

Salts shot down by friendly fire

15 October 2023

Merstham 3-1 Epsom & Ewell FC. Mid-season Friendly. Saturday 14th October 2023.

With a spare Saturday on the schedule it made total sense to arrange a friendly against another team in a similar situation; that of Step Four Merstham, who edged us out by three goals to one in a match played on the artificial surface at Carshalton Athletic.

This match was arranged on Tuesday, yet our club only saw fit to announce it on Saturday morning, by which time most Epsom people had probably already decided to visit another match. It is a real concern that our club says it wants a new ground and says it wants supporters, yet wants to restrict all information to a small Committee, leaving everyone else in the dark. Fortunately Merstham did advertise the match and I counted 47 present at the impressive Colston Avenue ground.

We have played here on 35 previous occasions, yet if you exclude an Isthmian League Youth Cup Final win over Bromley in 1991, we hadn't won here since 1953 and hadn't even scored since we lost 2-1 here back in 1986, so it was nice for us to hit the net in the final minutes, even if Tino Carpena's penalty ended up as just a consolation goal. For what it's worth though, I thought we deserved a little more from this match, particularly in the second half after we had made nine changes at the break.

We started with the same line up we had used in our recent win over Colliers Wood United, except for the addition of Nick Inwugwu for the injured Zach Powell and the return of Ash Snadden ahead of Tijani Eshilokun, but the first half was almost exclusively in favour of our opponents with Harvey Keogh having to make a couple of good low saves to keep them out in the opening twenty minutes. They led with a well worked goal, starting with a great piece of skill in midfield that left our boys behind and a lay off for a shot that Keogh was able to block, although Lorenzo Lewis was there first to tuck away the loose ball from close range in the 34th minute.

We had our best chance in the final seconds of the half when Ade Batula cut in from the right, but his low left-footed strike was well kept out by the leg of the Merstham keeper.

However, the second half appeared much better from an Epsom point of view as we started to make progress. Eshilokun joined the fray and scuffed an early shot at goal from a good position, while another substitute Sirak Negassi also saw his shot saved. In response Merstham also had a low shot well blocked by Toby Colwell who was in goal for the second half, but they then extended their lead with a superb strike into the roof of the net from the edge of the penalty area in the 62nd minute.

Negassi was linking well with George Owusu on the left and the latter won a corner, although the delivery was over everyone. Then on the break a low ball in from the left was tapped in from close range at the far post to make the score 3-0 in the 73rd minute. This was a little harsh as we had been putting some pressure on and Merstham had conceded a couple of fouls that most definitely would have earned yellow cards in a competitive fixture. A Steve Springett free kick was well held by the keeper before a defender brought down Owusu for a penalty in the 89th minute. Last week Owusu had been fouled for a spot kick and Carpena had wanted the penalty, only for him to then give it up to Owusu, but this time Carpena held on to the ball and scored in almost the identical part of the goal as Owusu had!

Overall you could see that Merstham were at a higher level than us and they deserved their win. Having seen us play against their League rivals Corinthian Casuals and Met Police, I feel that Merstham are a better team than those two were and will be fine this season. Bearing in mind that we used twenty players in this contest, a 3-1 defeat was fairly promising under the circumstances. We now visit Spelthorne Sports in our next fixture, hoping to build on this.

Epsom and Ewell FC finally win with a glut

15 October 2023

Epsom & Ewell 5-1 Colliers Wood United. Combined Counties League - Premier Division. Saturday 7th October 2023.

We may have had some cup wins already this season, but whilst they are always welcome, it is the bread and butter of the League that is most important, and so to finally secure our first points of the season at the eighth attempt with a 5-1 win over Colliers Wood United was a massive step towards closing the gap between us and the rest.

Following the resignation of our Manager James Scott on Wednesday, interim Manager Steve Springett made four changes to the line up after Tuesday's loss to Balham, two of which were enforced as Callum Wilson and Ayran Kugathas were only able to attend with their pet dogs in tow, following their hamstring injuries, so Jabari Ofosu-Hernandez and Tijani Eshilokun came in for them as we switched from three at the back to a four, while on the wings Jaan Stanley and Ade Batula came in ahead of Sirak Negassi and George Owusu, although they would join the action later.

Who knows whether the visitors, sitting just one place above us in the League, were expecting us to play three at the back, but by the time they had found out we were operating a different formation, we were in front. The goal came from a Stanley penalty in the fifth minute, but the build up to this goal was superb and needs reporting. It started off with a great pass from Ollie Thompson into the left hand channel where Stanley sent a ball into the danger area. This was only half cleared to Rory Edwards who then saw his shot blocked, but only as far as Ethan Nelson-Roberts, who was tripped right on the edge of the penalty area. Or so I thought! Actually, the referee decided that the tackle was inside the box and awarded the spot kick, with very little complaint from the visitors about whether it was in or out. Marlon Pinder had taken our last penalty, but Captain Zach Powell made it quite clear that Jaan would be taking this one and he stepped up and finished comfortably past Jack Minchin.

We continued to press against a lack-lustre Colliers Wood and Thompson Adeyemi found Stanley again, although his shot was just beyond the post before we realised it was all academic anyway as the offside flag had been raised. The visitors then sent a free kick beyond everyone from a dangerous position, but we were soon back on the attack again and our second goal followed in the 20th minute. Again, this started with our defence as Powell pushed towards the area and the ball found its way to Ade Batula. His low shot was well saved by Minchin who got down well to stick a hand out, but Pinder reacted first to slot away the loose ball from seven yards.

It just kept getting better though and we scored a third goal just eight minutes later as Stanley made good progress on the left before sending over a delicious cross that was over Minchin and a defender, but not Batula who jumped to head the ball back across goal into the net from just four yards out. We had further opportunities before the break when Batula struck powerfully at goal, only for Minchin to tip the ball over, and then from the following corner, Adeyemi headed a good chance wide from 12 yards, having beaten his man to the ball. Although the Wood had a goal disallowed in the 42nd minute for offside, it was the first time this season the supporters were able to relax a little at the half!

The second half stopped almost as soon as it had started, following an ankle injury to Daniel Webster and it seems like there is always at least one injury in matches on this pitch. A second would follow later, both of which would require the visitors to use substitutes, but in the meantime we extended our lead. Just nine minutes into the second half Eshilokun wasn't closed down on the edge of the area and he fired an unstoppable rocket past Minchin to become the second former Wood player to score against them in this match following Pinder's earlier strike.

On the hour another good Stanley ball in was cut out at the last moment by a defender, although he then picked up a silly yellow card for delaying the restart

moments later. The Ofosu-Hernandez cleared the danger as the ball bobbled around in our six yard area for a moment. We made a couple of substitutions and Owusu interchanged passes with Pinder before sending a good ball in from the right but Edwards’ attempted back flick wasn’t the cleanest and the ball dribbled through to the grateful Minchin. The game was a little more even at this stage, even if it was over as a real contest.

