

## Walking citizens funding advice

17 May 2023

People from across the borough joined forces with **Citizens Advice Epsom & Ewell (CAEE)** to raise vital funds for those at the forefront of the cost-of-living crisis.

Nearly 50 staff, volunteers and supporters went the extra mile on Sunday 14 May 2023 by walking a self-guided 5 mile route around Horton County Park or 10 mile route through the Epsom countryside to raise funds for the charity.

Image: Cllr Kieran Persand, Chris Grayling MP, Sue Grayling, Lisa Davis CEO CAEE, Louise Curd CAEE, volunteer Chris Bruce CAEE, Cllr Bernie Muir

Supporters who took part on Sunday included MP **Chris Grayling** and Horton councillors **Bernie Muir** and **Kieran Persand**. **Epsom and Ewell Rotaries** both fielded volunteers to help on the day plus some CAEE staff and volunteers who gave up their Sunday.

The event is expected to raise over £1,000. Anyone who would like to walk the route and donate or even just donate, can visit the CAEE Just Giving page. All funds raised during Sunday's event will go directly into supporting frontline services.

One of the people CAEE has helped is Tom (not his real name), a man in his 50s who lives alone in a rented property. He is typical of many of CAEE's clients and their multiple (and sometimes hidden) vulnerabilities. When Tom first came to CAEE he was defensive, lacked confidence dealing with people and his finances and had spiralling rent arrears, council tax liabilities, water arrears and other debts. His paperwork was chaotic and incomplete and Tom found appointments challenging.

Over a period of time, advisers at CAEE have been working regularly with Tom and he has taken giant leaps forward and is now in a much better situation. CAEE has empowered Tom to work at a pace that he can cope with to help him overcome some of his difficulties.

**Lisa Davis**, CEO of CAEE, said: "We're so grateful to everyone who rallied together this weekend. Every day our advisers hear from people who are stressed, isolated and frightened as they try to deal with the cost-of-living crisis. We're working flat out to help people find a way forward. But we're a charity and our services are stretched. All the funds raised by the people of Epsom and Ewell will help us get crisis support for those who need it."

## Epsom & Ewell's Coronation Champion

17 May 2023

Brownie leader **Mary Zoeller** from **Epsom** has been recognised for her outstanding volunteer work by Their Majesties King Charles III and Queen Camilla.

Led by **Queen Camilla**, the **Royal Voluntary Service** has recognised 500 outstanding volunteers from across the UK with a **Coronation Champion Award**. The awards celebrate and recognise the tireless work of volunteers around the country, which formed a key part of the coronation celebrations for His Majesty the King.

Mary received the award for her work volunteering with Girlguiding and other local charities. Over the past thirteen years she has inspired girls to have exceptional experiences as leader of **1<sup>st</sup> Ewell Village (St Mary's)**, as well as being Epsom division and assistant county commissioner for Surrey East.

The Coronation Champion Volunteer Awards were judged by a panel consisting of specialists in the volunteering field and charity leaders. Mary is one of only 500 people in the UK to be awarded a Coronation Champion Volunteer Award.

Mary attended the Coronation concert at Windsor Castle on Sunday 7 May in recognition of her award.

Mary said: *"I'm very shocked but absolutely delighted to be named a Coronation Champion. In Girlguiding, we all work hard to make a difference to girls and young women's lives and it's wonderful when our volunteering efforts are recognised. Attending the concert on Sunday was a once-in-a-lifetime experience, one which I will always remember."*

Brownie in 1<sup>st</sup> Ewell Village (St Mary's) Libby, aged 9, said: *"All the brownies are so excited and happy that Brown Owl won this award. When she told us about the award, we clapped really hard. Brown Owl deserves this award for always making sure we have the best time at Brownies every week. Brownies is so much fun, Brown Owl always helps everybody with a big smile."*

### About Girlguiding

Girlguiding is the UK's largest youth organisation dedicated completely to girls, with around 370,000 members. Girls can do anything. We help them know that, whether they're 4 or 18 or in between. All girls have a home at Girlguiding - whoever they are, and wherever they are. We show them a world of possibilities, big and small. We help them think big and be bold in a space where they can be themselves, get creative, explore, and have fun. We're a powerful collective voice - with girls, led by girls - changing the world for the better.

