

A Canterbury tale of woe for Epsom's Rugby team

30 November 2025

Canterbury II 30 Sutton & Epsom RFC 26. Saturday 29th November.

The Pilgrims had belatedly progressed to Level 6 when their glass ceiling was removed by the RFU. After an inauspicious start to their campaign they had shown improved form whilst, in contrast, the emphatic Sutton start to the season has somewhat stuttered. The outcome of the fixture was never going to be a foregone conclusion that a casual glance at the league table might have implied. By the final whistle the Black & Whites had suffered their third loss on the spin whilst the hosts had returned to winning ways, overturning a 21-point deficit to triumph 30-26.

An accident on the M25 threatened to hamper the visitors' preparations but they negotiated the scenic rural route to arrive at a rain-lashed Merton Lane. Fortunately the weather relented by the time the game kicked off under the floodlights. Canterbury welcomed back Harry Sloan, Alfie Orris and Jesse De Vries after lengthy absences, while for Sutton the vastly experienced Steve Munford replaced the injured Laurence Wise at 9 and Tom Boaden moved from the bench to start in the front row. The Kent club kicked off with an effort lacking in altitude that set the tone for a laboured start. If anything, the hosts looked like the team who had endured the more tortuous journey, though traffic in Canterbury at this time of year is far from ideal. It was a red-letter day for Sutton's wing Kyren Ghumra who was playing his 150th league match. The winger celebrated in perfect style with a try in the third minute. Tom Lennard made the significant break and Ghumra ran a scything line to score under the posts. Freddy Bunting added the extras for a 7-0 lead.

Before ten minutes had been played the Black & Whites had doubled their lead and Ghumra's dream day continued with his second try. The forwards provided clean quick ball and Adam Bibby appreciated the overlap, sending the speedster on his way. Bunting bisected the uprights for 14-0. On the quarter hour Sutton turned over the ball in the 22 and advanced through the pack towards the line. After calmness and control came calamity as they fumbled close to glory. After a first quarter monopolised by an S&E side exploiting the sloping terrain, Canterbury awoke from their slumber and journeyed into the visitors' 22 seeking a response. On the half hour Steve Munford's long clearance had the hosts retreating once more to their 22. Things worsened for the home side when hooker Jake Dengate received a yellow card. Sutton immediately exploited the numerical advantage, executing a set play from their lineout and allowing the prolific hooker Sam Lennie to collect try number 13 in his ninth outing of the campaign. Bunting added his third conversion for a 21-point advantage.

For the visiting supporters it was a delightful reminder of early-season pomp but a knowledgeable local sage informed the Sutton scribe that even a four-try cushion was unsafe with this slope. The first period entered its last few minutes and Canterbury finally got on the scoreboard. A simple penalty from Owain Collins made it 3-21, visibly injecting hope and confidence into the Pilgrims. The turning point came on the stroke of half time. A powerful catch and drive put the Black & Whites on their heels and replacement Nathan Morris forced his way over. The conversion erred and the referee concluded the half. Canterbury sought the sanctuary of the dressing room whilst Sutton stayed on the pitch to hear the second-half tactics. The hosts trailed 8-21, hoping the 13-point deficit would not prove insurmountable.

The second period began with great home purpose and an early penalty that, fortunately for Sutton, struck the upright. For the next Canterbury attack Sutton were indebted to Gareth O'Brien whose try-saving tackle and perfect jackal were of the highest defensive order. Five minutes later the hosts were not to be denied as Owain Collins, the talented young ten, surged to within five metres and then brushed aside a mountainous defender to score. He added the conversion for 15-21.

A minute later the Canterbury comeback was complete as fullback Owen Hewett ran in from distance despite a desperate tackle attempt, his momentum carrying him over under the posts. Collins converted for a narrow home lead with 25 minutes remaining, and soon extended it with a penalty after a strike against the head, making it 25 unanswered points. Sutton's early purple patch had faded and it was now one-way traffic for the Kent club whose forwards, led by Divine, dominated collisions and forced penalties. The slope, gentle at the start of the half, now felt extreme.

Sutton's inspiration came from Adam Bibby who chased a kick and made a thunderous tackle, forcing a penalty. Another infringement followed, placing Sutton deep in the Canterbury 22. The forwards controlled the drive and replacement Jack Howes touched down out wide. The missed conversion left Sutton ahead 26-25 with a bonus point secured. Canterbury had ten minutes to respond. Initially they fluffed their lines with an overthrown 5-metre lineout and then conceded a penalty. But third time proved lucky. A catch and drive moved them into the 22 before the backs swept into action. Collins improvised with a basketball chest pass that opened the field and Hewett raced clear to score in the corner. The conversion failed but the hosts led again, 30-26.

Could Sutton launch one last assault? Tension rose as infringements disrupted play. Canterbury, suddenly unable to control the ball, struggled to run down the clock, but their rapid, abrasive defence contained the visitors to halfway. The game concluded when Bunting's penalty to touch failed to reach the 22 and Canterbury kicked the ball out to seal a 30-26 victory.

After a glorious start it had looked an ideal occasion for Kyren Ghumra to celebrate his 150th league appearance. But in recent rounds Sutton have been unable to maintain their early intensity long enough to subdue opponents. Canterbury

rose from their early slumber, combining a robust forward effort with pace in the backs. The longer the game went on the better Collins played. The hosts never panicked despite trailing by three goals and dominated the second half. For the Black & Whites Rob Hegarty and Ben Tame refused to take a backward step but the forwards could not replicate the fluency of the early exchanges. There was, for the second Saturday in a row, the consolation of two bonus points.

Perhaps the Pilgrims' progress was predictable. They struggled through the Slough of Despond, stood atop the Hill of Destiny before entering the Valley of the Shadow of Death, overcame the Giant Despair and were welcomed to the Celestial City of victory. Though Sutton & Epsom supporters were disappointed they could not fault the hospitality of the hosts whose welcoming bar and ideally placed viewing area provided perfect shelter from the elements. There was neither hobgoblin nor foul fiend in sight.

Next Saturday 6th December Sutton & Epsom host league leaders Brighton. The Sussex men have had an exceptional start as they bid to return to Level Five. They have one loss at home to Beckenham and a 100% record on their travels. Despite three losses on the trot Sutton & Epsom remain third in the table. Rugby Lane supporters will hope the visit of the early pacesetters inspires a return to early-season form. Kick-off is at 2pm and all are welcome.

Horsham hound Epsom's huddle

30 November 2025

Sutton & Epsom were beaten 36-29 by Horsham Saturday 22nd November in a hard-fought and entertaining afternoon at Rugby Lane. The fixture brought together two clubs whose paths diverged at the end of the 2022-23 season, when Horsham were promoted and spent two seasons visiting such places as Bracknell and Bournemouth, while Sutton went into Regional 2 South East for rebuilding. This was their first league meeting, and Horsham's mid-table position did not reflect their quality. Two draws and a narrow defeat to Sidcup suggested they might easily have been in the top three. The match lived up to expectations, with the sides sharing ten tries but the visitors finishing on top.

