

## Away win for Epsom and Ewell FC

28 September 2022

Godalming Town 1-3 Epsom & Ewell FC. Tuesday 27th.

After a ten day break, a strong Salts line up had to work extremely hard to secure victory at Weycourt on Tuesday evening. It wasn't pretty for large periods of the game and the hosts certainly had at least as much possession as we did, but we held out well defensively and maybe for that reason alone deserved the points from this attritional contest.

For the first time this season, and unsurprisingly following our 6-1 win over Wick, we kept an unchanged starting eleven and won an early free kick, but Nick Wilson's delivery was off target. The hosts then attacked and from a corner Matt Walton had to claw the ball away from under his bar.

However, we then took the lead in the 17th minute and it was a great move, started by Athan Smith-Joseph, who beat a couple of men on the left before delivering a low ball in from the left. Alfie Mickley in the Godalming goal was able to push the ball away, but it fell to Ricardo Fernandes, and as he had his back to goal, he laid it back into the path of Wilson who chipped Mickley from eighteen yards to register his first goal for the club.

Godalming fought back and forced a good block from Walton after we had lost the ball in defence, but we extended our lead in the 24th minute. A clever ball over the top of the defence was controlled beautifully by Jaevon Dyer whose touch took him past his defender, and his second touch cut outside onto his right and took the keeper out, leaving him the simple finish into the net from ten yards. It was an extremely skilful goal and Dyer looks like a real prospect. Expect him to be playing at a higher level in the not too distant future.

Dyer received a bit of treatment as a result of taking a knock during his run to the goal and another injury would require him to leave the field for good after 42 minutes. This was a real shame as he looked in excellent form and we weren't quite the same after his departure. Fernandes missed a good chance after he had broken through, while Rob Parrott was booked for diving in our penalty area. It was hard to see whether this was the right decision as the lighting was rather poor. What was clear though, was that our opponents were beginning to look more dangerous and a close range finish from Sam Boultonwood from a good low left wing delivery reduced the arrears in the fifth minute of first half injury time.

The second half was a tight and competitive affair with little in the way of goalmouth action for either side. Walton chased a wide ball, which he was unable to reach first and the ball was then delivered back into the danger area before he could recover; fortunately Brad Peters was there to block the header on our goal line, before another dangerous ball in was headed just wide of our far post, but very little of real note happened in the second half and we were gradually beginning to see the game out. However, the hosts weren't done yet and an excellent close range save from Walton denied a Godalming equaliser with just a couple of minutes of normal time remaining.

We then had another scare in the 91st minute when a low cross from the right was met at the far post, but despite being only a couple of yards out, the ball was placed wide of the goal. This was a major let off and we made the hosts pay in the 96th minute when Johnny "Sonic" Akoto made a great run all the way down the right touchline, being brought down in the penalty area just as he was about to deliver a cross. If I'm honest, it was a bit of a soft decision, but we've seen them given against us too, so this time it was our turn and Richard Pingling stepped up to deliver a clinical finish from the spot.

The final whistle blew shortly after this and we were able to secure our sixth league win in a row. For those who are interested, the club record is 13, set in 2012/13. Without a doubt though, it was a tough challenge and we really couldn't have complained had this match finished even.

They say it is a good sign if you can still win without playing particularly well, but we will have to improve notably if we are not to face a similar set of challenges on Saturday when the club makes its first ever visit to East Preston for another tough looking league match.

## From 0-0 draw to 6-1 triumph

28 September 2022

Today we catch up with two match reports for Epsom and Ewell FC courtesy of Richard Lambert.

Forest Row 0-0 Epsom & Ewell - abandoned after 82 minutes - Southern Combination League - Division One

**Wednesday 14th September 2022.** Report Source: [www.eefconline.co.uk](http://www.eefconline.co.uk)

Despite holding the balance of possession in the match against Forest Row at their temporary ground of Oakwood FC, we rarely looked like scoring and with the match heading towards a goalless draw, the contest was cut short following an 82nd minute injury to Andy "Woody" Hall, which I'm informed was provisionally diagnosed as a break to one of the bones in his lower leg. Although I don't have stats for injuries, it feels like decades since we had a player suffering a broken leg and we wish Woody all the best for a speedy recovery.

It was way back in 1938 that we last won on this date and in my mind I had already written the headline. "Epsom return to the top of the table, winning for the first time on this date since the Queen was merely a Princess!" Alas it was not to be, and we actually fell one place to sixth in the table, although will retain this match in hand for now while we await a date for the rearranged fixture.

On a chilly evening that reminds you that Autumn is on its way, the players gathered together for an immaculate minute's silence in respect of our late Queen. In terms of personnel, Hall came in for Aaron Bogle, while further forward Nick Wilson, Adam Grant and Josh Owen were in the starting line-up at the expense of Ricardo Fernandes, Gavin Quintyne and Jaevon Dyer, although all three were on the bench and would join the action later. Meanwhile in the absence of the suspended Gideon Acheampong, Brad Peters took the armband and was by some distance our best player tonight.

In truth very few players enhanced their reputation in this match. On a tricky surface, albeit one where we had coasted to a five goal win over Oakwood only a fortnight earlier, we overplayed the ball in the first half and then went far more direct in the second, yet created very few real chances with either tactic over the course of the ninety minutes.

Our opponents didn't fare any better and we rarely looked in serious danger, although Matt Walton had to be aware to make a good block from a header in the 26th minute. We had a couple of shots on target by this point from Owen and Richard Pingling, but neither caused the home keeper much alarm. Our first really good opportunity came from a Peters run which was unfairly ended on the edge of the penalty area and Ryan Smith's strike to the far corner was well kept out by the diving keeper on the half hour.

As the half came to a close we started to put more pressure onto the home side, but Owen's shot was half blocked which took the sting out of it and then Smith's free kick was headed back into the danger area by Peters, where Owen headed over from close range. The hosts put a header wide from a good position before Jubril Adamson poked a shot just wide from twelve yards and the teams went in goalless at the break.

Going down the slope in the second half I still felt we would break through and go on to win, but it was Forest Row who began to grow into the match and had a

few long range shots at our goal, Walton tipped one wide for a corner, while another just cleared our crossbar. Fernandes and Dyer joined the action on the wings but still we couldn't find a way through.

