

Broad Gauges New Train Set to Serve Epsom

28 November 2024

Residents of Epsom will soon benefit from South Western Railway’s (SWR) latest investment in modern rail travel as the new Arterio trains, officially launched this week, are set to roll onto local lines in March 2025. The £1 billion fleet of state-of-the-art trains promises greater capacity, enhanced comfort, and cutting-edge features for commuters and leisure travellers alike.

The launch event at London Waterloo was marked by cricketing great Stuart Broad CBE naming one of the trains the **Nighthawk**, in a nod to his storied cricket career. Speaking at the ceremony, Broad reflected on the role trains play in bringing communities together:

“Trains are a lifeline for fans travelling to iconic venues. It’s exciting to think of the Nighthawk connecting people across London and the South East, including my beloved Oval cricket ground.”

The Arterio fleet is a major upgrade for SWR’s suburban network. By June 2025, these sleek trains will serve routes to **Dorking, Epsom, Guildford, Hampton Court, and Reading**, with some of the first services to Epsom and Guildford scheduled for March.

What’s New for Epsom Commuters?

Local residents can look forward to a host of improvements:

- **More Space:** Each 10-car Arterio train offers over 50% more capacity than the outgoing Class 455 models.
- **Modern Comforts:** Passengers will enjoy Wi-Fi, charging points at every seat, air conditioning, and accessible toilets.
- **Real-Time Information:** Advanced technology will provide live updates, helping commuters stay informed.

These upgrades are set to make travel smoother for Epsom residents, whether commuting to London or exploring nearby destinations like Guildford and Hampton Court.

A Train Network Honouring Sporting Heritage

SWR’s nod to sporting excellence was evident at the event, where trains were also named the **Jockey, Red Rose, Ace**, and **Thames Racer**, celebrating key destinations such as Ascot, Twickenham, Wimbledon, and the Boat Race course. The Nighthawk is expected to carry cricket fans heading to the Oval via nearby stations, including Vauxhall.

Stuart Meek, Interim Managing Director of SWR, highlighted the significance of the new fleet:

“The Arterio trains are more than just a means of travel – they symbolise connection and community. Epsom passengers, among others, will soon benefit from the extra capacity, reliability, and comfort these trains bring.”

A Boost for Epsom and the Local Area

The introduction of these trains is part of a broader commitment to enhancing rail services across Surrey. With more than 80 peak services planned each weekday, residents can expect reliable, comfortable journeys into London and beyond.

As Epsom prepares to welcome the Arterio trains, the town’s position as a well-connected suburban hub is set to be further cemented, offering improved travel options for work, leisure, and everything in between.