We attacked again, only for Owusu to be pulled up for a foul when he was clean through, when all he had been guilty of was being stronger than his man. Kiyo Brown was also on the field by now and he received the ball from Nelson-Roberts but chose to shoot from a poor angle with team mates waiting. Had the shot been powerful he might have been forgiven, but it wasn’t and his teammates made it quite clear what they thought about his decision making! Negassi would have a similar chance a few minutes later, but he too would make the wrong choice, although the shot did at least require a good save this time. The visitors saw a free kick deflect wide of Nelson-Roberts and Harvey Keogh watched a speculative effort sail over from twenty yards.

However, in the 94th minute a right wing cross from Evans Lamboh was headed in from close range by Christian Amankwah to spoil what would have been our first clean sheet since August, but within a couple of minutes we were celebrating again as Owusu was brought down in the 96th minute with Minchin picking up a yellow card and a minute later Owusu struck home the penalty he had won with a clinical finish to complete the scoring at 5-1.

This was a massive fixture for both clubs and should have been a tight encounter. The fact that it was so one-sided is largely because we were very good and Colliers Wood were so, well, wooden! This was inexcusable for such an important match and would have been obvious to the visiting officials, who sacked their Manager Ben Ewing within 24 hours. We now sit just a point behind them with two games in hand, which is a much healthier position than would have been the case if we had lost, as we’d have been at least seven points adrift of everyone else.

So, for once, I am able to report that “New Manager Bounce” does actually exist and is alive and well here at Cobham! The phenomenon that so often has gone against us in the past, has on this occasion come to our rescue and it will be interesting to see whether Springett throws his hat into the ring for the permanent job, or whether he or indeed, the club see this as a temporary role. Either way, he now has two weeks off to think about it as our match at Sandhurst Town, scheduled for next Saturday, has been moved back and we don’t take the field until we visit Alton on 21st October. If you are a regular supporter, please make sure to let everyone know this, as our club haven’t bothered to publicise the fact!

3rd narrow defeat in a row for Salts

15 October 2023

Epsom & Ewell 1-2 Balham. Combined Counties League – Premier Division. Tuesday 3rd October 2023.

For the third time in eight days we found ourselves involved in a competitive and fairly even contest, but in all three matches we had to accept a single goal defeat. This loss, our seventh straight defeat in the League, confirms our third worst start to a season in club history after 1963/64 (11 losses) and 1970/71 (9 losses) and although we have been getting closer, further injuries in this match may well hurt us going forward into another big match at the weekend.

James Scott made three changes to the line up against Balham; a team with whom he was previously connected. At the back it was good to see our Captain Callum Wilson back on the field, with Nick Inwugwu reverting to the bench, while up front Marlon Pinder returned in place of the absent Tino Carpena and Sirak Negassi earned a start ahead of Ade Batula who was also amongst the substitutes. However, there weren’t many others in the dug out with Ash Snadden still away following his wedding, while Kevin Espinosa was also absent for this match, so Alfie Wyld our physio was the only other person there!

Equally concerning are the numbers coming through the gates right now and just 50 were present for this match, while our club chose to produce no match tweets for this contest after a woefully brief set were produced on Saturday. The club really needs to publicise itself much better. If only there was someone out there who would be prepared to help with that, and yes, I have offered!

The match started at a frenetic pace and the visitors almost took the lead in the fourth minute when a shot from their number 11 came back off the underside of our bar and was cleared to safety. Unfortunately before we faced the corner we had to make a substitution after Ayran Kugathas had hurt his hamstring making an early run and he was replaced by Jabari Ofosu-Hernandez in just the sixth minute.

In response Pinder tried his luck from thirty yards having seen the keeper off his line, but the shot lacked the requisite height and was easily gathered. However, we were the authors of our own misfortune in the 21st minute after we pushed forward on the right, but a wayward pass was intercepted and with one pass James Adebayo was through on their left and he ran in from forty yards out and slotted the ball past Harvey Keogh for the opening goal.

We were back on terms within five minutes after good work on the left between Ethan Nelson-Roberts and Sirak Negassi resulted in a deep cross over to the far side where Ofosu-Hernandez was waiting and from just outside the area he struck a piledriver which the keeper did well to parry up into the air. However, as the ball fell to earth Negassi nipped in from a very narrow angle only a couple of yards out and knocked the ball across the goal into the far side netting for the equaliser. It was our first ever goal against Balham at the third attempt.

However, just as it looked like we had gained a foothold in the match we were behind again. Literally within thirty seconds of the kick off they broke straight through on goal and Tom Read knocked the ball past the exposed Keogh to restore the Balham lead at 2-1 in the 27th minute.

The game continued at a frantic pace with both teams pressing each other and covering a large amount of ground and we had a couple of half chances, firstly when Rory Edwards struck at goal and then when Ollie Thompson met a flicked on corner at the far post, but Edwards’ shot was straight at the keeper while Thompson was at full stretch and couldn’t keep the header on target.

We then suffered another injury after Wilson also injured his hamstring and Inwugwu came on for him. In fact it was Inwugwu who prevented a third goal for Balham in first half injury time with a brave saving challenge which was originally awarded as a corner, before it was pointed out to the referee that our man had been fouled in the process of making the clearance and eventually the free kick was awarded! However, we were still very much in this match as the teams went off for the break.

The second half started with a great piece of skill from Negassi who left one man on his backside, before being taken out by a high challenge from their 11. On a level of 0 being ground level and 10 being Jaevon Dyer v Wick, this was at least an eight, although the official decided that a yellow card was sufficient punishment. A few minutes later a shot on our goal was deflected and Keogh was out to collect before being flattened by Adebayo and again this was one of those cases where on another day we might have seen a red card, but leniency was again the outcome as only the yellow was produced.

The visitors had a shout for a penalty in the 68th minute but it wasn’t given and the resultant shot went just wide of our goal. Tijani Eshilokun came on for his debut, having featured in pre-season and showed some good touches, but the match was becoming a midfield affair with few chances. The only real chance in this period of the match came with an outrageous attempt from nearly 40 yards that caught Keogh off his line and he had to recover very quickly to just claw the ball away from his goal line for a corner.

Eshilokun was unfortunate with a low curling shot that the visiting custodian was definitely concerned about, but the ball evaded both him and his far post by a matter of inches and as time started to run out we then saw the Balham keeper drop the ball, only to be saved by the referee who saw some sort of foul in there, when there was none. Then in injury time it all boiled over in the final minutes of the match over on the touchline. It was hard to see exactly what happened but Pinder appeared to pick up a yellow card as did our Manager, along with the visitors Adebayo who then had to leave the field as it was his second of the night. However, he had already been subbed off by then so the visitors still finished the game with eleven men and after twelve minutes of added time had been played the final whistle confirmed another defeat for our boys.

There have been definite improvements in recent matches and there have also been a number of injuries too. None of our last three opponents could have complained had we come away with at least a point from any of these matches. However, time is running out as we approach our two most important matches of the season, against Colliers Wood United at home and Sandhurst Town away. Defeats to these two clubs will leave us well adrift of the rest of the League, and it is essential that we can have as many fit men as possible for these encounters. A bit of support would be nice too please. Come on down!

