

Just not cricket to replace Banstead pavilion?

12 April 2024

A long-standing cricket club's ambitious plans to construct a modern pavilion and expand its facilities have sparked a debate from people that live in the area, saying it would "ruin the village feel".

A centuries old sports club wants to modernise its facilities, in part due to the massive growth of the game among girls and women, although some warn its ambitious plans overstep the mark.

Banstead Cricket Club has applied to demolish its current clubhouse, which it says was only ever designed to last 10 years but has stood for 60, and replace it with a new modern facility that conforms to "Sport England and the sports governing body standards".

It is also seeking to refurbish its pavilion to create a dedicated changing space for women and girls. While opponents to the plans aren't arguing against its need to modernise, and would like to see the 182-year-old cricket club get a new clubhouse - they say they are worried about the size and location of the plans. They feel the potential increase in social events at the site, could have a negative impact on people living near the ground.

The club, however, told the Local Democracy Reporting Service that they are "not trying to just suddenly become an events business" and that "the most important thing to stress is that Banstead Cricket Club is a cricket club". The application has already had 252 comments with the majority (151) backing the plans and 91 objecting.

Club chairperson Neil Bowman said: "We need something bigger and we need something that has more than one room. We need to have other areas where people can hang out, or have a team meeting. We didn't design it as a wedding venue, and we do appreciate the neighbours' concerns, there was a concern about creating an event venue, and all the additional traffic, noise.

"I can entirely understand people's concerns, but we are not trying to do that, we are trying to build a modern clubhouse." The club said that Sport England and the England and Wales Cricket Board have been consulted in terms of the most ideal siting for the new building and it's the internal layout.

Its new location will allow people to take in matches from either of the club's two pitches. The club has also said it will re-lay its car park with an environmentally friendly solution. Project head Ian Rusbridge said: "We are not trying to just suddenly become an events business, that's not our game.

"We don't foresee (a surge in) event hire, there may be a little bit more during the summer - because at the moment we can't hire it out at all. The other thing to stress, is that the cricket club is run by volunteers, who have full time jobs, and lives and children. They haven't got the capacity to run a cricket club let alone an events business. " Adding to that, in terms of the design the architects we employed, their speciality is sport pavilions."

The club has a licence until 1am but says it is rarely used and that the events held usually stop serving alcohol at 11pm. It said it did not see this changing in the future. Among the objections however include the increase in traffic around the green belt area, noise that would come from an expanded pavilion, and the determination visual impact it would have.

One objector wrote that the scale of the two-storey building was "far too large" and would "ruin the village feel" of the site. He felt the current buildings were perfectly adequate and would support plans that improved and updated the facilities within the same space.

The Local Democracy Reporting Service spoke with another resident who has also written in to object. Robert Garbut lives off Park Road, near the club, and challenged the size of the plans, its impact on traffic and neighbourhood fears the site could become a late-night venue.

He said: "It's massive. It's a 350 per cent increase over two floors, on another field that had never been built on before. Earth-moving trucks that will have to move into the park - I'm sure people just don't realise what is happening. Having said all of that, the cricket club has been there for a hundred years, it's hugely successful, they need more changing rooms.

"We assumed they would knock down the old clubhouse and build an all-singing all-dancing version of that. They also own the practice field adjacent to that - that's where they want to build, you can understand that as it makes sense to build it on your own land rather than land owned by Reigate and Banstead Council.

"All of our objections are about the superscale of this social venue, nobody but nobody wants to be mean spirited. We want the club to be a great building not the ramshackle thing they're in now."

The planning application is still with Reigate and Banstead Borough Council's planning team. A date has yet to be set for when it will be determined.

London Calling Time with a Sutton & Epsom Win

12 April 2024

Sutton & Epsom RFC 12 Reeds Weybridge 10. Saturday 6th April.

As is the format of league rugby the fixtures conclude by playing the opposition first encountered on the opening day of the campaign. On that September afternoon bathed in glorious sunshine but disrupted by Rugby World Cup absentees, of the carousing rather than playing variety, Reeds Weybridge gained a 27-12 success. With both teams secure in the knowledge that they had retained their Regional 2 South East status for next time one might have expected a high-scoring denouement to the campaign. In the end the teams created a Sutton & Epsom league record as the Black & Whites edged the contest 12-10 so recording the lowest aggregate ever for the last game of the season undercutting the 1995 classic when S&E won 13-11 at Ealing.

It was a red-letter day for George London as the veteran, but not balding, back row made his 200th league appearance for the 1st XV transforming the 'Fab Four' into the 'Famous Five' of players to have reached that landmark. The match was played with the handicap, or advantage, of a howling wind arrowing towards the corner flag at the clubhouse end. Reeds Weybridge kicked off with the elements against them. At once the significance of the gale was demonstrated as Tom Lennard cleared from his 22 to the opposition 22. If that was not harsh enough it was a 50/22 and Sutton were awarded the lineout.

This initiated a ten-minute siege of the Reeds line. The throw in was secured, the forwards advanced and a penalty was indicated as a speculative ball descended from the heavens onto the wings. The defenders saved the day but returned for more punishment. The penalty was kicked to the corner, McTaggart rose skywards to gather and initiate the second assault. Three carries and a penalty and the same dose of medicine was repeated. This time the referee issued a yellow card and Sutton & Epsom pressed on against 14. A tap and go, a roar from the crowd but no try and it went wide and more optimistic overtures as Ghumra dived for the corner. Back for another penalty and the Rugby Lane crowd were beseeching Sir to indicate a try but Hegarty was held up. Reeds relief and a drop out under the posts to restart play. The Black & Whites countered with zeal and finally opened their account. Perhaps Mr Richardson had a sense of occasion as the try-scorer was George London. The conversion was added but with another dramatic twist as Freddy Bunting was allowed a second bite at the cherry and the hosts led 7-0.

The opening score was not the sign of the floodgates opening but saw the visitors getting a foothold in the game. It was obvious that Reeds were looking to play at a high tempo and get the ball to their dangerous back division. Penalties were played quickly and the RW pack was gaining the ascendancy at the scrummage. On the half hour they were rewarded with an outstanding try. The combination of superb line of running by Pete Cole and a perfectly timed pass saw winger Matt Stevenson run in under the posts with four colleagues in congratulatory support. Fullback Pete Cole added the extras to level the scores at 7-7. Moments later it took two tremendous tackles within a minute by Josh Pulvirenti to snuff out a potential break from halfway. Despite the conditions it was Reeds who were finishing the first half the stronger with centre Josh Clark to the fore using intelligent chips and grubbers to keep Sutton on the back foot. The first period ended with no further addition to the scoreboard. Reeds Weybridge had achieved the notable success of being on level terms despite playing against a very strong wind.

The start of the second period was a mirror of the first which was hardly surprising as there was no easing up from the elements. The men from Whiteley Village dominated territory and possession but they discovered, as had their Sutton counterparts, that those final yards were the hardest. Marcus Clark on the wing came closest to breaking the deadlock but the S&E defensive line stood strong whether it was Kyren Ghumra on the wing or the tireless pack. Increasingly the flow of the game was disrupted by infringements on the deck that created a stalemate that prevented the Reeds backs

demonstrating their quality and gave the Sutton & Epsom defence added confidence in what was a surprisingly uneventful third quarter.

The final twenty minutes signalled the start of increased excitement as Matt Stevenson's quickly taken penalty appeared to have caught Sutton & Epsom napping. However, a fabulous cover tackle by Captain Bunting was a most timely intervention that was improved when S&E were awarded a relieving penalty. Soon it was advantage Sutton & Epsom with Freddie Bunting making a surging break to the 22 to link with centre partner Ellis Rudder that concluded with a Sutton penalty. The resulting 5-metre attacking lineout drifted on the wind with a not straight verdict giving the visitors an escape route. Perhaps it was frustration but the visitors ignored the helpful conditions to run the ball from their own line. The yards gained were immediately lost to a penalty and petulance that saw them marched back 10 metres. Ironically Reeds next opportunity came as Sutton lost the ball in the opposition 22 and it was fly-hacked clear. Suddenly the pitch opened up with RW players streaming ominously forward but Austin Bell did wonderfully to secure the loose ball to avert disaster on halfway.

With the game in the balance and in time added on Reeds were within touching distance of glory but had the consolation of a penalty. It was an easy decision for captain Herbie Finn to opt for the kick at goal as fullback Pete Cole effortlessly put the visitors 10-7 up. One could imagine Captain Finn imploring his team to secure the restart and send it deep into Sutton territory and on no account concede a penalty. With the billowing breeze making the restart more of a lottery than it might have been the Black & Whites were given the lifeline of a penalty. It was advanced to the corner and another penalty followed the lineout. Sutton went for route one as tempers boiled over before the final play of the season. The forwards provide a mass of steaming humanity on the try-line and Rob Hegarty squeezed over to win the game for Sutton & Epsom. It was left for George London to attempt the touchline conversion and despite a passable impression of All Black legend Don Clarke it fell short. The final whistle blew and Sutton & Epsom had snatched victory by 12-10. The supporters retired to the clubhouse and for those who live in a tinkerless world they ruminated on what might have been in 2023-4. The Sutton & Epsom victory was synonymous with the man of the hour, George London, it was full of determination, a never say die attitude and a will to win in adversity that saw Sutton over the line. Reeds had the edge in the scrummage and the more threatening back division. However, the powerful wind did not bring the anticipated cascade of points as both XVs demonstrated determined defence and it was the Black & Whites who gained the points by virtue of winning the try battle by 2-1 but only at the eleventh hour with Brunnhilde on her final chorus.

Epsom & Ewell FC losing at the bottom

12 April 2024

Epsom & Ewell FC 1-2 Spelthorne Sports Combined Counties League - Premier Division. Saturday 2nd April 2024.

On a miserable night for football at the Madgwick in front of just 43 spectators, our season took a serious turn for the worse as we led fellow strugglers Spelthorne Sports at the half, only to get pushed back further and further before conceding twice to lose 2-1 with almost everyone in the ground thinking that they could see it coming.

This was a particularly disappointing second half performance and if I'm honest, our opponents had most of the ball in the first half too, but we had some chances and took one of them. However, they fought back, inspired by constant cajoling from the bench and frequent substitutions, while we remained mute and kept the same eleven on the field, despite looking desperate for fresh legs from the hour mark onwards.

Before the kick off our programme notes heralded the arrival of three players, yet one of them, Kevin Turbi wasn't even in

the line up! We did hand a start to Will Kendall, late of Redhill, Abbey Rangers and Merstham, while Luke Taylor from Sheerwater also came on late in the day. our opponents had former Salts Ade Batula and Tommy Williams on their registration list, but neither were on the team sheet for this encounter.

