

Miller hat-trick saves Epsom and Ewell FC

1 April 2025

Spelthorne Sports 1-4 Epsom and Ewell FC. Combined Counties League - Premier Division South. Saturday 29th March.

It's like London buses; you wait eight matches for a win and then along come two at once! The same story could be applied to our little winger Luke Miller, who had scored 36 goals for our club previously, but not a single one since September, and yet his well taken second half hat trick was enough to break a fairly weak Spelthorne resistance as we won at the Sports Club by four goals to one, confirming our mathematical escape from relegation this season.

Maybe unsurprisingly, we stuck with an unchanged starting eleven for our meeting with the club at the foot of the League in the hope that momentum gained in Tuesday's win over Corinthian-Casuals would continue. Going into this contest we knew that a win would guarantee our survival at Step Five for 2025/26, but anything less would leave us looking over our shoulders at the fast improving Balham team.

We got off to a fine start at the Spelthorne Sports Club; a venue we have never lost at in five previous visits, and were ahead as early as the seventh minute after some early pressure led to the ball being passed around on the edge of the Spelthorne Sports penalty area and out of nowhere, Brendan Murphy-McVey struck a shot across home keeper Aaron Etukado with the outside of his left foot. It was a cultured and clinical finish and was also our new man's first goal for the club, having been unfortunate when hitting the post four days previously.

The home side were forced into an early substitution due to injury and after Jason Bloor was brought down on the edge of the area, Murphy-McVey's strike forced Etukado into a low save. Bloor sent a strike over the bar from distance and Toby Young headed wide from a deep Miller free kick. It was interesting to see the Spelthorne number ten Glenn Yala stumble in the penalty area and then receive a yellow card for simulation which looked harsh, before a card was issued in the direction of our bench for something that was said. Just before half time Ethan Nelson-Roberts saw his shot take a heavy deflection wide and from the corner Anthony Nazareth headed wide at the far post.

As the players went off at half time there was only really one team in it, but a substitution at the break worked instantly as Oliver Jovanovic came on and with just 20 seconds having elapsed, he tried his luck with the breeze now in his favour and it flew right into the top corner, leaving Sami Nabbad helpless.

A week or two ago this might have caused us to wobble, but the home side rarely challenged and we soon picked up where we had left off in the first half. There was time to see Craig Dundas trying a cheeky throw in off the back of a retreating opponent in an attempt to get the ball straight back, but he was pulled up for the foul throw! However, it didn't take much time before we restored our lead and it arguably came from an unlikely source. Miller had missed three good opportunities against Casuals on Tuesday and hadn't troubled the scorers for a few months, but this time he was far more clinical and when he ran on to Ethan Brazier's great pass over the top of a static defence, he ran in on goal before cheekily flicking the ball, again with the outside of his foot like Murphy-McVey had, to send the ball beyond Etukado's left hand and into the far corner of the net in the 64th minute.

We then posed a tricky problem for the referee when substitute Kionte Gillfillian-Waul made good ground on the left before colliding with the keeper. It wasn't clear to see who was at fault here, but despite our appeals, the man in black waved away the penalty appeals. Again though, it didn't matter as we made the game safe in the 80th minute. This time Gillfillian-Waul did well down the right flank and his pull back enabled Adam Green to strike a low shot at goal from just outside the area. Etukado got down to make the save, but couldn't hold on and Miller was there at the far post to firstly win the ball off a defender before tucking it in from a narrow angle just a couple of yards out.

Etukado was badly injured in making the save and required treatment for a lower leg injury before being replaced in some pain. This required the home side to throw in an outfield player and as they had used all their substitutes by then, they were also down to ten men as a result. I thought the same was going to happen to our Captain Green in the 89th minute after he needed treatment, as we had also used our subs by then, but he recovered to rejoin the action and Miller wrapped things up in the third minute of injury time with a cheeky lob from an angle, only twelve yards out, that went in off the far post to give him his third hat trick in Epsom colours, and his first one away from home after registering triples against Mile Oak and Billingshurst, both at our temporary home ground of Fetcham Grove in 2021/22.

Spelthorne will now take a season or more out in Division One of the Combined Counties League, having fallen away quite badly this season, while Corinthian-Casuals will surely dispense of their Manager at season's end having just about survived at this level, when they will have been hoping to bounce straight back. What I will say in our favour is that these two wins were pivotal and you can only beat who is in front of you. We'll get a better idea of whether we have really turned the corner on Tuesday against in-form Balham, but either way, assessing the performance is not really important right now; it was all about the points, and as it was at the end of last season we have made it count just when we needed to. The same could also be applied to Miller, who now jumps five places on our Club Hall of Fame list to 42nd after not moving for such a long time. I think he would agree, it was overdue!

Epsom and Ewell FC beat landlords

1 April 2025

Corinthian-Casuals 1-2 Epsom and Ewell FC. Combined Counties League - Premier Division South. Tuesday 25th March 2025

It could be argued that our opponents were the ideal team to play as they had not won any of their last 15 League matches dating back to November, but we of course went into this match on a nine match losing run of our own; our worst run since the relegation season of 2003/04, (when we went down with just one point fewer than Corinthian-Casuals!) so nothing was ever going to be straightforward in our battle to escape relegation, which was brought into sharp focus by our 3-2 defeat to Balham on Saturday.

Although Dundas was technically in charge yesterday, he continued his role up front, so the bulk of the match decisions were in the hands of Max Johnson and the rest of the Coaching team. It could therefore be argued that there was not a lot of difference, but our performance in this match was more aggressive and attacking than we had been in recent matches.

We made a couple of personnel changes from Saturday's match. Former Casual Sami Nabbad came in between the posts against his old club while Ethan Brazier returned to the starting eleven, resulting in Niall Stillwell moving forward into a midfield role in place of the absent Sean-Michael Anderson.