Despite forecasts of bleak conditions, rain proved only intermittent and the wind more nuisance than defining feature. Early exchanges showed how hard yards would be to earn, with both sides tackling fiercely in a high-tempo contest. The first score came after twelve minutes when Horsham failed to gather a ball on halfway. Tom Lennard broke towards the flank and linked with Archie Fitzgerald, who released captain Freddy Bunting to score from 30 metres. The conversion was narrowly missed but Sutton led 5-0.

By the end of the first quarter Horsham had turned the match. Scrum-half Aaron Linfield's footwork took play into the Sutton half, and after several phases prop Luke Standing showed impressive pace to level the scores. Minutes later a Laurence Wise clearance was charged down and centre Tom Whittaker forced his way over. Joe Blake converted both for a 14-5 lead.

Sutton's positive phases were repeatedly undermined by turnovers, lineout steals and determined Horsham defence. A rare scrum penalty for the hosts inside the 22 provided momentum and hooker Sam Lennie powered over from close range. The conversion drifted wide, leaving Sutton 10-14 behind.

A deep restart forced Sutton back and Horsham soon attacked again. A probing kick earned them a 5-metre lineout and a fumbled catch gave the visitors a scrum in prime position. Persistent defence was finally broken when prop Jack Osgood crashed over, with Blake converting for 21-10. Sutton pressed in the final minutes of the half but were repeatedly repelled. Referee Marc Fusil brought the half to a close with Horsham still 21-10 ahead.

Early in the second half Sutton's task became harder. After five minutes Kyren Ghumra received a yellow card for a deliberate knock-on, reducing the home side to fourteen men. Horsham capitalised immediately, kicking to the corner and completing a bonus-point try through replacement prop Josh Earle. It gave all three Horsham front-row players a try, though Blake missed his only kick of the day as the lead extended to 26-10.

Sutton rallied despite their disadvantage. A scrum penalty and catch-and-drive produced Lennie's second try, though the kick was missed. At 15-26, hopes of a comeback rose — only for those hopes to be dashed when Lennard's clearance was charged down by Blake, who gathered to score and convert for 33-15.

Restored to full strength, Sutton chased points and quickly secured their own bonus point. A charge-down established field position and Lennie completed his hat-trick with a direct finish from ten metres, celebrating in Jason Robinson fashion. Bunting added the conversion for 22-33 with fifteen minutes left. Horsham responded with a calmly taken penalty for 36-22, leaving Sutton needing three scores for victory.

Sutton struck again in the closing stages with a powerful catch-and-drive that released the backs, allowing Ghumra to score in the corner. Bunting converted impressively and the margin narrowed to 29-36 as the match entered added time. A second bonus point was within reach and an equaliser not impossible, but Horsham closed out the remaining minutes to hand Sutton their first home defeat of the season.

Horsham were worthy winners, their disciplined defence denying Sutton's backline and proving particularly resilient inside their own 22. Scrum-half Linfield was outstanding, dictating tempo with sharp distribution, jinking runs and intelligent kicking. Lock Jacob Denhart disrupted Sutton's lineout, and Blake orchestrated play with a varied running and kicking game. Athletic and well organised, Horsham look set for a high finish.

For Sutton, Lennie's hat-trick places him alongside Ghumra and Hegarty as players who have scored league trebles this season yet still finished on the losing side. The scrum was again a major strength, often pushing Horsham backwards. The loss of scrum-half Wise to a dislocated shoulder in the first half was a significant setback. Sutton showed character after the yellow card, but the sense persisted that they were chasing the match, and they may later reflect on missed opportunities inside the Horsham 22.

Next Saturday, 29 November, Sutton & Epsom face Canterbury II, "The Pilgrims", whose recent run of three wins was halted by a 33-0 defeat to Sidcup. Both teams will be keen to return to winning ways at Merton Lane.

Sutton & Epsom: O'Brien, Fitzgerald, Bibby, Bunting (c), Ghumra, Lennard, Wise, Johnson, Lennie, Mount, McTaggart, Duey, Rea, Tame, Hegarty. Replacements: Boaden, Finney, Munford.

Horsham: Warwick, Sanders, Whittaker, Johnson, Nwachukwu, Blake, Linfield, Standing, Kilfeather, Osgood, Denhart, Howard, Thompson, Paku, Smith. Replacements: Earle, Murphy, Grogan.

Late flash of composure seals Epsom & Ewell's away win

30 November 2025

Sheerwater 3 - 4 Epsom and Ewell FC. Sunday 16th November - Combined Counties Premier League.

Epsom & Ewell finally claimed their first league away win of the season with a breathless 4-3 victory at Sheerwater, a contest that careened from controlled dominance to near-implosion and back again in a frantic final act.

Managerial tweaks paid early dividends as goalkeeper Sami Nabbad returned between the sticks, new signing Tyler Robinson led the line, and midfielders Shane Dunne & Brendan Murphy-McVey rejoined a refreshed starting XI. The Salts looked sharper, hungrier, and far more incisive than their recent travels had suggested.

They needed just six minutes to announce themselves. Robinson slipped a clever ball into Jason Bloor, whose effort was parried by Sheerwater keeper Antonios Nazareth. Tom Collins, alive to the rebound, arrived to head home from close range. It was a dream start for a side still searching for their first points on the road.

Brendan Murphy-McVey's early pressure forced chances, and Robinson's industry kept Sheerwater penned in, though the striker was shown a yellow card on 26 minutes for a late challenge on the keeper. Collins and Ali Fofahan both went close as Epsom continued to dictate, but Sheerwater finally stirred on 34 minutes when Rahman Ajibola broke free only to drag his shot wide.

Epsom doubled their lead on 40 minutes through a moment laced with both craft and confusion. Robinson earned a corner on the left edge of the penalty area, and Collins swung the set-piece directly towards the top corner. Nazareth rose to meet it along with defender Stefan Aiwone, but the ball appeared to curl straight in, possibly helped on its way by the goalkeeper. However it crossed the line, Epsom's lead was thoroughly deserved.

A late scrambled scare in their own box and a booking for Connor McShane closed out the half, prompting the introduction of Ethan Brazier after the interval to guard against a second yellow.

But the restart brought chaos.

On 50 minutes, Nazareth conceded a needless free-kick on the left, and Sheerwater seized their lifeline. The delivery was artfully clipped into the centre, where Elliott York steered home a deft header past Nabbad to make it 2-1.

Three minutes later, Nazareth ventured out on one of his trademark mazy runs, lost possession, and from the resulting attack Harvey Valter levelled the match. A two-goal cushion was gone in a blink.

Tensions spiked on 56 minutes when Collins was pulled back unnoticed by the referee, prompting a tangle with Aiden Larkin. Both saw yellow once tempers cooled and the handbags had been packed away.

Further substitutions followed as Epsom sought to restore control.

The moment came on 65 minutes. Fofahan teed up Murphy-McVey 25 yards out, and the midfielder unleashed a looping strike that sailed over the Sheerwater keeper and into the net to restore Epsom's advantage.

There were more changes on 78 minutes and a nervous moment on 83 when Callum O'Keefe was booked for a foul that may well have been triggered by Jason Vincent's involvement—a potential second yellow avoided.