We started brightly but without forcing a save from Bob Honey, brother of Shay who had been in goal against us in the return match before joining us briefly; surely the only time in club history that we had faced two goalkeeping brothers in our two matches against the same club! Spelthorne were first to register a shot on target but Dan O'Donovan was alert at the near post to stop the shot from an angle.

There was very little going on in terms of goal threat but we had a real opportunity in the 24th minute when a high and deep cross from Luke Miller was not gathered by Honey, with the ball falling just behind Kendall who was unable to adjust to get any power on it from just a few yards out. Fifteen minutes later we took the lead from our best move of the match as Miller floated in another delivery to the far post where Thompson Adeyemi cushioned the ball back to Kendall who knocked the ball in for his first goal for our club from just five yards out.

Moments later we should have had a second goal after Miller's ball in was sent over the bar by the incoming Adeyemi from just eight yards out. We didn't realise it at the time, but this would prove to be our final real chance of the match. We went in at the half with the lead, although it was a precarious one and there was still a lot of work to do if we were to get the points.

The visitors started the stronger of the teams in the second half and somehow sent a header across goal from four yards when it was easier to score. We were struggling to get the ball out of our half and another good chance was clipped just wide of our far post from a good position on the hour. Maybe it would be our day after all.

But it was clear for all to see that we were tiring. The supply was not reaching Miller any more and Jaevon Dyer on the left wasn't creating a threat. Yet we made no changes and almost appeared to hope that we would get away with it. That hope ran out in the 74th minute when a deep ball in from the right was knocked back across goal where Andrew Juett was waiting to force the ball in from close range. An inspired Spelthorne team kept pushing and scored again eight minutes later when a ball in from the left found Zach Scott just inside the penalty area and he guided his low shot into the far bottom corner past O'Donovan to give them a lead they would not relinquish.

Dyer was unfortunate not to see his powerful shot clear the bar by inches from twenty yards, but it would prove to be his final input. After going for 86 minutes with no substitutions, we then made four all at once, including Dyer, but it was far too late for them to make an impact and apart from a couple of dangerous looking corners from Adam Green the whistle blew shortly afterwards to confirm our fate.

I should make it clear that our players worked hard all night, but we were lacking in direction, both on and off the field and it looks to our supporters as though we are unable to see matches out on the rare occasions that we get a lead. This needs to change quickly. We are quiet and desperately needed a Zach Powell, or dare I say it, an Alex Penfold, who might have been able to raise the intensity of our game.

I rated our chances of relegation as "slim" going into this match, despite recent form, but that now needs to be updated to "entirely possible" after this contest, as it is looking more and more likely that our survival can only happen because the two teams currently below us fail to win sufficient points to overhaul us. This is a concerning time for our club and we now need to pick up some more points against much tougher opponents in Fleet Town and Abbey Rangers before our season ends at Guildford City. We do at least have eleven more days before those fixtures to try and sort this out, but confidence and belief need to change radically and this needs to come from our Management who might want to take a leaf out of the Spelthorne book for advice.

Sutton and Epsom leapfrog Old Colfeians in the end

12 April 2024

Old Colfeians 22 - Sutton and Epsom RFC 31. Saturday 23rd March.

In bygone years this was a regular league fixture and Saturday bore witness to the sixteenth such encounter between the clubs. Old Colfeians is a club to be mentioned in whispered tones whilst in the company of James Clark's title-winners of 2006-07. That Black and White celebrated side saw their perfect record spoiled on the club's last venture to Horn Park

in January 2007. The 2023-24 vintage may not have won this league but they headed home with a 31-22 victory and replaced the hosts in eighth place in the league table.

The revolving door of selection meant that only Messrs Lennard and Bunting were in the same shirts in a reshuffled Sutton back division following the culling of Cobham. For the pack it was a minor disruption that saw Tom Boaden elevated from the bench in the absence of Alex Mount. Sutton played with the significant advantage of the elements in the first period as a strong wind tore down the pitch. Despite this handicap Colfeians started on the front foot. A sublime moment of legerdemain by Tom Chapman put Ollie Burkett into space and the full back was only denied by an eleventh hour cover tackle by Tom Lennard. The wind hampered the Sutton lineout and led to an OCs scrum. The set piece wheeled and the alert home Number 9 Jed Wylie wriggled free to score from 5 metres out. Chris Harris added the conversion for a most valuable 7-0 lead in less than advantageous conditions.

Sutton replied instantly as the Horn Park XV struggled to deal with the restart gifting the visitors with a prime attacking penalty position 5 metres from their line. The initial surge from the set play failed to secure the score but a couple of phases later Josh Pulvirenti forced his way over in the corner. The touchline conversion was blown wide and the Black and Whites trailed 5-7. Moments later a counter by Kyren Ghumra ended in an SandE penalty that was drilled into the corner by Freddy Bunting. From the 5-metre lineout the Sutton pack went through multiple phases inching not only closer to the try line but also the uprights. Robust Colfeians' defence was finally ended by Mr Tobias Whinney awarding Sutton another 5-metre penalty. Once more the attacking tapped option was taken rather than a kick at the posts.

Again the forwards took control and ushered hooker Chris Farrell over the line. Normal service resumed for the Bunting boot and the visitors led 12-7 after a dozen minutes.

From the restart Sutton's counter was penalised for crossing and it was Colfeians turn to put the ball in the corner and attack from a 5-metre lineout. The Black and White line held but infringed. Playing the advantage a Colfeians deft chip just sailed over the head of Chris Harris but the winger punished SandE by adding the three points when play was brought back for the penalty. OCs trailed 10-12 in a game of fluctuating fortunes in the first quarter.

Approaching the half hour Sutton secured their third try. With their best passage of play of the match so far the backs and forwards combined through several phases before Ellis Rudder was stopped deep in the 22 but the cover infringed on the deck. On this occasion it was Callum Gibson who was the beneficiary with a try from the forward effort from the tapped penalty. Freddy Bunting's touchline conversion was even more impressive as he made it at the third attempt having aborted his first two approaches as the wind blew the ball off the tee. Sutton had extended their advantage to lead 19-10.

The visitors were soon threatening another score. A wonderful break by Tom Lennard from his own half released fullback Ciaran Mohr who stepped inside the cover, took the last tackle before passing to Alfie Baker but the ball was not gathered and a wonderful score was denied. In addition Ciaran Mohr injured his ankle and was replaced by Austin Bell. A rampant Sutton did not dwell on this missed opportunity and shortly afterwards had their bonus point try. The impressive Josh Pulvirenti made a break and marauded into the 22 and passed to Angus Findlay who was rewarded for his excellent support play with the try. Bunting moved to the ball with his familiar constabulary stroll and converted with a laconic air for 26-10. Ten minutes later and SandE added a fifth try from a precise lineout routine that saw Rob Hegarty burst through a gap to score. Though the conversion failed Sutton had a healthy 31-10 lead.

With the first half near completion SandE ran the ball from their 22 from the restart looking to maximise their advantage from the windy conditions. They were brought back for a forward pass and there began a lengthy final play. It was a rugby version of 'Groundhog Day'. The teams scrummaged, the hosts were awarded a penalty, the visitors prevented a score and the referee brought them back for the penalty and Colfeians chose to scrummage again. Finally, after 52 minutes in the first period, and a yellow card for Sutton's Dan Jones, winger Tom Chapman squeezed in at the corner. A very challenging conversion fell short and the first half ended with the Black and Whites 31-15 ahead.

The interval had comical overtones as Sutton stayed out on the pitch whilst their hosts enjoyed the warmth of their dressing room. With a sable sky, a hailstorm swept the pitch and Sutton players took shelter behind their bulkier colleagues. Perhaps it was the reward of the Gods for braving the weather as the game restarted in sunshine and becalmed as cruelly the Colfeians were to be denied the strong wind enjoyed by Sutton. The second half was a curious affair. With excellent tactical acumen and pragmatism the numerically inferior visitors spent their punishment time in the opposition 22. This benevolent occupation was then extended to practically the entire second half. Old Colfeians adopted the mantle of Horatio and Rorke's Drift in heroic defence whilst Sutton became a hybrid of Sisyphus and Tantalus.

With the game approaching full time Old Colfeians finally made it into the Sutton and Epsom half and won a penalty. The ball was drilled into the corner for a 5-metre lineout. The throw was secured and the mountainous figure of captain Andy O'Malley powered over to score. Chris Harris then reduced the arrears to 22-31 and the crowd awoke from their slumber

at the prospect of a thrilling climax. After their prolonged territorial dominance Sutton's character was now put to the test as an element of doubt over the outcome entered into the equation. If the first period was inordinately lengthy the second period was unbelievably time consuming as it racked up 57 minutes. There were several stoppages with the physios in attendance but once again it was last play that endured. Sutton were again reduced to 14 when Rob Hegarty departed following a high tackle but Colfeians could not force another score to garner any points. The game ended with the hosts defending and frustrating SandE who failed to add to their score in the second period. The match finally concluded with the Black and Whites victorious by 31-22.

There may be aficionados who love nothing more than a reset scrum and a catalogue of infringements as frequent stoppages deny free-flowing rugby as with this second half. However, that seems as likely as someone preferring the brutalist architecture of a housing estate in Stalinist Russia to the Taj Mahal. It was a shame as a sizeable crowd had gathered for Past Players' Day adding greatly to the occasion and superlative bonhomie in the clubhouse after the game. Sutton were the deserved winners but Old Colfeians failed to exploit their superiority at the scrummage as discipline and errors undermined their performance. In the lineout and the loose the SandE pack played with great control.

Angus Findlay, starting for the first time in his preferred Number 9 shirt, gave an assured performance releasing the back division that showed moments of fluency and quality. The Black and Whites failure to convert pressure into points in the second half was more down to the courageous Colfeian defence than the inadequacies of the Sutton attack.

The Easter weekend offers a rest for the teams before the league season concludes on Saturday 6th April. Old Colfeians will be taking a trip to relegated Cobham and have the prospect of ending the campaign with a thumping victory. Meanwhile at Rugby Lane Sutton and Epsom will host Reeds Weybridge aiming to make amends for a 27-12 loss on the opening day of the season.

Generous in defeat

12 April 2024

Epsom & Ewell FC 1-4 Horley Town. Combined Counties League - Premier Division. Saturday 23rd March 2024

A strange contest took place at the Madgwick on Saturday as we hosted Horley Town in our latest League match. We created most of the chances over the ninety minutes, yet didn't take them and our opponents took full advantage of our generosity to win the match 4-1.

