When a 2 goal defeat marks improvement

14 August 2024

Epsom and Ewell 0-2 Jersey Bulls. Combined Counties League – Premier Division South – Tuesday 13th August 2024.

Jersey Bulls are not the sort of team you want to face, having just been hit for five goals in our previous outing. However, we acquitted ourselves fairly well on the day and a two goal defeat, the second of which came quite late, was a lot better than I had feared it might be. An attendance counted at just 84 was a disappointing one, considering the opposition.

In terms of personnel, Callum Wilson and Carl Oblitey returned to the starting line up, although Craig Dundas remained absent and Thompson Adeyemi was also missing, while Reece Tierney's head injury ensured that he would not be available for selection either. Stefan Aiwone made his first start, while Kenny Antony was on the bench, but would join the fray later.

Our keeper Faebian Witter was in action early, diving low to his left to keep out a low free kick from James Sunlay and another shot went just over our crossbar as the visitors tried to assert themselves. They probably should have scored in the 18th minute but Fraser Barlow scuffed his shot wide from in front of goal. We had showed fairly little to this point, struggling to get the ball up to our front two, Oblitey and Will Kendall. However, Luke Miller took a long pass in his stride in the 25th minute and made tracks down the right, only for his ball across goal to be spooned over the bar by Oblitey from eighteen yards.

The visitors were doing more of the work, but we were keeping them mostly at arm's length. A free kick was sent into the wall by Barlow, before Sunray got down the right wing after some clever interplay, but there was no one on the end of his cross. They had a penalty shout in the 31st minute after Witter collided with a visiting player, but it looked ambitious and nothing was given. However, four minutes later they took the lead after a right wing cross was met at the far post by a header from Miguel Carvalho that Toby Young tried to keep out, but was unable to, with both he and the ball ending up in the net.

We had a decent chance in the 38th minute with a free kick. Adam Green's delivery was flapped at by the Jersey keeper Evan van der Vliet under pressure from Oblitey and the ball was nodded back to Kendall whose header entered the net, despite an attempt to block it with the hand of a defender. Just as we were wondering whether the defender would be penalised for the handball, it transpired that the Assistant's flag had already been raised for an offside against Oblitey and the chance was gone. Wilson then blocked a good effort just before the break and the teams went in separated by just the one goal.

The second half followed a similar pattern, although we did register a shot on target just after the hour mark when Fabio Nunes struck at goal from twenty-five yards, providing Van der Vliet with a comfortable save. Carlos Polo-Infante came on for Alex Kodjo but we never had the chance to see whether this would make a difference as in the 69th minute Young was sent off for a challenge on Carvalho that was extremely solid, but just a little high for the referee's liking.

The extra man enabled the visitors to attack with a little more freedom and in the 78th minute they had a second goal with a move that started on the right and was finished off from a narrow angle by Jonny Le Quesne. Although we had battled well to this point, Jersey did deserve that two goal lead and despite a late cameo from Antony, which included one mazy run, there was more chance that we would concede again and Aiwone did really well to block a shot from Lorne Bickley who had scored both goals against us when we last visited the island in September of last year.

Witter made a good block from a volley at goal from the subsequent half cleared corner and the final whistle blew soon after. Whilst always disappointing to lose, it was maybe no surprise that we would concede twice as this was our fourth meeting and Jersey have scored two goals in each of them. No one could argue that the better side had won, but from an Epsom point of view, this was a marked improvement on our Saturday shocker against Guildford City and although we face another difficult match on Saturday, a hard working shift is the minimum requirement expected by the supporters. I believe we got that in this match.

Epsom and Ewell 0-5 Guildford City. Combined Counties League – Premier Division South. Saturday 10th August 2024. On Tuesday our club acclaimed a “great” performance in defeating Step Four Phoenix Sports; a club that faced severe budget cuts and a new Manager who started eleven new players against us in the first tie, and who will surely struggle this season at that level. I wrote at the time that it had been a solid performance but nothing more. Fast forward four days and I was proven right as we threw in a shocker to open our League season as Guildford City; one of the few teams to finish below us last season, handed us a five goal lesson at King George’s Field and provided a reminder that no club in this League will give us anything unless we earn it in every single game.

We were missing Carl Oblitey, Callum Wilson and Craig Dundas from Tuesday’s win, with Kenny Antony coming back in to the starting line up and at the back Reece Tierney made his first start of the season, alongside new signing Axel Kodjo. Just 93 were present, despite the sunshine, to witness this display which was probably just as well! It was also disappointing to note that our club have now increased adult prices to £9 and as a result we now charge as much as anyone in this division and more than most, which I wish they had been open and honest about, instead of sneaking it under the radar and hoping no one would notice. When considering our finishing position of 16th last season, it’s hard to see the justification for this increase at a time when they should be trying to attract supporters. A lazy “double-issue” programme priced at £2.50 didn’t help either. In fifteen years as programme editor, I only ever did that over Bank Holidays when printers were closed and can confirm from much experience in this area that the excuses provided within the programme for doing this were bogus. If our new Editor wants some help or advice, he only has to drop me a line.

We had an opening warning as early as the sixth minute when Manny Acheampong was left in a lot of space on the right, requiring Faebian Witter to make a really good low save to deny him from only twelve yards. However, we didn’t heed the warning and five minutes later they worked their way down the left, dragging our players across and leaving Darnell Jon-Peter with an easy finish when the ball was sent over to him on the right.

This was frustrating, but there was plenty of time left to rectify matters if we could improve, and to be fair things did get better for a while. Luke Miller combined well with Thompson Adeyemi to set up Antony, only for our striker to miss his kick completely from the edge of the area. Antony redeemed himself by hitting the target with his next effort after some really clever skill from Ethan Nelson-Roberts, but visiting keeper Jacob Terry made a good block at the near post. Then Miller sent in a good delivery that was flicked on and punched out off a defender for a corner, from which the ball was half cleared to Will Kendall at an angle and on the edge of the area, but his powerful strike cleared the bar by about a foot.

It was looking as though we were quite likely to get back into this match, but in the 34th minute the game took a fatal turn as a cross in from the left was met with a close range header that Adam Green did really well to tip over the bar. The only problem was that Green was not our keeper and his inevitable red card, followed by Jake Brown’s penalty conversion, left us in a mess. Some might say that his actions were instinctive and I’d agree with that if he were our keeper! In fact, I’d say it was a worthwhile thing to do, had we been defending a narrow lead towards the end of the game, but at 1-0 down, the handball was inexcusable. Green will also now have to serve a one match suspension, which I believe will be our next F.A. Cup tie on Saturday.

In difficult situations like this, you often find out how your players will react, but nothing really happened by way attacking threat, with our only chance coming in the third minute of first half injury time when a great pass from Nelson-Roberts was chested down by Miller and he was through on goal from a slight angle, but Terry stood firm between the City posts and Miller uncharacteristically put his shot into the side netting from ten yards. Had it gone in, maybe it would have given us a chance of second half redemption, but instead we went in completely deflated.

Our Manager understandably made changes at the interval with Carlos Polo-Infante and Stefan Aiwone (called Hiwone by the club) coming on for Antony and Thompson Adeyemi respectively, but the visitors came out in confident mood against the ten men and extended their lead in the 50th minute with a strike that was at least twenty-five yards out and swerved viciously away from Witter who had no chance as it flew into the top corner. Even their keeper Terry said “he’ll never score another one like that again!” It was a wonderful strike, and nine minutes later there was another one of high quality, as Malachi Cole made it 4-0 when we were caught cold by a short free kick; the Guildford man cutting back and striking across Witter into the far corner from a narrow angle. It clearly wasn’t going to be our day today!

Things got worse still in the 67th minute after we again failed to react to a deep free kick to the far post that was put back across by Tobi Falodi with Young being unable to clear the ball off the line before it had crossed. However, the visitors X feed advised this as an own goal, so clearly it wasn’t quite as straightforward as I described. Either way though it was 0-5.

With fifteen minutes remaining Polo-Infante sent in a good cross from the right that was met by a bullet header from Kendall from just inside the penalty area that Terry reacted superbly to tip over the bar. This was a superb passage of football from both teams and we then saw Young’s header from the subsequent corner aim goalwards, only to hit teammate and debutant substitute Sean Omoigiade-Agun and rebound to safety!

Witter made two more good saves and we finished with nine men after Tierney suffered a head injury and had to leave the field in the 85th minute. Although the visitors then hit the post with a low shot in the 92nd minute, they were unable to breach our defences again and the referee helped us out here by only playing four minutes of injury time, despite there being closer to ten minutes expected in my opinion.

ISSN 2753-2771

So what positives can we take from this defeat? As you might expect, not many. Witter did as well as he could and from where I was, I don't believe he could have done any more with the goals. Kendall provided a threat on occasions, but the whole task was rendered impossible after Green's unnecessary red card. With very difficult looking home matches coming up against Jersey Bulls and Hayes & Yeading United in the next seven days, it will take a monumentally better performance than this one if we are to get anything out of either of those contests. If we do, then they truly will be "great" performances.

Epsom rose from the ashes of Phoenix defeat

14 August 2024

Phoenix Sports 1-3 Epsom and Ewell FC. Emirates F.A. Cup Extra-Preliminary Round Replay – Tuesday 6th August 2024.

Well this was a strange one! With just fifteen minutes remaining, we trailed Isthmian League Phoenix Sports and the match appeared to be petering out into a 1-0 defeat, but a Carl Oblitey flick on put Will Kendall through to equalise in the 77th minute and within eight minutes he had a hat trick as our opponents fell apart in the closing stages of our 3-1 F.A. Cup win!

On a warm summer's evening in front of just over 150 spectators, even though Phoenix advised it as a suspiciously low 108, we made two changes from the eleven that had started Saturday's goalless encounter, with Oblitey coming in up front for the absent Carlos Polo-Infante and Fabio Nunes taking the place of Kenny Antony who was on the bench. This required a slight change of formation with the two strikers up front, which personally, I am a fan of.

Despite this, the match started in similar circumstances to our first meeting, with the home side edging possession in the opening ten minutes before we grew into the match. Toby Young made an excellent early block, before Ethan Nelson-Roberts crossed in a low ball to Kendall, but his shot was straight at Rob Budd in the Phoenix goal. Then we probably should have taken the lead in the 15th minute when another great cross from Nelson-Roberts was met by the unmarked Kendall at the far post, but his header back across goal was inches wide of the far post!

The home side, who had a change of Management over the close season and had given eleven debuts on Saturday were forced into an early substitution, yet somewhat against the run of play they opened the scoring in the 23rd minute when a Jack Marney corner to the far post was met by an unmarked header from Marcus Travers into the top corner of the net from close range, giving Faebian Witter no chance. This was a little harsh on our boys, but the lead was nearly extended minutes later as a free kick just missed our far post. We then had a strange incident when Witter saved a low shot, only to get up and collide with Marney in the penalty area. Both players appeared unhappy with the collision, as was the referee who chose to book the pair of them.

Witter was out again to clear smartly, while at the other end Kendall's header was on target, but was penalised for pushing. At the half, it had been a fairly even match to this stage. Clearly though our Manager Warren Burton wasn't happy and you could hear him tearing into our players at the break even from outside the dressing room!

Whether this had any effect on the players is hard to say though, as the pattern of the game didn't really change in the second half. Young set Luke Miller off down the right and his cut in and low shot was gathered by Budd at the second attempt, while Oblitey's strike from twenty yards didn't trouble him either. Maybe it was because we were behind, but it was clear that we were doing a bit more of the work as the ball started to spend more time in the Phoenix half. On the hour Kendall went up for a floated cross from Miller, although a subsequent clash of heads appeared to be accidental, and the foul awarded against Kendall seemed harsh from where I was standing.

