

# Top dog toppled in windy contest

11 December 2023

Beckenham RFC 22 - Sutton & Epsom RFC 26. Saturday 9th December.

Saturday marked the start of the home stretch with the first of the reverse fixtures. In Week 2 both teams endured testing temperatures in the crucible of Rugby Lane to produce an extraordinary game of extremely fluctuating fortunes. The denouement included the ecstasy of a penalty try to Beckenham and the agony of a last second penalty drift wide for Sutton as the visitors won 42-41. At least the teams were spared Arctic weather for the rematch at Balmoral Avenue. Many players had crossed the whitewash since that September Saturday and the Kent Club sat atop of Regional 2 South East whilst the men from Surrey arrived with four consecutive wins under their belt. After an enthralling contest Sutton gained their most impressive scalp of the season as they won 26-22.

Sutton & Epsom offered a warm welcome back to Tom Lennard after his highly successful jaunt in the Antipodes. The playmaker not only starred for Melbourne University gaining representative honours but also encouraged Josh Pulvirenti to join him at S&E. If Tom was the Australian addition New Zealand was represented by the returning Willem Ratu. So the domestic unions did not feel overlooked Sutton even selected a Welshman in Ross Parsons. The weather once again played a significant role in the fixture with a tremendous wind billowing down the pitch. Freddy Bunting kicked off with the gale behind him and Sutton went on the offensive from the very start but their swift attacks were matched by the swarming defence of the hosts. Though the leaders gave up an early penalty in front of the uprights. With a prostrate player holding the ball in place and the posts swaying in the wind Captain Bunting made it 3-0.

Beckenham gave an early warning to the visitors of the quality of their back play as Tom Bateman linked with Matt Lovell to bring the leaders deep into the Sutton 22 but their efforts were thwarted by conceding a penalty. After ten minutes S&E had doubled their lead to 6-0 with another Bunting penalty but they were frustrated that a fine attack had not resulted in a try. At the end of the first quarter Matt Whitaker's desperate bid to force his way over by the posts was held up by resilient defenders. The elements made it extremely difficult for the hosts to exit from their 22 but their well organised defence frustrated the Black & White backs. On the half hour Tom Lennard hacked through a loose ball and gathered it up and a couple of strides short of glory he was tackled. The referee ruled it a high tackle and with no other defender in view he awarded a penalty try and Sutton led 13-0.

The leaders then enjoyed their best passage of play as their forwards and backs combined with multiple phases to get into the Sutton 22. Impressive offloads in the tackle maintained the momentum and then they opted to kick ahead. On any other afternoon it would have been a worthwhile gamble but the ball was gathered by Freddy Bunting and despatched on the wind 60 metres back down the paddock. The visitors pressed hard to extend their lead and thought they were about to score again from a 5-metre scrum when Gareth O'Brien was penalised. With time running out in the first half Willem Ratu countered towards the 22. His run earned another penalty which Freddy Bunting readily converted to conclude the half with a 16-0 lead.

As both sides retired to the warmth of the dressing rooms for directions from their coaches everyone pondered just how many points the wind was worth. In addition to the elements Beckenham had survived 10 minutes with 14 men after a yellow card to stand off Gary Dipple. The leaders had done extremely well to frustrate the Black & Whites who, for all their territory and possession, only scored a solitary try. Sutton knew that they would need to be at their very best in the second half to withstand the inevitable siege to come.

The Balmoral Avenue crowd did not have long to wait to cheer the success of their local heroes. A Sutton fumble on their 22 from the restart put the hosts in prime position to chip away at the lead. S&E conceded a penalty at the scrum and Geordie Boyce stepped up to chip over the conversion for 3-16. Beckenham pressed hard for further additions. A Gareth O'Brien tackle thwarted one attack and the pack stole a scrum ball on their 22. However, the clearance kick was run back with a vengeance. The Kent side were within 5 metres and flung out a long pass. Lock Ciall Kirwan was hugging the touchline and did superbly to take the pass on his laces to score in the corner. Unsurprisingly the touchline conversion was blown off course but the Sutton lead was now 16-8 with 30 minutes remaining.

With errors mounting in the Sutton play and confidence surging through the veins of the league leaders the momentum had definitely shifted. It was now that Sutton & Epsom demonstrated not only great character but also their best play. The howitzer boot of Bunting thumped a penalty into the 22 to give his team a promising lineout. The catch and drive advanced the ball into threatening territory. Following multiple phases and admirable control by the pack finally Matt Whitaker was

ushered over the line for the try. The kick adjacent to the uprights was converted and S&E led by 23-8. The men from Rugby Lane continued to attack in search of another try. As per the first period the Beckenham defence held firm but once again the referee brought play back for a penalty. Once more the irrepressible Bunting extended the lead to 26-8 as the game entered the final quarter.

Considering the playing conditions this was a most impressive phase of play from the visitors who continued on the offensive not only carrying well but when required kicking penalties into the 22. At this stage centre Tane Feldhaus-Davies gave voice to his frustration with the number of offside penalties that his team were accumulating as he let fly with colourful language as he enquired to the heavens as to the precise number of offences. With ten minutes remaining Beckenham scored a quite outstanding try as fullback Francesco Pennacchia made a stunning break from his own half and linked with his support. A wave of Beckenham shirts burst into the Sutton 22 and captain Hans Laud-Anderson, like every quality 7, was on hand to add the finishing touch. Geordie Boyce added the extras for 26-15.