We fielded our sixth goalkeeper in just ten matches as Faebian Witter had been injured recently and with former keeper Shay Honey already departed for Staines & Lammas, Dan O'Donovan came in between the posts, although he was advertised as David! It never fails to amaze me how our club continues to get our player names wrong so often and wonder what sort of message this sends out to them. In other changes it was good to see the return of Carl Oblitey up front, as he provides us with a greater attacking threat; something we were sorely lacking at Balham in our last match. At the back, we also saw the return of Reece Tierney and Callum Wilson, although the absence of Ayran Kugathas meant that Nick Wilson had to play in the right back position, although he was restored to the Captain's position once again, while Matt McGillivray moved into midfield. Zach Ingham-Wright and Tijani Eshilokun moved to the bench, although the latter would join the action in the second half.

There was a minute's silence before the match for former Banstead Athletic Chairman Terry Molloy, who passed away this week. Our club had an awkward relationship in our time there as tenants from 1993-2010, so it was a little surprising to see us hold a tribute, particularly when our club elected not to do so for recently departed prolific strikers Gerry O'Rourke and Ben Forey. Not that anyone knew at the time exactly who the silence was for, as it wasn't announced by the club and I had to ask an official.

We opened up fairly brightly and an early Luke Miller ball into the danger area was just ahead of Thompson Adeyemi, before a similar cross from Ethan Nelson-Roberts also just missed the incoming strikers. McGillivray was the first to pull a decent save from George Hyde the long-serving Horley keeper, with a low shot from the edge of the area with Adam Green seeing his own shot deflected for a corner shortly afterwards.

It then came as a bit of a shock when Horley took the lead in the 15th minute with their first real attack. Adeyemi appeared to be brought down in midfield, but play was allowed to continue and a pass forward reached former Salt Lewis Pearch who cut inside Wilson and drilled a low shot beyond O'Donovan from 15 yards.

We almost responded immediately after Oblitey robbed Hyde out wide in the area, although he then chose to go for goal from an extremely narrow angle and was only able to hit the post. We were then denied by an excellent save after Wilson had made progress on the right, sending a shot in from about eight yards that took a wicked deflection off a defender, yet despite Hyde going to his right by this point, he somehow stuck out an arm in the opposite direction to claw the deflected ball away from the goal.

We continued to push forward and Nelson-Roberts sent in a left wing cross that Oblitey headed just wide from around twelve yards out. Moments later Horley midfielder Lewis Taylor found himself in the sin-bin for comments to the referee, but we weren't able to take advantage of the extra man. We had chances during that period though, with Adeyemi somehow getting a Miller delivery stuck under his feet just three yards out and Oblitey striking wide from 15 yards. Jaevon Dyer also struck at goal, but Hyde was equal to it, and to add insult to injury Horley went straight up the other end once they were back to eleven men and scored again with Scott Walker putting the hosts 2-0 up from close range in the 43rd minute.

Hyde tipped an Oblitey piledriver over the bar from twenty yards and the question at the break was how we had managed to go in with a two goal deficit after a decent enough attacking showing in that first half.

However, the second half was a very disappointing one and we appeared to be completely flat, as if we already knew we wouldn't be able to retrieve anything from the position we had found ourselves in. This became apparent to me as early as the 47th minute when Tierney got his foot to the ball before being brought down in the Horley area by Rylan John, yet there wasn't even an appeal for a penalty from an Epsom player. I was questioning my own eyes and even had to check with people around me that I had actually seen the incident correctly and was assured that I had, yet it wasn't until there was a break in play while Tierney received treatment before the question even asked of the referee, who understandably hadn't given anything! If we had appealed for this, maybe the game would have turned in our favour, but of course that is just conjecture on my part!

It was unclear how many matches O'Donovan has played recently, but of course he was a virtual stranger to our defenders, and maybe unimpressed with the standard of defending he had seen to this point, he chose to come out of goal to chase a clearance himself, yet found himself almost 40 yards out from his goal. Fortunately the long range attempt from the visitors went over the bar or it might have proved to be a rather embarrassing afternoon for him! Regrettably he would be picking the ball out of the net shortly anyway as a near post corner was headed past him from close range by Matt Rapson on the hour to make the score 0-3.

Dyer took advantage of John misjudging the bounce of the ball to break through, but drove his shot wide from 18 yards and he was replaced not long afterwards. Our flying winger was superb last season, but looks to be lacking confidence since he has returned to our club and there appeared to be a lack of belief across the playing ranks as this match petered out. Even when Green sent in a lovely flat free kick which was met by an Adeyemi bullet header just inside the far post from twelve yards to pull a goal back in the 83rd minute, there was little by way of celebration of any kind and the remainder of the match was equally disappointing with Green, Callum Wilson and then substitute Jerry Antwi all receiving yellow cards for lunges at Horley players. Fortunately, none of the challenges were severe enough for red cards, but we then conceded a fourth goal in the sixth minute of injury time despite O'Donovan standing up well to make a good save, but no one reacted to the loose ball that was then knocked in from close range. A 4-1 defeat was only marginally better than our 4-0 defeat there, exactly three months previously.

I believe that our players are good enough to get us out of trouble this season, but we really need to pick up a few more points before we can be assured of safety and aren't playing very well right now. On paper our fixtures are favourable, particularly when compared to those around us, but as we know football isn't played on paper and a home match against a team that started the day just three places above us, should have been enough motivation. Instead, we fell away in the second half again, and whilst we did make a lot of chances in this match, which was a notable improvement on the previous Saturday, we are going to need to take some of these if we are not to get caught by the clubs below us. We now have a ten day break before we reconvene at the Madgwick for the visit of Spelthorne Sports; one of the clubs in the bottom five. We absolutely cannot afford to be flat for that one.

Epsom squash team stand the squeeze

12 April 2024

When five girls from **Rosebery School, Epsom** formed the school's first ever squash team just six months ago with a view to entering the England Squash National Schools Championships 2023/24, little did they know how far they would go in this tough and prestigious tournament. Being a state school with no on-site squash facilities, they knew they would be competing against a lot of private schools around the country, many with their own squash courts and dedicated coaches. They were, however, all keen squash players and junior members of **Ebbisham Sports Club** in Epsom where they trained on a regular basis.

By dint of their considerable success in Stages 1 and 2 of the Championships, held respectively at Limpsfield Club in November 2023 and **Epsom College** in January 2024, the Rosebery School Girls Squash Team were delighted to learn that they had done enough to qualify for the Finals held in Birmingham on 14th March. One of the top eight teams from around the country to reach the Finals, the Rosebery Squash Team battled hard through three very tough matches during the course of a long day, with some excellent individual match wins and some very close losses. Whilst they came extremely close to beating one of the other schools, in the end the Rosebery team had to settle for final place, but did so with a smile on their faces and knowing they had given the Championships their all.

Sutton and Epsom blow the Cobwebs away

12 April 2024

Sutton & Epsom RFC 49 Cobham 13. Saturday 16th March.

Having lost to the basement boys of London Cornish, the Exiles gaining their first win on the road for over a year, Sutton and Epsom supporters arrived at Rugby Lane with a sense of mild trepidation. Could the proverbial lightning revisit with the arrival of eleventh-placed Cobham who had lost their last eleven matches. For those fearing that the wheels had come off the Black & White charabanc it appears, on Saturday's evidence, to have passed its MOT and was in perfect working order as the team ran in a magnificent seven tries for an emphatic 49-13 triumph. The victory mathematically secured Sutton & Epsom's position in Level 6.

Freddy Bunting kicked off into the breeze and initiated a period of high tempo attacking rugby that saw his team living in the Cobham 22 for the majority of the opening 15 minutes. The visitors defended impressively none more so than when from a tapped 5-metre penalty Josh Glanville was held up over the line by a superb tackle. Having had all of the game Sutton & Epsom conceded the first points when, on their first sortie into the S&E half, Jonathan Holmes kicked a penalty for a 3-0 lead. A few minutes later and the Black & Whites received a second dose of unpalatable medicine as Holmes made it 6-0.

It was at this stage the classic debate of whether to kick for points or seek greater rewards was raging amongst the crowd. The hosts approach was to turn down every kick at goal and seek the higher tariff score. In the course of the first period they were to reject many kicks with several in front of the uprights. Finally on the half hour their bravery was rewarded. The ball went wide and Lawrence Elliott, running a superb line, broke through and using all of his strength powered over. Freddy Bunting splendidly bisected the uprights for a 7-6 lead. Cobham's attempt to regain the lead with a third penalty failed as the first period neared its conclusion.

Approaching time added on Cobham were reduced to 14 when Mr Priddle issued a yellow card to blindside Max Hales who departed as a result of the cumulative effect of infringements in the 22. Sutton & Epsom went for the tap penalty and it was the redoubtable Alex Mount who stretched out to secure the try. Freddy Bunting added the simple conversion for a 14-6 lead. The restart is often the most dangerous moment and the Black & Whites

conceded a penalty but the visitors attempts to secure a platform to attack the Sutton line faltered and the referee blew for half-time. S&E had a vital 14-6 lead with a man advantage to take into the second period with the wind behind them.

The Rugby Lane team pressed hard to extend their lead in the opening exchanges of the second half attempting to benefit from their numerical and meteorological advantages. The Bunting boot put his team in the 22. Cobham survived for ten minutes before hooker Chris Farrell collected his sixth try of the campaign. Captain Bunting made it three out of three as Sutton led 21-6. The visitors then showed the fighting spirit one would expect from a team teetering on the brink of relegation. Awarded a penalty in the 22 they tapped and went. Sutton & Epsom had failed to retreat and they repeated the option with captain and scrum-half Ryan Saunders scoring. Jonathan Holmes converted to put Cobham back in the hunt trailing 13-21.

Barely had the inspiring words of encouragement of a comeback drifted on the wind and Cobham were standing behind their posts awaiting another Sutton & Epsom conversion. From the restart Dan Jones gathered the ball from a ruck outside the visitors' 22 and exploited a gap to streak away for the try. With the extras S&E led 28-13 and had secured their try bonus point. That score thoroughly demoralised the men from the Memorial Ground as it inspired the Rugby Lane XV. The game entered the final quarter and the hosts provided their faithful fans with their most exhilarating rugby seen at home this season.

