

Keeping Good Company

22 September 2024

Over the past 3 years we've been increasing our work to address the root causes of poverty in our community, while continuing to support those who need our help. This has hopefully contributed to a slight fall in foodbank use this year, although numbers are still much higher than a few years ago.

We have now opened our second Pantry and there have been increasing opportunities for us to influence and work with other organisations towards our vision of ending poverty in Surrey.

However, as we enter this Harvest season we are facing a number of challenges. Overall, our food donations are down, some of our funding has dried up, we have to be prepared in case foodbank use goes up again (with energy prices due rise) and we have both a higher number and more complex cases in our support work. Poverty is still very much in our midst.

The good news is that as we have developed our work and focused increasingly on prevention - trying to stop people getting to crisis point - preventing poverty is now very much getting on the agenda. Our End Poverty Pledge has picked up traction and gradually individuals and organisations are signing up and realising that to beat poverty we need to commit to actions and work together to change our culture.

This has been matched with our participation work which has grown mainly through the Poverty Truth Commission. With our commissioners we have produced a Short Guide to Participation, which includes some case studies to show how people with lived experience of poverty are shaping what we do and encouraging others to take the participation 'journey' too.

It's an exciting time but we need to continue pushing so that we see a constant in the reduction in foodbank use, people escaping poverty and developing their resilience so as an organisation we are working ourselves out of a job!

This year we have seen some encouraging changes within our foodbank. In May we piloted a new foodbank model at one of our largest centres, after running 2 focus groups with both clients and volunteers. Our 'Choose Your Food' model seeks to recreate a shopping experience for our clients, where instead of being handed over a packed bag of food and toiletries, clients can now walk around with a shopping basket and select their own food and toiletries.

The positive impact of the new model has been felt across the whole of our foodbank operations. Our clients, who have consistently said they much prefer this model, not only because it helps make a foodbank visit more dignified but also because it means clients actively contribute to reducing food waste, by only taking the items they need and want, even when they are entitled to more.

Our volunteers, who have enjoyed greater engagement with clients as they choose their food. And, from an operational perspective, a decrease in stock sent to the centre. As clients are only taking what they need, they are actually taking less food. In the first 2 months following its launch, the amount of food taken per person has reduced by 20%.

We are now exploring how we can transition other centres to this model, so all our clients, across every foodbank centre, can share in the same experience.

With our Summer holiday period over and the restart of school, so too the foodbank is getting ready for a new Harvest season. Every year we are blessed to receive donations from schools and churches which help to keep our centres and pantries stocked for those in our community experiencing financial hardship. Whilst, so far in 2024, we have seen an encouraging decrease in numbers of people attending our centres, we know that with winter approaching, families and individuals will see their bills increase and many will need support to ensure they can access essentials, like food and toiletries.

Unfortunately, the first 6 months of 2024 saw an 18% reduction of stock in, compared to the same period in 2023. We rely on the generous and faithful donations of our community to help us secure the stock we need to continue supporting families and individuals through our food provision projects.

If you would like to organise a food donation this Harvest, see our 2024 wishlist below. Please click on this link for a list of our donation points. If you are organising a delivery directly to our hub (Good Company Hub, Ruxley Lane KT19 0JG), please let us know by contacting us on foodbank@goodcompany.org.uk

Rosebery Park Public Party - Sat 21st Sept.

22 September 2024

Rotary is a global Club of like-minded individuals, friends, leaders, and problem-solvers founded in 1905 in Chicago in the United States, working to give something back to the community they live in. Epsom Rotary Club is celebrating one hundred years of working with the Community in Epsom on 21st September in **Rosebery Park**. This will be a fun filled day for all the family with market stalls, rides for children, entertainment, and food stands. It promises to be a day of family fun and entertainment. [See event entry [HERE](#)]

Rotary began its association with the people of Epsom in June 1924 with an inaugural lunch held by local businessmen marking the start of the Rotary Club of Epsom. Early Community involvement provided a member representative on the Epsom Cottage Hospital Committee and supporting street collections for the hospital fund. Very quickly the club provided support for disabled service men at the Star and Garter home and the Club began providing Christmas hampers to local distressed elderly.