Wilson struck a low fizzing drive inches wide of the far post before Dyer had our best chance just after the hour, latching on to a pass through the defence and sending his defender the wrong way, but after doing the hard work and with only the keeper to beat, he lost his balance and never really got a shot in, stumbling over the ball which dribbled through to the grateful keeper. You begun to wonder if this wasn't going to be our day and those fears were confirmed after Peters made a mazy run through defence, only to clip the ball back across goal, again missing the far post by inches.

Wilson picked up a yellow card in the 82nd minute for persistent fouls, but the game never restarted as the referee was then made aware that Hall was lying in the middle of the field in considerable discomfort. It looked like it had been an innocuous contact, but after a few minutes it was apparent that he wasn't getting up any time soon and after twelve minutes with no sign of an ambulance to this point, the referee chose to abandon the match.

This was only the second time in club history where we had an abandonment for a player injury, following a similar situation against Egham Town back in April 2008 up at Banstead Athletic. That match was rearranged and despite rumours of this result being allowed to stand, a replay will surely be ordered. As an example, last season Worthing United v Storrington was abandoned in the 90th minute for a player injury, yet had to be contested again, and whilst our abandoned match at Dorking Wanderers Reserves was allowed to stand, the circumstances of that one were completely different! Actually, the fact that the match will be rearranged was probably the only positive to take from the evening as it would give us another opportunity to win the three points. In the meantime I can confirm that everyone's appearance will be recorded as a competitive fixture in accordance with all other abandoned matches in our history.

Epsom & Ewell: Matt Walton, Johnny "Sonic" Akoto, Zach Powell, Ryan 'Butch' Smith, Brad Peters (c), Andy "Woody" Hall, Richard Pingling, Nick Wilson, Jubril "Jibs" Adamson, Josh Owen, Adam Grant

Subs: Jaevon Dyer for Adamson (56), Ricardo Fernandes for Pingling (56), Gavin Quintyne for Owen (80)

### **Epsom & Ewell 6-1 Wick Southern Combination League - Division One Saturday 17th September 2022**

We registered our fifth straight League win on Saturday as top of the table Wick visited Fetcham Grove and received a bit of a hiding as we ran up a 6-1 victory which, coupled with other results on the day, enabled us to rise from sixth place to take our opponent's position at the head of the table. We currently have the highest number of goals scored and the best goal difference, as of course was the case in our division last season, even though it would prove only good enough for sixth place in the final reckoning. This time I have a feeling that this might be different.

In truth this was a strange match, which started slowly and was played at quite a slow tempo, which enabled our boys to show what they could do, particularly in the early stages of the second half when we were dominant. However, for large parts of the match there wasn't a lot between the sides, even though we did look more dangerous throughout and in Jaevon Dyer we had the best player on the park, providing a constant threat to the opposition and eventually winning a penalty in the final seconds of the first half that put daylight between the teams at the break and arguably allowed us to express ourselves freely in that second period.

In terms of personnel, the only bit of bad news was that Club Captain Gideon Acheampong remained suspended, due to Wednesday's match at Forest Row being abandoned and therefore not counting as his one game off. However, Johnny "Sonic" Akoto continued in his place and such is the strength in depth with this squad that it proved a seamless transition. Aaron Bogle came in for the Andy Hall, whose bad injury on Wednesday led to the abandonment and will keep him out for some time. Also returning to the starting eleven alongside Dyer were Athan Smith-Joseph, Gavin Quintyne and Ricardo Fernandes, so Richard Pingling, Jubril Adamson, Josh Owen and Adam Grant returned to the bench after starting in Wednesday's underwhelming performance. Finally, Steve Springett remained unavailable after his injury at Worthing United but the cast will be off shortly and he was kicking a ball in the warm up, so it won't be long before he is pressing for a recall.

The afternoon commenced with another impeccable minute's silence for Queen Elizabeth II and this was followed by something that may well become a new tradition at Fetcham Grove; that of counting the crowd! Our club have recently taken the sad step of inflating the size of the gate in a misguided attempt to show that support is increasing, even though the only news the supporters get told, comes from this website. For the record, three independent counts put the attendance at 87. Performances like this one will surely lead to an increase in support, but until this practice stops, the crowd number will be recorded here.

It was clear right from the start that the visitors were playing a very high line at the back, which meant that a number of our early passes ran through to their goalie, playing on the edge of his penalty area in a sort of sweeper/keeper role. This high line had a direct effect of compressing the play into midfield and provided proof to me, which some people doubted, that Zach Powell's opener was a genuine strike at goal from fifty yards. Under normal circumstances, it might have been seen as an over hit pass from midfield, but because of the high line, it would have required a pass of no more than twenty yards. Powell's strike flew at least forty yards through the air, just cleared the retreating keeper and bounced into the net in the 14th minute. It was clearly deliberate.

We had a bit of a scare a few minutes later as Matt Walton's scuffed goal clearance from out wide went directly to Wick's danger man Dave Crouch in a central position, and from 25 yards out he struck at the vacant goal. The ball seemed to run for ages before it just went the right side of the post from an Epsom perspective.

Smith-Joseph provided a nice low ball across goal just ahead of Fernandes and with Dyer having done the same just before our goal, I was wondering about the wisdom of playing one of our hard-working midfielders in such an advanced position. This became more apparent in the 35th minute when Dyer produced a great run and low shot from 18 yards that hit the inside of the Wick post and bounced across towards Fernandes, but his attempt to knock in the loose ball from less than six yards was denied by a combination of defender and then keeper. However, Fernandes would have the last laugh by the game's end.

We had a brief stoppage a few minutes from the end of the half which seemed to come out of nothing, but led to a scuffle between a few players and accusations of foul play from both sides, but it all settled down and we began to get on top again. Dyer was causing real trouble now and he beat three men on another run before setting up Smith-Joseph for a strike, but it was an easy save for the keeper in the end. However, Dyer wasn't finished though and in the second minute of injury time, he chased another ball on the right, twisted and turned his defender who then brought him down. Ryan Smith then stepped up to score his first goal for the club from the penalty spot with the same accuracy he uses for his free kicks. The half time whistle blew immediately after the restart and we went in two goals ahead.

We came out for the second period in a more relaxed frame of mind and at times played some of our best football of the season. Smith-Joseph started to torment his opponents, pulling the ball back from the left, but Quintyne blazed over from just inside the area. Whilst Akoto was in my opinion harshly booked soon after, we extended our lead in the 55th minute when Smith-Joseph produced one of his trademark mazy runs and finished off with an unstoppable strike from ten yards into the roof of the net to make it 3-0.