It was clear from the opening exchanges that this was going to be a more open encounter. Both sides fired early sighters just wide of the goal and Nabbad had to come out smartly to head clear. Young gave away a foul out on the touchline but the free kick was claimed by Nabbad as the "home" team shaded the early possession. As the half went on though, we began to gain a foothold in the match. The 44 year old Dundas set a fine example by chasing down a lost cause and retrieved the ball just before it went out of play, which led to a shot from Brendan Murphy-McVey that smacked against Murillo Bernardes' left hand post with a deflection just preventing Jason Bloor from knocking the rebound into an empty net.

Adam Green tried his luck from distance with Bernardes turning the ball around the post before Murphy-McVey saw his shot flick up off a defender, requiring an acrobatic save from the keeper to claw the ball away. The best chance of the half came for us in the 45th minute when good pressure from Dundas and Green allowed Luke Miller to have a clear shot at goal from fifteen yards, but he dragged the shot horribly across goal when he should at least have hit the target. Still, as the half time whistle blew, we appeared to be in the ascendancy, despite the goalless scoreline.

Of course this counts for little as we found out three days previously if you don't sustain things in the second half and in the 48th minute we were behind after Ben Checklit drilled a low shot across Nabbad into the far corner from just inside the penalty area to put us in a difficult situation. We were going to have to come from

behind to win for the first time since winning at Phoenix Sports in an August F.A. Cup tie.

It is sometimes easy as a supporter to focus on your own club's shortcomings on the field of play without realising that other clubs have their own issues too. For example, our nine match losing run had been underlined by our inability to hold onto a lead against Balham. However, Casuals had concerns of their own, having failed to win for so long themselves and from the point when they took the lead, they started to exhibit the same signs that we had been guilty of so recently. A defensive error let Miller in on goal just four minutes after we had conceded, but with just Bernardes to beat, he lifted his shot over the bar from just twelve yards.

Then in the 57th minute came the turning point in the match as a hopeful ball forward took a very solid bounce and completely deceived Bernardes who could only get a faint glove on the ball, enabling Bloor to continue the run he made and nod the ball into the empty net from eight yards! It was a massive lifeline and we had taken it to level the scores.

Seven minutes later it was Bloor again who received a ball on the left and as he cut in, he was brought down in the penalty area by Marcus Dos Santos who then received a second yellow card for his foul. Ironically, their powerhouse midfielder will now be suspended for their next fixture against.... Balham! Adam Green tucked away the penalty in the 65th minute and we had a lead. In fact, we had turned the match around in a ten minute spell, much the same as Balham had done to us on Saturday, but could we hold on?

Against ten men it should have been fairly straightforward to manage the game, but it was never going to be quite that simple as our opponents began to push forward in search of an equaliser. Our bench cleverly broke up any momentum with some regular substitutions during this period with Ali Fofahan, Kionte Gillfillian-Waul, Stefan Aiwone, Callum Wilson and Nicolas Bostan all joining the action over the next twenty minutes and it was interesting to see Wilson stationed up front as we tried to relieve any pressure with a clearance in his direction, although we kept trying to push forward in this match instead of sitting back and Miller sliced a shot wide in the 70th minute before his pull back from the touchline was cleared just ahead of the incoming Green.

At the other end Toby Young made a great defensive block but we looked dangerous going forward and Fofahan saw his shot turned around the post, before receiving a superb crossfield ball from Miller a couple of minutes later, which really should have brought success, especially when he had done the hard work to cut inside the defender, but with just the keeper to beat, he put the ball over the bar from ten yards.

Nabbad had to be alert to block a shot at the near post, but the final whistle blew soon after and celebrations commenced. Although we are not mathematically safe yet, the relief was everywhere to see and the exuberance was justified on this occasion. We now sit four points clear of Balham who have just two matches remaining and also now sit above Chipstead with a better goal difference. We can guarantee safety with a win at bottom club Spelthorne Sports on Saturday, or with a win for Corinthian-Casuals over Balham on Saturday and failing both of those outcomes we still have three more fixtures to play. We're almost there now and for the first time in a while we have momentum; one of the most important things to possess in any sport. New Manager bounce? It definitely exists!

Epsom & Ewell FC mid-week loss

1 April 2025

Horley Town 2-0 Epsom and Ewell FC. Combined Counties League - Premier Division South. Tuesday 18th March.

We made some changes from our defeat at Tadley Calleva on Saturday as Kevin Kardel returned between the posts, with Toby Young in front of him in place of Stefan Aiwone, while Kionte Gillfillian-Waul came back in on the left, enabling Ethan Brazier to switch back to his natural right hand side and releasing Niall Stillwell to play further forward. Up front there was another surprise as Craig Dundas took on the centre-forward role ahead of the late arriving Carl Oblitey and Ali Fofahan came in ahead of Jason Bloor. However, for the second match in a row we went behind in the opening minutes.

It's one thing conceding early, but quite another to let a goal in that is easily preventable and in the fourth minute the ball was just pinged into the danger area from the left wing, where former Salt Will Kendall was waiting unmarked to guide a header past the helpless Kardel from fairly close range.

We then had a chance of our own two minutes later when a ball through towards Dundas came back off the Horley keeper George Hyde, rebounding kindly for our Player / Coach to get a shot in, but he hooked his left footed shot just over the bar from eight yards out. We didn't know it at the time, but our best chance had already gone.

Kardel had to punch away a dangerous delivery, but we were on the attack soon after where Luke Miller saw his shot blocked only for Brendan Murphy-McVey to strike his shot wide from a good position, and whilst it took a slight deflection on the way, the corner came to nothing.

The home side were creating more than us though and had a spell of corners, from which they extended their lead in the 31st minute after one wasn't cleared and Ben Senior's shot from ten yards ended up in the net via at least one deflection. Clearly our boys were unhappy with this, although it wasn't clear from where I was standing exactly what had gone on, but it must have been important as Anthony Nazareth protested to the extent that he found himself in the sin-bin for his comments.