In the 69th minute we withdrew Craig Dundas and brought Reece Tierney on at the back, which enabled Adam Green to move into the hole vacated by the former Sutton legend, but time was beginning to run out on our cup adventure. Then out of nowhere, it all changed. Kendall drilled the ball past Budd as described above and we were level out of nowhere. Within six minutes Miller cut in from the right and went down under a defender's challenge. Our winger had gone down theatrically in the first half in similar circumstances, so I wasn't expecting anything here but after a little thought, the referee awarded the penalty. It was a soft one, but we've had them awarded against us often enough before! Kendall put the ball into the top corner in the 83rd minute to give us the lead.

Whilst Budd might not have had a chance with the penalty, he will be the first to admit that our third goal was his fault as a long ball was sent forward and maybe distracted by both Kendall and a defender, he missed his clearance completely,

ISSN 2753-2771

leaving Kendall the empty net from eighteen yards in the 85th minute. It might take me some time to find out whether a hat trick in just eight minutes sets any sort of club record, but in that short time the result changed completely and we saw the game out with no further alarms.

So what actually happened here? I can only think of one similar turnaround like this in recent years, which was our very late 3-2 win over Larkfield & New Hythe back in 2021. Maybe we were fitter than the opposition and it told in the closing stages? Certainly this was something Burton was very keen on focussing on when he took over back in January, although there were no signs of a lack of fitness from Phoenix on Saturday. Maybe it was the substitution of Tierney for Dundas, but sometimes it's hard to put your finger on why we suddenly took over. Either way, we knocked out an Isthmian League club for the second successive year and won £1,125 as a result. It is now Isthmian League Hayes and Yeading United who stand in our way of a further £1,444 in prize money and we will host them at King George's Field on Saturday 17th August.

Epsom replay rise from the ashes hoped for

14 August 2024

Epsom & Ewell 0-0 Phoenix Sports. Emirates F.A. Cup Extra-Preliminary Round. Saturday 3rd August 2024.

Our first competitive match at the ninth official "home" ground in club history took place as we took the field at Corinthian-Casuals' King George's Field against Isthmian League Phoenix Sports in the opening round of the F.A. Cup and the contest ended in a largely uneventful goalless draw, with both teams appearing content to hold out for a replay as time ticked down in front of a fairly healthy crowd of 148.

As befits any new match of the season, there were a number of players making their debut, although less than in recent years as Manager Warren Burton chose to retain quite a few from last season. Grabbing all the headlines though was Sutton United Hall of Fame member Craig Dundas, who made his competitive bow in Epsom colours at the age of 43. A few years ago we had 40 year old Jamie Byatt making his debut for the club and I wrote at the time that he would probably be the last player to play for this club who was born before I started watching Epsom and Ewell in 1981. However, since that day we have seen Paul Springett, Reggie Savage and now Dundas who fit into that category with surely the former Sutton man becoming the last. For those who like their stats, our former Manager Ray Purvis holds the record as the oldest player to represent the club at the age of 47 years and 29 days when he took the field at Clapton on 30th April 2005.

Anyway, back to the match! Four players took the field for the first time in defender Toby Young, Dundas, Carlos Polo-Infante and Kenny Antony, with Fabian Nunes joining the action later in the day. Chances were few and far between, although we had an early concern when our keeper Faebian Witter had to come out of his area to clear and conceded a free kick just outside. Fortunately the strike deflected off our wall and away for a fruitless corner. The opening fifteen minutes were slightly more in our opponents favour as they attacked mainly down the left and Young picked up a fairly early yellow card for a foul, although he was then clattered into a few minutes later, earning the Phoenix number 3 a yellow of his own.

The game became more even after this, although not a lot was happening in either penalty area. Our best opportunity of the half came with a cross from Ethan Nelson-Roberts that was a little off target and required a catch on the line from the Phoenix keeper or we might have had a fortuitous opener. Back came the visitors though and a shot from the left was well blocked by a defender before Witter had to get down well to make a good save with his left hand. Nelson-Roberts then picked up a card on the advices of the referee's assistant and we went in at the break as we had started.

The second half continued in a similar pattern and Phoenix nearly scored with a volley in the 55th minute after a free kick was only headed out as far as the waiting player. Fortunately for us, the well-struck effort from just inside the penalty area cleared our bar, but only just. Luke Miller then created something out of nothing as he controlled a deep ball across the field, just keeping it in play, before running at a defender and crossing into the danger area, although his low ball in was a little too close to the keeper who claimed the ball.

Moments later we had our best chance of the match after a wayward keeper clearance left us with an opportunity. Will Kendall closed the keeper down and the loose ball fell to Polo-Infante, but with a fairly vacant net ahead of him from eighteen yards, he couldn't keep his shot down. Nunes replaced him shortly after this. Then Miller went down in the area between two defenders, but there was never enough there to award a penalty and the game continued to meander. Kendall was tripped on an attack and everyone appeared to stop, expecting a free kick which wasn't given and the

© 2021-2026. No content may be copied without the permission of Epsom and Ewell Times Ltd. Registered office: Upper Chambers, 7 Waterloo Road, Epsom KT19 8AY

ISSN 2753-2771

opposition broke away at goal. However, Young got over well to make the saving challenge.

As the time started to run out Young was just over the bar with a looping header from Adam Green's corner, while Miller was off target with two tries, although not by that much in either case, particularly the latter effort which almost shaved the far post from an angled shot. Both teams seemed happy enough to take a replay by the end of the match and as a result we will make our first ever appearance at Mayplace Lane, near Dartford on Tuesday evening, which means that our League game at Alton will be moved back. It would have been moved anyway though as Alton also drew in their cup tie.

Looking back at this match, there were quite a few similarities with our goalless cup draw twelve months ago against Met Police. Both they and Phoenix finished in sixteenth position in their respective Isthmian divisions last season and of course, we went on to win that away replay by two goals to nil. I wonder if we can repeat that feat on Tuesday evening!

James Redfarn adds:

Epsom and Ewell FC new signing Article

The Epsom and Ewell Football club have pulled off an exciting new signing for the 24/25 season, acquiring the skills and talents of the football veteran Craig Dundas. This player is well known for his immensely impressive tenure at Sutton United, having played over 500 games and scored over 100 goals; Dundas has rightly earned the moniker of Sutton united legend.

At the impressive age of 40, Dundas became one of the oldest players to make a debut in the English Football League. EFL statisticians have proclaimed Dundas to be the oldest debutant since World War Two.

Now at the age of 43, his signature to the Salts is a coup for Epsom and Ewell, adding a wealth of experience and leadership to Warren Burton's squad. Dundas is expected to deliver not only in terms of skill and composure on the field but also by offering his invaluable experience and guidance to younger teammates.

In addition to his role as a player, Dundas will serve as a player-coach, a dual role that promises to have a significant impact both on and off the pitch. His presence is anticipated to bolster the team's performance, offering strategic insights and enhancing team dynamics.

There could be exciting times ahead for Epsom and Ewell FC, and the Dundas effect will hopefully be in full force for the rapidly approaching season.

One flat season in Epsom ends as another begins

14 August 2024

Our season concluded in appropriate fashion on Saturday as we laboured to a 1-1 draw against Guildford City at the Spectrum.

Five days prior to this match, Tadley Calleva's win over Colliers Wood United ensured that our two recent wins over Fleet Town and Abbey Rangers had given us enough points to secure our safety, although for some reason our club never made the effort to inform our "Dear supporters" (as they recently called them) of this fact. Either way, Salts players and supporters alike were able to relax a little going into this contest, and I have to say it showed, as we started well but tailed off. Throw in the usual defensive error that confirmed we have to wait until at least August 2024 before we can record our first clean sheet of the calendar year and it meant that the point was enough for our hosts to be certain of confirming their own safety, although as it turned out, results elsewhere meant that they would have survived even had they lost.

We went into this match chasing a third straight win, which would have been the first time all season we had managed this, but it's hard to know how bothered we were about it. Our Manager Warren Burton was absent and we only named thirteen players in our line up; one of whom, Jaevon Dyer, only arrived ten minutes before kick off. There may have been some valid reasons for the absences and delays, but the question has to be asked about how many players we would have been able to name, if we had still required any points from this match.

Our regular supporters were there in decent numbers, including the returning Alex McKay Senior who appears on the mend after being away for much of 2024. The home side were also well supported at the Spectrum, leading to an attendance of 151 and a well-stocked viewing area on what is realistically the only real open side of the ground.

© 2021-2026. No content may be copied without the permission of Epsom and Ewell Times Ltd. Registered office: Upper Chambers, 7 Waterloo Road, Epsom KT19 8AY

ISSN 2753-2771

We had the first opportunity of the match in the sixth minute when a square ball from Thompson Adeyemi reached Sirak Negassi on the edge of the penalty area, but the ball bobbled on him and he skied it well over the bar. Our Captain Ethan Nelson-Roberts was flattened by a late challenge that ought to have earned a yellow card, but didn't, before Zach Ingham-Wright saw his strike on goal tipped over the bar by Adam Longman. However, Negassi then received a similar opportunity to his previous one in the 16th minute when an Adam Green corner missed everyone at the near post and found our winger, who curled the ball first time into the far corner of the goal to put us ahead. Negassi has been unfortunate in my opinion to find himself as a substitute so often, and his 21 appearances (from 48 matches) from the bench are the second most in club history, trailing only Dale Marvell's 22 in 2000/01 (from 56 matches) and he turned out to be a very good player!

We may have had a poor season, but it has been our opponents that have been in the worst form of all teams with only eight points collected since the end of September. The only way that they could have gone down was with a four goal defeat here and a Colliers Wood United win against Sheerwater, so it was always an unlikely outcome, but our early goal may well have caused a bit of concern within the home support at that point. However, what we didn't realise was that we had already seen the sum total of our attacking threat for the day. Guildford picked up their level and started to threaten.

The big battle going on was between Reece Tierney and Guildford City's Ben Mitchell and Tierney was lucky to escape without a card of any colour after bringing him down just as he appeared to break through on goal, albeit some 45 yards out. In the course of a normal match I'm sure he would have picked up a yellow card for this, but the referee clearly didn't want to hand any out and he escaped with a warning.

We had a half-chance on the thirty minute mark when Negassi's left wing cross was met by a low header by Carl Oblitey, but Longman kept it out fairly comfortably and in fact things were much more precarious at the other end as a close range header clipped our cross bar, only for a corner to be awarded, much to the dismay of our keeper Dan O'Donovan. The corner then struck the frame of the goal before being fed to the far post where our keeper had to be down quickly to turn a low shot around his post, but from the next corner, another Guildford header smacked against our bar again before being headed up in the air by Ayran Kugathas and into the arms of O'Donovan for a lucky escape.

The second half started with a couple of substitutes for the home team and a third would follow soon after. Negassi struck a corner at goal on the volley, but the contact wasn't quite right and the ball dribbled through to Longman. However, the second half belonged mostly to the team that needed the points more and a far post header by James Glover from a corner was only just wide.

A Luke Miller strike went harmlessly past the post, but Guildford were looking the more likely to score and in the 72nd minute that's what happened, although in typical Epsom and Ewell style, we were the authors of our own misfortune as Tierney went to head a goal kick back up the field, only for the ball to fly backwards off his head and into the path of Mitchell. Nelson-Roberts tried to close him down, but the damage was done and he clipped the ball over the advancing O'Donovan from eight yards for the equaliser. We had another scare in the closing moments as a long ball nearly bounced straight over O'Donovan. Fortunately, he got a slight hand to the ball and Tierney was just able to get the ball clear of the menacing Mitchell, who certainly looked as though he should be playing for a team higher up the League.

