What are your priorities for community safety?

Epsom & Ewell Borough Council has launched a public consultation on the priorities for community safety in the borough and are asking residents, workers, visitors and businesses to have their say on the proposed action plan.

The council is part of the Epsom and Ewell Community Safety Partnership, which also includes Surrey Fire & Rescue Service, Surrey Police, Surrey County Council, Kent, Surrey and Sussex Probation Service, Surrey Downs Clinical Commissioning Group, Surrey Police & Crime Commissioner and Rosebery Housing Association.

Community safety covers a wide range of activities designed to reduce the likelihood of crime, disorder and anti-social behaviour, protect victims and hold perpetrators to account. It also involves reducing incidents of domestic abuse and behaviour damaging to the community.

As part of the Epsom & Ewell Community Safety Partnership, the council have committed to playing its part in the following themes:

- 1. Focus on the most vulnerable or those at risk of harm
- 2. Serious organised crime and PREVENT
- 3. Identify and tackle crime and anti-social behaviour
- 4. Improve Community Engagement

The new Plan is the first time the council has publicly committed to actions in support of those themes and they would like to gather the views of the community.

Cllr **Alex Coley**, (RA Ruxley) Chair of the Council's Crime and Disorder Committee said: "I asked for this community safety action plan to go to a public consultation so we can hear what local people think our priorities should be. The government recently conducted a national consultation on expanded anti-social behaviour powers and the relationship between Community Safety Partnerships and Police & Crime Commissioners.

"Now it's time to ask what our local community want from the Council and our partners. Please tell us your community safety priorities and share with others so we hear from as many people as possible."

The consultation will run until 17 December 2023 and can be accessed via:

The Plan to improve Planning pays off

Epsom & Ewell Borough Council have received official notification from the Minister of State for Housing and Planning, Rachel Maclean MP, that their planning department is no longer under review for designation.

In April 2023 the council, along with nine other local authorities, received a letter from **Michael Gove** MP, the Secretary of State for Levelling Up, Housing and Communities, which stated that due to the performance levels of the council on planning applications during October 2020 and September 2022, designating the council was under consideration.

See **Epsom and Ewell Times** report of 15th May 2023 Epsom and Ewell planning improving after Government threat?

The council had been fully aware of this historic issue relating to performance over that period, which was a result of Covid and capacity-related issues. Having acknowledged the issues, the council took swift decisive action to address them, securing additional staffing resourcing within the department as well as investing in IT and improved ways of working.

As a result of the council's actions, service levels and performance on planning applications improved rapidly and significantly. Since early 2022, the council has continued to determine at least 90% of planning applications within the statutory timescale target, compared to the government threshold of 70%:

- Apr-Jun 2022 95%
- Jul-Sep 2022 91%
- Oct-Dec 2022 95%
- Jan-Mar 2023 96%
- Apr-Jun 2023 95%.
- Jul-Sept 2023 90%

Jackie King, Chief Executive of Epsom & Ewell Borough Council, said:

"We are very pleased that the Secretary of State has recognised the issues the council faced were historic and temporary in nature, and that the council has worked very hard to take significant proactive steps to address and improve them, resulting in our Planning Department far exceeding national targets over the past five consecutive quarters. We have a strong and stable team and systems in place and are very confident that we will continue to provide a high level of service, over and above what is expected, into the future."

Bloomin' marvellous for Epsom and Ewell

Epsom & Ewell Borough Council, Go Epsom Business Improvement District, and dedicated volunteers from across the borough were delighted to pick up a number of awards for Nonsuch Park, Epsom Town Centre and Ewell Village at this year's South & South East in Bloom awards.

For the first time, Nonsuch Park picked up two awards, a prestigious Gold Award for Large Conservation Area and a Silver Gilt Award for Heritage Park.

Judge **Peter Holman**, who is also Chairman of the South & South East in Bloom scheme, praised the efforts of the Nonsuch Voles Volunteering Group, and Epsom and Ewell Borough Council's Operational Services and Countryside Team, who all work together for the overall benefit of the park.

Mr Holman said, "Woodland management, planting new trees and beds, and uncovering and restoring horticultural features all add value. Since my last visit, it's good to see progress and the natural areas of the park are an excellent example of what can be achieved to benefit wildlife."

Ewell Village kept its Silver Award status in the Large Village of the Year category and was congratulated on the efforts of the community volunteers who help maintain the Gertrude Longhurst Memorial Garden and Bourne Hall Park.

The council's work at Bourne Hall was also praised. The judges said, "With its historic grounds, Bourne Hall showed noticeable improvements to the area at the rear of the building, which now forms an outdoor extension to the café area. It is understood that planting to soften its appearance is planned along with a new children's play area. Adjacent to the pond, a new pollinators bed has been successfully planted and looked attractive.