Sensible tactical kicking by half-backs Munford and Lennard kept the hosts on the attack. A wonderful break from Tom Lennard at 10 looked certain to lead to a try but he was felled by a tap tackle close to glory. The crowd did not have to wait long for try Number 5. The ball went to the opposite flank and a training ground routine was executed to perfection from a lineout. The ball was secured, the line-break made and the overlap exploited as Ciaran Mohr strolled in at the corner. Freddy Bunting made light of the testing conversion for 35-13.

Try number six again owed its success to repetition on cold winter nights. A 5-metre lineout was secured and the pack advanced forward to provide Rob Hegarty with his eighth try of the season. It was a fitting reward for the quality of the lineout from the triumvirate of McTaggart, Pulvirenti and Glanville who had given Sutton & Epsom an excellent platform all afternoon. With a degree of inevitability Freddy Bunting converted and it was 42-13. For the first time this season at Rugby Lane the home crowd could enjoy a relaxing conclusion to a match. Previous contests might have been thrilling for the neutral observer but had provided far too much anxiety. Cobham attempted to end on a high point and looked destined to secure an otiose try. However a wayward pass bounced into the grateful hands of Angus Findlay who sped away from his own 22 for his first 1st XV league try. Freddy Bunting completed a perfect afternoon with the boot and the match concluded with Sutton & Epsom enjoying a resounding 49-13 win.

Apart from the security of success it was a red-letter day for two of the Sutton and Epsom side. Steve Munford in playing his 215th league match for the club surpassed Steve Warnham's total and lies second to the 251-game Sam Frost. Meanwhile, with his first successful kick of the afternoon, Freddy Bunting broke Sam Hurley's 2015-6 record of 208 points in a league season. It was a redemptive afternoon for the skipper after he had appeared to have supped at the river Lethe on his last outing. Sutton & Epsom may be breathing easier but carnivorous creatures circle the Cobham carrion as descent into the abyss of Level 7 seems probable after Gravesend's victory over Beckenham. With the 'Jersey Reprieve' there will be the incongruous site of Cobham supporters googling the results of Chosen Hill FP, Kirkby Lonsdale and Old Crossleyans in the weeks to come. Next Saturday S&E enjoy their last away day of the campaign with a first visit to Horn Park since January 2007 to take on Old Colfeians who they defeated 21-17 in December.

Balham, gateway to the ... defeat

12 April 2024

Balham 2-0 Epsom & Ewell FC. Combined Counties League - Premier Division. Saturday 16th March 2024.

On Saturday we made our second visit of the season to the Mayfields Stadium and received our second defeat. Five weeks ago we were unfortunate to lose there 5-2 to AFC Croydon Athletic, but this 2-0 loss to their tenants Balham, was far more disappointing, In fact the few supporters who were there will not remember this match for very long, not even the home ones, as this was a very uninteresting encounter, full of errors and scrappy play from both sides, and even when Balham finally did break through, there was an element of a defensive contribution towards both of the goals. I felt we were deserving of a point from a goalless draw, but could have no real complaints at the end of the match.

We made three changes from our encouraging draw at Redhill seven days previously. Carl Oblitey was injured, while Reece Tierney and Callum Wilson were unavailable, so Matt McGillivray came in for his first start at the back, while Club Captain Nick Wilson returned after his two match suspension, although it was interesting to note that Ethan Nelson-Roberts retained the armband for this match, maybe because we had done well in the previous two matches, or maybe due to Wilson's excessive number of cards in recent matches. Further forward, Zach Ingham-Wright also had his first start for the club.

We kicked off slightly late after the referee took exception to Luke Miller's blue long sleeved undershirt, even though our away colours are yellow and blue. Yes, you've guessed it, he was being assessed! Officially though, I was advised that the term is now "observed" as the previous term is now seen too much as a critique of the referee. Well, my observations were that it was fortunate that no major decisions were required on this occasion, although we had a confusing early incident after our keeper Faebian Witter was blocked as he tried to drop kick the ball, yet moments later Adam Green picked up a yellow card for us, for pulling his man back. Whilst you couldn't complain about the card for our player, it was hard to see why one wasn't given for the Balham offence.

The first half contained little to write home about. Witter rushed out to claim the ball and did well to keep it inside the penalty area, despite 95% of him being outside it, while at the other end Haydn Read was alert to leave his area to head clear after Ingham-Wright had threatened to reach a Thompson Adeyemi pass. However, these were not even half-chances really, and indeed the only event of note during the first forty-five minutes came when our Secretary Spencer Mitchell was stung by a bee on the sideline. No physio was required!

We went in at the half unsurprisingly goalless and the second half started off in a worryingly similar pattern. A Jaevon Dyer header was accidentally dropped over the goal line by Read for a corner after a few minutes, but our winger was having a quiet day and was replaced by Sirak Negassi in the 52nd minute. Balham's defence had clearly done their homework and cancelled out the threat from our wings almost entirely. We were also missing the physical presence of Oblitey who had been really impressive in the last couple of matches and although Ingham-Wright was well involved in the match, he never looked likely to add to his goal from the previous week.

In fact, neither team looked like breaking through at any point, so when the home team actually opened the scoring in the 65th minute it came as a bit of a shock. A deep free kick was headed back out by Adeyemi, but he wasn't able to get a decent purchase on the next delivery back in, and inadvertently flicked it to the back post where it was volleyed back into the danger area for Jack Banks to strike the ball into the net from close range.

We then had our best chance of the match in the 70th minute when Adeyemi was brought down right on the edge of the area in a central position. The ball was placed literally one foot from the penalty area, yet the referee seemed totally happy to allow the defensive wall to congregate along the penalty spot, no more than six and a half yards away. Even when the referee had this pointed out to him he paced eight small steps back and moved the wall back about a yard! Ironically, had the wall stayed where it was originally, Adam Green's free kick might have taken a slightly larger deflection to put it out of Read's reach, but instead he was able to dive to his left to parry the ball out for what became a fruitless Epsom corner.

At this point we changed our shape. Reggie Savage and Jerry Antwi came on and we switched to three at the back, but to be brutally honest, it didn't work. From this point the home side seemed to find more space and although an overhead kick was sent well over our bar, former Salt Ash Snadden was set up for a strike from just twelve yards that was headed off the line by Wilson with Witter beaten. Moments later Witter made a good save down to his right, but the ball was recycled and a long shot from James Anderson from a central position around twenty yards out took a heavy deflection off Nelson-Roberts and bounced into the other side of the net to where Witter had been standing in the 84th minute.

Anderson picked up a late booking for clattering into Wilson in injury time, but it made no difference and Balham gave their slim hopes of a playoff place a huge boost with this win, while many others around them floundered this week.

It is difficult right now to compose a report without reference to the two teams below us, as we still need to keep looking over our shoulder to see how they got on. This will clearly continue for a while yet as Colliers Wood United and Sheerwater both won, making things a lot tighter at the foot of the table. I still believe 30 points will be enough to see us to safety, but while we remain on just 24, concerns remain.

Should we be going to.....?

12 April 2024

The Specsavers Surrey Youth Games is back. Following on from the success of the games last year, a wide range of activities are available in **Epsom & Ewell** again, including tennis, judo, swimming and more. The Games are the largest multi-sport youth programme of their kind in the South East, offering **free** local training for 7-16 year olds across Surrey, leading to a final celebratory event for the whole family.

The Games are ideal for beginners who may not get the opportunity to attend clubs or are put off by the thought of competing against others. Supportive coaches will help participants join in, have fun, learn new skills, and boost their confidence.

Registration is now open for the free training sessions which start after Easter and are aimed at those who live or go to school in the borough. Following the training, teams can unite for a family-friendly event at the Surrey Sports Park in Guildford on Saturday 15 June.

Councillor **Clive Woodbridge**, (RA Ewell Village) Chair of the Community and Wellbeing Committee, said "I'm so pleased that we are running the Specsavers Surrey Youth Games in Epsom & Ewell again this year. The initiative provides a fantastic opportunity for young people who are still building their confidence in sport to access training free of charge.

"I hope that everyone in our borough will take a look at what's on offer and even tell friends and family about the initiative, so that we can ensure that as many children as possible can access the training."

You can find out what's on offer in the Epsom & Ewell borough and register for a place by visiting www.epsom-ewell.gov.uk/syg

Salts rescue a point from the Kiln

12 April 2024

Redhill 1-1 Epsom & Ewell FC. Combined Counties League - Premier Division. Saturday 9th March 2024

An 85th minute equaliser from Zach Ingham-Wright earned us a well-deserved point from a 1-1 draw at Kiln Brow after the hosts had taken the lead early in the second half. Although they put us under pressure after an even first half, I felt we were worth a draw for our display in the final fifteen minutes, during which time we equalised and very nearly pinched all three points!

Following the confirmation that Warren Burton was now permanent Manager, we made just one change from our important 6-2 win over Sandhurst Town as Shay Honey was replaced between the posts by Faebian Witter. Our Captain Nick Wilson completed his two match ban here and so Ethan Nelson-Roberts kept the Captain's armband for this contest. We knew our opponents fairly well with a pair of our former Assistant Managers, Jordan Clark and Matt Chapman in charge and there were four former Salts in their line up in Adam Grant, Gavin Quintyne, Ben Dyson and Tommy Smith. Redhill were of course looking for a League "double" following their 3-1 win in August at the Madgwick.

We opened up in confident mood against a team who were also in decent form, if you excluded their surprise 2-0 defeat at Camberley Town in midweek. Tijani Eshilokun had a go from around twenty yards with his curling shot missing the far post by a couple of feet, before Carl Oblitey headed an Adam Green corner just over the crossbar inside the opening ten minutes.

Oblitey then set up Luke Miller for a shot, only to find it blocked by Smith, before a long throw was knocked on by Thompson Adeyemi for Oblitey to try his luck with an overhead kick, but it went straight at Isaac Ogunseri in the Redhill goal and he made the easy catch. This would prove to be the only save made by either keeper in the first half, although the home side sent a header wide at full stretch, before a string of injuries to our players led to an extended appearance on the field by Physio Alfie Wyld and an additional five minutes at the end of the period, during which time Redhill headed towards goal, only to see the effort headed away by Reece Tierney from near the goal line just before the half time whistle.

We were obviously familiar with many of their players, but of course, the reverse applied too, and the two teams were cancelling each other out a bit, with our tricky wingers, Miller and Jaevon Dyer being kept very quiet. With Redhill's lofty League position, I expected them to try and change things up in the second half and they came out with more intent, pushing us back quite a lot. However, we weren't totally out of it either and in the 50th minute Eshilokun sent the ball across to Dyer, only to see it deflected for a corner. From the Green delivery Oblitey rose highest and was really unfortunate to see his header hit the full face of the bar and rebound directly to the keeper, even though he was by that time standing about eight yards away from his goal. It could have gone anywhere!