We just had time in the 89th minute to see our substitute keeper Toby Colwell come on as an outfield player. Whilst it was a novelty to see and a reward for Colwell's loyalty; sitting on the bench for most of the year, it highlighted the dysfunctional nature of our season which started so poorly under James Scott, before we recovered under Steve Springett to a position of relative safety, only for Warren Burton and Gwynne Berry to take over in January and record just four wins. We close the chapter on 2023/24 in a rather surprising 16th place, which was higher than we had been at any time since August, although it really just provides an indication of how poor the bottom five clubs have been this season! It is assumed that our Management team will be back for next term, which would be the first time for three years and it will be interesting to see what new faces appear, as I'll be honest, we need quite a few if we are not to endure another difficult season; one where it must be remembered, two clubs will be relegated, not just one.

Epsom & Ewell: Dan O'Donovan, Ethan Brazier, Ethan Nelson-Roberts (c), Adam Green, Reece Tierney, Ayran Kugathas, Luke Miller, Thompson Adeyemi, Carl Oblitey, Zach Ingham-Wright, Sirak Negassi

Epsom and Ewell FC escaping relegation zone?

14 August 2024

Epsom & Ewell FC 2-1 Abbey Rangers. Combined Counties League – Premier Division. Saturday 20th April 2024.

A 2-1 victory over Abbey Rangers marked the end of our brief tenure at the Reg Madgwick Stadium on Saturday and at the same time gained a measure of revenge over our opponents after we lost by the same scoreline over there in November. This win also ended any mathematical hopes they had of reaching the playoffs.

ISSN 2753-2771

After our superb win over Fleet Town on Tuesday, I felt that this match was a bit of a “freebie” as a Salts win over Guildford City in our final match would have guaranteed safety anyway. However, this result means that we now only require a draw to confirm our survival, and by the time we take the field at the Spectrum next week, it’s even possible that other results may have assured our safety. Indeed, had Sheerwater not secured a last minute winner over Cobham this same afternoon, we would be celebrating already!

Maybe unsurprisingly we made only the one change to our line up with Carl Oblitey coming in for the absent Nick Wilson and we stuck with the recent formation of playing three at the back, which was a brave policy playing against a solid and physical Abbey team, but by and large it worked.

Chances were few and far between in the opening exchanges. Jaevon Dyer shot at goal from 20 yards, but it was a fairly easy save for Sam Grey in the Abbey goal. At the other end Dan O’Donovan had one excursion out of his area to clear a break, but we were soon back on the attack and a great pass from Ethan Nelson-Roberts set Will Kendall down the left, although his first time low cross was just out of reach of the incoming Oblitey.

Our opponents probably had more of the ball than we did in the opening half, but we looked solid at the back as they rarely threatened, apart from a decent move on the left that ended with a strike at goal from George Frith that was headed away from goal by Reece Tierney. You could tell from Frith’s reaction that he knew the shot was on target, yet within a minute we were the team celebrating after a pass came in from the left towards Oblitey, but before he had a chance to control it, a defender knocked it away, but only into the path of Will Kendall, and although he was at quite an acute angle on our left, his powerful shot from 12 yards went across Grey and into the net off the far post to give us a 36th minute lead.

In response O’Donovan was alert to punch a delivery clear, while at the other end Kendall fell in the penalty area after a coming together between him and Dale Burnham, but nothing was given, which I think was the right call. Then in injury time a break on the right wing resulted in the ball being swept across goal, but fortunately Ross Murdoch, who had scored a hat trick at Camberley a week previously, skied the chance from a good position. Moments later we had a rather generous free kick on the edge of the area, but Adam Green hit the delivery into the defensive wall. We went in at the break a goal ahead.

It was hard to say that we really deserved to be ahead at the break, but we were certainly as dangerous as our playoff chasing opponents and we fashioned a few chances during the second half too. Oblitey saw his long strike deflected, which took all the power off it, while next to try his luck was Green with a free kick from thirty yards after Luke Taylor was fouled, but the shot went just over the bar. Burnham became the second Abbey player in the book for the foul, joining his team mate, former Salt Daryl Cooper-Smith in the first half, but in the 55th minute Dyer collected the ball out on the left and then sent in a superb strike towards the top corner, only for Grey to produce a stunning save to keep his side in the match.

His reward for this great save was precisely nothing as we extended our lead six minutes later when a delivery in from the left was headed out by a defender under pressure from Kendall only for it to fall to Miller, who cut onto his left foot and thumped the ball into the top corner with his so called weaker left foot from 18 yards. It was a goal deserving of winning any match and at 2-0 it certainly looked as though we would be picking up another three points here. However, we received a reminder of our situation just three minutes later when a ball in over our defence was collected and finished past O’Donovan by Ferrey Danso to reduce the scoreline. The goal means that we haven’t kept a clean sheet since our goalless draw on 16th December at Colliers Wood United!

At 2-1 up things were a little nervy for a while. Brazier picked up a yellow card for a late foul out on the touchline as we started to get pushed back a little. A tactical substitution was made with Jerry Antwi coming on at the back for Taylor as we reverted to four at the back and we started to look a bit more comfortable again. In fact we nearly scored a third goal in the final minute of normal time when Miller attempted to replicate his earlier strike, but this time he cleared the bar by about a foot.

As time started to run out the visitors pushed forward in the hope of an equaliser and won a free kick right on the edge of our penalty area, but it was deflected wide from a corner, only for O’Donovan to drop the fairly easy catch from the subsequent set piece which led to a little bit of panic in the six yard box before the ball was cleared. Finally, after around seven minutes injury time, which was about the right amount, the final whistle blew and Salts fans could relax again.

It’s been a horrible season, but whilst we are not completely safe just yet, the odds are a lot more in our favour than they were seven days ago! One more match remains. See you at the Spectrum!

Epsom & Ewell FC 4-1 Fleet Town. Combined Counties League – Premier Division. Tuesday 16th April 2024.

After just two wins under his tenure to this point, our Manager Warren Burton was able to celebrate his 48th birthday with a third victory as we won this rearranged League match 4-1 against Fleet Town. In fact it could be argued that this was the most impressive of his three, quite probably better than our 6-2 win over a lacklustre Sandhurst Town side in March, as this win came against a better team and we had to come from behind to do it too!

The win must have been particularly tough on the visiting supporters who had been 3-1 up on Saturday and had probably already added the three points to the League table to close on the playoff pack, only to see one of their players badly injured and the match subsequently abandoned, and then to face a second trip up from Hampshire in four days before being heavily beaten; a win that ends any faint playoff hopes they may have had.

We made three changes to the line up from Saturday's match with Nick Wilson and Jaevon Dyer coming back into the starting line up and they were joined by Thompson Adeyemi who was originally due to be on the bench, but got the call up after Carl Oblitey was late arriving for the match and had to be content with a place on the bench. Tijani Eshilokun and Matt McGillivray were absent for this one.

We got off to an awful start on Saturday when we conceded in the eighth minute, but this time we were behind even earlier as a harmless looking ball came over towards Wilson in the sixth minute, but somehow the ball got tangled up in his feet and then fell for the opposition's leading scorer Dan Bone who scored twice on Saturday and then added another with a low drive past Dan O'Donovan from twelve yards.

The teams seemed to be following Saturday's script as we equalised soon after with a nice passing move that went from left to right where Ethan Brazier went forward before feeding Luke Miller whose low right wing cross was met at the near post by Will Kendall from just six yards out to give Filip Chalupniczak no chance with a left foot strike in the twelfth minute.

Kendall was unlucky to see his low strike deflected into the side netting before another Kendall header from a Miller delivery was only half blocked by Chalupniczak with Dyer knocking in the loose ball from close range, only to see the offside flag raised against Kendall. Kendall looked to be linking with his team mates much better in this game and it was good to see Dyer looking much more like the flying threat we had seen so frequently last season. In short, even with Oblitey by now sitting on the bench, we actually looked like we posed an attacking threat, which you couldn't often say about our team this season.

It was around the half hour mark in the original match that we started to get pushed back, but that didn't really happen here. In fact we looked the more likely to score as the half concluded and had a great chance when Kendall supplied a superb reverse pass into the path of Dyer, but just as he went to round the keeper, he stumbled over the ball and allowed Chalupniczak to claim the ball. This was a massive chance and when O'Donovan tried to see a ball out for a goal kick but got caught out, nearly leading to a goal for the visitors, it made you wonder if we had missed our chance. We went in at the break level at a goal each.

We continued on the front foot in the second half and Dyer sent a curling shot just beyond the far post after Adeyemi's set up. We've not had a vast amount of luck this year and just when I was thinking it would be great to get some here, that's exactly what happened, when in the 51st minute a deep left wing cross forced Bradley Pegg to turn back to defend it, only for him to knock the ball into his own net under pressure from Kendall from eight yards out. The ball could have gone anywhere, but squirmed into the corner of the Fleet net!

We had the lead which was crucial, as I was concerned about the idea of us trying to see the match out for a draw, but could we hold on to it? As you would expect, Fleet came back at us and a far post header by Argjend Ahmetaj was just wide but we were soon back on the attack and Kendall wasn't able to keep his header on target from Adeyemi's superb left wing cross. However, any concerns about the miss were forgotten soon after and we extended our lead on the hour mark. Miller set the ball back to Brazier, whose cross from out wide looked like it was just going to hang in the air for an easy catch, but Adeyemi had other ideas and out jumped Chalupniczak, heading the ball up in the air. It seemed to hang in slow motion before coming down off the bar, but fortunately Kendall was first to reach it and he smashed the ball into the roof of the net from just six yards out to make the score 3-1.

Relief was evident across the ground and we continued to take the game to our opponents who then began to self-destruct when Dan Bone was sent to the sin-bin after believing that he had been fouled. During that time we had further chances with Reece Tierney's header being blocked, while Wilson was just wide from 35 yards and Taylor forced a low save at the near post. For such an important match, it was unusual to feel so relaxed, particularly this season, but we were under relatively little pressure.

Although O'Donovan picked up a yellow card for a bit of time wasting, the visitors were chasing shadows as we passed the ball around like a training session and even when they returned to eleven men we remained the better side. Oblitey came on for Dyer and he was in the action soon after, with a low shot smacking Chalupniczak's right hand post and rebounding to safety, but by this time Matt Sirmon had become the second visiting player to visit the sin-bin and this left them down to ten for the remainder of the match, during which we scored a fourth goal. It was the 96th minute when the ball came in from the left and was then passed to Miller who feigned to shoot on two occasions, completely tricking the defenders before slotting past the keeper from close range to complete the scoring.

It would take a brave person to say that they saw this performance or result coming after Saturday's abandonment and our recent displays, but it obviously gives us a huge lift in our relegation battle and it has to be said that if we had played like this more frequently, we wouldn't be in the position we have been in. It was certainly very good timing to produce our best ninety minutes of the calendar year and maybe our Manager should have birthdays more often!

Epsom & Ewell FC 1-3 Fleet Town. ABANDONED AFTER 55 MINUTES. Combined Counties League – Premier Division. Saturday 13th April 2024.

An attendance of around 80 people gathered at the Madgwick to watch our penultimate League match at the ground before we move on to Corinthian Casuals for next season. However, it didn't work out quite like that as the contest was abandoned in the 55th minute following a nasty injury to young Fleet defender Ed Scott and the fixture will now have to be rearranged back at the Madgwick, with Thursday 25th April looking to be the most likely date, due to our opponents currently having matches scheduled for both remaining Tuesdays. Please note that this is only speculation on my part and confirmation will follow in the near future.