We're 300,000 Rainbows, Brownies, Guides and Rangers, who come together to laugh, learn, explore and have adventures, in communities across the UK and virtually. We're 70,000 volunteers who make guiding happen by giving time, talent and enthusiasm. Registered Charity No 306016 [girlguiding.org.uk](http://girlguiding.org.uk)

## Dutch scouts go English in Epsom & Ewell

17 May 2023

For over 35 years a close friendship has existed between the **1st Cuddington Sea Scouts in Epsom & Ewell District** and the Karel Doorman Zeeverkeners Groep of Bergen Op Zoom in the southern Netherlands. The roots of the relationship go back to the 2nd World War, Arnhem, disrupted schooling and a Royal Navy Admiral.

The relationship centres around reciprocal visits on a 3 or 4 yearly basis; and 2019 saw the last pre-pandemic visit. The Groups kept in touch over lockdown (and they had a brief joint paddle-boarding session with a motorcycling leader in 2020), but there was incredible excitement when at the end of April 2023, 74 Dutch Sea Scouts and leaders arrived in a double decker coach for their 12th visit.

Their journey had taken them via a day trip to Canterbury and they arrived to meet the **1st Cuddington** team who were cooking dinner. Over the course of the week they had a week with joint boating at the Warspite Water Activity Centre on the Thames; a hike down (and up) Box Hill with Warspite Scouts and Explorers, London Zoo, a day of boating at the Dockland Scout Project in central London, kipping on a ship in the West India Dock, exploring London, swimming in Guildford, videogames with Explorers, joint discos and much more.

Neighbours at 2nd Cuddington provided accommodation for the girls whilst the Dockland Scout Project supplied both accommodation and a day of boating in the shadow of Canary Wharf; there was also support from Scout partners at Ajax Sea Scouts

### About Scouts

- Scouts, the world's largest youth movement, was founded on 1 August 1907.
- In the UK, Scouts is supported by The Scout Association, enabling 7,000 Scout Groups across the country to provide opportunities to over 475,000 young people aged 6-25.
- There are now more than 638,000 individuals actively involved in Scouts in the UK.
- All genders, races and backgrounds are welcome at Scouts. Every week, it gives almost half a million people aged 4-25 the skills they need for school, college, university, the job interview, the important speech, the tricky challenge and the big dreams: the skills they need for life.
- Scouts helps members gain these skills by encouraging them to ask the big questions and listen with wide open minds. It helps them to take a deep breath and speak up, think on their feet, ignore the butterflies and go for it.

With Scouts, young people don't give up - they get back up and try again, often with the support of the friends they've made there.

- Over 200 activities are offered by Scouts around the UK, from canoeing and caving to coding and community projects, made possible by the efforts of over 163,000 adult volunteers.
- Worldwide, Scouts has over 50 million members, both male and female, and operates in nearly every country in the world.
- UK Scouts has over 250 Scout Activity Challenge badges. These require participants to achieve a level of understanding and skill realistic and appropriate to their age range.

## A Valentine unloved for over 125 years, till now

17 May 2023

Another short and tragic life buried in an unmarked grave in Epsom's abandoned Horton Cemetery is brought to life by one of the volunteer team of researchers. The full story can be read on [www.hortoncemetery.org](http://www.hortoncemetery.org)

The story of **Valentine Ridley**: At just 6 years old, in 1897, we find Valentine and his sister Elizabeth in the Greenwich Union Poor School. Their father George is "in house", that is, living in the workhouse. There is no mention of Valentine's mother or his younger sisters. Later in October Elizabeth is released 'c/o Father'.

In May 1898 Valentine and all three of his sisters were admitted, along with their father, to the Greenwich Union Work House, their address is given as Snead Street, New Cross which is shown on Booth's Maps as "comfortable" two storey houses, with bay windows, usually shared by two families. Sadly, by August of that year Valentine was in the Brighton Road, School, Sutton. His father is now shown as 'out of house on leave'. In June of this year Valentine's youngest sister, Florence, was transferred to the Work House Infirmary where she died in October 1898, having lived a short sad life, so possibly George's 'leave' was due to this event.