We didn't suffer too much during this enforced absence and Adam Green came quite close with a superb strike from around twenty yards that dipped just over the Horley crossbar, but we could have no real complaints at the scoreline as the teams went in at the break with the home side two goals up.

We had been playing for just a couple of minutes after the restart when we really should have gone three goals behind. Another former Salt, Lewis Pearch, made tracks down the right and his delivery in found Kendall six yards out and completely unmarked, from where he lashed his shot against the frame of our goal; rebounding down and away off our crossbar. It was a lucky escape, but could we use this let off to get back into the match? Regrettably not, as we created little by way of a threat from this point. Miller set up Green for another powerful strike that was just wide of the top corner.

Oblitey came on as we went with an extra man up front and it took Horley a few minutes to come to terms with it, during which we nearly got a goal back when a clever ball over the top from Brendan Murphy-McVey put Dundas through, only to be denied by a well-timed challenge just as he was about to shoot. Oblitey sent a dribbler straight at Hyde before Sean-Michael Anderson and Conrad Essilifie-Conduah were introduced, but the pattern of the match remained unchanged and our final chance of the match came when Green's cross was headed wide by our final substitute Bloor. Seven minutes of injury time were played, but we were unable to reduce the deficit and the final whistle confirmed another loss for our boys.

We can look at this result in two ways. We can look at the eight straight defeats and feel sorry for ourselves, or we could take in the simple fact that despite the losses, a win on Saturday at home to Balham will guarantee our survival. A loss to Balham would leave them just one point behind us and make for an extremely nervy end to the season, but we can consign all that to the history books with a home victory. It's not much to ask, but it would require a significant improvement from our recent performances if we are to achieve that.

Epsom & Ewell: Kevin Kardel, Ethan Brazier, Kionte Gillfillian-Waul, Adam Green (c), Anthony Nazareth, Toby Young, Luke Miller, Niall Stillwell, Craig Dundas, Brendan Murphy-McVey, Ali Fofahan

Subs: Carl Oblitey for Fofahan (58), Sean-Michael Anderson for Miller (71), Conrad Essilifie-Conduah for Stillwell (79), Jason Bloor for Dundas (87)

A comedy of errors - but it wasn't funny as Epsom & Ewell FC lose again

1 April 2025

Tadley Calleva 5-2 Epsom and Ewell FC. Combined Counties League - Premier Division South. Saturday 15th March.

"We are right in the s**t now" stated our Manager Warren Burton after Wednesday's awful loss at Guildford City and if he felt bad then, who knows what he is thinking now after this self-inflicted implosion at Tadley Calleva who defeated us 5-2 without really playing that well. In fact, this was a dreadful advert for the Combined Counties League with six of the seven goals scored as a direct result of bad defensive errors, whilst the referee also got into the act with the worst display I've seen in over a hundred matches watching Epsom and non-Epsom matches this season.

On a bitingly cold day in front of a pitiful crowd, Burton handed Brendon McVey his debut after joining from South Park, but before he had a chance to get involved we were already up against it in a big way after Stefan Aiwone miscontrolled the ball and Alex Miller got through, only to be brought down for a penalty. Worse was to follow as the referee then decided our man should also receive a red card! Now, I'm aware that the rules state that this can still happen, but thought that it needed to be in cases where the defender made no effort to play the ball, which Aiwone clearly tried to do. Either way, Kieran Rodgers stepped up and sent Sami Nabbad the wrong way from the spot in just the fifth minute. It's possible this may have been our earliest ever sending off in a match and in my opinion it was the wrong decision.

This was a nightmare start but we were nearly level just three minutes later when McVey tried his luck from thirty yards, only to see the ball cannon off the face of the Tadley crossbar. It would have been a great way to mark a debut! Then Luke Miller drilled the ball low into the net, only for a foul to be awarded against Jason Bloor in the build up.

From that point though, we began to struggle as the home side began to make the extra man count. Nabbad made a great save when the Tadley player got through on goal and then a few minutes later in similar circumstances the shot was fired wide. Unfortunately Nabbad then came out for an ambitious long ball, but misjudged the bounce and caught it just outside the penalty area. The moment I saw the Assistant's flag go up, I knew we were in trouble, yet for some reason the referee awarded only a yellow card. Any thoughts of having had a lucky escape were crushed moments later when the free kick was saved but not held by Nabbad and Ash Neal knocked the loose ball in from close range to make it 2-0 in the 35th minute.

Despite the deficit, we were still competitive. Then the home side started to make errors themselves, firstly when a pass was sent back to the home keeper Donny Burke whose touch let him down and allowed Carl Oblitey to take the ball round him, but his own touch wasn't the greatest and allowed Burke to recover and reclaim the ball. We went in at the break 2-0 down and a man down, but also fortunate to not be down to nine men.

The second half had been in play for just three minutes when the referee; clearly struggling with the contest and appearing to be out of his depth, stopped the game for an injury and restarted it with a contested drop ball, yet this rule was removed in 2019 according to Law 8!

We tried to reduce the deficit and with the wind in our favour McVey tried a lob from 40 yards, but Burke was able to catch it comfortably. Unfortunately, in the 56th minute the contest was as good as over with the only goal of the entire match that could truly be credited to the attacking side, as Rodgers scored his second and Tadley's third with a good run and cut back before almost stroking the ball beyond Nabbad into the far corner from 18 yards.

Yet within three minutes of their third goal, the home side started to be generous too. A hopeful ball towards the penalty area wasn't dealt with at all, and Oblitey ran through on goal, guiding the ball just inside Burke's left hand post to reduce the deficit. We then had another chance as the Tadley defence was opened up with substitute Sean-Michael Anderson setting up Adam Green for a shot, but it was a difficult angle and his shot was kept out by the well-positioned Burke. The match continued to be end to end though and in the 64th minute the home side restored their three goal lead with a slide rule pass through to Rodgers as our defence parted which left Rodgers a simple finish from fairly close range to complete his hat trick.