Those present on a sunny day (but one which had brought swarms of flies out behind the far goal where we were standing) witnessed an hour of football that summed up our season really as we looked quite threatening in patches, only to part like the Red Sea at others and we were 3-1 down at the time of the abandonment.

We had a number of changes to the line up from the loss against Spelthorne Sports as Thompson Adeyemi, Jaevon Dyer and Callum Wilson were all unavailable. Worse still, Wilson confirmed that he is done for the season following a dislocated thumb. However, it wasn't all bad news as Carl Oblitey returned from injury up front while Tijani Eshilokun was also back in the line up alongside Luke Taylor who made his first start for our club. Also back from injury was Ethan Brazier who relegated Ayran Kugathas to the bench and was arguably our best player on the day, making a number of marauding runs.

Now, I'm not a fan of playing three at the back, as regular readers will be aware. We started the season with that formation and we have recently tried it towards the end of recent defeats to Balham and Horley Town. However, this time we started with the three and on this occasion, I could see why. Clearly the plan is now to try and outscore teams in the knowledge that we do not do clean sheets any more!

It is sound logic based on the fact that we are now nineteen matches without a clean sheet, and this formation did enable us to play Oblitey up front alongside Will Kendall, which was a bit of a throwback, although it will only work if enough service is provided to our front two. It nearly paid dividends with just 32 seconds on the clock as Ethan Nelson-Roberts made tracks down the left and sent over a low ball, but it was just too far ahead of Kendall who couldn't wrap his leg around the ball enough at the far post to keep the shot on target.

The opening minutes looked quite promising for Salts fans until a hopeful punt upfield from the visitors left our keeper Dan O'Donovan and our retreating defender Matt McGillivray uncertain of who should claim the ball on the edge of the area and while they dithered, Dan Bone nipped in to poke the ball away from both of them and roll the ball into the empty net in just the eighth minute.

This was horrible, but we were back on level terms just three minutes later after Eshilokun fed the overlapping Brazier on the right wing and his pinpoint cross enabled Oblitey to score with a diving header into the bottom corner of the goal from six yards out. Luke Miller was next to deliver a dangerous right wing cross but it was punched away by Fleet's keeper Filip Chalupniczak. It was a fairly even contest to this point, but then we started to get pushed back by our opponents. McGillivray was forced into conceding a yellow card to stop an attacker breaking through.

We then had an extremely odd and contentious issue in the 24th minute. Chalupniczak made a routine catch and went to drop kick it clear, only for it to hit Oblitey on his back, just outside the penalty area and rebound straight into the net! It was surely a lucky break for us, but no! The referee consulted with his Assistant before then disallowing the goal and awarding a free kick against our man. This appeared extremely harsh, but having seen the video from our excellent Videographer Gary Jarman, you can see Oblitey jumping to block, even though his back was turned. On many occasions, the goal would still have stood, and I believe it should have still counted, but I can at least understand why it might have been disallowed. You'll have to draw your own conclusions as to whether Oblitey really did enough wrong here!

The setback gave us momentum for a while and Miller sent a ball in that was just turned away from Eshilokun at the far

ISSN 2753-2771

post, but on the break Fleet struck a shot just beyond our own post and from this point until the end of the half you could see us being pushed back. Brazier had to head an effort off our own goal line but in the 39th minute they went ahead through the ill-fated Scott with an unmarked near post header from a corner that was a carbon copy of one we conceded recently at home to Horley.

We nearly equalised in the second minute of injury time after Nelson-Roberts did really well to reach the touchline just a few yards out and pulled the ball back for Adam Green to side foot it towards the goal. It took a slight deflection on the way, but even so, it was somehow clutched right on the line by Chalupniczak and we went in at the break a goal behind, but not yet out of the match. However, the writing was on the wall within two minutes of the second half after a long throw was flicked on and then volleyed in from about ten yards by Bone to make it 3-1 which left us facing a mountain to climb.

However, the game took an unfortunate twist in the 55th minute when Nelson-Roberts threatened to break through on the left, but was then brought down by a high and very clumsy looking tackle from Scott, which left the offender in a heap in the floor. It was immediately clear that he was badly injured and all those in the ground knew there would be the possibility of an abandonment, as happened to us eighteen months previously when Andy “Woody” Hall was injured in a goalless draw at Forest Row. Looking back at the incident itself, it’s possible that one of Scott’s feet got caught in or on the artificial surface, which was why the original challenge looked so awkward as he looked off balance when he made it. Either way, this became the second Combined Counties League match to be abandoned at the Madgwick since the artificial surface was installed back in August after an injury curtailed the Cobham v Abbey Rangers fixture back in the Autumn of 2023. We obviously wish Ed Scott well for the future and hope he is back playing the game he loves as soon as possible.

From a personal point of view, the Forest Row match I referred to was abandoned with the score level at 0-0 and we went on to win the replayed contest 2-0 which, although we didn’t know it at the time eventually gave us the pivotal second place finish and subsequent home advantage in the Southern Combination League playoffs last season. I wonder whether this replayed fixture turns out to be as significant. A new date for Fleet’s re-visit will be advised as soon as possible.

Epsom & Ewell FC losing at the bottom

14 August 2024

Epsom & Ewell FC 1-2 Spelthorne Sports Combined Counties League – Premier Division. Saturday 2nd April 2024.

On a miserable night for football at the Madgwick in front of just 43 spectators, our season took a serious turn for the worse as we led fellow strugglers Spelthorne Sports at the half, only to get pushed back further and further before conceding twice to lose 2-1 with almost everyone in the ground thinking that they could see it coming.

This was a particularly disappointing second half performance and if I’m honest, our opponents had most of the ball in the first half too, but we had some chances and took one of them. However, they fought back, inspired by constant cajoling from the bench and frequent substitutions, while we remained mute and kept the same eleven on the field, despite looking desperate for fresh legs from the hour mark onwards.

Before the kick off our programme notes heralded the arrival of three players, yet one of them, Kevin Turbi wasn’t even in the line up! We did hand a start to Will Kendall, late of Redhill, Abbey Rangers and Merstham, while Luke Taylor from Sheerwater also came on late in the day. our opponents had former Salts Ade Batula and Tommy Williams on their registration list, but neither were on the team sheet for this encounter.

We started brightly but without forcing a save from Bob Honey, brother of Shay who had been in goal against us in the return match before joining us briefly; surely the only time in club history that we had faced two goalkeeping brothers in our two matches against the same club! Spelthorne were first to register a shot on target but Dan O’Donovan was alert at the near post to stop the shot from an angle.

There was very little going on in terms of goal threat but we had a real opportunity in the 24th minute when a high and deep cross from Luke Miller was not gathered by Honey, with the ball falling just behind Kendall who was unable to adjust to get any power on it from just a few yards out. Fifteen minutes later we took the lead from our best move of the match as Miller floated in another delivery to the far post where Thompson Adeyemi cushioned the ball back to Kendall who knocked the ball in for his first goal for our club from just five yards out.

Moments later we should have had a second goal after Miller’s ball in was sent over the bar by the incoming Adeyemi from just eight yards out. We didn’t realise it at the time, but this would prove to be our final real chance of the match. We went in at the half with the lead, although it was a precarious one and there was still a lot of work to do if we were to get

© 2021-2026. No content may be copied without the permission of Epsom and Ewell Times Ltd. Registered office: Upper Chambers, 7 Waterloo Road, Epsom KT19 8AY

ISSN 2753-2771

the points.

The visitors started the stronger of the teams in the second half and somehow sent a header across goal from four yards when it was easier to score. We were struggling to get the ball out of our half and another good chance was clipped just wide of our far post from a good position on the hour. Maybe it would be our day after all.

But it was clear for all to see that we were tiring. The supply was not reaching Miller any more and Jaevon Dyer on the left wasn't creating a threat. Yet we made no changes and almost appeared to hope that we would get away with it. That hope ran out in the 74th minute when a deep ball in from the right was knocked back across goal where Andrew Juett was waiting to force the ball in from close range. An inspired Spelthorne team kept pushing and scored again eight minutes later when a ball in from the left found Zach Scott just inside the penalty area and he guided his low shot into the far bottom corner past O'Donovan to give them a lead they would not relinquish.

Dyer was unfortunate not to see his powerful shot clear the bar by inches from twenty yards, but it would prove to be his final input. After going for 86 minutes with no substitutions, we then made four all at once, including Dyer, but it was far too late for them to make an impact and apart from a couple of dangerous looking corners from Adam Green the whistle blew shortly afterwards to confirm our fate.

I should make it clear that our players worked hard all night, but we were lacking in direction, both on and off the field and it looks to our supporters as though we are unable to see matches out on the rare occasions that we get a lead. This needs to change quickly. We are quiet and desperately needed a Zach Powell, or dare I say it, an Alex Penfold, who might have been able to raise the intensity of our game.

I rated our chances of relegation as "slim" going into this match, despite recent form, but that now needs to be updated to "entirely possible" after this contest, as it is looking more and more likely that our survival can only happen because the two teams currently below us fail to win sufficient points to overhaul us. This is a concerning time for our club and we now need to pick up some more points against much tougher opponents in Fleet Town and Abbey Rangers before our season ends at Guildford City. We do at least have eleven more days before those fixtures to try and sort this out, but confidence and belief need to change radically and this needs to come from our Management who might want to take a leaf out of the Spelthorne book for advice.

Generous in defeat

14 August 2024

Epsom & Ewell FC 1-4 Horley Town. Combined Counties League – Premier Division. Saturday 23rd March 2024

A strange contest took place at the Madgwick on Saturday as we hosted Horley Town in our latest League match. We created most of the chances over the ninety minutes, yet didn't take them and our opponents took full advantage of our generosity to win the match 4-1.

We fielded our sixth goalkeeper in just ten matches as Faebian Witter had been injured recently and with former keeper Shay Honey already departed for Staines & Lammas, Dan O'Donovan came in between the posts, although he was advertised as David! It never fails to amaze me how our club continues to get our player names wrong so often and wonder what sort of message this sends out to them. In other changes it was good to see the return of Carl Oblitey up front, as he provides us with a greater attacking threat; something we were sorely lacking at Balham in our last match. At the back, we also saw the return of Reece Tierney and Callum Wilson, although the absence of Ayran Kugathas meant that Nick Wilson had to play in the right back position, although he was restored to the Captain's position once again, while Matt McGillivray moved into midfield. Zach Ingham-Wright and Tijani Eshilokun moved to the bench, although the latter would join the action in the second half.

There was a minute's silence before the match for former Banstead Athletic Chairman Terry Molloy, who passed away this week. Our club had an awkward relationship in our time there as tenants from 1993-2010, so it was a little surprising to see us hold a tribute, particularly when our club elected not to do so for recently departed prolific strikers Gerry O'Rourke and Ben Forey. Not that anyone knew at the time exactly who the silence was for, as it wasn't announced by the club and I had to ask an official.

We opened up fairly brightly and an early Luke Miller ball into the danger area was just ahead of Thompson Adeyemi, before a similar cross from Ethan Nelson-Roberts also just missed the incoming strikers. McGillivray was the first to pull a decent save from George Hyde the long-serving Horley keeper, with a low shot from the edge of the area with Adam

© 2021-2026. No content may be copied without the permission of Epsom and Ewell Times Ltd. Registered office: Upper Chambers, 7 Waterloo Road, Epsom KT19 8AY

ISSN 2753-2771

Green seeing his own shot deflected for a corner shortly afterwards.

