

A hard-earned three points for Salts

22 October 2023

Spelthorne Sports 0-1 Epsom & Ewell FC. Combined Counties League - Premier Division.

On Saturday we visited the Spelthorne Sports Club for another important League match. This was a venue we had visited on four previous occasions without suffering defeat and we extended that sequence to five with a hard working 1-0 win, providing us with our second League win in a row. The win also gave us our third clean sheet, but unlike the first two against Met Police, our keeper Harvey Keogh had to work hard for this one, making some superb saves during the match.

In the absence of our Caretaker Manager Steve Springett; on a holiday that was booked before he took on the role, the bench duties fell to Assistant Manager Ash Snadden and Coach Sam Groombridge and three changes were made from our friendly match against Merstham last week. Zach Powell returned from injury ahead of Nick Inwugwu, while Sirak Negassi came in for Marlon Pinder and Tijani Eshilokun came in for Snadden and we kicked off in front of a rather pitiful crowd of 37, although admittedly, any "floating supporters" would have always chosen to go to an FA Vase match on this day instead.

We made a bright start with some early interplay on the left between Rory Edwards and Jaan Stanley with the latter's cross just cut out by the home keeper Shay Honey. In response the home side sent a deep cross to the far post, but the header went over the bar and a few minutes later another right wing cross was acrobatically volleyed over the bar by Kelvin Karanja; a player that had given us a lot of trouble a few years back when at Bedfont & Feltham.

We then had a real scare in the 14th minute after Keogh scuffed a goal kick straight to Leon Iloube and although our defenders closed him down quickly, he still sent a stinging shot towards goal that our keeper somehow clawed away from the top corner to record a fabulous save. This became doubly important a minute later when Ade Batula sent a really good crossfield pass over to Jaan Stanley. Stanley cut back and it looked like the chance might be gone, but then he got round his man and was brought down in the penalty area. I was expecting a yellow card for the defender, but ultimately the award of a penalty was the more important issue and Stanley sent the keeper the wrong way to give us the lead in the 15th minute.

Although we didn't know it at the time, this goal would be the only one of the match and the rest of the match could arguably be described as attritional! We battled to cover every inch and our job was made a little easier when the Spelthorne Captain, Jamie Fuller chose to argue his case with the referee and found himself in the sinbin. You can always tell when a referee is being assessed as it more often than not leads to a very fussy and over officious display from the man in the middle and this was definitely the case in this match! Admittedly, he had a tricky job in trying to deal with the home bench who yelled and appealed for everything. On one of these occasions Ollie Thompson picked up a yellow card after a coming together between him and another player which looked completely accidental but it's possible that the official was swayed into awarding the free kick and once it was, I felt that a card would follow.

Then we had another great opportunity on the half hour as Batula got through on goal, but his touch let him down and the ball rolled tamely through to Honey. If we had taken advantage here against the extra man, maybe this would have resulted in a more comfortable position but Fuller was back on the field soon enough and the chance was gone.

The half ended with a couple of Epsom half chances. Eshilokun sent a dangerous looking free kick just wide after Edwards had been fouled nearly thirty yards out, and then Sirak Negassi sent a decent effort just wide from twenty yards with his weaker left foot. We had just about shaded the first half as the players went off for the break.

The second half got going under leaden skies which would eventually become a fairly solid downpour and we nearly had a second goal to celebrate only two minutes in when Thompson Adeyemi clipped a ball goalwards from twenty yards and it ended up only three inches past the post and into the side netting. However, the home side were on the attack soon after and Keogh did well to spread himself to block a shot over the bar.

We had another worry in the 53rd minute when Zach Powell, now Captain following the departure of Callum Wilson to Guildford City, fouled a Spelthorne player. It was hard to tell if it was inside the area or not, but either way we were spared by the sight of the Assistant's flag going up for offside and the danger was over.

Bearing in mind that the referee had already made it clear he wouldn't stand for any dissent, it was incredibly hard to believe that anyone would take the risk again, yet in the 54th minute Daniel Watts for the home side and then Eshilokun for us in the 59th both found themselves in the sinbin too after taking issue with decisions that hadn't gone their way. Both had a very strong case for a free kick, but we need to learn not to say anything to an official, particularly when they have already sent someone for a ten minute rest previously!

It nearly cost us when a left wing cross from the home side was headed goalwards, but Keogh was there to tip the ball over for a corner. From the corner a delivery clearly hit the hand of one of our players, but the referee wasn't interested in the subsequent penalty shout, despite the rather desperate pleas of the bench some forty yards away from the incident!

As the game reached the closing stages, it certainly was to our advantage to break the game up and Adeyemi picked up a yellow card for delaying a free kick, but when a card was really deserved, after a late lunge on Ethan Nelson-Roberts,

there was just a lecture given instead. We welcomed Luke Miller back into the side and he made his 50th appearance for our club, nearly two seasons after his 49th when he joined the action in the 77th minute, but by now we were more interested in hanging on to what we had, instead of attacking too much and Keogh was next to get a yellow card for delaying his goal kick. However, Keogh had already kicked the ball by the time the card was waved, and more time was actually wasted because the referee pulled the game back for a re-kick!

The home side continued to press for an equaliser, but they wouldn't threaten again and in fact the final opportunity of the match went to Eshilokun who nearly caught Honey out from twenty yards with a chip, but although the keeper's clearance wasn't the best contact, it was good enough to keep the ball out.

The final whistle led to celebrations from the players and few supporters that had made the journey and there was an additional bonus as results elsewhere ensured that the win actually moved us off the bottom of the table for the first time in weeks. It may be optimistic to expect to get anything out of our next two matches against Farnham Town and Knaphill, but we were looking like being cut adrift two weeks ago and yet now we are back amongst the other teams with games in hand. We're not done yet!

Salts shot down by friendly fire

22 October 2023

Merstham 3-1 Epsom & Ewell FC. Mid-season Friendly. Saturday 14th October 2023.

With a spare Saturday on the schedule it made total sense to arrange a friendly against another team in a similar situation; that of Step Four Merstham, who edged us out by three goals to one in a match played on the artificial surface at Carshalton Athletic.

This match was arranged on Tuesday, yet our club only saw fit to announce it on Saturday morning, by which time most Epsom people had probably already decided to visit another match. It is a real concern that our club says it wants a new ground and says it wants supporters, yet wants to restrict all information to a small Committee, leaving everyone else in the dark. Fortunately Merstham did advertise the match and I counted 47 present at the impressive Colston Avenue ground.

We have played here on 35 previous occasions, yet if you exclude an Isthmian League Youth Cup Final win over Bromley in 1991, we hadn't won here since 1953 and hadn't even scored since we lost 2-1 here back in 1986, so it was nice for us to hit the net in the final minutes, even if Tino Carpena's penalty ended up as just a consolation goal. For what it's worth though, I thought we deserved a little more from this match, particularly in the second half after we had made nine changes at the break.

We started with the same line up we had used in our recent win over Colliers Wood United, except for the addition of Nick Inwugwu for the injured Zach Powell and the return of Ash Snadden ahead of Tijani Eshilokun, but the first half was almost exclusively in favour of our opponents with Harvey Keogh having to make a couple of good low saves to keep them out in the opening twenty minutes. They led with a well worked goal, starting with a great piece of skill in midfield that left our boys behind and a lay off for a shot that Keogh was able to block, although Lorenzo Lewis was there first to tuck away the loose ball from close range in the 34th minute.

We had our best chance in the final seconds of the half when Ade Batula cut in from the right, but his low left-footed strike was well kept out by the leg of the Merstham keeper.

However, the second half appeared much better from an Epsom point of view as we started to make progress. Eshilokun joined the fray and scuffed an early shot at goal from a good position, while another substitute Sirak Negassi also saw his shot saved. In response Merstham also had a low shot well blocked by Toby Colwell who was in goal for the second half, but they then extended their lead with a superb strike into the roof of the net from the edge of the penalty area in the 62nd minute.

Negassi was linking well with George Owusu on the left and the latter won a corner, although the delivery was over everyone. Then on the break a low ball in from the left was tapped in from close range at the far post to make the score 3-0 in the 73rd minute. This was a little harsh as we had been putting some pressure on and Merstham had conceded a couple of fouls that most definitely would have earned yellow cards in a competitive fixture. A Steve Springett free kick was well held by the keeper before a defender brought down Owusu for a penalty in the 89th minute. Last week Owusu had been fouled for a spot kick and Carpena had wanted the penalty, only for him to then give it up to Owusu, but this time Carpena held on to the ball and scored in almost the identical part of the goal as Owusu had!

Overall you could see that Merstham were at a higher level than us and they deserved their win. Having seen us play against their League rivals Corinthian Casuals and Met Police, I feel that Merstham are a better team than those two were and will be fine this season. Bearing in mind that we used twenty players in this contest, a 3-1 defeat was fairly promising under the circumstances. We now visit Spelthorne Sports in our next fixture, hoping to build on this.

Epsom and Ewell FC finally win with a glut

22 October 2023

Epsom & Ewell 5-1 Colliers Wood United. Combined Counties League - Premier Division. Saturday 7th October 2023.

We may have had some cup wins already this season, but whilst they are always welcome, it is the bread and butter of the League that is most important, and so to finally secure our first points of the season at the eighth attempt with a 5-1 win over Colliers Wood United was a massive step towards closing the gap between us and the rest.

Following the resignation of our Manager James Scott on Wednesday, interim Manager Steve Springett made four changes to the line up after Tuesday's loss to Balham, two of which were enforced as Callum Wilson and Ayran Kugathas were only able to attend with their pet dogs in tow, following their hamstring injuries, so Jabari Ofosu-Hernandez and Tijani Eshilokun came in for them as we switched from three at the back to a four, while on the wings Jaan Stanley and Ade Batula came in ahead of Sirak Negassi and George Owusu, although they would join the action later.

Who knows whether the visitors, sitting just one place above us in the League, were expecting us to play three at the back, but by the time they had found out we were operating a different formation, we were in front. The goal came from a Stanley penalty in the fifth minute, but the build up to this goal was superb and needs reporting. It started off with a great pass from Ollie Thompson into the left hand channel where Stanley sent a ball into the danger area. This was only half cleared to Rory Edwards who then saw his shot blocked, but only as far as Ethan Nelson-Roberts, who was tripped right on the edge of the penalty area. Or so I thought! Actually, the referee decided that the tackle was inside the box and awarded the spot kick, with very little complaint from the visitors about whether it was in or out. Marlon Pinder had taken our last penalty, but Captain Zach Powell made it quite clear that Jaan would be taking this one and he stepped up and finished comfortably past Jack Minchin.

