Epsom top the hill 4 - 1

Epsom and Ewell 4-1 Hilltop. Combined Counties League Cup - First Round. Tuesday 24th September 2024.

Two goals, two assists and a position on the Hall of Fame for being one of our fifty top goal scorers in club history! Not a bad day's work for Luke Miller, who scored his thirty-fifth and thirty-sixth goals for the Salts, whilst also providing the deliveries for our first two goals, scored by Ethan Nelson-Roberts as we swept aside the challenge from Hilltop FC by four goals to one in the First Round of the Combined Counties League Cup at the KGF on Tuesday night. Hilltop are a club of mostly Somalian origin and currently play in the North Division of our League where they, like us had registered exactly a point per game, so a close contest was expected.

The scoreline might indicate that this was a comfortable win, but it was a slightly flattering one as possession was fairly even over the ninety minutes, although we were far more dangerous in front of goal where the visitors looked a little wobbly, and we appeared far more solid at the back. In fact, we are starting to look like quite a good team right now and even the early loss of Carl Oblitey to a hamstring injury didn't derail our attacking threat in this match.

We made three changes to our starting line-up following our mostly comfortable victory over Seaford Town on Saturday with Reece Tierney replacing the injured Stefan Aiwone and getting his first start since suffering a head injury against Jersey Bulls, whilst Luke Taylor also came in further forward for Fabian Nunes who is still working his way back from injury and was on the bench. Also watching from the sidelines was Dan O'Donovan as Faebian Witter was given a rare outing between the posts.

The visitors started brightly and passed the ball around nicely. Early indications were that this might be a long night, especially when Oblitey limped off, although he was replaced mostly as a precaution, with a more important League fixture coming up on Saturday. We conceded one of many free kicks around the edge of the area, but Witter was alert to reach the strike from Abukar Mohammed on the 15 minute mark.

And a minute later we were ahead. A pass out to Miller resulted in a dangerous low delivery that just eluded two of our players coming in, but was met just beyond the far post by Nelson-Roberts, who was too strong for his full back and slotted the ball past Hansel Coelho at his near post from about four yards out. Witter made another low save but we extended our lead in the 31st minute when Miller provided another deep delivery and Nelson-Roberts got ahead of his man to head the ball downwards and up into the net, just inside the post from around five yards out.

Tierney was alert to block a shot from the visitors but in the 35th minute we conceded in rather odd circumstances. It was hard to see exactly what happened, but it looked as though Witter came out wide to clear a ball and struck it against a team mate, leaving the easiest of finishes for Tahir Showkat to roll the loose ball into the empty net.

We responded well to the goal though. Substitute Sean Anderson made a good run, forcing Coelho into a save from a narrow angle, and although the ball fell nicely for Adam Green, his shot from eighteen yards went across the goal and out for a goal kick. However, in the 45th minute Green was largely responsible for our third goal as he put Coelho under severe pressure and his clearance went straight to Miller on the edge of the penalty area, and he guided the ball straight back past the keeper into the far corner of the goal to give us a 3-1 lead at the interval.

This goal placed Miller into the club Hall of Fame. For those who are unaware of this at: www.eefconline.co.uk it shows the top fifty players in club history in terms of appearances, goals and clean sheets. Miller thus joined a pair of players on 35 goals in our former Player/Coach Sid Faggetter who scored his goals in just forty matches in the 1950/51 season and former Captain and appearance record holder Graham Morris who scored them over 658 appearances from 1990-2004!

Seven minutes into the second half he had surpassed both of these players with his second of the night and again Green was the provider as he robbed a defender and set Miller up in stride, from where he ran in and clipped the ball across Coelho into the bottom corner.

With almost half of the match remaining, it might come as a surprise that this goal was the last of the match, although there were more chances for both sides. Nunes had been on the field for seconds when he had a shot blocked by a defender, while Witter was able to pick a shot out that was heading for the top corner. Another free kick from Mohammed forced Witter into his best save of the night, getting down low to push the ball away and then being ready to make a second save from an angle as the ball came back in. Our keeper needed a little help from a defender after failing to hold the next free kick from Benet Hashani, before a left wing cross from the visitors bounced off the top of our crossbar and away.

We then wasted a corner, which led to a rapid counter from Hilltop, but Witter was able to make another good low save to keep the score at 4-1. At the other end Coelho nearly dropped a shot from Nunes over the goal line after parrying it up in the air, but was able to recover without serious alarm and the only other concern came when substitute Niall Stillwell sent a header forward

ISSN 2753-2771

on the left where Coelho got to the ball to clear just ahead of Nelson-Roberts, who felt the full force of his challenge and limped off in the 88th minute. Electing not to put O'Donovan into the outfield, we had used our other four substitutes and so finished the remainder of the match with ten men.

The visitors, as you might expect with the player advantage, held the balance of the possession in those final minutes and another substitute Anthony Nazareth had to head the ball off the goal line after Witter had punched the ball against an opponent which had then looped up, while Ethan Brazier picked up a late yellow card for two fouls in quick succession. Nunes had the final word with a swerving strike from thirty yards, but Coelho kept the ball out and the final whistle confirmed our progress to the last 32 of the competition, which is scheduled to take place around the middle of October.

This was our fifth win in six matches and it was just a shame that only 40 spectators were in attendance; our smallest home crowd since February 2020 when we were playing our home matches at the remote High Road ground in Chipstead. I was provided with various excuses for the small number, ranging from Sky TV (when isn't there a match on Sky?) and that they had been refused permission by the League to reduce the entry cost, but I don't buy this at all. The League has a minimum entry rule, but we already charge well over that amount and could easily have reduced it at any time without requiring permission.

Quite simply, there is always an excuse or something being "spun" at our club, and there remains no sincere attempt by anyone in an official position to get more of our own supporters in. There are a number of things they could do, and engaging with the ones they currently have would be a start; something they have failed to do over the last three years. A few random pictures of player huddles on Instagram might get a few "likes", while a few Colts coming along on a few Saturdays might boost the numbers artificially, but neither help our short term plight. Three long-serving supporters were present at this match, who have in recent years all been on the Club Committee and were keen to help, yet were forced off because they held some different opinions to those who do not want to hear them. This remains a huge mistake by those currently running the club, who seem to think that they are not answerable to supporters. Whilst a new ground, if it ever occurred, would undoubtedly bring in new support for a while, you have to ask how the club would retain them for more than a few months once the novelty has worn off.

We host Horley Town on Saturday in an important League match; a club that have engaged with their local community in recent months and had two attendances well over 500 at the end of last season because they visited and invited all their local school children in with their parents. Whilst it is slightly more difficult for our club to do this as we can't recoup anything for the bar and catering, a crowd of this number would make a huge difference. Horley's attendances have been similar to ours in recent seasons, so there is no reason why we couldn't adopt a similar idea, and right now they would see a good team in decent form, which always helps!

Late Seaford rally too late to knock Epsom out

Epsom and Ewell FC 3-2 Seaford Town FC. Combined Counties League - Premier Division South. Saturday 21st September 2024.

Although ultimately irrelevant, two Seaford Town goals in the 86th and 88th minutes would be the memory of this match that most supporters will have taken as they headed home, which was a pity as this was the most dominant performance I had seen from an Epsom and Ewell team since we returned to Step Five in 2023. We won this F.A. Vase contest by three goals to two in the end, although 5-0 wouldn't have been a score line that the visitors could complain about. When considering that they brought a supporters coach to this match, and that we had around a dozen children in the ground as mascots, together with a number of parents, the attendance of 78 on a hot sunny afternoon was an extremely disappointing one for such a prestigious match.