However, we were soon back on the attack and Green saw his shot brilliantly tipped over the bar by Burke, although Burke was fortunate when his next clearance hit Anderson and could have gone anywhere, but went across goal with our man requiring treatment for a ball to the face for his troubles. Burke would not be so fortunate in the 74th minute though, when he went to claim a simple catch, only to completely fumble it and leave another of our substitutes Ali Fofahan with an empty net to fire into from ten yards out and reduce the score to 4-2.

Despite being two goals behind, there were enough errors being made to give us some small hope of turning things around, but that was extinguished in the 81st minute after another bizarre decision. Oblitey clearly thought he had been fouled and said something, earning him a visit to the sin bin. However, Oblitey clearly was injured and as he walked slowly towards the touch line, he went down again, only to be shown a second yellow card! I'm still not entirely sure what rule he broke here and many of our people were confused with the situation also. Either way though, we were down to nine men for the eleventh time in our history and any chance of recovery was gone.

There was still time for some more poor defending in the 88th minute when Nabbad kicked his clearance straight at Oliver Rowan who then put it straight back past him for a fifth Tadley goal. To be fair to Nabbad he then made two good saves in the closing minutes as we fell apart and these could be really important now, as goal difference may yet come into it, although we did ourselves no favours in this match. We could blame the referee for some of this, but he also let us off big time with Nabbad's handball, which was almost identical to the offence that led to a red card for the Guildford keeper on Wednesday.

So where does this leave us? Strangely enough, things have become a lot clearer after this week's results as Balham also lost. Quite simply this now means that a home win against them next Saturday will relegate them and require something miraculous from Spelthorne Sports to overhaul us, even if we were to accumulate no further points at all. However, a loss next week against Balham will leave us in a precarious position and it's clear that we are going to need at least three more points from our remaining seven matches, starting at Horley Town on Tuesday. We are not the only team looking over our shoulders though, as Chipstead, Sandhurst Town and Camberley Town are not safe either and all have played more matches than us. However, we can only focus at our own situation.

Salts beaten by ten men

1 April 2025

Guildford City 1-0 Epsom and Ewell FC. Combined Counties League - Premier Division South. Wednesday 12th March.

We made the short journey to the Spectrum Football Ground on Wednesday to play out a 1-0 loss against Guildford who, despite having a player sent off just

before half time, proved to be the better team over the 90 minutes.

The game started slowly with neither side really taking control in the opening 20 minutes, although Guildford registered their first shots which both went wide. The first shot on target for either team came in the 33rd minute when we lost the ball on the right flank in our own half, and after a poor clearance the ball came back in and was headed weakly to Sami Nabbad in goal for a simple catch.

This brought a small patch of intensity to the game for the next five minutes as Guildford had a shot from the edge of the box which ricocheted off the outside of our near post. It was now our turn to attack, which we did with good passing on the left wing between Luke Miller and Kionte Gillfillian-Waul who crossed for Jason Bloor to miss narrowly to the Guildford keeper Jacob Terry's right.

Almost on the stroke of half-time, a ball forward was claimed outside of the box by Terry under pressure from Bloor. This was deemed to be worthy of a red card by the ref after a brief discussion with his assistant which meant that Guildford would have to play the second half with ten men and that Alex Stingelin would replace Terry in goal as well.

Although Guildford had shaded the first half, having more possession and shots, I felt that we had the better chance in the second half with the man advantage. Our first impact in the second half was through a free kick that we were awarded after Bloor was fouled about 25 yards out. Miller took the free kick and it was saved low to Stingelin's right.

Their goal came in the 62nd minute when Darrell Jon-Peter spotted Nabbad off his line and lobbed the ball over him from 40 yards. This was one of their first decent chances of the half and also one of their last as we created more chances with the extra player. We made our first substitution at that time with Sean-Michael Anderson coming on for Niall Stillwell who had been given 60 minutes as a right winger.

We had another good chance on the 70-minute mark when Adam Green played a deep ball into the box which led to a shot that was deflected onto the bar and over. In the next 10 minutes we had good chances that weren't taken as we had two shots and two corners that didn't test Stingelin in goal.

We made two more subs with Anthony Nazareth and Conrad Essilfie-Conduah replacing Stefan Aiwone and Craig Dundas respectively. We then needed to make a fourth substitution as a result of a high tackle on Nicholas Bostan who made way for Toby Young to make his first appearance in months after injury. The challenge earned itself a yellow card for Jon-Peter although a fan who was much closer than me said that he should have seen red for it.

From this point on we recorded several chances throughout the resultant ten additional minutes, with some shots on target and a couple that missed by a fair distance. We finished the stronger side but it wasn't enough to score against a defensively strong Guildford side who definitely earned their clean sheet from this game.

So where does this leave us? We are still in 18th place after our loss, four points clear of Balham with four games in hand. As we have played the joint lowest number of games in the league this season, we could still mathematically finish anywhere between 6th and 20th but with our last six games all being lost we are in bad form which must change.

Epsom & Ewell: Sami Nabbad, Ethan Brazier, Kionte Gillfillian-Waul, Adam Green (c), Stefan Aiwone, Nicolas Bostan, Niall Stillwell, Craig Dundas, Carl Oblitey, Jason Bloor, Luke Miller

Subs: Sean-Michael Anderson for Stillwell (63), Anthony Nazareth for Aiwone (78), Conrad Essilfie-Conduah for Dundas (81), Toby Young for Bostan (89)

Cobham 10 beat Epsom and Ewell 11

1 April 2025

Epsom and Ewell FC 1-3 Cobham. Combined Counties League - Premier Division South. Tuesday 4th March.

Back in November, a Will Kendall free kick enabled us to secure a 2-1 victory against Cobham at the Madgwick, but any thoughts of repeating that win were dashed in the opening fifteen minutes as a much improved opposition got off to a flying start and then kept us at arm's length for the majority of the match, despite having ten men for a large part of the contest; eventually winning by three goals to one at the KGF and providing us with our fifth straight defeat into the bargain.