We continued to press against a lack-lustre Colliers Wood and Thompson Adeyemi found Stanley again, although his shot was just beyond the post before we realised it was all academic anyway as the offside flag had been raised. The visitors then sent a free kick beyond everyone from a dangerous position, but we were soon back on the attack again and our second goal followed in the 20th minute. Again, this started with our defence as Powell pushed towards the area and the ball found its way to Ade Batula. His low shot was well saved by Minchin who got down well to stick a hand out, but Pinder reacted first to slot away the loose ball from seven yards.

It just kept getting better though and we scored a third goal just eight minutes later as Stanley made good progress on the left before sending over a delicious cross that was over Minchin and a defender, but not Batula who jumped to head the ball back across goal into the net from just four yards out. We had further opportunities before the break when Batula struck powerfully at goal, only for Minchin to tip the ball over, and then from the following corner, Adeyemi headed a good chance wide from 12 yards, having beaten his man to the ball. Although the Wood had a goal disallowed in the 42nd minute for offside, it was the first time this season the supporters were able to relax a little at the half!

The second half stopped almost as soon as it had started, following an ankle injury to Daniel Webster and it seems like there is always at least one injury in matches on this pitch. A second would follow later, both of which would require the visitors to use substitutes, but in the meantime we extended our lead. Just nine minutes into the second half Eshilokun wasn't closed down on the edge of the area and he fired an unstoppable rocket past Minchin to become the second former Wood player to score against them in this match following Pinder's earlier strike.

On the hour another good Stanley ball in was cut out at the last moment by a defender, although he then picked up a silly yellow card for delaying the restart moments later. The Ofosu-Hernandez cleared the danger as the ball bobbed around in our six yard area for a moment. We made a couple of substitutions and Owusu interchanged passes with Pinder before sending a good ball in from the right but Edwards' attempted back flick wasn't the cleanest and the ball dribbled through to the grateful Minchin. The game was a little more even at this stage, even if it was over as a real contest.

We attacked again, only for Owusu to be pulled up for a foul when he was clean through, when all he had been guilty of was being stronger than his man. Kiyo Brown was also on the field by now and he received the ball from Nelson-Roberts but chose to shoot from a poor angle with team mates waiting. Had the shot been powerful he might have been forgiven, but it wasn't and his teammates made it quite clear what they thought about his decision making! Negassi would have a similar chance a few minutes later, but he too would make the wrong choice, although the shot did at least require a good save this time. The visitors saw a free kick deflect wide of Nelson-Roberts and Harvey Keogh watched a speculative effort sail over from twenty yards.

However, in the 94th minute a right wing cross from Evans Lamboh was headed in from close range by Christian Amankwah to spoil what would have been our first clean sheet since August, but within a couple of minutes we were celebrating again as Owusu was brought down in the 96th minute with Minchin picking up a yellow card and a minute later Owusu struck home the penalty he had won with a clinical finish to complete the scoring at 5-1.

This was a massive fixture for both clubs and should have been a tight encounter. The fact that it was so one-sided is largely because we were very good and Colliers Wood were so, well, wooden! This was inexcusable for such an important match and would have been obvious to the visiting officials, who sacked their Manager Ben Ewing within 24 hours. We now sit just a point behind them with two games in hand, which is a much healthier position than would have been the case if we had lost, as we'd have been at least seven points adrift of everyone else.

So, for once, I am able to report that "New Manager Bounce" does actually exist and is alive and well here at Cobham! The phenomenon that so often has gone against us in the past, has on this occasion come to our rescue and it will be interesting to see whether Springett throws his hat into the ring for the permanent job, or whether he or indeed, the club see this as a temporary role. Either way, he now has two weeks off to think about it as our match at Sandhurst Town, scheduled for next Saturday, has been moved back and we don't take the field until we visit Alton on 21st October. If you are a regular supporter, please make sure to let everyone know this, as our club haven't bothered to publicise the fact!

3rd narrow defeat in a row for Salts

22 October 2023

Epsom & Ewell 1-2 Balham. Combined Counties League - Premier Division. Tuesday 3rd October 2023.

For the third time in eight days we found ourselves involved in a competitive and fairly even contest, but in all three matches we had to accept a single goal defeat. This loss, our seventh straight defeat in the League, confirms our third worst start to a season in club history after 1963/64 (11 losses) and 1970/71 (9 losses) and although we have been getting closer, further injuries in this match may well hurt us going forward into another big match at the weekend.

James Scott made three changes to the line up against Balham; a team with whom he was previously connected. At the back it was good to see our Captain Callum Wilson back on the field, with Nick Inwugwu reverting to the bench, while up front Marlon Pinder returned in place of the absent Tino Carpena and Sirak Negassi earned a start ahead of Ade Batula who was also amongst the substitutes. However, there weren't many others in the dug out with Ash Snadden still away following his wedding, while Kevin Espinosa was also absent for this match, so Alfie Wyld our physio was the only other person there!

Equally concerning are the numbers coming through the gates right now and just 50 were present for this match, while our club chose to produce no match tweets for this contest after a woefully brief set were produced on Saturday. The club really needs to publicise itself much better. If only there was someone out there who would be prepared to help with that, and yes, I have offered!

The match started at a frenetic pace and the visitors almost took the lead in the fourth minute when a shot from their number 11 came back off the underside of our bar and was cleared to safety. Unfortunately before we faced the corner we had to make a substitution after Ayran Kugathas had hurt his hamstring making an early run and he was replaced by Jabari Ofosu-Hernandez in just the sixth minute.

In response Pinder tried his luck from thirty yards having seen the keeper off his line, but the shot lacked the requisite height and was easily gathered. However, we were the authors of our own misfortune in the 21st minute after we pushed forward on the right, but a wayward pass was intercepted and with one pass James Adebayo was through on their left and he ran in from forty yards out and slotted the ball past Harvey Keogh for the opening goal.

We were back on terms within five minutes after good work on the left between Ethan Nelson-Roberts and Sirak Negassi resulted in a deep cross over to the far side where Ofosu-Hernandez was waiting and from just outside the area he struck a piledriver which the keeper did well to parry up into the air. However, as the ball fell to earth Negassi nipped in from a very narrow angle only a couple of yards out and knocked the ball across the goal into the far side netting for the equaliser. It was our first ever goal against Balham at the third attempt.

However, just as it looked like we had gained a foothold in the match we were behind again. Literally within thirty seconds of the kick off they broke straight through on goal and Tom Read knocked the ball past the exposed Keogh to restore the Balham lead at 2-1 in the 27th minute.

The game continued at a frantic pace with both teams pressing each other and covering a large amount of ground and we had a couple of half chances, firstly when Rory Edwards struck at goal and then when Ollie Thompson met a flicked on corner at the far post, but Edwards' shot was straight at the keeper while Thompson was at full stretch and couldn't keep the header on target.

We then suffered another injury after Wilson also injured his hamstring and Inwugwu came on for him. In fact it was

Inwugwu who prevented a third goal for Balham in first half injury time with a brave saving challenge which was originally awarded as a corner, before it was pointed out to the referee that our man had been fouled in the process of making the clearance and eventually the free kick was awarded! However, we were still very much in this match as the teams went off for the break.

The second half started with a great piece of skill from Negassi who left one man on his backside, before being taken out by a high challenge from their 11. On a level of 0 being ground level and 10 being Jaevon Dyer v Wick, this was at least an eight, although the official decided that a yellow card was sufficient punishment. A few minutes later a shot on our goal was deflected and Keogh was out to collect before being flattened by Adebayo and again this was one of those cases where on another day we might have seen a red card, but leniency was again the outcome as only the yellow was produced.

The visitors had a shout for a penalty in the 68th minute but it wasn't given and the resultant shot went just wide of our goal. Tijani Eshilokun came on for his debut, having featured in pre-season and showed some good touches, but the match was becoming a midfield affair with few chances. The only real chance in this period of the match came with an outrageous attempt from nearly 40 yards that caught Keogh off his line and he had to recover very quickly to just claw the ball away from his goal line for a corner.

Eshilokun was unfortunate with a low curling shot that the visiting custodian was definitely concerned about, but the ball evaded both him and his far post by a matter of inches and as time started to run out we then saw the Balham keeper drop the ball, only to be saved by the referee who saw some sort of foul in there, when there was none. Then in injury time it all boiled over in the final minutes of the match over on the touchline. It was hard to see exactly what happened but Pinder appeared to pick up a yellow card as did our Manager, along with the visitors Adebayo who then had to leave the field as it was his second of the night. However, he had already been subbed off by then so the visitors still finished the game with eleven men and after twelve minutes of added time had been played the final whistle confirmed another defeat for our boys.

There have been definite improvements in recent matches and there have also been a number of injuries too. None of our last three opponents could have complained had we come away with at least a point from any of these matches. However, time is running out as we approach our two most important matches of the season, against Colliers Wood United at home and Sandhurst Town away. Defeats to these two clubs will leave us well adrift of the rest of the League, and it is essential that we can have as many fit men as possible for these encounters. A bit of support would be nice too please. Come on down!

Not quite a “veni, vidi, vici” victory for Romans

22 October 2023

Tadley Calleva 1-0 Epsom & Ewell FC. Combined Counties League - Premier Division. Saturday 30th September 2023.

Ultimately our latest match was decided by a clinical Kieran Rodgers finish from an errant and arguably unnecessary Ollie Thompson pass in the 40th minute. However, this doesn't tell the full story here as a resolute Epsom side more than held their own in this match and were most definitely worth a point against a Tadley side that had scored twelve goals in the last week.

In fact the **Romans**, so named because of the old Roman settlement of Silchester just down the road, probably thought this would be a fairly easy day at the office after their heavy FA Vase win on Saturday followed by a five goal romp against Sheerwater, who of course, we failed to beat two weeks ago. However that would not prove to be the case here as our boys ensured this would become a tight and competitive encounter between two evenly matched sides.

Many of our regulars were missing once again, although Zach Powell did return after a few games unavailable. He probably thought he would be eased in after being named on the bench, but an injury to Reece Tierney in the warm up forced our Manager's hand and left us with only four other substitutes for the match. Additionally, Marlon Pinder and Sirak Negassi were absent and so Tino Carpeno and Ade Batula came back into the starting line up, as did Ethan Nelson-Roberts at the expense of Jabari Ofosu-Hernandez with Ayran Kugathas moving from the left to his more regular position out on the right.

We started brightly and took the game to our hosts in the opening stages. George Owusu had a near post cross cut out from a dangerous position and then in the sixth minute Carpeno set up Ade Batula for a low shot from the edge off the

penalty area that took a slight deflection on its way and made the save by Tadley keeper Craig Atkinson even more special as he stuck out a right glove to keep it out when it threatened to creep under him. Atkinson has played against us on numerous occasions previously for Cove and Hartley Wintney amongst others and always performs well against us.