Two changes were made to our starting eleven after Tuesday's defeat to high-flying Knaphill, with Ethan Nelson-Roberts and fit again Fabio Nunes coming in for Luke Taylor and the absent Sean Anderson. Jason Bloor put in a fine appearance from the bench in that match and may have started here, had he not been on holiday! Taylor dropped to the bench where he was alongside a pair of debutants in Niall Stillwell and Anthony Nazareth. Stillwell spent much of last season at Guildford City, where he stood out despite their disappointing season. He is also my boy's P.E. teacher! Nazareth played for us briefly in pre-season but has now joined after spending time at Cobham. Both would make their debuts later in the match.

ISSN 2753-2771

We went into this match in fairly good form with three wins from our last four matches, but Seaford Town were top of the Southern Combination Division One and were expected to put up a decent fight, even if their main priority is probably a run at promotion. We also carried a strange statistic into this encounter, as we had not scored in the first half of the twelve competitive matches we had played so far, which equalled a record set way back in 1982, starting with our famous F.A. Trophy match at home to Altrincham and concluding with a 2-1 win at St Albans City in our thirteenth match. What we would give to be playing those sort of teams again!

We nearly consigned that stat to the history books as early as the fourth minute as Nunes set up Carl Oblitey for a good strike from close range, but he sent the ball flying into the car park at the Tolworth end. Adam Green then struck a tapped free kick from Nunes wide from twenty yards. The next chance came when Oblitey did well on the right and his delivery was met by a brave low dive from Nelson-Roberts whose header went just wide.

We were completely dominant at this stage and a Green corner was met by a header from Stefan Aiwone that keeper Wester Young did well to keep out before Nunes sent the loose ball wide from only a few yards out. Young is advancing in years now but was part of the strong Molesey line up that used to play us around fifteen years ago before moving to East Sussex and playing for Hailsham Town against us in recent seasons. Young punched away another good delivery from Green before Oblitey finally got the ball past him from Nelson-Roberts' low left wing delivery, only to see the Assistant's flag raised against him.

Nelson-Roberts then hit the crossbar from twenty yards out with a curling strike from out wide and Oblitey then cushioned a header back for Green to strike at goal, but Young parried the ball away to safety. We were half an hour into the match before the visitors even had a half chance when a deep cross had Dan O'Donovan scrambling and he just clawed the ball away just when it looked like it might drop over him, although was relieved to see the incoming striker send the loose ball way over the bar from not that far out.

Aiwone couldn't get his header on target from a Green corner and Luke Miller was sending in some dangerous deliveries, but it was becoming apparent that we were approaching the half time mark with another blank. Just as I was preparing my half time tweet to the masses, I had to re-write it as Miller's ball in was sliced into the far top corner of his own net by the Seaford Captain Ryan Knight from about eight yards in the 47th minute and there was no time to restart the first half. Technically, we did still set a new club record in terms of 619 minutes without scoring in the first half, even if we didn't quite register that thirteenth consecutive half time duck!

But 1-0 was the least we deserved, and it arguably could have been much more. We had to change things around almost immediately after the restart when Aiwone hurt his knee and had to be replaced by Nazareth in the 48th minute. It didn't stop the flow of traffic though and we extended our lead in the 52nd minute with a superb defence splitting pass from Green that Miller ran onto in the right wing channel. He drew the keeper and struck at goal, only to find a defender had just extended a foot to block the shot, but it fell kindly for him and with Young committed to blocking the previous effort, our tricky winger had the simple job of sliding the ball at an angle into the empty net from eight yards. Miller has now scored thirty-four goals for our club and is one away from joining the club Hall of Fame which shows the top fifty goal scorers in our history and contains some names that regular supporters will know well, like Jamie Byatt, Kyle Hough, Robbie Burns, Daryl Cooper-Smith and Dale Marvell, not to mention the top man himself Tommy Tuite. It is quite an elite group!

Toby Young had a chance from a corner, but the ball hit his back as he jumped and the ball just looped over the bar, before Green saw his strong shot cleared for a corner. Craig Dundas then sent his header wide from that Miller corner as we continued to boss the game completely.

We had a scare in the 62nd minute when O'Donovan, who was probably a bit bored by his lack of action to this point, started to make a number of incursions outside his penalty area and from one of these, his headed clearance just went up in the air behind him and Young had to react quickly to head the ball clear of our goal under pressure from a visiting striker.

But this was an isolated foray into our half and we scored a third goal in the 65th minute when a deep Green corner was reached at full stretch by Nelson-Roberts at the far post. His shot struck the foot of Young's left hand post, but rebounded kindly across goal, where Nazareth reacted first to poke the ball over the line from a couple of yards out.

Frustration boiled over for the visitors and Lewis Hallett picked up a yellow card for going straight through the back of Oblitey, although our centre-forward then picked up a card of his own just a few minutes later, although it wasn't clear what for, and even Oblitey seemed perplexed by the decision. Nazareth then sent a header wide as we continued to do most of the work.

However, in the 86th minute the visitors received a lifeline when a long ball out of defence was reached by Josh Wright ahead of O'Donovan who had come a long way out of his goal, leaving their man with the simple job of putting the ball into the empty net. Although it might look as though O'Donovan was at fault here, it is important to question why he felt the need to come so far out of his goal so often in this match. It's worth noting that Dundas had by this time left the field and we just didn't seem to be so

ISSN 2753-2771

organised after that point. Two minutes later, a right wing cross was turned in unmarked at the far post by Matt Holland to make the score 3-2.

We still had chances as a couple of substitutes got involved. Taylor sent a header back across Young, only to see the ball drop inches beyond the Seaford crossbar, while Felipe De Lima was booked for an unconvincing fall just outside the penalty area that the referee correctly saw as simulation. In fact, De Lima was probably a little lucky to stay on the field as he clattered into a visiting player in the 96th minute and could easily have picked up a second yellow card. Although the whistle blew as the Seaford player landed, fortunately it was to signify full time!

So it's now four wins in five matches for our boys and we remain in good form ahead of our League Cup First Round tie at home to Hilltop on Tuesday. It's also good to report that discipline was much better, following the issues from last Tuesday and now we have to focus a little better on concentration for the full ninety minutes, or it may cost us next time. Overall though, this was a strong performance against a team that I thought would push us far more than they did and obviously credit goes to our boys for restricting them as well as we did.

Monday's F.A. Vase First Round draw will be released around lunchtime and, as always, we'll have full details available within minutes of the draw being released on Twitter / X at @EEFCOnline and soon after that at the Epsom and Ewell FC Archive website at: www.eefconline.co.uk That match will take place on Saturday 19th October, unless we are drawn at home, in which case it will probably be the Friday evening as our landlords are at home that day in a League match. That means our next Vase match will take place just one week before the fifty year anniversary of our first ever F.A. Vase match in 1974/75, which ended with an appearance at Wembley Stadium in the first ever Final. Wouldn't it be nice to have a Vase run to match that!

Sutton & Epsom Denied at the Death in Epic Encounter

Sutton and Epsom RFC 43 v Old Reigations 48. Saturday 21st September 2024.

It has been a Jekyll & Hyde start to the campaign for Sutton & Epsom. However, the reality dates back to Epictetus and his motto that has been adopted by coaches from around the globe: "Control the Controllables". The one aspect out of your control is the standard of the opposition and Beckenham last Saturday provided a far sterner test than the opening day Old Colfeians. Last season Old Reigatian did the double over S&E in a couple of high scoring contests. They started by winning a fluctuating game at home 35-29 before a first half blitz was the basis of their second success at Rugby Lane by 38-21. New heights were reached on Saturday with a dizzying 12-try spectacular with the tries equally distributed as Old Reigatian hung on in a fabulous finale to win by 48-43 and continue their unbeaten start to the season.