But Sheerwater refused to yield. On 85 minutes, with Epsom's centre-halves caught in two minds by the charging Nabbad who was beaten by a deft lob from George Mackie from the through ball. At 3-3, The Salts' season-long away frustrations threatened to resurface.

Yet there was one final twist.

Two minutes later, Andrew Herring threaded a ball forward that pinballed off bodies and broke fortuitously to O'Keefe, alone on the penalty spot and just kept onside by a retreating defender. With Sheerwater appealing for a flag that never came, he rounded the keeper and slotted into the empty net. Calmness personified, and a decisive blow.

After a frenetic, pulsating contest, Epsom & Ewell emerged with a hard-fought and fully deserved first away win of the campaign—one built on early dominance, character in adversity, and a late flash of composure when it mattered most.

Epsom and Ewell FC just lose out 2 points again

30 November 2025

Epsom and Ewell FC v Eversley and California - Tuesday 11th November. Premier Division South.

For the 5th time in recent weeks, we failed to close out a game we should have won easily. The game finished 1-1 and we "dropped" another 2 points. Whilst you can never tell the final results of every game, we calculate we have lost 7 points since the beginning of October, having been in the lead for the majority of the game.

More changes to the team were required due to further suspensions and injuries. The former we need to get a grip of, as the constant chopping and changing makes life difficult to get a settled side that might grow in confidence and hold out in difficult situations, although there was nothing really difficult on Tuesday.

Ben Grummitt retained his place in goal as Faebian is still injured, Connor McShane came in for the suspended Luis Oliveira and Ethan Nelson-Roberts replaced the injured Harry Murphy (Saturday's man of the match). In midfield, Ryley Merritt came in for Brendan Murphy-McVey and Jason Vincent returned in place of Obasanjo Akinniranye. It was good to see Ethan Brazier on the bench again after a long injury battle.

The conditions, with the swirling wind and rain, made play difficult, and this was reflected in our lowest crowd of the season at 68. We started well with the conditions, and Jason Bloor won a free kick early on, going through a couple of tackles and eventually being brought down, but the free kick from McShane went over the bar. On 10 minutes, Niall Stillwell fell awkwardly after going in for a challenge, and after a lengthy stop on the field, he had to be assisted off the pitch with a dislocated shoulder. He was in great pain going back to the dressing room, where an ambulance was called. We fear he will be out for months rather than weeks. Brendan Murphy-McVey had an early start off the bench.

We had all the early play. Ali Fofahan had a half-chance but put the ball over the bar, and Bloor got to the byline with a

great cross. Jason Vincent, coming in on the far post, got his foot to it, but Josh Selby in the Eversley goal got across and somehow managed to keep it out. We continued to dominate and won a few corners that McShane put into great positions, but no one could get their head to it. Kionte also had a long-range effort when he really should have put the ball to Nelson-Roberts, who was in yards of space on our left. On 42 minutes, we finally got our reward when another attack had Ali Fofahan in the box, and he was brought down from behind, leaving the referee with no option but to point to the spot. Ali took the penalty himself, driving the ball into the bottom right-hand corner. The keeper guessed right but the shot was too powerful. We had one more corner before the end of the half, but we went in at half-time 1-0 up.

HT Epsom & Ewell 1-0 Eversley and California

We were good value for our lead but really should have been 2 or 3 up, as the visitors had no real attacks or deserved anything.

The second half started with Eversley enjoying the best of the conditions, with the rain coming down harder, but we were still in control of the game. On 52 minutes, we gained another free kick from Bloor being brought down near the box, but again the free kick evaded everyone, and Selby made an easy catch. Ryley Merritt was then played in, and he controlled the ball into the box, but his shot was saved by the keeper's feet. Another good chance was missed, and another corner was wasted after. Obasanjo replaced Kionte and Tom Collins replaced Bloor on 73 minutes. The changes worked in that we continued to create chances but still couldn't find the important second goal.

Eversley & California seemed to grow in confidence as they knew one chance might be all they needed. On their first real attack in the second half, Eversley found their way into the box, and a good shot was blocked for a corner by Aiwone. The first one went across goal and was cleared for another corner, but this time Ross Baker found the far side of the net direct from the corner.

We then tried everything to get the winner. Ethan Brazier returned to replace McShane, and Teddy Ralph came on for Ryley Merritt. We pushed hard but couldn't find the composure to put the ball away. We had at least six good chances in the last 10 or so minutes, but each one went wide or high. There was a small opportunity provided when Nathan Mindomba appeared to hit out at Brendan after a collision that found both players on the floor and wrestling to get up. The referee showed the red card after talking to the linesman. It was too late to take any real advantage as there were only six minutes left, but it has continued our run of failing to beat sides when we have a man advantage.

We continued to push but couldn't find that one chance, and the game finished, much to the travelling fans' delight, at 1-1, having seen their team concede 10 goals in the last two games.

FT - Epsom & Ewell 1-1 Eversley and California

That is now eight games without a win and really not playing well. We again are just unable to close out a game. Horley, Tooting & Mitcham and Abbey are good sides, so you may expect one of them to get a late goal, but Eversley are probably the weakest side we have seen down here, yet they are going home with a point. We sit in 17th place, only five points off the relegation places. We have also lost our advantage of games played, and in fact two teams below us now have games in hand, and the next five clubs above have all played fewer than us.

We face a tough game on Saturday away at The Eastwood, home of Sheerwater, chasing our first away win of the season. KO 3pm. Sheerwater are having a much better season than last and sit in 7th place, having taken 10 points from the last six games, in contrast to our four. Whilst we badly need a win, a repeat of our draw last season would be a welcome point considering recent form.

We return to Chalky Lane the following Saturday v Badshot Lea, who we really should have beaten away earlier in the season where we missed a penalty early on. Kick-off 3pm. We look forward to seeing you.

Epsom and Ewell bow out of FA Vase

30 November 2025

Eastbourne v Epsom and Ewell FC Saturday 8th November. The Salts succumbed to a wonder strike from Eastbourne midfielder Brett Paton early in the second half to bow out of the FA Vase, 1-0 at The Oval ground in Eastbourne in front of a crowd of around 200. Almost to rub "salts" into the wound, Paton said after the game he had not scored for 3 years, which probably shows where the shot would normally end up.

Ben Grummitt started in goal for only his second start of the season, Obasanjo Akinniranye replaced Jason Vincent, who was cup-tied, up front and Ali Fofahan came in for Emmanuel Limpo, who went to the bench. We came into the game in a run of 7 games without a win, so we really needed a good performance to progress to the 3rd round. United have a good recent record at home, although they are only mid-table in their division. Eastbourne had the best of the early exchanges except in the 4th minute where Jason Bloor put Oba through on goal. He ran onto the pass with two defenders bearing down on him. Unfortunately, his shot lacked power and the keeper was able to get down to his right to make a good save.

Apart from that there was little for the keepers to do. There were a lot of fouls and certainly the United players like to yell during each tackle. Murphy-McVey was booked on 13 minutes for pulling back an Eastbourne midfielder and then a few minutes later was subject to a poor challenge which seemed to deserve a yellow card at least, but the ref decided to keep his cards in his pocket, to the angst of Salts co-manager Max Johnson. The referee decided to have a quick chat with Max in order to calm him down. In between, on 15 minutes, Eastbourne had their first real chance with a good move down the left, the ball was quickly moved across the goal before Rhyle Ovenden, Eastbourne's captain, tried to curl a shot into the top right corner but he put a little too much height on it and it sailed harmlessly over.