Sutton and Epsom’s Alley of dreams dashed in the end.

15 October 2023

Old Alleynians 29 Sutton & Epsom RFC 25. Saturday 30th September.

For Sutton and Epsom supporters with good memories, and multiple miles on the clock, they will recall opening three consecutive league campaigns from 1989-90 onwards against Old Alleynians. However, 3rd November 2012, in S&E’s league winning season, was the last time that the two teams met at Dulwich Common with the hosts shading it 18-17. For Saturday’s clash the Black & Whites welcomed back wingers Kyren Ghumra and Robbie Martey which meant that the Rugby Lane team no longer resembled Alf Ramsey’s World Cup winners. It was another thrilling chapter in the story of this season with Old Alleynians triumphing 29-25.

Freddy Bunting kicked off in front of a miniscule crowd, no doubt affected by the rail strike, making the very busy roads in the environs even more congested. Thankfully the numbers grew throughout the afternoon and they were rewarded with an exhilarating game. A perfectly flighted kick descended just outside the host’s 22 and was followed by a resolute Jack Benton tackle. OAs went wide but conceded a penalty. Freddy Bunting accepted the opportunity to give his team the early 3-0 lead.

The host’s reply was instantaneous. The first of many sumptuous offloads by the Alleynians had them invading the visitor’s 22 and a kick ahead gave them an attacking lineout. With clinical efficiency hooker Rory Simpson forced his way over for the first try of the game. Henry Dewing’s touchline conversion went awry but OAs were 5-3 up.

Sutton & Epsom were equally rapid in their riposte. Declining a penalty shot at goal they went in search of the premium points with a kick to the corner with the attacking lineout to follow. Matt Whitaker secured the throw and the S&E pack was initially halted but a second surge carried Josh Glanville over the line for a very similar score to their opponents. Captain Bunting made light of the kick from the flank to restore Sutton’s lead to 10-5. Old Alleynians pressed hard for the next score. Their swarming defence and high tempo game pressured the Rugby Lane team into errors. The visitors survived a charged down in their 22 but later a mistimed lineout created a turnover with fatal consequences. The home team ruthlessly exploited an overlap for Will Malins to score the first of his trio of tries. Henry Dewing bisected the uprights to put the Dulwich-based club into a 12-10 lead. As the first quarter ended OAs, tighthead prop Tom Weightman offered sagely advice to his teammates at the restart: “Boys they cannot exit let’s play territory”.

Within five minutes it looked as if OAs were about to extend their lead from a 5-metre lineout. Defiant defence stopped the advancing forwards and when it went wide a desperate grasp from Michael Bennion prevented the backs applying the coup de grâce. From the ensuing scrum a stunning break from Matt Whitaker supported by Kyren Ghumra took play into the host’s half. A penalty for a high tackle was advanced to the 22. Superb play saw Kyren Ghumra to 5 metres out but Jack Howes in support could not hold on to the pass with the undefended line awaiting him. The error was not costly as the Black & White pack won a penalty at the scrum. Opting for tap penalty from 5 metres George London got to within a metre before transferring the ball to Chris Farrell to score. The conversion hit the post but Sutton led 15-12.

Old Alleynians then dominated the remainder of the first period with two tries in the last ten minutes. The first score was Will Malins’ second as he got the ball in space and finished with pace and power in the corner. Though the conversion failed the lead had changed hands once more with OAs 17-15 to the good. With the wind in their sails the southeast Londoners were soon pressing for another score. Desperate defence held up the hosts over the line. The goal-line drop out was taken by the hosts who laid siege to the Sutton line. A diving Ghumra interception denied a try but soon after Will Malins turned provider with a wonderful offload to create a try for Number 8 Tom Grahamslaw. Henry Dewing concluded the first period with his second conversion of the afternoon for a 24-15 lead. The teams turned around with a bonus point already secure in Old Alleynians’ back pocket for the four fabulous first half tries.

The contest resumed, the tempo increased and the chances to score multiplied exponentially. Quite remarkably there followed thirty minutes of end-to-end rugby with numerous chances but no additional scores. As one matchday photographer mused both XVs were specialising in try avoidance. The catalogue of close calls began with that man Malins once more to the fore. The Sutton defence dawdled by the touchline and the winger manufactured a kick ahead and from nothing the ball was rolling over the try-line with a couple of Alleynians vying for the glory. However, they were denied by the diving Sutton lock Josh Glanville, who used every inch of his frame, to rescue S&E. A few minutes later Kyren Ghumra was sprinting clear in the wide open spaces with a try beckoning before his errant pass sailed high into touch. Then OAs pounced on a ball dropped by the visitors and a breakaway score looked a certainty. But a backpedalling Bunting and Bennion prevented the dramatic score.

Sutton’s cause was not aided when Matt Whitaker departed for a yellow card as a result of cumulative offences. Old Alleynians kicked into the corner hoping to immediately take advantage of their numerical superiority. The ball was claimed and spun wide but white-line fever overwhelmed fullback Henry Dewing and Rob Hegarty scythed him down a metre short with expectant support on the outside. Sutton then took over the ‘nearly but not quite’ mantle. Reminiscent of the denouement of the Battersea game the previous round they hammered against the line under the posts. Herculean heroics by the SE21 outfit forced S&E to seek the alternative route via the backs. They were denied by a marvellous cover tackle on Kyren Ghumra in the corner. After all the thrills and spills the next score was the much more mundane Bunting penalty to reduce the Old Alleynians’ lead to 24-18.

Hardly had the crowd had time to digest that Sutton and Epsom were within a score before they rose to applaud Will Malins’ hat trick. It was another excellent finish and a deserved reward for an outstanding performance on the wing. Though the conversion missed with the lead 29-18 with only a couple of minutes remaining of normal time it appeared to be the match-winning moment. However, the Black & Whites were not done and we were able to bear witness to another episode of their long-running Soap “Life On The Opposition Line”. The Alleynian defence had been robust all game and were eager for another titanic tussle under their posts. After very careful consideration following numerous carries the referee awarded S&E a try. Chris Farrell emerged from the pile of bodies to claim his second of the afternoon.

Freddy Bunting’s simple conversion meant Sutton trailed 25-29 creating a chaotic conclusion. Both sides decided to run the ball at every opportunity. Henry Dewing thought he had finally shut the door on the impertinent opponents when he chipped ahead but the bounce did not favour him and the game was still in the balance.

Though Sutton and Epsom threw the ball from one side to the other they could make little headway against the voracious tackling of the Alleynians. With time up OAs gratefully kicked the ball from the paddock at their first opportunity to collect a thoroughly deserved bonus point win. The Malins hat trick was the obvious highlight but the Old Alleynian XV were excellent with lock Ben Osuntokun epitomising their performance. The Number 4 secured lineout possession, carried to great effect in the loose and was prominent in defence. For S&E they probably created more chances than in any other game this season but could not find that cutting edge. Kyren Ghumra was a tad ring rusty in his first outing of the season but was still a prominent threat. The hosts were good value for their win as they managed to play at a faster tempo, were aggressive in defence and kept attacks going with dextrous offloads and excellent support running.