We forced another couple of half-chances as we continued to display the attacking threat from Tuesday's League Cup match, but the home side gradually began to find a way around us and created a couple of opportunities of their own. Harvey Keogh dealt with the first of these fairly comfortably, although with the second, a weak punch nearly cost us as the ball fell for a Tadley striker whose shot was on target but blocked by Thompson Adeyemi amid futile shouts for handball.

We attacked again and Thompson's far post header was on target but claimed easily by Atkinson, but we then had to defend for a few minutes after Powell cut his knee and was forced to leave the pitch for treatment and if we had conceded from one ball across the area, it would have been hard to swallow as I couldn't see why the referee wasn't allowing our man back on. Neal tried his luck from thirty yards as the home team seemed to be running out of ideas, but our set pieces weren't any better with many deliveries either not getting past the first man, or way beyond all our players. We did have a good chance just after the half hour when a Nick Inwugwu ball towards the far post resulted in two defenders going for the same ball, which then fell kindly for Carpena, but his shot lacked real power and was easily claimed by Atkinson.

Next to try his luck was Nelson-Roberts whose corner was returned back to him out on the right, from where he cut in and struck at goal, but he missed the target with better options waiting in the centre.

It was beginning to look like a frustrating day for both teams when out of nowhere we conceded. Thompson out on the left played the ball square to where he thought Powell would be, only to give the ball straight to Rodgers who ran in on goal and gave Keogh no chance in the 41st minute. It nearly became two in first half injury time with a smart shot on the turn from Fragata, but Keogh was down well to turn the ball away as it was creeping inside his left hand post otherwise. Half time came with no one on either team particularly happy with the situation.

We made a change at the half with Jaan Stanley coming on in his favoured number ten position for Inwugwu as we reverted to a 4-3-3 which looked more like a 4-2-1-3 personally, and we had a good chance in the 48th minute when a ball across from Kugathas found Batula at the far post, but it was on his weaker left foot and he barely made contact; the ball dribbling through to Atkinson from six yards out. Then we were back on the defensive as Rodgers got through on their left but Keogh stood up well and made a good save from the close range strike. The game swung from end to end and Carpena and Stanley saw shots blocked in quick succession and then Kiyu Brown came on for Carpena and Stanley was moved from the "ten" to the centre-forward role after just twenty minutes.

Oofosu-Hernandez came on for Kugathas with fifteen minutes remaining and it was interesting to note that both he and Nelson-Roberts advanced more in this match when we were playing four at the back than they had in recent games where they had been wing backs! Still, we only really created half chances, the best of which came when Oofosu-Hernandez sent a deep cross over and Owusu jumped high to claim the header but couldn't keep it on target.

In the 92nd minute Keogh stood tall again as he made a fine save, but we were unable to breach the opposition's defences and had to accept our sixth straight League defeat. There have been signs of improvement in the last couple of games, but it is a little concerning that, Pinder apart, we haven't seen any other new signings yet, as all of our other players have been at the club since the start of the season. We now enter a potentially pivotal three game stretch against teams at our end of the table as Balham and Colliers Wood United come to us before we go to Sandhurst Town a week later. On the evidence of the last two performances we should still have hope, but the fixtures get noticeably more difficult on paper after those, so it's now time for us to start picking up points or we will have a mountain to climb otherwise.

Epsom and Ewell's 3 - 1 lead lost in 12 minutes

22 October 2023

Epsom & Ewell 3-4 AFC Croydon Athletic. Combined Counties League Cup - First Round Tuesday 26th September 2023.

A devastating three goal swing in just twelve minutes enabled AFC Croydon Athletic to pinch a 4-3 win in this First Round League Cup tie at the Madgwick after we had led 3-1 and been very good value for that lead for 75 minutes.

And it's such a shame because that first 75 minutes of the match was most definitely our most aggressive and threatening

of the entire season as we shrugged off the fact that a number of regulars were missing from this match and took the game to our visitors from the start.

The unavailable list contained Callum Wilson, Zach Powell, Chester Clothier, Ash Snadden, Tommy Williams, Kiyo Brown and Ethan Nelson-Roberts, but this opened the door for a number of players who hadn't had the chance to stake a claim for a place recently and Sirak Negassi and George Owusu both made strong claims for a starting place on Saturday with energetic performances. Ollie Thompson became our fourth Captain of the season and Nick Inwugwu came in alongside him and Reece Tierney, while Jabari Owusu-Hernandez and Ayran Kugathas both came in at the wing back positions.

Only 47 spectators were present to witness a match which would prove to be very good entertainment for a neutral and within a minute we had attacked with Ofosu-Hernandez sending an early strike over the bar from 20 yards. Then Thompson Adeyemi nearly got through with a clever piece of skill, only to be robbed at the last second. This didn't deter us and a ball over to the left found Negassi whose shot back across goal was well saved at full stretch by Oshane Brown's left leg. Brown had played for us twice back in 2014 when we needed emergency cover for a pair of FA Cup ties against Croydon, although when he was reminded about this, he couldn't remember. I suppose it was a few years back!

We continued to attack and Negassi saw his shot half blocked across the field to Owusu, but his side footed strike skipped just beyond the far post from around 15 yards, and in all honesty he probably should have at least hit the target. In response to this point, the visitors had just one strike over the bar from distance by Kamara. Then in the 20th minute Negassi was bundled over by McCarthy who picked up a yellow card for the challenge. Rory Edwards took the free kick and struck the ball at the wall, where it hit an arm and the referee awarded a penalty. Marlon Pinder stepped up to send Brown the wrong way in the 22nd minute and we were ahead.

Things got better in the 32nd minute as a great crossfield ball found Negassi who ran in and simply slotted the ball past the advancing Brown to put us two goals up. There was a suspicion of offside about the goal and there was certainly some protest by the visitors, but the goal stood. However, what next? Well, regrettably just as we needed to see out the half, Inwugwu brought the ball out of defence, but was robbed by Mal Thomas who simply ran in from thirty yards and drew Harvey Keogh out before then clipping the ball past him from close range to reduce the arrears in the 40th minute.

In a sign of things to come later in the match we got a little twitchy in the final few minutes of the half, as if we didn't know whether to go back on the attack, or try to hold on to what we had. However, we survived and went in at the break 2-1 up. Then with just 56 ticks of the second half played we restored the two goal advantage again with a pass to Negassi on the left and his left-footed cross was perfect for Owusu to head back across Brown and into the corner of the net from six yards. Moments later Owusu was inches wide with another shot, but it didn't seem to matter as we were well on top at this point.

Negassi sent another ball across goal that had both Pinder and Owusu stretching to reach it unsuccessfully, before Tierney suffered an injury and he was replaced by Jude Aikins-Hawkson at the back, making his debut for the club. Pinder made way soon after as Tino Carpena came on and then in the 74th minute Negassi was substituted. His replacement Jaan Stanley was flagged offside just as he produced a good finish from an angle with almost his first touch but we were still in charge.

Until the 76th minute, that is. It was hard to see exactly what happened, but a visiting player went down in our penalty area and a spot kick was awarded. Haile Richardson struck the ball away confidently and within seconds he was denied another by a superb close range save by Keogh. However, with the score at 3-2 and despite our dominance to this point, we suddenly seemed to go into our shell and the Rams took full advantage of this with a sweeping move from left to right that was finished off with a low shot under Keogh from Oriogun in the 84th minute. Brown asked us behind the goal if we would go straight to penalties at the 90 minute mark; which would have been the case, but we didn't manage to hold out that long, as a break on the left with just two minutes of normal time to play resulted in Keogh coming out of his goal but failing to gather and the ball across goal was then forced in from close range at the second attempt by Phillips for what would prove to be the winning goal.

We put on a couple more substitutes but the damage was done and despite the five minutes of extra time we fashioned just one more chance, earning a free kick right on the edge that Adeyemi sent high out of the ground. Our Cup hopes went with it and the whistle blew a minute later.

I am absolutely certain that we would have won this match had our recent form been better, but it almost seemed as if we froze within sight of a winning line we hadn't seen for a while, and having defended so well for such long periods in recent games, it was bit of a shock to fall apart as we did near the end. However, this level of football is relentless and unforgiving and we now have to dust ourselves down rapidly for the trip to Tadley on Saturday. This was, in my opinion, a vast improvement on anything we had seen all season from an attacking point of view and I actually saw glimmers of hope in this match, but we are going to have to be more clinical when holding the ascendancy in a match, or those glimmers won't count for many points.

Shoot-out ends Salt's Vase season

22 October 2023

Bearsted 1-1 Epsom & Ewell FC. Bearsted won 4-1 on penalties. Isuzu F.A. Vase - Second Qualifying Round Saturday 23rd September 2023.

A rather disappointing penalty shoot out, the twelfth in our history, ultimately sealed our exit from the F.A. Vase this season. However, much like the F.A. Cup defeat at Eastbourne, we had looked like going out with a whimper until Captain Callum Wilson pulled us level again as the match finished 1-1 after the ninety minutes was complete.

On the face of it, a draw against a team that are well placed in the Southern Counties East is not a bad result and had this been a League match, we'd probably have been more than happy with a point, but we were unable to take advantage of the Wilson equaliser and what was actually our second worst statistically of the seven shoot outs we have lost, ensured that the correct team went through to the next round.

We made three changes to the line up following the defeat at home to Sheerwater. Up front we had Marlon Pinder who returned to the club in midweek and he came in for Tino Carpena, while Wilson returned at the back in place of Nick Inwugwu and Rory Edwards also came into the starting eleven in place of Chester Clothier.

On a perfect playing surface the opening exchanges were mostly in favour of the home side. Harvey Keogh was in action early to keep out a shot from an angle with his legs before Reece Tierney picked up an early and somewhat harsh yellow card, which was probably given because of the theatrical tumble as it was only fractionally late. On the quarter hour the Bears had a good opportunity but Joel Wakefield sent his strike over the bar from just inside the penalty area.

The home side continued to press and a decent attempt from Jordan Tingley went over Keogh's head, but was wide of the goal and the danger was cleared. Then Wilson made a good block for a corner and from this, there was a concerted appeal for a handball, which certainly had me worried, but the referee wasn't interested and as we broke, Jaan Stanley was brought down, earning Alfie Sanders a yellow card for the home team. Wilson was in action again soon after as he made a fine block from Tingley and as we approached the half another Bearsted corner was headed over by the unmarked Ryan Blake.

The final action of the half was a rare Epsom attack as Tommy Williams found Ade Batula on the left, but his ball across goal was cut out by Frankie Leonard in the Bears goal. In fact we had the first chance of the second half too as a Williams corner was headed clear under pressure from Tierney at the far post, but in the 55th minute we went behind as a good pass in from the left to Ollie Freeman enabled him to square the ball for Tingley to finish from close range.

