

## Local community gathered at Horton Cemetery

11 October 2023

On **World Mental Health Day** 10th October on a working and un-seasonally hot day, young and old gathered in commemoration of the 9000 patients buried in Epsom's abandoned Cemetery.

The events were the climax to a year long project of The Friends of Horton Cemetery, supported by **Kings College** and **Dr Alana Harris**, local resident and Reader in History at the University. Entitled "Out of Sight, Out of Mind", the project raised awareness throughout the Borough of the lives of 9000 patients buried between 1899 and 1955. In their memory nearly 1600 ceramic flowers were uniquely painted by hundreds of concerned citizens as they contemplated the stories and photographs of individual patients.

The celebration started in a private field provided for the day by local farmer Mr Seymour Bourne and located right next to the five acre Cemetery. The largest asylum cemetery in Europe. Under a blazing Autumn sun the gathering was addressed by the charity's secretary **Mr Lionel Blackman**, who called for a rejection of a local council categorisation of the Cemetery as "amenity woodland". The Mayor of Epsom and Ewell, **Cllr Robert Geleit** (Labour Court Ward) spoke of Epsom's historic connection to the five psychiatric hospitals in the Borough.

Patron of the charity, **Chris Grayling** MP sent a message, read by Horton Ward Cllr **Kieran Persand**: *"It's easy not to realise, as you drive past, the piece of history that lies behind the fence. Thousands of people lived in the old hospitals, lived and died mostly anonymously. They have no gravestones to mark their final resting place. And disgracefully the cemetery has been allowed to rot by its current owners. It is a credit to the work of the Friends, and of people like Alan Carlson who raised the money for a memorial, that their memory has not been lost. I hope one day that the cemetery can be taken back, and turned into a real garden of remembrance for those who passed so much of their lives here."*

**Theresa Keneflick**, a trustee of the charity and head of St Josephs Primary School spoke and brought a school choir who sang "True Colours" by Cindy Lauper.

The following each read a verse from Thomas Hardy's 'Voices from Things Growing in a Churchyard':

**Rosie Spence**, relative, on behalf of her great, great, great grandfather. **Allen Price** from Love Me Love My Mind. **Carmen Nel**, NHS Clinical Practitioner. **Audrey Ardern-Jones**, local poet and project volunteer. **Charles Wood**, former Nurse at Manor Hospital and Horton Hospital. Kevin McDonnell, Friends of Horton Cemetery Trustee and lead researcher of the lives. **Timothy Folkard**, project volunteer.

Then voices from the Cemetery were spoken by **Epsom Players** representing the lives of Enid Barnet and Richard Waterer.

Dr Alana Harris explained the symbolism of the ribbons everyone had tied for the day to the fence near the Cemetery.

Rev Nick Parish and Judith Mitchell (St Martin's Church of England); Fr Stephen O'Brien (St Joseph's Catholic Church); Pastor Josh Selfe (Epsom Methodist Church); Clerk Frances Touch (Epsom Quakers) said in unison:

"We are gathered to remember these 9000 souls who lived and died in Epsom - to remember them and to make representations that they might have dignity and rest in their death.

To everything there is a season and a time for every purpose on earth. A time to be born and a time to die; a time to plant and a time to pluck up that which is planted. A time to heal, a time to break down and a time to build up.

We affirm our mutual commitment to honour the residents of Horton Cemetery and to work for their memorialisation. Amen."

Finally a trumpet solo 'Marking the Unmarked' - was performed by its composer **Erin Symonds**.

The gathering then followed Scots Piper **Bob Ash** to the former Horton Chapel where a Memorial Garden of the ceramic flowers was unveiled. The audience was addressed by Patron of The Friends of Horton Cemetery, **Baroness Sheila Hollins**, who once worked in the St Ebbas Hospital in Hook Road, Epsom. Dr Harris concluded speeches with an overview of the project and its significance and meaning.

'In Memoriam' a film created by Cameron Cook, Jack Daly and Mica Schlosser of Kings College simply rolled the 9000 names to suitable music. The audience was spellbound.

Company Concentric performed a dance 'Garden Unlocked' and led the audience to the Memorial Garden unveiling. This involved the planting of final flowers within the Forget Me Not installation by **Sue Littleboy** planting for James Poppelwell (great grandad, 1867-1914, d. Long Grove, grave b977); **Nari Fairbanks** (by proxy as resident in NT, Australia) - planting for Charles Holdgate (great, great, great uncle, 1854-1932, d. Long Grove, grave 1105a); **Iveta Goddard** - creator of the ceramic flowers used in the memorial garden and **Lauren** of St Joseph's Catholic Primary School.

