Epsom's flat season springs into action

The Flat racing season gets underway at Epsom on Tuesday with the Spring Meeting – a competitive six-race card to kick off the new campaign at the Surrey track.

Racing gets underway at 2.10 with a 13-runner handicap before rounding off at 5.05 with another big field handicap, this time with 11 set to head to post.

The opener (2.10) gets the new season underway and it's set to be a fast and furious 5f sprint. Last year's winner of this race, Lihou, is back to defend his crown having returned to the turf after some less than impressive outings on the all-weather over the winter. The chief threat to the reigning champion could come from Glory Hunter, who won in the mud over this distance at Thirsk a fortnight ago.

Race two on the card (2.40) is the Blue Riband Trial Stakes, seen by many as a trial for the Epsom Derby later this year. Chief Little Rock doesn't hold a Derby entry but sets the standard in the Trial on Tuesday, having finished second in both the Beresford Stakes at the Curragh and the Autumn Stakes at Newmarket. Arabic Legend is worth keeping an eye on as well, second in a listed race at Salisbury last season before switching to a new yard having disappointed in the Autumn Stakes.

The third race of the afternoon (3.20) is a class two handicap over the 1m2f trip around Epsom and the preference is for Qitaal, trained by Charlie Johnston, who returned to racing after two years off to score at Doncaster and can defy a 7lb hike in the weights here to make it two wins from his last two runs.

Race four (3.55) sees 13 runners head to the start for the 1m4f handicap in class three and Sussex trainer Gary Moore sends Champagne Piaff to Epsom – and with a very eye catching jockey booking to boot with one of the world's best Flat jockeys, Ryan Moore, set to get the ride. He is very much of interest in this one, but could find stern competition from Splendent, who is back at his optimum trip having previously ran over two miles and not found it to his liking.

The penultimate race on the card (4.30) is a novice stakes over the extended one mile trip and the selection is for the Harry Charlton-trained Midair, second of nine in a Goodwood maiden and subsequently only narrowly beaten at Kempton in the final strides last time out.

Finally, the Epsom card comes to a close (5.05) with the 1m handicap for three-year-old's and the preference here is for Mr Baloo, who secured a third career win at Kempton last time out and a winner of a Nursery contest at Epsom back in October last year so track experience could come to the fore.

Epsom selections - Tuesday (via **Punchestown odds**)

2.10 - Lihou

2.40 - Chief Little Rock

3.20 - Qitaal

3.55 - Champagne Piaff

4.30 - Midair

5.05 - Mr Baloo

Epsom and Ewell FC escaping relegation zone?

Epsom & Ewell FC 2-1 Abbey Rangers. Combined Counties League - Premier Division. Saturday 20th April 2024.

A 2-1 victory over Abbey Rangers marked the end of our brief tenure at the Reg Madgwick Stadium on Saturday and at the same time gained a measure of revenge over our opponents after we lost by the same scoreline over there in November. This win also ended any mathematical hopes they had of reaching the playoffs.

After our superb win over Fleet Town on Tuesday, I felt that this match was a bit of a "freebie" as a Salts win over Guildford City in our final match would have guaranteed safety anyway. However, this result means that we now only require a draw to confirm our survival, and by the time we take the field at the Spectrum next week, it's even possible that other results may have assured

ISSN 2753-2771

our safety. Indeed, had Sheerwater not secured a last minute winner over Cobham this same afternoon, we would be celebrating already!

Maybe unsurprisingly we made only the one change to our line up with Carl Oblitey coming in for the absent Nick Wilson and we stuck with the recent formation of playing three at the back, which was a brave policy playing against a solid and physical Abbey team, but by and large it worked.

Chances were few and far between in the opening exchanges. Jaevon Dyer shot at goal from 20 yards, but it was a fairly easy save for Sam Grey in the Abbey goal. At the other end Dan O'Donovan had one excursion out of his area to clear a break, but we were soon back on the attack and a great pass from Ethan Nelson-Roberts set Will Kendall down the left, although his first time low cross was just out of reach of the incoming Oblitey.

Our opponents probably had more of the ball than we did in the opening half, but we looked solid at the back as they rarely threatened, apart from a decent move on the left that ended with a strike at goal from George Frith that was headed away from goal by Reece Tierney. You could tell from Frith's reaction that he knew the shot was on target, yet within a minute we were the team celebrating after a pass came in from the left towards Oblitey, but before he had a chance to control it, a defender knocked it away, but only into the path of Will Kendall, and although he was at quite an acute angle on our left, his powerful shot from 12 yards went across Grey and into the net off the far post to give us a 36th minute lead.