"The Wheatsheaf public house was pleasing to see and welcoming. Also of note was the work at Gertie's garden."

Epsom Town Centre entered the Business Improvement District category and retained its Silver Award status. The judges noted the planting schemes in Rosebery Park, the 'Pocket Park' in South Street and the new planters outside TK Maxx, they were also impressed with the murals around the Town Centre and the Lidl Living Wall in Upper High Street.

Councillor **John Beckett**, Chair of the Environment Committee, said "I am pleased to see the hard work and dedication of the council, Go Epsom, businesses, residents and volunteers has been formally recognised at this year's South & South East in Bloom awards.

"Maintaining our standards by winning Silver Awards in Ewell Village and Epsom Town Centre again and improving on last year's awards tally by winning Gold and Silver Gilt for Nonsuch Park is a brilliant achievement.

"Plans are already being put in place for the borough to take part in Bloom next year. I would like to take this opportunity to thank everyone who is committed to ensuring our borough is the best it can be for the local community, visitors and wildlife all year round."

Karen Pengelly, BID Manager at Go Epsom said, "Epsom is a lovely town, and the introduction of planters, murals and general greenery are welcome additions to our street scene. Visitors and local workers have commented on how much they appreciate the efforts of everyone involved in making Epsom look even better. Onwards and upwards for 2024 – there's always more to do!"

The awards were held at RHS Wisley on Friday 29 September 2023.

Our Star shines on Epsom Playhouse

This month **Epsom & Ewell Borough Council** has installed 90 solar panels on the roof of **Epsom Playhouse**. The panels will generate over 32,000 kWh of electricity annually, covering a third of the Playhouse's current electricity usage and saving more than 6.9 tonnes of carbon each year. The project is part of the council's **Climate Change Action Plan** which sets an ambitious target for council operations to be carbon neutral by 2035.

The council has already installed solar panels at its Operational Depot which have saved more than 35 tonnes of carbon to-date and currently provide 20% of the site's energy. Further solar panel installations are in the pipeline, following feasibility studies. Additional carbon-saving measures include installing energy efficient lights in all council buildings, and purchasing energy from a green tariff that guarantees energy is supplied from renewable sources. There are also plans to replace streetlighting throughout the borough with energy efficient LED lights. This will be done in phases, with phase 1 completed by 31st March 2024.

Epsom & Ewell Borough Council's operational carbon footprint has reduced by 13% since 2019 when the council first began to measure it.

Councillor **John Beckett**, Chair of the Environment Committee, said "We're absolutely committed to tackling climate change at Epsom & Ewell Borough Council.

"Climate change is not a standalone single issue for the council or the borough; it runs through a broad range of our activities and behaviours. We're passionate about working with partners and our residents to lead the way to a more sustainable borough, and the installation of solar panels at Epsom Playhouse is one of a range of initiatives that contributes to this."

Glyn students brighten the Borough

Epsom & Ewell Borough Council and **Glyn School** have come together to transform an unused building on the site of the Upper High Street car park with a community mural funded through the Government's Safer Streets initiative.

Ten local secondary school students recently worked in collaboration with the council and international graffiti artists from **Positive Arts** to create a large scale mural celebrating the biodiversity within our borough. The artwork has dramatically improved the aesthetics of the building, which previously looked tired and in need of renovating.

Giving support to the project, Councillor **Clive Woodbridge**, Chair of the Community & Wellbeing Committee at Epsom & Ewell Borough Council, said: "It is a goal of the council to ensure that our natural environment is both celebrated and accessible to all. This project showcases how culture and creative practices can help to elevate the natural landscape of our borough in new and colourful ways.

"This type of project sits within the emerging Cultural Strategy for the council, which seeks to nurture and champion the creative

talents within our community while increasing access to creativity for all to enjoy and engage with. The students' teamwork has also been extremely impressive and is something to be proud of".

Julian Phethean from Positive Arts said, "The young people were really determined to produce something they could be proud of and that's exactly what they achieved!

"All of the students worked well in a team, made a positive social impact, and displayed a high level of creativity, focus and drive."

A spokesperson for Glyn School said: "The students involved thoroughly enjoyed this unique experience to give back to the community in a very different way."

Hosts of Ukrainian refugees appreciated

On the Independence Day of Ukraine – 24th August, **Epsom & Ewell Borough Council** offered a huge thank you to more than 60 hosts who have welcomed Ukrainian people into their homes as part of the Homes for Ukraine scheme, and asks anyone who is interested in finding out more about becoming a sponsor to get in touch.