It was a superbly sunny Saturday, firm under foot with a refreshing breeze and all was set fair for entertaining running rugby and these two sides did not disappoint. The visitors dominated the early exchanges including their front row winning a penalty at the first scrum. In customary fashion the front row offender demonstrated his prelapsarian innocence with a look of amazement at having been penalised. With tenacious defence OR were denied. It was frustrating for Sutton that their first possession in the backs culminated in an interception near halfway and Harrison Mitchell running in the opening try that was unconverted for a 5-0 Reigatian lead. After the restart Adam Bibby's reward for his excellent chase and tackle was a twisted ankle and being replaced by Lawrence Elliott for the remaining 70 minutes.

After a dozen minutes S&E were on the scoreboard. Gareth O'Brien initiated the counter before a powerful carry by Jordan Huie and a probing run by Pete Gordon. Then the backs were released and the crowd enjoyed the delicate tracery of O'Brien's weaving run to score under the posts. Freddy Bunting's conversion gave the hosts a slender 7-5 lead. In the next 20 minutes

ISSN 2753-2771

Sutton's hopes were hampered by discipline. Tom Baldwin willingly accepted a trio of penalties and the Black & Whites were reduced to 14 when Jordan Huie connected with an opponent in midair. The yellow card was perhaps not a condign punishment but this law is harsh if not essentially fair. With the visitors leading 14-7 Glanville and Whitaker rallied the hosts who were awarded a penalty of their own and Freddy Bunting reduced the lead to 14-10 to OR. Moments later a further 3-point opportunity was declined and Captain Bunting kicked to touch for a 5-metre lineout. Mount, no doubt, wearied by the moil of his scrummaging duties delighted at receiving the ball close to the line and dutifully scored. Despite the balmy temperatures Freddy Bunting was as cool as the underside of a cucumber and being as hard to rattle as two grapes in a wine glass he converted from the flank to take a 17-14 lead as the first half entered time added on.

As is frequently witnessed at every level of the game the restart is a vulnerable time for the team that has just scored. The Black & Whites secured the ball and seemed to have avoided the fatal error only to concede a penalty on their second sortie. Tom Baldwin made it four from four to level the score at 17-17. Neither side were content to just play out the first period with parity and audaciously tried to wrest the advantage from the other. Despite the endeavours of all concerned there was no addition to the score and the sides turned around level, 17-17. It had been a commendable effort by Sutton to shackle the Old Reigatian team and restrict them to one try and they now had the elements in their favour for the second period.

S&E were immediately under the cosh in the second half and were indebted to vital interventions by Jordan Huie, Alex Mount and Pete Gordon. But the Old Boys would not be denied and as it was Harrison Mitchell, who again opened the scoring, this time applying the coup de grâce from closer range. Ten minutes elapsed before the next score which was to be the first of a Tom Baldwin hat trick. Showing great determination he forced his way over in the corner despite considerable attention from the defenders and a dubious crowd dropped their remarks into the understanding air. Though unable to add the extras to his try Tom Baldwin had stretched the lead to 27-17. Sutton needed a swift reply and that was supplied by the livewire flanker Dan Jones with the Bunting boot bisecting the uprights the game was once more in the balance with OR leading S&E 27-24.

The game appeared to have taken on an entirely different complexion, and ended as a contest, with a sensational 5-minute burst from the men from Geoffrey Knight Fields. When 18year-old William Henry Perkin invented by accident the synthetic purple dye, mauveine, in 1856 he became a multi-millionaire. It appeared that this purple patch of three tries in five minutes would be equally priceless to Old Reigatian. The hosts muffed the restart and Tom Baldwin dummied with numbers queuing up to score for his second. The inside centre completed his trio courtesy of some indecisive defence. Then replacement back William Parker joined the party with the pick of the tries courtesy of some delightful legerdemain. It was suddenly 48-24 with Tom Baldwin's personal tally 33 points. Whilst their opponent's back play was passing and running in excelsis Sutton had embraced the arms of Morpheus. The third rapid score would have encouraged the Rugby Lane faithful to get to the bar before the rush or view the remainder through the leper's squint. However, it was the catalyst for the transmogrification of the home XV's performance. With ten minutes on the clock the game that was threatening to become a rout became a spectacular comeback. Sutton to their credit did not panic with reckless play but valued their possession and waited for the openings. Jordan Huie brought the ball out of his 22 and it was recycled wide to Lawrence Elliott who stepped inside and broke to halfway before launching a speculative kick. The ball nestled under the posts and Arun Watkins won the race to touch it down. The simplest of conversions made it 48-31. Playing with pride and passion the Rugby Lane men laid siege on their opponents' line. Finally, the pressure told and Matt Whitaker scored and though the touchline conversion drifted wide it was 48-36 as the game entered time added on. Ewan McTaggart demonstrated how to secure the restart and put Sutton on the attack again. Freddy Bunting saw a gap and accelerated into the Reigatian half. The retreating defence of the Old Boys conceded a penalty. Without hesitation it was quickly taken and Matt Whitaker was dotting down under the posts. The rapidly taken conversion was successful and the scoreboard read 43-48. It was breathless and unbelievable rugby and the passionate crowd had witnessed the most extraordinary reversal of fortunes. The Black & Whites secured possession and Bunting and Watkins led the charge to halfway. This time the penalty led to a yellow card and the 14-man Old

Reigatian team were forced into their 22 by Freddy Bunting's arrowing kick. Then another penalty and Mr Whinney issued another yellow card with a mortician's lofty detachment for the irksome job in hand as OR were set to complete the game with 13 on the pitch. The visitors faced a 5-metre lineout with no doubt a mixture of emotions from total disbelief to grim determination. To their eternal credit the visitors defended with heroic valour tackling with ferocity and denying space until they forced a turnover. The final whistle was greeted with jubilation and relief by Old Reigatian whilst the Sutton faces were marked deeply with the hieroglyphics of pain.

First and foremost, this was a fabulous game of rugby that did great credit to all who were involved. The Old Reigatian backs attract a lot of praise, which is thoroughly deserved, but do not underestimate the front row triumvirate of Messrs Monk, Nestor and Collister who provided an excellent platform. No doubt the club archivist will be asked if Tom Baldwin broke the record for most points in a league game. For Sutton the remarkable revival should convince them that they have the capability to beat anyone in the league when they play their best rugby. Next week the 1 st XV travel to Battersea Ironsides who themselves have enjoyed three close encounters of the rugby kind so far this campaign with two victories. The kick off will be 3pm at Burntwood Lane and it will be the first time Sutton have played a league fixture at this venue as last season the weather meant it was relocated to the Grasshoppers RFC's synthetic surface.

Blue sky sees Black and Whites in the red

Beckenham 29 Sutton & Epsom RFC 14. Saturday 14th September.

Sutton & Epsom arrived at Balmoral Lane as league leaders after a comprehensive Colfeians victory by 50-7. Beckenham had impressed with a 27-13 triumph of their own over Reeds Weybridge in their opener. As are the vagaries of availability there were six switches in the Sutton set up but no new arrivals. Messrs Elliott and Rea were elevated from the bench with Joe Lovatt starting at 9 to be joined by the experienced quintet of Munford, Whitaker, Mount, Mohr and Tame. Apologies for absence ranged from concussion to watching the T20 cricket finals at Edgbaston. Meanwhile, Beckenham's hat trick hero of Round One, Geordie Boyce, had endured an Australian Friday night to forget in Cardiff and was absent. After a keenly contested encounter Beckenham deserved the honours with a bonus point victory by 29-14.

