Employment Hub opening to all

16 August 2023

Epsom & Ewell Borough Council is pleased to announce that the **Epsom & Ewell Employment Hub** is expanding its service to help all residents who are looking for work.

The Hub is a free employment and skills service, designed to help residents plan their next steps. Since the service launched in December 2021, the Hub has focused on those aged 16-24 in receipt of Universal Credit and has supported more than 600 young people. The team will now be able to help people of all ages in Epsom & Ewell find lasting work, including those who are refugees and people with additional needs.

The dedicated team at the Hub mentor residents who are looking for work, offering friendly support and advice on all aspects of job searching as well as helping them overcome barriers to employment. This includes holding workshops to develop interview skills, build CVs and improve interpersonal skills, as well as liaising with local employers to offer apprenticeships and work placements. The team hold regular job fairs where local employers and job seekers are matched.

The expansion of services at the Hub has been made possible following a change in funding; the Hub will now be funded by Epsom & Ewell Borough Council from the UK Prosperity Fund. The council continues to lead on the project with Surrey Lifelong Learning Partnership. Both organisations work with a steering group of partners, including NESCOT, Go Epsom and Coast to Capital.

Councillor **Clive Woodbridge**, Chair of the Community and Wellbeing Committee, said "The Epsom & Ewell Employment Hub is an incredible resource for our community and the team there are already doing a fantastic job supporting young people to find employment. It is great news that they will now be able to help even more people in the borough find meaningful and lasting work."

Kevin Delf, from Surrey Lifelong Learning Partnership, said "The employment market can be daunting. The team at the Hub can now ensure that all residents who are looking for employment are given the skills and support they need to succeed."

Anna, a previous Employment Hub client, said "The workshops at the Hub helped me improve my body language and build my confidence, as well as giving me useful interview tips. Thanks to the support provided by the Hub, I was successful in my application for a new role." Read Anna's case study at the end of this release.

The Hub has relationships with charities including the Workers Educational Association, National Careers Advice, Multiply (Maths & English), Step Forward YMCA, Mary Francis Trust and Work Stress Solutions.

The Hub assists local businesses with their recruitment needs, connecting employers with local residents who are actively searching for their next move. Local business owners who would like to be involved should email: epsomandewellhub@surreylp.org.uk

The Hub is open Monday to Friday, 9am - 5pm and is based in Global House in the Ashley Centre, in Epsom town centre.

Case Studies:

Anna

Originally from Ukraine, achieved both a degree and a master's degree in food technology in Ukraine, and had experience in sales management. Anna was looking for employment and Epsom Jobcentre Plus referred her to the Epsom & Ewell Employment Hub for support. The Hub worked with Anna to prepare her for interviews, which were very different from those she had experienced in Ukraine.

The team also helped encourage Anna, who was simultaneously working to improve her English with the **Epsom Refugee Network**. Anna attended workshops at the Epsom & Ewell Employment Hub to help her manage nerves and improve her interview skills.

Anna said: "The Employment Hub workshops, hosted with Nescot performing arts, taught me techniques to improve my body language and build my confidence, as well as voice projection exercises and useful interview tips.

Thanks to the support provided by the Epsom & Ewell Employment Hub, I was successful in my application for a new role a few weeks later. In Epsom & Ewell I feel I have been supported and welcomed, and I'm looking forward to continuing to live and work here."

Lily

A graphic design graduate, was referred to the Epsom & Ewell Employment Hub during the summer. She was receiving Universal Credit after struggling to find employment after graduating.

The Epsom & Ewell Employment Hub worked with Lily to prepare her for an intern interview. The team supported Lily to find ways to deal with the emotional ups and downs of job seeking and to remain resilient and motivated throughout the process.

Although Lily was not successful on that occasion, the team were able to continue to support her as she continued to network and apply for roles. A few weeks later, Lily successfully obtained a role with a London agency as a creative designer.

Lily said: "I felt that the Hub was a great support in aiding with my anxieties and keeping up my motivation when applying for jobs and going to interviews, and the ways I could reflect on my rejections."

