## Council elastic on plastic?

In March 2019 Epsom and Ewell Council agreed to phase out its use of single-use plastics. How is it getting along? Judge for yourself from the reply of Councillor **John Beckett** (Residents Association – Auriol Ward) to a progress report demanded by Councillor **Julie Morris** (Liberal Democrat – College Ward) at the Council meeting 6th December.

The Chairman of the Environment and Safe Communities Committee reported:

"Since adopting the Single use Plastics Policy as part of the Climate Change Action Plan, the Council has been working to support the reduction in the use of single use plastics within its own operations and across the Borough. We have utilised our communications channels and public events to improve awareness and to support wider behaviour change of our residents and businesses. We installed refillable water stations in 6 of our parks and opens spaces and in our Market place, to encourage use of reusable water bottles,. We have also supported all non-food stall and dry food greengrocers at Epsom Market to stop using single use plastic carrier bags, run a reusable Tote bag giveaway event, and committed to making the Market place Single use Plastic free by April 2024.

We have also reviewed the Council's own operations to understand where we can reduce single use plastics. We have removed all plastic cups from our operational buildings, encouraging staff to use reusable bottles and cups. We replaced the depot's old container-based water cooler with a plumbed-in version. We have also introduced segregated office recycling bins to enable improved recycling of plastics in our buildings.

We have stopped buying plastic-based refreshment supplies where possible but where it hasn't been possible to find a viable alternative, we are unfortunately having to continue to use that option. This does not mean that we will just accept the products but will continue to look at alternative options now and in the future. As the Climate Change Action Plan is a living document and with changes to industry constantly evolving, we will continue to review our operations for further opportunities to reduce the need for Single use Plastics. This work will also involve partnership working with Surrey County Council, through the Surrey Environment Partnership, to support the delivery of the Single-use Plastics Strategy for the whole of Surrey.

Regarding the small milk pots which are currently used at the hot drink's machines in the members room, council chamber and committee rooms, alternative options are being looked at with the intention for these to be discussed at the January Climate Change Working Group meeting. After an initial conversation with the councils recycling officer, it is believed that the material used in the pods might be the same as yogurt pots and the solution might be as simple as removing the foil lid and having a separate container for these to be recycled at these locations. Whilst we acknowledge it wasn't called an audit a review has taken place of Single use Plastic use and subsequent action taken as highlighted in this reply. Since then, the issue of SuP and the 5 pledges have been incorporated into the climate change

action plan and will continue to be picked up through delivery of the plan. These actions are also now robustly supported by incorporating SuP consideration into all our procurement processes. The climate change action plan has member oversight and officer resource attributed to secure its delivery and continuous review."

# **Labour Councillor moves on housing**

An affordable housing commitment was put off at yesterday's meeting of Epsom and Ewell Borough Council. A motion proposed by Labour's Court Ward Councillor Kate Chinn read: "We as the Labour Group move that in the Local Plan Epsom and Ewell Borough Council will specify a minimum requirement of 40% of affordable housing in each new housing development of 10 or

more units (Use Class C3) of which at least 25% will be reserved for social rent and comply with the vacant building credit."

The matter was referred back for further consideration by the Council's Licensing, Planning and Policy Committee that next meets 19th January 2023.

Cllr Chinn writes to The Epsom and Ewell Times - see our letters page.

## Auriol school field for golden years?

Auriol School sports field in Cuddington is earmarked by Surrey County Council for 50 elderly care housing units. According to SCC: "The Cuddington site is ideally situated for Extra Care Housing and has been selected specifically for its location. The site will provide new homes in the form of 1-bedroom self-contained apartments. All of the homes will be accessible, with features designed for wheelchair users.

The accommodation has been designed around the constraints of the site and its neighbours but is still able to offer residents ready access to safe external space including landscaped gardens designed expressly to address the needs of older people; encouraging activity and promoting exercise, healthy living and wellbeing.