Freddy Bunting kicked off on a beautifully sunny afternoon with a stiff breeze over his shoulder. After the initial sparring from both attacking units it was S&E that produced the first chance of the afternoon. A flowing break after a dozen minutes saw Sutton thwarted by foul play 5 metres from glory. The tapped penalty found its way to Matt Whitaker who stretched for the line but Mr Burchell adjudicated that the ball had not been touched down. Beckenham put themselves under further pressure by knocking on on their 22. This time it was Lawrence Elliott for Sutton who came agonisingly close to opening the scoring but marvellous defence prevented the ball being placed over the line. Moments later it was not to be third time lucky as a rampaging run by prop Alex Mount set up the perfect platform for a try but the opportunity was squandered. At the start of the second quarter Beckenham winger Gabriel Jordan dashed into the enemy half and threatened a stunning score but he was scythed down by a tremendous tackle by

ISSN 2753-2771

Lawrence Elliott. Having that taste of moderate success the hosts looked probable scorers on the half hour when Number 8 Andrew Knowles was hauled down with the line at his mercy. It was a very temporary stay of execution for Sutton. From the ensuing scrum the ball was transferred to the left where winger Gabriel Jordan had time and space to score. Despite the Lewis Bunton conversion failing on the wind Beckenham led 5-0.

Excellent pressure from the Black & Whites at the restart gave them an advantageous lineout on the host's 22. The scenario improved when Beckenham conceded a penalty that was kicked into the corner. Initially the Kent forwards splendidly drove back the Surrey pack. However, a secondary Sutton surge saw the visiting forwards advance towards the line. Then play was halted by the shrill blast of the whistle and the referee not only awarded Sutton & Epsom a penalty try but also he flourished a yellow card to captain Richard O'Keefe to reduce the host's, who now trailed 7-5, to 14 men. The Balmoral Avenue men made light of the numerical deficiency and soon regained the lead. S&E failed to deal we a bobbling ball near their 22. From the scrum the home team struck down the flank with an arcing run followed by an inside pass to scrum half Craig Thomson who went through untouched to score. Lewis Bunton's successful strike concluded the first half with Beckenham leading 12-7 despite the wind and being a player down on the naughty step.

With the Beckenham coaching contingent imploring greater dynamism from their charges one contemplated that the collective noun for a group of coaches should be a 'Frustration' of coaches. Meanwhile in the visiting camp the message would have highlighted that the numerous visits to the opposition 22 had garnered only a solitary try whereas their opponents had been far more clinical with a couple of scores. The Balmoral Avenue faithful must have viewed their team as slight favourites as they had both the lead and the wind but they knew success would only come with an improved performance in the second half.

From the restart the hosts went in search of their next score. They upped the pace and ferocity and forced an error from the visitors when their scrum, on their line, came under considerable pressure. Beckenham looked to be mimicking S&E when they dropped the ball but rather than being fly-hacked to safety it fell into attacking hands. With commendable vision a long bouncing pass reached Matt Lovell in splendid isolation for him to score with ease. Lewis Bunton added to the growing lead with the conversion for 19-7. Moments later the Kent men looked likely to score a marvellous try as they swept down the pitch exhibiting superb support play but scrambling Sutton denied them a spectacular score.

S&E brought on their bench, Messrs Boaden, Hilton and Munford as they sought to hold out under their posts. The hosts conceded a free kick that was taken quickly by Matt Whitaker and in a flash he had relieved the siege and was crossing the halfway line. With the hour rapidly approaching Sutton were indebted to a wonderful solo effort from flanker Dan Jones who showed great pace and nimble footwork to score. Freddy Bunting nonchalantly added the extras to put his team back into the contest as they entered the final quarter trailing by 19-14. Elation became deflation from the restart. Failure to catch the kick led to the ball being deflected forward and giving away a hideous offside penalty as the approaching ball was as irresistible as an ice-cold lager on a sweltering summer afternoon. Lewis Bunton punished the error as he chipped over the penalty for a 22-14 lead that meant the visitors needed two scores to avoid defeat.

Lewis Bunton now sensibly used the wind to keep Sutton at arm's length by pinning them in their 22 with well-placed kicks. S&E were chasing the game and conceded a kickable penalty but Beckenham went in search of the bonus point try. Though their bravery went unrewarded as they lost the attacking lineout they had their reward in time added on. Gabriel Jordan scored his second try by demonstrating great strength in contact to break the tackle and then notable determination to run 30 metres straining every muscle to score with tacklers hanging onto his frame. Lewis Bunton bisected the uprights from the touchline for 29-14. There was time for one more frustrating visit to the host's line for the persevering visitors but the lammergeyers had been hovering over the Sutton carcass for a while and the final whistle put the visitors out of their misery on a frustrating afternoon for them.

Beckenham deservedly won this encounter outscoring S&E by 4-2 in the try count. From the outset their pack had the upper hand in the set scrum despite an early departure of the

influential Rimarni Richards. The brothers Caddy impressed in the midfield whilst the educated boot of Lewis Bunton kept Sutton in their half in the second period once an 8-point lead had been established. Credit must also be given to the host's dogged defence in the first half that frustrated the visitors' attack that could not get into top gear. The clinical finishing by the home team was the ultimate difference between two evenly-matched outfits.

For Sutton & Epsom Dan Jones put in his best performance for the 1 st XV and his stunning solo score was a just reward for a tireless effort in the best traditions of openside flankers. It is easy to take Matt Whitaker for granted as he approaches his 200 th appearance but his uncanny habit of gathering the ball at eight from a retreating pack and still getting over the gain line is an invaluable commodity. Though the tempo and ferocity of the contest went up a notch or two in the second half it was the rather flat performance, in contrast to Week 1, in the first period that scuppered the Black & Whites in this match. In terms of possession and territory they should have led at the interval but instead turned around with a 5-point deficit which proved to be a significant obstacle to success.

The Black and Whites return to Rugby Lane to take up the challenge of Old Reigatian who were most impressive 38-21 winners in the corresponding fixture last season. They will hope, no doubt, to recapture the sparkling form from the opening fixture and return to winning ways. Sutton & Epsom

A hat-trick of wins for Epsom and Ewell FC

Tooting & Mitcham United 0-2 Epsom and Ewell FC. Combined Counties League - Premier Division South. Saturday 14th September 2024.

After a horrible start to the season with five straight League defeats, it appears that we have now turned the tide as we recorded our third win in a row, all of which have come without conceding a single goal. This 2-0 win at Tooting & Mitcham United's Imperial Fields was arguably the best all round performance under Warren Burton's reign, as we nullified any home threat in the opening half an hour before going on to take control of the remaining sixty minutes and leaving the mostly home crowd of 177 severely subdued by the final whistle.

As always, there are some good stats we can pull out of this fine victory. This was the first win for our club on this day since a 6-0 home London League win over Carshalton Athletic in 1938, and it was also our first ever away win on 14th September in our history. Additionally, this was our fourth visit to play Tooting & Mitcham United since they left Sandy Lane and they have yet to beat us there. Finally, the last time we recorded three straight League wins without conceding was in January 2020.

We made two changes to the line up from Saturday's late win at Camberley Town with Callum Wilson being replaced by Stefan Aiwone and Luke Taylor replacing the injured Axel Kodjo. For the home side, under the Management of former Salt Jamie Byatt and Club Captain Alex Penfold, we came up against two other former Salts in the starting line-up in Mario Quiassaca and Toby McKimm.