Kids takeover Bourne Hall digitally

16 August 2023

On Friday 7 July **Bourne Hall** in Ewell handed over its social media channels to young people from **St Clement's Catholic Primary School** in Ewell, as part of a national Kids in Museums Digital Takeover Day event.

Supported by Arts Council England, the Kids in Museums charity aims to empower young people and help them learn digital marketing skills, as well as support museums to engage younger audiences.

The charity has held an annual digital takeover since 2014, where young people take over the social accounts of museums, galleries, historic homes, archives and heritage sites across the UK. Last year, over 50 museums were taken over and the hashtag #TakeoverDay has even trended on Twitter.

Bourne Hall welcomed a group of year 2 students to its Museum to become cultural detectives for the morning. Focusing on five specific themes: Space, Nature, Local History, Holidays and Textiles, children highlighted their favourite items, which were then photographed and placed alongside their own caption, to go out on Bourne Hall's social media.

As well as the digital takeover, the children also created some brilliant visual responses to their visit, these artworks will be turned into an exhibition at Bourne Hall - watch this space for the launch date!

The children had some insightful comments to make about the objects in the museum. One commented about some 1950s card games:

"Amazing, incredible, really fun! The cards were colourful and rainbowy and reminded us of holidays."

Thinking about working in the role of a Curator, another child added: "I'm thinking about the security in our museum - and how we keep everything safe. I'm also thinking about how I would make sure that everyone had a great time when they come to visit our museum."

Speaking of the recent event, Councillor **Clive Woodbridge**, Chair of Epsom & Ewell Borough Council's Community and Wellbeing Committee, said "This was a great event that brought our fantastic museum to life for some of our borough's young people. It was a highly engaging experience for the children and they also gave us valuable feedback on what they loved in the museum and what they'd like to see more of. I am really looking forward to seeing the children's artwork when it is displayed in Bourne Hall's foyer."

Should have gone to the Surrey Youth Games?

16 August 2023

On Saturday, children in **Epsom & Ewell** who took part in the 2023 **Specsavers** Surrey Youth Games and their families came together to celebrate the Games at the Surrey Sports Park in Guildford. Around 70 children from Epsom & Ewell aged 7-16 took part in the Games this year, having a go at a fun across a range of activities - from boccia, boxing and street basketball to judo and rugby, all at no charge.

The Specsavers Surrey Youth Games is the biggest multi-sport youth programme of its kind in the south east. The Games were open to all but were actively promoted to encourage those who might not normally get the chance to join a sports club or are otherwise inactive.

The Games would not have been possible without the 12 young ambassadors who helped promote them in their schools, encouraging young people to find out more and sign up to take part.

Councillor **Clive Woodbridge**, (RA Ewell Village) Chair of the Community and Wellbeing Committee said "We were overjoyed to see so many children from Epsom & Ewell take part in the Specsavers Surrey Youth Games this year.

"We know that building positive habits in early life is vital for the long-term health of our children and the Games are a great way for children who may not previously have had access to some of these sports to join in and have fun taking part.

I was honoured to meet the young ambassadors who volunteered their time to help promote the Games to their peers earlier in the year while I was serving as Mayor of Epsom & Ewell and was delighted to see the positive outcome of their efforts this weekend."

The Specsavers Surrey Youth Games were coordinated by Active Surrey and sponsored by Specsavers.

Epsom and Ewell's 7th Labour Mayor?

16 August 2023

Labour Councillor **Rob Geleit** for Court Ward has been officially recognised as the new Mayor of Epsom and Ewell at the council's annual Mayor Making ceremony at the Town Hall on Tuesday 23 May.

The Mayor is the first citizen of the Borough of Epsom & Ewell and has several specific roles during their one-year term of office. These include representing the council and the local community at formal and ceremonial occasions, both within the borough and elsewhere, and chairing full meetings of the Council.