This scare clearly woke Redhill up and they forced four successive corners. From the last of these, a deep delivery was met at the far post by the unmarked Smith, who met the dropping ball with a textbook low side footed volley that gave Witter no chance from about eight yards in the 57th minute. One nearly became two just four minutes later as a header was blocked on the line by Green with Quintyne sending the loose ball over the closing defenders, but also over the bar from close range.

The hosts had another chance soon after with Witter forced into a good low save, with the ball parried out wide. It was then sent back in for a header that just missed our far post. We made a couple of substitutions with Matt McGillivray on for Ayran Kugathas and Sirak Negassi on for Dyer and the newly introduced Negassi had a chance to score with his first touch as the ball crept under a defender's foot, but his shot from twenty yards went beyond the far post.

Ingham-Wright came on for the injured Eshilokun who had taken a bit of a battering in this match and had been on the field for about a minute before he scored our equaliser in the 85th minute. An unnecessary foul out wide gave us a free kick and Green's delivery was flicked on by Tierney to Adeyemi at the far post, who headed the ball across goal for our substitute to nod in from close range. If I'm honest, a few of us behind the goal all looked across at the Assistant, just in case there was an offside, but he was happy and we were then able to celebrate.

But could we hold on? Late goals had given us trouble all season, so we needed to be careful, but in reality, it became more a matter of whether we would score again as we took the match to a suddenly wobbly Redhill team and started to attack them on the flanks. We should have had a second goal when we cut them apart with a good move involving Oblitey and Ingham-Wright who fed Negassi on the right, but his perfect cross was somehow headed back across the vacant goal by Miller from just two yards out! The ball was retrieved by Oblitey, but he was at a very narrow angle by then and he clipped the post before the home side were able to scramble the ball to safety!

I'm still not too sure how we didn't take the lead at this point, but an away win would have been harsh on Redhill and they were probably frustrated enough with the draw. We saw out a rather inflated seven minutes of injury time with only a couple of nervy moments before we were able to celebrate a point that in all honesty, I didn't expect us to get before the match, but that's football! With both teams below us picking up points, it's a little tighter at the foot of the table than anyone involved with our team would like it to be, but with six matches remaining, survival is still most definitely in our own hands!

Epsom & Ewell: Faebian Witter, Ayran Kugathas, Ethan Nelson-Roberts (c), Adam Green, Reece Tierney, Callum Wilson, Luke Miller, Thompson Adeyemi, Carl Oblitey, Tijani Eshilokun, Jaevon Dyer

Cornish Collect Crucial Win on Heartbreak Hill

12 April 2024

Sutton & Epsom 22 - London Cornish RFC 31 . Saturday 2nd March.

The fixture at the Richard Evans Memorial Playing Fields in November was notable for the debut of Willem Ratu who scored a hat trick that helped Sutton & Epsom to a healthy 53-24 triumph. In the absence of the injured Taranaki Terror all those in the Cornish camp were hoping

that this would create a more level playing field as they continued their efforts to climb out of the relegation abyss and get some traction from their victory over fellow strugglers Cobham in the last round of fixtures. The Exiles made it two in a row as they gave their supporters another injection of belief with a priceless bonus point win by 31-22 over Sutton.

The downpours in the week and more torrential rain led to a change in location for this fixture. The teams relocated from the serene surroundings of Rugby Lane to the windswept wastelands of Priest Hill. The hosts kicked off the match playing against the gusting wind and the significant slope. At this stage of the campaign the coaches are unlikely to be paid the ultimate divine compliment of selecting their full complement but London Cornish were delighted to field their first choice back three who were to be significant contributors. At once the visitors had the chance to open the scoring with a penalty. Michael Edworthy's effort was blown off course and it remained 0-0. Their dismay was short-lived, from the 22 drop out they secured possession and spread it wide. Left wing Matt Hakes powerful touchline run was assisted by some weak tackling as his determination saw him touch down in the corner. The challenging conversion drifted wide as the Exiles led 5-0 within five minutes.

London Cornish sought to exploit the conditions with thoughtful kicking to keep Sutton & Epsom on the defensive and penned in their 22. In their efforts to escape the hosts conceded another penalty in front of the posts. The wind again came to Sutton's rescue as it was becoming increasingly evident that place-kicking was going to be an arduous task. On the quarter hour S&E made their first significant contribution to proceedings. Running the ball with a penalty advantage they knocked on with an overlap in the 22. They had a second chance as they kicked the penalty to the corner but the Cornish won the line out. They were gifted a third chance as the ball was touched down in goal for a Sutton scrum. It was third time extremely unlucky as they sauntered blind for a definite score only to be halted by the whistle as they had offended at the scrummage. The Sutton profligacy was instantly punished. The ball was chipped over the Black & White defence in their 22. Covering fullback Tom Lennard lost his footing and was enveloped by the Cornish who drove him over the line. From the 5-metre scrum the visitors shunted the Sutton pack into reverse and Number 8 Conor Pearce applied the finishing touch and 10-0 to the Exiles. Five minutes later there was a repeat performance. The kick into space saw the retreating Kyren Ghumra struggling to gather the ball and it was only a last gasp dive that prevented a try. Another 5-metre scrum to the visitors but this time near the posts and the Sutton pack held the drive. Variety is the spice of life and Ciaran Johnston released his backs and centre Peter Brogden waltz in untouched. Simon Edworthy, grateful for a simpler conversion, added the extras for 17-0 after thirty minutes.

A possible lifeline dangled tantalisingly before Sutton eyes as Mr Simon Matthews was left prostrate on the pitch. After treatment from the physios the referee gingerly returned to the vertical and was able to continue with the game. As much as the visitors were intelligently exploiting the elements the hosts were being naïve as they kicked poorly to the back three and attempted long passes on the wind. With the interval approaching London Cornish secured a bonus point with their fourth try of the afternoon. Fly-half Michael Edworthy drifted across creating space for inside centre Peter Brogden who presented his centre partner, captain George Kimmins, with an easy run in under the posts. The conversion made it 24-0 to the visitors.

In the dying moments of the first half London Cornish had a wonderful opportunity to add a fifth try but scrambling defence denied them as they dropped the ball with the line at their mercy. The referee ended the half with the Exiles 24-0 up. All concerned were wondering just how many points the slope and wind were worth. Would the missed kicks prove to be costly and could Sutton & Epsom transform a lamentable first period performance into a rousing comeback? Conditions temporarily deteriorated at the start of the second half as teeming rain was added to the difficulties to be endured by the players. It was essential for the Black & Whites to score early. Within five minutes Matt Whitaker was driving his way over the line. Mr Matthews ruled that he had been held up over the line. The S&E disappointment was helped by the fact that London Cornish were reduced to 14 as Number 8 Conor Pearce was carded for a high tackle. The hosts took advantage of their numerical superiority and drove the Cornish pack off their own ball and Matt Whitaker scored. Freddy Bunting added an impressive conversion from the flank and S&E were up and running at 7-24. Mercifully the rain abated and moments later ceased. Sutton had now emptied their bench with Messrs Mount, Pulvirenti and Rudder being replaced by the triumvirate of Boaden, Jones and Elliott as they looked to reinvigorate their efforts.

At the end of the third quarter Sutton were in prime position to reduce the deficit but an errant throw to the 5-metre lineout gifted Cornish a relieving scrum. It was the visitors' turn to have their clearance returned with meaning. Tom Lennard countered and combined with Ghumra and Elliott to get to the corner. Sterling cover by Robert Mackay denied the score but the home team pressed on. White line fever descended on the Black & White ranks and they were grateful to be awarded a penalty. Finally, the pack forced its way over and Callum Gibson emerged as the scorer. It was a fine reward for the prop on an afternoon when he had carried tirelessly and with great effect. The kick from the extremities missed as Sutton trailed 12-24.

With the match entering the final 10 minutes the crucial moment came. London Cornish had made a rare visit to the Sutton 22. The hosts looked to counter and exploit a generous

blindsided. Cornish winger Matt Hakes gambled and won the lottery as he intercepted and strolled in for the fifth try. Simon Edworthy bisected the uprights and suddenly the gap that had so recently appeared bridgeable now seemed to be a gaping chasm as London Cornish led 31-12. Though visibly deflated by the score it was not long before the Rugby Lane men roused themselves for a grandstand finish. Firstly, Kyren Ghumra scored in the corner and anxious visitors asked Sir how long remained. 31-17 with two minutes of regulation time to play. The drama intensified as Rob Hegarty scored Sutton's fourth try in time added on. Perhaps it was the lack of a scoreboard at Priest Hill but the hosts' arithmetic let them down. With the score 22-31 and a conversion under the posts to come a successful kick would have secured a second bonus point. However, a rapidly taken drop kick missed. But the Gods seemed to be favouring Sutton as they were awarded a penalty on the final play of the game. Captain Bunting lined up his kick but it drifted agonisingly wide.

The 31-22 win provided London Cornish with a significant boost in their bid for survival. They will be hoping that Sutton can do them a favour by beating relegation rivals Cobham on 16 th March when the campaign resumes. The Exiles deservedly won the match, they exploited the first half advantage superbly and despite some anxious moments at the death it would have been harsh if they had been denied a vital victory. For Sutton & Epsom there were far too many errors that undermined their performance and it was only in the late rally that they demonstrated their true worth. With three matches left for the Black & Whites they still have work to do to retain their status in Level 6 and they will be hoping that the extremes of the weather will not see them relocated to Priest Hill in their two remaining home matches.

March puts spring in Salt's steps

12 April 2024

Epsom & Ewell FC 6-2 Sandhurst Town. Combined Counties League - Premier Division. Saturday 2nd March 2024.

Cast your mind back just four days to our heaviest defeat of the season, when we fell away badly to lose 6-1 at Knaphill. This weekend Sandhurst Town were the visitors and we registered our heaviest win of the season with a 6-2 score line. This was also our first home win of 2024 and for those who like their stats, it was our first home win on this date since 1957 when Uxbridge were defeated 2-0 in a Corinthian League fixture!

In case you were wondering, this sort of thing has happened before. In October 2018 we lost a Vase match 6-1 at Lingfield, only to bounce back in our next match with a 6-0 win at AC London, but it could be argued this was a far more important win.

Having played some very difficult matches recently, I had written previously about how the fixture list was a little kinder to us in March and April, but that doesn't guarantee us anything; we still had to go and get the points, and although we had a very friendly helping hand (or foot!) to see us on our way in this contest, we were good value for the win against a Sandhurst team that never really recovered from their awful start.