We made three changes from Saturday's defeat at Knaphill. Sami Nabbad came in for Kevin Kardel in goal and it was also good to hear the news that Dan O'Donovan has recovered from a broken finger and is now training again. In other changes Conrad Essilfie-Conduah came in for Craig Dundas who was on the bench, and Ethan Nelson-Roberts was back in for the absent Ali Fofahan.

For the second week in a row we kicked off six minutes late in front of a crowd of 59 which was inflated to 70 once again. If you exclude last week's match against Balham, recent official attendances have been 60, 65 and 70 along with this one, also advised at 70, which does give the impression that our club are just guessing currently. However, we made a bright start with a delivery into the Cobham area being half cleared to Niall Stillwell who chested and then volleyed the ball at goal, only for it to be blocked and cleared. Stillwell was also involved in the next incident when he tugged a Cobham player back as he threatened to break away. It was early in the match, but it was the right decision.

The visitors opened the scoring in the sixth minute with a goal of real simplicity, as a pass to Patrick Murray in the right hand channel left him free to run close to thirty yards unchallenged before firing powerfully past Nabbad from twelve yards. It was a horrible way to start. Whilst it's above my pay grade to suggest whether the goal came about because of a missed assignment or the three man defensive formation, this is one of those goals that needs to be analysed, as it was a bit Sunday League.

Things got worse in the 13th minute with a decent Cobham move, added to a huge stroke of fortune, enabled them to double their lead. A move down the right was followed by a deep far post cross to Derick Hayford, who set the ball up for a team mate to strike. Had the ball gone in at that stage, it would have quite rightly been lauded as a fine goal. However, the strike was then scuffed badly, but fortuitously straight back to Hayford who then drilled the ball in from a narrow angle!

Across the park it was easy to see why Cobham are now firmly involved in the playoffs. They were bigger and stronger than us and clearly had a little more to play for. Our boys were trying, but our best chance, coming on the half hour, summed up our plight as Luke Miller sent a ball into Carl Oblitey, only for our striker to overhit a simple pass to the unmarked Adam Green, who had bust a gut to get into that position in the first place. Oblitey then sent a header from a corner just over the bar as we briefly threatened to pull a goal back.

Then in the 38th minute we received some inadvertent assistance in our chase as Ryan Marklew was sent off for his second yellow card. It certainly looked like a foul on Jason Bloor that was deserving of a caution, but there was just one problem; you could see clearly from the visitors reaction that it was the wrong man who was getting the card! It is ironic that a team can lose a man for over 50 minutes of a match with no recourse, yet we lost Luke Miller for less than ten minutes last week against Balham and managed to get a match replayed, but Cobham had no such opportunity and still hadn't calmed down by the time that Reis Stanislaus was pulled up for a handball two minutes later and his reaction earned him ten minutes in the sin-bin, leaving the visitors down to nine men.

Unfortunately, in the period without Stanislaus which was spread fairly evenly across either side of the half time break, we managed the sum total of zero shots on target and the only real alarm during that time came was for us when Stillwell appeared to foul a Cobham player in the corner. It sounded like a foul, although I'm assured by people nearer to me that no contact was made. Either way, and once the impassioned Cobham pleas for a second yellow card had fallen on deaf ears and died down, Warren brought Ethan Brazier on in his place, probably earlier than was originally planned.

Cobham were back up to ten men in the 53rd minute and moments later we had a shout for a penalty when Bloor rounded his man before being brought down, but I had a really good view of this and it looked like a solid challenge, with the referee agreeing with that view and awarding the corner instead, which came to nothing.

Little else happened of note as our eleven men matched up well against their ten men, without a great deal of goalmouth action for either side, but insult was then

added to injury in the 67th minute when the ten men scored a third goal. A raking pass down the right wing required Nabbad to come out and clear; palming the ball away with his hand just ahead of their winger, but his intervention didn't get the ball out of play and the winger simply retrieved it and sent it over, where Hayford reacted first to head the ball into the vacant net from close range.

With the contest over we threw three substitutes on with Nicolas Bostan making his first appearance for a few weeks. This gave us some life and Miller saw his strike deflected wide by the head of a defender. From the half cleared corner, Miller received the ball again and his low shot was saved, but not held by Cobham's keeper Conrad Knight and Oblitey was first to reach the loose ball to tap it across the line from about a yard to pull a goal back in the 73rd minute.

For a few minutes maybe we had a chance, but Miller's cross was just above Oblitey and as Cobham weathered the brief spell of pressure Anthony Nazareth picked up what looked like a fairly harsh yellow card for a foul, although he probably didn't help his case by then kicking the ball away! Either way, we were done by this point and a late Oblitey header from a Miller corner was sent just wide of the far post in the final minute of normal time with the final whistle following not long afterwards.

It's hard to assess our performances recently as I look back at this five match skid. There have been some good patches in there; most notably the first halves against AFC Whyteleafe and Knaphill, but we were dreadful against Balham and Wallingford & Crowmarsh and barely laid a glove on Cobham, although this one isn't just on us, as I thought Cobham were very good and may well surprise someone in the playoffs. They may not have been expected to be in the top five when the season started, but other teams should take note; they are there on merit. We now have a Saturday off before making the short journey to Guildford City on Wednesday evening for what should, on paper, be a perfectly winnable match. However, we went into the first match this season against them in a similar mood, following our F.A. Cup win over Step Four Phoenix Sports and the 0-5 home defeat that followed was a chastening experience. Maybe it will be our turn for revenge there.

Epsom & Ewell FC caught knapping at the end

1 April 2025

Knaphill 2-1 Epsom and Ewell FC. Combined Counties League - Premier Division South. Saturday 1st March.

At half time at Knaphill's Redding Way ground, we led 1-0 after one of our better halves of football in recent weeks, but a combination of us losing our way and an improved performance from the home team ensured that we would end up defeated by two goals to one, which was, I felt, a very harsh result for our boys.