Eastbourne's No.7 was causing trouble down our left but Harry Murphy was generally coping and in most cases blocking any cross before any real danger. Jason Bloor and Luis Oliveira were also running the home defence and it led to a couple of free kicks in dangerous areas but we failed to take advantage. There was a bit of trouble where we allowed a long ball up front to bounce. Aiwone let it bounce over his head and tried to clear it. As he hit it the Eastbourne No.9 attempted to head it and it was unclear from our position if he connected with Aiwone's boot or the ball. He fell to the ground clutching his head and it started the "normal kerfuffle" with United players screaming for a penalty and maybe a card, but the referee stayed firm and didn't even give a free kick, just a drop ball back to Grummitt.

After another series of moves around the Eastbourne box Luis was again brought down and this time the referee did bring out the yellow card. McVey hit the wall with the initial shot but Fofahan caught the rebound on the half-volley and a powerful shot was deflected wide. Fofahan then curled the corner onto the bar but it was cleared by the defence. Eastbourne then went down our end and had a couple of corners. Naz then made a clearance off our own line on the 44th minute.

We went into half time all square: Eastbourne United 0-0 Epsom & Ewell FC

Overall, the game was pretty equal with both sides moving the ball well but failing to trouble either keeper really. Eastbourne had the first attack in the second half and the ball fell to Brett Paton who was on the Eastbourne left just outside the box. He looked up and quickly hit a great shot that flew into the top left-hand corner, giving Grummitt no chance in goal. Eastbourne United 1-0 Epsom & Ewell FC.

The Salts didn't really deserve to go behind but it did take a "worldie" to put Eastbourne in front. We started to move the ball around but got caught a couple of times too. On 52 minutes Luis lost the ball on the halfway line and, being the last man on that side, enabled the Eastbourne attack to get to the byline where a good cross was put in but Grummitt managed to just get his hand on the ball and tip it away from a couple of players coming in at the back. On 58 minutes we made a couple of changes with Conor McShane replacing Brendan and Ryley Merritt replacing Niall as we went in search of the equaliser. On 64 minutes we were given a little lift when Tyano Wilson, who had been causing problems on their right, had started a run through the centre of the pitch but the ball just started to get away from him. McShane took the ball but Wilson lunged in two-footed in an attempt to keep the ball but only made contact with Conor and the referee had little hesitation in showing a red card. Now, following our recent form facing 10 men, it could be said it was a blessing in disguise but we are pleased to say we did really start to cause problems. We forced a few corners and McShane put in some lovely balls. The keeper just managed to get one hand to push the ball away and the second corner found Oba whose shot was deflected across the goal where Naz came in on the far side but his header crashed off the post for the second time.

On 78 minutes Oba found himself in the box and, twisting and turning, found a little space as he went to shoot. He was tackled and he went down. We appealed for a penalty of course and unfortunately, amidst cries of "diving" from the opposition, the referee decided the contact was not enough for a penalty and waved our appeals away. After a couple more half chances we made another couple of subs: Emmanuel Limpo came on for Kionte and Callum O'Keefe for Jason Bloor. On 88 minutes Ethan Nelson-Roberts came on for Antonios Nazareth. The referee showed 6 minutes of injury time which gave us a little hope of just getting an equaliser. On 90+2 Eastbourne nearly put the game out of reach when a slip allowed their forward in and having sent Grummitt in goal one way, he placed the ball towards the other corner only to see it slip by the post. We managed another couple of half chances but failed to trouble the keeper. Eastbourne then moved the ball down their right and succeeded in keeping the ball in the corner wasting valuable minutes. We managed one last foray into the Eastbourne half and won a corner. With Grummitt also getting into the box, it was our final chance but the corner didn't get past the first defender and was cleared which gave the referee the chance to blow his whistle.

So we bowed out of a cup again to Eastbourne United - Eastbourne United 1-0 Epsom & Ewell FC. After the game our joint managers spoke about their delight in the overall performance and had actually forgotten about the fine goal that separated the sides. Also United officials were kind in their assessment of the game, agreeing it was a good cup tie and very little separated the two sides. Again we feel it is the lack of a striker that cost us. Oba and Ali battled well up front but were beaten by a towering defence. When we played the ball on the ground we did cause trouble.

The end was marred by a few home supporters who decided to have a few unnecessary words with our players as they left the field. It is a shame as you expect people to be gracious in victory as well as defeat. The situation was quickly nipped in the bud by the Eastbourne security and officials. They apologised in the bar after and confirmed that the "supporters" concerned would be dealt with.

It is a quick turnaround again for our next home game on Tuesday night v Eversley and California at Chalky Lane, KO 7.45. This is probably an early "must win" game to put a bit of space between us and the bottom few clubs.

Battersea stun Sutton & Epsom rugby

30 November 2025

Battersea Ironsides 24 Sutton & Epsom 22. Saturday 8th November.

This fixture has produced last-minute drama since the sides first met in league action two seasons ago. It is certainly not a contest to leave with ten minutes to go in the hope of a swifter journey home or to purchase a pint before the rush. Once again it lived up to its reputation as Battersea Ironsides overhauled a 15-point deficit to secure the win with a long-range penalty with barely a minute left on the clock. The hosts have twice been on the wrong end of denouement drama and on Saturday it was a case of third time lucky as they won 24-22.

Captain Bunting returned to the helm of the good ship Sutton to relieve First Mate McTaggart, who had navigated the parlous seas several leagues under the Premiership with five wins from five, to return below decks to the engine room of the pack. S&E were minus two stalwarts with Messrs Bibby and Jones nursing injuries. The latter had played the last 34 consecutive league matches, a rarity these days.

As for the hosts, they were an unrecognisable team from the corresponding fixture last season. No longer guided by the regal splendour of Charles Stuart at 10, there were only three survivors from the thrilling 19-19 draw. For that matter the Black & Whites only had eight from that match - *plus ça change, plus c'est la même chose*.

Cameron Baker initiated proceedings on Garratt Green, a surface with deceptive declivities, on a day blessed with glorious sunshine and thankfully with no hint of rain at a venue offering no shelter for the loyal patrons. The first quarter implied that it might be one of those unfortunate afternoons for the Black & Whites. It included balls dropped by usually safe hands, promising openings that came to nought and penalties conceded for unwarranted verbosity with Mr Harry Hopkins that questioned his interpretation of the laws rather than any family connection to FDR's New Deal stalwart.

After ten minutes the hosts took the lead, capitalising on a penalty to establish themselves in the 22, and following admirable control Matt Bell was on hand to cross the whitewash for his first try of the afternoon. Cameron Baker started his perfect kicking afternoon with an impressive conversion from the flank to give the Ironsides a 7-0 lead.

There was a significant area of consolation for the visitors as their forwards were enjoying one of their most impressive scrummaging performances for many a long day. The efficiency of the lineout was not far behind the set scrum in impressing the travelling support. However, it continued to be a frustrating afternoon in terms of points on the board for S&E.