Joining the 200-odd strong audience beside Horton Cemetery were Liberal Democrat PPC **Helen Maguire**, Chair of Epsom and Ewell Labour Party **Mark Todd** and **Gina Miller** the True and Fair Party PPC for the constituency. And as ever on her push-bike, Cllr. **Alison Kelly** (LibDem Stamford) and **Janice Baker** a leader of the local Green Party. Two Residents Association Councillors appeared including Cllr Phil Neale (Cuddington Ward) and another.

## Lease reprieve for Langley Village Hall

11 October 2023

Langley Vale Village Hall was under the threat of closure but due to the hard work of the Langley Vale Village Hall Association and local residents a new 10 year lease has been negotiated.

The Hall, situated at 47 Rosebery Rd, Epsom, is the heart of community life in the somewhat otherwise isolated housing estate over the Downs. The freeholder of the hall is THE GUILDFORD DIOCESAN BOARD OF FINANCE, a company limited by guarantee and not-for-profit.

Nevertheless, it is reported to have been a trying and difficult year dealing with the lease renewal.

Sharon Watkinson, a long standing resident of Langley Vale, witnessed the signatures of the trustees of the Association on the new lease.

The new lease includes a guaranteed option to add a further 5 years to take the Hall safely through to 2038.

The renewal allows the Association to apply for grants for the Village Hall for some much-needed maintenance works and possible eco friendly upgrades to the heating and also the windows.

The Hall was the venue for a highly successful Kings Coronation Street Party, "the best party the Village has seen" said Sean Porter, Chairman of the Langley Vale Village Hall Association.

## You are invited to commemorate the 9000 souls in Epsom's forgotten cemetery

11 October 2023

9000 patients of Epsom's cluster of now closed psychiatric hospitals were buried between 1899 and 1955 in a now abandoned Cemetery. The Friends of Horton Cemetery are writing their life stories and seeking to reclaim the five neglected acres from a property speculator.

The **Horton Cemetery** is located between Horton Lane and Hook Road, **Epsom**.

On **10th October 2023** from 1.00pm The **Mayor Cllr Robert Geleit** (Labour Court Ward) and Mayoress of **Epsom and Ewell** will lead councillors, Aldermen of the Borough and the public in commemorating the lives of the 9000.

**Baroness Sheila Hollins**, a Patron of the Friends of Horton Cemetery will be in attendance and Alderman **Alan Carlson** will address the gathering. **St Josephs Primary** School pupils will sing and others will recite poetry. A "committal prayer" will be spoken on behalf of faith leaders of Epsom and Ewell. The ceremony will end with a Scots Piper leading the gathering to the former Horton Chapel that is now the Horton Arts Centre in Haven Way.

This venue will be host to further performances and speeches and the opening of a **Memorial Garden** in tribute to the 9000.

900 ceramic flowers painted by many people across the Borough over the last year will be planted.

This is the culmination of a year long project of the Friends of Horton Cemetery known as "**Out of Sight, Out of Mind**", led by the charity's history consultant, **Dr Alana Harris**, local resident and Reader in Modern British Social, Cultural and Gender History at **Kings College**. The Project is supported by **Historic England**.

**Lionel Blackman**, founder and director of The Friends of Horton Cemetery, said "All are welcome to this significant event taking place on **World Mental Health Day**. Demonstrating widespread public support for the return of the Horton Cemetery for the public and relatives of the deceased, is essential in correcting an unconscionable decision of the NHS in 1983 to sell the land to a property speculator".

If you intend to attend the event you are requested to complete this simple online RSVP form.

## Epsom Scouts Summer Swiss adventures

11 October 2023

This summer was packed with Scouts travelling on International Expeditions and trips and Surrey Scouts joined in on the fun. Scouts from 3rd Epsom & 8th/14th Epsom joined 700 other young people from across Surrey to have their own summer adventure.

The Scouts attended Surrey's Kix. Challenging themselves to take part in activities over a week at Kandersteg International Scout Centre (KISC), Kandersteg, Switzerland.

This year sees the centenary of KISC, where at the beginning of August, saw Dignitaries from Switzerland and members of WOSM (World Scout Scout Movement) and members of the Commissioner team from UK Scouting take part in the festivities.