The opening exchanges were slightly in favour of the home side, but consisted mainly of long range efforts clearing our crossbar. Toby Young blocked an early strike that looked like it was on target, but by and large our keeper Dan O'Donovan had very little to do between the posts. We may have been nullifying the home attacks, but weren't creating too much of our own to start with, but that all changed just after the half hour mark when Ali Fofahan did well down the left before pulling the ball back to Carl Oblitey whose powerful shot from twelve yards was kept out well by McKimm. This heralded the start of a good spell for us and Adam Green cleverly set up Luke Miller down the left, where his pull back to Oblitey was also struck on target, although he was denied by McKimm again.

A Green corner bounced off the top of the Tooting & Mitcham crossbar and away, and whilst the home side forced some corners too, ours looked more dangerous. McKimm dropped a deep delivery at the feet of Aiwone, but was able to collect the loose ball before our man had realised what was happening just behind him. Then Ethan Brazier got away on the overlap and his right wing cross was met by the head of Oblitey who saw the ball tipped over the bar by McKimm. I don't think the header was going in, but it could have gone anywhere if it had struck the bar, which it looked like it might, so it was an important intervention by the home keeper. Our opponents fashioned a couple of dangerous moves just before the break, but Kionte Gillfillian-Waul was there in time to clear a ball in from the left before it would have been tapped in at the far post. Then a short corner and delivery to the near post was headed just wide of O'Donovan's right hand post, but it would have been harsh had we gone in trailing at half time, which ended goalless.

We had completed the opening forty-five minutes in the ascendency, even though our failure to score in the first half has now been extended to eleven matches; one short of our club record set in 1981/82. Still, the players had only been back on the field for just ninety seconds when we broke through. Fofahan sent an aimless looking throw towards Oblitey, who was well marked, but he out-jumped two defenders to head the ball back to Green. He then gave the ball back to Fofahan out on the touchline, from where he ran at goal, beating a man on the way and then drilling a low shot just inside McKimm's right hand post from the edge of the area in the 47th minute.

O'Donovan had to make a fairly comfortable save from distance, but we were soon back on the attack and in the 57th minute we extended our lead after one of our corners wasn't properly cleared and the ball pinged around in the penalty area before striking Fofahan and looping up kindly for Oblitey to nod the loose ball past McKimm from just four yards to claim the goal his performance deserved and to give us a decisive two goal cushion.

Although the scoring was finished for the day, we continued to press. On the hour Miller put Green through on the left, but McKimm was out quickly to block his shot on goal with Taylor firing the rebound wide from just inside the area. Then Green picked up what looked like a harsh yellow card, although it might have been for persistent fouls. From their subsequent free kick, a deep delivery was headed back into the path of a striker, but from twelve yards he scuffed his shot and the grateful O'Donovan was able to make the straightforward save.

We should have scored a third goal after Gillfillian-Waul and Fofahan combined well on the left, with the delivery being side-footed wide by Green from only eight yards before Fofahan intercepted a pass moments later and set up Oblitey who laid the ball into the path of Miller whose powerful shot was directed straight at McKimm, who blocked it up and away.

The game started to get a little niggly and a couple of yellow cards were waved in the direction of frustrated home players for lunges and their day was summed up around ten minutes from time with a shot on goal that was so high it cleared the stand roof. If you've been to Imperial Fields, you'll realise how high that is!

I've referred before to there being very few substitutions in recent matches, and again we went for over 80 minutes with the starting eleven, but we made a couple in the closing minutes with both scorers being taken off in order and being replaced by Ethan Nelson-Roberts and Sean Anderson respectively. Nelson-Roberts then sent over a left wing cross, but his delivery was just ahead of Miller and he couldn't keep the shot on target. In the final minute of injury time Anderson sent over a good deep cross and Miller's header was inches away, nestling in the side netting.

It didn't matter though and after five minutes of injury time the whistle blew to confirm a very strong performance from our team. There was more good news today as our former Manager Adrian Hill was present at the game and was able to confirm at the age of 79 that his health is a lot better than it was a couple of years ago. He looked much stronger after going through some difficult days, as indeed did our team!

Seven-race card tips for Epsom Thursday

Epsom Racecourse hosts its penultimate meeting of the Summer on Thursday with a seven-race card for punters heading to the track.

ISSN 2753-2771

Racing gets underway at 2.00pm with a novice stakes in class four before the action comes to a close at 5.22pm with a nine-runner handicap in class five.

Read below to discover the latest tips and meeting preview for Epsom's card on Thursday courtesy of BoyleSports, who offer the latest **horse racing odds** throughout the season.

The opening contest on the Epsom card (2.00) sees a field of seven head to the start for the seven furlong handicap in class four, with the two-year-old's taking centre stage in the opener. Luna Girl was a €95,000 purchase as a yearling for trainer Richard Hannon and ticks plenty of boxes on paper making her debut here. Bold Impact for the Ralph Beckett teams also makes plenty of appeal, a thrice-race maiden who has been beaten as an odds-on favourite twice but could go one place better at Epsom this time around.

Race two on the card (2.35) is a seven furlong handicap in class four and a good field of 15 will be taking it on. Red Mirage was a winner at Catterick in April and followed up with a third in a Chester handicap so is a big player here 1lb lower in the weights. He should see off the inform Roscioli, a winner at Salisbury last month and a very good second of 11 in a Lingfield handicap three weeks ago.

Nine runners will head to the start for the class five handicap over the one mile and two furlong trip to mark race three on Epsom's card (3.10). Imperial Cult gets the nod here for trainers Rachel Cook and John Bridger, only narrowly denied in his handicap bid over this course and distance last month having landed back-to-back all weather wins at Lingfield. Mrembo rates the main danger if she can handle the expected softer conditions at Epsom as she has shown preference for better ground than this previously.

A competitive class four handicap is race four of the afternoon (3.45) with ten runners set to tackle the one mile and four furlong distance. Enochdhu gets the very slight edge here, the slow ground expected to be very much in his favour after a disappointing outing on a faster surface at Kempton last week when he was a disappointing fifth of seven. Of his rivals, Haliphon rates the main danger, the Ian Williams runner arriving off the back of a win at Haydock last time out just a week ago.

Dubawi Time looks very much the one to beat in race five of the meeting (4.20) having been bang in-form prior to flopping at Chelmsford last time around where he didn't appreciate the step up in trip so is back down at a more comfortable distance heading to Epsom, while race six (4.50) can go the way of Chips And Rice, who is in good order for trainer James Fanshawe despite being hampered in-running last time out at this track.

Finally, the card comes to a close with the class five handicap for three-year-old's at 5.22 over the extended mile trip. Preference in the finale heads the way of Tribal Chief for trainer David Menuisier, landing a career-best when winning a ten-runner Kempton handicap last month and has a very progressive profile to boost his chances. Crimson Spirit is a previous course winner and was second at Epsom on his last spin so clearly has a liking for the track and rates the chief threat so can fill out the second spot.

Sutton and Epsom Rugby off to a flying-start

Sutton & Epsom RFC opened their 2024-25 league account against Old Colfeians, on Saturday 7th September, over whom they had completed an impressive double last season. There were nine changes in personnel from the last time the Black & Whites ran out at Rugby Lane in the concluding fixture against Reeds Weybridge. Among the multiple changes were six debutants: Arun Watkins on the wing; Finlay Scott and Adam Bibby in the centres; Pete Gordon at hooker; and Callum Hilton and Josh Rea ready

ISSN 2753-2771

to come off the bench. It very much had the feel of a new beginning for the Surrey outfit, with not a single player in the same position as in the curtain-raiser from last season. When the final whistle blew, the new-look XV had surpassed all expectations with a thrilling 50-7 victory.