The Armed Forces service connection was restored recently in 2020 when Surrey County Council and Royal British Legion Surrey started a monthly hub for military veterans who were potentially isolated and lonely. This is organised by Epsom Rotary and RBL Epsom and Ewell in partnership, with two offshoot activity groups, archery and model making. Over thirty members of various ages, men and women have formed small friendship / support groups of their own and are offered coach outings such as to the D Day Museum Portsmouth. This year we have organised trips to the Poppy Factory in Richmond, and the Christmas lights in the West End.

Veterans' Hub members and supporters

Into the late 1920s/30s Epsom Rotary worked locally as Rotary members played an active role in restarting the Epsom Chamber of Commerce and nationally providing cash and clothing for the hunger marches during the General Strike in 1926. The Club continued to expand its involvement locally during the second World War by supporting Armed Forces personnel at the anti-aircraft gun sites at Ashtead and Headley and the Canadian soldier's military hospital at West Park.

In the Community the Club was instrumental in starting the Annual Careers exhibition in 1957 and soon after visits to Wisley Gardens were organised for the elderly in the community. In 1957 Epsom Rotary set up a Christmas tree by the clocktower in the town Centre which was an annual event for many years. During the 1970s Thomas the tank engine arrived as part of the Christmas Street collections. The train was constructed by apprentices at Epsom Coaches and remains the centre piece of Christmas collections to this day focussed on Epsom and Langley Vale, now renamed as Tilly the train. These are always joyous occasions with great excitement amongst both children and parents as the train approaches.

Recent years

In 2012 in conjunction with Epsom and Ewell Borough Council the Rotary clubs of Epsom and Ewell organised a Community Fun day at Hook Road arena with a fun fair, pitches for local artisans and charities. This proved highly successful and continued until 2019 until the pandemic.

The Centenary Party in the Park in Rosebery Park is a natural successor to this with the added element that it is a celebration of one hundred years of Epsom Rotary serving the Community. In recent years, the Club has developed more "service related" projects which involves members giving more of their time to work on Community projects. This approach has always been part of the Rotary ethos. Examples include supporting the Veterans Hub highlighted earlier, leasing an allotment from the local Council with a small group of resolute members growing an increasing volume of fruit and vegetables which are donated over the summer months to the Pantry, the Good Company/Food Bank shop in South Street in Epsom.

A current activity is providing support/volunteers to work on an Epsom BID led project called Family Fridays that provides family activities in the town centre for young families in the school summer holidays.

Epsom Rotary continues to prioritise support for young people with regional competitions for Young Musicians, Young Chef and French speaking competitions.

International

The first international visit undertaken by the Club was to the Rotary Club of Rheims in France in 1937 and the Club now has an association with the Rotary Club of Chantilly in France which started in the 1990s and there have been several visits in both directions. This ties in with the town twinning of Epsom and Chantilly and reinforces our shared involvement with the horse racing industry.

The Club has been involved in several international projects with the current focus being AMECA, a small charity in Malawi providing medical services to the local community in a rural setting. The charity has recently built a maternity unit in an area in great need of support for women and children. Secondly, we have supported the Zimbabwe Victims Support Fund for the last five years, which is a small charity supporting dispossessed families, mainly women and children in Zimbabwe.

The future

As we have seen Rotary continues to evolve whilst reacting to the needs in the local community. We face many challenges, particularly attracting new members from the diverse spread of residents locally the Club needs to continue to thrive. There is less emphasis on procedure and formality which potentially enables a wider cross-section of the local community to become involved.

Rotary is a unique organisation which like no other, gives opportunities to become involved in education, community support, training, international activities, visits to other countries, social welfare, and hands-on experience. The challenge is to ensure that our Club can adapt to whatever the future holds yet retain our essential purpose of 'service above self.'