This had been coming and as with other recent matches it was looking as though we had a mountain to climb. Pinder had a good opportunity from an Ethan Nelson-Roberts left wing cross but his headed contact was minimal and the ball went across goal instead of at it. Our "new" man put in a decent shift and will get better as he regains fitness, but his service was sadly lacking in this match. Even our wing backs, who had provided the best opportunities in recent weeks were not getting forwards as often as they used to; something I feel we need to address if we are to provide more of an attacking threat.

Carpena came on after 66 minutes and looked lively. He was involved in our equaliser five minutes later as Batula did well on the right wing before laying the ball back for Stanley to deliver into Carpena who then knocked the ball on for Wilson, standing around the edge of the penalty area to drive low and hard past Leonard, who got a glove to it, but was never going to keep it out. Without a doubt this was against the run of play and would prove to be our only shot on target, but we'll take anything we can get right now! With our heads up we started to ask more questions and Batula tried his luck from 25 yards, only to see his shot blocked by a defender. Then in the 87th minute Carpena slipped his man and got through, running in on goal from about 40 yards out, but Blake was there to make a crucial tackle just outside the area and our chance was gone. Nelson-Roberts then found Kiyoo Brown in the final moments but his shot was also blocked for a corner by a defender.

The home side struck a free kick over the bar during the five minutes of injury time, but the final whistle ensured we would go to penalties. Regrettably we had just taken off our regular penalty taker in Stanley and didn't really turn up for the spot kicks. With Bearsted electing to go first, Phil Headley, Ollie Freeman, Will Johnson-Cole and Blake all scored, rendering their fifth penalty unnecessary as Carpena and Williams both saw their weak kicks saved by Leonard. Wilson netted his penalty in between the two saves, but when Blake's fourth penalty went straight through Keogh it was all over for another year.

There were some positives. Despite missing Ash Snadden and Zach Powell at the back we looked a lot more solid than we had against Sheerwater, but the real concern here is that we are having to do too much defending right now and need to find a way to take the pressure off of our back line for greater periods. Pinder will improve options up front if we can get better service to him, but we now face matches against AFC Croydon Athletic (League Cup) who scored six this day before we travel to Tadley Calleva who hit seven. Neither will be lacking in form or confidence when they face us.

Epsom & Ewell: Harvey Keogh, Tommy Williams, Ethan Nelson-Roberts, Callum Wilson (c), Ollie Thompson, Reece Tierney, Ade Batula, Rory Edwards, Marlon Pinder, Thompson Adeyemi, Jaan Stanley

Subs: Nick Inwugwu for Thompson (62), Tino Carpena for Pinder (66), Kiyo Brown for Stanley (84)

Epsom's football team concede 4 goals

22 October 2023

Epsom & Ewell FC 2 - 4 Sheerwater. Combined Counties League - Premier Division South. Saturday 16th September 2023.

Last week I wrote that our match against Sheerwater was likely to be a more telling indicator of where we are this season and whilst the football club may sugar coat things, I will be honest here as I always am and state what everyone else at the match was thinking, which is that we are now clearly in a relegation battle before the end of September as we shipped four goals to a team that hadn't scored one in the League for 341 minutes before this match in a truly disheartening 4-2 defeat.

Some people might say that the cup matches are important and we have done well in them this season so far, but our bread and butter is the League and four losses to start the season was not even close to the start we would have wanted. However, it could have been argued in our defence that we had played some good teams this season so far. Regrettably, all of those arguments went up in smoke as we faced a team as low on confidence as we were and still lost in this pivotal match.

There may have been mitigating circumstances. Our first choice back three that played only two weeks ago at Eastbourne United were all out of the starting line up as Callum Wilson and Zach Powell were not available, while Ash Snadden was sitting on the bench. In their places came Ollie Thompson, Nick Inwugwu and Reece Tierney and whilst all have been decent this season, this lack of consistency must have had a bearing on why we conceded four goals for the first time this season. Throw in a jittery performance from our keeper Harvey Keogh behind them and some indiscipline from Ethan Nelson-Roberts and Ade Batula who both found themselves in the sin-bin for unnecessary comments and this all contributed to a home defeat that leaves us in serious trouble at the foot of the table and in danger of being cut adrift.

With Captain and Vice-Captain absent, Chester Clothier took on the armband and in front of a disappointing attendance of 70, despite a perfect day for football we started fairly well. Batula was probably our best player and he made a good run on the ten minute mark which ended with a good pass over to Nelson-Roberts who chose to shoot high from an angle and sent the ball over Billy Wilson's crossbar.

A few minutes later Tommy Whitby sent a free kick over our bar, but Keogh then took his goal kick and passed it straight to an opposition striker just eighteen yards out! As he then ran in clear on goal, Keogh redeemed himself with a good save for a corner that fortunately came to nothing.

We recovered from this near fatal setback and started to create more with Batula prominent, playing more down the right than in his usual central role, but our momentum was checked when we lost Nelson-Roberts to the sin bin for comments he made. Clothier was protesting his teammate's innocence but the referee wasn't interested and off he went for a ten minute break.

Once we were back up to full strength though we had our best period of the game and Batula forced Wilson to tip over his strike from 20 yards. Although the subsequent corner was half cleared, the ball fell to Tommy Williams out on our left hand side who curled an unstoppable strike beyond Wilson and into the top corner via the far post to register an early candidate for goal of the season in the 36th minute.

We looked strong at this point which made the equaliser just seven minutes later a complete surprise to me. The most disappointing aspect was how easily the goal came about, as we appeared to think that a foul on Williams would be given, but the game was not stopped and a ball played out to the right found a player in space and his low ball in was swept past Keogh from just inside the penalty area into the far corner by Theo White. This was the visitors first goal for 384 minutes in League action and it had been so simple. There was no further action of note and the teams went off at the break with a goal each, but a feeling that we had missed our chance.

The second half started with some good interplay between Williams and Batula but the cross into the danger area was headed out. A minute later Batula fed the advancing Inwugwu just eight yards out but his touch let him down badly and the ball was cleared when we really should have had at least a shot on target. Regrettably Batula blotted his copybook when he made a sarcastic remark to the Assistant after being denied a throw in and found himself sitting down for ten minutes. Although Tino Carpena had a great chance in the 56th minute well blocked by Wilson while we were a man short, our opponents took the lead just sixty seconds later when Elliott York was put through on the left and he lifted the ball over Keogh to go 2-1 up.

The game drifted for a while, but with eleven men back on the field we secured the equaliser in the 73rd minute after

Carpene won the ball just outside the area and he fed Jaan Stanley on the left whose delivery was side footed into the roof of the net from six yards by the unmarked Batula.

Just as it felt like we had got back into the match and were about to kick on for a winning goal, we were behind once again as a 75th minute free kick from White was met at the far post by the unmarked Rhys Paul who gave Keogh no chance from fairly close range and a minute later White tried his luck from 20 yards and the ball sailed into the roof of the net to make the score 4-2.

We had a couple of half chances as we tried to fight back with substitute Ben Amissah unlucky to see his near post header flick off a defender and drop just wide from a Kiyo Brown left wing cross and Wilson was down well to keep out a Brown drive, but the visitors had their moments too with Keogh doing well to keep out a close range effort at the near post.

We then had the very rare sight of a board advertising that six minutes of extra time would be played and in that period Batula struck wide from a good position before Amissah headed a left wing cross just over the bar. The chances were gone and the final whistle confirmed a depressing score line.

Overall, and in terms of possession and chances you could argue that we were no worse than Sheerwater, who themselves were not that impressive, but we made enough errors, both mental and physical over the ninety minutes to say that we probably deserved what we got. It was interesting at full time to see the players holding an inquest on the field with all the Coaches and Management having walked away by that point. I'll be honest though, I don't think our squad is strong enough right now and it will be key to see whether we will have any new faces in the next week or two, because without any we are going to be in a big struggle for the rest of the season.

Bullish performance beats the Salts

22 October 2023

Jersey Bulls 2-0 Epsom & Ewell - Combined Counties League - Premier Division South - Saturday 9th September 2023.

Our fourth defeat from four League matches was maybe no real surprise for most Epsom supporters as Jersey Bulls defeated us by two goals to nil, even though our failure to register a shot of any concern to the home keeper was a little concerning. On a blisteringly hot day, the home side gradually wore us down and by the end we were a well beaten side, even though I thought we did a good job defensively for much of the match.

In front of an attendance advised as 533; low for Jersey, but in my opinion around a hundred above the actual number who were present, based on a less than half full stand that holds nearly a thousand, we took the field with a few changes from our loss at Eastbourne United. Ayran Kugathas came in for the suspended Tommy Williams, while Ollie Thompson started at the back ahead of Ash Snadden. Further forward Jaan Stanley returned to the starting eleven with Tino Carpene dropping to the bench.

It was Hawaiian day at Jersey and many of the supporters were wearing garlands presented in the Jersey fan zone that opened up before the match. However, there was little for our boys to celebrate and as the players "warmed up" (as if they needed to get warmer!) you could tell that this was going to be a difficult day against a team that passed the ball around for fun.

The first real action occurred in the seventh minute when Harvey Keogh was out quickly to block as a striker broke through. We won a corner at the other end but there was no one there to finish the delivery on after it was flicked on by a defender. Both sides had another opportunity inside the first twenty minutes as a good run by the Jersey number 11 finished with a shot dragged across goal, before a Rory Edwards corner was cleared at the near post, but only as far as Ethan Nelson-Roberts who struck the ball well enough, but it just cleared the Jersey bar. What we didn't realise at the time was that this would be our best chance of the match.

We had a scare in the 27th minute when a mis-hit shot spun up in the air, and Keogh then dropped it and we had a moment of panic in the six yard area before the danger was cleared. However, we were back on the attack soon after as Zach Powell sent a lovely pass through to Ade Batula on the right, who cut in only to see his shot blocked by a defender.

We had an unusual incident in the 33rd minute. Shortly after completing a five minute water break, the referee called a halt to proceedings once again and it transpired that he was struggling with his vision (insert joke here!), but fortunately a Jersey official was able to fill the breach on the line after one of the Assistants stepped up to take the whistle.

The game continued in a similar pattern with Jersey controlling much of the ball, and their number 10 struck at goal but it went high and in the direction of St Helier High Street with the only danger being to passers by outside the ground. On a more serious note we were beginning to concede some free kicks on the edge of the area and from one of these, the ball clipped the wall and forced Keogh into a fine save, tipping the ball over for a corner. For sure the danger signs were there at the half, but we managed to get in to the shade of the dressing room goalless.

Unfortunately, and much like the previous FA Cup match, we conceded early in the second half after another clumsy foul had conceded a free kick out on the Jersey left. The delivery was met with an unmarked header which Keogh kept out, but the ball fell to Adam Trotter around fifteen yards out and his shot went through a crowd of people into the net with Keogh either unsighted or beaten by a deflection.