The league has a weekend off before resuming on Saturday 14th October when Medway visit Rugby Lane to resume hostilities in this most competitive of leagues.

Not quite a “veni, vidi, vici” victory for Romans

15 October 2023

Tadley Calleva 1-0 Epsom & Ewell FC. Combined Counties League – Premier Division. Saturday 30th September 2023.

Ultimately our latest match was decided by a clinical Kieran Rodgers finish from an errant and arguably unnecessary Ollie Thompson pass in the 40th minute. However, this doesn’t tell the full story here as a resolute Epsom side more than held their own in this match and were most definitely worth a point against a Tadley side that had scored twelve goals in the last week.

In fact the **Romans**, so named because of the old Roman settlement of Silchester just down the road, probably thought this would be a fairly easy day at the office after their heavy FA Vase win on Saturday followed by a five goal romp against Sheerwater, who of course, we failed to beat two weeks ago. However that would not prove to be the case here as our boys ensured this would become a tight and competitive encounter between two evenly matched sides.

Many of our regulars were missing once again, although Zach Powell did return after a few games unavailable. He probably thought he would be eased in after being named on the bench, but an injury to Reece Tierney in the warm up forced our Manager’s hand and left us with only four other substitutes for the match. Additionally, Marlon Pinder and Sirak Negassi were absent and so Tino Carpena and Ade Batula came back into the starting line up, as did Ethan Nelson-Roberts at the expense of Jabari Ofosu-Hernandez with Ayran Kugathas moving from the left to his more regular position out on the right.

We started brightly and took the game to our hosts in the opening stages. George Owusu had a near post cross cut out from a dangerous position and then in the sixth minute Carpena set up Ade Batula for a low shot from the edge off the penalty area that took a slight deflection on its way and made the save by Tadley keeper Craig Atkinson even more special as he stuck out a right glove to keep it out when it threatened to creep under him. Atkinson has played against us on numerous occasions previously for Cove and Hartley Wintney amongst others and always performs well against us.

We forced another couple of half-chances as we continued to display the attacking threat from Tuesday’s League Cup match, but the home side gradually began to find a way around us and created a couple of opportunities of their own. Harvey Keogh dealt with the first of these fairly comfortably, although with the second, a weak punch nearly cost us as the ball fell for a Tadley striker whose shot was on target but blocked by Thompson Adeyemi amid futile shouts for handball.

We attacked again and Thompson’s far post header was on target but claimed easily by Atkinson, but we then had to defend for a few minutes after Powell cut his knee and was forced to leave the pitch for treatment and if we had conceded from one ball across the area, it would have been hard to swallow as I couldn’t see why the referee wasn’t allowing our man back on. Neal tried his luck from thirty yards as the home team seemed to be running out of ideas, but our set pieces weren’t any better with many deliveries either not getting past the first man, or way beyond all our players. We did have a good chance just after the half hour when a Nick Inwugwu ball towards the far post resulted in two defenders going for the same ball, which then fell kindly for Carpena, but his shot lacked real power and was easily claimed by Atkinson.

Next to try his luck was Nelson-Roberts whose corner was returned back to him out on the right, from where he cut in and struck at goal, but he missed the target with better options waiting in the centre.

It was beginning to look like a frustrating day for both teams when out of nowhere we conceded. Thompson out on the left played the ball square to where he thought Powell would be, only to give the ball straight to Rodgers who ran in on goal and gave Keogh no chance in the 41st minute. It nearly became two in first half injury time with a smart shot on the turn from Fragata, but Keogh was down well to turn the ball away as it was creeping inside his left hand post otherwise. Half time came with no one on either team particularly happy with the situation.

We made a change at the half with Jaan Stanley coming on in his favoured number ten position for Inwugwu as we reverted to a 4-3-3 which looked more like a 4-2-1-3 personally, and we had a good chance in the 48th minute when a ball across from Kugathas found Batula at the far post, but it was on his weaker left foot and he barely made contact; the ball dribbling through to Atkinson from six yards out. Then we were back on the defensive as Rodgers got through on their left but Keogh stood up well and made a good save from the close range strike. The game swung from end to end and Carpena and Stanley saw shots blocked in quick succession and then Kiyo Brown came on for Carpena and Stanley was moved from the “ten” to the centre-forward role after just twenty minutes.

Ofosu-Hernandez came on for Kugathas with fifteen minutes remaining and it was interesting to note that both he and Nelson-Roberts advanced more in this match when we were playing four at the back than they had in recent games where they had been wing backs! Still, we only really created half chances, the best of which came when Ofosu-Hernandez sent a deep cross over and Owusu jumped high to claim the header but couldn’t keep it on target.

In the 92nd minute Keogh stood tall again as he made a fine save, but we were unable to breach the opposition’s defences and had to accept our sixth straight League defeat. There have been signs of improvement in the last couple of games, but it is a little concerning that, Pinder apart, we haven’t seen any other new signings yet, as all of our other players have been at the club since the start of the season. We now enter a potentially pivotal three game stretch against teams at our end of the table as Balham and Colliers Wood United come to us before we go to Sandhurst Town a week later. On the evidence of the last two performances we should still have hope, but the fixtures get noticeably more difficult on paper after those, so it’s now time for us to start picking up points or we will have a mountain to climb otherwise.

Epsom and Ewell’s 3 - 1 lead lost in 12 minutes

15 October 2023

Epsom & Ewell 3-4 AFC Croydon Athletic. Combined Counties League Cup – First Round Tuesday 26th September 2023.

A devastating three goal swing in just twelve minutes enabled AFC Croydon Athletic to pinch a 4-3 win in this First Round League Cup tie at the Madgwick after we had led 3-1 and been very good value for that lead for 75 minutes.

And it’s such a shame because that first 75 minutes of the match was most definitely our most aggressive and threatening of the entire season as we shrugged off the fact that a number of regulars were missing from this match and took the game to our visitors from the start.

The unavailable list contained Callum Wilson, Zach Powell, Chester Clothier, Ash Snadden, Tommy Williams, Kiyo Brown and Ethan Nelson-Roberts, but this opened the door for a number of players who hadn’t had the chance to stake a claim for a place recently and Sirak Negassi and George Owusu both made strong

claims for a starting place on Saturday with energetic performances. Ollie Thompson became our fourth Captain of the season and Nick Inwugwu came in alongside him and Reece Tierney, while Jabari Owusu-Hernandez and Ayran Kugathas both came in at the wing back positions.

Only 47 spectators were present to witness a match which would prove to be very good entertainment for a neutral and within a minute we had attacked with Ofosu-Hernandez sending an early strike over the bar from 20 yards. Then Thompson Adeyemi nearly got through with a clever piece of skill, only to be robbed at the last second. This didn’t deter us and a ball over to the left found Negassi whose shot back across goal was well saved at full stretch by Oshane Brown’s left leg. Brown had played for us twice back in 2014 when we needed emergency cover for a pair of FA Cup ties against Croydon, although when he was reminded about this, he couldn’t remember. I suppose it was a few years back!