Summary

Throughout the Clubs “100 years in Epsom”, it has actively looked for opportunities to take part in local charity projects. One of the threads which runs through the Club’s history is its contribution to the local community and its close relationship with the Borough Council. From the beginning its membership has included ex-mayors, councillors, and senior officers of the local authority. Over the past one hundred years it has participated in civic ceremonies, attended the annual Mayor’s reception and nowadays the incoming mayor is an honorary member of the Club.

Trust the public to check our rivers

22 September 2024

The **Big River Watch** is returning. From 6th to 12th September, the **South East Rivers Trust** is inviting people across the South East to join the only UK and Ireland-wide citizen science survey of river health, which has attracted more than 9,000 participants in its first year.

Anyone can join the Big River Watch by downloading the free, easy-to-use app and spending 15 minutes by their local river, answering the simple survey questions. The results will be made available on an interactive dashboard and will help drive action to improve rivers both on-the-ground and via campaigns and political advocacy.

We want to build a complete picture of river health, and topics covered include the plants and wildlife people can see, as well as visible signs of pollution or observations on flow levels. Some of the rivers and chalk streams across South East England provide habitats for rare species such as Beavers, Otters, Nightingales, Turtle Doves, Salmon and Brown Trout. It’s essential that we try and restore healthy ecosystems for these rare species and local communities by carefully monitoring the health of the waterways across the region.

The South East Rivers Trust is running a series of volunteer events across the South East throughout September, including river clean-ups, gravel seeding and planting, where local communities can get involved and help restore their river: www.southeastriverstrust.org/events

Bella Davies, CEO at The South East Rivers Trust, said: “People across the UK and Ireland are becoming more and more interested in the health of their rivers, using their voices – and their votes – to show they care. With the Big River Watch, anyone can get involved in monitoring signs of pollution, spotting wildlife, and sharing their connection with their local river. This isn’t just important for us gathering data but is also empowering for people who are demanding better for our rivers.”

Tessa Wardley, Director of Communication & Advocacy at The Rivers Trust, said: “We know that no rivers in England are in good overall health, but we also know that environmental monitoring is currently very sparse. Having a large set of data from one weekend will help our experts to understand what’s going on in our rivers, and what needs to be done to make them cleaner, healthier, and part of a thriving wider environment. As well as learning where pollution and wildlife are spotted, we also want to know how spending time near rivers affects people’s wellbeing, so I’d encourage anyone and everyone to spend some time by their river and make their voice heard.”

- The survey includes questions on river wildlife, signs of pollution, and health and wellbeing
- Results will be updated in near-real time on the **Big River Watch Data Dashboard**
- More than 9,000 people have now taken part in the Big River Watch, 59% of those being new to citizen science

Council pay tribute to Epsom tree hero

22 September 2024

Councillors of Epsom and Ewell stood in silence in memory of local tree hero **Mike Ford**. The full council meeting held in the Town Hall chamber on 30th July heard a tribute from Councillor **Steven McCormick** (RA Woodcote and Langley Vale).

“It is with great sadness that we share the news of the passing of Mike Ford on June 27, 2024. Mike was a pivotal figure in the creation of the Epsom Tree Advisory Board nearly three decades ago. He moved to Epsom in February 1981 and worked as a skilled carpenter for over 50 years, retiring in 2009. He is survived by his loving wife, Leslie, and their son, Darren, and daughter, Emma.

For many years, Mike dedicated himself to planting, nurturing, and caring for countless trees within our community and beyond. His passion for trees is evident in every project he undertook. I first met Mike in Rosebery Park around 2010 when the Friends group was developing a tree trail for park visitors. Thanks to Mike’s

vast knowledge, the tree trail was published and is available to this day on the Friends of Rosebery Park website.

Mike's deep understanding of the park's trees was astounding, reflecting his unwavering commitment to the natural world. Mike could recount the origins of many trees in Rosebery Park and across the borough, often mentioning if they'd come from his own garden. I vividly remember finishing a walk with him, standing by the pond in Rosebery Park, gazing at willow trees, and he remarked, "We don't plant trees to enjoy in our lifetime; we plant for future generations to enjoy." This profound statement underscores the enduring impact of his work.