In response O'Donovan was alert to punch a delivery clear, while at the other end Kendall fell in the penalty area after a coming together between him and Dale Burnham, but nothing was given, which I think was the right call. Then in injury time a break on the right wing resulted in the ball being swept across goal, but fortunately Ross Murdoch, who had scored a hat trick at Camberley a week previously, skied the chance from a good position. Moments later we had a rather generous free kick on the edge of the area, but Adam Green hit the delivery into the defensive wall. We went in at the break a goal ahead.

It was hard to say that we really deserved to be ahead at the break, but we were certainly as dangerous as our playoff chasing opponents and we fashioned a few chances during the second half too. Oblitey saw his long strike deflected, which took all the power off it, while next to try his luck was Green with a free kick from thirty yards after Luke Taylor was fouled, but the shot went just over the bar. Burnham became the second Abbey player in the book for the foul, joining his team mate, former Salt Daryl Cooper-Smith in the first half, but in the 55th minute Dyer collected the ball out on the left and then sent in a superb strike towards the top corner, only for Grey to produce a stunning save to keep his side in the match.

His reward for this great save was precisely nothing as we extended our lead six minutes later when a delivery in from the left was headed out by a defender under pressure from Kendall only for it to fall to Miller, who cut onto his left foot and thumped the ball into the top corner with his so called weaker left foot from 18 yards. It was a goal deserving of winning any match and at 2-0 it certainly looked as though we would be picking up another three points here. However, we received a reminder of our situation just three minutes later when a ball in over our defence was collected and finished past O'Donovan by Ferrey Danso to reduce the scoreline. The goal means that we haven't kept a clean sheet since our goalless draw on 16th December at Colliers Wood United!

At 2-1 up things were a little nervy for a while. Brazier picked up a yellow card for a late foul out on the touchline as we started to get pushed back a little. A tactical substitution was made with Jerry Antwi coming on at the back for Taylor as we reverted to four at the back and we started to look a bit more comfortable again. In fact we nearly scored a third goal in the final minute of normal time when Miller attempted to replicate his earlier strike, but this time he cleared the bar by about a foot.

As time started to run out the visitors pushed forward in the hope of an equaliser and won a free kick right on the edge of our penalty area, but it was deflected wide from a corner, only for O'Donovan to drop the fairly easy catch from the subsequent set piece which led to a little bit of panic in the six yard box before the ball was cleared. Finally, after around seven minutes injury time, which was about the right amount, the final whistle blew and Salts fans could relax again.

It's been a horrible season, but whilst we are not completely safe just yet, the odds are a lot more in our favour than they were seven days ago! One more match remains. See you at the Spectrum!

Getting teed off by golf club's landfill designs

A Surrey golf club has been accused of being a "landfill site in disguise" after anger at the sheer volume of heavy lorries that could be needed to drop waste off at the site.

The owners of Merrist Wood Golf Club, off Holly Lane, are hoping to redesign and reconstruct the existing course including water features and the creation of a heathland and wetland habitat.

The remodelling would include making use of nearly 600k tonnes of recovered 'inert materials' across the 55-hectare site. 'Inert waste' is discarded materials that do not biodegrade or chemically react with other substances.

These plans, which are currently under consideration, could see around 141 Heavy Goods Vehicle (HGV) movements at the sites for up to 256 days a year across the possible two years of the renovation project. A six-hour period is proposed for these movements meaning at peak times there could be one HGV movement every 2.5 minutes.

The planning application has received 55 objections and only one letter of support. Opposing the application, locals have raised concerns the HGVs would exacerbate an already congested road and increase wear and tear. One resident said: "Everything is just a constant worry. We moved here for peace and now it feels like it has been taken away."

Road safety issues were highlighted by some residents, suggesting footpaths will be "destroyed" and there will be "no safe place" for students and parents to cross the road for Merrist Wood College and Fairlands School. Locals expressed fears about how the HGV movement would impact on 'school run' times and rush hour, citing the narrow lanes as already dangerous.

Despite residents' anxieties about the development's impact on the road, Surrey County Council (SCC) officers have concluded that "there are no unacceptable highway and transport impacts".