It then came as a bit of a shock when Horley took the lead in the 15th minute with their first real attack. Adeyemi appeared to be brought down in midfield, but play was allowed to continue and a pass forward reached former Salt Lewis Pearch who cut inside Wilson and drilled a low shot beyond O'Donovan from 15 yards.

We almost responded immediately after Oblitey robbed Hyde out wide in the area, although he then chose to go for goal from an extremely narrow angle and was only able to hit the post. We were then denied by an excellent save after Wilson had made progress on the right, sending a shot in from about eight yards that took a wicked deflection off a defender, yet despite Hyde going to his right by this point, he somehow stuck out an arm in the opposite direction to claw the deflected ball away from the goal.

We continued to push forward and Nelson-Roberts sent in a left wing cross that Oblitey headed just wide from around twelve yards out. Moments later Horley midfielder Lewis Taylor found himself in the sin-bin for comments to the referee, but we weren't able to take advantage of the extra man. We had chances during that period though, with Adeyemi somehow getting a Miller delivery stuck under his feet just three yards out and Oblitey striking wide from 15 yards. Jaevon Dyer also struck at goal, but Hyde was equal to it, and to add insult to injury Horley went straight up the other end once they were back to eleven men and scored again with Scott Walker putting the hosts 2-0 up from close range in the 43rd minute.

Hyde tipped an Oblitey piledriver over the bar from twenty yards and the question at the break was how we had managed to go in with a two goal deficit after a decent enough attacking showing in that first half.

However, the second half was a very disappointing one and we appeared to be completely flat, as if we already knew we wouldn't be able to retrieve anything from the position we had found ourselves in. This became apparent to me as early as the 47th minute when Tierney got his foot to the ball before being brought down in the Horley area by Rylan John, yet there wasn't even an appeal for a penalty from an Epsom player. I was questioning my own eyes and even had to check with people around me that I had actually seen the incident correctly and was assured that I had, yet it wasn't until there was a break in play while Tierney received treatment before the question even asked of the referee, who understandably hadn't given anything! If we had appealed for this, maybe the game would have turned in our favour, but of course that is just conjecture on my part!

It was unclear how many matches O'Donovan has played recently, but of course he was a virtual stranger to our defenders, and maybe unimpressed with the standard of defending he had seen to this point, he chose to come out of goal to chase a clearance himself, yet found himself almost 40 yards out from his goal. Fortunately the long range attempt from the visitors went over the bar or it might have proved to be a rather embarrassing afternoon for him! Regrettably he would be picking the ball out of the net shortly anyway as a near post corner was headed past him from close range by Matt Rapson on the hour to make the score 0-3.

Dyer took advantage of John misjudging the bounce of the ball to break through, but drove his shot wide from 18 yards and he was replaced not long afterwards. Our flying winger was superb last season, but looks to be lacking confidence since he has returned to our club and there appeared to be a lack of belief across the playing ranks as this match petered out. Even when Green sent in a lovely flat free kick which was met by an Adeyemi bullet header just inside the far post from twelve yards to pull a goal back in the 83rd minute, there was little by way of celebration of any kind and the remainder of the match was equally disappointing with Green, Callum Wilson and then substitute Jerry Antwi all receiving yellow cards for lunges at Horley players. Fortunately, none of the challenges were severe enough for red cards, but we then conceded a fourth goal in the sixth minute of injury time despite O'Donovan standing up well to make a good save, but no one reacted to the loose ball that was then knocked in from close range. A 4-1 defeat was only marginally better than our 4-0 defeat there, exactly three months previously.

I believe that our players are good enough to get us out of trouble this season, but we really need to pick up a few more points before we can be assured of safety and aren't playing very well right now. On paper our fixtures are favourable, particularly when compared to those around us, but as we know football isn't played on paper and a home match against a team that started the day just three places above us, should have been enough motivation. Instead, we fell away in the second half again, and whilst we did make a lot of chances in this match, which was a notable improvement on the previous Saturday, we are going to need to take some of these if we are not to get caught by the clubs below us. We now have a ten day break before we reconvene at the Madgwick for the visit of Spelthorne Sports; one of the clubs in the bottom five. We absolutely cannot afford to be flat for that one.

Balham 2-0 Epsom & Ewell FC. Combined Counties League – Premier Division. Saturday 16th March 2024.

On Saturday we made our second visit of the season to the Mayfields Stadium and received our second defeat. Five weeks ago we were unfortunate to lose there 5-2 to AFC Croydon Athletic, but this 2-0 loss to their tenants Balham, was far more disappointing, In fact the few supporters who were there will not remember this match for very long, not even the home ones, as this was a very uninteresting encounter, full of errors and scrappy play from both sides, and even when Balham finally did break through, there was an element of a defensive contribution towards both of the goals. I felt we were deserving of a point from a goalless draw, but could have no real complaints at the end of the match.

We made three changes from our encouraging draw at Redhill seven days previously. Carl Oblitey was injured, while Reece Tierney and Callum Wilson were unavailable, so Matt McGillivray came in for his first start at the back, while Club Captain Nick Wilson returned after his two match suspension, although it was interesting to note that Ethan Nelson-Roberts retained the armband for this match, maybe because we had done well in the previous two matches, or maybe due to Wilson's excessive number of cards in recent matches. Further forward, Zach Ingham-Wright also had his first start for the club.

We kicked off slightly late after the referee took exception to Luke Miller's blue long sleeved undershirt, even though our away colours are yellow and blue. Yes, you've guessed it, he was being assessed! Officially though, I was advised that the term is now "observed" as the previous term is now seen too much as a critique of the referee. Well, my observations were that it was fortunate that no major decisions were required on this occasion, although we had a confusing early incident after our keeper Faebian Witter was blocked as he tried to drop kick the ball, yet moments later Adam Green picked up a yellow card for us, for pulling his man back. Whilst you couldn't complain about the card for our player, it was hard to see why one wasn't given for the Balham offence.

The first half contained little to write home about. Witter rushed out to claim the ball and did well to keep it inside the penalty area, despite 95% of him being outside it, while at the other end Haydn Read was alert to leave his area to head clear after Ingham-Wright had threatened to reach a Thompson Adeyemi pass. However, these were not even half-chances really, and indeed the only event of note during the first forty-five minutes came when our Secretary Spencer Mitchell was stung by a bee on the sideline. No physio was required!

We went in at the half unsurprisingly goalless and the second half started off in a worryingly similar pattern. A Jaevon Dyer header was accidentally dropped over the goal line by Read for a corner after a few minutes, but our winger was having a quiet day and was replaced by Sirak Negassi in the 52nd minute. Balham's defence had clearly done their homework and cancelled out the threat from our wings almost entirely. We were also missing the physical presence of Oblitey who had been really impressive in the last couple of matches and although Ingham-Wright was well involved in the match, he never looked likely to add to his goal from the previous week.

In fact, neither team looked like breaking through at any point, so when the home team actually opened the scoring in the 65th minute it came as a bit of a shock. A deep free kick was headed back out by Adeyemi, but he wasn't able to get a decent purchase on the next delivery back in, and inadvertently flicked it to the back post where it was volleyed back into the danger area for Jack Banks to strike the ball into the net from close range.

We then had our best chance of the match in the 70th minute when Adeyemi was brought down right on the edge of the area in a central position. The ball was placed literally one foot from the penalty area, yet the referee seemed totally happy to allow the defensive wall to congregate along the penalty spot, no more than six and a half yards away. Even when the referee had this pointed out to him he paced eight small steps back and moved the wall back about a yard! Ironically, had the wall stayed where it was originally, Adam Green's free kick might have taken a slightly larger deflection to put it out of Read's reach, but instead he was able to dive to his left to parry the ball out for what became a fruitless Epsom corner.

At this point we changed our shape. Reggie Savage and Jerry Antwi came on and we switched to three at the back, but to be brutally honest, it didn't work. From this point the home side seemed to find more space and although an overhead kick was sent well over our bar, former Salt Ash Snadden was set up for a strike from just twelve yards that was headed off the line by Wilson with Witter beaten. Moments later Witter made a good save down to his right, but the ball was recycled and a long shot from James Anderson from a central position around twenty yards out took a heavy deflection off Nelson-Roberts and bounced into the other side of the net to where Witter had been standing in the 84th minute.

Anderson picked up a late booking for clattering into Wilson in injury time, but it made no difference and Balham gave their slim hopes of a playoff place a huge boost with this win, while many others around them floundered this week.

It is difficult right now to compose a report without reference to the two teams below us, as we still need to keep looking over our shoulder to see how they got on. This will clearly continue for a while yet as Colliers Wood United and Sheerwater both won, making things a lot tighter at the foot of the table. I still believe 30 points will be enough to see us to safety, but while we remain on just 24, concerns remain.

Salts rescue a point from the Kiln

14 August 2024

Redhill 1-1 Epsom & Ewell FC. Combined Counties League – Premier Division. Saturday 9th March 2024

An 85th minute equaliser from Zach Ingham-Wright earned us a well-deserved point from a 1-1 draw at Kiln Brow after the hosts had taken the lead early in the second half. Although they put us under pressure after an even first half, I felt we were worth a draw for our display in the final fifteen minutes, during which time we equalised and very nearly pinched all three points!

Following the confirmation that Warren Burton was now permanent Manager, we made just one change from our important 6-2 win over Sandhurst Town as Shay Honey was replaced between the posts by Faebian Witter. Our Captain Nick Wilson completed his two match ban here and so Ethan Nelson-Roberts kept the Captain's armband for this contest. We knew our opponents fairly well with a pair of our former Assistant Managers, Jordan Clark and Matt Chapman in charge and there were four former Salts in their line up in Adam Grant, Gavin Quintyne, Ben Dyson and Tommy Smith. Redhill were of course looking for a League "double" following their 3-1 win in August at the Madgwick.

We opened up in confident mood against a team who were also in decent form, if you excluded their surprise 2-0 defeat at Camberley Town in midweek. Tijani Eshilokun had a go from around twenty yards with his curling shot missing the far post by a couple of feet, before Carl Oblitey headed an Adam Green corner just over the crossbar inside the opening ten minutes.

Oblitey then set up Luke Miller for a shot, only to find it blocked by Smith, before a long throw was knocked on by Thompson Adeyemi for Oblitey to try his luck with an overhead kick, but it went straight at Isaac Ogunseri in the Redhill goal and he made the easy catch. This would prove to be the only save made by either keeper in the first half, although the home side sent a header wide at full stretch, before a string of injuries to our players led to an extended appearance on the field by Physio Alfie Wyld and an additional five minutes at the end of the period, during which time Redhill headed towards goal, only to see the effort headed away by Reece Tierney from near the goal line just before the half time whistle.

We were obviously familiar with many of their players, but of course, the reverse applied too, and the two teams were cancelling each other out a bit, with our tricky wingers, Miller and Jaevon Dyer being kept very quiet. With Redhill's lofty League position, I expected them to try and change things up in the second half and they came out with more intent, pushing us back quite a lot. However, we weren't totally out of it either and in the 50th minute Eshilokun sent the ball across to Dyer, only to see it deflected for a corner. From the Green delivery Oblitey rose highest and was really unfortunate to see his header hit the full face of the bar and rebound directly to the keeper, even though he was by that time standing about eight yards away from his goal. It could have gone anywhere!