With Nick Wilson suspended after an accumulation of yellow cards, Ethan Nelson-Roberts was handed the Captain's armband and Wilson was replaced by Carl Oblitey. The return of the big man up front certainly gave us some added balance, particularly up front, but the star of the show this time was the little man, Luke Miller who had a fine game, although a few others also deserve mentions. We also appeared to learn a lesson from the Knaphill defeat as we pressed more and made it much more difficult for our opponents to play throughout the ninety minutes.

This match was a pivotal one for us and arguably for our Management team, who went into this game with one win and nine defeats from their ten matches in charge, well aware that our Committee have been extremely trigger-happy in the last three seasons. We all needed a change of fortune and in the fourth minute we got some. A harmless looking back pass went straight under the visiting keeper Harry White's foot and he was unable to reach the ball before it crossed the line and nestled in the back of the net to give us a rather fortuitous lead!

Sandhurst were clearly rattled by this and White then had to make a good save to his right to deny Miller before our tricky winger got the ball back after we intercepted it in midfield. He drew White out, only to put his shot wide from the edge of the area. A second goal would really have been a great start, but as it turned out, it was just around the corner anyway. In the tenth minute Thompson Adeyemi set up Miller on the right with a nice pass and he simply squared the ball over for Jaevon Dyer to tap it into the net from three yards. However, it didn't quite work out like that as despite the artificial surface, Dyer somehow got under the ball and spooned it up onto the crossbar! The ball bounced down and then up onto the bar a second time before he was finally able to nod the ball over the line from about an inch, getting bundled into the net with the ball by a defender for his troubles!

From this point the match became more even, with the visitors holding the balance of possession for a while, but not really being allowed to do much with it. A long shot gave Shay Honey some trouble and he parried the ball wide, where he then had to make a second save from an angle from a low shot. Next to feature was Tijani Eshilokun who appeared to be knocked over in an off the ball challenge. The referee had a few words with Callum Wright for Sandhurst, but felt that no card was required, or maybe he felt sorry for Wright who was already being given a proper run around by Miller!

Unfortunately in the 34th minute Sandhurst found a way back into the match with a long shot that appeared to bounce just in front of Honey and although he kept the shot out, he couldn't hold onto the ball and it was knocked back past him from close range to make the score 2-1.

Ayran Kugathas picked up a yellow for us as the visitors threatened to level the scores, but we were still dangerous on the attack and Oblitey set up Miller on the right to strike powerfully at goal, where White made a good block for a corner. Moments later we thought we had a third goal after Eshilokun sent the ball across into the danger area where Oblitey clipped the ball into the net. However, on its way into the net, the ball went close to Dyer who was standing in an offside position according to the Assistant and although he didn't touch the ball, I could understand why the official would think he might have been in the keeper's line of sight, even if I could see from my position that he wasn't! Either way, the referee took his time, consulted with his Assistant and then explained the matter fully to Nelson-Roberts as he disallowed the goal.

Regrettably this wasn't good enough for Eshilokun who remarked about having been cheated before and maybe understandably the referee took this comment to heart, ensuring that our man then had to make his fourth visit of the season to the sin-bin as a result. This was our team's eleventh dissent offence of the season and remains a concern. I should also point out at this stage that I felt the referee had a really good game and even if this was probably the wrong decision, he communicated with our Captain and explained his reasoning. Quick word to our Committee. The referee will not change his mind, just because one of you shouts out from the sidelines that "we've got it on video". He really won't, so why do we keep using this line that I've heard three or four times over the last two seasons now. It's an embarrassing look for our club!

The half time whistle blew shortly afterwards, but the second half started with a bang! There were just 19 ticks on the clock when a great pass out to Miller was taken in stride and as he left Wright for dead he then sent the ball across the face of goal where Oblitey was waiting to tap the ball in from close range to make it 3-1 to the ten men. Clearly this was unacceptable to the visiting Manager who then made a triple substitution and followed it up with a fourth moments later. This sparked a response and a long shot was cleared off the line by an Epsom defender, but once our "sin-binner" was back on the field we started to get back on top and it was Eshilokun that then applied the tap in finish on the hour after a corner had been half cleared to Oblitey who delivered the ball in from the right.

At 4-1 up you could be forgiven for thinking it might be comfortable from this point, but it had to be remembered that we had been 4-1 up in the return fixture after an hour, only to draw 4-4. This time there would be no such concerns as Oblitey got away on the left and pulled the ball back for Dyer to strike into the far top corner from the edge of the area to make it 5-1 in the 67th minute, grazing White's glove on the way.

The visitors showed a bit of life for a while after this and a long ball was chested down by a striker only for the ball to get away from him and run through to Honey. Then our keeper did well to parry away a free kick that was aiming for the far post. However, they reduced the arrears in the 83rd minute after a long range effort came back off our post and was knocked in by Amari Fushanu from a few yards out, but we produced another excellent goal in the second minute of injury time when both substitute Nick Inwugwu and Eshilokun produced some skilful interplay, including a clever back heel from the former to the latter who then drilled the ball in to the net from six yards, via a defender.

It was a fantastic way to finish the match and whilst these three points were important, the four goal boost to our goal difference could also prove relevant at the end of the season. For what it's worth though, a couple more performances and results like this in our remaining seven matches and we'll be fine anyway!

Face saved by late rally

12 April 2024

Epsom & Ewell FC 3-4 Alton. Combined Counties League - Premier Division. Saturday 24th February.

A competitive and entertaining, if niggly encounter at the Madgwick on Saturday ended with visitors Alton scraping a win by four goals to three after a couple of late strikes from our boys gave us a hope of pinching a point right at the end. It wasn't to be though and to be honest, if we had, it would have been harsh on our opponents, who were well in control in the first half and should probably have been out of sight by the break anyway, even if the second period was more even. The fightback did at least help us with our goal difference and who knows how important that might prove to be for both teams at the end of the season.

Alton remain solid bets for one of the four playoff spots after this victory and were well on top for large periods, with one of the biggest differences between the two teams being the quality of service into the danger areas. Alton were able to get down our flanks on a regular basis and sent the ball in for the big men in the box which caused us trouble all day long, while our opportunities and in particular our set pieces were really poor in this match. However, it is impossible not to ask if things would have been different had a key flashpoint not been better dealt with, and yes, regrettably I do have to question the performance of our match officials a little after this encounter.

With many other matches called off and even with a number of travelling supporters, our attendance was advised as an extremely disappointing 68. Yes, results haven't been great, but using the club's figures we averaged 92 in the League last season (110 if you include the playoffs) while this season we average 81, despite larger away support and more local matches. Our club doesn't currently engage with the few really loyal supporters it has and our match programme doesn't even welcome them to the ground any more. The player stats within it were also wildly inaccurate and it even carried a full page advert for our "home" match this coming Tuesday, when in fact we are away! Our club recently advised on Twitter that much hard work is being done by our Committee, yet all of this "work" is apparently deemed too important to tell mere supporters what it is, while the attention to detail in the limited club output is really poor. The club actually has one fairly big story which I'm told will be announced very shortly, but even this has been an open secret on the circuit for the last three weeks!

We only made two changes from our fine win at Camberley as Rory Edwards was unavailable and was replaced by Reggie Savage, making his first start, while our goalkeeping turnstile rotated for the fifth straight week with the addition of new keeper Shay Honey who played against us for Spelthorne Sports back in October. Whilst we had five keepers in four matches almost exactly a year ago, this is the first time in club history that we have started five different ones in consecutive matches. Honey performed well on his debut and it is hoped that our Management have now found someone they are happy with between the posts, although alarmingly once again we only named four substitutes.

After a fairly even opening ten minutes we had the first strike at goal, although Savage's strike was well kept out by Lewis Mees in the Alton goal before anyone noticed that the offside flag had been raised anyway. The visitors started to gain the ascendancy and opened their account in the 22nd minute with a deep corner that was met with an unmarked downwards header from close range by Ryan Stepney that Honey had no chance of keeping out. A combination of keeper and defenders blocked another chance on goal minutes later. We had an opportunity in the 27th minute after the tricky Sirak Negassi was brought down some twenty yards out, but the subsequent free kick was probably one of the worst in our history as Nick Wilson stuttered over taking it, before being replaced by regular taker Adam Green who then ballooned the strike way over the bar!

However, the next issue in this match came when Jerry Antwi picked up a facial injury on the half hour. Having seen the video of the incident it was really clear that Pat Cox raised an elbow above his head and it clattered into our player's head. The bright orange sleeved arm was really clear to see, even though the video was taken from sixty yards away, yet the referee who was much closer, didn't even award a free kick for the assault that absolutely warranted a red card. Insult was added to injury when a clearly incensed Antwi also had to be replaced by Ayran Kugathas and Wilson made his views clear, only to find himself in the sin-bin as a result! The number one priority for a match official has to be the protection of the players and it wouldn't surprise me if during the injury break, the referee realised he had got this one wrong as his performance was very shaky from this point with both teams taking the opportunity to appeal for almost everything from that point onwards.

With one of our defenders off the field for ten minutes we looked very vulnerable and the only Epsom person winning a header during this period was long-serving supporter John Bonner who headed the ball back into play from the sidelines! Green was alert to clear the ball off the line from another free header that had beaten Honey, before a right wing cross was met by a superb half volley from Cox that Honey tipped over. Whilst that corner was cleared, the visitors kept up the bombardment and a left wing cross from right out on the touchline was as good as any you will ever see in the Premier League, leaving Cox the simple task of nodding the ball in at the far post from a couple of yards out in the 45th minute. Whether Cox should still have been on the field was of course extremely debateable, but in the five minutes of injury time that followed, we were grateful to Honey for making two further good stops in that time. We were very fortunate to be only two goals down at the interval.

The second half had to be better if we were going to get back into this match, but that's exactly what happened. An early chance for Ethan Nelson-Roberts was blocked before Savage drove the rebound just wide from the edge of the area and whilst Alton had an appeal for a penalty after a header on goal struck Green's arm, it would have been extremely harsh had it been given. As we entered the 53rd minute Savage chased down a ball in midfield, winning the tackle and setting

up Negassi to streak down the right wing. We were a bit short of options in the middle, so he tried to cut back onto his left foot and was brought down in the area as he did so, earning a rare and uncontested spot kick that Wilson tucked away a minute later to give us hope.