If it wasn't game over then, it certainly was three minutes after that when a great pass from midfield broke the Wick high line and with their players claiming offside, Fernandes carried on his run, drew the keeper and then slotted the ball under him for our fourth goal. I had a fairly good view of this one, but even I couldn't say for certain whether he was onside or not. It was certainly a tight call. either way though the dog's abuse that was directed at the Assistant by at least three players was inexcusable and the Wick number 6 was rightly sent to the sin-bin. He could easily have been accompanied there by other team-mates.

While the visitors were down to ten men we extended our lead to five-nil in the 65th minute as Smith-Joseph got around the back of the defence on the left and his pull back was finished off superbly into the top corner by Fernandes from fifteen yards, who in one match doubled his goals tally for the club from two to four and proved me wrong in the process for suggesting he was playing too far forward. Sorry Ricardo!

The visitors returned to eleven men soon after, while we made a number of substitutions. Whether this disrupted our play is hard to say, but either way Wick pulled a goal back in the 77th minute as Ronald Kardos ran at goal and we stood off him, inviting him to shoot, which he then did into the far corner with Walton possibly unsighted at first. This was a pity but we bounced back in style four minutes later when a great pass from Pingling put Grant through the colander-like offside trap and he finished as clinically as Fernandes had earlier to make it 6-1.

In the final moments Crouch had a shot tipped over by Walton and Owen shot weakly from a good position but it made no difference as we were convincing winners by that time and while we now sit at the top of the table it should be pointed out that we have only played two home games and scored eleven times in those matches. Has anyone else in the country got a better home scoring record right now? Yes of course it is early days, and the performance at Forest Row on Wednesday is useful to remind us that we can still play poorly at times, but Saturday's win was more than just three points, it was a statement to the rest of the league. We are here and we don't intend to let it slip this season.

## Salts strike Anvils from League Cup

28 September 2022

Crawley Down Gatwick 2-3 Epsom & Ewell FC. Southern Combination League Peter Bentley Cup – Second Round. Tuesday 6th September 2022. Report Source: www.eefconline.co.uk Reporter: Richard Lambert.

Our first ever visit to the Haven produced a fine performance from our boys as they knocked Step Five Crawley Down Gatwick out of the Southern Combination Peter Bentley League Cup on Tuesday evening.

We had obviously given Step Five Redhill a decent match recently in the FA Vase, so our Management will have expected nothing less in this contest, despite being underdogs on paper. Fortunately we were able to recall Richard Pingling after his two match suspension was completed, although in the absence of Gideon Acheampong, Johnny “Sonic” Akoto came in at right back and Ricardo Fernandes took on the Captain’s armband.

The Haven has changed greatly since my previous visit in the 1990s and it has become an enclosed and extremely picturesque tree-lined venue. However, there is limited cover behind both goals and a rainstorm accompanied the opening minutes of the contest!

Fortunately it subsided quickly and we got off to a fine start. A Ryan Smith long range effort was deflected wide for a corner and from Smith’s low set-piece delivery to the near post in the fifth minute the ball was casually flicked into the roof of the net on the half-volley by Brad Peters, who has now registered four goals already this season. Not bad for a centre-half!

Pingling was inches wide of the far post with a low strike from a Fernandes pass, while Jaevon Dyer found himself in a great position, only to scuff his shot and the danger was cleared. Fernandes had a similar opportunity just before this and Peters headed a Smith free kick over the bar, before Pingling then intercepted a poor back pass but was then smothered by about four defenders before he could make it count. We thoroughly deserved our lead at the half and arguably it could have been larger, with the only concerns being a harsh yellow card for Jubril “Jibs” Adamson and a sin-bin for Zach Powell in the 37th minute, which was still in force as the teams went off at the half, with only a header wide of the target and a shot blocked just before the break being registered by the hosts to this point.

The second half would be more even in terms of possession, but shortly after Powell returned to the field of play we had extended our lead. A fantastic pass from Gavin Quintyne in the 47th minute was sent perfectly into the stride of substitute Josh Owen who chested the ball down, before striking the ball across the keeper into the far corner for his first goal for our club.

Crawley Down pulled a goal back in the 59th minute with a ball through our defence that was struck low beyond Matt Walton from close range, but just five minutes later we restored our two goal lead and this time the superb assist came from Pingling, way out on the right hand touchline; his deep ball to the far post being met by a left-footed volley from Fernandes about four yards out, giving the home keeper no chance.

Further substitutions came as Nick Wilson, Adam Grant and then Josh Alder came on in quick succession. I’m not sure what anyone else thinks about the new five substitutes rule, but one thing is for certain, the games become far more stop-start in the second half as up to ten stoppages can occur now. It certainly seemed to break up our flow and the home side started to press us back a lot more as they chased the match.

A long range strike looped up off a defender and just dropped over Walton’s bar, but the respite was brief as the subsequent corner was met with a far post header from close range in the 78th minute as the hosts reduced the score to 3-2, and we picked up an unnecessary card when Alder kicked the ball away. It did seem a little harsh on our boys who seemed to be penalised for things in this match that the opponents didn’t, and by the end even free kicks were being taken from advanced positions with the officials seeming not to notice. As the time ran down, a long range strike was tipped over the bar by Walton, but by now we were in the sixth minute of injury time and the final whistle blew shortly afterwards to confirm our progress.

This was a thoroughly deserved win against a good team and in truth I felt that the scoreline should probably have been wider on the balance of play, but ultimately we claimed the win and will now host Broadbridge Heath in the last 16 of the competition.

## Epsom and Ewell Top the Table

28 September 2022

Oakwood 0-5 Epsom & Ewell, Southern Combination League – Division One, Monday 29th August 2022. Report Source: www.eefconline.co.uk. Reporter: Richard Lambert.

Any disappointment felt in the FA Vase defeat at Redhill on Saturday was firmly banished less than 48 hours later as we thrashed Oakwood 5-0 on the Bank Holiday Monday morning to go top of the League table for the first time this season.

It was almost a perfect day for a Salts supporter. Five goals, no bookings, a clean sheet and no apparent injuries. In fact, the only disappointment was the lack of a match day programme from the hosts, who had promised there would be one online. As far as I am aware, a programme is still mandatory in our league, yet it’s the third time in recent months that this has happened and it is probably time that the League reminded the clubs of their obligation to produce something that many supporters still want to see at each game.