Periods of leave were granted to look for work, deal with family problems or celebrations. Someone like Valentine's father George, became known as an "in and out" as they spent their lives in and out of the workhouse/infirmary.

The 1901 Census, taken on 31<sup>st</sup> March, shows all three children in the Banstead Road School, Sutton, but on 23<sup>rd</sup> Dec 1901 Valentine, Elizabeth and Mildred are discharged from the Brighton Rd School and returned to the Workhouse again. These two schools were run by the same authority and seem almost interchangeable.

23	Widow Ridley	Elizabeth	Greenwich	Maisters	6	1	3	1	To the Workhouse
*	"	Valentine	"	"	8	1	1	1	"
*	"	Mildred	"	"	7	1	3	1	"

on 18th November 1909 he is admitted to the Ewell Epileptic Colony where he lived for the next 7 years. According to the 1911 Census he developed Epilepsy when he was 16 years old, just one year prior to being admitted. With no family to care for him we can assume that the Greenwich Union was happy to pass his care to the Epileptic Colony in Ewell.

Valentine died on 21<sup>st</sup> February 1916 and was buried in the Horton Estate Cemetery on 25<sup>th</sup> February in plot number 2014a, he was just 23yrs old.

The 'Epsom Colony', part of the Epsom Cluster of five mental hospitals' had been opened in 1903 to care for "the Epileptic insane of the Metropolis". This new approach housed patients in a collection of villas, avoiding the stigma of living in a mental asylum. The treatment consisted of a specially regulated diet and doses of potassium bromide, the first effective treatment for controlling epilepsy. The patients were expected to contribute to their costs by working on the hospital farm or in the kitchens, laundry or bakery, all of which supported the Epsom cluster of hospitals.

## “Imagine this house is in Epsom” says our man in Ukraine.

17 May 2023

Epsom based **Surrey Stands With Ukraine's** charity director returned from Ukraine recently. Interviewed yesterday by Epsom and Ewell Times (E&ET).

---

E&ET: Why did you go?

Lionel Blackman: The fantastic Epsom and Ewell team of volunteers of Surrey Stands With Ukraine has raised over £380,000 from the generous public and sent over £1 million worth of donated supplies to Ukraine over this first year of the War. A charity should know those who distribute aid on its behalf and after one year it was time to meet some of our Ukraine partners in person.

Photo is of a destroyed house in the Ukrainian village of Moschun just north of Kyiv.

E&ET: Who did you meet?

LB: We have supported a variety of groups relieving the civilian victims of the war. I met a team of English women who help refugees at the Polish border railway station of Przemsyl. Groups based in Kyiv who send our supplies to Ukrainians who continue to live near the front-line, who evacuate elderly and children from such areas and who are helping rebuild communities whose homes have been destroyed.

E&ET: Was your visit worthwhile?

LB: In Ukraine I just spent one and a half nights in hotels, half a night in an air raid shelter and one night on a train. It

was deliberately a short visit so not to distract our partners from their vital volunteer work and their ordinary paid employment. But still, getting to know them better and being fully satisfied as to their commitment to honest and selfless voluntary charitable service is important for our own charity, our wonderful volunteers and our donors. We can continue with ever more confidence that we are doing the right thing and spending the funds appropriately.

E&ET: What did you see of the war?

LB: There were drone attacks on Kyiv the night I stayed hence half of it spent underground. Hosts told me that the air raid sirens sound every other night. Is Putin trying to wear you all down? I asked. "Never, he will never do that". This is the thing. Putin is uniting a nation he thought he could divide.

I visited Moschun. The defenders of this village held the line and stopped the Russian army getting to nearby Kyiv last year. Most of the homes are destroyed. The Negotiator's Annual Estate Agents Awards organised by our charity's trustee and Epsom resident Grant Leonard, raised funds for 20 generators that we sent to Moschun with the assistance of local Epsom, district, national and Kyiv Rotary.