The applicant argues the many road journeys over the construction period will be less disruptive than traffic caused by piece-meal course maintenance. As the source of the inert soils is still unknown, it is likely routes from both the north and the south will be used to access the site.

Comments asked what 'inert materials' will consist of, with some dubious of where the matter will be sourced. Sceptical commentators have described it as a "landfill scheme in disguise" with the amount of material suggesting it is being "dumped on the site".

Rather than 'borrowing' existing soil on the course, inert waste is described as the 'best way' to create new terrain. Planning documents state if inert waste material was not used in the project, 'virgin' soil would have to be used.

Constructed in 1996, the applicant argues the 18-hole golf course has 'deteriorated' and "suffers from a number of underlying design defects". Taking over the course in 2020, Lavershots Oaks Ltd complained the club has a "poor reputation' and is 'failing' as a sports club and as a business.

The Guildford MP Angela Richardson has written to residents affected by the Merrist Wood Golf Club planning application to alert them to the proposals and the consultation. She raised concerns about the traffic disturbance, congestion caused and whether detritus will be left on the ground.

The Wooldridge Group (formerly known as Lavershot Oaks), which specialises in civil and contract build projects, filed for administration on February 5 this year. The Wooldridge Group has been approached for comment.

Consultation on the application ends April 16.

This time a victory counts!

Epsom & Ewell FC 4-1 Fleet Town. Combined Counties League - Premier Division. Tuesday 16th April 2024.

After just two wins under his tenure to this point, our Manager Warren Burton was able to celebrate his 48th birthday with a third victory as we won this rearranged League match 4-1 against Fleet Town. In fact it could be argued that this was the most impressive of his three, quite probably better than our 6-2 win over a lacklustre Sandhurst Town side in March, as this win came against a better team and we had to come from behind to do it too!

The win must have been particularly tough on the visiting supporters who had been 3-1 up on Saturday and had probably already added the three points to the League table to close on the playoff pack, only to see one of their players badly injured and the match subsequently abandoned, and then to face a second trip up from Hampshire in four days before being heavily beaten; a win that ends any faint playoff hopes they may have had.

We made three changes to the line up from Saturday's match with Nick Wilson and Jaevon Dyer coming back into the starting line up and they were joined by Thompson Adeyemi who was originally due to be on the bench, but got the call up after Carl Oblitey was late arriving for the match and had to be content with a place on the bench. Tijani Eshilokun and Matt McGillivray were absent for this one.

We got off to an awful start on Saturday when we conceded in the eighth minute, but this time we were behind even earlier as a harmless looking ball came over towards Wilson in the sixth minute, but somehow the ball got tangled up in his feet and then fell for the opposition's leading scorer Dan Bone who scored twice on Saturday and then added another with a low drive past Dan O'Donovan from twelve yards.

The teams seemed to be following Saturday's script as we equalised soon after with a nice passing move that went from left to right where Ethan Brazier went forward before feeding Luke Miller whose low right wing cross was met at the near post by Will Kendall from just six yards out to give Filip Chalupniczak no chance with a left foot strike in the twelfth minute.

Kendall was unlucky to see his low strike deflected into the side netting before another Kendall header from a Miller delivery was only half blocked by Chalupniczak with Dyer knocking in the loose ball from close range, only to see the offside flag raised against Kendall. Kendall looked to be linking with his team mates much better in this game and it was good to see Dyer looking much more like the flying threat we had seen so frequently last season. In short, even with Oblitey by now sitting on the bench, we actually looked like we posed an attacking threat, which you couldn't often say about our team this season.

It was around the half hour mark in the original match that we started to get pushed back, but that didn't really happen here. In fact we looked the more likely to score as the half concluded and had a great chance when Kendall supplied a superb reverse pass into the path of Dyer, but just as he went to round the keeper, he stumbled over the ball and allowed Chalupniczak to claim the ball. This was a massive chance and when O'Donovan tried to see a ball out for a goal kick but got caught out, nearly leading to a goal for the visitors, it made you wonder if we had missed our chance. We went in at the break level at a goal each.

We've not had a vast amount of luck this year and just when I was thinking it would be great to get some here, that's exactly what happened, when in the 51st minute a deep left wing cross forced Bradley Pegg to turn back to defend it, only for him to knock the ball into his own net under pressure from Kendall from eight yards out. The ball could have gone anywhere, but squirmed into the corner of the Fleet net!