The design focuses on ensuring residents have sufficient space, both private and communal, and key to this have been considerations around accessibility. The development has been designed to ensure residents can remain in their homes as they grow older and/or as their needs change."

SCC have plans for three other sites in the County. **Mark Nuti**, Surrey County Council's Cabinet Member for Adults and Health, said: "Our ambition is to bring affordable extra care housing to locations around Surrey and these four sets of proposals bring us a step closer. Not only would the schemes help older people live life to the full, they would also breathe new life into four community sites."

SCC is holding a consultation exercise and if you want more information and to participate go to:

Cuddington Extra Care Housing (communityuk.site)

## Timeo Danaos et dona ferentes..?\*

Battle for school gets classical with fears of a Trojan Horse. **Kingswood House School** in **Epsom** is asking local people to join hundreds of residents in opposing plans to evict the School from its site and replace it with a small school and housing estate. With objections numbering over 400, local people have risen up in opposition to developer **Steve Curwen**'s plans to evict the 102 year old, 245 pupil school from its site in West Hill, Epsom. **Curwen Grou**p are working with the landowners, the **Aczel brothers**, with the scheme involving the construction of a small school of only 60 pupils with acute special needs.

It is anticipated that the school would be privately operated on a "for-profit" basis. In what has been described by MP **Chris Grayling** as: "an example of the worst form of business practice", the Aczel brothers have confirmed that the planning application for the new school will be followed by a second application to build a housing estate on the current school's playing field.

Amongst its 245 pupils, Kingswood House School is home to 172 local children with special needs and has the highest concentration of special needs pupils at any school in Surrey. The School has been made an Asset of Community Value by Epsom and Ewell BC in recognition of its contribution to the local community.

The School has now filed a detailed objection to the proposed development including reports by independent experts. These documents which are publicly available on the Council's website include a report by educational expert **Neil Roskill**y, a former member of the General Teaching Council for England and adviser to the Department for Education. Roskilly notes that "...none of the pupils at Kingswood House School would qualify for a place at the proposed new school because their special needs would not be considered sufficiently severe: and the need in Surrey is for schools catering for milder special needs (such as Kingswood House) not acute special needs and therefore the new school would be marketed by its owners towards pupils from outside Epsom."

Roskilly says that **Department of Education** design guidelines for schools accommodating pupils with acute special needs have been ignored, resulting in classrooms and common areas being too small and that: "... as designed the proposed school would have to operate with a limited curriculum". As such, Roskilly believes that: "...it is highly doubtful that the proposed school would receive permission to open from **Ofsted** at a post-registration inspection. This is because it would be potentially discriminatory and in breach of the: "Special Education Needs and Disability Code of Practice: 0 to 25Years (2015)", which states that all SEND pupils should have access to a broad and balanced curriculum".

Access for the proposed new school would be via West Hill Avenue, currently a quiet residential road to the rear of the Kingswood House School. Transport consultants **Markides** note that the proposed access and parking arrangements are inadequate given the width of West Hill Avenue, its use for residential parking and the presence of trees restricting visibility. When combined with the intended housing estate and inadequate staff and visitor parking for the proposed new school, Markides conclude that: "... the proposed access and internal layout are regarded as seriously deficient and unsupportable."The problems identified don't stop with those spotted by Markides and Roskilly.

Officers employed by **Surrey County Council** and **Epsom and Ewell Borough Council** have identified problems relating to both flood risk and ecology. The Surrey County Council Flood Risk, Planning and Consenting Team have reported that they are: "...not satisfied that the proposed drainage scheme meets the requirements..." of the relevant planning legislation and that development should not commence: "....until details of a surface water drainage scheme have been submitted to and approved in writing by the planning authority".

Curwen's own ecology reports recommended further reports, not yet done, to establish the presence or otherwise of protected species, Great Crested Newts and Bats. Surrey's Ecology Officer notes that these reports are still not done and that: "These surveys are required and cannot now be done until spring/summer next year".