E&ET: When will the war end?

LB: A charity can't get involved in the politics but personally I am of the opinion that Putin needs to be defeated militarily and the people of Russia have to turn against this war before it will end.

It is the UK Government's role to aid foreign military. A charity can only support civilians whose lives should not be attacked in any war. In this war civilians are being killed and maimed and made homeless in their thousands.

Surrey Stands With Ukraine and the great public of **Epsom and Ewell** and beyond have to help the civilian victims for the long haul *and keep giving*.

Just imagine that once beautiful house in the photo was in Epsom?

## Flight of refugees: history repeating?

17 May 2023

**Epsom and Ewell Times** marks **Holocaust Memorial Day** (Friday 27th January) with an article about Surrey characters who saved Jews from persecution *and* we report on the work of a daughter of a Holocaust survivor, now living in Epsom, who is saving *today's* refugees.

Marking Holocaust Memorial Day (27th January) Surrey History Centre highlights local characters who saved Jews from persecution. Across Britain many so-called ordinary people made extraordinary and often brave attempts to help rescue and settle people escaping Nazi oppression. Surrey was no exception: individuals and committees alike demonstrated remarkable compassion and team spirit in helping refugees during the 1930s and 1940s.

Some of these extraordinary people were themselves Jewish refugees from Europe: people like childcare specialist, Alice Goldberger (1897-1986) from Berlin, who set up a hostel for child Holocaust survivors at Weir Courtney in Lingfield in 1945; Dr Hilde Lion (1893-1970), an academic from Berlin, who established Stoatley Rough School in Haslemere in 1934; and Julius Warschauer (1907-1982) from Berlin who chaired the Mayor of Guildford's Refugee Committee, and was helped in the pastoral care of Guildford's Jewish refugees by his father Rabbi Malwin Warschauer (1871-1955).

### History repeating?

**Nina Kaye**, who lives in Epsom and is one of the founders of the **Epsom & Ewell Refugee Network**, is the daughter of a Holocaust survivor. Her mother, Marianne, was born in Vienna in 1925 and had to flee when the Nazis annexed Austria in 1938. Marianne's mother was granted a visa for Great Britain but she was not permitted to bring any dependents with her, so Marianne had to apply for a visa for the kindertransport and, at the age of 13, travelled alone from Vienna to Stockholm. Later, in 1943, she was able to rejoin her mother in London.

In 2015, Nina wanted to offer Syrian refugees a room in her house but there was no organisation that matched refugees with private families offering to host them. So she helped set up Refugees At Home ([www.refugeesathome.org](http://www.refugeesathome.org)), a charity that has since become one of the leading organisations to match people with a spare room to refugees and asylum seekers in need of somewhere to stay. Since then she has hosted more than 30 refugees in her home.

At the same time she was involved in setting up Epsom & Ewell Refugee Network (EERN), a local organisation whose aim is to help support refugees and asylum seekers in and around Epsom. EERN is a volunteer led local organisation with an enthusiastic support network. Before the Ukrainian crisis, EERN was helping around a dozen families and some individuals settle in to the area and make a new life for themselves, providing English lessons, offering support to find jobs, helping children settle into schools, organising events and addressing many of the issues that arise. Since the war in Ukraine started, EERN now support around 180 families, helping them integrate into the community. Host families in this area have been very kind and generous and EERN offers support to both the families and their guests.

EERN's most pressing need is for more sponsor families and potential landlords for Ukrainian families. If anyone can help, please contact [epsomrefugeenetwork@gmail.com](mailto:epsomrefugeenetwork@gmail.com)

## The seasonal goodwill of Epsom and Ewell

17 May 2023

In the middle three weeks of December local rotarians escorted Father Christmas around the streets of Epsom accompanied by Tilly the train and a band of helpers from local youth associations. Joining the effort were **Wilson's of Epsom** on two of the nights, when they provided a driver and a Santa Claus.

It was a truly wonderful experience with young children and adults saying how delighted they were to see Santa Claus; and they gave generously to help local charities. This year knocks on people's doors returned and they were pleased to see the Train and Santa after the COVID lay-off.