The quick turnaround between fixtures always meant it was likely there would be changes to our line up, although only three were made; Johnny “Sonic” Akoto was unavailable, so Zach Powell moved to left back and recent re-joiner Gavin Quintyne made his first start for us, slotting seamlessly into Powell’s vacated midfield role. Up front Josh Alder came in for Jaevon Dyer and at the back Andy “Woody” Hall came back in for the absent Aaron Bogle. We would see two further debuts from the bench in this match as Nick Wilson and Jack Porter would each get their first run outs of the season.

We had performed creditably at Step Five Redhill, but so had Oakwood as they had lost narrowly 3-2 at another good Step Five team in Fisher, so although they had been struggling with early league form, this looked like it would be a tricky fixture to negotiate. However, after an even ten minutes we scored an early goal going down the slope and never looked in danger from that point onwards.

The scorer of our first goal was Jubril “Jibs” Adamson who received the ball from Tiago Andrade and curled the ball left-footed into the far top corner from outside of the penalty area in just the eighth minute. You couldn’t have placed the ball any further into the corner of the net without hitting the post or bar and the keeper, understandably had no chance of saving it.

We had already made a couple of chances by this point with a Hall header and an Alder volley both being just off target, but the home team had put a couple of dangerous balls in to our area themselves; one coming just after our opener with a far post header from the Oakwood number 11, but we were soon back on the attack and Adamson struck at goal once again after being found by a clever back heel by Andrade, although the home keeper was able to make the save easily enough.

We nearly extended the lead when a Smith free kick was up and over the wall, but was inches wide; grazing the back stanchion of the goal from twenty yards out and then Peters, already looking for his fourth goal of the season, saw his shot deflected over, although a goal kick was awarded.

We had a shout for a penalty when the home keeper came out for a high ball and appeared to clatter into Andrade first, but the ball was only half cleared to Smith and his long range shot was deflected kindly into the path of Alder who kept his composure to slot the ball under the advancing keeper from eight yards to register his first competitive goal for our club in the 37th minute.

We had further chances before the half with Alder and Andrade both forcing saves from the keeper and then Alder dragged a low shot across goal, just beyond the far post from a good position. However, we were well in charge by this point and I was confident that we could go on and score further goals in the second half.

And that is just what happened, although we had two good opportunities before that third goal did come, firstly from Quintyne who ran on to a good pass, but then saw his shot well blocked by the keeper, and then when Athan Smith-Joseph's ball across goal took a hop on the long grass and bounced straight over Adamson's leg. Fortunately our winger was on target soon after this, thanks to a lovely slide rule pass from Quintyne, only to see the shot saved but rebound onto the knee of the retreating number 3 and dribble apologetically into the net for an own goal in the 55th minute.

Wilson, Ricardo Fernandes and then Josh Owen joined the match and Matt Walton had a rare involvement as he had to tip a header from an Oakwood corner away, but we scored our fourth goal in the 62nd minute when Owen held the ball up on the left and drew defenders before crossing for the unmarked Fernandes to stroke the ball into the far corner from ten yards.

Owen was unfortunate to see his powerful header from Wilson's free kick ruled out for an offside flag, but we had a fifth goal in the 75th minute and it came from an unlikely source as Gideon Acheampong had made a fine run and received a return pass into stride from Smith-Joseph and finished clinically low to the keeper's left and just inside the near post from eight yards out. Cue large celebrations as it was only our Captain's second goal for the club in his 69th Salts appearance.

That would conclude the scoring for this match, although Walton had a scare at the other end when he appeared to take his eye off the ball and it came back off the frame of the goal before he gathered it, while our coach Porter came on in the final moments, getting bundled over in the box, but the referee wasn't interested and to be fair, he was probably right!

In truth this was a very comfortable win for our boys. Oakwood were not in the same league on the day and with a few more performances like this, maybe the two teams will actually be in different leagues next season as for the first time in 2022/23 we can actually look down from the top of the table, even though we probably won't be there after next Saturday as we are the odd team in a seventeen team division and have no league match that day. Our next competitive match is a challenging League Cup tie at Step Five Crawley Down Gatwick on Tuesday 6th September.

## Lobsters at home with Salts

28 September 2022

Salts battle hard but Lobsters progress in the Vase. Redhill 2-1 Epsom & Ewell. Isuzu F.A. Vase - First Qualifying Round. Saturday 27th August 2022. Report Source: www.eefconline.co.uk Reporter: Richard Lambert

Our first Vase match of the season also became our last as we were defeated by Redhill at Kiln Brow on Saturday, but our opponents will know that they had to work for the full ninety minutes before coming through in a match that was ultimately only decided by a defensive error.

In fact, over the ninety minutes we had the greater chances and against a team in the top four of Step Five at the time the match kicked off, it was hard to tell that there was a full step between the two opponents. Although that didn't count for much in the end, our boys deserve a lot of credit and know that performances like this will result in a promotion at the end of the season, which was and remains our ultimate goal this season.

We made four changes to our starting line up with the injured Steve Springett, the unavailable Andy Hall and Adam Grant and the suspended Richard Pingling replaced by Johnny "Sonic" Akoto, Aaron Bogle, Tiago Andrade and Athan Smith-Joseph respectively. However, I have referred to our strength in depth and we looked as good this week as we had seven days previously at Worthing United.

Following a minute's silence for a Redhill Vice-President, Les Smith, we had a couple of early half chances with Ryan Smith's strike at goal and a nice bit of interplay between Jaevon Dyer and Andrade finished with a Dyer shot that was well blocked by the Redhill keeper Mike McEntegert. At the other end Matt Walton saved a low shot from Fred Hill with his feet after we were caught out by a long ball.

Our next chance fell to Zach Powell but he scuffed his shot from a good position before a defender made a great challenge to deny Dyer in the act of shooting. Then Dyer turned provider but Smith-Joseph couldn't quite direct his header on target at the far post. Next to try his luck was Smith from fully thirty yards although it was just wide of the post.

On the half hour Dyer struck another shot which I can confirm was creeping inside the post, but a defender's leg blocked the effort and the hosts broke with speed, earning a corner which was headed wide by Antonio Simeone. Then Walton was in action again, blocking away a shot from Jason Kaate, before Lyndon McGugan made a superb challenge after it looked as though Smith-Joseph would be able to finish easily when the ball fell kindly for him. Both of these Redhill players were with us briefly during the Covid friendly phase, although neither made a competitive appearance for us.