Visits to Redding Way have not been successful in recent years, with our boys conceding six times in each of our last two matches there. Throw in the lack of a programme for the second successive season (time for a League fine, surely) and the fact that it is frequently cold and damp when we visit, and I'll be honest I wasn't particularly looking forward to this match, yet on arrival, we found a picturesque ground bathed in spring sunshine and everything looked much better! The sun had brought people out and there seemed to be a fairly large number of spectators present; far more than the official figure of just 83.

From a playing perspective, clearly something needed to change after our dreadful midweek showing against Balham and some changes were made. Anthony Nazareth and Callum Wilson returned at the back and we went with three players there and the unusual sight of Luke Miller playing at left wing back with the right wing back role being entrusted to Niall Stillwell.

Whether it was down to the formation or just an attempt to restore some pride after our home loss to one of the relegation favourites is hard to know, but we came out of the blocks in much better shape and actually started to pass the ball around quite a lot. We were looking like a team, rather than the group of individuals that had taken the field against Balham and we made the first chance when following some good pressure Craig Dundas received the ball, but he was a little wide and couldn't wrap his leg around the ball enough to get the shot on target.

Admittedly, we did nearly go behind a minute later when a superb right wing cross took out Kevin Kardel and was met by a thumping far post header which sent the ball against the underside of our crossbar and the follow up strike was then well blocked. This was an isolated attack though and we were soon back on the attack when a great crossfield pass from Miller found Stillwell running into the penalty area and he lashed a shot that was heading just inside the post and Sam Gray in the Knaphill goal had to be alert to keep out. From the subsequent corner Stillwell rose again at the back post but couldn't keep the header down. It may have gone out of play off a defender, but the goal kick was given.

Stillwell was the best player on the park in this first half and it was his left footed cross in the 15th minute that led to our opener, as the delivery was perfect for Carl Oblitey to head at goal. It would have gone in but was almost immediately blocked by the hand of James Glover. After he received a yellow card we then had a lengthy delay after the Knaphill Captain Dale Burnham suddenly required treatment in the penalty area; a cynical move that the referee fell for. However, our own Captain Adam Green kept calm and thumped the penalty out of Gray's reach in the 18th minute.

Although we never again had the dominance of those opening stages, we remained on top for the remainder of the opening period and Ali Fofahan broke through on goal but Gray tipped his early shot wide. He then had an even better opportunity after Oblitey put him through once again just before the half, but instead of smashing his shot at goal from about six yards, he chose to cut back onto his stronger left foot, by which time a defender was able to get back and block his shot. As we went in at the half, we held a deserved lead and nobody could have argued had that lead been greater.

There was only one concern in that opening forty-five which was when Jason Bloor went down with an ankle injury a few minutes before the interval, but he recovered after treatment and was back on the field for the second half, only to break down again within a couple of minutes. Ethan Nelson-Roberts came on in his place, but we missed Bloor's all round game and were never quite as strong in this match again. It is worth pointing out at this stage that the last match Bloor started was the last one we won, against Abbey Rangers, and right now we are not quite the same side without him.

Having said that, we nearly extended our lead in the 51st minute after Oblitey set up Fofahan once again on the right wing and although the delivery was just too far ahead of Oblitey, the ball struck Glover and bounced inches wide of his own goal, almost in slow motion. Despite our superiority, within seven minutes of this chance the hosts drew level. Matt Copland unleashed a powerful long range strike that was heading for the top corner until Kardel pulled off a fantastic save. Unfortunately from the corner Burnham was able to volley the ball in from close range.

From this point the match began to get a bit niggly. The Knappers had clearly been given a talking to at the break and were fighting for everything. Our boys seem quite happy in those situations and battled back, leading to a flurry of stoppages. Wilson picked up a yellow card for a fairly agricultural challenge too, and whilst a Miller shot curled just beyond the far post and Oblitey sent a header from a hanging Nelson-Roberts cross towards Gray, it was the hosts who were next to score in the 75th minute after their new signing Sid Cannon ran through our defence and planted a shot beyond Kardel from around 15 yards to register his second goal in his second match for them. It would prove to be the winning goal as the game degenerated further. A foul on Nazareth earned a card and this was followed by another for Jack Watts after he clattered into Kardel, leading to the obligatory scuffle between a number of players and things also threatened to kick off between the benches too.

In the 92nd minute we then had an incident of rank stupidity from the Knaphill sub Ben Mitchell. Despite having been on the field only for a short period of time, he then also smashed clumsily into our young keeper, despite already having picked up a yellow for a foul on Nazareth, leading to the clearest "second yellow" you may ever see at this level. However, there was little time to take advantage of the extra man and after seven minutes of injury time the final whistle blew to confirm that the points were staying at Redding Way for the third straight time.

It's hard to know exactly how we didn't come away with at least a point from this match. We were the more superior side in the first half and although we seemed to run out of steam in the second half, maybe we struggled with Knaphill's second half intensity a little, so credit must also go to our opponents for their fightback. Certainly the loss of Bloor didn't help us either. At this stage of the season and with little to play for, Warren will probably be trying to find out which players he wants to retain for next season and which formation works best. Although Stillwell produced an excellent hour on the right in his advanced wing back role, I'm not

sure that we learned much else from this defeat, even if it was an undeserved one.

“....., it is now!”

Epsom and Ewell 0-1 Balham. Southern Combination Cup – Quarter-Final. Tuesday 25th February 2025

So it's all over! A long and fairly successful 2024/25 cup campaign, covering fourteen matches in total, has now come to an end following our disjointed exit from the Southern Combination Cup at home to relegation threatened Balham by a goal to nil at the KGF on Tuesday evening.

As always, there was plenty of commitment from our boys, but this was arguably our worst cup display of the season as we struggled to put together anything of real danger against a Balham side, fresh from securing a rare League win on Saturday, who battled for everything, won almost every header and in the end could have won by more, as we registered just one decent shot on target in the entire match.