Clinical efficiency in the 22 was sadly lacking but just as the crowd were anticipating the teams turning around with Sutton trailing, the game was transformed. The Rugby Lane men produced their try of the season. Wonderful surges from locks Duey and McTaggart were aided by sumptuous offloads. Prop Dan Johnson maintained continuity to release Josh Rea who sidestepped past the cover and strode home. Bunting levelled the scores with his conversion for 7-7.

Battersea Ironsides, robust and organised in attack and defence, had frustrated Sutton at the breakdown. The hosts were coping admirably with a scrum that was regularly in reverse and much credit must go to Raphael Arboine who not only gathered the challenging ball back-peddalling but also frequently made yards with his powerful running. S&E, liberated by their opening score, pressed on for further first-half glory.

As the first period entered time added on they went into the lead. The Ironsides conceded a penalty on their 22 which Bunting drilled into the corner. McTaggart soared skywards to secure the lineout possession and the formidable Sam Lennie scored after an impressive catch and drive. The conversion drifted wide but the Black & Whites led 12-7.

There was still five minutes of additional time with a revitalised Sutton eager to add to their account. With the last action of the half the visitors were given an opportunity to extend their advantage. Sutton & Epsom were awarded a penalty a couple of paces within the Battersea half but very central. Freddy Bunting opted to go for goal but his effort fell short and the sides went into the interval with Sutton leading 12-7.

Sutton started the second half brightly, though the flow of the game was interrupted by numerous penalties. After ten minutes they had a most promising position deep in the 22. Once again the lineout was followed by a dominant drive that Battersea bested with determined defence. The ball was transferred from the pack to the backs and Tom Lennard kicked with precision to winger Kyren Ghumra who scored in the corner. For those with a statistical disposition it was a red-letter moment as the winger now had 74 tries in 148 appearances. The challenging kick failed to add to the 17-7 lead.

If Sutton thought it would be one-way traffic for the remainder of the contest they had a stark reminder that Battersea Ironsides were a very dangerous outfit. A sweeping attack appeared to have created a wonderful try. A man, who shall remain nameless, not only finished with power and pace but also intelligently arced around endeavouring to make the conversion simpler. Unfortunately, Garratt Green is not the Parc de Princes and the in-goal area is miserly rather than magnificent, and he went beyond the parameters of play. There was to be no addition to the score.

Five minutes later the visitors were imposing themselves once more on the game. A driving maul in excess of 20 metres from halfway did not bring immediate results but it placed S&E in the right area. Sutton went through their phases and the ball arrived in the hands of Sam Lennie. The Kiwi hooker is a force of nature and with 20 yards to go and multiple defenders he found a most direct route to the line for his second try of the afternoon. Despite the encouraging roars from the Rugby Lane supporters the Bunting conversion high over the pigmy posts was adjudged to have not done the necessary. Sutton & Epsom led 22-7, having secured a bonus point, and were 15 points up with 15 minutes of normal time remaining.

As the game began to meander towards the inevitable, the Ironsides initiated a remarkable recovery in a magnificent seven minutes. Hope and inspiration was provided by winger Will Ford whose fine finish to a sweeping move was improved by a clinical conversion from the extremities by Cameron Baker. The fly-half ran back towards his team declaring the deficit was only eight points as S&E led 22-14.

A couple of minutes later the reinvigorated hosts were celebrating another try. A defensive lapse on halfway was punished as Battersea flooded into the Sutton half. Scrambling defence halted the advance in the 22 but the ball was quickly released for Matt Bell to secure his second score of the afternoon. The reliable Baker boot meant the hosts trailed 21-22 with three minutes to go.

The inevitable occurred as the sands of time were drifting away. Battersea were awarded a penalty. Though it was only just in the Sutton half, Cameron Baker, without hesitation, opted for the posts. His powerful kick was perfectly straight and Battersea Ironsides led 24-22. There was just time for the re-start that failed to travel the allotted distance, and the subsequent scrum to the hosts. Despite going back at a rate of knots and the harrying of Steve Munford, the ball was kicked dead to spark Battersea celebrations of an epic 24-22 win.

Many salutary lessons will hopefully be learned by Sutton but great credit must be given to the spirit of Battersea embodied by Raphael Arboine's performance and the nerveless kicking of Cameron Baker. For Sutton the scrummaging was superb, Sam Lennie was, as usual, immense, and Josh Rea had his best performance to date for the Black & Whites.

Next Saturday is free from league action and Sutton will endeavour to return to winning ways at Rugby Lane on Saturday 22nd November when they host Horsham for the first time in a league encounter.

Epsom's Famous Turf Set for a Smoother Ride

30 November 2025

Racehorses galloping down Epsom's famous turf could soon enjoy a smoother start, after The Jockey Club won backing to re-route a battered path cutting across the six-furlong chute on the Downs.

The current crossing, used daily by racehorses heading back from morning workouts, has become so uneven it is now seen as a safety risk, with one official saying it's "unbelievably close" to where horses enter the starting stalls.

After years of wear and tear, heavy machinery, and wet weather, the path has been left in "horrible" shape and "uneven".

The Jockey Club says the surface has simply had its day, with horses "almost tripping up" as they head for the start line.

Under the plan approved by Epsom and Walton Downs Conservators on November 3, the existing crossing will be shut for

good and replaced by a new route looping neatly around the back of the chute.

The redesign will tidy up the area, improve safety for riders and horses, and, importantly for locals, be fully paid for by The Jockey Club. Officials say there will be no cost to taxpayers and no loss of public access, since the old path was never a legal right of way.

“We would re-grass the section of the racetrack that the path would come up from [...] we are looking at a hardcore base topped up by suitable weather surface,” said Clerk of the Course Andrew Cooper. He said the new path should be a permanent, long-lasting solution.

Mr Cooper was enthusiastic about the proposal, describing it as a “definite improvement” both for racing and for the look of the Downs. “You wouldn’t have a track disturbing the start at Ascot,” said Vice Chair Jim Allen. “We’re trying to improve Epsom standing in the international horse racing world.”

Officials say communication with Downs users will be key to managing the change, but most agreed it is long overdue.

“Of course, safety is really important,” said Cllr Kim Spickett. “But people who live here really, really love the Downs. It’s beautiful and they really care about it.” The councillor for Cuddington said she approved of the designs and said the whole chute would look aesthetic.

“It’s not just about safety,” one member said. “It’ll make the whole area look smarter and more in keeping with what you’d expect at an international racecourse.”

The £10,000-£15,000 project could be completed before next year’s Derby Festival, depending on The Jockey Club’s budget approval. If all goes to plan, by the time the 2026 Derby rolls around, horses will be cantering to the stalls on a smoother, safer, and smarter stretch of turf.

Battling Beckenham Take Sutton & Epsom RFC The Full Distance

30 November 2025

Sutton & Epsom 22 Beckenham 19. Saturday 25th October.