A common concern amongst the hundreds of objections filed so far is that Curwen's scheme is in reality a sham and a "**Trojan horse**" for the construction of a housing estate. This concern is only likely to have been intensified given the fundamental flaws in the scheme's design exposed by experts for Kingswood House School's and the shortcomings noted by Surrey County Council's Flood Risk team and Epsom and Ewell Borough Council's Ecology Officer.

## A **Spokesperson** for The Curwen Group said to **Epsom and Ewell Times**:

"We are committed to providing a specialist SEND school at the Kingswood House site, and are currently working though technical responses to our application in consultation with the surrounding community.".

Those wishing to support or object should do so via the Council's website tinyurl.com/epsomewellplanning and entering the reference number 22/01653/FUL or by email to the case officer, Gemma Patterson at gpatterson@epsom-ewell.gov.uk (ref 22/01653/FUL)

\*The Trojan priest Laocoön guessed the plot and warns the Trojans "I fear Greeks, even those bearing gifts".

# Locally trained artist's Ewell exhibition closes tomorrow

Ending Saturday 19th November your last chance to see selected works of the artist **John Whurr** at his solo exhibition in **Bourne Hall Gallery**. His work varies from pencil sketches of birds and animals to watercolour landscapes and detailed pen and wash of well known buildings in London and elsewhere. Also included is a large collection of portraits in ink and pencil - WG Grace is portrayed at Lords Cricket Ground - the pop artist Rod Stewart in his early days - groups of famous racing drivers and rugby plyers. His gift for depicting people is incredible. I particularly enjoyed the picture of the actor Leo Mckern playing the part of "Rumpole of The Bailey". In this one off incredible exhibition, colour paintings of classic cars, motorbikes and railway trains demonstrate John's wonderful skill in depicting shiny surfaces like metal and glass. Detailed pictures of buildings and cityscapes show his interest in architecture. A very modest and down to earth person - John has been awarded many accolades for his work but prefers to maintain a low profile.

John Whurr has always had an interest in drawing from an early age. He went to school in **Carshalton** and became chief draughtsman for Shell Coal and later worked for the BBC . He studied at **Sutton Art College** and spent time learning watercolour skills at the **Epsom Further Education Centre.** Over the years he has had several exhibitions alongside other artists at Bourne Hall and other places with many of his works going abroad from Australia to the USA and many European countries.

He was commissioned to provide five pictures for the cultural centre in Nagasaki, Japan. He loves sketching and his first love is architectural/coastal subjects but his interest in landscape will get him reaching for the paint palette. For many years his drawing has extended to caricatures and more recently portraits. John is a member of the Society of All Artists & The Molesey Art Society. He's enjoyed being 'artist in residence' at the Brooklands Museum Weybridge.

Reporting by Audrey Ardern-Jones

# Council's secret strategy on public resources?

Epsom and Ewell's powerful **Strategy and Resources Committee** went into secret session on four items of public interest at its meeting Tuesday 15th November. The four items were:

- 1. INCOME GENERATING OPPORTUNITY
- 2. COST OF LIVING PAYMENT
- 3. LAND RETENTION
- 4. COMMERCIAL PROPERTY UPDATE

In each case the secrecy was justified on the following ground:

".... the business to be transacted/nature of the proceedings........ deals with information relating to the financial or business affairs of the Committee and third parties and the public interest in maintaining the exemption currently outweighs the public interest in disclosing the information."

However, the Committee did not close the meeting during discussions on the motion to close. During that discussion **Councillor Eber Kington** (RA Ewell Court Ward) revealed in public that the "income generating opportunity" related to a crematorium.

Councillor David Gulland (LibDem College Ward) argued that the proposal "is an interesting development which would benefit from a wide-ranging discussion with our residents ... I feel we're trying to be too secretive...we should be open with what we're trying to achieve with our assets." The Interim Chief Executive, responded that "the reason this is a restricted item is because it's a commercial opportunity and we need to protect our negotiations...with potential suppliers, etc". However, Councillor Kate Chinn (Lab, Court Ward) agreed with Cllr. Gulland. "Part of making the business case is to see if there's a need for it in the borough," she said. "Surely the easiest way to do that is to ask the residents."