[The Epsom and Ewell Times adds to this Council press release: The founding Mayor of Epsom was Chuter Ede who later became Home Secretary in the post-war Labour Government. Despite the dominance of the Residents Association in the Council the ruling group have not been ungenerous in voting in opposition Councillors to the top ceremonial post. Labour's Laura Woodcock, Bill Carpenter, Joyce Storer, Alan Carlson and Sheila Berry all taking a turn and the Liberal Democrat's Colin Taylor.]

During the mayoral year the Mayor is strictly politically neutral. As Mayor for 2023/2024, Rob will have a full diary of civic events planned throughout the year, including visits to residents, community and sports groups.

On becoming Mayor, Rob said, "It is a great privilege to be appointed Mayor of Epsom and Ewell. It is a wonderful opportunity to give back to and highlight the community I love and the place I've called home for many years.

"I look forward to meeting as many residents and organisations as possible throughout my tenure as Mayor and showcase their work in our community."

Rob first moved to Epsom in 1977 when he was 5 years old and has lived here, on and off, since then. He attended Pound Lane School, Bishopsmead Church of England School and finally Epsom High School, where he was Head Boy.

After he left school, Rob suffered an episode of mental ill health, a challenging time for him. He recovered well and was first elected as a Labour Councillor in Court Ward in 2011.

Rob has served on several committees during his time as a Councillor at Epsom & Ewell, most recently serving as Deputy Mayor.

In his professional life, Rob works as a computer programmer in Leatherhead. During his career, he has written code for the European Space Agency, as well as working on Smart Metering and at the Crown Prosecution Service.

Rob is passionate about the environment. He has had a zero-carbon footprint for over seven years. He doesn't own a car, instead choosing to cycle and use public transport. At home, he uses sustainably sourced electricity and offsets his gas usage.

During his Mayoral year, Rob will raise awareness of and funds for three charities. These are:

Age Concern Epsom & Ewell

A local community charity focusing on empowering older people in the Borough of Epsom & Ewell by providing information, advice, medical transport, social support and befriending services.

Citizen Advice Epsom & Ewell

A free advice service to people that live, work or study within the Epsom and Ewell area.

Love Me, Love My Mind

A small registered charity based in Epsom, which aims to promote better understanding of mental health and to support the wellbeing of everyone in the community.

Surrey Youth Games getting starting pistol

The Games are the largest multi-sport youth programme of their kind in the South East, offering FREE local training for 7-16 year olds across Surrey, leading to a final celebratory event for the whole family.

Your Council Needs You - to bin your litter

16 August 2023

Epsom & Ewell Borough Council has launched an anti-littering campaign, aimed at reducing litter throughout the borough. The campaign will focus on hotspots including Epsom train station, Epsom and Ewell town centres, and the borough's parks.

The Council's team of Environmental Enforcement Officers, who work in partnership with Surrey Police, will patrol the borough on foot or in a marked council vehicle and may warn people at risk of being fined or issue a Fixed Penalty Notice of £100.

The latest virtual recruit to the Council's Environmental Enforcement team is the famous image of Lord Kitchener, created by British graphic artist Alfred Leete. Posters will be displayed around the borough and used on social media, instructing potential litterlouts to bin their litter or take it home - or risk a penalty fine.

Littering is a criminal offence under the Environmental Protection Act 1990 sections 87/88.

A Fixed Penalty Notice will be issued to any person who is witnessed littering, including:

- Throwing away food wrappers or uneaten food
- Dropping chewing gum
- Discarding cigarette butts

Councillor John Beckett, Chair of the Environment and Safe Communities Committee, said: "Dropping litter is an issue for several reasons. It can take years to degrade, causing harm to wildlife and habitats. Food which is discarded by people attracts vermin such as rats and feral pigeons.

"Research has also shown that people can feel less safe in areas that are littered. Poor levels of cleanliness have been found to be associated with an increase in social disorder and crime.

"Epsom & Ewell Borough Council is committed to reducing incidents of littering within the borough, to ensure that Epsom & Ewell is a pleasant place to live and to visit, that feels safe."