We had the lead which was crucial, as I was concerned about the idea of us trying to see the match out for a draw, but could we hold on to it? As you would expect, Fleet came back at us and a far post header by Argjend Ahmetaj was just wide but we were soon back on the attack and Kendall wasn't able to keep his header on target from Adeyemi's superb left wing cross. However, any concerns about the miss were forgotten soon after and we extended our lead on the hour mark. Miller set the ball back to Brazier, whose cross from out wide looked like it was just going to hang in the air for an easy catch, but Adeyemi had other ideas and out jumped Chalupniczak, heading the ball up in the air. It seemed to hang in slow motion before coming down off the bar, but fortunately Kendall was first to reach it and he smashed the ball into the roof of the net from just six yards out to make the score 3-1.

Relief was evident across the ground and we continued to take the game to our opponents who then began to self-destruct when Dan Bone was sent to the sin-bin after believing that he had been fouled. During that time we had further chances with Reece Tierney's header being blocked, while Wilson was just wide from 35 yards and Taylor forced a low save at the near post. For such an important match, it was unusual to feel so relaxed, particularly this season, but we were under relatively little pressure.

Although O'Donovan picked up a yellow card for a bit of time wasting, the visitors were chasing shadows as we passed the ball

around like a training session and even when they returned to eleven men we remained the better side. Oblitey came on for Dyer and he was in the action soon after, with a low shot smacking Chalupniczak's right hand post and rebounding to safety, but by this time Matt Sirmon had become the second visiting player to visit the sin-bin and this left them down to ten for the remainder of the match, during which we scored a fourth goal. It was the 96th minute when the ball came in from the left and was then passed to Miller who feigned to shoot on two occasions, completely tricking the defenders before slotting past the keeper from close range to complete the scoring.

It would take a brave person to say that they saw this performance or result coming after Saturday's abandonment and our recent displays, but it obviously gives us a huge lift in our relegation battle and it has to be said that if we had played like this more frequently, we wouldn't be in the position we have been in. It was certainly very good timing to produce our best ninety minutes of the calendar year and maybe our Manager should have birthdays more often!

Something special going on at Epsom baths

Rainbow Leisure Centre in Epsom has recently started running tailored swimming lessons for children with special needs and disabilities.

The sessions - which have proved to be a big hit - take place in small groups in the teaching pool where it is quieter and less stressful for the children. Mums and dads join their young person in the water along with the class teacher, picking up tips on how to help their child feel more confident.

Participants are aged from 4 - 8 years old and have a range of neurological and physical difficulties such as autism, dyspraxia and impaired vision. Children are also welcome to take part in the mainstream classes during the rest of the week if they feel confident enough to do so.

Young swimmer Heidi, seen here with mum Stacey and teacher Ana, loves her classes at Rainbow. Stacey says, "She loves the water and gets to have fun while learning to be safe."

Mary Mannion, Swimming School Manager at the centre, comments, "The classes are very popular. We're delighted to be able to offer this service to young people and their families. Keeping fit and safe in the water is so important for children of all ages and abilities."

Rainbow is run by GLL under the 'Better' brand. As a charitable social enterprise, the organisation is committed to supporting the wellbeing of local communities.

SEND swimming takes place on Thursdays at 6.15pm. For more details, look at the app at Better_uk or contact customer services at customer.service@gll.org or call 0330 123 1500.

Epsom Karate Kids go global

The Mo-ichido England Karate Association, nestled in the heart of Horton Country Park, made waves on the international stage as they ventured to Albena on the Black Sea coast of Bulgaria. Their mission: to compete in the prestigious 14th WSF World Shotokan Championships, facing off against formidable opponents from across the globe, including national squads hailing from as far as the Ivory Coast.

Led by Colin Sensei and Squad Captain Olivia Lusted, the club sent a team of 8 young competitors, proudly representing England on the global karate platform. Their performance exceeded expectations, returning home with an impressive haul of 1 gold, 3

Boxing champions young people in Epsom & Ewell

A new local boxing programme, led by **Epsom & Ewell Borough Council** and delivered by **Epsom Boxing Academy**, saw its first cohort graduate in March. 14 students, referred by local schools, were enrolled on the course. Graduating students were awarded an England Boxing Bronze Award which was complimented with an AQA Empire Fighting Chance Award in nutrition and health.