Captain Bunting kicked off the campaign, and after ten minutes it was the hosts who opened the scoring. Pouncing on a clearance that failed to make touch, Sutton advanced into the opposition 22. Debutant hooker Pete Gordon exploited the blindside to race home untouched. Freddy Bunting added the extras for a 7-0 lead. As S&E dominated the early exchanges, the visitors' task became harder when winger Estefan Ellis was awarded a yellow card for a high tackle. The visitors, now a man down, were swiftly punished. Bunting kicked into the corner, and from the platform of the attacking lineout, Rob Hegarty forced his way over from short yardage. The conversion failed, but Sutton & Epsom held a useful 12-0 lead at the end of the first quarter.

The Rugby Lane team pressed hard to maximise their numerical advantage, gathering the restart and running the ball back with interest. Soon, winger Jordan Huie was threatening to add another score. The pack rumbled remorselessly forward before the ball was spun out to Gareth O'Brien, who jinked, stepped, and stretched out to touch down for a try. Freddy Bunting slotted over the kick for 19-0. The visitors were restored to their full complement, but the card had cost them 12 points. Old Colfeians struggled to gain a foothold in the contest, as errors and penalties frustrated their rhythm and gifted territory to the eager hosts. As the interval approached, S&E had another 5-metre lineout. Once again, the forwards controlled the ball and pressured the line before a timely release to the backs offered Gareth O'Brien the opportunity to cross the whitewash again. Freddy Bunting celebrated the bonus point score with another conversion, making it 26-0.

Sutton made personnel changes as debutants Rea and Hilton replaced Jones and Hilton. In the generous time allowed for stoppages, Colfeians started to find their feet and pressed for a morale-boosting score before the break. However, the Black & Whites' resolute defence neutralised the attacks, and the sides turned around with the hosts enjoying an impressive 26-0 lead. It was clear that the men from Horn Park would need an early score in the second period to initiate a comeback and try to sow the seeds of doubt in the confident Sutton squad.

Any hope for the visiting supporters of an early score was denied by a combination of Sutton's intensity in defence and Colfeians' mounting error count. S&E replaced Pete Gordon with Dan Jones as Lawrence Elliott came off the bench to swap with Adam Bibby. As the final quarter approached, it was Sutton & Epsom who recorded try number five. Arun Watkins reacted fastest to a loose ball and burst through a gap to score his first try for the home team. Freddy Bunting made it four from five as the lead stretched to 33-0.

With the score and the clock against them, the Colfeians' mountainous task was approaching Everest-like proportions. However, five minutes later, a flicker of light emerged from the abyss as Captain Andy O'Malley, carrying a couple of Sutton tacklers on his back, scored. Ryan Napper provided the conversion, making it 33-7. Sutton's fatalists were soon relieved when, minutes later, a familiar electrifying break by Dan Jones gifted Freddy Bunting a try. However, to the surprise of many, the usually reliable kicker saw his effort drift wide, leaving the score at 38-7.

Unfortunately, scrum-half Laurence Wise was forced to depart with a shoulder injury after a sterling performance as the game entered the period that Mr Ben Stewart's watch deemed necessary. There was still plenty of time for the Rugby Lane crowd to enjoy a brace of tries from debutant centre Finlay Scott. The first, an unconverted effort, followed two breaks, and Scott was on hand as the beneficiary. The second came after Colfeians' scrambling defence conceded a penalty try and collected a yellow card. A precise cross-field kick opened up the defence for the final try. Normal service was resumed as Freddy Bunting bisected the uprights for a 50-7 win.

There was an air of almost uncomfortable optimism before the kick-off at Rugby Lane, as pre-season had gone well, and there was evident intensity in defence and improved continuity between the forwards and backs. Lest one forget, S&E had conceded an uncomfortable 598 points last league campaign, and as the legendary coach of the University of Alabama football team, Bear Bryant, wisely stated: "Offence wins games... defence wins championships." However, few would have expected Sutton to break two all-time league records. Not only did they eclipse their previous points total of 49 against Bedford Athletic in 2018 by scoring 50, but they also surpassed the 31-point winning margin of their 2005 45-14 thrashing of Gosport & Fareham. What was most impressive was that the Black & Whites had integrated numerous new combinations at half-back and in the centres, with a debutant hooker in Pete Gordon. For a delighted coaching staff, this performance must bode well for the rest of the season. For the unfortunate Old Colfeians, it was one of those days where things simply did not go right. The first game of the season should never be a barometer for the whole fixture list, as numerous hurdles, from weddings to injuries, can distort the true picture.

The campaign will continue next weekend, Saturday 14th September, with a trip to Balmoral Avenue, where Sutton enjoyed one of their finest games of the last campaign, defeating the then-league-leaders Beckenham 26-22 on an afternoon notable for extraordinary winds.

91st minute strike wins for Epsom and Ewell FC

Camberley Town 0-1 Epsom and Ewell FC. Combined Counties League - Premier Division South. Saturday 7th September 2024

In my preview for this match, I wrote that on this day in history we had played a club record of 21 matches without a draw, but that sequence came under serious threat at Krooner Park where we required a 91st minute winner from Ali Fofahan to break the stalemate and clinch all three points with the only goal against Camberley Town.

On a personal note, this was my thirty-fourth visit to Camberley Town's ground, and the 66th time I had watched these two teams do battle. These clubs have now met each other on 95 occasions, which by some distance makes the Krooners our most regular opponent. However, it has been a long time since we had been this superior against them, as the last dozen or so results hadn't been great, with exception of a 2-1 win here last February. More relevantly, this win was our second in a row and also our second clean sheet in a row, which we had not achieved in the League since October of 2022.

Warren Burton made just one change from the eleven that defeated Chipstead on Saturday with Fofahan returning to the starting line up on the left hand side of midfield after being absent on Tuesday. Stefan Aiwone made way, although he was unavailable for this match, so it isn't clear whether he was injured, or indeed, whether he'd have made way for Fofahan had he actually been here! Kionte Gillfillian-Waul moved from the left wing to left back with Toby Young moving into the centre of defence as we unsurprisingly retained the same formation that had looked so solid against Chipstead.

The opening exchanges were fairly even as we kicked off heading up the Krooner Park slope. The hosts had a first chance as early as the eighth minute when Stan Jones ran onto a ball over the top of our defence, only for Gillfillian-Waul to get across and block his shot. Then Camberley's Captain Regan Hitch got on the end of a Luis Hamblin free kick at the far post, but his header was easy enough for Dan O'Donovan to field without undue alarm. O'Donovan was looking confident after recording his first clean sheet for the club four days previously and was often out to claim the ball with minimal fuss.

Our first real opportunity came just after the twenty minute mark when Adam Green's free kick was headed out by the first man to Axel Kodjo whose strike was not far wide of Ben Grummitt's left hand post from twenty yards. This heralded the start of some good Epsom pressure and Gillfillian-Waul and Fofahan produced some good interplay, ending in a shot from the latter that was blocked by a defender, with Green's follow-up being deflected wide. From the corner Green received the ball back and his shot from an angle was on target, only for another defender to get in the way.

Green appeared to be pulled back in the area, but the referee wasn't interested, although Luke Miller was then fouled in a similar way just outside the area, which was given in our favour. However, Green's free kick cleared the crossbar by about a yard. During this time though Kodjo picked up an injury and had to limp off, being replaced by Luke Taylor.