Dyer was giving the Redhill defence a lot of work and just before the break he was brought down by Sol Patterson-Bonner who earned the first yellow card of the day, but overall both teams looked solid in defence as we went in for half time with the goalless scoreline.

This looked like being a really tight encounter, decided by maybe just one goal, so when we took the lead in the 51st minute it looked like it might be pivotal. Dyer was again involved as he connected with a low ball in and his shot was well saved for a corner and from the Smith delivery Brad Peters rose highest to head home his third goal of the season from eight yards; his finish across McEntegert was unstoppable.

We could and maybe should have extended our lead a minute later when the ball was fed to Smith-Joseph, but his shot from ten yards was kept out by the keeper's feet. However, the game turned in the 56th minute. Dyer was brought down inside the penalty area, but it didn't look enough for a penalty for me. Meanwhile Redhill broke at pace and within seconds Yannick Monga ran in from the right and struck a low drive across Walton into the far corner. We had led for just five minutes.

Still we made chances as Andrade's delicious pass to Smith-Joseph was in stride, but his shot from six yards was straight at the advancing keeper and our flying winger was denied again by a saving defensive challenge minutes later. A couple of substitutions followed as Dyer and Jubril Adamson departed, but we failed to carry the same attacking threat that Dyer had posed and then in the 80th minute we tried to play out from the back, only for Max Oldham stole the ball, ran in and drilled the ball below Walton from close range for what proved to be the winner.

Moments later our Captain Gideon Acheampong to pick up a harsh yellow card for trying to get the ball off Oldham and nudging him over, although it should be noted that Oldham also received a card, but disaster then occurred in the final seconds when our defender tried to reach the ball to block an upfield clearance and he was adjudged to have caught the Redhill player, picking up a second card in the fourth minute of injury time. Clearly our Captain was angry at the decision, which I also thought was the wrong one. As it is Acheampong will now serve a one match suspension.

It is always unfortunate to depart the FA Vase. It is a competition that we have an indelible link with, having been one of the first two finalists in 1975 and we recognise our part in its history. However, as a Step Six team currently, promotion has to be our top priority and if we were going to get the rough end of a decision like that, then at least it didn't cost us league points. Hopefully we can put this result behind us when we face Oakwood on Monday morning as we go for our fourth League win in a row.

Mavericks receive a repeat dose of the Salts. **Worthing United 0-3 Epsom & Ewell** – Southern Combination League – Division One – Saturday 20th August 2022.  
Report Source: [www.eefconline.co.uk](http://www.eefconline.co.uk) Reporter: Richard Lambert.

In October 2021 we made our first visit to the Robert Albon Memorial Ground; the home of Worthing United, and won 3-0. Ten months on we repeated the scoreline without too much alarm and moved up to second place in the table as a result.

Our Management declared themselves happy enough with the result, but not quite so happy with the performance, and it’s true to a point, as the match was a little scrappy at times. However, the warm conditions, bone dry surface and strong winds all played their part in that, as indeed did an extremely eccentric second half performance from the officials.

I have referred previously to the size of our squad, although the starting eleven is now starting to look more regular and for the second match in a row we made just one change with Athan Smith-Joseph moving to the bench as Jaevon Dyer made his first start for the club out on the left wing.

We kicked off with the wind at our backs and made a positive start. An early Ryan “Butch” Smith corner was headed back across goal by Brad Peters for Andy “Woody” Hall to hook the ball inches over the bar in just the seventh minute before a long throw from Jubril “Jibs” Adamson bounced through the six yard box and Richard Pingling saw his close range shot blocked by a defender. Peters was then at full stretch but was unable to direct his header from a Steve Springett free kick on target. All of this occurred in just the first fifteen minutes!

Pingling sent a thirty yarder just over the bar and in the 17th minute he was the creator of our opening goal, doing well on the right to beat two men before crossing with his right foot to the near post where Adam Grant was able to head the ball just inside the near post from six yards.

Springett had a fine game on Wednesday against Forest Row, but his afternoon would end painfully and prematurely after falling awkwardly and dislocating his thumb in the 26th minute. Play stopped for six minutes and the thumb was popped back into position, but our defender had to visit the local hospital for a scan. Hopefully it will reveal no further damage. Louis Chin came on in his place with Captain Gideon Acheampong moving over to left back in our defensive four.

We had a scare just before half time after Hall bundled his opponent over just outside the box and the free kick appeared to go through our wall, but Matt Walton was there to make the save and this was the most worrying moment for our boys from a defensive point of view as Walton would go on to claim his first clean sheet for our club. In fact as the half closed Hall nearly made his mark at the other end with a diving header from a Smith corner that Mac Scott in the Mavericks goal did well to claw away. However, there were still six minutes of injury time to play and Adamson forced another save out of Scott, but in the fourth minute of injury time we scored a second after Pingling sent a high ball in on the right hand side of the penalty area. Adamson got himself in front of the defender to shield the ball, held him off and then hooked it across goal, where Dyer was able to stretch and knock the ball in from close range.

We came out confidently with our two goal lead and looked for more. Dyer made a good run on the left but was denied for a corner by a great final second block from Andrew Younger, although the defender tweaked his ankle in making the challenge and was required to leave the field after treatment. We made that one man advantage count from the Smith delivery in the 55th minute as Peters launched himself at the ball, knocking it forward, and whilst he was blocked from following it up, Dyer was there to knock the ball past Scott from close range. However, that description doesn’t really tell the full story. I do not know whether our man has ever practised Taekwondo, but as the ball was heading towards goal it was behind him, and somehow he got his leg up to head height and knocked the ball in with the back of his heel for a skilful and acrobatic finish!

We made a couple more substitutions soon after this goal when Tiago Andrade and Josh Owen joined the action in the 63rd minute. However, the final twenty minutes of the match were all about the officials. I have no idea why but the referee suddenly started to issue cards, starting with Dean Sherwood the Worthing United Captain who was sent to the sin bin. While we had the one man advantage Andrade played a perfect pass into the stride of Pingling and as he drew his foot back to shoot, he was clattered into from behind by Younger, yet somehow neither the referee nor the Assistant saw the foul. It has to be one of the most clear non-awarded penalties I have seen in recent years and insult was added to injury when Andrade was involved with some good interplay with another substitute George Membrillera, but as Andrade drilled the ball below Scott the flag was raised for offside. It is possible that one or other of them may have been, but after the previous “non-call” a few minutes before, it was impossible to have confidence in the decision and certainly our players didn’t seem to agree with it!