As our friendship grew, I became more involved with the Tree Advisory Board. Mike's tireless efforts helped secure the planting and preservation of trees across the borough. His enthusiasm inspired a dedicated group of volunteers, embodying his can-do, will-do spirit. Mike's passing leaves a significant void, and I will miss our conversations dearly. However, I am comforted by the memory of the successful replanting of the Mike Ford Copse in the Alexander Recreation Ground by board members last December. Mike was there to witness it.

Mike Ford's legacy will endure through the Epsom Tree Advisory Board and the many trees he planted, which will continue to offer hope, shade, and beauty to future generations. He will be deeply missed by all who knew him."

Surrey Scouts honour Armed Forces Covenant

22 September 2024

Surrey Scouts have become the first Scout County in the UK to sign the Armed Forces Covenant. Representing a commitment on behalf of the 18,000 members of Scouting in Surrey, the Armed Forces Covenant was signed by Joe Rogerson (County Commissioner) and Colonel Tim Petransky, in the presence of His Majesty's Lord Lieutenant of Surrey, Mr Michael More-Molyneux.

The Armed Forces Covenant is a promise that Surrey Scouts acknowledge and understand that those who serve or have served in the Armed Forces, and their families, should be treated with fairness and respect in the communities, economy, and society they serve with their lives. Surrey Scouts enables young people from the Armed Forces Community to join Scouting, supports military families, service members and veterans.

The county of Surrey still sees a large amount of armed forces reside and work across Surrey and a number are currently involved as volunteers in Scouting.

Joe Rogerson (County Commissioner) said "Surrey Scouts is committed to honouring the Armed Forces Covenant and supporting the Armed Forces Community. We recognise the value Serving Personnel, both Regular and Reservists, Veterans and military families contribute to our country and to Scouting".

Colonel Patrick Crowley MBE DL, Chief Executive of the South East Reserve Forces' and Cadets' Association said "The Armed Forces Covenant is a promise by the nation ensuring that those who serve, or have served, and their families, are treated fairly. We are delighted that Surrey Scouts has signed the Covenant and with the commitments Surrey Scouts has made to young people, military families and all members of the Armed Forces Community".

The Armed Forces Covenant is a promise that together we acknowledge and understand that those who serve or have served in the Armed Forces, and their families, should be treated with fairness and respect in the communities, economy, and society they serve with their lives.

Its two principles are that, recognising the unique obligations of, and sacrifices made by, the Armed Forces:

Those who serve in the Armed Forces, whether Regular or Reserve, those who have served in the past, and their families, should face no disadvantage compared to other citizens in the provision of public and commercial services. Special consideration is appropriate in some cases, especially for those who have given most such as the injured and the bereaved.

You can read about the Covenant in depth, the full statement of the Covenant, or Covenant FAQs.

If you're a member of the Armed Forces (regular or reserve), a veteran, or a family member, the Covenant offers a wide variety of support to ensure you are treated fairly.

The Covenant focuses on helping members of the Armed Forces community have the same access to Government and commercial services and products as any other citizen. This support is provided in a number of areas including: healthcare, education and childcare, housing and accommodation, employment, financial services

You can find out how the Covenant supports you, as a member of the Armed Forces community.

A wide range of different organisations implement the Covenant, including: The UK Government and Devolved Administrations, The single Services (Royal Navy, British Army, and Royal Air Force), Businesses of all sizes, Local government, The NHS, Schools, Charities

Some of these organisations sign the Covenant or make other commitments, or have a Legal Duty to consider it.

This site will direct you to the information regarding policies, services and projects that is relevant to you.

The Covenant Legal Duty is a legal obligation on certain public bodies (including local authorities, governing bodies of certain state schools, various NHS bodies, and other organisations) to have due regard to the principles of the Armed Forces Covenant when carrying out certain functions in healthcare, education and housing. It has been in force since November 2022.