Grummitt punched clear a Salts corner which then led to a Camberley break, but Gillfillian-Waul did well to recover the situation before it got too serious. Our new signing has looked most impressive in recent weeks, particularly in the first half of matches, and it is almost easy to forget that Ethan Nelson-Roberts has been missing for these last three games. We also looked dangerous on the right wing with fit again Ethan Brazier linking well with Miller who sent a ball right into the danger area, where Taylor and Carl Oblitey were inches away from turning it into the empty net, although the Assistant's flag was up for offside anyway.

Craig Dundas picked up a yellow card for kicking the ball away and we had one final scare in injury time when O'Donovan came out of his area to clear and instead of putting it in row Z, he struck it against Hamblin and was most fortunate to see the ball rebound off him and out for a goal kick. Moments later, he showed he had learned his lesson as he sent the ball flying way over the Krooner Park clubhouse as the referee blew the half time whistle!

This was our tenth match of the season and it is important to note that we haven't scored in the first half of any of these matches!

ISSN 2753-2771

For those who love a stat, this is now our joint second longest run in club history, matched in 1972/73 and 1992/93 and only exceeded in 1981/82 when we went for twelve matches without scoring in the opening forty-five minutes. Strange really, as we had arguably the strongest team in modern times at that point, and matches against reigning non-League Champions Altrincham and Quadruple winners that season, Leytonstone and Ilford were both part of this twelve match run.

Going down the hill in the second half Louis Lindsay picked up a yellow card for a similar offence to that of Dundas in the first half, although Dundas then did it again moments later and despite the protests from the home team, he was fortunate indeed not to pick up what would have been one of the softest dismissals of his career. However, the game gradually began to tilt in our favour and although Fofahan and Hitch picked up yellow cards for the dictionary definition of "handbags" we were creating most of the pressure, but with one issue; we weren't actually causing Grummit any trouble in his goal. In fact the hosts probably should have taken the lead in the 68th minute when a left wing cross was flicked on to Hamblin at the far post, but he got it all wrong, spooning the ball over our bar from close range. Maybe emboldened by our escape, we were back on the attack soon after and Taylor made a good overlap on the right, although Oblitey was unable to get his header on target from Taylor's delivery.

The temperature of the game went up a few degrees in the 74th minute as a long ball down the right found Miller and his ball across goal was turned into the net from twelve yards by Fofahan, but celebrations were then muted by the raising of the offside flag. There were a few Epsom supporters in different places who thought the decision was a wrong one, but none were level with the incident, which the Assistant quite clearly was. However, a cringe worthy episode then followed as both our Vice-Chairman and Chairman, who were also out of line, both literally and metaphorically, were both clearly heard giving a lot of grief to the Assistant about his decision, followed by that feeble plaintive shout we've heard before of "we've got the video", almost as if they thought the referee would turn around and say, "you know what, thanks for this, you're right, I'll just allow the goal!" Memo to our people who really should know better, it won't happen, stop embarrassing yourselves and set a better example!

Fortunately, the incident didn't stop our momentum as we were in full flow by now although another contentious incident followed when Grummitt punched clear after a collision with his own player, only for the free kick to be awarded against us! Still we attacked and Oblitey sent his header from a Miller cross wide. O'Donovan had to be alert to come out of his area to head a break off, literally, with his head before Camberley sent a header wide at our far post. It would be their last opportunity and in the first minute of injury time Miller's low ball in struck Oblitey and fell kindly for Fofahan to stick the ball away at Grummitt's near post from eight yards out to register his first goal for our club and clinch the points.

Maybe the goal had a touch of fortune about it, but it was a deserved winner and we now sit in sixteenth position, level with the recently vanquished Chipstead, who only sit above us on goals scored. I'm still a bit puzzled about our lack of substitutions at present, with just three made in three matches, but the early season form that left us at the foot of the table has now been netted off with these two wins and to use a football analogy, we are back in the game. Saturday's trip to Tooting & Mitcham United; a team that haven't beaten us at home since they were playing at Sandy Lane, are on paper, a better team than Camberley Town and will provide a better idea of how good we are currently, but for now we are outside the relegation positions for the first time this season, which is pleasing to report!

Chips finally up for local football team

Epsom and Ewell 2-0 Chipstead. Combined Counties League - Premier Division South. Tuesday 3rd September 2024

It wasn't pretty. In fact, at times it was quite attritional, but it was also a deserved first three points of the season as we defeated our former landlords Chipstead by two goals to nil at the KGF. It was also a first clean sheet in the League since 16th December as we found a way to get ahead and then showed good game management to see the match out, confirming our superiority with a late second goal.

For our boys, Toby Young came back into the starting eleven after suspension and he was joined by Craig Dundas who had been rested on Saturday. Ali Fofahan and Sean Anderson were both missing, requiring Kionte Gillfillian-Wual and Axel Kodjo to play further forward than they had against AFC Whyteleafe. Ethan Brazier kept his place on the right, meaning that Young played on the left of a back four with Callum Wilson and Stefan Aiwone partnering up in central defence.

ISSN 2753-2771

Chipstead came into the match on the back of a win at Horley Town, although that had been only their second win of the season. This meant that this game took on extra importance as our opponents became one of the teams just above us that we needed to close the gap on, having already gone into this match four points adrift of safety at this admittedly early stage of the season. For such a big match it was a shame that only 51 people were counted as being in attendance, marking our lowest home crowd since our move here. Please do not believe the club's wildly inflated "official" attendance figure of 83. It was nowhere near that and it is really sad that they have to resort to these sort of things. Just because something is quoted by our club as "official" doesn't mean it is accurate.

The opening exchanges were mostly in favour of the visitors who made early inroads, particularly down their right wing where Young looked uncomfortable to start with playing in a less familiar position. Dan O'Donovan was called into an early save, although we had our own attack moments later with Adam Green firing just over the bar with a powerful shot that pinged off the corrugated roof at the Tolworth end of the ground and actually burst the football!

Green was involved again in the 13th minute with a free kick that Carl Oblitey headed just wide of the post and Kodjo was also not far away from 20 yards out. As we began to gain a real foothold in the match Oblitey headed wide from a Green corner before a Brazier delivery was met by a downward header from Kodjo that bounced up kindly for Sam Carman in the visitors goal to handle. Green was having one of his best games for us and saw his shot deflected wide for a corner that we were unable to take advantage of, despite Carman flapping at the ball and falling over. However, we hadn't really tested their keeper too much until Gillfillian-Wual was set up by a clever pass from Oblitey and he ran in at goal in the 39th minute, shooting from an angle, but Carman was equal to it. Another delivery from Gillfillian-Wual zipped across the Chipstead six yard area as the seconds ticked down and we went in at the break looking quite good, but without having made the break through. In fact, this was the ninth match in a row where we have failed to score in the first half!

Of course, regular readers will be aware that we have had similar situations frequently this season, failing to take advantage of them or making a crucial error at the wrong time, but this time we started the second half strongly. Young saw his header from a deep Green free kick saved by Carman at his far post, and we looked more confident. In fact, I was just about to say to supporters around me that we looked like we might score shortly, when we did exactly that in the 51st minute; a low left wing ball in from Gillfillian-Wual required Carman to stretch to reach it, but he couldn't hold on and Oblitey reacted quickly to force the loose ball over the prostrate keeper and into the roof of the net from four yards out. This was the first time we have led in a League match all season!

The visitors stepped up their efforts for a while and we found ourselves pushed back as Chipstead tried to force an equaliser. A long shot deflected kindly for O'Donovan but we had the biggest scare of the match on the hour when our keeper was unable to hold on to a fairly routine shot and the ball bobbled away from him in a similar manner to how our goal came about. However, Michael Dixon snatched at the shot from just twelve yards and fired it straight back at O'Donovan who redeemed for his error by gratefully reclaiming the ball.