This scare clearly woke Redhill up and they forced four successive corners. From the last of these, a deep delivery was met at the far post by the unmarked Smith, who met the dropping ball with a textbook low side footed volley that gave Witter no chance from about eight yards in the 57th minute. One nearly became two just four minutes later as a header was blocked on the line by Green with Quintyne sending the loose ball over the closing defenders, but also over the bar from close range.

The hosts had another chance soon after with Witter forced into a good low save, with the ball parried out wide. It was then sent back in for a header that just missed our far post. We made a couple of substitutions with Matt McGillivray on for Ayran Kugathas and Sirak Negassi on for Dyer and the newly introduced Negassi had a chance to score with his first touch as the ball crept under a defender's foot, but his shot from twenty yards went beyond the far post.

Ingham-Wright came on for the injured Eshilokun who had taken a bit of a battering in this match and had been on the field for about a minute before he scored our equaliser in the 85th minute. An unnecessary foul out wide gave us a free kick and Green's delivery was flicked on by Tierney to Adeyemi at the far post, who headed the ball across goal for our substitute to nod in from close range. If I'm honest, a few of us behind the goal all looked across at the Assistant, just in case there was an offside, but he was happy and we were then able to celebrate.

But could we hold on? Late goals had given us trouble all season, so we needed to be careful, but in reality, it became more a matter of whether we would score again as we took the match to a suddenly wobbly Redhill team and started to attack them on the flanks. We should have had a second goal when we cut them apart with a good move involving Oblitey and Ingham-Wright who fed Negassi on the right, but his perfect cross was somehow headed back across the vacant goal by Miller from just two yards out! The ball was retrieved by Oblitey, but he was at a very narrow angle by then and he clipped the post before the home side were able to scramble the ball to safety!

I'm still not too sure how we didn't take the lead at this point, but an away win would have been harsh on Redhill and they were probably frustrated enough with the draw. We saw out a rather inflated seven minutes of injury time with only a couple of nervy moments before we were able to celebrate a point that in all honesty, I didn't expect us to get before the match, but that's football! With both teams below us picking up points, it's a little tighter at the foot of the table than

anyone involved with our team would like it to be, but with six matches remaining, survival is still most definitely in our own hands!

March puts spring in Salt’s steps

14 August 2024

Epsom & Ewell FC 6-2 Sandhurst Town. Combined Counties League – Premier Division. Saturday 2nd March 2024.

Cast your mind back just four days to our heaviest defeat of the season, when we fell away badly to lose 6-1 at Knaphill. This weekend Sandhurst Town were the visitors and we registered our heaviest win of the season with a 6-2 score line. This was also our first home win of 2024 and for those who like their stats, it was our first home win on this date since 1957 when Uxbridge were defeated 2-0 in a Corinthian League fixture!

In case you were wondering, this sort of thing has happened before. In October 2018 we lost a Vase match 6-1 at Lingfield, only to bounce back in our next match with a 6-0 win at AC London, but it could be argued this was a far more important win.

Having played some very difficult matches recently, I had written previously about how the fixture list was a little kinder to us in March and April, but that doesn’t guarantee us anything; we still had to go and get the points, and although we had a very friendly helping hand (or foot!) to see us on our way in this contest, we were good value for the win against a Sandhurst team that never really recovered from their awful start.

With Nick Wilson suspended after an accumulation of yellow cards, Ethan Nelson-Roberts was handed the Captain’s armband and Wilson was replaced by Carl Oblitey. The return of the big man up front certainly gave us some added balance, particularly up front, but the star of the show this time was the little man, Luke Miller who had a fine game, although a few others also deserve mentions. We also appeared to learn a lesson from the Knaphill defeat as we pressed more and made it much more difficult for our opponents to play throughout the ninety minutes.

This match was a pivotal one for us and arguably for our Management team, who went into this game with one win and nine defeats from their ten matches in charge, well aware that our Committee have been extremely trigger-happy in the last three seasons. We all needed a change of fortune and in the fourth minute we got some. A harmless looking back pass went straight under the visiting keeper Harry White’s foot and he was unable to reach the ball before it crossed the line and nestled in the back of the net to give us a rather fortuitous lead!

Sandhurst were clearly rattled by this and White then had to make a good save to his right to deny Miller before our tricky winger got the ball back after we intercepted it in midfield. He drew White out, only to put his shot wide from the edge of the area. A second goal would really have been a great start, but as it turned out, it was just around the corner anyway. In the tenth minute Thompson Adeyemi set up Miller on the right with a nice pass and he simply squared the ball over for Jaevon Dyer to tap it into the net from three yards. However, it didn’t quite work out like that as despite the artificial surface, Dyer somehow got under the ball and spooned it up onto the crossbar! The ball bounced down and then up onto the bar a second time before he was finally able to nod the ball over the line from about an inch, getting bundled into the net with the ball by a defender for his troubles!

From this point the match became more even, with the visitors holding the balance of possession for a while, but not really being allowed to do much with it. A long shot gave Shay Honey some trouble and he parried the ball wide, where he then had to make a second save from an angle from a low shot. Next to feature was Tijani Eshilokun who appeared to be knocked over in an off the ball challenge. The referee had a few words with Callum Wright for Sandhurst, but felt that no card was required, or maybe he felt sorry for Wright who was already being given a proper run around by Miller!

Unfortunately in the 34th minute Sandhurst found a way back into the match with a long shot that appeared to bounce just in front of Honey and although he kept the shot out, he couldn’t hold onto the ball and it was knocked back past him from close range to make the score 2-1.

Ayran Kugathas picked up a yellow for us as the visitors threatened to level the scores, but we were still dangerous on the attack and Oblitey set up Miller on the right to strike powerfully at goal, where White made a good block for a corner. Moments later we thought we had a third goal after Eshilokun sent the ball across into the danger area where Oblitey clipped the ball into the net. However, on its way into the net, the ball went close to Dyer who was standing in an offside position according to the Assistant and although he didn’t touch the ball, I could understand why the official would think he might have been in the keeper’s line of sight, even if I could see from my position that he wasn’t! Either way, the

ISSN 2753-2771

referee took his time, consulted with his Assistant and then explained the matter fully to Nelson-Roberts as he disallowed the goal.

Regrettably this wasn't good enough for Eshilokun who remarked about having been cheated before and maybe understandably the referee took this comment to heart, ensuring that our man then had to make his fourth visit of the season to the sin-bin as a result. This was our team's eleventh dissent offence of the season and remains a concern. I should also point out at this stage that I felt the referee had a really good game and even if this was probably the wrong decision, he communicated with our Captain and explained his reasoning. Quick word to our Committee. The referee will not change his mind, just because one of you shouts out from the sidelines that "we've got it on video". He really won't, so why do we keep using this line that I've heard three or four times over the last two seasons now. It's an embarrassing look for our club!

The half time whistle blew shortly afterwards, but the second half started with a bang! There were just 19 ticks on the clock when a great pass out to Miller was taken in stride and as he left Wright for dead he then sent the ball across the face of goal where Oblitey was waiting to tap the ball in from close range to make it 3-1 to the ten men. Clearly this was unacceptable to the visiting Manager who then made a triple substitution and followed it up with a fourth moments later. This sparked a response and a long shot was cleared off the line by an Epsom defender, but once our "sin-binner" was back on the field we started to get back on top and it was Eshilokun that then applied the tap in finish on the hour after a corner had been half cleared to Oblitey who delivered the ball in from the right.

At 4-1 up you could be forgiven for thinking it might be comfortable from this point, but it had to be remembered that we had been 4-1 up in the return fixture after an hour, only to draw 4-4. This time there would be no such concerns as Oblitey got away on the left and pulled the ball back for Dyer to strike into the far top corner from the edge of the area to make it 5-1 in the 67th minute, grazing White's glove on the way.

The visitors showed a bit of life for a while after this and a long ball was chested down by a striker only for the ball to get away from him and run through to Honey. Then our keeper did well to parry away a free kick that was aiming for the far post. However, they reduced the arrears in the 83rd minute after a long range effort came back off our post and was knocked in by Amari Fushanu from a few yards out, but we produced another excellent goal in the second minute of injury time when both substitute Nick Inwugwu and Eshilokun produced some skilful interplay, including a clever back heel from the former to the latter who then drilled the ball in to the net from six yards, via a defender.

It was a fantastic way to finish the match and whilst these three points were important, the four goal boost to our goal difference could also prove relevant at the end of the season. For what it's worth though, a couple more performances and results like this in our remaining seven matches and we'll be fine anyway!

Epsom & Ewell: Shay Honey, Ayran Kugathas, Ethan Nelson-Roberts (c), Adam Green, Reece Tierney, Callum Wilson, Luke Miller, Thompson Adeyemi, Carl Oblitey, Tijani Eshilokun, Jaevon Dyer

Face saved by late rally

14 August 2024

Epsom & Ewell FC 3-4 Alton. Combined Counties League – Premier Division. Saturday 24th February.

A competitive and entertaining, if niggly encounter at the Madgwick on Saturday ended with visitors Alton scraping a win by four goals to three after a couple of late strikes from our boys gave us a hope of pinching a point right at the end. It wasn't to be though and to be honest, if we had, it would have been harsh on our opponents, who were well in control in the first half and should probably have been out of sight by the break anyway, even if the second period was more even. The fightback did at least help us with our goal difference and who knows how important that might prove to be for both teams at the end of the season.

Alton remain solid bets for one of the four playoff spots after this victory and were well on top for large periods, with one of the biggest differences between the two teams being the quality of service into the danger areas. Alton were able to get down our flanks on a regular basis and sent the ball in for the big men in the box which caused us trouble all day long, while our opportunities and in particular our set pieces were really poor in this match. However, it is impossible not to ask if things would have been different had a key flashpoint not been better dealt with, and yes, regrettably I do have to question the performance of our match officials a little after this encounter.

With many other matches called off and even with a number of travelling supporters, our attendance was advised as an extremely disappointing 68. Yes, results haven't been great, but using the club's figures we averaged 92 in the League last season (110 if you include the playoffs) while this season we average 81, despite larger away support and more local matches. Our club doesn't currently engage with the few really loyal supporters it has and our match programme doesn't

© 2021-2026. No content may be copied without the permission of Epsom and Ewell Times Ltd. Registered office: Upper Chambers, 7 Waterloo Road, Epsom KT19 8AY

ISSN 2753-2771

even welcome them to the ground any more. The player stats within it were also wildly inaccurate and it even carried a full page advert for our “home” match this coming Tuesday, when in fact we are away! Our club recently advised on Twitter that much hard work is being done by our Committee, yet all of this “work” is apparently deemed too important to tell mere supporters what it is, while the attention to detail in the limited club output is really poor. The club actually has one fairly big story which I’m told will be announced very shortly, but even this has been an open secret on the circuit for the last three weeks!

We only made two changes from our fine win at Camberley as Rory Edwards was unavailable and was replaced by Reggie Savage, making his first start, while our goalkeeping turnstile rotated for the fifth straight week with the addition of new keeper Shay Honey who played against us for Spelthorne Sports back in October. Whilst we had five keepers in four matches almost exactly a year ago, this is the first time in club history that we have started five different ones in consecutive matches. Honey performed well on his debut and it is hoped that our Management have now found someone they are happy with between the posts, although alarmingly once again we only named four substitutes.

After a fairly even opening ten minutes we had the first strike at goal, although Savage’s strike was well kept out by Lewis Mees in the Alton goal before anyone noticed that the offside flag had been raised anyway. The visitors started to gain the ascendency and opened their account in the 22nd minute with a deep corner that was met with an unmarked downwards header from close range by Ryan Stepney that Honey had no chance of keeping out. A combination of keeper and defenders blocked another chance on goal minutes later. We had an opportunity in the 27th minute after the tricky Sirak Negassi was brought down some twenty yards out, but the subsequent free kick was probably one of the worst in our history as Nick Wilson stuttered over taking it, before being replaced by regular taker Adam Green who then ballooned the strike way over the bar!