This was the signal for the drums and bells to start playing for a while as the previously quiet home support suddenly found their voice. In the carnival atmosphere Keogh kept out another low drive that was just creeping inside the post with his left leg and although we attacked with a good run from Kiyo Brown, his powerful looking shot had all the pace taken off it by a defender and it dribbled through apologetically to the keeper.

The hosts sent another header straight at Keogh midway through the second half as we began to get pushed back further and Powell picked up a yellow card to go with the one Batula had picked up at the start of the half. Fresh legs came on with Carpena, Sirak Negassi, Nick Inwugwu and then Snadden all joined the action, but we were struggling to get out of our half as the Bulls seemed to be toying with us at times. Keogh made another flying full stretch save but in the 84th minute Edwards appeared to be cluttered in the middle of the park and we all stopped, expecting the free kick that never came and they nipped through to score their second goal through Le Quesne. It was the least they deserved, even if we shouldn't have switched off, but fortunately a few minutes later the torture was over. In fact this match was very similar in nature to the identical defeat we suffered on our previous visit in 2019.

Some of our Committee appeared rather over-disappointed by the result after the match, and some even expressed the view that the home side weren't that great, but they did more than enough to secure the win against us and you had the feeling that they had another gear or two if required. We have to be realistic about our ambitions this season and accept that sometimes the opposition are on a different level to us right now. That was definitely the case in this encounter and the only things we took home from Jersey were some garlands and a sun tan!

It could be said that four straight defeats to open the season is a poor start, but in our defence, we have played arguably two of the better sides in the division in Jersey and Redhill and were extremely unlucky to lose in the closing seconds at Fleet Town on the opening day, as a point gained there would have kept us off the foot of the table position we currently occupy. However, we do need to start picking up points soon and whilst I'm not that downhearted about our defeat on the Island, our next match at home to Sheerwater on Saturday is likely to be a much more telling indication of where we actually stand this season.

Unarresting match with the police

22 October 2023

Epsom & Ewell 0-0 Met Police. Emirates F.A. Cup - Preliminary Round. Friday 18th August 2023.

We had our first taste of Friday night football at the Madgwick this season as Isthmian League Met Police visited for this Emirates FA Cup tie and despite having the lion's share of the possession, rarely threatened in this goalless draw. This was the ninth time the clubs had met in this competition and we have only won two of the matches, with three draws now.

For our part, we were missing three players who were injured in Tuesday's League match and at times almost seemed content to cancel the opposition out and aim for a replay, where hopefully some of the walking wounded will be able to return.

The first bit of good news was that first choice keeper Harvey Keogh was back between the posts after dislocating his little finger in the Redhill warm up, but unfortunately Jaan Stanley, Callum Wilson and Tommy Williams were all unable to go, so Zach Powell took the armband on with Ayran Kugathas and Chester Clothier in place of the others. Additionally Ollie Thompson and Sirak Negassi moved onto the bench and Tino Carpena and Nick Inwugwu took their places.

Before the match commenced a minute's applause was held in recognition of regular supporter Mark Durbridge who passed away on Friday 11th August. A few former players and his family were present and all stood around the centre circle with the teams and officials for the duration of the applause.

We have had some slow starts this season and we got off to a nervy opening in this match too. Kugathas sent his header beyond Keogh and out for an unnecessary corner which was half cleared to the edge of the box where we then conceded a free kick. Fortunately, the strike on goal was dealt with easily enough by our keeper. However, in the seventh minute Bayley Mummery struck a shot against our far post and although the ball rebounded back into play, it appeared from where I was as though another player then struck our other post, but by this time the flag was raised for offside and the danger was over.

We had our first opportunity in the tenth minute when the ball was fed through to Kiyo Brown and he ran at goal, although his shot was too close to the experienced Liam Beach and he tipped the ball over for a corner which we were unable to take advantage of. Brown then had another run, but what looked like being a threatening ball in was blocked at the last second by a defender.

However, for the majority of the half we were on the defensive, happy to counter attack when the chance arose and looking quite difficult to break down. We also had a couple of yellow cards in the middle of the park with Rory Edwards getting one and then Alfie Walters for a cynical trip on Carpene who had threatened to get away on the left wing. This would have consequences for their defender later. There was nearly a third yellow card after Carpene was brought down by Laurence Ernest and the referee was there quickly to wave the card before being made aware that his Assistant had flagged belatedly for the ball going out of play.

Kugathas was next to pick up a yellow for pulling back his man as this stop-start game was never really allowed to get going. Regular visits from our physio ensured that an extra six minutes were played, but there was nothing of note within it and the teams trooped off at the break with honours even.

The second half started in a similar fashion and we weren't asking many questions of our visitors, although Brown got to the touchline once, but his low ball in was cut out by Beach. Next to try was Ade Batula, but his shot from a narrow angle was never going to beat the well-positioned keeper who blocked the ball out for a corner.

Brown picked up a yellow card for a clumsy tackle before Dan Stewart also found his way into the rapidly filling book, even though this was not a dirty game in any way. Unfortunately with fifteen minutes of normal time remaining Powell limped off and Ollie Thompson came on at the back, moving Inwugwu to a centre position within the back three and Clothier inherited the arm band. A sixth card followed for another visiting player for a foul on Ethan Nelson-Roberts and two further substitutions occurred for us with Ben Amisah coming on for Carpene and Jabari Ofosu-Hernandez made his debut in relief of Nelson-Roberts.

We still appeared to be quite happy not to rush things and to settle for a replay, but nearly won the tie in the 92nd minute after Amisah was put through on goal. Regrettably, he stumbled and this enabled Beach to get a hand to the ball before our man could fully recover. However, the loose ball fell kindly for Batula who just needed to clip the ball over the retreating defenders from twenty-five yards, which he did, but it didn't come down in time and thumped the Met crossbar before going over for a goal kick.

There was time for an unusual incident in the 93rd minute as Walters had been injured and Beach told him to leave the pitch so as not to play any of our players onside. However, he then came back on after the attack had been cleared and picked up a second yellow card for re-entering the field of play without permission. Harsh!

Ultimately, the fact that I am referring to all the yellow cards and substitutions tells you that there wasn't really much to report in terms of real opportunities in this match. It was constantly interrupted by injury and the somewhat fussy referee and the crowd of around 165 or so probably wondered whether they should have bothered to come out at all as the rain then gave them a thorough soaking as they walked 300 yards to reach their cars!

Most importantly though, the two teams remain in the hat for Monday's draw and will now meet again on Tuesday for the replay, which will have to be settled on the night, even if it takes extra time and penalties. There is one good omen here as the last time we met in the FA Cup back in 1989 we drew 0-0 at home before winning the replay 2-0 at Imber Court. Déjà vu anyone?

Redhill cruise to victory on Epsom waters

22 October 2023

Epsom & Ewell 1-3 Redhill. Combined Counties League - Premier Division South. Tuesday 15th August 2023.

We opened up our home League campaign on Tuesday evening against Redhill and found out fairly quickly why they will be involved at the business end of the table come season's end as they cruised to a 3-1 victory.

It has to be said that we didn't have a lot of fortune over the course of the evening either. Before the match Harvey Keogh jammed his finger into the turf making a save in the warm up and with it either dislocated or broken, Toby Colwell came in for his debut at rather short notice. Also making his debut was Kiyo Brown and he showed up well in the first half before being replaced in the second.

This was one of those matches that you watched from a distance. As most people know, I stand behind the goal we attack and if I'm honest, there wasn't an awful lot of that going on in this match!

Redhill had cheekily created a match poster including four former Salts, Adam Grant, Gavin Quintyne, Athan Smith-Joseph and Coach Matt Chapman, but they could have also included Manager Jordan Clark and Tom Harland-Goddard too. As it turned out, only the ageless Quintyne and Smith-Joseph were in the starting eleven and they nearly took an early lead when Colwell stood up well to make a fine save from a Smith-Joseph shot in the fourth minute which was then cleared.

A couple of dangerous crosses went through our six yard box and out as Redhill controlled much of the first half. We had occasional half chances and Ethan Nelson-Roberts was set up for a strike by Sirak Negassi, but his shot was easily dealt with by Luke Roberts in the Redhill goal.

We then saw our Captain Callum Wilson injure his ankle in a collision with a Redhill player and although he had treatment, he was clearly not able to continue much longer and he limped off around ten minutes later. Negassi got past Quintyne who brought him down cynically, although no card was issued when it probably should have been, and Rory Edwards sent the free kick from an angle goalwards, but without enough power to trouble Roberts.

The visitors continued to threaten and Jack Saunders struck the bar from the edge of the penalty area, having just shot over the bar moments previously. Then Reuben Duncan sent his low shot just beyond our far post. They were getting closer and it was no surprise when they went ahead in the 39th minute with a move down the left that was finished off by a shot from around 15 yards across Colwell into the far corner by Tyrese Sutherland.

At this point Wilson was replaced and a couple of minutes later Tommy Williams also needed to go off. In fact every few minutes it seemed like we had another player on the deck. Nick Inwugwu and Ayran Kugathas came on in their places, but Duncan broke through in the 48th minute after we had failed to clear the danger and smashed the ball back past Colwell from just inside the area, giving him no chance as Redhill registered their second goal. It nearly got worse as Inwugwu had to be alert to clear the ball off the line and although Ade Batula struck just over in the eighth minute of injury time, it was a very despondent looking Salts eleven that trooped off at the break.

The visitors continued to press in the second half and shots came in, but we weathered the storm and on the hour we started to become a lot more competitive ourselves, and the final half hour was much more even as a contest. We put together a good move, only for the final pass to Batula to be accompanied by the raising of the Assistant's flag for offside. We then held the ball for a bit of time, although the Redhill defence looked fairly solid and despite having our best ten minutes of the match we then conceded a third goal when Grant broke through our defence and finished easily past Colwell in the 70th minute.

We made a couple of substitutions with Ben Amissah and Jaan Stanley joining the fray and Batula saw his shot deflected for a corner. The 79th minute set piece looked like being an easy catch for Roberts, but he dropped it and Inwugwu was there to force the loose ball over the line at the second attempt to register his first goal for the club with the Redhill defenders hoping for a flag or whistle that might save them, but it didn't come, and rightly so.

Despite pulling a goal back, we rarely looked like adding to it and Redhill almost scored a fourth with a great crossfield pass to the right wing where a low shot from an angle was parried to safety by Colwell. In the final minute of normal time we had our final opportunity when a long ball found the advancing Zach Powell who set up substitute Jaan Stanley who found Batula but the shot was dragged across goal with his weaker foot.

To be fair though, a second goal on the night would have seriously flattered us and we could have no complaints with the final score. More concerningly, with Friday's F.A. Cup match coming up against Met Police there must surely be some question marks over the availability of some of our players following the injuries and with other players Chester Clothier and Ben Bauchop at the match but also unable to play, we appear to have a rather early injury crisis.

