and Design students put their skills into action creating contemporary fabric prints inspired by historic wallpaper samples found here in the Bourne Hall archive. It was a great opportunity for our students to modernise historic prints dating back to the 17th Century, designing for a new audience. An experience enjoyed all round!"