This was a major let off, and maybe you would now be reading about a different ending had they levelled up the score at that point, but the miss knocked any momentum they were trying to build and there was very little of note to concern the home supporters as we began to see the game out in a fairly comfortable manner. Slowing the game down well and breaking up play almost seemed like second nature to our players, as if we did this sort of thing regularly. With ten minutes left Callum Wilson went down with cramp. I'm not sure about you, but isn't it surprising how players rarely, if ever, go down with cramp when their team are losing!

Either way, it was great to be in that sort of position after weeks of being behind in the closing stages. Wilson picked up a yellow card for a foul out on the touchline, but in the 91st minute Green's corner was flicked on by a defender to the far post where Young was waiting to volley the ball into the top corner of the net powerfully from eight yards out to confirm the destination of the points. But could we keep that first clean sheet in the League? Only just, as it turned out, as the visitors broke through in the 94th minute and rounded O'Donovan, but somehow the shot went wide of our post.

This was a determined performance from our boys in a match we really needed the points from. Some might think that describing this win as attritional isn't very fair, but actually it is a compliment. We looked much tougher to beat in this match than in recent contests and were able to see the game out in a confident manner, which is ultimately all that really matters in our current position. We now need to take this performance into our trip to Camberley on Saturday and start to build some momentum in an attempt to get away from the foot of the table. We took one step towards this last night as we leapfrogged Spelthorne Sports.

I have two further observations from this match. Firstly, we made no substitutions until the 96th minute when Luke Taylor came on for his first minutes of the new season, having only made one sub in our previous match against AFC Whyteleafe too. Although this happens from time to time, it is unusual, particularly in this era of multiple substitutions and it might indicate a lack of depth on the bench. We'll see how that develops. Secondly, it is interesting that we won our first league match in the 2023/24 season

under Steve Springett with four at the back, after playing the first seven matches (all lost) with three at the back, and although this wasn't the first time this season that we have played "a four" the preferred formation appeared to involve three at the back. Maybe that will change now! In the meantime though, it was a very welcome and necessary three points.

Epsom and Ewell wounded in injury time

Epsom and Ewell 1-4 AFC Whyteleafe. Combined Counties League - Premier Division South. Saturday 31st August 2024.

Although the result of this match may give the impression that we were well beaten by AFC Whyteleafe at the KGF on Saturday, this match was still in the balance as we reached the ninety minute mark, only for two injury time goals; one dreadful and the other one quite special, to confirm a 4-1 win for the visitors.

For the greater part of the match we made this a competitive contest, although we were just lacking a bit of quality that might have turned the game in our favour. On the subject of quality, former Salt Mike Hill was in the opposition line-up. I once wrote that Hill was the best player that played for us in our Step Six years and after a slow start, he began to become more influential in this Step Five encounter. What our team would give to have a player like that in Epsom colours once again. Another former Salt in the all green kit for this match was Sirak Negassi, who only left us a few weeks ago. It is interesting to see that he now makes the squad for a club sitting at the top of our division, when he wasn't deemed worthy enough to start for us that often.

We had a debut in our line up as the newly signed Kionte Gillfillian-Wual was at left back in place of the absent Ethan Nelson-Roberts. Ethan Brazier was back in the starting eleven in place of Felipe de Lima, while Axel Kodjo came in for Craig Dundas who was rested and spent ninety minutes on the bench. Up front Will Kendall remained absent and this won't be a short term situation as he is getting married in Hawaii and will be away for a few weeks! Finally, Sean Anderson came in for his first start alongside Carl Oblitey with Mohssine Sabek dropping to the bench after making his debut five days previously.

We nearly had a bizarre start to the match in the 8th minute when the AFC Whyteleafe keeper James Shaw held on to the ball too long and suddenly found himself closed down by Oblitey about a yard out from the goal line. Shaw managed somehow to get the ball out for a corner from which Ali Fofahan saw his shot go straight at the relieved keeper.

In the early part of the match it appeared that Ryan Gondoh was involved in a personal mission against our defence. He had a low shot across goal that Dan O'Donovan did well to keep out, although the ball was recycled and fed back in again, where Gondoh then saw his next shot blocked by a defender. On the 20 minute mark his shot deflected up off another of our defenders, looping over O'Donovan and coming back off our crossbar!

At the other end Anderson sent an Adam Green free kick straight at Shaw, but on the half hour Gondoh managed to ride a challenge and made for goal, only for the whistle to blow for the award of an AFC Whyteleafe free kick, which angered him. Clearly the referee should have played the advantage, but Gondoh 's reaction might have earned him a sin bin on another day and I'm sure the only reason he didn't go, was because the referee recognised his error and didn't want to compound it further.

Our best chance came on the 35 minute mark when the ball went between two defenders and fell nicely for Fofahan, although he chose to take a touch when he might have been better advised to shoot straight away, and by the time he finally struck at goal he was at a wider angle and could only find the side netting from twelve yards.

We were very much in this game though, which made it even more disappointing when we conceded just before the break. With the clock showing the 43rd minute O'Donovan made a good first save, and then made another from a close range header, but we were still unable to clear the ball which was then forced in from close range by Omari Delgado. We had one more chance before the break with some good interplay between Callum Wilson and Oblitey who flicked the ball on for Axel Kodjo to strike, but again the ball was too close to Shaw who made a routine save.

At half time supporters were bemoaning the similarity of this match to some of our recent ones, in that we were as competitive as our opponents, but we seemed to find a way to concede every time. Unfortunately, a second goal then followed in the 52nd minute after Hill weaved through our defence, only to square the ball for an unmarked tap in from Delgado to score his second on the

day.

Not for the first time in recent matches, we faced a mountain to climb, but our next chance came from an unlikely source as Stefan Aiwone showed great skill in the penalty area to beat a number of men and get a shot on target away, but Shaw had closed the angle down well and made the block. A couple of minutes later Oblitey intercepted a pass and set up Anderson, but his shot from just ten yards out was too close to Shaw who made the block with his feet and then also held the follow up drive from Luke Miller. This was probably our best chance of the entire match and we have to start taking these.

Next up for us was Green's clever pass to Miller, but he struck across goal, missing the far post and then having the front to blame Anderson for not getting on the end of his shot! We had a lucky escape when Hill broke through, only to fire straight at O'Donovan and then the visitors had a shout for a penalty when the ball appeared to strike Brazier's hand at the far post, but it was clearly accidental and fortunately the referee agreed! In the 83rd minute we had a goal back, although it was a bit of a gift as Shaw kicked the ball straight out to Miller, waiting in a central position and he simply ran back in with the ball and drove his shot low past Shaw into the net, glancing off a defender's leg on the way from twelve yards.

At 2-1 down we now had something to aim for and pushed for an equaliser, but any momentum we were trying to build was obliterated by a piece of Sunday League defending as a long goal kick from Shaw was controlled in stride by the unmarked Aaron Watson and he flicked the ball past O'Donovan into his bottom left corner in the 92nd minute with our defenders nowhere. It was a horrible goal to concede, although two minutes later a rather stunning volley from twenty-five yards by Daniel Bennett flew past O'Donovan on the bounce for a fourth goal.

It seems to be a familiar story these days as we seem to be the equal of our opponents for large parts of the match, only for individual errors, or blown marking assignments to hurt us every week. We remain pointless and with two clubs going down this season we are already four points adrift of safety and have not had a clean sheet in a League match since December of last year. It was also a little strange that we only made one substitute in the entire contest at a time when something different needed to be done, even if it were only for fresh legs. These are concerning times for Salts supporters, and whilst it is still fairly early in the season, we really need to start picking up points urgently. Maybe on Tuesday at home to Chipstead?