However, the next issue in this match came when Jerry Antwi picked up a facial injury on the half hour. Having seen the video of the incident it was really clear that Pat Cox raised an elbow above his head and it clattered into our player’s head. The bright orange sleeved arm was really clear to see, even though the video was taken from sixty yards away, yet the referee who was much closer, didn’t even award a free kick for the assault that absolutely warranted a red card. Insult was added to injury when a clearly incensed Antwi also had to be replaced by Ayran Kugathas and Wilson made his views clear, only to find himself in the sin-bin as a result! The number one priority for a match official has to be the protection of the players and it wouldn’t surprise me if during the injury break, the referee realised he had got this one wrong as his performance was very shaky from this point with both teams taking the opportunity to appeal for almost everything from that point onwards.

With one of our defenders off the field for ten minutes we looked very vulnerable and the only Epsom person winning a header during this period was long-serving supporter John Bonner who headed the ball back into play from the sidelines! Green was alert to clear the ball off the line from another free header that had beaten Honey, before a right wing cross was met by a superb half volley from Cox that Honey tipped over. Whilst that corner was cleared, the visitors kept up the bombardment and a left wing cross from right out on the touchline was as good as any you will ever see in the Premier League, leaving Cox the simple task of nodding the ball in at the far post from a couple of yards out in the 45th minute. Whether Cox should still have been on the field was of course extremely debateable, but in the five minutes of injury time that followed, we were grateful to Honey for making two further good stops in that time. We were very fortunate to be only two goals down at the interval.

The second half had to be better if we were going to get back into this match, but that’s exactly what happened. An early chance for Ethan Nelson-Roberts was blocked before Savage drove the rebound just wide from the edge of the area and whilst Alton had an appeal for a penalty after a header on goal struck Green’s arm, it would have been extremely harsh had it been given. As we entered the 53rd minute Savage chased down a ball in midfield, winning the tackle and setting up Negassi to streak down the right wing. We were a bit short of options in the middle, so he tried to cut back onto his left foot and was brought down in the area as he did so, earning a rare and uncontested spot kick that Wilson tucked away a minute later to give us hope.

We had to make an adjustment just before the hour as Ethan Brazier limped off, and with Luke Miller coming on we had to move a few players around to accommodate. This took a little bit of time to bed in and we found ourselves being pushed back, although there was time for an Alton player to volley the ball away after it had already crossed the touchline, which as regular supporters will recall, earned our Captain Wilson a yellow card just seven days previously! However, we were grateful to Honey again as another ball in from the right was struck at goal and turned away by our debutant keeper. Unfortunately our defence had little chance in the 66th minute as we were pushing forward, but lost the ball in midfield and the counter attack was brutal, sending the ball inside the advanced Kugathas, by now playing at right back, with the square ball in being knocked in from close range by former Camberley favourite Jamie Hoppitt to make it 3-1.

Alton missed a good chance with a close range header before Wilson picked up a yellow card for a foul. Moments later someone took revenge on him, leaving him to require treatment, but the referee didn’t want to know how it occurred, even ignoring an Assistant who was flagging on the far side. Then in the 80th minute Tijani Eshilokun unwisely chose to speak out to the referee after Nelson-Roberts was pulled up for a foul out on the Alton right wing and found himself having a ten minute breather as a result. As with our first half sin-bin we then conceded while short handed as the free kick was met by another close range finish, this time giving Staples his second goal of the match and giving the visitors an probably unsurmountable 4-1 lead in the 82nd minute.

Oddly enough we then produced our best ten minutes of the match and Negassi was pulled down right on the edge of the area by Archie Larkum who picked up a yellow card. Whilst the free kick from Green from wide out wasn’t a very good one, it squirmed through the wall and was diverted goalwards from six yards by Wilson, completely deceiving Mees at his near post and giving us a second goal in the 87th minute. We continued to press and Negassi sent in a powerful shot from 20 yards which had a lot of swerve on it. Mees did well to parry the strike but Miller was on the loose ball in a flash and as Mees spread himself expecting Miller to strike at goal, our man held the ball up skilfully before strolling round the prostrate keeper to tap in from a couple of yards to make the score a scarcely believable 3-4!

© 2021-2026. No content may be copied without the permission of Epsom and Ewell Times Ltd. Registered office: Upper Chambers, 7 Waterloo Road, Epsom KT19 8AY

ISSN 2753-2771

With that goal coming in the 90th minute there were probably about seven additional minutes to play, but even with the reappearance of Eshilokun we were unable to engineer any further real chances. Instead the game continued in its niggly way and wasn't helped by some strange decisions, firstly when Kugathas was pulled back yet no card was issued, and then bizarrely when an Alton player fell to the ground in the 96th minute. Was he wasting time or genuinely injured? Well, if you are a physio, you can't take that chance and our physio Alfie Wyld came on to look after what he felt was a potential head injury, only to then receive a yellow card from the referee for entering the field of play without permission! I am certain the referee thought he was carding an opposition physio and had no idea it was our man. Either way though, our man may now think twice before rushing to help someone on the field, which is a concerning development, although pretty much summed up the day for the man in the middle and he faced a fair bit of criticism from both sides as he departed the scene moments later.

For our boys it was a much improved second half, but Alton are a very solid side who play good football and get the ball into the danger areas well and consistently. We simply couldn't afford to give them a two goal head start and hope to get away with it. We face another tricky match at Knaphill on Tuesday evening but once this match is complete, the fixture list eases significantly after a brutal February where we have played many of the top teams. Although Colliers Wood United closed the gap between us and them to four points at the foot of the table after their pivotal 2-1 win at Sheerwater, I'm seeing enough from our boys in patches to remain confident that we can stay up, although it would be nice to see a full bench again and some better club advertising and information to try and welcome more people as we enter this critical phase of the season!

First win of the year for Epsom & Ewell FC

14 August 2024

Camberley Town 1-2 Epsom & Ewell FC. Combined Counties League – Premier Division. Saturday 17th February 2024

After seven successive defeats we finally opened our account for 2024 with an extremely important 2-1 victory at Krooner Park over our old friends Camberley Town. It was our first win over our opponents in ten matches and our first in Camberley since a 2-0 win there back in 2013. Over the ninety minutes we deserved it too, with Ethan Nelson-Roberts claiming the highlights with both goals, although several players produced great performances.

In the absence of Warren Burton, Gwynne Berry took charge in the dugout and we made three changes from our defeat against Farnham Town with the injured Carl Oblitey and the unwell Toby Colwell both being unable to take part with Mekhi Savage dropping to the bench. In their places came Thompson Adeyemi and Sirak Negassi, while in goal we had Faebian Witter who had joined us from Carshalton Athletic. This meant that we were starting our fourth different goal keeper in our last four matches. For those who like their stats, this has only happened five times previously, although it did happen recently, when in January 2023 we had five different keepers in a four game span, due to a harsh sending off that left Nick Wilson between the posts at Hailsham Town!

It wasn't that long ago that we met Camberley Town at the Madgwick, where we started brightly but fell away badly to lose 5-0. While the margin of victory in this match was nowhere near as emphatic, the story was a similar one, except it was our opponents that started better with our boys that finishing the stronger of the teams this time.

Witter found himself having to tip over an early strike from Kingsley Anokye and he also made another good low block at the near post on the quarter hour mark. In response Negassi was causing a bit of trouble on the right wing originally, but switched wings with Nelson-Roberts around the 22 minute mark. He was unfortunate to see the ball bobble on him just as he was shooting, and also put another chance wide from an angle when he probably should have delivered the ball into the box and. It was easy to wonder if this would cost us when the home side took the lead shortly afterwards. With the clock showing the 35th minute we were caught out by an enormous throw from Tom Wensley that was headed past Witter from close range by Regan Hitch. It was a colossal throw in and I'm not sure if I have seen a larger throw, but he had delivered an earlier one on a similar scale, so we probably should have been aware and better prepared for this.

The fightback began almost immediately. Rory Edwards sent a shot just beyond the far post from twenty yards only moments after the goal before we started to build some good pressure. In the 44th minute Tijani Eshilokun was taken out over on the far touchline by Cavan Atkinson and whilst I was surprised that a yellow card was not awarded, we got our revenge in a different way. Adam Green's deep free kick was contested for by two Camberley players who both got a touch to the ball. Reece Tierney and Ethan Nelson-Roberts were on the end of the ball with the ball brushing the latter's right leg as it crossed the line for our 45th minute equaliser. Some people felt there was a foul on the keeper, but having seen the video back, my original view that there wasn't enough contact to cancel it out remained unchanged. More importantly, the referee agreed!

Going up the hill in the second half is often difficult against Camberley, who it should be remembered, had the better of a goalless draw with Knaphill just four days previously and had a fairly decent home record. However, we had wrestled away the momentum and the second half would prove to be a really good one to watch if you were an Epsom supporter.

Edwards was on target from twenty yards in the opening minute and whilst it was a fairly easy save for Owen Crawford, it had come from a good move and was a good start. Next to feature was our full back Jerry Antwi who beat the offside trap on the left after good work from Eshilokun and Negassi before slotting the ball back to Adeyemi who teed it up for Negassi to strike, forcing Crawford into a good low save from twelve yards in the 54th minute. However, we weren't to be denied and a minute later we had our lead. Negassi controlled a crossfield pass with a killer touch on the left, before continuing to run at goal before pulling the ball back for Eshilokun to strike from 15 yards. His shot wasn't the greatest, but it would end up counting as an assist as the ball was scuffed almost sideways and straight into the path of Nelson-Roberts who forced the loose ball in just ahead of a defender from about three yards.

For a few minutes the pattern of the game changed as we had our first lead. We either chose to sit back a little, or were pushed back as the hosts suddenly realised that they needed to "up" things a little. We had to clear the ball away from under the bar before Witter was alert to make a decent save on the hour. We also had a scare when Witter chose to clear a back pass first time and clubbed the ball straight at a home forward, but fortunately the player was unable to control it and we escaped.

We had another great chance in the 74th minute when a Green corner was met by the head of an unmarked Tierney, but the delivery required a solid thumping header and his contact wasn't the greatest and the ball went across goal. Tierney was soon in action at the other end as Macauley Martin ran at him, cutting back onto his right, but he went for power from about 18 yards and was well off target, dragging the shot wide of the near post.

Gradually the home side began to run out of ideas against a defence that was holding up well. Our game management was much better and even the Wensley howitzers were being dealt with by our defenders with Tierney in particular heading a few away during the second half. The game concluded in a fairly comfortable win by the end, albeit with one final funny incident just outside the Camberley penalty area, where Brad Passfield and Cavan Atkinson got involved in a spot of handbags with Eshilokun, only for the referee to bring all three players together and tell them to "grow up"!

Following the match I heard some people refer to the fact that one of our reasons for winning was that we were fitter than we had been. We certainly looked the stronger of the two teams today, particularly in the second period, but must remember it is not that long since we lost three games in a row in the closing moments, so I think there was another reason that was more relevant. I know it is a bit of a cliché, but I felt we simply wanted it more than our opponents, who had won so easily in January and thought this would be a comfortable win, particularly after conceding the opening goal. This time though, we fought back and it was good to see that for the first time in a while. Tougher challenges await us, but for now this is one of those occasions where you just have to focus on enjoying the win, as it's been a while!