It was at this point that Councillor Kington made the statement that "I want to get as much as I can out in the open. But what we have here is the Council looking at a possibility of a crematorium." He went on to defend the proposal to exclude press and public: "[If this] is a runner, it would have to come back to this committee and it may well be that that will be the time when it will be a public document. We don't want to give anyone the heads up that this is what we are planning. In most cases, we will put things not on pink paper if we can help it." [Ed. "Pink paper" is the colour of secret papers.]

The Residents' Association majority on the committee agreed with Councillor Kington and excluded press and public from any further details of this and the other three items.

#### At the same meeting:

#### VOTER ID LIKELY FOR 2023 - BUT COUNCILS MAY HAVE TO PICK UP THE BILL

Following public consultation, a new polling station is expected to be in operation for the borough elections in 2023. This is to be situated in the arts centre at the newly refurbished Horton Chapel and will serve the residents of the new Horton Ward. This new ward will comprise the four former hospital sites of Clarendon Park, Livingstone Park, Manor Park and Noble Park, plus some roads that are currently in Court Ward around the northern end of Hook Road.

Receiving the detailed report that included this information Councillor **Hannah Dalton** (Residents' Association, Stoneleigh Ward), asked about the Council's preparedness for the introduction of voter id at polling stations. "There will be a lot of communication from the government about this," the council officer replied. But he went to say that it will be a challenge getting it ready because the Council will be able to issue identity slips where people don't have photo identity.

Councillor **Liz Frost** (Residents' Association, Woodcote Ward) followed this up by asking about the cost implications of this for the Borough Council. The Interim Chief Executive, stated that "there are discussions going on with government at the moment ... At the moment, the proposal is that local councils will fund ID cards ... It's an ongoing discussion."

# **Epsom and Ewell remembers...**

**Epsom and Ewell** came together for the annual **Remembrance Day** service at Epsom's Clocktower, Friday 11th November. The Mayor's Chaplain reflected on the history of Remembrance Day. The first was held in the grounds of Buckingham Palace in 1919 when the two-minute silence was observed. In 1921 the poppy became a symbol of Remembrance. The Second World War saw the commemoration being held on a Sunday, to avoid disruption of ammunition production should the 11th of November fall in the working week. The Chaplain mentioned how the reality of today's television coverage of wars was inuring many to the horror of war.

The service was attended by a full complement of Councillors of all parties, servicemen and boys and girls from Blenheim School and other local schools.

The full service is reprinted below.

## An Act of Remembrance to mark 11.11.11 - Armistice Day Friday 11 November 2022

The Mayor of Epsom & Ewell, Councillor Clive Woodbridge leads the civic party to the Clock Tower

The Mayor's Chaplain, says:

We meet in the presence of God.

We commit ourselves to work in penitence and faith for reconciliation between the nations that all people may, together, live in freedom, justice and peace.

We pray for all who in bereavement, disability and pain continue to suffer the consequences of fighting and terror.

We remember with thanksgiving and sorrow those whose lives, in world wars and conflicts past and present, have been given and taken away.

#### Act of Remembrance

Read by The Royal British Legion:

They shall grow not old as we that are left grow old: age shall not weary them, nor the years condemn.

Read by a Cadet: At the going down of the sun and in the morning we will remember them."

All: We will remember them.

Non-uniformed male personnel to remove headwear, please

Bugler will play The Last Post

## 11.00: Two Minute Silence

Bugler will play Reveille

The Kohima Epitaph, read by the Princess of Wales Royal Regiment:

When you go home, tell them of us and say,
for your tomorrow we gave our today.

The Mayor will lay a wreath on behalf of the citizens of the Borough

We Shall Keep the Faith — By: Monica Michael 1918 read by CIIr Clive Woodbridge, Mayor of Epsom and Ewell

- Oh! You who sleep in Flanders' Fields
  Sleep sweet to rise anew:
  We caught the torch you threw,
  And holding high we kept
  The faith with those who died.
- We cherish, too. the Poppy red
   That grows on fields where
   valor led.
   It seems to signal to the skies
   That blood of heroes never
   dies.
   But lends a lustre to the red
   On the flower that blooms
   about the dead
   In Flanders' fields.