This fixture is rapidly gaining a reputation for fabulous finishes. Two seasons ago the visitors triumphed 42-41 on a sweltering afternoon as they watched Freddy Bunting’s last-moment touchline penalty from halfway miss by millimetres. Last time the hosts prevailed 20-19 when Lewis Bunton’s last-ditch drop kick failed in direction and altitude. On Saturday in excess of 250 avaricious spectators gathered expecting more drama and they were not disappointed as **Tom Lennard’s** last kick of the game earned Sutton a 22-19 triumph.

An ominous slate-grey sky punctuated by a resplendent rainbow hung over the clubhouse environs. Fortuitously, the match avoided the predicted precipitation but the wind was a constant hindrance to the place-kickers. Sutton welcomed back most of their society absentees. In contrast Beckenham arrived in reduced circumstances, not only minus their second-row pairing but also their centre combination from Round 6. The Kent club kicked off and the first opportunity was engineered by S&E. A well-angled kick by **Tom Lennard** was improved by **Kyren Ghumra’s** chase and charge down. **Sam Lennie** dragged the scrambling defender into touch and the Black & Whites had a five-metre attacking lineout within five minutes of play. All seemed set for an imperious catch-and-drive try but a shrill blast from the whistle indicated an infraction enabling Beckenham to have the first scrum of the afternoon. A penalty ensued and the visitors cleared their lines.

After ten minutes Beckenham enjoyed a period of total domination. The Sutton & Epsom defence was exceptional against robust carrying, grubber kicks and jinking backs. Unfortunately for the Black & Whites it ended like the Alamo rather than Mafeking. The ten-minute onslaught concluded with **George Bunton** squeezing into the corner. The fraternal failure to add the extras by **Lewis Bunton** did not diminish Beckenham’s deserved 5-0 lead nearing the end of the first quarter. Moments later, misfortune struck the visitors as centre **Matt Lovell** was forced off through injury, stretching their resources even further in that position as winger **Fran Pennacchia** stepped up to the challenge.

Sutton had a golden opportunity to open their account with another five-metre line. It was overthrown and Beckenham countered through their excellent flanker **Kareem Swandells** as he motored towards halfway. A couple of passes later

George Bunton was in possession, he chipped ahead, re-gathered the ball and sauntered in under the posts. It was a sensational score as the recent returnee from the Northeast added his second try. A Beckenham baritone boomed: "Sutton supporters, where were you when the best try was scored on your ground?" **Lewis Bunton** put the cherry on the Bunton family celebratory cake with the simple kick for an impressive 12-0 lead.

The Balmoral Avenue boys pressed on and **Gareth O'Brien** was forced to touch down and then centre **Greg Lawlor** came close to scoring on the half hour. Finally, Sutton enjoyed some possession and engineered another five-metre chance. Despite advancing towards glory, prop **Alex Mount** was held up over the line. The first period was entering its final moments of regulation time. Yet another five-metre attempt came up short but the hosts had the consolation of a penalty. The forwards took control and, *mirabile dictu*, **Alex Mount** scored. **Tom Lennard** added the conversion for 7-12. The first half had endured multiple interruptions and belatedly concluded after almost fifty minutes of breathless entertainment with Beckenham leading 12-7.

Beckenham were good value for their interval advantage. They had monopolised territory and possession with back-row forwards **Kareem Swandells**, **Tom Ward** and captain **Andrew Knowles** in superb form and winger **Kyrone Bennett** a constant threat. Their swarming defence had denied Sutton time and space, neutering the threat of the home backs. S&E had been remarkably resilient in defence and had fashioned multiple opportunities from attacking lineouts. The final outcome was still very much in the balance and another nail-biting finale looked probable.

The start of the second half made onlookers recall Laurel & Hardy, the Keystone Cops and Fred Karno's Army. **Rob Hegarty** was fortunately placed to purloin the ball on halfway. He walked back to connect with support but it was dislodged and kicked ahead. Sutton were in full retreat as Beckenham sprinted with optimism to the corner. The ball rolled free behind the S&E line and **Kyren Ghumra** decided to counter. He narrowly evaded a couple of tackles in his lateral run before seeking the far touch. His kick hit the upright and went straight to the opposition. The visitors added to the pandemonium by dropping the ball with the line at their mercy. Encouraged by that mayhem, moments later, number 8 **Andrew Knowles** kicked ahead once more and nearly manufactured a try.

Sutton were desperate for a modicum of control and a period of sustained pressure. After some encouraging phases fifteen minutes into the half they were awarded a kickable penalty. Despite trailing by only five points they opted for yet another attacking lineout. The mountainous **McTaggart** rose to claim the ball. The forwards rolled ever onwards towards the uprights. The ever-alert scrum-half **Laurence Wise** took the ball, dummied and reached for the line for a try. **Tom Lennard's** kick failed but Sutton were level at 12-12.

Tom Boaden came on to replace try-scorer **Alex Mount** in the front row with the final quarter approaching. Beckenham responded positively to the setback and twice were frustrated by errant handling deep in the Sutton 22 as they put the hosts under the cosh. The exemplary Black & White defence spread across the park, tackled tenaciously and refused to take a step backwards. Having weathered the storm it was the Surrey side that secured the lead with their next visit to the Kent half. Another penalty was kicked to the 22. After the frustrations of earlier lineouts what followed was a catch and drive of pure perfection and the forwards marched over the line from 15 metres with hooker **Sam Lennie** scoring. The **Tom Lennard** conversion followed such a bizarre path that the ball might have been remotely controlled as it meandered over the posts for a 19-12 lead.

With ten minutes remaining referee **Ruben Gobregts** issued a yellow card to reduce Beckenham to 14 men. Boosted by their numerical superiority Sutton looked to be in control and a bonus-point try looked more likely than an equalising score from Beckenham. However, captain **Andrew Knowles** had other ideas as he stole the ball near halfway. His kick ahead was weighted to perfection to force a drop out. The visitors now flung themselves into attack. Penalties followed and **Gareth O'Brien** was shown a yellow to make it 14 v 14. From close range **Rimarni Richards** powered over the line, as is his wont at Rugby Lane, having scored last season to add to the brace he scored two years ago. The conversion made it 19-19 with the crowd expecting yet more drama.

For the third season on the trot it came down to the last kick of the game. This time it was the boot of **Tom Lennard**. Having removed his headgear, he steadied himself and sent the ball through the uprights to secure a 22-19 victory. It was a pulsating affair that could have gone either way and arguably a draw would have been the fairest outcome. Beckenham, with their back row in their vanguard, had been superb. Equally, Sutton's superb number 8 **Rob Hegarty** carried courageously in adversity in a victory built on defensive durability and self-belief.

Both teams will be glad that next Saturday is a rest weekend before league hostilities resume on Saturday 8 November when Sutton visit Battersea Ironsides at their famous facility with canine connotations.

Epsom and Ewell Harriers return with gold aplenty

30 November 2025

A number of **Epsom & Ewell Harriers** travelled to the beautiful island of Madeira for the European Masters Athletics Championships and returned with a big haul of medals. In total, Harriers athletes brought home seven gold and three silver medals to help GB to its most successful ever championships as the team topped the medal table with 129 gold medals, 20 clear of Germany with France a long way back in third place on 65 golds.

