

The young of Epsom and Ewell can be legends

Epsom & Ewell Borough Council is proud to announce its new local initiative – Epsom & Ewell Young Legends – an exciting programme of sports and creative activities taking place from 11 October to 24 November 2025. Designed for children aged 9 to 11, this free programme is open to children who live within the borough. Places can be booked on the council’s website and spaces are limited.

The Epsom & Ewell Young Legends programme aims to help children boost their confidence, develop new skills, make friends, and ease the transition for those preparing for secondary school.

A diverse range of activities such as Arts & Crafts – with dedicated sessions for children with special needs, Basketball, Girls Rugby, Judo, Musical Theatre (song and dance), Rap Therapy, and Yoga & Meditation. Delivered by trusted and skilled professionals in a safe and supportive environment, the programme encourages children to try new things and have fun.

The Epsom & Ewell Young Legends programme forms part of the council’s Health and Wellbeing Strategy and follows on from the Specsavers Surrey Youth Games.

Councillor Clive Woodbridge, Chair of the Community & Wellbeing Committee, commented:

“We’re proud to launch our first-ever Epsom & Ewell Young Legends programme – a key step in delivering our Health and Wellbeing Strategy. By offering free access to sports and creative activities for 9 to 11-year-olds, we aim to inspire, build confidence and support them as they take their next steps – including the transition to secondary school.

“Bringing the Epsom & Ewell Young Legends programme in-house has allowed us to tailor it to the needs of local children and align it with our Health and Wellbeing Strategy. We’ve made a conscious effort to reach those facing barriers to participation, including children supported through the government-funded Holiday Activities and Food programme.

“A huge thanks to the coaches and practitioners from Body & Brain Epsom, Cagers Basketball Club, Creative Minds, Laines Theatre Arts, Rap Therapy, Sutton and Epsom Rugby Club and Westcroft Judo Nork, for their support in delivering the Epsom & Ewell Young Legends.

“Whether a child is sporty, creative, or simply curious, Young Legends is about helping children to feel confident in trying new activities, and we warmly invite parents to encourage their children to take advantage of this exciting opportunity.”

- Ghost stories from local residents
- A behind-the-scenes tour with the Epsom Beekeepers Association

Councillor Clive Woodbridge, Chair of the Community and Wellbeing Committee, said:

Epsom Common Local Nature Reserve's enduring excellence recognised with 19th consecutive Green Flag Award

Epsom & Ewell Borough Council is celebrating receiving the prestigious Green Flag Award for Epsom Common Local Nature Reserve, the international quality mark for parks and green spaces, for a 19th consecutive year.

Councillor **Liz Frost**, (RA Woodcote and Langley Vale) Chair of the Environment Committee said: "We are incredibly proud that Epsom Common Local Nature Reserve has received its 19th consecutive Green Flag Award! A huge thanks to our Countryside team, volunteers and partners for helping us make a difference to our green spaces, including the Epsom Common Association, the Lower Mole Partnership and Natural England."

Epsom Common Local Nature Reserve dates back to Saxon times and is a nationally and internationally important wildlife site. It is designated a 'Site of Specific Scientific Interest' due to its rare insects and its importance of breeding bird habitat. This local nature reserve contains oak woods, open pasture woodland and wetland habitats, including large ponds, and hosts species including cotton spotted orchids and purple emperor butterflies.

New Epsom and Ewell Parish? Cherish or perish the thought?

Epsom & Ewell Borough Council consults residents on new parish councils

Epsom & Ewell Borough Council is asking residents and stakeholders for their view on whether to create parish areas, along with a parish council or councils, in Epsom & Ewell. The Community Governance Review (CGR) consultation opens on 17 July and will run for 12 weeks, closing at 11.59pm on 9 October.

Epsom & Ewell is currently an unparished borough which means there is no lower tier of local government below that of the borough council. As part of local government reorganisation in Surrey, Epsom & Ewell Borough Council and the other district and borough councils and county council will be dissolved in April 2027. Two or three unitary councils will then be responsible for local government in the county, with each unitary council representing between around 330,000 to more than 650,000 residents, depending on whether the Government opts for a two or three unitary model.

Epsom Rotary and Epsom and Ewell Times hold a public question time with Councillors on local government organisation on Wednesday 23rd July at 7pm at St Josephs Catholic Church St Margaret Dr, Epsom KT18 7JQ. It is free to attend and open to all residents and businesses. Full details [HERE](#)

Councillor John Beckett, Chair of Standards and Constitution Committee, said:

"We feel it is vital that residents, businesses, and local communities within Epsom & Ewell are given the opportunity to explore the creation of parish councils. This will give them a greater local voice and enable them to stay closer to the decision-making process within local government in the future.