The council, in partnership with **Epsom & Ewell Refugee Network** (EERN), has facilitated more than 120 placements in the borough as part of the Homes for Ukraine scheme since it began last February.

Galyna, who arrived in the UK from Ukraine in May 2022, said: "When I first arrived in the UK I felt really lost, as I didn't know anybody or how things worked. I was supported by the Homes from Ukraine team at Epsom & Ewell Borough Council soon after arrival."

Amanda, one of the borough's valued hosts, said: "Back in March 2022, we signed up for the Homes for Ukraine scheme and had no idea what we had signed up for, it just seemed like the right thing to do!

"We now have our second set of lovely guests, we know a lot more about the history of Eastern Europe, have negotiated government systems and learnt much about ourselves. We have no regrets and feel very proud to be a part of Homes for Ukraine."

Councillor **Clive Woodbridge**, Chair of the Community and Wellbeing Committee, said: "I have been overwhelmed by the kindness that people in Epsom & Ewell have shown in welcoming displaced people from Ukraine to our borough.

"Hosts have helped families feel at home in a new place where they may not speak the language, showing them around and helping them feel safe.

"I'd like to say thank you to the many people who have supported efforts to help people in Ukraine, by taking part in the Homes for Ukraine scheme, raising money, or donating money or goods."

Nicky Marshall, Host Supervisor for EERN, said: "95% of placements work very well. Guest(s) become like members of the family.

"Hosts join the scheme for many different reasons and have fed back that it is enriching and enlightening, giving both parties the chance to learn about a different culture (and sometimes experience a different cuisine!)."

EERN works with Epsom & Ewell Council to support Ukrainians in our borough, providing regular English lessons, helping families navigate school requirements, and aiding people in finding employment, for example putting them in touch with the Epsom & Ewell Employment Hub. EERN also run social events that help Ukrainian guests feel more at home.

Anyone who is interested in finding out about the Homes for Ukraine scheme should email homesforukraine@epsom-ewell.gov.uk.

- · if not a British citizen, they have leave to remain in the UK for at least 6 months
- they do not have a criminal record.

'Thank you' payments: hosts have the option to receive a monthly payment of £350 for up to 12 months, paid in arrears, for as long as they are hosting their guests and the accommodation provided is of a suitable standard. This includes holding workshops to develop interview skills, build CVs and improve interpersonal skills, as well as liaising with local employers to offer apprenticeships and work placements. The team hold regular job fairs where local employers and job seekers are matched.

The expansion of services at the Hub has been made possible following a change in funding; the Hub will now be funded by Epsom & Ewell Borough Council from the UK Prosperity Fund. The council continues to lead on the project with Surrey Lifelong Learning Partnership. Both organisations work with a steering group of partners, including NESCOT, Go Epsom and Coast to Capital.

Councillor **Clive Woodbridge**, Chair of the Community and Wellbeing Committee, said "The Epsom & Ewell Employment Hub is an incredible resource for our community and the team there are already doing a fantastic job supporting young people to find employment. It is great news that they will now be able to help even more people in the borough find meaningful and lasting work."

Anna

Originally from Ukraine, achieved both a degree and a master's degree in food technology in Ukraine, and had experience in sales management. Anna was looking for employment and Epsom Jobcentre Plus referred her to the Epsom & Ewell Employment Hub for support. The Hub worked with Anna to prepare her for interviews, which were very different from those she had experienced in Ukraine.

The team also helped encourage Anna, who was simultaneously working to improve her English with the **Epsom Refugee Network**. Anna attended workshops at the Epsom & Ewell Employment Hub to help her manage nerves and improve her interview skills.

Anna said: "The Employment Hub workshops, hosted with Nescot performing arts, taught me techniques to improve my body language and build my confidence, as well as voice projection exercises and useful interview tips.

Thanks to the support provided by the Epsom & Ewell Employment Hub, I was successful in my application for a new role a few weeks later. In Epsom & Ewell I feel I have been supported and welcomed, and I'm looking forward to continuing to live and work here."

Lily

A graphic design graduate, was referred to the Epsom & Ewell Employment Hub during the summer. She was receiving Universal Credit after struggling to find employment after graduating.

The Epsom & Ewell Employment Hub worked with Lily to prepare her for an intern interview. The team supported Lily to find ways to deal with the emotional ups and downs of job seeking and to remain resilient and motivated throughout the process.

Although Lily was not successful on that occasion, the team were able to continue to support her as she continued to network and apply for roles. A few weeks later, Lily successfully obtained a role with a London agency as a creative designer.

Lily said: "I felt that the Hub was a great support in aiding with my anxieties and keeping up my motivation when applying for jobs and going to interviews, and the ways I could reflect on my rejections."