We had to make an adjustment just before the hour as Ethan Brazier limped off, and with Luke Miller coming on we had to move a few players around to accommodate. This took a little bit of time to bed in and we found ourselves being pushed back, although there was time for an Alton player to volley the ball away after it had already crossed the touchline, which as regular supporters will recall, earned our Captain Wilson a yellow card just seven days previously! However, we were grateful to Honey again as another ball in from the right was struck at goal and turned away by our debutant keeper. Unfortunately our defence had little chance in the 66th minute as we were pushing forward, but lost the ball in midfield and the counter attack was brutal, sending the ball inside the advanced Kugathas, by now playing at right back, with the square ball in being knocked in from close range by former Camberley favourite Jamie Hoppitt to make it 3-1.

Alton missed a good chance with a close range header before Wilson picked up a yellow card for a foul. Moments later someone took revenge on him, leaving him to require treatment, but the referee didn't want to know how it occurred, even ignoring an Assistant who was flagging on the far side. Then in the 80th minute Tijani Eshilokun unwisely chose to speak out to the referee after Nelson-Roberts was pulled up for a foul out on the Alton right wing and found himself having a ten minute breather as a result. As with our first half sin-bin we then conceded while short handed as the free kick was met by another close range finish, this time giving Staples his second goal of the match and giving the visitors an probably unsurmountable 4-1 lead in the 82nd minute.

Oddly enough we then produced our best ten minutes of the match and Negassi was pulled down right on the edge of the area by Archie Larkum who picked up a yellow card. Whilst the free kick from Green from wide out wasn't a very good one, it squirmed through the wall and was diverted goalwards from six yards by Wilson, completely deceiving Mees at his near post and giving us a second goal in the 87th minute. We continued to press and Negassi sent in a powerful shot from 20 yards which had a lot of swerve on it. Mees did well to parry the strike but Miller was on the loose ball in a flash and as Mees spread himself expecting Miller to strike at goal, our man held the ball up skilfully before strolling round the prostrate keeper to tap in from a couple of yards to make the score a scarcely believable 3-4!

With that goal coming in the 90th minute there were probably about seven additional minutes to play, but even with the reappearance of Eshilokun we were unable to engineer any further real chances. Instead the game continued in its niggly way and wasn't helped by some strange decisions, firstly when Kugathas was pulled back yet no card was issued, and then bizarrely when an Alton player fell to the ground in the 96th minute. Was he wasting time or genuinely injured? Well, if you are a physio, you can't take that chance and our physio Alfie Wyld came on to look after what he felt was a potential head injury, only to then receive a yellow card from the referee for entering the field of play without permission! I am certain the referee thought he was carding an opposition physio and had no idea it was our man. Either way though, our man may now think twice before rushing to help someone on the field, which is a concerning development, although pretty much summed up the day for the man in the middle and he faced a fair bit of criticism from both sides as he departed the scene moments later.

For our boys it was a much improved second half, but Alton are a very solid side who play good football and get the ball into the danger areas well and consistently. We simply couldn't afford to give them a two goal head start and hope to get away with it. We face another tricky match at Knaphill on Tuesday evening but once this match is complete, the fixture list eases significantly after a brutal February where we have played many of the top teams. Although Colliers Wood United closed the gap between us and them to four points at the foot of the table after their pivotal 2-1 win at Sheerwater, I'm seeing enough from our boys in patches to remain confident that we can stay up, although it would be nice to see a full bench again and some better club advertising and information to try and welcome more people as we enter this critical phase of the season!

Outwitted by Sidcup's set pieces

12 April 2024

Sidcup 45 Sutton & Epsom RFC 22. Saturday 17th February.

Sutton & Epsom RFC first played at Crescent Farm in February 1898 and it is a delight to record that modern times have not hindered this historic rivalry as the clubs met for the 21st time in the

league era on Saturday afternoon. Earlier in the campaign the teams met at Rugby Lane with both clubs apologetically at the bottom of the table with a solitary success each. Sutton & Epsom came from behind to take the honours on that day. Since that November day the season has improved considerably for both clubs with the hosts arriving on the back of five straight wins. Sidcup's successful streak continued as they comprehensively and deservedly defeated S&E 45-22.

Sutton & Epsom were forced into four changes from the side that beat Gravesend with the back division incurring most of the disruption with three absentees but with the advantage of hindsight the loss of the Black & Whites' hooker probably had greater significance on the events that were to unfold. Captain Bunting started proceedings as the sides sparred in search of any early defensive frailties. The teams recycled the ball quickly, defences closed rapidly and kickers looked for open spaces and the status quo was maintained. A looping run from Sutton 10 Tom Lennard initiated the first genuine chance in the 22 but solid defensive tackling saw the ball go forward a few phases later. In contrast from a scrum on halfway Sidcup scored from their first sortie. The ball went wide and an overlap was created on the flank and Louis Keeley finished with aplomb despite a valiant effort from the diving Matt Symonds. The conversion fell short but the hosts led 5-0.

Sutton & Epsom's next chance to score was manufactured by a magnificent touchline clearance from Gareth O'Brien, being a yard or two from touch he magically threaded the ball 50 metres down the line. Though denied a stunning 50/22 the slavering chasers forced a penalty and Freddy Bunting happily accepted the points on offer for S&E to trail 3-5. As ever restarts are crucial and scrappy play saw the Black & Whites suddenly 5 metres from their own line with a scrum. Matt Whitaker carried well from a retreating pack giving Tom Lennard time to clear. Relief was temporary and punishment severe. Moments later Louis Keeley was collecting his and Sidcup's second try. On this occasion the winger left a less challenging conversion that was gratefully accepted by Tom Shea. The Crescent Farm fans warmly applauded the 12-3 lead with the first quarter nearly complete. It had become apparent that the excellent Sidcup pack had the upper hand in the set scrum. In addition Sutton were struggling with their lineout ball. Additionally and unexpectedly Freddy Bunting missed a chance to narrow the deficit as he slipped slightly on the muddy surface attempting another penalty. Then the visitors were further hampered as fullback Gareth O'Brien departed with an injured knee to be replaced by Ciaran Mohr. Once more it was a marvellous kick, this time a 50/22 by Tom Lennard that put the visitors in the opposition 22. S&E pressed for a score and were brought back for a penalty. Declining the easy three points they took the tap and Matt Whitaker celebrated his birthday with a try on the ground where he had previously recorded his 100th league try. Freddy Bunting added the extras and Sutton trailed 10-12 on the half hour.

Sutton & Epsom won a penalty at the restart as optimism rose amongst the ranks of the travelling support. Seconds later they were relieved that play was brought back for a knock on as Sidcup had intercepted and a certain try from 70 metres was denied. With half-time approaching Alex Mount received a yellow card. Not only was the Sutton scrum under pressure their front row had incurred the wrath of the referee over the technical issue of the scrums engaging. The result was a ten-minute breather for Mount for the accumulated offences. Reduced to 14 Sidcup had a wonderful opportunity to make the scoreboard reflect their pack's dominance. The 14 men from Rugby Lane appeared to have navigated the choppy seas to the safe waters of half-time harbour but the Kent men scored with the final play of the half. Taking the ball blind from deep the ball-carrier stepped out of a low tackle and an overlap opportunity developed from halfway. With clinical efficiency fullback Dan Masters strode home and Tom Shea's conversion was met by the whistle that concluded the first period. The 19-10 interval lead was a fair reflection of superiority that Sidcup enjoyed in the key areas of the lineout and scrum that had provided the vital possession.

The second half began with the Black & Whites still numerically hampered and before anyone could debate if they could survive without further addition to the scoreboard Sidcup had their third try. Outside centre George Bird breezing through the defence to notch up their bonus point try which was effortlessly converted by Tom Shea for 26-10. Sutton showed their defiance a minute later. From a ruck on the 22 Matt Whitaker opted for the most direct route and found clear water before he evaded the last couple of defenders to score his second try. Freddy Bunting added the conversion and with that kick recorded his 200th point of the league campaign. Sutton & Epsom trailed 17-26 and hope lingered on.

It was Sidcup's turn to pin Sutton & Epsom back with a 50/22. Though S&E were now back to their full compliment the hosts immediately created a chance and how on earth they did not score will remain a mystery to all who were present. The Black & Whites cleared their lines from a 5-metre scrum but it was a temporary stay of execution. In contrast to the recently butchered offering Connor McDonald excelled with a wonderful solo effort weaving his way to the line. Though the conversion faltered with the score at 31-17 it was threatening to become a long afternoon for the visitors. That threat became a reality five minutes later. Forced back into their 22 the visitors conceded a penalty. The hosts opted for a scrum then ran wide and Connor McDonald had the ball again, with the defence desperately trying to cover men outside, he ghosted in for his second score. Tom Shea added to his account and Sidcup extended their lead to 38-17.

With 15 minutes remaining Sutton needed to carry the game to Sidcup and attempt to get something from the fixture. A fine kick return by Angus Findlay ably supported by replacements Callum Gibson and Dan Jones got S&E into the 22. There followed a Sutton try that owed more to

Heath Robinson than Christopher Wren. From a central position Tom Lennard chipped ahead and the ball was not secured by the defence in the ensuing chaos the ball ended up in the right hand corner where Freddy Bunting was on hand for his first try of the season. Sutton & Epsom now had a very attainable target, the fourth try and a valuable bonus point, despite trailing 22-38.

Sutton suffered the immediate handicap of Callum Gibson becoming the second member of the front row union to get a yellow card through accumulated indiscretions. Sidcup went for the jugular only to be denied by Alex Mount's tackle under the posts forcing a spillage. The award of a 5-metre scrummage under their own posts was a mixed blessing for the Surrey men. The pack was shunted back, the posts were waving dramatically and Number 8 Nick Jansen touched down for a magnificent seventh Sidcup try. Tom Shea added the easiest of conversions for his tenth point of the afternoon as his side led 45-22.

The contest was over but there began the game within the game as Sutton went in search of their bonus point. First of all Matt Whitaker stormed to the halfway but to no avail. Then a wonderful run down the wing by Angus Findlay ended as he failed to get his pass to Ellis Rudder who was in support. The veteran Whitaker again went on the rampage and threw in a kick ahead for good measure. A penalty was kicked into the corner and the 5-metre lineout was lost. Then on the final play of the game Ellis Rudder broke clear in the 22 and passed to Matt Symonds. The rapturous cheers of the Sutton supporters turned to groans as the referee whistled for a forward pass. The game ended with Sidcup the clear winner by 45-22.

If there was a Man of the Match Award it should have gone to the Sidcup pack as they were magnificent to a man. The domination of the scrum, lineout and giving their backs front-foot ball was the telling factor in this game. Sutton & Epsom will regroup with a weekend off from the cut and thrust of league action before the visit of London Cornish on 2 nd March to Rugby Lane. For those wishing to attend please note that it will be a 3pm kick off.