"A parish council could take on responsibility for parks, playgrounds, community centres and cultural events in the borough, keeping decisions locally on how these are delivered as well as having the ability to drive economic growth by attracting funding and grants that would boost the local economy.

"Another key factor which is close to the hearts of residents is planning. A parish council would be a statutory consultee on planning matters, and as such would be able to reflect the concerns and aspirations of residents during any planning application process."

The CGR consultation asks residents:

- whether to create new parish areas and a parish council or councils
- what the geography should be, and
- how many councillors should be elected.

Residents will also be asked, if parish councils are formed, whether they should be divided into wards, and if they should be called parish, community, neighbourhood or a village council(s).

The consultation can be completed online on the consultation website: Community Governance Review – Epsom and Ewell Borough Council Consultations or by completing a paper consultation questionnaire. Paper consultations can be found in Epsom Town Hall, in Bourne Hall, in local libraries across the borough and in the Community & Wellbeing Centre, Longmead (during normal opening hours).

This summer, the council will also hold a series of events across the borough where residents will be able to ask Councillors questions about local government reorganisation and the community governance review, including this consultation, the process and timeline.

Councillor John Beckett continued:

"I urge every resident of voting age within the borough to have their say on the future of your local democracy and representation in your local government for Epsom & Ewell. Tell us what you think by completing the Community Governance Review consultation questionnaire online or on paper and posting it back to us."

As part of the Community Governance Review a second consultation would take place in early 2026. A timeline and frequently asked questions about CGR can be found on the council's website: www.epsom-ewell.gov.uk/CGR

Epsom and Ewell Borough Council out - Community Council's in?

Earlier this month, at a meeting of the full Council, Epsom & Ewell Borough Council (EEBC) agreed new strategic priorities for 2025-2027, with the number one priority being to explore future local governance in Epsom & Ewell. This week, Councillors will attend a briefing on Community Governance Review (CGR) and will, with the Mayor's agreement, schedule an extraordinary full Council meeting on Thursday 26 June 2025. At the extraordinary Council meeting, Councillors would agree whether to commence with a CGR in Epsom & Ewell, that could eventually lead to the creation of new community councils.

Community councils provide a vital link between residents and larger unitary authorities, which will be critical as a result of imminent local government reorganisation in Surrey. They aim to enhance local representation by providing a direct route for the essential voices of residents and local communities, ensuring that residents are aware of local issues, and are involved in decision-making they are affected by.

Councillor Hannah Dalton, Leader of Epsom & Ewell Borough Council, said "We are navigating the biggest change in local democracy for more than 50 years. As a priority we are working to ensure that, whatever the outcome of local government reorganisation, the voices of our residents and local communities continue to be heard in years to come – this is a vital element of local democracy. We will keep residents informed and updated throughout this process."

In the coming days, Councillors will be briefed on the CGR process and possible geographies for establishing community councils in Epsom & Ewell:

Should full Council decide to commence with the CGR, the process will include a public consultation which would take place summer 2025, with any final proposal being consulted on in early 2026.

EEBC council meetings, including extraordinary full Council meetings, are open to the public to observe and are also live streamed: details on how to watch meetings can be found on the council's website: Epsom and Ewell Democracy

In light of the plans for local government reorganisation, which will see the formation of new unitary councils and the dissolution of all current district, borough and county councils in Surrey; EEBC approved an amendment to the Council's Four-Year Plan

earlier this month, replacing it with strategic priorities for 2025-2027. Prior to the 9 May final submission deadline, Epsom & Ewell with nine of the eleven Surrey district and borough councils submitted a proposal to government to create three unitary councils in north, east and west Surrey. The county council and two other district and borough councils favour a two unitary model. Council leaders ruled out the creation of one unitary council for Surrey in February this year.

Epsom's nature reserve goes digital

Epsom & Ewell Borough Council has launched a new digital tour that showcases local beauty spot, Horton Country Park Local Nature Reserve. The tour is available to download now via Bloomberg Connects. Epsom and Ewell Borough Council created the tour to help both first-time and returning visitors explore the history of Horton Country Park Local Nature Reserve.

This is the second tour to be launched on Bloomberg Connects by Epsom & Ewell Borough Council; in September 2023, Nonsuch Park went live on the app, allowing users to peruse the formal gardens at their leisure.

Horton Country Park Local Nature Reserve covers 200 acres and is situated in the northern half of the borough of Epsom and Ewell. There are 14 stops along the tour, which include Pond Wood with a mention of the bomb crater which was left from an air raid in 1941; volunteering at Horton Country Park; as well as the community orchard where residents can pick apples in the summer season. It also highlights the Horton Light Railway, which once ran through the area, serving the largest hospital cluster of its kind in Europe at the time. The entire walking tour takes approximately 2.5 to 3.5 hours, but can be enjoyed at any pace, returning to the start at any of the designated turning points.