While Surrey Scouts were on site, they met Scouts from Australia, Switzerland, Germany, Spain, Israel, Japan, Netherlands, Portugal and other parts of the UK.

Thirteen coaches set off from Cobham Services (thanks to them for accommodating their departure and return). Apart from the UK contingent visiting south Korea for the World Scout Jamboree, this expedition was the largest contingent of Scouts from the UK visiting overseas this year.

While in Switzerland, Scouts Walked high into the Mountains with our trained (and KISC trained) Mountain walkers, rafted from Thun to Bern (as well as getting to visit Thun & Bern), went high into the trees as part of a High Rope course in Interlaken (as well as getting to visit Interlaken).

All Troops also helped out on site and got to visit the local area. Troops also chose a Troop day, where some Scouts went up the Schithorn (the one in the Bond movie), Jungfrau, Rothorn (via a steam ship and train), visited the Thermal pools in Brigerbad, Tobogganning at Lake Oeschinen, Zip Wire and Trottie bikes in Grindelwald amongst other things.

**Ian MacQueen** Expedition leader said "KIX 2023 took two years to plan with and aim to give 700 Scouts and leaders the opportunity to try new activities, make new friends and learn skills for life. I think it is safe to say we achieved our aim and more. My thanks to the staff and leaders who made the event a success. We will now start to plan KIX 2026"

Owen a Scout from 1st Nork said "My favourite thing about KIX was the river rafting and being able to invade all the other boats".

Caramay a Scout from 3rd Epsom said "My favourite bit of the week was the trip to the Thermal baths because it gave an opportunity to rest during the active week".

Samuel a Scout from 3rd Epsom said The rafting was the best because the experience was enjoyable and the scenery was amazing."

Scouts are for Boys and Girls aged 10.5 to 14. Pre-pandemic youth membership was 479,000 (2020)

Up until the pandemic, The Scouts enjoyed a sustained period of growth, with total membership rising by nearly 200,000 between 2006 and 2020

2020 to 2021, youth membership fell from 480,083 to 362,752 - a 24.5% decline - and adult membership fell from 155,907 to 141,863. 2021 to 2022 membership growth is 362,668 to 421,852 - an increase of 16%

All genders, races and backgrounds are welcome at Scouts. Every week, it gives almost over a third of a million people aged 6-25 the skills they need for school, college, university, the job interview, the important speech, the tricky challenge and the big dreams: the skills they need for life.

Individuals are 15% less likely to suffer from mood swings and anxiety if you've been a Scout or Guide, according to a Cohort study by the University of Edinburgh and Glasgow, 2016.

## Feelings for feline fosterers

11 October 2023

Would you be able to provide a temporary home for a cat in need? **Cats Protection Epsom Ewell** and District branch has been helping local cats since 1988 and is in urgent need of volunteer indoor fosterers.

They are looking for people who can provide temporary foster care in their own homes for cats like Kelly. Kelly was handed over to Cats Protection when her owner could no longer care for her.

Volunteering to foster a cat can be hugely rewarding; all you need is time, a safe space, and a love of cats. As a fosterer, you would be taking care of a cat in need until they find them their "forever" home.

Cats Protection will provide you with full training, to enhance your skills and knowledge and will cover the cost of equipment, food, and vet bills.

Current volunteer fosterer Helen says "I love the company of cats and by fostering I get to help lots of cats. Of course, I get attached to each cat I foster, but I can then help another cat find their new home. There are so many cats which need our help."

Why become a fosterer?

It is a wonderful and rewarding experience.

It provides the opportunity of having the company of cats in your home, without the responsibility of ownership or expense.

It means that you can take time out e.g., to accommodate planned breaks.

They are looking for people who:

Can provide a safe, secure, indoor environment with sufficient space to allow the cat to eat, sleep and play.

Have the time to feed, groom, play and clean the bedding and equipment.

Own their own home or have permission from the landlord for a pet and are 18 years or older.

Cats Protection Epsom Ewell and District branch is run by a small team of dedicated, cat-loving volunteers, all of whom are passionate about improving the lives of cats and kittens in Epsom, Ewell, and the surrounding area.

They work hard to find loving new homes for local cats in our care, offer support and help with the cost of neutering, provide advice on lost and found cats, as well as arranging education / welfare talks within the Epsom and Ewell area.

They also have a charity shop in Banstead High Street.