First win of the year for Epsom & Ewell FC

12 April 2024

Camberley Town 1-2 Epsom & Ewell FC. Combined Counties League - Premier Division. Saturday 17th February 2024

After seven successive defeats we finally opened our account for 2024 with an extremely important 2-1 victory at Krooner Park over our old friends Camberley Town. It was our first win over our opponents in ten matches and our first in Camberley since a 2-0 win there back in 2013. Over the ninety minutes we deserved it too, with Ethan Nelson-Roberts claiming the highlights with both goals, although several players produced great performances.

In the absence of Warren Burton, Gwynne Berry took charge in the dugout and we made three changes from our defeat against Farnham Town with the injured Carl Oblitey and the unwell Toby Colwell both being unable to take part with Mekhi Savage dropping to the bench. In their places came Thompson Adeyemi and Sirak Negassi, while in goal we had Faebian Witter who had joined us from Carshalton Athletic. This meant that we were starting our fourth different goal keeper in our last four matches. For those who like their stats, this has only happened five times previously, although it did happen recently, when in January 2023 we had five different keepers in a four game span, due to a harsh sending off that left Nick Wilson between the posts at Hailsham Town!

It wasn't that long ago that we met Camberley Town at the Madgwick, where we started brightly but fell away badly to lose 5-0. While the margin of victory in this match was nowhere near as emphatic, the story was a similar one, except it was our opponents that started better with our boys that finishing the stronger of the teams this time.

Witter found himself having to tip over an early strike from Kingsley Anokye and he also made another good low block at the near post on the quarter hour mark. In response Negassi was causing a bit of trouble on the right wing originally, but switched wings with Nelson-Roberts around the 22 minute mark. He was unfortunate to see the ball bobble on him just as he was shooting, and also put another chance wide from an angle when he probably should have delivered the ball into the box and. It was easy to wonder if this would cost us when the home side took the lead shortly afterwards. With the

clock showing the 35th minute we were caught out by an enormous throw from Tom Wensley that was headed past Witter from close range by Regan Hitch. It was a colossal throw in and I'm not sure if I have seen a larger throw, but he had delivered an earlier one on a similar scale, so we probably should have been aware and better prepared for this.

The fightback began almost immediately. Rory Edwards sent a shot just beyond the far post from twenty yards only moments after the goal before we started to build some good pressure. In the 44th minute Tijani Eshilokun was taken out over on the far touchline by Cavan Atkinson and whilst I was surprised that a yellow card was not awarded, we got our revenge in a different way. Adam Green's deep free kick was contested for by two Camberley players who both got a touch to the ball. Reece Tierney and Ethan Nelson-Roberts were on the end of the ball with the ball brushing the latter's right leg as it crossed the line for our 45th minute equaliser. Some people felt there was a foul on the keeper, but having seen the video back, my original view that there wasn't enough contact to cancel it out remained unchanged. More importantly, the referee agreed!

Going up the hill in the second half is often difficult against Camberley, who it should be remembered, had the better of a goalless draw with Knaphill just four days previously and had a fairly decent home record. However, we had wrestled away the momentum and the second half would prove to be a really good one to watch if you were an Epsom supporter.

Edwards was on target from twenty yards in the opening minute and whilst it was a fairly easy save for Owen Crawford, it had come from a good move and was a good start. Next to feature was our full back Jerry Antwi who beat the offside trap on the left after good work from Eshilokun and Negassi before slotting the ball back to Adeyemi who teed it up for Negassi to strike, forcing Crawford into a good low save from twelve yards in the 54th minute. However, we weren't to be denied and a minute later we had our lead. Negassi controlled a crossfield pass with a killer touch on the left, before continuing to run at goal before pulling the ball back for Eshilokun to strike from 15 yards. His shot wasn't the greatest, but it would end up counting as an assist as the ball was scuffed almost sideways and straight into the path of Nelson-Roberts who forced the loose ball in just ahead of a defender from about three yards.

For a few minutes the pattern of the game changed as we had our first lead. We either chose to sit back a little, or were pushed back as the hosts suddenly realised that they needed to "up" things a little. We had to clear the ball away from under the bar before Witter was alert to make a decent save on the hour. We also had a scare when Witter chose to clear a back pass first time and clubbed the ball straight at a home forward, but fortunately the player was unable to control it and we escaped.

We had another great chance in the 74th minute when a Green corner was met by the head of an unmarked Tierney, but the delivery required a solid thumping header and his contact wasn't the greatest and the ball went across goal. Tierney was soon in action at the other end as Macauley Martin ran at him, cutting back onto his right, but he went for power from about 18 yards and was well off target, dragging the shot wide of the near post.

Gradually the home side began to run out of ideas against a defence that was holding up well. Our game management was much better and even the Wensley howitzers were being dealt with by our defenders with Tierney in particular heading a few away during the second half. The game concluded in a fairly comfortable win by the end, albeit with one final funny incident just outside the Camberley penalty area, where Brad Passfield and Cavan Atkinson got involved in a spot of handbags with Eshilokun, only for the referee to bring all three players together and tell them to "grow up"!

Following the match I heard some people refer to the fact that one of our reasons for winning was that we were fitter than we had been. We certainly looked the stronger of the two teams today, particularly in the second period, but must remember it is not that long since we lost three games in a row in the closing moments, so I think there was another reason that was more relevant. I know it is a bit of a cliché, but I felt we simply wanted it more than our opponents, who had won so easily in January and thought this would be a comfortable win, particularly after conceding the opening goal. This time though, we fought back and it was good to see that for the first time in a while. Tougher challenges await us, but for now this is one of those occasions where you just have to focus on enjoying the win, as it's been a while!

Salts defeated in presence of legend

12 April 2024

AFC Croydon Athletic 5-2 Epsom & EwellFC. Combined Counties League - Premier Division. Saturday 10th February.

Despite scoring seven times in matches against AFC Croydon Athletic this season, we only have three defeats to show for our efforts and without sounding like a broken record, I felt we have been unlucky in all three of them! In this match, and despite the introduction of four new debutants, we gave as good as we got, only to be punished by some clinical finishing

that gave the scoreline of 5-2 a hugely flattering look.

Fortunately, from a personal point of view, the disappointment on the field was eased by the presence behind the goal of our Club legend and record goal scorer **Tommy Tuite**, who scored the huge total of 391 goals for our club between 1973 and 1987. How we could do with that sort of loyalty and production right now. His attendance enabled us to talk about the good old days when we were one of the better teams in Surrey and had a ground with a welcoming atmosphere. Those days are sadly gone for now at least.

Our four new starters were Conor Beattie, Alex Green and Mekhi Savage, whose father Reggie would also make his debut later on. However, any chance of us having a father and son combination on the pitch for what would be only the second time in club history would have to wait until next week, as one replaced the other! Some of you may not be aware that a large number of players have departed in the last week, hence the replacements, although it was interesting to note that the opposition Manager stated in the match programme that we had let some players go, which couldn't be further from the truth!

Either way though, the new Management Team were going to have to add some players and Savage and Green look like being useful additions to the squad, while we may have to wait a little longer to analyse Beattie's performance as he injured himself very early in the second half and was unable to continue.

Despite the bare facts that showed AFC Croydon Athletic had won their last four League matches while we had lost our last four, we started confidently and had the early share of possession. Until the fifth minute that is, when Oalekan Osideko broke away on the right and drilled a shot low at goal. Beattie was down to make the save but could only parry it back into the danger area where the Croydon goal machine Louis Theophanous was waiting to drill the shot past our by now horizontal keeper from a few yards out. It didn't seem to dent confidence too much though and Savage Junior struck low from twenty yards, requiring Toby Fisher to turn the shot wide. From the corner Thompson Adeyemi was there first, but was unable to keep the header down.

The home side headed another good chance over, although the offside flag would have cancelled any goal out, and we were back on the attack soon after. Carl Oblitey, playing against one of his former clubs, nearly scored when he was denied by a good block, with the loose ball being sent back in with interest by Green who saw the ball deflected wide. Oblitey then headed just over from the resultant corner. However, fortune was not going to be on our side today and on the half hour mark Osideko's shot was well saved by Beattie, only for the rebound to strike the incoming Nick Wilson, who was only able to clear the ball once it had gone over our goal line. A really unlucky way to concede, although we scored twice last season in similar circumstances. Swings and roundabouts!

Again though we responded well to the set back and within a minute we had a goal back. Ethan Nelson-Roberts fired the ball towards goal, only for his somewhat wayward strike to reach Oblitey, who controlled the ball on the edge of the area and drilled the ball low into Fisher's right hand corner. Savage then produced a good run, only for the final product to be straight at Fisher. As we went in at the half, we were very unfortunate to be 2-1 down.

The half had been in progress for a few seconds when Beattie came out to clear a long ball, but missed his kick and injured his leg in the process, requiring his replacement. Toby Colwell came on and the game continued in a similar style with Green next to have a try after some good pressure, only for his shot to go just beyond the far post from an angle. In response, the hosts struck the bar with a powerful shot from an angle, but we were asking as many of the questions, if not more than our opponents and Sirak Negassi made a good run, only to be fouled just outside the area. Regrettably though, the free kick was cleared and on the break it took two simple passes to cut our whole team out and leave Andre Coker the easiest of tap ins at the far post in the 68th minute.

With that two goal lead the home team began to grow in confidence and seven minutes later they extended their lead with a fantastic strike from Theophanous who volleyed the ball in from thirty yards with Colwell completely unable to do anything about it. Things got worse as it became 5-1 in the final minute of normal time as Theophanous drilled the ball low past Colwell from the edge of the area.

We had time to pull a goal back when substitute Rory Edwards made a good run on the right and his early low cross was guided past Fisher from six yards by Nelson-Roberts in the 94th minute, but it was barely a consolation and the final whistle blew a few minutes later with the home side victorious by five goals to two.

It wasn't all bad though; there were glimmers of hope as we performed fairly well against one of the form teams in the League who will surely make the playoffs if they continue to stay fit and healthy, in particular their striker Theophanous who was almost unstoppable. We have brought in some new players, but no defenders yet, and it is fair to say that we are going to need to strengthen in that area if we are to avoid further defeats, even if we manage to score more. Up front Oblitey looks a handful and if only we could have had a young Tuite playing alongside him, we could go into the next matches with more confidence, but up next is the Farnham juggernaut, chasing a world record, and that match looks rather daunting right now.