With today's Social Media such as WhatsApp, children were ready and waiting. It was a wonderful sight when the train started down a street to see little groups in the darkness waiting. Tilly was also happy to have so many photos taken of her.

Around £6000 was raised for local charities, which included the youth organisations who helped.

Epsom Rotary, over the festive season, supported a group of young carers to a pantomime trip, a Christmas Card Appeal raised £250, the Christmas Hamper and Balloon Race Competitions, Carol singing and collections in the Ashley Centre raised even more cash for local charities. They supported the **Meeting Room** by collecting and donating presents and collecting donated foods from Waitrose.

Rotary and the local charities they support thank the marvellous generosity and spirit of Epsom and Ewell's wonderful local community.

## Local poverty moves 12 year old to give up pocket money

17 May 2023

Merland Rise church caretaker told LDRS\* reporter: "Last week a young girl, about 12 years old, came and knocked the door. She'd gone to Asda with her pocket money and spent it on food for the food bank. I was nearly in tears."

Decision makers need to listen to the "lived experience" of people using food banks to tackle the root causes of poverty, according to one organiser. **Tadworth's Merland Rise church** is home to a weekly food bank, as well as being one of Surrey County Council's warm hubs, where people can go if they are struggling to heat their own homes.

Image: Staff, volunteers and councillors at Merland Rise church, which holds a weekly food bank and warm hub. Emily Coady-Stemp

While uptake on the warm bank had been slow, the modern church was still a hive of activity when the LDRS\* visited in late November to talk to some of those involved. The food bank has seen a rise in its users, and has moved downstairs to a bigger room in the church, while organisers are sure that as people use the church for other activities, the news will start to spread about the warm hub.

The building, where warm hub visitors can get a tea or coffee and a hot meal, is large and modern, and used for many community activities. Its administrator **Christina Lane** said she probably takes the building for granted given she goes to church there every week. She recognised that many people were struggling at the moment, and didn't want anyone to feel embarrassed about coming down. "There's no shame, we just have to club together," she said.

**Jen Barnard** is strategy lead at **Good Company**, which was established this year and is an umbrella organisation working with several food banks, the **Epsom and Ewell Refugee Network** and the **Epsom Pantry** among others. She said there had been a rise in numbers of people using the food bank, compared to pre-pandemic levels, and that 10,000 food parcels have been given out this year across the five food banks in Banstead, Leatherhead, Tadworth, Epsom and Ewell.

Offering advice to those who visit on all aspects of their life, Ms Barnard said people may be referred on for mental health support, help with applying for disability benefits or advice on reducing energy consumption.

A key part of the work, she believes, is in listening to users and looking at what changes might help them.

"It seems like a small thing," she said, "but listening to people and understanding that everyone is an individual, everyone is unique. And a willingness [is needed] to try to think in new ways, and trying to really hear what people are saying and respond to it."

She said the organisation's aim was to work towards a poverty-free future, but in the meantime to support those who needed it. "Very much a part of our strategy is participation and trying to bring together people with lived experience with decision makers, trying to say: 'We can make changes locally that are going to improve people's lives,'" she added.

**Andrea Lewis** is the Merland Rise church caretaker, who helps run the building including the many events that go on there, from the food bank to birthday parties, exercise classes and more. Speaking before December's cold snap hit Surrey, she said the warm hub hadn't really "kicked off" but she thought the word would spread as more people visited the church, including for a Surrey County Council bingo event taking place that afternoon.

Word spreading throughout the community also means people are being brought together at a time when many are struggling. Surrey County Councillor **Rebecca Paul** (Conservative, Tadworth, Walton & Kingswood) and Reigate and Banstead Borough Councillor **Rod Ashford** (Lower Kingswood, Tadworth and Walton) both recognise that people get a lot out of volunteering for projects such as the food clubs that run in the borough.

The borough council scheme offers people discounted food for an annual subscription of £1 and £2 payment to attend each week, giving people more ownership of the situation. Cllr Paul said: "In an ideal world we would hope that we wouldn't have to do this. It does strengthen communities, it's building the social fabric that these things are going on."