Things got stranger. Pingling was taken out by Younger in the 76th minute and as the yellow card was raised, you wondered whether it really should have been a second one after Younger had also committed the “foul” for the non-penalty. However, even though the offender had been booked, Pingling was still made to leave the field after treatment. This was confusing and a few minutes later after Pingling had been substituted, the Assistant then overheard comments from the dug out and brought the matter to the referee’s attention who then sent our man off. People who were over there have confirmed that it was just conversation between people on the bench, but for some reason the officials chose to get involved.

There was still time for a home player to receive a yellow card for diving before Membrillera picked up a strange yellow card after he rolled the ball into the net after being flagged offside. This could easily have been dealt with by a quick word, but the referee then also booked Adamson in injury time for what looked like just incidental contact, following a Smith-Joseph run during which the ball had gone out of play, but which you’ll probably be unsurprised to hear was also missed by the officials!

The ending of the match left a bit of a sour taste as it stopped both teams from playing football and the scoreline remained unchanged at 3-0 as the final whistle blew. Still, it was another three points and our third win in a row places us in a healthy position with our next League encounter at Oakwood coming up on the August Bank Holiday morning. Before that we visit Step Five Redhill in the F.A. Vase on Saturday; a good team who will certainly give our boys a test.

## Thrashing good win for the Salts

28 September 2022

Epsom & Ewell 5-2 Forest Row Southern Combination League – Division One. Wednesday 17th August 2022. Report Source: [www.eefconline.co.uk](http://www.eefconline.co.uk). Reporter: Richard Lambert.

On Wednesday night at Fetcham Grove we thoroughly deserved the three points on offer with a 5-2 League win, although required two superb headers from Brad Peters to seal the points as the visitors threatened to take something from the match with the score at 3-2 midway through the second half.

Peters had been substituted on Saturday at Seaford Town, having been yellow carded and sin-binned in quick succession and it was notable that for this match Gideon Acheampong was wearing the Captain’s armband instead, but our centre-half responded well with a superb performance defensively and the two goals provided the cherry on the cake! It was just a pity that his goals were only seen by a crowd (counted twice independently) of 66 people on a Wednesday night when there were few other matches taking place.

We made just the one change to our starting eleven with Adam Grant coming in for the unavailable Tiago Andrade and retained the back four which had worked well at Seaford three days previously. Peters nearly opened the scoring in the second minute when he guided a header from a Ryan Smith free kick just wide of the post twelve yards out, before Grant saw his shot on goal blocked a couple of minutes later. However, we opened our home account for the season in the eleventh minute when Grant made a fine run down the left and his pull back skimmed off the boot of Athan Smith-Joseph out to Richard Pingling just inside the penalty area, where his low strike found the bottom corner and gave Ben Abbott in the visiting goal no chance.

Smith-Joseph was giving the opposition defenders trouble as usual and he broke through on the left; cutting in and striking across goal, but Abbott was able to claw the ball away from the danger area. He then beat some more defenders before rifling a shot just over the bar, aided by the slightest touch from Abbott, although the goal kick was still awarded. We then had a pair of yellow cards, one for each side and both correctly awarded, with Jubril Adamson receiving his for a late lunge which caught an opponent.

The visitors drew level in the 42nd minute when a nice move from the left was finished off by a cannonball strike from the 18 yard line from Brett Caiger, whistling past Matt Walton into the roof of the net. However, their jubilation was short lived as a Steve Springett cross from the left was not dealt with and Adamson tucked away the loose ball into the corner in the 44th minute, so the half ended with our boys ahead once again.

Although Forest Row had been dangerous on occasions, we deserved our half time lead and extended it in the 47th minute when a great through ball from Zach Powell was perfectly weighted into the stride of Springett and he drilled the ball across Abbott into the bottom corner to make it 3-1.

We were on top now and Springett and Pingling forced good saves from Abbott, but then the Row pulled a goal back somewhat against the run of play in the 62nd minute when Steve Major eluded his marker to glance a near post corner across Walton into the far corner.

The game was a little too open for a while after that, but we settled down and Grant was denied from close range by Abbott and then substitute Jaevon Dyer, making his debut, made a great run through a crowd but sliced his shot wide. It would have been one of the best debut goals I’d seen, but we didn’t have to wait long to make the game safe. Peters earned a corner with a dangerous ball across goal that was turned away at the far post, and from the delivery our defender remained up for the set piece and thumped the header past Abbott from close range in the 78th minute. Four minutes later he did it again from a Springett free kick, this time maybe six yards out, but still unstoppable.

As the match wound down we also had a couple more debuts as Eldi Baze and George Membrillera joined the fray late on. The latter had in fact been on the scoresheet in our last home match, although it was for the opposition when Dorking Wanderers Reserves won here back in April, but this time we were already home and dry and a late card for Grant for an unnecessary nudge in the back made no difference.

The final whistle blew soon after and we moved up to fifth place in the table as a result; only behind Billingshurst on alphabetical order. The Row had won their previous match, defeating Seaford Town 4-1, but this win tells me all I already knew from pre-season, which is that we will be challengers this term. One thing to note is that in three matches so far we have used all fifteen available substitutes and we clearly continue to have much strength in depth. We visit Worthing United on Saturday, hoping to keep our winning run going.

## Two excellent strikes earn the points for Salts

28 September 2022

Seaford Town 1-2 Epsom & Ewell FC Southern Combination League – Division One Saturday 13th August 2022 Report Source: [www.eefconline.co.uk](http://www.eefconline.co.uk) Reporter: Richard Lambert.

With one swish of the left foot and a low scissor volley with the right, Jubril “Jibs” Adamson and Joao “Tiago” Andrade registered their first goals for the club and provided the Salts with a healthy seaside tonic as they put last week’s loss at Shoreham firmly in the rear view mirror with a 2-1 win at Seaford Town on Saturday.

It was Adamson’s debut, although he was not even in the original starting sixteen when it was announced, replacing Jahobi Maher in a pre-match line up change, who I presume was injured in the warm up, but it proved to be a successful change as his strike enabled our boys to recover from a shaky start and ultimately take the three points.