Cruel ending at Calthorpe Park for Epsom and Ewell FC

22 October 2023

Fleet Town 2-1 Epsom & Ewell FC. Combined Counties League – Premier Division South. Saturday 12th August 2023.

Despite a slow start to our opening League fixture of the season, we fought back to equalise and deserve a draw, only to then lose the match to a long range deflected strike in the fourth minute of injury time as Fleet Town edged through by the narrowest of 2-1 score lines.

We made four changes from our win over Horsham YMCA. Our Assistant Manager Ash Snaddon was getting married, while Ade Batula and Chester Clothier were unavailable and Nick Inwugwu started on the bench. In their places came Rory Edwards, Ollie Thompson and Sirak Negassi who had all come off the bench the previous Saturday, while Ben Bauchop made his first appearance of the season. Snaddon's absence, together with both of our coaches Steve Springett and Kevin Espinosa being away, resulted in an emergency call for another of our previous keepers Dave Tidy to step into the role and help James Scott out on the sidelines. Tidy actually had a foot in both camps for this match as had also coached the opposition keeper Roan Strong!

As with recent previous matches we made a slow start and in front of a loud crowd that gave the impression of being more than the official attendance of 109 we went behind in the sixth minute after Bauchop was caught in possession and on a lightning counter attack the ball was fed through to Connor Young who slotted the ball past Harvey Keogh from around twelve yards.

It nearly got worse as our Captain Callum Wilson then also found himself robbed on the edge of the area, although on this occasion the shot was an easy one for Keogh to deal with. The home side were pressing us at every opportunity and it took us a while to come to terms with this.

However, as the half progressed we began to improve and Sirak Negassi got a decent shot away that Strong was able to beat away. Strong played in our colours back in a January friendly before spending the season at South Park and appeared very solid here. He was then alert to make a good save from Negassi a few minutes later after our man had won the ball after a Farnham defender had been caught in possession.

It was at times a very rapid contest with both teams really pushing the other and this energy was shown best by our left wing back Ethan Nelson-Roberts. He had been competing well against the dangerous Fleet winger Naz Miah and in the 39th minute he got forward and won a free kick out wide after the referee had decided we had no advantage. This was a crucial decision as Edwards then whipped in a free kick and Thompson met it about three yards beyond the far post with a solid header back into the net for our equaliser.

The second half started with a scare as Miah went down in the penalty area under a challenge, after making a good run, but it wasn't convincing enough and we escaped. We then had a great opportunity when Bauchop took the ball off a defender and we were suddenly three on two on the edge of the Fleet area, but he couldn't pick a pass to a waiting teammate and we were unable to take advantage.

The game was switching from end to end and if anything it was probably a little too open for both Managers' liking. It also became a bit scrappy in patches as both teams fought for every inch out there. On the hour, former Salt Sam Marks put a decent ball in from the right, although Wilson did well to clear the danger at the last minute with a stretching volley. Miah was then clattered by Thompson who picked up our second yellow card after Wilson in the first half and we made a couple of substitutions with Nick Inwugwu coming on for Thompson and Ben Amisshah making his debut in relief of Jaan Stanley who had a quiet day by his standards.

Then things got a little nervy in our area and a close range header was well saved by Keogh. In response Amisshah made a good run and found Negassi, although his shot didn't trouble Strong. We saw another debutant enter the fray as Ayran Kugathas came on for Tommy Williams on the right before it was our turn to press for a while. Nelson-Roberts put in a great burst on the left and his low ball in was turned away by a defender, even though a goal kick was awarded. Then Amisshah got through on the left too and drew the keeper out, but his pull back was cleared for another corner. Tino Carpene was next to strike at goal from twelve yards but Strong made a good save.

It looked as though it was a matter of time before we would pinch the win, and the Fleet Manager was having kittens on the touchline, but a cruel twist of fate was waiting for us in the 94th minute when Mohamed Konte struck speculatively at goal from around twenty-five yards. I've been advised by people from a different angle to me, who thought the shot was going wide, but the ball struck Inwugwu and flew into the opposite corner with Keogh helpless to do anything about it.

There was still time for us to have a couple of chances as the final seconds expired and Negassi saw his angled shot kept out by Strong. Then from the corner it was all hands to the pump as we rained in three shots on goal in about ten seconds; the second of which from Inwugwu hit a defender fully on the chest while he was standing on the line. A yard either side and we'd have been level, but there were no infringements by the home side and shortly after this the final whistle blew.

Did we deserve to lose this match? Absolutely not! However, for what it's worth and regardless of the entertaining contest, I felt that neither team had done quite enough to say they deserved the win and a 1-1 draw would have been a fair result from this most even of contests. Alas, it was not to be and we now face high-flying Redhill in our opening home League match in three days time.

Epsom & Ewell: Harvey Keogh, Tommy Williams, Ethan Nelson-Roberts, Zach Powell, Ollie Thompson, Callum Wilson ©, Sirak Negassi, Ben Bauchop, Jaan Stanley, Rory Edwards, Tino Carpene

Salts open season with FA Cup win

22 October 2023

Epsom & Ewell 2-1 Horsham YMCA. Emirates F.A. Cup – Extra-Preliminary Round. Saturday 5th August 2023.

The James Scott era kicked off on Saturday as we opened up our fifth different ground share at Cobham's Reg Madgwick Stadium with a narrow 2-1 win over Horsham YMCA in what was just the second ever competitive meeting between the clubs.

As is almost always the case with a new Manager, you see some new players on the field. However, today's match also set a club record here as ten players made their debuts. We had nine new faces at the start of the match, equalling the record set in both 1945 and 1982 (if you exclude our first ever match of course!) and a tenth debutant, Sirak Negathas, would join the fray from the bench in the second half to set a new mark.

We have of course spent some time at Step Six in recent years, and as a result this was our first F.A. Cup fixture since losing 3-0 after extra time to Beckenham Town way back in the August of 2018, so it's been a while, but we were fortunate that the game took place at all as a torrential downpour made the new artificial surface waterlogged as the players tried to warm up. It looked like the game would be called off, but the referee chose to wait for a while to see whether conditions would improve and at just around 3.00pm the rain relented. By 3.15 it was clear that the surface was going to be playable shortly and we kicked off at 3.30 on the dot! How nice to see a match official apply a bit of common sense, instead of going by the book, which would have forced us all to congregate there again on the Wednesday!

We finally got going under cloudy and leaden skies, but just like our final friendly on Tuesday against Corinthian Casuals we were a bit slow out of the blocks against a team that had already played two Southern Combination League matches and almost went behind in the third minute after a miscommunication between Zach Powell and our new keeper Harvey Keogh resulting in a back pass that was just creeping inside the post before Keogh recovered to claw the ball away.

Keogh looked like he was going to have a busy day as the visitors threatened again seconds later and he had to make a superb double save; first from a long range strike and then from the follow up from a narrow angle. We hadn't really started and he then had to make a third save to tip a header wide from a Horsham YMCA free kick, all inside the opening ten minutes!

The match was taking place almost exclusively in our half and Keogh had to palm away another shot after one of our defenders Nick Inwugwu had been dispossessed, before the visitors finally took the lead in the 21st minute. A corner wasn't fully cleared by our boys and Sekou Toure swivelled well and struck the ball back across everyone into the far corner from around 18 yards.

It was the least they deserved to this point, but we made some changes to our shape and started to look a little more competitive. Tommy Williams made some progress down the right and set up Jaan Stanley, who laid the ball into the path of Ade Batula, but the side footed strike was a weak one and was straight at Harrison Mott in the YMCA goal. Batula then had another chance from an angle which forced Mott into a more challenging save and from the loose ball Williams sent a deep ball in that was headed away from Ethan Nelson-Roberts at the last second.

Nelson-Roberts then picked up a booking for a reason completely unknown to me and new Club Captain Callum Wilson tried his luck from fully forty yards but the shot dribbled wide of the goal. Just as I was about to send out a half time tweet advising the deficit, we pulled out an equaliser somewhat against the run of play as Batula got away down the left flank, cut in and slotted the ball past Mott from about eight yards in the second minute of injury time with the visiting defence nowhere. This was even more impressive seeing as Batula had just received treatment after being on the wrong end of a solid, crunching but fair challenge from Danny White, following a bit of a hospital pass from Ash Snaddon our Assistant Manager!

In the end we played around five minutes of added time, for this and two other delays caused by injury to visiting players who had to be substituted off and a third YMCA substitution would be required just nine minutes into the second half, leaving them with none left, due to the limit of three in FA Cup ties.

As the second half progressed we found ourselves a little on the defensive and a sliced clearance from Keogh gave the opposition a good chance, but the attack was blocked out excellently by Inwugwu for a corner, although as a result of the challenge he was replaced a couple of minutes later by Ollie Thompson. However, in the 63rd minute we took the lead. Williams made good ground on the right wing and his low ball in was just reached by Tino Carpena who got his toe to the ball ahead of a defensive challenge just inside the box and won the penalty. It can't have looked too clear for others as a couple of people asked for my view on it during and after the match, but I was certain and more importantly, so was the referee!

Stanley stepped up and scored his third penalty in three weeks, but his first official one for the club in the 64th minute to give us a 2-1 advantage that we would not let slip. The visitors pushed for an equaliser but they seemed to have run out of ideas and were restricted to a couple of long range efforts and a shot dragged across goal from twelve yards which really should have hit the target. We rarely looked in danger and might even have made it 3-1 after a great run down the right from substitute Negathas which ended with a pull back for Stanley, but he sent the chance just over the bar from ten yards out.

Fortunately the miss didn't cost us and after nearly nine minutes of injury time the final whistle confirmed the victory which now gives us a home tie against Step Four Met Police in the Preliminary Round. It wasn't the greatest of starts, but we grew into what became quite an enjoyable match and I'm just grateful that the game was played, even if it was the final tie to complete on this FA Cup Saturday!

“Long-live” the Salts. Crowned with promotion.

22 October 2023

Epsom & Ewell FC 2-1 Wick FC. Southern Combination League - Division One Playoff Final. Saturday 6th May 2023.

Thirty years to the day after our final first team match at West Street, we made our final bow at Fetcham Grove but in much happier circumstances, as our 2-1 win over Wick ensured us of promotion back to Step Five for the first time since the dark days of our Centenary relegation season of 2017/18.

The pressure was on. Our second place finish and subsequent home advantage for the playoffs had made us favourites and we had come through a nervy encounter against Selsey just seven days previously. How would we fare against Wick? Well, it was never going to be a comfortable afternoon for an Epsom supporter (but then, did anyone expect any different!) and the match will only live long in the memory for three things. 1) Two wonderful strikes from Jaevon Dyer. 2) A horrible challenge on Dyer in the closing seconds. 3) The significance of what has been achieved with this result, with a return to the Combined Counties League appearing nailed on and the challenges that will bring, including another trip to face Jersey Bulls.