Kevin Kardel returned from injury to reclaim his spot in goal ahead of Sami Nabbad, while Craig Dundas came back into the starting eleven for the injured Callum Wilson from our spirited defeat to AFC Whyteleafe on Saturday, leading to Adam Green taking Wilson's place in the back four for this match, but it is quite clear that our boys like to play on artificial surfaces and the KGF was the complete opposite! If I'm honest, I didn't expect the match to pass the afternoon inspection, and whilst play was deemed possible, it was very heavy and cut up quite badly.

We kicked off six minutes late on a chilly evening in front of a crowd counted at 48 and it was the visitors who showed first, sending an early corner straight through our six yard box. They took the lead in the tenth minute from a free kick deep out on the left which was met towards the far post by a solid header that sent the ball back across Kardel and into the far corner of the net. It was an unstoppable header, although it would have been preferable to have actually seen some marking and from their response it was clear that our bench felt the same! But it was still early and there was plenty of time to fight back. Ethan Brazier combined well with Niall Stillwell who set up Ali Fofahan who then saw his shot blocked by a defender and a few minutes later Ethan Nelson-Roberts and Carl Oblitey did well before a delivery went straight across goal. Fofahan reached the ball just inside the touchline before a sliding challenge appeared to take him out, earning his opponent an early yellow card, although, whisper it quietly, but I don't actually think any contact was made and that was certainly the opinion of some of the other nearby Balham players.

However, we created little and had an escape of our own when a Balham corner was met by a decent half volley that hit the full face of our crossbar and rebounded to safety. It was a niggly, scrappy match that normally suits us, but instead, players were shouting at each other, while our bench also hurled a couple of insults that I can't print! As we approached the half Brazier pulled down his man as he threatened to break away, earning a yellow card for his challenge and in the third minute of injury time Marlon Galivanes reached a low ball in from the left wing, but Kardel kept the shot out from close range. We went in at the break maybe fortunate to be trailing by just the one goal.

It has been documented here previously that we have only won one match all season from a trailing position, which came way back in August at Phoenix Sports. We also had never beaten Balham in our previous five meetings, so the omens weren't looking great. Still, Balham's league position was enough to tell you that we were almost certain to get chances in this second half.

The half started with a foul on Green, or at least, that's what everyone else thought, while the referee chose to play on. In his defence, he had been trying to keep the play flowing where possible, but he got this one wrong! Then Green popped up at the other end but couldn't keep his header from a Luke Miller corner on target. As we neared the hour the visitors had another good opportunity; the first shot being blocked by Stefan Aiwone and as they reached the loose ball first, the shot was parried away by Kardel for a corner. There was no denying that our keeper was the busier of the two and when Kionte-Gillfillian-Waul limped off we reverted to a back three in an attempt to get players forward. Ironically our next chance came a few minutes later from Niall Stillwell who had been playing in midfield before moving into the back three. He struck the shot well from just over twenty yards, but it went straight at Theo Lloyd in the Balham goal.

Time was running out and we weren't helped by an incident in the 85th minute when Miller was harshly pulled up for a foul. His frustrations were understandable, but even after the referee had warned him, he wouldn't let it go and was sent to the sin-bin for what would prove to be the remainder of the match. During this time Noah Bartram should have scored a second goal as he latched on to a ball over the top, but Kardel again did well to deny him keep our hopes alive. But not for long as the final whistle went after four minutes of injury time to signify our exit from the competition.

Or was it? Rumours abounded at the end of the match that the referee had erred in applying a sin-bin in a competition that didn't allow it. I have no idea whether this is a fact, as I do not have a copy of the rules to hand, but if this actually is the case, then it's fair to say that we might have a case for a replay. We'll no doubt find out soon enough, but in the meantime it is Balham that will visit South Park Reigate in the Semi-Final and it has to be said that they thoroughly deserved the win. They may be seven points adrift in the League, but if they play like this for the rest of the season there is every possibility that they could close the gap on the pack above them and this last few days may well kick start and even define their season.

For us it was a disappointing way to go out of a cup we must have fancied our chances in; instead all we now face are eleven jeopardy free League matches, starting at Knaphill on Saturday where we have conceded six times on our previous two visits. A performance like this one could see us in serious trouble at Redding Way once again!

Wallingford & Crowmarsh 3-0 Epsom and Ewell FC. Combined Counties League Cup – Third Round. Tuesday 18th February 2025.

On a chilly evening in deepest Oxfordshire we departed the Combined Counties League Cup at Third Round stage with little more than a whimper as Wallingford and Crowmarsh defeated us 3-0 and it could have been worse.

Forgive the 90s reference in the headline, but "Wally" as they are known by their supporters were resplendent in their orange and black kit, while we were wearing yellow and without being too harsh, it looked like oranges v lemons for large parts of the match.

We did at least have a four man bench for this cup tie, and following the departure of Will Kendall, we had one new face and one familiar one as Naseem James and George Owusu would both join the action later.

Unfortunately and with ironic timing, Carl Oblitey, who appears to have won the starting centre forward battle with Kendall was absent for this match, and it left a huge hole to fill up front. With Jason Bloor also unavailable as he was cup tied, Sean-Michael Anderson took on the 9 shirt, but we were toothless across the board all night, with Ali Fofahan, Luke Miller and Ethan Nelson-Roberts all equally unable to make any impact. We managed a sum total of four shots on target, but, aged 58, I could have saved all of them myself as they all dribbled towards the grateful Wally custodian, Alex Pratt.

The match started fairly evenly at first. The home side hooked a shot wide of our post, while Anderson saw his low shot blocked. Nelson-Roberts gave Pratt his hardest save of the match, with a shot from an angle that he had to move to his right to collect. However we went behind in the 20th minute when a pull back from the right wing was scuffed across goal by James Williams, yet somehow the ball crept in at the far post. As Pratt remarked to us behind the goal, "if he had hit it properly, it wouldn't have gone in!"