Most of the medals were won in the sprints. Helen Godsell claimed three golds and a silver in the W70 100m, 200m and relays while Anne Nelson was also part of the winning W70 4x100m team. Lisa Boland almost matched Helen with another 100m / 200m double, winning the 200m in a W40 British record of 25.27 seconds and anchoring the W40 team to silver in the sprint relay.

Steve Winder had a busy championships running a total of 37K across four events and capped off an exciting and enjoyable championships with an individual silver and team gold in the M50 Half Marathon on the final day.

Well done to all the Harriers and GB athletes on a memorable championships.

The prefix **W** stands for *Women* and **M** for *Men*.

- The number indicates the **age category** of the athlete in Masters athletics (veterans' competition).
- So **W70** means *Women aged 70-74*, **W40** means *Women aged 40-44*, **M50** means *Men aged 50-54*, etc.

These age brackets allow athletes to compete fairly against others of similar age at international Masters events.

Epsom's Rugby Team Make Light Of Missing Men To Go Top

30 November 2025

Gravesend 12 Sutton and Epsom RFC 29. Saturday 18th October.

Sutton and Epsom arrived at the Rectory Field seeking a return to winning ways following their first loss of the campaign at Sidcup. Gravesend, the masters of the close encounter last season, have retained their penchant for fine margins, opening their account with a draw and losing last week by a solitary point to Brighton. In a keenly contested match it was Sutton and Epsom who returned to Rugby Lane with the spoils as their 29-12 bonus point win took them to the top of the Regional 2 South East table.

Absenteeism, unacceptable to previous generations, has become the norm at this level of club rugby and the level-headed must take the approach of the famous phrase involving a couple of playground amusements. However, coaches still curse the slings and arrows of outrageous planning. It was Sutton's turn to suffer as six players from the Sidcup squad were absent without leave. This offered a chance for players to press their claim for 1st XV status and tested squad depth. Gravesend had their own issues as they were without their talented trio of George Bruce, Ben Kite and Ned Warren who were on their injured list.

Gareth O'Brien kicked off for the visitors in benign conditions on a mild afternoon. The initial sparring saw both sides employ robust runners that were met by thunderous tackling. Defence monopolised attack in the opening exchanges as the sides looked for openings to exploit. After ten minutes Sutton were awarded a penalty 40 metres out and sent it towards the corner. Having secured the ball they demonstrated admirable control through the phases but the forwards were thwarted by staunch Gravesend defence until it was released wide and Finlay Scott waltzed in unopposed. Gareth O'Brien, taking over the kicking duties, impressively converted for 7-0.

S and E were soon on the attack as Adam Bibby's probing kick forced Gravesend to touch down and restart under their posts. Moments later a tremendous take of a clearance kick by Sutton was followed by an attempted 50/22 that rolled agonisingly into touch in goal. Consolation was swift and bounteous. Gravesend dropped the ball near halfway and Adam Bibby fly-hacked forward. The Kiwi centre burst forward, wisely declined the opportunity to try to scoop up the ball and kicked ahead again and won the race to the line to score. The conversion drifted wide but Sutton had a 12-0 lead at the end of the first quarter.

Gravesend needed a swift riposte and within five minutes they were on the scoreboard. Enjoying a spell of possession they threw themselves on the Black and Whites' defence and were met with magnificent tackling, with one Gareth O'Brien tackle synonymous of the team effort. The visitors were undone by an infringement and it was the host's turn to kick it into the corner. The initial thrust was repelled but another penalty gave the Rectory Field team a second chance that they gratefully accepted as lock Josh Mackenzie forced his way over. Rhys Betts' conversion failed but Gravesend were back within a score at 5-12.

With the interval approaching it was a case of hope springs eternal for the home team. Centre Ben Hope chose the perfect attacking line to make the initial break on halfway, then accelerating and evading the cover he left flailing tacklers in his wake for a stunning solo score. Rhys Betts nonchalantly added the extras and Gravesend were level at 12-12. For those who thought that the first period would end honours even and decided to avoid the half-time rush at the bar they would have missed Sutton's retort. The men from Surrey, as if affronted by the Kent club's recovery, put together their best attacking sequence. The ball went to winger Finlay Scott who did superbly in limited space to take the ball to the 22. The Sutton pack took over and went through multiple phases to camp under the posts and hooker Sam Lennie applied the coup de grâce. Gareth O'Brien chipped over the simple conversion to restore Sutton's lead. Referee Joe Garman's whistle blew to end the first half with the score at Gravesend 12 Sutton and Epsom 19.

The first period had been an even affair with Sutton having more of the territory and possession but both sides had shown both in attack and defence that the result was far from obvious. Added to the equation was S and E's bizarre statistic for this season that they had yet to win a second half in their previous five outings. Gravesend kicked off the second half and seized the initiative with a marvellous catch from Ben Hope who surged to the Sutton 22. The cautious optimism of the travelling Sutton support was immediately transformed to "here we go again". It was a case of "ye of little faith" as the visitors dealt admirably with the situation. Moments later the home support was on its feet as winger Andrew Cooke exploded down the flank threatening to score but at the crucial moment as the cover arrived he lost control of the ball and Sutton survived. From the scrum Sutton and Epsom were indebted to Number 8 Rob Hegarty who picked up from the base and carried them out of their 22 to relative safety.

Having weathered the storm, Dan Jones' alertness to a loose ball initiated the visitors' first attack of the second half as he passed to Gareth O'Brien who pegged Gravesend back in their 22. It was the start of a period of Sutton ascendancy and control. However, this did not result in any addition to the scoreboard. A promising attack was undermined by conceding a penalty on the deck 10 metres out. Then what looked like an inevitable score concluded with not only a penalty coughed

up inches from glory but also a yellow card being issued to Sam Lennie. S and E coped magnificently with the numerical inferiority and managed to add to their lead when Gareth O'Brien's penalty made it 22-12 as the match entered the final quarter. The hosts, despite the advantage of the extra man, never set foot in the Sutton half for the statutory ten minutes as even the restart went out on the full.

Restored to 15 men, S and E continued to demonstrate impressive game management. With steely focus and determination they played the game in the Gravesend half and went in search of another try that would not only provide a sizeable lead but also earn a priceless bonus point. The host's defence had impressed all afternoon and they continued to frustrate the visitors' best endeavours, with Rob Hegarty being held up over the line. With five minutes to go Gravesend lost the services of their influential Number 8 Bradley Money. It was a yellow card that creates immediate debate as he made contact with winger Archie Fitzgerald's head as the winger slipped. The decision was harsh as there was no malicious intent but it was the correct call from Mr Garman given the modern laws. Boosted by the extra man, Sutton finally secured their bonus point as Rob Hegarty forced his way over from close range. Gareth O'Brien added the tricky conversion for 29-12 and Sutton ran down the clock without any further additions to the score.

This was a very impressive win for Sutton on the road with a depleted squad. It spoke volumes to the character and team spirit that those who came in looked very comfortable and contributed to an outstanding 18-man performance. Gareth O'Brien stepped in at Number 10 and had a superb game with his kicking, running and tackling as he provided a good measure of control on proceedings. Sutton starved Gravesend of territory and possession for the vast majority of the second half. To the host's credit their excellent defence only succumbed when they were down to 14 men but they never managed to gain a foothold in the second period to enable themselves to gain points from the game.