And now the torch and Poppy red
Wear in the honour of our dead
Fear not that ye have died for naught:
We've learned the lesson that ye taught
In Flanders' fields.

Reading: Goodbye Young Soldier - By: Sgt John Norbury, Afghanistan, January 2010 read by Representative 135 Geographic Squadron

- We said goodbye tonight
   To a soldier whom I did not know
   He did his duty well
   But sadly he had to go
- 3 His short life was just that A soldier's ultimate commitment he gave This earth deserved him longer He sent too early to his grave
  - What comfort lies for those he left Never again to be by their side A gallery of happy memories And deservedly this Nation's pride
- He did not travel this far
   To leave behind family & friend
   He came to do his duty.
   He did not know it would be his
   end
- 4 He is one of many heroes
  Another poor young soldier
  For he is not alone
  No years left in which to grow
  older
- So farewell young soldier Whilst here you did just right I hope your life was not a waste Farewell young soldier, sleep tight

The Chaplain: 'Reflection'

Readings -

In Gratitude of Silence - By: Debbie Holick read by a pupil from Blenheim High School

Silent now the soldiers sleep, their tales long laid to rest."

I knew them not yet still I weep and place a poppy o'er my breast.

They were husbands, brothers, fathers, sons; so valiantly they fought.

On shores stained red, on hands and knees; it was our freedom that they sought.

Courageously they stood their ground, but freedom carries a cost.

Thousands of men were wounded, and countless lives were lost.

So, in gratitude of silence and all those who have served,

sleep now, you have earned it. Your peace is well deserved.

Remembrance Day - read by a pupil from Rosebery School

We wear a poppy
On Remembrance Day,
And at eleven
We stand and pray.
Wreaths are put
Upon a grave.
As we remember
Our soldiers brave.

Prayer for Peace - read by a pupil from Ewell Castle School

Let us know peace.
For as long as the moon shall rise,
For as long as the rivers shall flow,
For as long as the sun shall shine,
For as long as the grass shall grow,
Let us know peace.

The Lord's Prayer (all can join in):

Our Father, who art in heaven, hallowed be thy Name; thy kingdom come; thy will be done; on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation; but deliver us from evil. For "thine is the kingdom, the power, and the glory, for ever and ever. Amen.

#### Act of Commitment

The Chaplain says:

Let us pledge ourselves anew to the service of God and our fellow men, women and children: That we may help, encourage, and comfort others, and support those working for the relief of the needy and "for the peace and welfare of the nations.

### Response:

God of peace, we pledge ourselves to serve you and all people, in the cause of peace and reconciliation and for the relief of want and suffering. Guide us by your Spirit; give us wisdom; give us courage; give us hope and give us perseverance now and always. Amen

The National Anthem

God save our Gracious King!
Long live our noble King
God save the King
Send him victorious
Happy and glorious
Long to reign over us
God Save the King!

The Chaplain concludes the service:

Ever-living God, as we remember those whom you have gathered from the storm of war into the peace of your presence; may that same peace calm our fears, bring justice to all peoples and establish harmony among the nations. Amen.

End of Service

The Mayor, Councillor Clive Woodbridge, would like to thank all those who joined us in today's Service and hopes you will keep a special thought for those military personnel, past and present, who gave and continue to give their service for our country.

# Battle for Epsom School continues....

A new planning application has been submitted by land owners the **Aczel brothers** to **Epsom and Ewell Borough Council** to redevelop the **Kingswood House School** site. "Demolition of an existing building, relocation and reprovision of MUGA Sports pitch, and construction of new access and parking facilities for a SEND school".