Anthony Nazareth then made a fine defensive challenge to deny the hosts on a break and at the other end, a deep ball into the penalty area was headed back across goal by the ageless Craig Dundas although Adam Green's strike was scuffed at goal. Green was making his 50th appearance for our club, although I doubt any of our players will remember this match for very long.

As we approached the break, Kevin Kardel made a good block, and then Callum Wilson made an even better one on the goal line as he denied the home striker with his chest that inevitably drew shouts for a penalty, but these were waved away. Anderson sent over a decent delivery in injury time but Fofahan miskicked and we went in at the break a goal down.

We had been better in a lot of recent second half performances and started brightly here with a delivery into the box that was headed up by a Wallingford defender and then claimed by Pratt. However, we created little else of danger in this period and in the 62nd minute a free kick was flicked on to Williams and he deftly lifted the ball over the exposed Kardel from just inside the penalty area to double their lead. Five minutes later another home player was sandwiched in the penalty area with Miller picking up a card for the greater part of the challenge and Williams completed his hat trick a minute after this with an unstoppable strike into the top corner to make the score 3-0.

Warren had seen enough by this point and went with a rare quadruple substitution which also included our two subs from Saturday, Ethan Brazier and Campbell Scott. Owusu made an instant impact, getting to the left wing touchline and sending a good cross over, but we were unable to get on the end of it and the home side hit the post as we began to fall away. Other shots were blocked by our defenders as we battled to keep the score down to three, but the contest was already over.

Much has been made of our cup form this season, but it is worth noting that all except one of our wins were secured at home. Our three defeats have all been against strong opposition in Carshalton Athletic, VCD Athletic and now Wallingford and Crowmarsh but even so, it is maybe just as well that our one remaining Cup tie is at home!

Epsom & Ewell: Kevin Kardel, Callum Wilson, Kionte-Gillfillian-Waul, Adam Green (c), Anthony Nazareth, Jack Torbett, Luke Miller, Craig Dundas, Sean-Michael Anderson, Ali Fofahan, Ethan Nelson-Roberts

Subs: Campbell Scott for Anderson (69), George Owusu for Miller (69), Naseem James for Torbett (69), Ethan Brazier for Gillfillian-Waul (69)

Epsom and Ewell FC win for correspondent's 2000th match

1 April 2025

Epsom and Ewell 2-1 Abbey Rangers. Combined Counties League - Premier Division South. Saturday 15th February.

Richard Lambert, both a dedicated fan of Epsom and Ewell FC, a club historian and match reporter, was awarded with a team victory on Saturday on the occasion of his 2000th match since 1981. We thank him for sharing his reports that feature on his website www.eefconline.co.uk

For the fourth time in as many contests, a match against Abbey Rangers finished 2-1 to the home team as we claimed the points at the KGF on Saturday afternoon in front of a crowd needlessly exaggerated from the 56 who were present to an official figure of 70.

At the start of the match, it looked like it might be a long day, as we took the field with just two named substitutes available, one of whom was Ethan Brazier, who had been out for some time, while the other was a new player from Fleet Town, Campbell Scott, who suffered the same initiation of many Epsom players by having his name spelt wrongly on the line-up board. Nothing else quite says "welcome" to a new player, does it!

The match started well for us. Carl Oblitey shrugged off a defender's challenge and got through on goal in the fifth minute, only for former Salt Shay Honey to deflect his shot onto the post and away, but the visitors didn't heed the warning and in the ninth minute Oblitey turned provider with a cute ball over the top of the defence that Ethan Nelson-Roberts latched onto and holding off a defender, he clipped a shot back across Honey and into his bottom left corner from around twelve yards to open the score. This was the earliest goal we had scored this season and the first in the League in the opening ten minutes.

The visitors responded almost immediately as their Captain Luke Roberts almost broke through, but Stefan Aiwone was back to cover and blocked the shot. Chances were few and far between in this match, although Kevin Kardel turned a fierce volley onto the post to preserve the lead and five minutes later with the clock showing the 40th minute we extended it. Oblitey provided another great pass through, this time for Ali Fofahan to compose himself before guiding his shot beyond Honey's right arm and into the net from ten yards.

Although there had not been a great deal between the teams at the half, I felt we deserved our lead for the quality of the two goals. Interestingly a tweet from one of the Abbey accounts stated that they had been "in control". Football is of course a game of opinion! One thing was clear though; in our last League meeting we had recovered a 2-0 half time deficit at Sheerwater, so it was important that we kept our focus to ensure that the visitors couldn't do the same to us.

The second half was a little scrappy to start with; not always a bad thing if you are two goals up, as we appeared happy enough to play on the counter attack and break up the opposition attacks, which we did fairly well. Nelson-Roberts picked up a yellow card for throwing the ball away, while Jack Torbett; making his first start, appeared to be badly fouled, although nothing was given by the referee. Later in the match he would limp off, still clearly feeling the effects, giving Scott a debut at left back.

Jason Bloor sent a header just over the bar, but in the 59th minute Abbey pulled a goal back after a low shot was half stopped by Kardel, but no one reacted to the loose ball and it was knocked in from close range by Stuart Mortimer.

The match was still fairly even and extremely competitive; then Craig Dundas linked up well with Nelson-Roberts, leading to a cross from the latter that was then met by a strike from Oblitey and then Luke Miller, both of which were well blocked by defenders. The visitors tried to force an equaliser and sent a dangerous ball just beyond the far post before seeing another shot blocked wide by a defender. At the other end Fofahan nearly got through, but was flagged offside and picked up a yellow card for then sending a shot over the bar, well after the whistle had blown. It was hard to argue with the decision.

There was just time at the end for a ten minute cameo from substitute Brazier, during which he headed a dangerous ball away from the goal line. Kardel then punched another delivery away and Brazier then got forward on the right, although his ball in was just cut out by a defender. It was a promising return and it is hoped that he is now over his long-standing hamstring injuries.

Overall, this was a typically hard-working performance and although at times, the play was congested in midfield, which affected the quality of the match, I think we had the better chances and deserved the win for that alone.