The new digital tour of Horton Country Park Local Nature Reserve is packed full of information, interesting facts, photos, history and more. It is the perfect accompaniment to enhance the experience of those visiting Horton Country Park Local Nature Reserve and makes information accessible to people anytime, anywhere.

The tour is an important part of the council's Arts, Culture and Heritage Strategy. One of the aims of the strategy is to increase access to culture and heritage in Epsom & Ewell, allowing people to engage with our colourful and varied cultural past in new and engaging ways.

Councillor Clive Woodbridge, Chair of Epsom & Ewell Borough Council's Community and Wellbeing Committee, said,

"I am delighted to support the launch of our latest free-to-enjoy digital tour about the Horton Light Railway at Horton Country Park Local Nature Reserve. Showcasing the richness of our borough's heritage, the tour is a great way to spend time outdoors, learning about the importance of the railway and its vital contribution to the borough's hospital cluster."

The Bloomberg Connects app is available for download from Google Play or the App Store.

Surrey district and borough councils submit proposal to government outlining vision for future governance in the county

Today, district and borough councils in Surrey have submitted proposals to government outlining their vision for the future of local government in Surrey.

Nine district and borough councils support the formation of three unitary councils (Epsom & Ewell, Guildford, Reigate & Banstead, Runnymede, Spelthorne, Surrey Heath, Tandridge, Waverley and Woking) while two district and borough councils (Elmbridge and Mole Valley) and the county council favour two. Both proposals are published on council websites.

The proposal submitted by district and borough councils supporting three unitary councils is underpinned by the following priorities:

- supporting economic growth

- housing and infrastructure delivery
- unlocking devolution
- valuing and advocating for Surrey's unique local identities and places
- providing strong democratic accountability, representation and community empowerment
- securing financial efficiency, resilience and the ability to withstand financial shocks
- delivering high-quality, innovative and sustainable public services that are responsive to local need and that enable wider public sector reform.

Speaking about the proposal for three unitaries, Councillor Hannah Dalton, Chair of the Surrey Leaders Group and Leader of Epsom & Ewell Borough Council, said: "Today, district and borough councils have submitted a proposal for local government reorganisation in Surrey, a proposal rooted in what local government is all about: local identity, representation and economic alignment.

This is a once in a generation opportunity to shape Surrey's future, to improve outcomes and opportunities for our residents, businesses and people across the county who rely on us most. We look forward to the government's response to our proposal.

The government set out proposals for local government reform in the English Devolution White Paper. This outlines their plans to move away from the current two-tier system of district and county councils.

Residents can keep up-to-date with plans for local government reorganisation on the Surrey Local Government Hub.

Proposals can be read here: [Epsom and Ewell Democracy](#) and on all Surrey council websites.

Measures in place to combat anti-social behaviour in the borough ahead of the Epsom Derby

Councillors have agreed to adopt a Public Space Protection Order (PSPO) to tackle anti-social behaviour in the borough ahead of this years' Epsom Derby.

This order, which was brought to Tuesday night's full Council meeting, extends the powers of a previous, alcohol-related PSPO to the whole borough and includes the following new prohibitions:

- Harassing or intimidating residents, businesses or members of the public.
- Threatening any person with violence and/or being verbally abusive towards any person.
- Wearing a piece of clothing with the intent to obscure or hide their identity for the purposes of committing crime and/or anti-social behaviour.
- Acting, or inciting others to act, in an anti-social manner, which is likely to cause harassment, alarm or distress to any person.
- Joining or remaining in a group of two or more people which is acting in a manner that is likely to cause harassment, alarm or distress to any person.
- Consumption of alcohol following a verbal warning by an authorised person to stop. An authorised person includes a Police Constable, Police Community Support Officer, a Council Officer, or any other person authorised by the Council.

It was also confirmed that the amount payable for fixed-term penalty notice for this and for any future PSPOs is £100, discounted to £80 if paid within 10 days.

Councillor Shanice Goldman, Chair of the Crime and Disorder Committee, said:

"We know the safety of the Borough is important to residents so I am pleased that the new Public Sector Protection Order has been formally adopted by the council. The PSPO is a new tool specifically for the Epsom & Ewell area which will allow police and appropriate council staff to address antisocial behaviour effectively, without immediately resorting to arrests.

"With the Epsom Derby coming up in June, I hope this order will ensure a more enjoyable experience for everyone on the day, as well as a safer environment in the borough going forward."