We continued to attack and Negassi saw his shot half blocked across the field to Owusu, but his side footed strike skipped just beyond the far post from around 15 yards, and in all honesty he probably should have at least hit the target. In response to this point, the visitors had just one strike over the bar from distance by Kamara. Then in the 20th minute Negassi was bundled over by McCarthy who picked up a yellow card for the challenge. Rory Edwards took the free kick and struck the ball at the wall, where it hit an arm and the referee awarded a penalty. Marlon Pinder stepped up to send Brown the wrong way in the 22nd minute and we were ahead.

Things got better in the 32nd minute as a great crossfield ball found Negassi who ran in and simply slotted the ball past the advancing Brown to put us two goals up. There was a suspicion of offside about the goal and there was certainly some protest by the visitors, but the goal stood. However, what next? Well, regrettably just as we needed to see out the half, Inwugwu brought the ball out of defence, but was robbed by Mal Thomas who simply ran in from thirty yards and drew Harvey Keogh out before then clipping the ball past him from close range to reduce the arrears in the 40th minute.

In a sign of things to come later in the match we got a little twitchy in the final few minutes of the half, as if we didn’t know whether to go back on the attack, or try to hold on to what we had. However, we survived and went in at the break 2-1 up. Then with just 56 ticks of the second half played we restored the two goal advantage again with a pass to Negassi on the left and his left-footed cross was perfect for Owusu to head back across Brown and into the corner of the net from six yards. Moments later Owusu was inches wide with another shot, but it didn’t seem to matter as we were well on top at this point.

Negassi sent another ball across goal that had both Pinder and Owusu stretching to reach it unsuccessfully, before Tierney suffered an injury and he was replaced by Jude Aikins-Hawkson at the back, making his debut for the club. Pinder made way soon after as Tino Carpena came on and then in the 74th minute Negassi was substituted. His replacement Jaan Stanley was flagged offside just as he produced a good finish from an angle with almost his first touch but we were still in charge.

Until the 76th minute, that is. It was hard to see exactly what happened, but a visiting player went down in our penalty area and a spot kick was awarded. Haile Richardson struck the ball away confidently and within seconds he was denied another by a superb close range save by Keogh. However, with the score at 3-2 and despite our dominance to this point, we suddenly seemed to go into our shell and the Rams took full advantage of this with a sweeping move from left to right that was finished off with a low shot under Keogh from Oriogun in the 84th minute. Brown asked us behind the goal if we would go straight to penalties at the 90 minute mark; which would have been the case, but we didn’t manage to hold out that long, as a break on the left with just two minutes of normal time to play resulted in Keogh coming out of his goal but failing to gather and the ball across goal was then forced in from close range at the second attempt by Phillips for what would prove to be the winning goal.

We put on a couple more substitutes but the damage was done and despite the five minutes of extra time we fashioned just one more chance, earning a free kick right on the edge that Adeyemi sent high out of the ground. Our Cup hopes went with it and the whistle blew a minute later.

I am absolutely certain that we would have won this match had our recent form been better, but it almost seemed as if we froze within sight of a winning line we hadn’t seen for a while, and having defended so well for such long periods in recent games, it was bit of a shock to fall apart as we did near the end. However, this level of football is relentless and unforgiving and we now have to dust ourselves down rapidly for the trip to Tadley on Saturday. This was, in my opinion, a vast improvement on anything we had seen all season from an attacking point of view and I actually saw glimmers of hope in this match, but we are going to have to be more clinical when holding the ascendancy in a match, or those glimmers won’t count for many points.

Epsom & Ewell: Harvey Keogh, Jabari Ofosu-Hernandez, Ayran Kugathas, Nick Inwugwu, Ollie Thompson (c), Reece Tierney, George Owusu, Rory Edwards, Marlon Pinder, Thompson Adeyemi, Sirak Negassi

Subs: Jude Aikins-Hawkson for Tierney (57), Tino Carpena for Pinder (65), Jaan Stanley for Negassi (74), Ade Batula for Owusu (89), Ben Bauchop for Edwards (89)

Bunting Boots Battersea Into Touch

15 October 2023

Sutton & Epsom 26 Battersea Ironsides 25, Saturday 23rd September. This was the first time the two clubs had ever met in a league fixture as Battersea Ironsides became league opponent number 104 at Rugby Lane on Saturday. Once more the Black & Whites were set against an unbeaten side and on this occasion they entertained the league leaders. The hosts gave a debut to fullback Luca Shaw whilst the visitors, not for the first time this campaign, made a host of changes to the squad who had downed London Cornish the previous Saturday. S&E turned the early season form guide on its head with a dramatic 26-25 victory.

After the recent torrid temperatures it was a welcome return to sensible weather that was most conducive to entertaining rugby. Freddy Bunting set the game in motion and within five minutes the Ironsides had taken the lead. A solid lineout in the 22 was followed by a penetrative carry by lock Jack Wharton before captain Stuart released the backs and winger Ben Turner applied the coup de grâce. The conversion from the flank drifted wide as Battersea led 5-0. Five minutes later and the visitors had doubled their lead. A stunning break from a ruck on halfway by blindside Raphael Arboine was snuffed out by a splendid cover tackle deep in the S&E 22 but the damage had been done. The ball was recycled and spun wide for Ben Turner to dot down once more. Another challenging conversion from Charles Stuart failed as Battersea Ironsides were 10-0 ahead in as many minutes.

The league leaders were content that the natural order was being maintained as they appeared to be on their way to a regulation bonus point victory condemning the Black & Whites to another demoralising defeat. However, perhaps there should be a pitch-side sign at Rugby Lane declaring: “BEWARE OF THE BUNTING”. An illegal side entry to a ruck offered the Sutton skipper his first shot at goal. He duly obliged to put S&E on the board at 3-10. A few minutes later he was caressing the ball through the uprights again for 6-10 to conclude the first quarter. The second penalty being awarded for a deliberate knock on after a fine break by Matt Whitaker. The men from Burntwood Lane responded as outside centre Jacob Charles carved through the home defences and with a modicum more of precision a try would have ensued. Moments later his centre partner Ben Lyons held on to the ball too long and another chance disappeared over the horizon.

The SW17 outfit’s progress was already being hampered by the regular blasts from referee Richardson’s whistle. The sight of the referee shooining back the Battersea offenders the obligatory ten metres as if they were recalcitrant hens was becoming a regular feature of the game. Almost inevitably Freddy Bunting was given another opportunity to add to his account but failed to reduce the deficit on the half hour. The hosts rang the changes with Will Lloyd replacing Callum Gibson in the front row and Jack Benton taking over from Ewan McTaggart in the second row. The remainder of the half saw more probing kicking from both XVs as if they had signed a non-aggression pact putting security ahead of ambition. In time added on, normal service was resumed as Freddy Bunting bisected the uprights for the third time as S&E trailed 9-10. There was just enough time on the clock for the visitors to also have a shot at goal. Charles Stuart kept his head and landed his penalty from near the halfway line to conclude the first period with Battersea Ironsides 13-9 to the good.