To find out more about becoming a fosterer you can email [volunteering@epsom.cats.org.uk](mailto:volunteering@epsom.cats.org.uk)

To find out more about all the work they see <https://www.cats.org.uk/epsom>

Cats Protection's Epsom Ewell and District branch is part of a national network of 256 volunteer-run branches and 30 centres that together help over 166,000 cats and kittens each year.

## Epsom scouts on Korean jamboree

11 October 2023

Scouts from across Surrey, including Epsom and Ewell, arrived in South Korea for the 25<sup>th</sup> World Scout Jamboree being held from August 1<sup>st</sup> - 12<sup>th</sup> 2023. The Jamboree is a two-week event holding significant historical value as the first Jamboree dates back to 1920. Scouts from 150 countries across the globe come together once every four years to promote unity, community and togetherness.

This year the event is hosted in Gunsan-si, South Korea and it is the second time in the country as the 17th World Scout Jamboree was held in the country back in 1991. Festivities kicked off from August 1<sup>st</sup> and will end on the 12<sup>th</sup>. During this time, young scouts will bask in skill development, learn new skills, experience new cultures, and make international bonds with fellow scouts who may not share the same mother tongue but hold the same values as one another.

Those heading to the Jamboree will also have the amazing opportunity of exploring Seoul for three days and also embark on the popular Demilitarized Zone (DMZ) tour - where they will see the original demarcation line between North Korea and South Korea.

Scouts from Surrey and 5,000 other members across the UK, have joined over 40,000 scouts from almost every country in the world this year. Many Scouts spend years looking forward to this event as only Scouts ages 14- to 17 are eligible to apply for the Jamboree. Participants are selected two years ahead of the event so the Scouts can focus on their fundraising skills to fund their trip. Adults are also entitled to join the Jamboree as scoutmasters or event staff.

The Jamboree is a one in a lifetime opportunity for young scouts. These young people do not only gain practical skills but also make bonds for life, connected by one thing - Scouting.

As has been widely reported in the national media a heat-wave disrupted the Jamboree but still Epsom Scouts feel positive about the experience:

Ben, from **Epsom & Ewell district**, said: "Although the event was cut short I feel incredibly lucky that I got to experience a camp of that scale with that amount of diversity and culture and even though I am gutted the Jamboree experience is over I think the skills, memories and friends we have all gained from this once of a lifetime experience will stay with us forever."

Chief Scout **Bear Grylls** said: 'Scouts from all corners of the UK are travelling over 12 hours to South Korea for the 25<sup>th</sup> World Scouts Jamboree. This year five

thousand talented young people from the UK and 40 thousand from over 150 countries across the globe will come together to take on new adventures, make lifelong friendships and experience this once in a life time opportunity. This year is extra special, as it will mark the 100th anniversary of the Korean Scout, a milestone we will all be able to celebrate together at the 2023 World Jamboree.

'The theme of the Jamboree this year is to "Draw your Dream", representing our willingness to accept young people's ideas and opinions, and create an opportunity for them to make their Jamboree dreams come true.'

I'm so proud to be a part of a movement that puts young people first by helping almost half a million people develop skills for life.'

## Reviving nature by the M25 in Leatherhead

11 October 2023

A £2.8million grant has been awarded to a wildlife charity as it aims to fulfil its founder's last wishes.

The **Wildlife Aid Foundation**, based in Leatherhead, was founded 40 years ago by **Simon Cowell**.

The money, which **Surrey County Council**'s cabinet approved today (Tuesday 25th July) will be used to build a community hub for hosting school, college and community groups, as well as family sessions and talks. The £2.8m represents just less than a quarter of the project cost, with the remainder being raised by the charity.

The Wildlife SOS star, who was diagnosed with terminal cancer in 2022, launched a Simon's Last Wish appeal to help the charity after his death.

Documents for the cabinet meeting, which made the decision on awarding the funding as part of the Your Fund Surrey money that community projects can bid for, say the project has the "potential to have a long-lasting positive impact on the environment and wildlife in Surrey".

A planned wildlife centre would restore land bordered by the M25 and the River Mole, and give the charity a future rescuing and rehabilitating animals in Surrey.

The Wildlife area between River Mole and clockwise carriageway of M25

Mr Cowell said the charity had got far bigger than he ever thought it would when he founded it 40 years ago and praised the 400 volunteers at the charity.

He told the LDRS earlier in the year: "They just do an amazing job, and without them we would not be here. It's as simple as that."

On his cancer diagnosis, Mr Cowell said he was in "total denial of the whole thing". He said: "We all think we won't get it, and when you do get cancer, you've got two choices. You sit in the corner and sulk, or you just ignore it and get on with it while you can. So I've done that, basically."