Of course playoff finals are rarely of high quality; they are all about the occasion and the performance means nothing whatsoever without the result, so our players deserve a lot of credit. After being hauled back to 1-1 and with momentum appearing to be slipping away, they turned the contest around and finished worthy winners in the end.

An attendance of 384; our largest at home since our final League match at West Street in April 1993 when Aldershot Town supplied a large number of the 1,087 present that day, gathered in the pouring rain to see whether we could clinch promotion. The visitors brought a group of people with them who certainly contributed to the atmosphere at the Leisure Centre end of the ground, and how Wick must wish that they followed them on a regular basis!

We took the field with just two changes from our win against Selsey with Kevin Moreno-Gomez coming in for Johnny “Sonic” Akoto and Lewis Pearch starting ahead of Jamie Byatt. The opening exchanges were fairly tame as both clubs settled into the occasion, with the Wick drummer setting a beat for the match which started to take on a carnival atmosphere as the rain began to relent.

The first chance of the match came our way in the 11th minute after a clever pass inside the defender to Pearch who bore down on goal, only to be denied by a fantastic save from Keelan Belcher who just got a leg to the low shot, diverting the ball a couple of feet wide of the goal. Belcher was then required to punch the ball away under pressure from Dylan Merchant seconds later, but the next real action came just after the twenty minute mark with a snap shot from Dave Crouch that Tom Theobald dealt with fairly comfortably.

The game was meandering a little if I'm honest until it all changed in the 31st minute when Athan Smith-Joseph got down the left wing. His cross went beyond everyone but was collected by Dyer, almost out on the touchline and he beat two men, before cutting onto his right foot and drilling the ball, via a faint deflection, low past Belcher at his near post. It was a superb strike and on a wet day, the ball skidded through at quite a pace before nestling in the net and justifying in one instant why I love standing behind the goal we attack, even if it was difficult to hear yourself speak at times, something that doesn't often happen at Epsom games!

Smith-Joseph tried his luck five minutes later with Gideon Acheampong, making his 100th appearance for the Salts, providing a great overlap, but the shot was weak and wide. The game then seemed to take on a strange pattern with our boys unsure of whether to push forward for a second goal, and Wick then began to hold a greater share of the possession for a while, although were rarely threatening with it until the final seconds of the half when Theobald palmed away a

stinging drive from distance from Sam Connolly.

The rain started again as the players came out for the second half, but the pattern of passiveness continued. We didn't seem to know whether to stick or twist although Moreno-Gomez was notably getting forward more and his perfect centre was missed completely by the incoming Pearch just six yards out just five minutes into the second period! Theobald was out to clear a long ball shortly afterwards but as the half progressed, we seemed happy enough to allow the visitors to retain the ball more; a tactic that is obviously not without risk. Additionally, Acheampong began to see more and more of the ball on his side, but without any help as two players often appeared on his flank and from one of these attacks, we had a close escape when a deep cross was headed over at the far post.

Our Manager Matt Chapman clearly noticed this development and we made a substitution with the ageless Byatt coming on for Smith-Joseph and Pearch moving out to the right, presumably to help out on that flank where required, but before the new plan had really settled in the visitors were level as a harmless looking ball in from the Wick left wasn't claimed by anyone and Theobald had to come out for the ball and was adjudged to have clipped Aaron Tester in the penalty area. It certainly looked like a penalty to me, but people nearer the incident weren't convinced. Either way though Connolly stepped up and clinically beat Theobald from the spot in the 66th minute. It's hard to pin any blame onto any one individual here, especially from eighty yards away, so it's probably best to describe this one as a defensive miscommunication!

Of course, it is easy to make light of it now, but at the time, this was a concerning development. We had surrendered any momentum we had built up and would effectively have to go out and win the match once again. Dyer was a constant thorn in their sides though and was clumsily brought down on the edge of the area, but out wide, from where Gavin Quintyne's free kick went straight through the wall and struck the inside of Belcher's right hand post, flying across the six yard box and away. Dyer was continuing to receive some rough treatment and found himself on the deck in the area a few minutes later, but fortunately was able to continue after treatment.

Byatt then struck at Belcher from twenty yards as we began our push for the finish line before the key moment of our season occurred in the 82nd minute. For anyone who had missed the first goal, Dyer kindly produced a carbon copy for his second, collecting the ball out on the left wing, beating two men once again and then cutting onto his right foot before drilling the ball in at the near post. Belcher got a glove to the ball, but to be fair the shot was much too powerful and accurate and we were ahead again, this time to stay.

It was all down to game management now and we saw out the final minutes without any defensive worries, although there was still time for controversy as we caught Wick on the break and Dyer nicked the ball past Marshall Ball, only to find himself the victim of an assault on the touchline with a horrible knee high lunge. Fortunately for Dyer he saw it coming and wasn't bearing any weight at the time of the challenge, or it could have been really serious and I am happy to report that he is fine now. The referee had the red card out within seconds as our players then converged on the scene and the obligatory scuffles followed, during which Nick Wilson received a red card. Both will now receive a three game suspension at the start of the next season, but it does seem harsh that Wilson will receive the same punishment as Ball, because it was a horrible foul; a dark red card, if there was such a thing.

Fortunately, the final couple of minutes were played out without further incident and after nearly six minutes of injury time the final whistle confirmed our success. The players gathered together and blue flares were set off by the players on the pitch as the celebrations began. It was quite a sight!

It's been a tumultuous season with numerous changes to the Management and the squad for a number of reasons, some of which were unnecessary. However, the players pulled us through and Dyer in particular will deserve his own chapter in our club's history as we now get a chance to establish ourselves back at Step Five once again, which was extremely pivotal, maybe even to our entire existence as a club. The promotion means that we will now be entered back into the FA Cup and the Senior County Cup and will hopefully herald the start of brighter times. Many issues remain at our club, but these are all for another day.

Maybe the final word should go to our defender Steve Springett, who has suffered a broken ankle, a broken nose, a badly dislocated thumb and various other injury concerns over his two seasons here, and described this season as "unfinished business" after falling in the playoffs last season. Now at least he can say it is mission accomplished! Well done chaps!

Playoff penalty points presage Premier promotion?

Epsom and Ewell win 6-5 on penalties. Southern Combination League - Division One Playoff Semi-Final. Saturday 29th

April 2023.

Two good saves from Tom Theobald added to some well struck penalties were enough for us to edge past Selsey and into a home playoff final against Wick next Saturday after a goalless ninety minutes at Fetcham Grove was followed by the lottery of a penalty shootout.

On a sunny and thankfully dry day a crowd of just over 200, our largest for many years were present and it was good to see a large contingent of former Epsom players watching the match. Of the ones I saw, from the 80s we had Mark Norman, the 90s Paul Meredith and Jimmy Dack, while from more recent seasons we had Daryl Cooper-Smith and Rob Hendry along with Dale Hanson-Byatt, Louis Chin and Jerry Antwi. In addition both of our former Managers from earlier in the season Anthony Jupp and Liam Giles were also present. We almost had more players on the sideline than we had on the pitch!

It's only fair to say that it was a very nervous and underwhelming contest at times. The match seemed to follow a regular pattern for much of the game with our boys holding most of the possession but failing to really threaten Syd Davies in the visitors goal. Selsey attacked from time to time, but not with the same frequency and the decision to give Johnny "Sonic" Akoto the job of marking their danger man Shane Brazil out of the game was the main reason the visitors carried so little threat, switching over with Gideon Acheampong whenever he switched wings. In fact, he's probably still marking him now!

As with most weeks we rotated the squad once again; at the back Sonic and Dylan Merchant came in for Lewis Pearch and Alex Penfold, both of whom dropped to the bench. Nick Wilson came in for Rory Edwards, while Jaevon Dyer also returned to the starting eleven at the expense of George Owusu and Jaan Stanley also started ahead of Thompson Adeyemi. It was a strong looking line-up, but it was also a strong looking bench too and they would be needed as the match went on.

We started brightly with Stanley putting Athan Smith-Joseph through in the seventh minute, but his attempt to score against the same opponents for the fifth successive game was well blocked for a corner. Next to try was Jamie Byatt whose shot was also deflected wide. We won a lot of corners in this match, but we were lacking a bit of height in the penalty area and we very rarely looked like having success from the set pieces against a well-marshalled Selsey defence. In fact we only really had one opportunity when Stanley met a Steve Springett corner with a downwards header that was cleared by a defender standing on the goal line right by the post.

Both Smith-Joseph and Dyer were asking a lot of questions of the visiting full backs, but there was very little in the way of real service for Byatt to take advantage of. To be fair though, we were looking equally solid ourselves and when Akoto broke down the left wing Brazil brought him down, earning the first yellow card of the match, although we would eventually see two issued to each side.

Just after the half hour a lovely crossfield ball was taken in stride by Smith-Joseph, although his attempt to nick the ball over Davies was blocked out for a corner and the closest we came in the half was when Akoto's deep cross caught everyone out and bounced out for a goal kick off the Selsey crossbar.

The pattern of the first half continued into the second and Dyer sent a header over the bar before Smith-Joseph sent a shot goalwards for Davies to gather. But these were only half-chances really. In the 65th minute we had our first really good opening after Stanley broke down the left and put in a superb cross. Davies had anticipated this and came out of goal to cut out the cross, but it was so good that he was out of the picture, although the incoming Dyer then missed his kick from eight yards with the goal gaping!

Selsey sent a reminder that they were still in this match with a low shot from Rocco Gamblin that went into our side netting, but at this stage it was becoming a question of whether we would score or would have to go to penalties. With just two minutes of normal time we should have rendered penalties redundant as substitute Lewis Pearch beat a man on the right wing before running at goal and pulling the ball back nicely for Smith-Joseph, but he too then missed his kick from just ten yards out! Five minutes of additional time couldn't separate the teams and so we went straight to penalties.

This was our eleventh shoot out in club history (with just four wins from the previous ten) although it was our first since the Covid affected season of 2020/21 when we had two in three days. This one was to be held at the Leisure Centre end, which caused people a little surprise and led to a number of us having to get to the other end of the ground in rapid time! We went first in the shootout, but it looked like that advantage wouldn't count for much as Rory Edwards' kick was saved comfortably by Davies. Fortunately, Dillon North also produced an average penalty and Theobald went to his left and kept it out.

Stanley was the second man up and if I'm honest, his spot kick wasn't the greatest either. Davies went down to his right to save, which he did, sending the ball flying up into the air. However, it hadn't finished yet and it came down and spun over the goal line just out of reach of the frustrated keeper! We took full advantage of this piece of fortune and wouldn't let that lead slip. Superb penalties from Gavin Quintyne, who had an excellent game, Kevin Moreno Gomez and Wilson meant that we had scored four of our first five. However, Selsey also scored all of their remaining penalties so we were locked at 4-4 and went to sudden death. At number six Dyer stepped up as the only member of the sixteen players on show to have scored a penalty for us this season and his strike was unstoppable, although this was then answered equally emphatically by Dale Hayes.