The plan is to replace the 100 years old school for many with Special Educational Needs and Disability (SEND) in West Hill, Epsom, with a new 60 place school for children with "extreme special needs". Supporters of the existing school suspect the application is a ploy to develop all the land in the owners' possession into a housing estate. The new application relates to the built area and a further application is expected for a housing estate on the current adjacent playing fields. If the owners were granted both permissions but failed to proceed with the new school development the suspicion of The Kingswood school support group is that an application will be pursued in the future for housing throughout the whole land.

Kingswood House School is asking local people to object to the new school application by 21st November 2022. The application can be seen on the Epsom and Ewell BC website under reference 22/01653/FUL.

Kingswood House School is a thriving and vital part of the community that provides a first class education to over 240 local children and which is the only school in Epsom to be listed as an Asset of Community Value.

According to a report commissioned by the land owners "There are (SEND) places available across all year groups in the.... independent ....and.... public sector within Surrey.... and Epsom and Ewell and .....should any pupil from Kingswood House School require a place within (either sector) ... there will be a place available". **Alfredson York Associates Ltd**. The author of this report **Jonathan Powell** goes on to conclude in his report: "Given that Kingswood House School is not a special school and has no particular specialism that is not provided within the same catchment from which Kingswood House currently draws, the proposed development would not significantly alter the choice and availability of places."

**Dr Kugathasan Senduran** disagrees and commented: "Education provides us with the fundamental tools we require to live. Switching schools is more likely to demonstrate a wide array of negative behavioural and educational outcomes. If education collapses, everything does. You do not need an atomic bomb or a long-range missile only the collapse of education in a country to ruin it forever. I simply cannot believe the council is even considering their proposal of demolition of an existing building and interrupting children's education. I strenuously object their proposal." He is one of 30 objectors to date who have gone public on the Council portal.

Kingswood House School is holding a public meeting on the plans at the Main Hall, Stamford Green Primary School, KT19 8LU on Thursday 10th November at 7.00pm (doors open 6.40pm).

Although Kingswood House is a private school, it is a charity and any profit is reinvested into the school. By contrast, the proposed school, which is not backed by the Local Education Authority, would be run by a private operator (with profits going to shareholders) and "would not be aimed at local children", Kingswood School supporters say.

**Richard Laudy**, a Governor or Kingswood School, adds "There will be problems with access via West Hill Avenue, currently a tranquil street. At least two protected trees would need to be removed. The plans do not include enough space for drop-off, causing queues, overspill parking, and nuisance on local roads. The proposed new school only has 22 parking spaces. This will be insufficient for the specialist nature of the school."

Richard Evans, Chair of Governors at Kingswood House School, confirmed that the School had not been consulted over the plans and that: "...the School vehemently opposes the unacceptable plans and is working with local residents to defeat them. Kingswood House has been serving the local community for over 100 years and provides the unique offering of special needs and mainstream children developing alongside each other. Our school is a listed Asset of Community Value, which would be lost along with our playing fields if the landowners' plans went ahead. The proposal would also damage the tranquil character of Stamford Green Conservation Area, creating a chaotic new access on West Hill Avenue. We need local people to make their voices heard and object to this speculative and harmful proposal."

**Cllr. Steve Bridger**, Councillor for Stamford Ward, is aware of the application and has 'called it in' so it will be heard in front of the Planning Committee rather than decided by Council officers.

Public comments can be submitted via the Epsom & Ewell Borough Council planning applications website using the reference 22/01653/FUL, then clicking on 'Make a Comment'.

See Epsom and Ewell Times earlier reports:

Community Asset to be stripped?

Grayling stood up by developers....