This was not an easy match to watch on a day where it was too hot for supporters, let alone players! The searing heat was constant, although in a strange way the players were helped a little by the stop-start nature of the game as a result of an over fussy and at times uncertain refereeing display which confused players and viewers alike. However, there were a number of positives to be taken from this match in addition to the obvious win. Both teams maintained a really high tempo throughout and the contest was a totally competitive one throughout, while we also showed good game management, both on and off the pitch to ensure that we remained ahead against an opponent who will be there or thereabouts at the end of the season.

We had a strange and unexplained delay to the start of the game and the players were kept waiting before we finally got underway seven minutes late and the first thing my boy noted was that we had started with a back four, after playing all pre-season with a back three. On the Seaford surface which was understandably brown, but with occasional patches of green speckled across it, we looked like we would be off the a good start from the opening exchanges, only to fall behind from a right wing ball in that was met at the near post with a strike from Callum Connor that was blocked, but he was first to reach the loose ball and smashed it past Matt Walton from close range in the sixth minute.

It would have been easy to think back to the previous week when we conceded after nine minutes and never recovered, but if anyone was thinking like that, it wasn’t for long after a delightful through ball just two minutes later found Adamson and his early strike was low and just inside the post from twenty yards before Seaford keeper Mike Platt, with a career as a Ben Stokes lookalike ahead of him, was able to do anything about it. In fact he couldn’t have reached it if he had been holding a bat!

It got better in a hurry too as Athan Smith-Joseph made tracks down the right wing in the 15th minute and sent a cross over. Platt came out of his goal and called for it, but the ball was already landing on the defender’s head and he cleared it away. However, the clearance fell straight to Andrade just inside the penalty area and he showed good technique to keep his volley down, which flew into the net that Platt had vacated.

Both sides had another good chance before the break. The hosts had a 37th minute free kick that was met with a decent header, although Walton appeared to get a hand to the ball before it hit the post and flew away, and then on the counter attack Smith-Joseph got down the right again and his pull back was sent just over the bar from Andrade from twelve yards. One more chance followed when a Ryan Smith free kick out on the right was met by the incoming Brad Peters, but he couldn’t quite get a sufficient contact and glanced the ball wide with his head.

The half had seen plenty of stoppages and the referee was the reason for most of them. Delays were frequent because of odd decision making and his habit of wandering over to his Assistants, almost as if he was after some sort of validation. This was proving a little frustrating and just before the half time break Peters found himself sent to the sin bin. Although I don’t know what was said, you had sympathy for our Captain at this point and he missed the final seconds followed by the opening ten minutes of the second half. Despite being down to ten men in those closing seconds there was still time for Steve Springett to show good energy and make advances down the left, although his ball in was volleyed over by Andrade.

The second half commenced with another unusual decision as Gideon Acheampong just reached the ball after it had already gone out, but sent it out of the ground and picked up the first yellow card of the day in the 50th minute, although we were down to ten at the time so that may have factored into the referee’s thinking. However, I’ve seen far worse completely ignored before! Peters returned after ten minutes actual play had occurred, but he then picked up a silly yellow card for a push right on the edge of the area and when moments later Connor picked up a yellow for the home side after a foul on Andrade, our Captain was taking a risk by clapping very clearly in the referee’s direction. Well aware that a second sin bin offence would leave us with ten men, our Assistant Manager Matt Chapman and his team, in the absence of both joint Managers today, made the wise decision to replace Peters with Johnny “Sonic” Akoto who made his debut at left back with Springett moving into the centre.

The hosts tried to push us back. Literally in one case when a long throw came in and Springett was sent flying, but the referee missed this foul that I could see from 100 yards away and the ball needed to be cleared out from under our crossbar by Andy “Woody” Hall. We then saw our left winger Richard Pingling kick the ball away into a hoarding, but fortunately for us, although inconsistently he didn’t receive a card. Pingling and Smith-Joseph asked questions of the Seaford defence all day and were a regular threat.

As the match progressed, further substitutions followed and one of these, Adam Grant just saw his header sent over the bar from another Smith-Joseph delivery and there was time for a new player Joshua Owens to come on for his debut where he, along with Owen Higgins and Louis Chin bolstered our tiring midfield. Chin came on in the 91st minute, yet we played nine minutes over, and whilst there were a couple of minutes taken for the mid-half drinks break, it was a very long time before the whistle blew and we could celebrate the points.

On another day, the home team could have taken a point, but our players looked much more solid this weekend and rarely looked in trouble during the second half. We kept a very good side at arm’s length for much of the contest and for that reason I believe we were worthy of the three points, something also acknowledged by the Seaford Manager Paul Wise in his always honest post-match comments. We now host Forest Row next, but please note that this match has been moved from the Tuesday to the Wednesday at short notice. Such are the hazards of ground sharing, although I imagine that our players will be grateful for the extra day’s respite between games!

## Shoreham 3-0 Epsom & Ewell

28 September 2022

Southern Combination League – Division One. Saturday 6th August 2022. Report Source: [www.eefconline.co.uk](http://www.eefconline.co.uk) Reporter: Richard Lambert.

On Saturday we suffered our third straight 3-0 defeat when visiting Middle Road, home of Shoreham. Whilst the previous two losses contained many positives against opponents of a far higher standard, this latest performance came in the extremely important first League match of the season and was significantly poorer than any of our pre-season encounters. In fact this was our worst opening day result since losing 6-0 against Windsor & Eton in 1970!

Shoreham are a good team at this level and defeated us here in the League last season, so this was already expected to be one of our toughest challenges of the season at a time when our new Management team are just beginning to put a team together. However, if there has been an issue of concern this season it has been the sheer number of players we have had trying out for squad positions, which has probably meant that many haven’t had enough game time. Certainly it appeared at times as though some of the players had hardly met before and the nine debuts handed out in this match equalled our club record, set previously in

1945 and 1982.

We had the first half chance of the match when Athan Smith-Joseph opted to volley at goal from a very wide angle with the ball flying over the bar, but we then trailed in the 9th minute and it was a sorry story. An unnecessary back pass to Matt Walton hurried him into a clearance straight to an opponent and the ball was sent across to Harry Heath, who knocked the ball past our still retreating keeper from around eighteen yards. He got a hand to it but couldn't keep it out.