The warm hub is open on Tuesdays from 10am-6pm, though it won't be open on December 27.

## Recycling for food

17 May 2023

A group of environmental volunteers in Surrey is helping support its local community by recycling items that the council cannot accept through their kerbside recycling bin collections.

**Catherine Banks**, Founder of Tadworth TerraCycle, has signed up to a number of free recycling programmes offered by TerraCycle, collecting items including cheese packaging, Baylis & Harding products and packaging, and biscuit and snack wrappers that would ordinarily be destined for landfill or incineration. For each item of waste the group sends to TerraCycle, they are awarded with a monetary donation to the charities of their choice.

Pictured: Catherine Banks from Tadworth TerraCycle with two young volunteers and some of the items they have collected so far

The group has been raising money for charity since 2019 but recently its members have been prompted to donate funds to **Epsom and Ewell Foodbank** where they will be used for purchasing and sorting food and distributing it to those who need it most. More than £300 has been raised for the foodbank so far by collecting waste from the community via a public drop-off location in Tadworth.

The Trussel Trust reported that deliveries of aid parcels were up 14 percent compared with pre-pandemic levels, amounting to more than 2.1m parcels in the year to April 2022, and with the growing cost of living crisis facing the UK, this number is likely to increase in the coming months.

Catherine explained: *"We initially signed up to the TerraCycle programmes as a way to inspire the children at the local primary schools. By teaching them the importance of recycling and taking care of the environment at a young age we can ensure that the Earth will be in safe hands with future generations."*

*"One of the schools we work with decided they would like to support the food bank and unsurprisingly all the other schools agreed it was a good idea. The cost of living crisis is affecting so many people and giving to the foodbank is the best way to help those most in need."*

As well as the foodbank, the group also donates to other good causes including funding books for local schools and donating litter picking equipment to the local community group, and in the last 6 months more than £1,000 has been donated to the Dementia Society.

Catherine continued *"This really is a worthy cause so we encourage the entire community to get involved and drop these items at Tadworth Terracycle, 36 Bidhams Crescent, Tadworth. The more we recycle together, the more money we can raise for those who need it."*

The free recycling programmes which the group has signed up to include the Cathedral City Cheese Packaging Free Recycling Programme, the Baylis & Harding Free Recycling Programme and the Pladis (McVitie's and Jacob's) Biscuits and Snacks Free Recycling Programme.

The items the group sends to TerraCycle are recycled by shredding, cleaning and turning into plastic pellets which can then be used by manufacturers to create new plastic products such as outdoor equipment - reducing the need to extract new resources from the planet.

## Xmas balloon race and a hamper for charity

17 May 2023

**Epsom Rotary** are raising funds for many local good causes this Christmas. Take part in a virtual balloon race or guess the value of a hamper donated by **Honey and Bamboo** of Ewell.

**Ballooning venture:**

At a loss as to what to buy someone for Christmas? Buy them a balloon in our Christmas Day Balloon race. These are just like helium balloons and the aim is to see which balloon travels furthest in the week following Christmas. There is a prize for the winner!!

You can choose how much helium is put in the balloon and how thick the rubber of the balloon should be. You can choose the shape of your balloon and you can decorate it appropriately. You can also name the balloon eg Grandad Ron.

The difference is that the balloons do not exist in the real world. A computer simulates the flight of all the balloons, updating where they would have got to every 15 mins.

No ruining the environment and causing mayhem with birds and fish. You can log in at any time to see where you have ended up. Real weather data is collected for the simulation so, at Christmas, you may have strong winds and cold to contend with. You are racing against the other balloons in the Rotary Christmas race and a fun thing for your family is to phone round every day to see where the balloons have got to, plot the positions on a map and share it with the family members.

Its great fun and so cheap. Each balloon costs £3 and £2 of that goes to our charity account. Fun and doing good at the same time!!!

You can buy a set of codes to give to others and they can log in using the code - your gift to them.

THEY MUST LOG ON THEMSELVES BEFORE CHRISTMAS DAY TO SET UP THEIR BALLOON READY FOR THE RACE WHICH STARTS ON CHRISTMAS DAY