As the sides turned around a fascinating contest was evenly poised. The early dominance of the visitors had been undermined by indiscipline as they threw around penalties like confetti and failed to heed the impassioned plea of ‘cut out the penalties’ from within their ranks. S&E grew into the game via a solid scrum and

keeping it tight with the forwards carrying to good effect to counteract the threat of the Battersea backs in open play.

The Black & Whites started the second half in fine style. An early infringement saw Freddy Bunting kick to the 22. An excellent catch and drive was followed by Matt Whitaker carrying to within five metres of the line forcing a scrum to Sutton under the posts. The resilient Battersea defence held the line until Sutton were awarded a penalty try when prop Will Lloyd was illegally prevented from collecting his annual score. The hosts now led by 16-13. In adversity the Ironsides made the perfect riposte. Probing kicks from Charles Stuart pegged the hosts in their 22 and put the visitors onto the front foot. Then more incisive running by Charles Jacobs had S&E on the retreat as centre partner Ben Lyons was on hand to shrug off challengers for an excellent finish in the corner. Despite the conversion failing Charles Stuart's side had seen the restoration of their lead as the scoreboard read 18-16 to Battersea Ironsides.

With an unpleasant echo of last Saturday's match against Old Reigatian the opposition tries were like London buses and Battersea secured a bonus point for their fourth try a minute later. Capitalising on the bouncing ball from an up and under the Openview side tore into the Sutton 22 and scrum half Jack Moates dived over. Charles Stuart gratefully accepted the easier conversion to extend the lead to 25-16. In a blink of an eye the Rugby Lane crowd, who had been contemplating a first win of the season, were now dreading a fourth defeat on the spin. As the game entered the final quarter so the action switched to the visitors' 22. Despite pressure and territory the hosts had to be content with another Freddy Bunting penalty to be within a score at 19-25.

With only seven minutes remaining the men in green ventured into Black & White territory and were given a penalty. Following the prevailing orthodoxy the pot at goal was declined in favour of the kick towards the corner. In hindsight, Charles Stuart's decision might have been a tad cavalier as a successful kick would have translated to a nine-point lead. Fortune did not favour the bold as they were undone by conceding their umpteenth penalty. In time added on a collapsed scrum gave Freddy Bunting the chance to kick to the corner for S&E to have a shot at glory. There followed 5 minutes of unrelenting assault on the Battersea line, heroic defence and unbearable tension with penalties and scrums as the action concentrated under the posts. Finally, a mass of bodies slumped over the line and jubilant Sutton players thrust their arms skyward. Mr Richardson took a considered look and finally raised his arm aloft for Rob Hegarty's try. It was left to Freddy Bunting to add the conversion that was greeted with rapturous applause and the final whistle as Sutton won 26-25.

Battersea Ironsides had the ideal start with a quick-fire Ben Turner brace of tries. Their lineout, whether on their ball or against the Sutton throw, was excellent. Centre Charles Jacobs was a threat every time he had the ball. Captain Charles Stuart varied the attack from 10 but ultimately they were let down by their discipline. The profligate penalty count spread like a contagion and not only cost them 12 points, but also hefty yardage and time spent with 14 men.

The Black & Whites showed character in bucketfuls coming back from the dire start and then overturning the 9-point deficit that culminated with the nail-biting denouement. For Sutton the pack was a source of great strength in the set-piece and the loose, Matt Whitaker was a giant in attack and defence whilst Freddy Bunting kept the scoreboard ticking over.

Next Saturday the Black & Whites visit newly promoted Old Alleynians for the first time since November 2012. The OAs have had a solid start to the campaign lying sixth in the table after wins over Gravesend and Sidcup.

Shoot-out ends Salt's Vase season

15 October 2023

Bearsted 1-1 Epsom & Ewell FC. Bearsted won 4-1 on penalties. Isuzu F.A. Vase - Second Qualifying Round Saturday 23rd September 2023.

A rather disappointing penalty shoot out, the twelfth in our history, ultimately sealed our exit from the F.A. Vase this season. However, much like the F.A. Cup defeat at Eastbourne, we had looked like going out with a whimper until Captain Callum Wilson pulled us level again as the match finished 1-1 after the ninety minutes was complete.

On the face of it, a draw against a team that are well placed in the Southern Counties East is not a bad result and had this been a League match, we'd probably have been more than happy with a point, but we were unable to take advantage of the Wilson equaliser and what was actually our second worst statistically of the seven shoot outs we have lost, ensured that the correct team went through to the next round.

We made three changes to the line up following the defeat at home to Sheerwater. Up front we had Marlon Pinder who returned to the club in midweek and he came in for Tino Carpena, while Wilson returned at the back in place of Nick Inwugwu and Rory Edwards also came into the starting eleven in place of Chester Clothier.

On a perfect playing surface the opening exchanges were mostly in favour of the home side. Harvey Keogh was in action early to keep out a shot from an angle with his legs before Reece Tierney picked up an early and somewhat harsh yellow card, which was probably given because of the theatrical tumble as it was only fractionally late. On the quarter hour the Bears had a good opportunity but Joel Wakefield sent his strike over the bar from just inside the penalty area.

The home side continued to press and a decent attempt from Jordan Tingley went over Keogh's head, but was wide of the goal and the danger was cleared. Then Wilson made a good block for a corner and from this, there was a concerted appeal for a handball, which certainly had me worried, but the referee wasn't interested and as we broke, Jaan Stanley was brought down, earning Alfie Sanders a yellow card for the home team. Wilson was in action again soon after as he made a fine block from Tingley and as we approached the half another Bearsted corner was headed over by the unmarked Ryan Blake.

The final action of the half was a rare Epsom attack as Tommy Williams found Ade Batula on the left, but his ball across goal was cut out by Frankie Leonard in the Bears goal. In fact we had the first chance of the second half too as a Williams corner was headed clear under pressure from Tierney at the far post, but in the 55th minute we went behind as a good pass in from the left to Ollie Freeman enabled him to square the ball for Tingley to finish from close range.

This had been coming and as with other recent matches it was looking as though we had a mountain to climb. Pinder had a good opportunity from an Ethan Nelson-Roberts left wing cross but his headed contact was minimal and the ball went across goal instead of at it. Our "new" man put in a decent shift and will get better as he regains fitness, but his service was sadly lacking in this match. Even our wing backs, who had provided the best opportunities in recent weeks were not getting forwards as often as they used to; something I feel we need to address if we are to provide more of an attacking threat.

Carpena came on after 66 minutes and looked lively. He was involved in our equaliser five minutes later as Batula did well on the right wing before laying the ball back for Stanley to deliver into Carpena who then knocked the ball on for Wilson, standing around the edge of the penalty area to drive low and hard past Leonard, who got a glove to it, but was never going to keep it out. Without a doubt this was against the run of play and would prove to be our only shot on target, but we'll take anything we can get right now! With our heads up we started to ask more questions and Batula tried his luck from 25 yards, only to see his shot blocked by a defender. Then in the 87th minute Carpena slipped his man and got through, running in on goal from about 40 yards out, but Blake was there to make a crucial tackle just outside the area and our chance was gone. Nelson-Roberts then found Kiyo Brown in the final moments but his shot was also blocked for a corner by a defender.