Captain Acheampong stepped up to put us 6-5 ahead with a solid penalty, leaving the pressure all on James Henton to follow suit, and in truth his wasn't a bad penalty, straight down the middle, Theobald originally went to his left but reacted brilliantly to stick out a right leg, diverting the ball up onto the bar and away. We were through to the Playoff Final!

In summary, over the course of the match we were the better side and we deserved the win, even if it had to go to penalties before we could achieve it! Our final opponents this season will be Wick, who, like Selsey were beaten twice by us in the regular season and were on the end of a 6-1 hiding at Fetcham Grove back in September. Something tells me

this next encounter will be a little closer!

So on Saturday 6th May we will say farewell to Fetcham Grove and hopefully also to Step Six football after five seasons at this level. I know some important chap is getting a crown put on his head the same day and good luck to him, but seriously, where would you rather be next weekend, the Abbey or the Grove?

"Is it promotion you're looking for?"

22 October 2023

Back to back away victories for Epsom and Ewell FC win 2nd place in the league and home front play-offs for promotion. Richard Lambert reports on both matches:

Chessington & Hook United 1-2 Epsom & Ewell -Southern Combination League - Division One - Thursday 20th April 2023.

For the second match in a row we let a lead slip, but fought back to take all three points with a late winner, this time a close range 83rd minute header from Nick Wilson as we maintained our grip on the top playoff spot with a 2-1 victory over Chessington & Hook United at Chalky Lane.

The win maintained an extremely odd sequence of results between the clubs. At home we have only won one of our last eight matches against Chessington & Hook United, but at Chalky Lane it is a different story as we have only lost once in sixteen visits there! And in the end I felt we were worth the points, although there were times when I worried that it wasn't going to be our night as we spurned a number of good chances to make the game comfortable.

We made four changes from our win against Selsey with Athan Smith-Joseph rested after tweaking his hamstring on Saturday, while Alex Penfold and Rory Edwards came back into the starting line up at the expense of Steve Springett and Gavin Quintyne. Finally, further forward, Thompson Adeyemi came in for Jaan Stanley as we rotated our squad with one eye on another match coming up at Billingshurst in less than 48 hours.

We got off to a flying start with our first attack down the right wing where Adeyemi sent a low ball across goal and it was swept home clinically at the far post from twelve yards by Lewis Pearch in the 3rd minute to give us an early lead. Adeyemi then saw his shot blocked and also a follow up from Edwards as we tried to double our lead from a corner.

In the 13th minute it was Adeyemi again who tried his luck from twenty yards but found Chessington and Hook keeper Andrew Osei equal to the strike. The home side responded by forcing a couple of corners but we dealt with the deliveries into the box well enough and were soon on the attack again with Jamie Byatt seeing his shot tipped wide by Osei and then Dylan Merchant sending a header back across goal from a deep corner, only to see the ball cleared.

We had an excellent chance in the 41st minute when a defender's error let Pearch through on the right and his ball across goal was perfect for Adeyemi, but his left foot contact wasn't as secure as his right and a defender was able to clear the ball away from the goal line. Then Byatt had another try just before half time but his shot was straight at Osei and the last chance of the half also fell to Byatt whose twenty yard strike was far stronger than the one he netted with against Selsey on Saturday, but as a result it just didn't come down in time, clearing the bar by about three inches!

We should have been further ahead by the half and it is always a concern when chances aren't taken. Tom Theobald made a good block with his feet after a defensive slip, but we were back on the attack soon and a foul on Jaevon Dyer allowed us to float a free kick into the box, only for Osei to punch clear. The game was starting to get a little niggly, as is so often the case when these two teams meet and just after a bit of a scuffle the home side equalised with a ball in from the right that was collected by Joe Avery who cut inside Gideon Acheampong before firing the ball past Theobald at his near post from

ten yards for the equaliser in the 55th minute.

This was ever so disappointing and we would have to go again. But we did. A Dyer run and pass to Wilson was hacked clear by Osei just ahead of our man who was then adjudged to have fouled the keeper. Stanley came on for Adeyemi and as we entered the final quarter of the match Dyer set up Pearch for a similar chance to the one he had scored from earlier, but this time he scuffed his shot wide of the post and then it was Dyer's chance to miss a good chance after great interplay between Stanley and Byatt had left him in space, but his touch let him down and Osei's leg was able to dispossess him.

Five minutes later Dyer robbed a defender and broke through on goal, drawing the keeper before flicking the ball on to Byatt, but instead of rolling the ball into the empty net from the edge of the area, he hesitated and a defender closed down the chance which then rebounded into Osei's arms! We made a couple of substitutions in the 77th minute with Springett and Quintyne entering the fray for Penfold and Byatt before we then had the second multi-player scuffle of the day, following a foul by Johnny Akoto, who was then kicked while on the deck. The refereeing could have been stronger in this match and although a card was issued to both sides here, it looked like the home team maybe ought to have seen red.

However, the main event occurred in the 83rd minute. Stanley was released down the right, although his ball across goal was just ahead of Wilson and just behind Dyer, by now operating on the left wing. He retrieved the ball though and sent a superb deep cross to the back post where Wilson met it with a solid downwards header just a couple of yards out from goal, giving Osei no chance to save it.

We played five minutes over the ninety which was about fair and managed the game well in that period with much of the time being spent near the corner flag and there were large celebrations from the away support and the players when the whistle blew for full time and the points were well deserved, even if we had required the late intervention to get all three of them.

So where does this leave us? Well, barring a seven goal swing in our final matches we will now finish in the top playoff spot, ensuring home matches throughout our participation in them. We are now level on points with second place Dorking Wanderers B whose goal difference is three goals better than ours. It is not impossible to catch them and if we could do that it would be the first time we had finished in the top two since 1984. As it is, third place is our highest finish since 2014 and represents a decent campaign, but concerns remain about our consistency as we approach the real business end of the season. A good showing against Billingshurst on Saturday is important to keep building any momentum before we return to Fetcham Grove to close out our season over hopefully the next two weekends.

Billingshurst 1-3 Epsom & Ewell Southern Combination League - Division One - Saturday 22nd April 2023

Cast your mind back to 1984. Lionel Richie was Number 1 with Hello, Margaret Thatcher was Prime Minister and our boys had just clinched promotion to the Isthmian League Premier Division with a late 2-1 win at Farnborough Town that secured second place as we waited in the clubhouse for our Secretary to get confirmation of other results on the one phone they had there.

How times have changed, but if you are under the age of 40, you'll just have to trust me on this one. It was the last time we had finished as high as second place in any division. I'll be honest, I wasn't expecting it as I thought Dorking Wanderers B would win at Mile Oak and we would fall just behind them on goal difference, but a late equaliser for the Oak enabled us to pinch the runners-up spot (and presumably individual medals for our boys?) against the odds.

We made four changes to our starting line up following our win at Chessington & Hook United some 42 hours earlier with Steve Springett coming in at the back for Dylan Merchant who was unavailable. Gavin Quintyne and George Owusu came in for Nick Wilson and Jaevon Dyer who dropped to the bench, while Athan Smith-Joseph who came back in up front ahead of Jamie Byatt. Or so we thought! As it turned out Johnny "Sonic" Akoto was injured in the warm up and so Byatt came back in with Lewis Pearch drawing the short straw and finding himself moving from up front to the right back position with Captain Gideon Acheampong moving over to the left.

But despite the rotations, we scored a goal in the opening ten minutes for the third match in a row. Smith-Joseph got away down the left and fired a cross in. The ball was palmed away by Ollie Courtney but fell kindly to George Owusu who guided his volley over everyone and into the far corner for a smart finish in just the fourth minute.

Unfortunately for the third week in a row we let that early lead slip as the hosts drew level just seven minutes later. Pearch tried to clear the ball under pressure in his unfamiliar position and the ball rebounded kindly for Sam Jobbins who had time to guide the ball beyond the reach of Tom Theobald into the far corner from just inside the penalty area.

We continued to make chances, particularly on the left, although the end product from Smith-Joseph was proving more of a threat to the trees behind the goal instead of the Billingshurst keeper. A Pearch chance deflected wide for a corner and then Owusu found Byatt but he was well marshalled and unable to get a powerful shot away.

We had one scare when a deep free kick was sent into our penalty area and no one took responsibility, leaving Robbie Tambling unmarked to volley the ball goalwards, but fortunately he was unable to keep the ball down and we went in at the half ahead on points, but not on the scoreboard.

We thought we had taken the lead early in the second half when Smith-Joseph's cute through ball found Owusu who netted from a narrow angle, but he was denied by the Assistant's flag. Then at the other end we had danger after Alex Penfold lost the ball, but pulled the striker down to take one for the team. It was an obvious yellow card with Acheampong covering so no further penalty would follow and the free kick was easily gathered by Theobald. Our keeper was active

again as he had to dive to his left to keep a powerful shot out and another shot went just wide of our goal as we looked a little wobbly at this stage.

However, we made three substitutions in ten minutes and Dyer then restored our lead within seconds of joining the fray; cutting in from the left and striking a shot at goal which took a deflection off a defender's outstretched leg and looped somewhat harshly over Courtney into the net in the 73rd minute.

We then had another chance when Dyer's initial cross was blocked back out to Smith-Joseph whose ball in to the near post was blazed over the bar by Wilson as the ball bobbed on him just four yards out, but fortunately just a couple of minutes later in the 79th minute we gained some breathing space when Smith-Joseph tried his luck with a strike that Courtney had covered, only for the ball to hit him squarely in the hands and just drop apologetically over the line for our third goal!

The hosts were looking visibly tired by now after matches on Tuesday and Thursday and with Dorking Wanderers leading at this stage, I was aware that two more goals would give us second place even if they held on to win. As it happened though, we wouldn't need them as the Mile Oak result went our way. It was all good, although there were a couple of injury concerns as Springett picked up a broken nose and then in the final minutes Penfold went down having pulled his groin, which threatens to put a premature end to his season. The injury gave Jack Porter a rare run out for the final moments, becoming to my knowledge the first person in club history to take the field with a number 21 shirt!

The result and the late drama elsewhere in our favour was reminiscent of that spring evening in 1984 and may well live as long in the memory. Back then of course, second place guaranteed us automatic promotion, while now we have to win two playoff matches to secure it, but unlike last season we go into these contests with as much momentum as anyone after compiling a run of five matches unbeaten with three straight wins. One of those was a 3-2 victory over Selsey who we now host just two weeks after they last visited and the hope is that we can repeat that victory this coming weekend. To paraphrase Lionel Richie, "is it promotion you're looking for?"