The match was fairly even from that point for the remainder of the half. In fact, it could be argued that we were holding the balance of possession and Adam Grant's shot at goal in the 28th minute would have tested Sam Marsden the home keeper, had it not taken a heavy deflection on the way which ensured that it dribbled into his arms instead. It is important to note that this was our only shot on target in the entire match.

A couple of efforts from new boys Jahobi Maher and Ryan "Butch" Smith cleared the bar as we tried to get a foothold in the match but in the 44th minute a back pass from another new boy Aaron Bogle caught Walton out and he was unable to keep the ball out of the net. It was a disastrous way to end the half.

We made a substitution at the half as Richard Pingling came on for Maher who had received a couple of knocks to his ankle and we thought we had found a way back in the 53rd minute when a deep delivery was headed into the danger area by Andy "Woody" Hall for Tiago Andrade to deftly knock the ball over the keeper, only to see the offside flag raised against him. Now this looked slightly harsh, and whilst I do not stand in the best position for these sort of things, you still get a feel for them after 40 years behind the goal and I reckon it must have been very close.

The next chance fell to the home side and Walton made a smart save. but we were extremely fortunate in the 67th minute when Ross Myers was free at the far post after a good move down the right and ball across which was smashed against the bar and over from fairly close range. Another shot just cleared our bar as Shoreham pushed for a third goal. Then another dangerous ball in was not gathered by Walton and there was panic in the six yard box, but fortunately the danger was cleared.

We had one further piece of club history when Owen Higgins came on for Grant in the 77th minute, as the new rules allow for five substitutes this year and as the first person to become an official fifth substitute, he joined an exclusive club along with the previous four; Reg Scott (1966), Tommy Tuite (1975), Steve Smith (1995), and James Moran (2008).

We had one final opportunity when Pingling struck the bar from around thirty yards, but in reality, the Shoreham defence, marshalled superbly by Dan Momah wearing the number five shirt, dealt with our threat fairly comfortably all day and insult was then added to injury in the 91st minute when the hosts scored a third goal, again created from the right wing and this time Myers couldn't miss the tap in.

Of course this is only the opening fixture of the season and things will surely improve if the friendly performances are anything to go by, but this was a worrying way to start and with the trip to Seaford Town coming up next Saturday, we will need to get better in a hurry, especially as Seaford will also be keen to bounce back from their own heavy opening day defeat at Forest Row.

## Salts falter at final friendly

28 September 2022

Leatherhead 3-0 Epsom & Ewell Pre-season Friendly - Stella Lamont Trophy Wednesday 3rd August 2022. Report Source: [www.eefconline.co.uk](http://www.eefconline.co.uk) Reporter: Richard Lambert

Tanners ease to victory. In five days we have faced two Isthmian League Step Four teams in Walton & Hersham and Leatherhead and it's fair to say there will be little between the pair as our landlords repeated the scoreline we suffered at the Elmbridge Xcel Sports Hub. As with the previous match, the Tanners could afford to miss a penalty too in their 3-0 win.

This match was listed as the Stella Lamont Trophy, named after our long-serving Club President. It is most unusual to name a trophy after someone who is still with us and indeed Stella very much is; celebrating her 94th birthday on 1st September! We also took the opportunity to show off the new kit for this season, which regrettably followed a trend of recent years in gradually becoming more white than blue, with our players almost appearing to wear white bibs across their chests!

As a larger number of players have now signed, I am able to refer to more of them by name and all eleven of our starters in this match have put pen to paper. How many of them will make the starting eleven on Saturday remains a challenge for our Management who used seventeen players and had four unused subs available too, not to mention four other signed players who were not present!

In reality this was a very similar match to our contest at Walton & Hersham, but there were a lot more goal scoring opportunities for both teams over the ninety minutes, as neither team earned top marks for their finishing. We made a bright start though and Jahobi Maher sent an early strike a yard over the bar before a Ryan "Butch" Smith free kick was headed at goal by Steve Springett, only to see the ball superbly tipped over by the Leatherhead keeper. This would prove to be our best chance of the match.

In response a tame shot from our landlords was dragged across goal, but they had more success in the 11th minute when we failed to deal with an extremely long throw in and the loose ball was drilled low past Matt Walton by Tarpey although our new keeper, who has played well in pre-season, did well to even get a hand on the shot.

We were back on the attack soon after and Athan Smith-Joseph produced a good run and cut inside his man, but fired a curling shot just over the bar from 15 yards. There were plenty more efforts on goal from either side, although most of them came from Leatherhead and as the half progressed our good start became more of a distant memory. A 37th minute far post header was a good opportunity for our opponents to extend their lead, but this was sent over the bar from fairly close range and the teams went in at the break with a 1-0 scoreline.

Smith-Joseph saw another effort just high and wide as we opened the second half, and Leatherhead nearly scored in the 58th minute after a deep corner was headed back across goal, but a low shot flew away off our post to safety.

We then had some half chances around the hour mark, firstly when Smith-Joseph's shot from the right was parried by the Leatherhead keeper, but not in the usual way, as the ball spooned up off him over the bar, dropping onto the roof of the net. Then from the corner Jubril "Jibs" Adamson was unable to deal with a Smith corner in a good position and the ball hit him and was cleared. A few minutes after this Smith struck a shot from at least thirty yards which cleared the bar by a couple of feet.

The game then stopped for six minutes while a stretcher was required for a Leatherhead player who looked in a lot of discomfort. We wish him well. On the pitch we made five substitutions, but we created less as the half progressed and conceded a second goal in the 75th minute as Tarpey latched on to a long ball in a bit too much space and clipped the ball over the advancing but exposed Walton. Walton was replaced by our other regular keeper, but he suffered a similar fate eleven minutes later when the Leatherhead number three made a fine run from the full back position and took a return pass before clipping the ball over our man for a very good goal.

Substitute Adam Grant had a late chance when he received the ball from a poor keeper clearance, but his effort from 40 yards was a few yards wide of the vacant target. For all our attacking, 3-0 was a little harsh at this point, but it nearly got worse as a clumsy foul led to a penalty, although the same post came to our rescue again and the deficit remained at three.

There is a school of thought that says friendlies against top Four sides will teach us little, compared to a match against a team of a similar level and I largely subscribe to that theory. However, these two defeats have produced some positives and we will also enter the League season with our feet firmly on the ground when we open up on Saturday at Shoreham.