## More cash for Ukraine refugee hosts

**Epsom Refugee Network** welcomes the promised increase in cash to those local residents who take into their homes individuals and families who have had to flee Ukraine. It is hoped the extra money will attract more hosts in an increasingly difficult situation. **Jo Sherring**, leader of the Epsom Refugee Network, told Epsom and Ewell Times: "As we launch an appeal for new sponsors in the area, we welcome the news of the increased thank you payments which we hope may encourage more families to consider offering a place of safety to a family fleeing Ukraine. We are also desperate to find sponsors for families who are already in the UK and are having to move on from their first sponsor and find a new host family. If you are thinking of hosting and have questions please, please get in touch". www.epsomrefugeenetwork.org

**Surrey County Council** and local district and borough councils who are managing the "**Homes for Ukraine**" scheme locally have agreed an additional thank you payment, to be paid monthly to host families from end of November 2022 to March 2023. This is acknowledging that the financial circumstances faced by host families in Surrey, who welcomed Ukrainians into their homes, will have changed from the time they agreed to host Ukrainian families to our current economic situation in the UK.

Currently, host families are paid £350 a month for being sponsors, this payment will be increased by £250 to £600 a month from end of November 2022. This is to compensate for the rise in energy, food and fuel bills in this cost-of-living crisis. This applies to existing hosts who are already in receipt of thank you payments, and new hosts who complete all the checks satisfactorily going forward. This funding comes from DLUHC (**Department for Levelling Up, Housing and Communities**) via the County Council to the district and borough councils to pay the sponsors directly once they have passed all the relevant housing, DBS (**Disclosure and Barring Service**) and safeguarding checks.

Surrey County Council leader **Cllr Tim Oliver** said "We are forever grateful for the unerring warm welcome and support that communities, charities, and district and boroughs continue to offer our Ukrainian guests here in Surrey. But in particular to those sponsor families who have opened their homes up to welcome Ukrainian families to live alongside them and their families. As if this sacrifice were not enough, we now need to ensure that they are not being penalised financially and can continue to offer support as sponsors in this current economic climate. Unfortunately, the conflict in Ukraine continues and so there is still a need for host families. SCC has taken the decision to increase the thank you payments after fears many people wouldn't be able to afford to extend their current six-month agreements as winter approaches and the cost-of-living bites."

Additional reporting from Surrey County Council news.

## **Emissions a taxing issue for Council**

Thursday 27th October's meeting of **Epsom and Ewell's Licensing Committee** was taxed by emission standards for the Town's black cabs. Over the summer the Council had circulated a draft hackney carriage and private hire vehicle and driver policy for consultation. One local response was "Black diesel cabs have the highest emissions of any vehicle and they regularly travel up and down my road polluting the air. The most common black cab models in London are polluting the streets with nitrogen oxide (NOX) emissions up to 30 times the level of personal petrol cars of the same age."

In London since 1 January 2018, taxis presented for licensing for the first time have needed to be Zero Emission Capable. This means having CO2 emissions of no more than 50g/km and a minimum 30 mile zero emission range. First-time taxi vehicle licences are no longer granted to diesel taxis. ZEC taxis with petrol engines need to meet the latest emissions standard (currently Euro 6). Transport for London offers £7500 payments to support taxi-drivers making these changes.

Cllr **Julie Morris** (LibDem College Ward) asked why the proposed new taxi policy could not require all new applications for hackney and private hire vehicle licences to be ULEZ compliant (ultra-low emission zone). Despite issues of emissions being raised during the consultation the draft policy had not specifically proposed such a requirement. The Council officer stated that 12 months would be required to undergo a legally necessary consultation. Ms Morris went on to claim that the Council was lacking in leadership over the climate emergency.

The draft policy requires new vehicle licence applications to comply with Euro 5 (the standard from 2011) rather than the London standard of Euro 6 (applicable to new vehicles from 2015). The officer explained that implementing London's higher standards would risk reducing the provision of black cabs in Epsom as the income of local black cab drivers was lower than their London

## counterparts.

The committee's chair Steven McCormick (RA Woodcote) indicated that he would work with officers and endeavour to achieve the required consultation and bring back a revision on emissions standards within 6 months. The committee approved the new policy to go for decision by the Full Council in due course.

The Local Government Association advises that consultations should last between 6 to 8 weeks and possibly shorter in urgent situations.

Click HERE for the full report to the committee - pages 11-138 re taxis.