All genders, races and backgrounds are welcome at Scouts. Every week, it gives almost over a third of a million people aged 6-25 the skills they need for school, college, university, the job interview, the important speech, the tricky challenge and the big dreams: the skills they need for life.

Scouts helps members gain these skills by encouraging them to ask the big questions and listen with wide open minds. It helps them to take a deep breath and speak up, think on their feet, ignore the butterflies and go for it. With Scouts, young people don't give up - they get back up and try again, often with the support of the friends they've made there.

Scoutabout success for Surrey

22 September 2024

More than 6,000 Scouts and Guides and adults from **Surrey** enjoyed an action-packed weekend of activities over the weekend of 28th to 30th June 2024.

Scouts, Guides, and adults from **Epsom & Ewell** joined other Scouts and Guides from Surrey.

The first Scoutabout was at Ardingly back in 1984 and thus event 40 years was celebrated. The boys and girls aged 10 to 14 had the opportunity to take part in more than 100 activities at the three-day Scoutabout event at the South of England Showground in Ardingly, West Sussex, the only site big enough and close enough to house the Scouts and Guides of Surrey for the weekend.

There were over 150 activities including Bus Driving, car driving, bungee running, kayaking, archery, air rifle shooting and caving, to name just a few. The young people were able to try something new, in a safe environment, gain skills-for-life and make new friends at the same time.

The weekend will not have been possible without the hard work of a determined team of 1,500 adult volunteers from across Surrey who have carried out a range of roles to make Scoutabout a reality.

From camp cooks to a doctor and from fire teams to IT engineers, adult volunteers would have shared their skills to benefit these young people.

One of the biggest tasks has been to source the huge number of activities that make Scoutabout such a success.

On the Friday night Sour Kix played for the camp at the opening ceremony and on the Saturday night Doubting Thomas and The Ariston played on stage.

Over the weekend Scoutabout FM was broadcasting and along with competitions (Thanks to Guildford Flames, Bentley Copse Activity Centre, Airfix and Surrey Sports Park for the donation of prizes) Explorer Scouts were able to present shows.

Bear Grylls, Chief Scout said “A special message for all of you at Scoutabout 2024 at Ardingly showground. I really hope all of you have a brilliant weekend together, look after each other and most of all have fun. So proud of what you all do, helping other people always, showing the true Scouting spirit, you are all amazing”.

Marcus Martin-Burns, County Youth Commissioner for Surrey Scouts said “Seeing 5,000 Scouts & Guides all together for one weekend at Scoutabout has been truly awesome, giving them the opportunities to learn skills for life, make new friends and discover new activities. From Archery to Zorbing, Scoutabout had it all and a big thank you goes to all the leaders and service crew who made this weekend possible.”

Eashan, aged 10 from Epsom & Ewell district (**1st Ewell Court**) said “The best bit of Scoutabout was the fun activities, I enjoyed the bungee slip slide because its fast and fun and gets you active.”

Lucy, aged 11 from Leatherhead district (**3rd Bookham**) said “I liked the quad biking as I have not done it before, and it was really fun.”

- The first Scoutabout was at Ardingly in 1984.
- Scoutabout happens every three years (apart from this one, due to the pandemic the 2024 one puts it back into a tri-annual event).
- Scouts are for Boys and Girls aged 10.5 to 14.
- Guides are for girls aged 10-14
- Individuals are 15% less likely to suffer from mood swings and anxiety if you've been a Scout or Guide. Source: Cohort study by the University of Edinburgh and Glasgow, 2016

Fire Assembly for Ukraine

22 September 2024

Saturday 10th March a Bronto Fire Engine came to Epsom's Market Square outside the Assembly Rooms. A crowd gathered to admire the magnificent machine and wish it well on its journey to a city near the front-line of the conflict between Russia and Ukraine.

Roy Deadman of the charity **Surrey Stands With Ukraine** explained: “Some population centres in Ukraine are so close to the Russian artillery that the missiles can strike before the sirens sound. This fire engine with its long-ladder can rescue lives trapped in apartment blocks.”