The structured boxing programme aimed to help young people build confidence, self-discipline, and resilience as well as improving self-esteem and supporting positive mental health.

Councillor **Clive Woodbridge**, (RA Ewell Village) Chair of the Community and Wellbeing Committee, said; "I was honoured to attend the graduation of the Epsom & Ewell Community Boxing Scheme.

"Boxing is a fantastic way to keep fit, but it has also been shown to aid in the development of life skills including self-discipline, mental strength and control, and personal responsibility; as well as helping manage feelings of aggression. Boxing also provides invaluable opportunities for students to connect with positive mentors.

"We know that community schemes like this one are a fantastic way to tackle inclusion in sport whilst promoting positive outcomes for young people in our borough. I look forward to Epsom & Ewell Borough Council spearheading more initiatives like this one in the future."

Joe Harding, Boxing Coach and founder of Epsom Boxing Academy, added; "The scheme was a great chance to create and deliver a programme specifically for our community in Epsom & Ewell.

We saw an unbelievable change in the students over the weeks as they developed and demonstrated boxing techniques, learnt about the human body, and about food labels and nutrition.

Life coaching and mentoring helped students' progress in terms of their self-confidence, personal discipline, and punctuality. We were able to provide a safe space and an environment for the young people to express themselves. The results were outstanding. We were extremely proud to be part of such a great project."

The Community Boxing Scheme is part of Epsom & Ewell Borough Council's wider strategy to improve the wellbeing of residents through activity; and reduce barriers to sports and leisure participation for those who may not otherwise have access to facilities. It follows on from a successful swimming programme, delivered in partnership with leisure operator and social enterprise GLL and made possible by an award from Sport England funded by the National Lottery.

Epsom & Ewell FC 1-3 Fleet Town. ABANDONED AFTER 55 MINUTES. Combined Counties League - Premier Division. Saturday 13th April 2024.

ISSN 2753-2771

An attendance of around 80 people gathered at the Madgwick to watch our penultimate League match at the ground before we move on to Corinthian Casuals for next season. However, it didn't work out quite like that as the contest was abandoned in the 55th minute following a nasty injury to young Fleet defender Ed Scott and the fixture will now have to be rearranged back at the Madgwick, with Thursday 25th April looking to be the most likely date, due to our opponents currently having matches scheduled for both remaining Tuesdays. Please note that this is only speculation on my part and confirmation will follow in the near future.

Those present on a sunny day (but one which had brought swarms of flies out behind the far goal where we were standing) witnessed an hour of football that summed up our season really as we looked quite threatening in patches, only to part like the Red Sea at others and we were 3-1 down at the time of the abandonment.

We had a number of changes to the line up from the loss against Spelthorne Sports as Thompson Adeyemi, Jaevon Dyer and Callum Wilson were all unavailable. Worse still, Wilson confirmed that he is done for the season following a dislocated thumb. However, it wasn't all bad news as Carl Oblitey returned from injury up front while Tijani Eshilokun was also back in the line up alongside Luke Taylor who made his first start for our club. Also back from injury was Ethan Brazier who relegated Ayran Kugathas to the bench and was arguably our best player on the day, making a number of marauding runs.

Now, I'm not a fan of playing three at the back, as regular readers will be aware. We started the season with that formation and we have recently tried it towards the end of recent defeats to Balham and Horley Town. However, this time we started with the three and on this occasion, I could see why. Clearly the plan is now to try and outscore teams in the knowledge that we do not do clean sheets any more!

It is sound logic based on the fact that we are now nineteen matches without a clean sheet, and this formation did enable us to play Oblitey up front alongside Will Kendall, which was a bit of a throwback, although it will only work if enough service is provided to our front two. It nearly paid dividends with just 32 seconds on the clock as Ethan Nelson-Roberts made tracks down the left and sent over a low ball, but it was just too far ahead of Kendall who couldn't wrap his leg around the ball enough at the far post to keep the shot on target.

The opening minutes looked quite promising for Salts fans until a hopeful punt upfield from the visitors left our keeper Dan O'Donovan and our retreating defender Matt McGillivray uncertain of who should claim the ball on the edge of the area and while they dithered, Dan Bone nipped in to poke the ball away from both of them and roll the ball into the empty net in just the eighth minute.