The home side struck a free kick over the bar during the five minutes of injury time, but the final whistle ensured we would go to penalties. Regrettably we had just taken off our regular penalty taker in Stanley and didn't really turn up for the spot kicks. With Bearsted electing to go first, Phil Headley, Ollie Freeman, Will Johnson-Cole and Blake all scored, rendering their fifth penalty unnecessary as Carpena and Williams both saw their weak kicks saved by Leonard. Wilson netted his penalty in between the two saves, but when Blake's fourth penalty went straight through Keogh it was all over for another year.

There were some positives. Despite missing Ash Snadden and Zach Powell at the back we looked a lot more solid than we had against Sheerwater, but the real concern here is that we are having to do too much defending right now and need to find a way to take the pressure off of our back line for greater periods. Pinder will improve options up front if we can get better service to him, but we now face matches against AFC Croydon Athletic (League Cup) who scored six this day

before we travel to Tadley Calleva who hit seven. Neither will be lacking in form or confidence when they face us.

Epsom & Ewell: Harvey Keogh, Tommy Williams, Ethan Nelson-Roberts, Callum Wilson (c), Ollie Thompson, Reece Tierney, Ade Batula, Rory Edwards, Marlon Pinder, Thompson Adeyemi, Jaan Stanley

Subs: Nick Inwugwu for Thompson (62), Tino Carpena for Pinder (66), Kiyo Brown for Stanley (84)

Close result in match of fluctuating fortunes

15 October 2023

The Black and White bandwagon descended Saturday 16th upon the Geoffrey Knight Fields for the third round of the Regional 2 South East season. Old Reigatian (OR) are one of three clubs, along with London Cornish and Old Alleynians, who crossed Sutton and Epsom's path during their brief dalliance with Level 7 in 2012-13. For Rugby Lane supporters of a certain vintage there was a link to the club's former glory. The OR captain was Reilly Franklin-Talbot the son of erstwhile Sutton Number 8 Sean who, amongst many Herculean deeds, scored the last gasp try in the 1990 Surrey Cup final to defeat Old Mid-Whitgiftians by 16-11. Now returning to the present from some rose-tinted nostalgia, the hosts had begun the year with impressive wins over Sidcup and London Cornish in sharp contrast to the suburbanites' start. The early form guide was just maintained as OR edged past the visitors 35-29 in a game of fluctuating fortunes.

On another glorious summer afternoon, that had a refreshing breeze that was more sympathetic to the travails of the participants than last weekend's cauldron, the crowd gathered to revel in an afternoon made for running rugby. Freddy Bunting's lofted kick off was superbly tapped back by Michael Davies to initiate an opening period of Sutton control. Following multiple phases and profitable probing by Sutton and Epsom they were awarded a penalty. Freddy Bunting did the necessary and Sutton led 3-0. The Black and Whites returned to the OR 22 looking to build on their early advantage but in a crowded midfield Reigatian centre Tom Allen made a timely intervention to intercept and race away to score under the posts. The unchallenging offering was accepted by Conor Woods as the home crowd applauded their 7-3 lead after an enthralling eight minutes.

An accidental, but avoidable, offside by Sutton and Epsom gave the Reigate team the opportunity to test the visitors' defence as they kicked into the 22. The defence stood firm and won a scrummage that enabled them to exit via Chris Ballard's boot. However, a kick is only as good as its chase. A pitiful challenge encouraged a wonderful counter and in the blink of an eye a try looked to be a certainty until a crucial pass hit the deck with the line at the mercy of OR who compounded their misery by giving away a penalty. Their disappointment was assuaged within scrum they deservedly scored. The backs created the overlap for flanker Finlay Lock to apply the coup de grâce. A sweetly struck conversion by Conor Woods made it 14-3.

The Old Reigatian backs were in full swing and it was a thrilling sight to behold. The combination of pace, evasive footwork and wonderful passing was devastating. In addition, the ubiquitous flanker Finlay Lock linked play with deft touches and was supported ably by captain Reilly Franklin-Talbot's powerful carrying. Attacking once more this potent potion for success was denied on the line by a Will Lloyd tackle. This was only a temporary stay of execution as OR scored from the 5-metre scrum. Winger Max Coyle stood up the defence and stepped past would be tacklers to finish with aplomb. Conor Woods bisected the uprights and the unstoppable Old Reigatian XV had an impressive and deserved 21-3 lead.

Sutton and Epsom tinkered with their front row as Tom Boaden was replaced by Tariq Al Khaldi. Then five minutes later the Sutton pack was forced into another change when Number 8 Kean Orchard injured his knee and the visitors brought Dan Jones off the bench. The Black and Whites now employed the boot to great effect. Firstly, a Bunting kick forced a drop out then an O'Brien effort set up a lineout in the 22. A jinking run by Gareth O'Brien had the hosts in retreat. The Sutton pack recycled the ball and George London forced his way over. Captain Bunting added the extras to cut the lead to 21-10. The next opportunity to add to the score went to the home team.

However, the Rugby Lane men resolutely defended a 5-metre line and the timely intervention of centre Ross Parsons won the visitors a relieving penalty. At the other end the Black and Whites were awarded a penalty and, in a rare demonstration of fallibility, Freddy Bunting's kick drifted by on the crosswind. The kicking machine returned to working order when the Sutton skipper slotted over his next opportunity that concluded the first period with Old Reigatian 21-13 to the good.

Within five minutes of the restart Freddy Bunting had reduced the deficit to 5 points with his third penalty of the afternoon. Sutton were playing with control and with astute application of their kicking game. The key to their improving fortunes was the set scrum as Messrs Al Khaldi, Howes and Lloyd were utterly dominant. Indeed it was from a scrum that Sutton and Epsom took the lead.

The Black and White pack marched back their opponents by 10 metres in a ruthless demonstration of power and control. Michael Davies took advantage of the back-peddling defence and the visitors were halted on the line. Sutton were not to be denied and hooker Jack Howes was able to reach over to score. Bunting's conversion put Sutton ahead by 23-21. They had overturned the 18-point margin by starving the Reigatian team of possession.

Sutton and Epsom extended their lead when the scrum was awarded a penalty in front of the posts and Freddy Bunting chipped it over to stretch the lead to 26-21. OR awoke from their slumber in startling fashion. From the restart Chris Ballard cleared to the host's half and the ball was gathered by Max Coyle who set off on a scything run that exploited Sutton's poor cover. Scrum half Alex Skinner was on hand to finish off the sweeping move and Conor Woods added the simplest of conversions. Reinvigorated by regaining the lead at 28-26, with a bonus point in the bank, OR's struck again moments later. Skipper Reilly Franklin-Talbot marauded into the 22 and passed to winger Harrison Mitchell who dotted down. Conor Woods made it five conversions from five attempts as Old Reigatian led 35-26 as the game entered the final quarter.