Another volunteer with the charity **Nick Budd** said “There has been a tremendous effort to raise the money to purchase this vehicle and the public have been very generous. Our partners in Ukraine are very grateful to be receiving this vital equipment.”

The Mayor of Epsom and Ewell **Robert Geleit** (Labour, Court Ward) was in attendance, confirming a moment of pride for Epsom and Ewell as the headquarters for the humanitarian efforts of SSWU.

Charity director **Lionel Blackman** said: “Post Brexit there remain various bureaucratic obstacles to the engine's transportation across Europe to the Polish border, where our Ukrainian partners will collect and take through their country to where it is most needed; but we will overcome and we expect it to be in place in a few weeks from now.”

Civic awards at civic reception

22 September 2024

The Epsom and Ewell Mayor's civic reception took place at Bourne Hall, Ewell on Friday 8th March. The “great and the good” of the Borough, including Member of Parliament **Chris Grayling**, gathered at this special annual event that witnessed the conferment of the title of Alderman of Epsom and Ewell to three long-serving local councillors.

The ceremonies began with the Mayor's Active Citizen Award. The Mayor, Cllr **Rob Geleit** (Labour Court Ward), presented this year's award to **Barbara Lewis**, praising her selfless dedication to the community: "Barbara, born in Kingston, was instilled with a strong sense of altruism by her late mother. After attending Tiffin Girls Grammar School and serving in the civil service, Barbara settled in Ewell with her husband Martin, celebrating their upcoming Golden Wedding Anniversary. Barbara's commitment to her local area, Station Avenue, has been unwavering. Notably, she spearheaded efforts to provide scrubs, masks, and other essentials to frontline workers during the pandemic, and organized a heartwarming visit from Santa for children in her neighborhood. Barbara's involvement extends to various charitable endeavors, including Epsom Twinning Society and Epsom Rotary Club, and she even finds time to teach a Spanish class for the University of Third Age (U3A). Additionally, Barbara has dedicated herself to fundraising, notably supporting the Mayor's Charity Committee. Her generosity knows no bounds, always willing to help and support her community."

Cllr **Hannah Dalton** (RA Stoneleigh), spoke up for **Chris Frost**, and welcomed him as an Honorary Alderman of Epsom and Ewell, recognizing his positive impact on local politics: "Chris's journey in politics began in his youth, and his dedication led to his election to the Epsom and Ewell Borough Council and later the Surrey County Council. Known for his community spirit, Chris spearheaded initiatives like the Interfaith Forum and the Epsom and Ewell Community Fund."

Ms Dalton commended Chris's wife, Cllr **Liz Frost** (RA Woodcote and Langley), for her unwavering support and thanked his family for their presence. She expressed gratitude to all who supported Chris over the years, including council officers.

Eber Kington signs the book with Mayor and EEBC CEO Jackie King looking on.

Cllr **Peter O'Donovan** (RA Ewell Court) reflected on **Eber Kington**'s remarkable career, celebrating his induction as an Honorary Alderman: "Born in Battersea, Eber's journey into local politics began in the 80s when he joined the Woodcote Residents' Association, eventually becoming a respected councillor. Eber's tenure was marked by his commitment to his constituents, often being the first point of contact for residents' concerns. Despite his aversion to planning matters, Eber's dedication to his community was unwavering. His tenure as Mayor in 1999 was memorable, highlighted by his unconventional but effective leadership style. Eber's dedication to community service extends beyond politics, evident in his charity work and love for Chelsea Football Club." Mr O'Donovan praised Eber's integrity, noting his willingness to listen and support fellow councillors.