This was horrible, but we were back on level terms just three minutes later after Eshilokun fed the overlapping Brazier on the right wing and his pinpoint cross enabled Oblitey to score with a diving header into the bottom corner of the goal from six yards out. Luke Miller was next to deliver a dangerous right wing cross but it was punched away by Fleet's keeper Filip Chalupniczak. It was a fairly even contest to this point, but then we started to get pushed back by our opponents. McGillivray was forced into conceding a yellow card to stop an attacker breaking through.

We then had an extremely odd and contentious issue in the 24th minute. Chalupniczak made a routine catch and went to drop kick it clear, only for it to hit Oblitey on his back, just outside the penalty area and rebound straight into the net! It was surely a lucky break for us, but no! The referee consulted with his Assistant before then disallowing the goal and awarding a free kick against our man. This appeared extremely harsh, but having seen the video from our excellent Videographer Gary Jarman, you can see Oblitey jumping to block, even though his back was turned. On many occasions, the goal would still have stood, and I believe it should have still counted, but I can at least understand why it might have been disallowed. You'll have to draw your own conclusions as to whether Oblitey really did enough wrong here!

The setback gave us momentum for a while and Miller sent a ball in that was just turned away from Eshilokun at the far post, but on the break Fleet struck a shot just beyond our own post and from this point until the end of the half you could see us being pushed back. Brazier had to head an effort off our own goal line but in the 39th minute they went ahead through the ill-fated Scott with an unmarked near post header from a corner that was a carbon copy of one we conceded recently at home to Horley.

We nearly equalised in the second minute of injury time after Nelson-Roberts did really well to reach the touchline just a few yards out and pulled the ball back for Adam Green to side foot it towards the goal. It took a slight deflection on the way, but even so, it was somehow clutched right on the line by Chalupniczak and we went in at the break a goal behind, but not yet out of the match. However, the writing was on the wall within two minutes of the second half after a long throw was flicked on and then volleyed in from about ten yards by Bone to make it 3-1 which left us facing a mountain to climb.

However, the game took an unfortunate twist in the 55th minute when Nelson-Roberts threatened to break through on the left, but was then brought down by a high and very clumsy looking tackle from Scott, which left the offender in a heap in the floor. It was immediately clear that he was badly injured and all those in the ground knew there would be the possibility of an abandonment, as happened to us eighteen months previously when Andy "Woody" Hall was injured in a goalless draw at Forest

ISSN 2753-2771

Row. Looking back at the incident itself, it's possible that one of Scott's feet got caught in or on the artificial surface, which was why the original challenge looked so awkward as he looked off balance when he made it. Either way, this became the second Combined Counties League match to be abandoned at the Madgwick since the artificial surface was installed back in August after an injury curtailed the Cobham v Abbey Rangers fixture back in the Autumn of 2023. We obviously wish Ed Scott well for the future and hope he is back playing the game he loves as soon as possible.

From a personal point of view, the Forest Row match I referred to was abandoned with the score level at 0-0 and we went on to win the replayed contest 2-0 which, although we didn't know it at the time eventually gave us the pivotal second place finish and subsequent home advantage in the Southern Combination League playoffs last season. I wonder whether this replayed fixture turns out to be as significant. A new date for Fleet's re-visit will be advised as soon as possible.

Just not cricket to replace Banstead pavilion?

A long-standing cricket club's ambitious plans to construct a modern pavilion and expand its facilities have sparked a debate from people that live in the area, saying it would "ruin the village feel".

A centuries old sports club wants to modernise its facilities, in part due to the massive growth of the game among girls and women, although some warn its ambitious plans overstep the mark.

Banstead Cricket Club has applied to demolish its current clubhouse, which it says was only every designed to last 10 years but has stood for 60, and replace it with a new modern facility that conforms to "Sport England and the sports governing body standards".

It is also seeking to refurbish its pavilion to create a dedicated changing space for women and girls. While opponents to the plans aren't arguing against its need to modernise, and would like to see the 182-year-old cricket club get a new clubhouse – they say they are worries about the size and location of the plans. They feel the potential increase in social events at the site, could have a negative impact on people living near the ground.

The club, however, told the Local Democracy Reporting Service that they are "not trying to just suddenly become an events business" and that "the most important thing to stress is that Banstead Cricket Club is a cricket club". The application has already had 252 comments with the majority (151) backing the plans and 91 objecting.