Results around the league were most favourable to Sutton and Epsom and the win propelled them to the summit of the table. Lest we forget that next Saturday, 25 October, the Black and Whites entertain erstwhile leaders Beckenham RFC. The Balmoral Avenue club lost for the first time on Saturday and dropped to fourth in this highly competitive league.

Sidcup Burst The Sutton & Epsom Bubble

30 November 2025

Sidcup 22 Sutton & Epsom RFC 12. Saturday 11th October.

Sutton & Epsom first visited Crescent Farm in 1914 for a 25-0 win and it is a delight that, despite the ravages of league rugby, a fixture dating back over 100 years and having been played in excess of 80 times still survives and is played on the same ground. Both clubs had started the season strongly and the form book suggested a close encounter. Sutton & Epsom had garnered maximum points whilst Sidcup had enjoyed a trio of triumphs in the opening four rounds. After a bruising encounter the Kent club inflicted the first defeat of the season on their opponents from Surrey by 22-12.

This fixture was blessed with glorious sunshine throughout on a still afternoon conducive to playing rugby. Experience replaced youth at 9 for the Black & Whites as Steve Munford came in for the injured Laurence Wise. Otherwise it was salvete for Messrs Finney, Lennard and O'Brien as the revolving door of selection spun at a modest pace at Rugby Lane. Sidcup kicked off under the steely gaze of referee Jed Wolfram who had journeyed down from Harrogate. The initial exchanges set the tone for the contest as both defences threw themselves into their duties with relentless relish. Time and space were at a premium as thunderous tackles littered the field.

After ten minutes Sutton & Epsom had the first opportunity to open the scoring. It was another chapter in the rugby opus, "Take Three Points Or Kick Into The Corner", and it was no surprise to the travelling Rugby Lane support that the Bunting boot kicked for territory rather than lighting up the scoreboard. The ball was overthrown and lost. An infringement meant Take Two and the further shunning of the three in search of higher riches. The swarming Sidcup defence held firm through multiple phases before forcing an error. It was to be third time lucky on the quarter-hour. This time the catch and drive was executed to perfection as Sam Lennie powered his way over. The conversion from the flank went astray but Sutton & Epsom belatedly led 5-0.

As the first quarter concluded the Black & Whites nearly conjured a try from a quickly taken penalty near halfway. Tom

Lennard made an incisive break and Gareth O'Brien was denied by cover in the corner. A relieved Sidcup dropped out from under their posts and it was their turn to test the defensive fortitude of the visitors. The Kent team camped in the Surrey 22 and besieged the line. Heroic defence on their line was punctuated by two penalties. Following the second the home team opened their account with a slick catch and drive routine that saw lock Tom Epps ushered over the line. Josh Twyford's conversion came back off the upright and the score was 5-5 approaching the half-hour mark.

Sutton & Epsom had an opportunity to regain the lead when Gareth O'Brien's kick to the 22 was enhanced by an excellent chase forcing a knock-on. Sutton & Epsom appeared to create a try as they descended on the corner only for Sidcup to intercept the vital pass and clear to halfway. With the first half approaching time added on the hosts once more set out their stall in the visitors' 22. The forwards advanced and a try appeared to be a certainty but the defence on their own line by Sutton & Epsom was mightily impressive from a 5-metre penalty. However, all the commendable work was undone by a truly idiotic penalty as a forward bellyflopped onto the ruck. Without hesitation the ball was sent to the corner. The Crescent Farm lineout, like a well-oiled machine, churned out another try for another lock, as Freddie Ruff muscled over. Josh Twyford added the extras for a 12-5 lead.

In the dying embers of the first half the home crowd enjoyed a bonus as their team benefited from their ascendancy with a penalty awarded under the posts. Common sense, rather than greed, prevailed. Josh Twyford concluded the first period with a simple three points as his side went to their dressing room very satisfied with a 15-5 lead. It had been a very even first half but Sidcup had been the more clinical of the two teams making the most of their visits to the Sutton & Epsom 22.

Freddy Bunting kicked off with Sidcup playing, as is their preference, with the slope towards the clubhouse bar in the second half. With an early penalty at the scrummage the home team were able to advance to the Sutton & Epsom 22. However, early indications of a Sutton & Epsom revival were given by an immediate boost by a break with centres Bunting and Bibby weaving their way to the enemy's half. The territorial gain was enhanced by a penalty as the Black & Whites had a lineout with 10 metres to go. An infringement let the hosts off the hook. From the clearance kick from the scrum Agu Benson ran back the ball with great effect and marvellous continuity from the forwards had Sutton & Epsom threatening until they conceded a penalty.

The optimistic opening having been overcome, the Crescent Farm crowd were starting to enjoy their team's control of territory and possession. With the sun on their backs and the slope in their favour they went in search of a third try. The score came a dozen minutes into the half. Once more a lineout ball was controlled and the forwards advanced and Freddie Ruff scored his second. The simple conversion was added by Josh Twyford and Sidcup led 22-5.

Trailing by 17 points the triumvirate of Agu Benson, Archie Fitzgerald and Sam Lennie with their powerful carrying, time and again, tried to free Sutton & Epsom from the Sidcup shackles. It was a testimony to the quality of the home defence that they only yielded in time added on.

The game entered the last quarter with the overriding feeling that in a game with two evenly matched sides it would take something spectacular to wrestle the advantage away from Sidcup as their defence was secure and controlling affairs. The Kent side had the luxury of knowing that, apart from the carrot of a bonus point fourth try, they did not have to score tries. Calculated kicking and tireless tackling kept Sutton & Epsom at arm's length. Normal time was up as Sutton & Epsom mounted another attack in the opposition 22. They were awarded a penalty. Dan Jones, celebrating his 50th 1st XV league appearance, carried towards the right-hand corner. As is his habit, Rob Hegarty emerged from the ruck with a blistering turn of speed to score in the corner. Captain Bunting stepped up and impressively converted. Sutton & Epsom trailed 12-22 and there was the glimmer of a losing bonus point to be had.

Time ran out for the visitors who not only lost their unbeaten status but also went pointless for the first time this season. Sidcup deserved their 22-12 victory that was constructed on the solid foundations of a secure scrummage, highly effective lineout and an outstanding defence that rapidly enveloped the opposition. Hooker Harry Large, as befitting his name, had a huge game. The boiler room of the second row was rewarded for their hard work with tries. It was a fine team performance of boundless concentration, hard work and bone-shaking tackling.

For the Black & Whites the game was possibly lost in the first half when they failed to capitalise on their period of ascendancy as chances for tries slipped through their grasp. However, the never-say-die effort was epitomised by their score in time added on. Archie Fitzgerald had his best game for the club, once again Agu Benson demonstrated what a valuable addition he is to the team and their defence of their line was magnificent to behold.

Next Saturday, 18th October, the Sutton & Epsom charabanc is on the road once more with a day trip to the Rectory Field to face Gravesend RFC. The Kent club lie sixth in the table after a couple of wins and a draw from their opening five encounters.