Sutton and Epsom were soon gifted a way back into the game with a penalty in front of the posts. However, Chris Ballard took a quick tap penalty trying to exploit the defensive disarray. The gamble did not go to glory and the Reigate men survived. Soon after a wonderful chance to extend their lead was butchered when centre Tom Allen's passing let him down following his brilliant break that denied the home crowd a third try in a devastating ten minute spell. With the game in time added on Dan Jones was manhandled at the breakdown and Sutton and Epsom had a penalty. This time the points were taken to give the visitors a potential losing bonus point as the lead was reduced to 35-29. A minute later the Rugby Lane supporters were crestfallen when Old Reigatian were awarded a penalty in front of the posts. The previously perfect Conor Woods erred and the score remained the same. Despite frantic efforts from the Black and Whites there was no eleventh hour drama and the game concluded moments later with OR triumphant by 35-29.

Old Reigatian's backs played some thrilling rugby on a perfect day in the wonderful setting of the Geoffrey Knight Fields. In addition, the tireless Finlay Lock excelled on the flank as OR outscored Sutton and Epsom by five goals to two. In a game of contrasting styles the hosts certainly monopolised the highlights package but there are many ways to flay a feline. The Sutton pack with Tariq Al Khaldi making a most significant contribution off the bench made it an intriguing contest.

With 19 points from the bludgeoning Bunting boot the game could have gone either way. For the visitors there were improvements from the previous outing. Ross Parsons in the centres epitomised the improved work at the breakdown. Jack Howes at hooker had a 100% record with his lineout throwing. However, the garlands are reserved for the fabulous front row who created the platform from which all their success came.

Old Reigatian remain unbeaten, second in the table on points difference having garnered the maximum 15 from their three matches. Sutton have now lost to three of the four unbeaten XVs. Next Saturday they host the other unbeaten side, Battersea Ironsides, who top the table.

Epsom's football team concede 4 goals

15 October 2023

Epsom & Ewell FC 2 - 4 Sheerwater. Combined Counties League - Premier Division South. Saturday 16th September 2023.

Last week I wrote that our match against Sheerwater was likely to be a more telling indicator of where we are this season and whilst the football club may sugar coat things, I will be honest here as I always am and state what everyone else at the match was thinking, which is that we are now clearly in a relegation battle before the end of September as we shipped four goals to a team that hadn't scored one in the League for 341 minutes before this match in a truly disheartening 4-2 defeat.

Some people might say that the cup matches are important and we have done well in them this season so far, but our bread and butter is the League and four losses to start the season was not even close to the start we would have wanted. However, it could have been argued in our defence that we had played some good teams this season so far. Regrettably, all of those arguments went up in smoke as we faced a team as low on confidence as we were and still lost in this pivotal match.

There may have been mitigating circumstances. Our first choice back three that played only two weeks ago at Eastbourne United were all out of the starting line up as Callum Wilson and Zach Powell were not available, while Ash Snadden was sitting on the bench. In their places came Ollie Thompson, Nick Inwugwu and Reece Tierney and whilst all have been decent this season, this lack of consistency must have had a bearing on why we conceded four goals for the first time this season. Throw in a jittery performance from our keeper Harvey Keogh behind them and some indiscipline from Ethan Nelson-Roberts and Ade Batula who both found themselves in the sin-bin for unnecessary comments and this all contributed to a home defeat that leaves us in serious trouble at the foot of the table and in danger of being cut adrift.

With Captain and Vice-Captain absent, Chester Clothier took on the armband and in front of a disappointing attendance of 70, despite a perfect day for football we started fairly well. Batula was probably our best player and he made a good run on the ten minute mark which ended with a good pass over to Nelson-Roberts who chose to shoot high from an angle and sent the ball over Billy Wilson's crossbar.

A few minutes later Tommy Whitby sent a free kick over our bar, but Keogh then took his goal kick and passed it straight to an opposition striker just eighteen yards out! As he then ran in clear on goal, Keogh redeemed himself with a good save for a corner that fortunately came to nothing.

We recovered from this near fatal setback and started to create more with Batula prominent, playing more down the right than in his usual central role, but our momentum was checked when we lost Nelson-Roberts to the sin bin for comments he made. Clothier was protesting his teammate's innocence but the referee wasn't interested and off he went for a ten minute break.

Once we were back up to full strength though we had our best period of the game and Batula forced Wilson to tip over his strike from 20 yards. Although the subsequent corner was half cleared, the ball fell to Tommy Williams out on our left hand side who curled an unstoppable strike beyond Wilson and into the top corner via the far post to register an early candidate for goal of the season in the 36th minute.

We looked strong at this point which made the equaliser just seven minutes later a complete surprise to me. The most disappointing aspect was how easily the goal came about, as we appeared to think that a foul on Williams would be given, but the game was not stopped and a ball played out to the right found a player in space and his low ball in was swept past Keogh from just inside the penalty area into the far corner by Theo White. This was the visitors first goal for 384 minutes in League action and it had been so simple. There was no further action of note and the teams went off at the break with a goal each, but a feeling that we had missed our chance.

The second half started with some good interplay between Williams and Batula but the cross into the danger area was headed out. A minute later Batula fed the advancing Inwugwu just eight yards out but his touch let him down badly and the ball was cleared when we really should have had at least a shot on target. Regrettably Batula blotted his copybook when he made a sarcastic remark to the Assistant after being denied a throw in and found himself sitting down for ten minutes. Although Tino Carpena had a great chance in the 56th minute well blocked by Wilson while we were a man short, our opponents took the lead just sixty seconds later when Elliott York was put through on the left and he lifted the ball over Keogh to go 2-1 up.

The game drifted for a while, but with eleven men back on the field we secured the equaliser in the 73rd minute after Carpena won the ball just outside the area and he fed Jaan Stanley on the left whose delivery was side footed into the roof of the net from six yards by the unmarked Batula.

Just as it felt like we had got back into the match and were about to kick on for a winning goal, we were behind once again as a 75th minute free kick from White was met at the far post by the unmarked Rhys Paul who gave Keogh no chance from fairly close range and a minute later White tried his luck from 20 yards and the ball sailed into the roof of the net to make the score 4-2.

We had a couple of half chances as we tried to fight back with substitute Ben Amissah unlucky to see his near post header flick off a defender and drop just wide from a Kiyo Brown left wing cross and Wilson was down well to keep out a Brown drive, but the visitors had their moments too with Keogh doing well to keep out a close range effort at the near post.

We then had the very rare sight of a board advertising that six minutes of extra time would be played and in that period Batula struck wide from a good position before Amissah headed a left wing cross just over the bar. The chances were gone and the final whistle confirmed a depressing score line.

Overall, and in terms of possession and chances you could argue that we were no worse than Sheerwater, who themselves were not that impressive, but we made enough errors, both mental and physical over the ninety minutes to say that we probably deserved what we got. It was interesting at full time to see the players holding an inquest on the field with all the Coaches and Management having walked away by that point. I'll be honest though, I don't think our squad is strong enough right now and it will be key to see whether we will have any new faces in the next week or two, because without any we are going to be in a big struggle for the rest of the season.