Club chairperson Neil Bowman said: "We need something bigger and we need something that has more than one room. We need to have other areas where people can hang out, or have a team meeting. We didn't design it as a wedding venue, and we do appreciate the neighbours' concerns, there was a concern about creating an event venue, and all the additional traffic, noise.

"I can entirely understand people's concerns, but we are not trying to do that, we are trying to build a modern clubhouse." The club said that Sport England and the England and Wales Cricket Board have been consulted in terms of the most ideal sighting for the new building and it's the internal layout.

Its new location will allow people to take in matches from either of the club's two pitches. The club has also said it will re-lay its car park with an environmentally friendly solution. Project head Ian Rusbridge said: "We are not trying to just suddenly become an events business, that's not our game.

"We don't foresee (a surge in) event hire, there may be a little bit more during the summer – because at the moment we can't hire it out at all. The other thing to stress, is that the cricket club is run by volunteers, who have full time jobs, and lives and children. They haven't got the capacity to run a cricket club let alone an events business. "Adding to that, in terms of the design the architects we employed, their speciality is sport pavilions."

The club has a licence until 1am but says it is rarely used and that the events held usually stop serving alcohol at 11pm. It said it did not see this changing in the future. Among the objections however include the increase in traffic around the green belt area, noise that would come from an expanded pavilion, and the determination visual impact it would have.

One objector wrote that the scale of the two-storey building was "far too large" and would "ruin the village feel" of the site. He

felt the current buildings were perfectly adequate and would support plans that improved and updated the facilities within the same space.

The Local Democracy Reporting Service spoke with another resident who has also written in to object. Robert Garbut lives off Park Road, near the club, and challenged the size of the plans, its impact on traffic and neighbourhood fears the site could become a late-night venue.

He said: "It's massive. It's a 350 per cent increase over two floors, on another field that had never been built on before. Earthmoving trucks that will have to move into the park – I'm sure people just don't realise what is happening. Having said all of that, the cricket club has been there for a hundred years, it's hugely successful, they need more changing rooms.

"We assumed they would knock down the old clubhouse and build an all-singing all-dancing version of that. They also own the practice field adjacent to that – that's where they want to build, you can understand that as it makes sense to build it on your own land rather than land owned by Reigate and Banstead Council.

"All of our objections are about the superscale of this social venue, nobody but nobody wants to be mean spirited. We want the club to be a great building not the ramshackle thing they're in now."

The planning application is still with Reigate and Banstead Borough Council's planning team. A date has yet to be set for when it will be determined.

London Calling Time with a Sutton & Epsom Win

Sutton & Epsom RFC 12 Reeds Weybridge 10. Saturday 6th April.

As is the format of league rugby the fixtures conclude by playing the opposition first encountered on the opening day of the campaign. On that September afternoon bathed in glorious sunshine but disrupted by Rugby World Cup absentees, of the carousing rather than playing variety, Reeds Weybridge gained a 27-12 success. With both teams secure in the knowledge that they had retained their Regional 2 South East status for next time one might have expected a high-scoring denouement to the campaign. In the end the teams created a Sutton & Epsom league record as the Black & Whites edged the contest 12-10 so recording the lowest aggregate ever for the last game of the season undercutting the 1995 classic when S&E won 13-11 at Ealing.

It was a red-letter day for George London as the veteran, but not balding, back row made his 200th league appearance for the 1 st XV transforming the 'Fab Four' into the 'Famous Five' of players to have reached that landmark. The match was played with the handicap, or advantage, of a howling wind arrowing towards the corner flag at the clubhouse end. Reeds Weybridge kicked off with the elements against them. At once the significance of the gale was demonstrated as Tom Lennard cleared from his 22 to the opposition 22. If that was not harsh enough it was a 50/22 and Sutton were awarded the lineout.

This initiated a ten-minute siege of the Reeds line. The throw in was secured, the forwards advanced and a penalty was indicated as a speculative ball descended from the heavens onto the wings. The defenders saved the day but returned for more punishment. The penalty was kicked to the corner, McTaggart rose skywards to gather and initiate the second assault. Three carries and a penalty and the same dose of medicine was repeated. This time the referee issued a yellow card and Sutton & Epsom pressed on against 14. A tap and go, a roar from the crowd but no try and it went wide and more optimistic overtures as Ghumra dived for the corner. Back for another penalty and the Rugby Lane crowd were beseeching Sir to indicate a try but Hegarty was held up. Reeds relief and a drop out under the posts to restart play. The Black & Whites countered with zeal and finally opened their account. Perhaps Mr Richardson had a sense of occasion as the try-scorer was George London. The conversion was added but with another dramatic twist as Freddy

Bunting was allowed a second bite at the cherry and the hosts led 7-0.