Salts defeated in presence of legend

14 August 2024

AFC Croydon Athletic 5-2 Epsom & EwellFC. Combined Counties League – Premier Division. Saturday 10th February.

Despite scoring seven times in matches against AFC Croydon Athletic this season, we only have three defeats to show for our efforts and without sounding like a broken record, I felt we have been unlucky in all three of them! In this match, and despite the introduction of four new debutants, we gave as good as we got, only to be punished by some clinical finishing that gave the scoreline of 5-2 a hugely flattering look.

Fortunately, from a personal point of view, the disappointment on the field was eased by the presence behind the goal of our Club legend and record goal scorer **Tommy Tuite**, who scored the huge total of 391 goals for our club between 1973 and 1987. How we could do with that sort of loyalty and production right now. His attendance enabled us to talk about the good old days when we were one of the better teams in Surrey and had a ground with a welcoming atmosphere. Those days are sadly gone for now at least.

Our four new starters were Conor Beattie, Alex Green and Mekhi Savage, whose father Reggie would also make his debut later on. However, any chance of us having a father and son combination on the pitch for what would be only the second time in club history would have to wait until next week, as one replaced the other! Some of you may not be aware that a large number of players have departed in the last week, hence the replacements, although it was interesting to note that the opposition Manager stated in the match programme that we had let some players go, which couldn't be further from the truth!

Either way though, the new Management Team were going to have to add some players and Savage and Green look like being useful additions to the squad, while we may have to wait a little longer to analyse Beattie's performance as he injured himself very early in the second half and was unable to continue.

Despite the bare facts that showed AFC Croydon Athletic had won their last four League matches while we had lost our last four, we started confidently and had the early share of possession. Until the fifth minute that is, when Oalekan Osideko broke away on the right and drilled a shot low at goal. Beattie was down to make the save but could only parry it back into the danger area where the Croydon goal machine Louis Theophanous was waiting to drill the shot past our by now horizontal keeper from a few yards out. It didn't seem to dent confidence too much though and Savage Junior struck low from twenty yards, requiring Toby Fisher to turn the shot wide. From the corner Thompson Adeyemi was there first, but was unable to keep the header down.

The home side headed another good chance over, although the offside flag would have cancelled any goal out, and we were back on the attack soon after. Carl Oblitey, playing against one of his former clubs, nearly scored when he was denied by a good block, with the loose ball being sent back in with interest by Green who saw the ball deflected wide. Oblitey then headed just over from the resultant corner. However, fortune was not going to be on our side today and on the half hour mark Osideko's shot was well saved by Beattie, only for the rebound to strike the incoming Nick Wilson, who was only able to clear the ball once it had gone over our goal line. A really unlucky way to concede, although we scored twice last season in similar circumstances. Swings and roundabouts!

Again though we responded well to the set back and within a minute we had a goal back. Ethan Nelson-Roberts fired the ball towards goal, only for his somewhat wayward strike to reach Oblitey, who controlled the ball on the edge of the area and drilled the ball low into Fisher's right hand corner. Savage then produced a good run, only for the final product to be straight at Fisher. As we went in at the half, we were very unfortunate to be 2-1 down.

The half had been in progress for a few seconds when Beattie came out to clear a long ball, but missed his kick and injured his leg in the process, requiring his replacement. Toby Colwell came on and the game continued in a similar style with Green next to have a try after some good pressure, only for his shot to go just beyond the far post from an angle. In response, the hosts struck the bar with a powerful shot from an angle, but we were asking as many of the questions, if not more than our opponents and Sirak Negassi made a good run, only to be fouled just outside the area. Regrettably though, the free kick was cleared and on the break it took two simple passes to cut our whole team out and leave Andre Coker the easiest of tap ins at the far post in the 68th minute.

With that two goal lead the home team began to grow in confidence and seven minutes later they extended their lead with a fantastic strike from Theophanous who volleyed the ball in from thirty yards with Colwell completely unable to do anything about it. Things got worse as it became 5-1 in the final minute of normal time as Theophanous drilled the ball low past Colwell from the edge of the area.

We had time to pull a goal back when substitute Rory Edwards made a good run on the right and his early low cross was guided past Fisher from six yards by Nelson-Roberts in the 94th minute, but it was barely a consolation and the final whistle blew a few minutes later with the home side victorious by five goals to two.

It wasn't all bad though; there were glimmers of hope as we performed fairly well against one of the form teams in the League who will surely make the playoffs if they continue to stay fit and healthy, in particular their striker Theophanous who was almost unstoppable. We have brought in some new players, but no defenders yet, and it is fair to say that we are going to need to strengthen in that area if we are to avoid further defeats, even if we manage to score more. Up front Oblitey looks a handful and if only we could have had a young Tuite playing alongside him, we could go into the next matches with more confidence, but up next is the Farnham juggernaut, chasing a world record, and that match looks rather daunting right now.

Epsom & Ewell: Conor Beattie, Ethan Brazier, Ethan Nelson-Roberts, Adam Green, Reece Tierney, Nick Wilson (c), Mekhi Savage, Thompson Adeyemi, Carl Oblitey, Tijani Eshilokun, Sirak Negassi

Subs: Toby Colwell for Beattie (50), Reggie Savage for M.Savage (75), Rory Edwards for Adeyemi (75), Ayran Kugathas for Negassi (83)

Twice led, thrice beaten....

14 August 2024

Sheerwater 4-3 Epsom & Ewell FC. Combined Counties League – Premier Division. Saturday 3rd February.

One of the most concerning afternoons in recent club history took place on Saturday as we made our very first visit to Sheerwater's Eastwood Leisure Centre for a massive League match between the two clubs. Yet, despite the importance of the fixture, we led twice and threw the game away in the final minutes, marking the third match in a row where we have

ISSN 2753-2771

now done this as the home side claimed a 4-3 victory to record their fifth straight win against us.

For the three previous match reports between 16th and 30 January 2024 CLICK here for reports brought to us by Nathan Lambert.

We went into the match with news breaking over the previous 24 hours that we had lost regular players Jaan Stanley and Ollie Thompson who had decided to move on and I found out during the afternoon that over the last week we had also lost George Owusu, Ade Batula and Tommy Williams too. The club hasn't bothered to advise its supporters of any of these departures, or even acknowledge their contributions, leaving long suffering fans to figure things out for themselves; not for the first time as secrecy and paranoia continue to reign at our club. One glance at the FA Full Time site was enough to tell me that we have had no new registered players joining the club since Steve Springett resigned and we took the field with just four substitutes named for this hugely important contest.

In terms of personnel Harvey Keogh came back in for Toby Colwell who was one of the four subs, but this was the only change to the line up from our narrow loss to Jersey Bulls four days earlier.

Despite the backdrop to this match, we actually started very well. There were only 91 seconds on the clock when a good move down the left was laid back for Ethan Nelson-Roberts to deliver the ball into the danger area where Carl Oblitey stretched to guide the ball past Joe Hill from close range in the Sheerwater goal. This was a terrific way to start and whilst Louis McGrave headed over unmarked from a corner soon after our goal, the home threat would prove to be fairly limited in the final third in this opening period.

Oblitey was causing problems and it looks like Springett's final signing will be pivotal to our plight if we are to stay up. He had another chance in the seventh minute after Tijani Eshilokun intercepted a poor defensive pass and set him up, only for our striker to snatch at the ball, puling it wide from just inside the area when he had more time than he realised.

The home side had as much possession in the first half as we did and around the twenty minute mark they sent two balls fizzing straight across our six yard area in opposite directions with no one there to get the vital touch, but we looked likely to increase our lead whenever we went forward and a Nick Wilson free kick was parried by Hill with Nick Inwugwu just millimetres away from getting a touch to the ball first. Oblitey then struck wide from another Eshilokun pass before we extended our lead in the 40th minute. Luke Miller did well down the right and sent in a deep cross that had Hill scrambling. He just managed to reach the ball to claw it away, but only as far as Oblitey and although his chance was blocked, the loose ball reached Lewis Pearch who scooped the ball over the line, off a defender's leg and up into the roof of the net from inside the six yard box. There were shouts for handball from the home side, but I didn't see one, although handballs would go on to play an enormous part in the second half story.

But at the half we went in, fully deserving of the two goal lead and unaware of the disastrous second half that would follow. The hosts clearly changed things and Michael Milne and George Sellick began to cause us real difficulty. An early strike from distance wasn't an issue for Keogh, but a low shot from the right wing caused him to make a good block at the near post, only for the loose ball to be struck against the arm of Reece Tierney with a penalty being awarded. Milne tucked away the penalty in the 51st minute and the home side were on the board.

Tierney was the man penalised for the penalty against Jersey Bulls four days previously, but this one, although it did hit him on the arm, looked a bit harsh and it's not clear exactly how we could have been expected to get out of the way. Having now seen a video of the incident, I don't believe that the arm was in an unnatural position either. Either way though it was now 2-1, but not for long as a low shot in came back off our far post and as it rebounded back into play Frazier Osunkoya reacted first to knock the ball into the net from around six yards. This happened in the 53rd minute and our two goal lead had suddenly evaporated into thin air.

We responded to the setback fairly well though and Oblitey set Pearch up for a low shot that was kept out by the feet of Hill before we went ahead again on the hour mark after Miller's cross was blocked by an arm and Wilson stepped up to send the keeper the wrong way from the spot. It was another one of those decisions where in the old days the appeal would have been rejected as it was clearly ball to hand, but with these new interpretations, I don't believe anyone is completely sure of what actually constitutes a handball any more. All you could say I suppose is that the referee was consistent in his approach to both penalties and we were 3-2 up again.

Despite being given this lifeline though, we started to be pushed back with Sellick in particular giving our defenders a very difficult examination and asking the question about why he was causing so much trouble after being fairly anonymous in the opening forty-five. However, Keogh was alert to block his low shot before Sellick got through again, winning a corner after a defender got across to block his shot. A free kick was then headed over from one of his crosses while we picked up three yellow cards, one of which for Wilson, saw the home player flying up in the air as a result. Maybe it looked worse than it was, but this is the fourth match in a row with a yellow card for our Captain and he is better than that.

Sellick drilled a shot across goal before delivering another ball deep to the far post which was headed back into the danger area, only for another handball to be given against Tierney. Again, this looked harsh, but Milne put the spot kick to Keogh's right for the second time in the match and it was 3-3.

In response, Ethan Nelson-Roberts benefitted from a good "no-look" pass from Pearch but chose to shoot from an angle with Miller waiting in the middle and Hill parried the ball to safety, but for the third match in a row we conceded in the closing seconds after Milne wasn't closed down and his shot from around the edge of the area crept into the corner in the 91st minute to complete his hat trick and give Sheerwater a 4-3 lead that they wouldn't have time to relinquish.

There was still time for Milne to fall to the ground in the middle of the field, whereupon he picked up a second yellow card

ISSN 2753-2771

for apparent simulation. It was a bizarre decision from a referee who had become a little too trigger happy and incensed the home side to the extent that one of their Management was shown a red card in the “discussions” that followed the final whistle. We were no angels either as the referee was also pursued at the final whistle by our Vice-Chairman Barry Gartell, claiming vociferously that the referee didn’t understand the handball law. He may well have had a point, although I’m aware that the guidelines are often changing in this respect, but it wasn’t a very good look for our club.

Our new Management team now have some significant work to do in bringing in some new players ahead of a brutal run of fixtures coming up throughout the month of February, but the manner of this defeat will also need to be questioned, along with our game Management ability as this is now three points dropped in the last three matches that may well prove costly in a relegation battle that Sheerwater showed more likelihood of escaping than we do right now.