Finally, Cllr **Jan Mason** (RA Ruxley) spoke emotionally in praise of the late Mr **Clive Smitheram** who was awarded the Honour of Alderman of the Borough of Epsom and Ewell posthumously. Clive was a central figure in West Ewell having lived there for over 30 years with his wife Gill and family and although a proud Cornishman, Clive was someone who knew everyone locally and if he didn't know someone, he knew someone who did! Clive was a former police officer, having served 31 years in the service and was a retired community safety officer. As an active resident, it led to Clive being elected as a Resident Association Councillor for West Ewell serving for over 20 years, Clive was a former Mayor of Epsom and Ewell in 2010- 2011.

Two years on - Epsom stilled by Ukrainian voices

22 September 2024

Saturday morning the Epsom community gathered at the Epsom Market Place to mark the solemn occasion of the second anniversary of the start of the war in Ukraine. Organized by the **Epsom & Ewell Refugee Network (EERN)** and **Surrey Stands with Ukraine (SSWU)**, the event aimed to show solidarity and support for the people of Ukraine during these challenging times.

The atmosphere was one of unity and reflection as locals joined together to honour the resilience of the Ukrainian people. The local Ukrainian choir, **Renaissance**, delivered a moving rendition of the Ukrainian National Anthem, followed by a heartfelt prayer for Ukraine, touching the hearts of all those in attendance.

Jo Sherring, founder of the Epsom & Ewell Refugee Network, welcomed the crowd, emphasizing the importance of standing in solidarity with Ukraine during this difficult period. "We are privileged to have met and worked with such wonderful people and we will continue to support them as long as they need our help" she stated.

Roy Deadman, Chair of Surrey Stands With Ukraine thanked all the volunteers who have devoted countless unpaid hours to raising funds, collecting donations and sorting and packing aid for Ukraine.

A member of the choir, **Konstantyn**, a Ukrainian resident of Epsom, stepped forward and gave a poignant speech expressing his gratitude for Britain for its unwavering support to the Ukrainian community. "It is with a profound sense of appreciation that we extend our gratitude to everyone who has supported our country, whether in word or deed," he remarked.

The presence of The Worshipful the Mayor of Epsom & Ewell, Councillor **Rob Geleit**, and the Lady Mayor, added a sense of official recognition to the event, further underscoring the community's commitment to standing with Ukraine.

Although unable to attend in person, **Chris Grayling**, MP for Epsom & Ewell, conveyed his heartfelt message of solidarity to the Ukrainian community. "I am sorry not to be with you this year, but wanted to take this opportunity to extend my hand of friendship to all of our friends in Ukraine, both those of you who are here, and to your families who are back there."

I am very grateful to all of those locally who rose to the occasion, providing homes and other support for those escaping the War, to the teams of volunteers who continue to work with the Ukrainians who are here, and also the team in Surrey Stands For Ukraine who continue to provide direct aid to those back in Ukraine.

I know that this is a sombre occasion, but it is one which is really important as a signal of our determination to stand with Ukraine. That determination will not waver here in Epsom and Ewell."

The event served as a reminder of the ongoing struggle faced by the people of Ukraine and reaffirmed the commitment of the Epsom community to support them in their quest for peace and stability.

This week SSWU sent its 100th van packed with aid to Ukraine and the day's event raised over £1000. The charity is sending a long-laddered fire engine to Zaporizhzhia. Being near the front line the city's tower blocks can be struck by Russian missiles before the siren warns.

Alan Avis (SSWU), Cllr Neil Dallen (Residents Association), Mhairi Fraser (Conservative PPC), Cllr Bernie Muir (Conservative Borough and County), Lady Mayoreess, Cllr Robert Geleit (Mayor and Labour Councillor), Helen Maguire (Liberal Democrat PPC), Roy Deadman (SSWU) joined together at the offices of SSWU and EERN in Global House. Offices generously donated by the **Ashley Centre** and generously exempted from business rates by **Epsom and Ewell Borough Council**.

Politicians from all parties suspended differences in supporting the event.

Lionel Blackman director of the charity for SSWU observed: "After the disunity and chaos in Parliament this week over the war in Gaza it was heartening to see local politicians from all sides demonstrate their united support for the humanitarian work being done in the Borough and Surrey for Ukrainians here and at home."