Emily Coady-Stemp LDRS

**Epsom and Ewell Times** adds:

After the grant was announced Simon Cowell said: "It's an astonishing fact that a third of Surrey's biodiversity is either locally extinct or heading that way. The power of the Wildlife Aid Centre shows that, by all of us working together, we will be able to change this. We will inspire visitors to carry out regular, small actions which will have significant, positive impact on the environment. And by all of us doing it, our joint strength is enormous."

This amazing funding means we can finish creating the habitats and build a visitor centre that will welcome everyone. I am thrilled that Your Fund Surrey is supporting the Wildlife Aid Centre; together we will create a replicable movement for environmental good that is driven by our communities."

Surrey County Council Deputy Leader and Cabinet Member for Communities and Community Safety Councillor **Denise Turner-Stewart** said: "I would like to congratulate the Wildlife Aid Foundation who have been successful in their application to Your Fund Surrey's Community Project Fund."

"This is fantastic news for the Wildlife Aid Foundation and indeed for Surrey's residents. This is a truly ambitious and inspiring community legacy project. The new centre aligns with our ambition to promote a greener future in Surrey, to help restore and protect the future of the county's natural environment and encourage nature and wildlife to thrive. It will also offer huge benefit, opening the doors for people of all ages and backgrounds to learn more about wildlife conservation."

A £2.9m award given to Guildford's Yvonne Arnaud Theatre in June saw the total amount of money given out from the pot reach £10m since its launch in November 2020.

**The Wildlife Aid Foundation** is a charity dedicated to the rescue, care and rehabilitation of sick, injured and orphaned animals. Based in Leatherhead, Surrey, UK, the centre operates Surrey County's only wildlife hospital (one of the three largest such hospitals in the UK) and maintains a referral service for wildlife hospitals throughout Europe. The organisation also carries out environmental activist and educational roles. Wildlife Aid has attracted media attention for its rescues of photogenic wild animals like young foxes and baby badgers; Animal Planet's TV program *Wildlife SOS* chronicles the activities of Wildlife Aid volunteers as they rescue imperiled animals

## Orphans by mental ill-health and war

11 October 2023

Another tragic life that ended in Epsom and a burial in Europe's largest and now abandoned asylum cemetery. The **Friends of Horton Cemetery**'s research project is bringing back to life the lives of the 9000 patients.

**Kate Bailey** née Cheer was born in 1882 in Abingdon, Berkshire to a farming family. Unfortunately, there is little cheer in this family's story, which makes for a very sad read, tinged with a little mystery as to why her life unravelled.

It is most sad because her death in 1914 left two very young children who were then to lose their father later that year at Ypres, fighting in WW1.

**Theresa Kenefick-Conway** tells the full story on the website [www.hortoncemetery.org](http://www.hortoncemetery.org)

## Epsom medics sky-dive for babies

11 October 2023

A team of obstetricians, gynaecologists, neonatologists and nurses who work at **Epsom and St Helier NHS Trust** have raised nearly £10,000 for **Bliss**, the UK's leading charity for babies born premature or sick.

Radhika Viswanatha, Nina Underwood, Ramesh Ganapathy, Demetri Panayi, Salim Yasin, Charlotte Pearse, Vicky Minns, Cristina Arias-Rey and Sharon Young took part in a skydive on 28 May 2023 at the Old Sarum Park in Salisbury.

1 in every 7 babies born in the UK will need specialist care and the group have a special link to Bliss, as they each look after women and their babies during pregnancy and delivery and beyond at Epsom and St Helier Hospital.

Some of the babies they deliver are more vulnerable than others, so are looked after by the hospital's neonatal team.

**Demetri Panayi** said: "Our charity skydive was born out of moments of madness, midlife crises and irrational personal desire! But it gave us the opportunity to raise money for a cause close to our hearts, and to our patients."

Donations to their skydive are helping Bliss to drive improvements in neonatal care, to ensure that the needs of babies are at the heart of policy and planning for the future, and to provide information and support to all families with a baby born premature or sick.

Richard Moody, Director of Fundraising at Bliss, said: "We are so grateful for the exceptional fundraising efforts of Demetri and his colleagues. Each donation to Bliss is going towards our mission of helping all babies born premature or sick in the UK have the best chance of survival and quality of life."

"This is a great example of how a perinatal team can come together to raise awareness and money for Bliss."