The opening score was not the sign of the floodgates opening but saw the visitors getting a foothold in the game. It was obvious that Reeds were looking to play at a high tempo and get the ball to their dangerous back division. Penalties were played quickly and the RW pack was gaining the ascendancy at the scrummage. On the half hour they were rewarded with an outstanding try. The combination of superb line of running by Pete Cole and a perfectly timed pass saw winger Matt Stevenson run in under the posts with four colleagues in congratulatory support. Fullback Pete Cole added the extras to level the scores at 7-7. Moments later it took two tremendous tackles within a minute by Josh Pulvirenti to snuff out a potential break from halfway. Despite the conditions it was Reeds who were finishing the first half the stronger with centre Josh Clark to the fore using intelligent chips and grubbers to keep Sutton on the back foot. The first period ended with no further addition to the scoreboard. Reeds Weybridge had achieved the notable success of being on level terms despite playing against a very strong wind.

The start of the second period was a mirror of the first which was hardly surprising as there was no easing up from the elements. The men from Whiteley Village dominated territory and possession but they discovered, as had their Sutton counterparts, that those final yards were the hardest. Marcus Clark on the wing came closest to breaking the deadlock but the S&E defensive line stood strong whether it was Kyren Ghumra on the wing or the tireless pack. Increasingly the flow of the game was disrupted by infringements on the deck that created a stalemate that prevented the Reeds backs demonstrating their quality and gave the Sutton & Epsom defence added confidence in what was a surprisingly uneventful third quarter.

The final twenty minutes signalled the start of increased excitement as Matt Stevenson's quickly taken penalty appeared to have caught Sutton & Epsom napping. However, a fabulous cover tackle by Captain Bunting was a most timely intervention that was improved when S&E were awarded a relieving penalty. Soon it was advantage Sutton & Epsom with Freddie Bunting making a surging break to the 22 to link with centre partner Ellis Rudder that concluded with a Sutton penalty. The resulting 5-metre attacking lineout drifted on the wind with a not straight verdict giving the visitors an escape route. Perhaps it was frustration but the visitors ignored the helpful conditions to run the ball from their own line. The yards gained were immediately lost to a penalty and petulance that saw them marched back 10 metres. Ironically Reeds next opportunity came as Sutton lost the ball in the opposition 22 and it was fly-hacked clear. Suddenly the pitch opened up with RW players streaming ominously forward but Austin Bell did wonderfully to secure the loose ball to avert disaster on halfway.

With the game in the balance and in time added on Reeds were within touching distance of glory but had the consolation of a penalty. It was an easy decision for captain Herbie Finn to opt for the kick at goal as fullback Pete Cole effortlessly put the visitors 10-7 up. One could imagine Captain Finn imploring his team to secure the restart and send it deep into Sutton territory and on no account concede a penalty. With the billowing breeze making the restart more of a lottery than it might have been the Black & Whites were given the lifeline of a penalty. It was advanced to the corner and another penalty followed the lineout. Sutton went for route one as tempers boiled over before the final play of the season. The forwards provide a mass of steaming humanity on the try-line and Rob Hegarty squeezed over to win the game for Sutton & Epsom. It was left for George London to attempt the touchline conversion and despite a passable impression of All Black legend Don Clarke it fell short. The final whistle blew and Sutton & Epsom had snatched victory by 12-10. The supporters retired to the clubhouse and for those who live in a tinkerless world they ruminated on what might have been in 2023-4. The Sutton & Epsom victory was synonymous with the man of the hour, George London, it was full of determination, a never say die attitude and a will to win in adversity that saw Sutton over the line. Reeds had the edge in the scrummage and the more threatening back division. However, the powerful wind did not bring the anticipated cascade of points as both XVs demonstrated determined defence

and it was the Black & Whites who gained the points by virtue of winning the try battle by 2-1 but only at the eleventh hour with Brunnhilde on her final chorus.