Roared on by a sizeable and passionate crowd the game was now turned on its head and it was the Surrey team who had to show their defensive mettle. It was the turn of the visitors to concede penalties. Beckenham opted for a 5-metre scrum and the result was another penalty and a yellow card not to a prop but to flanker Rob Hegarty and the leaders opted for the tap penalty. The ball was given to replacement prop James Cleverly with his mane like Samson, the beard of a lumberjack and a physique that shuns the modern figure-hugging apparel he bounced off the first tackler, sidestepped through a gap and strode over for a most accomplished solo effort. With Geordie Boyce chipping over the conversion the Sutton lead was only 26-22.

The crowd were in full voice and expectations running high as Sutton had five minutes to survive. In recent times the expression game management has not been linked with flattering adjectives for the Black & Whites but they now relentlessly held onto possession through multiple phases near halfway with a prodigious effort by the forwards. Then a shrill blast of the whistle and the hosts were given a lifeline of a penalty. The Gods smiled down benevolently on S&E as the kick went through the in-goal area. A grateful Sutton accepted a scrum on halfway and moments later ran down the clock to gain a fabulous 26-22 victory.

That made it five wins in a row for Sutton and to inflict the first defeat on the table-toppers at Balmoral Avenue this season was a notable achievement. The Beckenham backs are formidable not only in attack but also in defence. The leaders ability to pass out of the tackle is a most potent weapon but S&E matched their lofty opponents and it was their ability to play so well against the wind that was the deciding factor. Freddie Bunting's accumulation of points is well known but in this game it was the power of his kicking from hand that caught the eye. However, in truth it was a great team performance, as is often the way in harsh weather, that was the backbone for this latest win. It would be remiss not to mention the magnificent hospitality offered at Balmoral Avenue with the clubhouse bar one of the finest locations around to enjoy the traditional pleasures for which rugby is renowned.

Probably with a sense of relief to players, coaches and administrators next Saturday sees the last league match of 2023 and the competition adjourns for the festive break. For those readers who still prefer the High Street to online purchasing but are looking for an excuse to escape the horrors of Christmas shopping I can heartily recommend Sutton's game against Old Reigatian at Rugby Lane that kicks off at 2pm.

## Unflagging Bunting clinches victory at the end

11 December 2023

Sutton & Epsom RFC 21 Old Colfeians 17 Saturday 2nd December.

Old Colfeians arrived at Rugby Lane as the form team in the league with five victories on the spin. Meanwhile a resurgent Sutton & Epsom had won all their three November fixtures and were equally confident. Both squads were hit by injuries and illness with S&E giving a debut to Matt Symonds on the wing. The last time the Black & Whites played OCs in 2007 the Kent side managed to record the only blemish on James Clark's perfect season. Fixtures between the two clubs go back 50 years and in the league era the matches have always been keenly contested and Saturday was no exception with Sutton winning 21-17.

There was a serious risk that the freezing weather might sabotage the game but a moderately milder morning, temperatures being above zero, meant that the crowd would not be disappointed. Freddy Bunting set the game in motion and the visitors immediately demonstrated their superlative form with the opening score after five minutes. Having spun the ball wide to both flanks the forwards took over in the 22. Phase after phase they remorselessly advanced under the posts until prop Tom Rameaux powered over. Chris Harris added the simple conversion for a 7-0 lead. In the early exchanges the powerful pack of the visitors initially held the upper hand in the set scrum but the host's lineout was more efficient and also disrupted the Colfeians ball. Both sets of backs looked threatening when they had possession and expectations of a closely fought encounter, that had been anticipated before the kick off, were being fully justified.

In the closing moments of the first quarter Sutton had an attacking lineout. Josh Pulvirenti took the ball and the pack advanced. The referee noted an indiscretion by the visitors but he played the advantage and was soon raising his arm to signal Rob Hegarty's try. Freddy Bunting's conversion cleared the uprights but just drifted wide as S&E trailed 5-7. The game was being played at a furious pace with both sides tenaciously contesting the breakdown forcing turnovers and errors. On the half hour S&E had another opportunity with a 5-metre lineout. The ball was safely secured and Matt Whitaker exploded from the pack powering over the line with would be tacklers hanging off him. Normal service resumed as Freddy Bunting added the extras to put his team into a 12-7 lead.

Old Colfeians reply was immediate and the Sutton lead short lived. With commendable adventure they ran a penalty from halfway and advanced to the S&E 22. The jinking Chris Harris took over to score a stylish solo effort. He was unable to add the conversion to his try but the Kent team were level at 12-12. Before the interval the Sutton back division that had already endured three changes before the start had another set back as Steve Munford was forced off through injury to be replaced by the versatile Jack Howes. The momentum had shifted to the visitors and Chris Harris came off his wing to create the overlap and the OCs surged from their 22 but the Sutton cover forced a knock on. The half concluded with the Black & Whites pressing hard but undone by an error in the opposition 22 and there was no further addition to the score and the sides turned around at 12 apiece.

Sutton & Epsom were fast out of the blocks in the second half from a lineout it was a vintage run from Matt Whitaker carrying the ball 40 metres. Sadly, the talismanic eight had outrun his support but soon had the consolation of a penalty. From a central position near halfway Freddy Bunting thumped the ball between the posts for a 15-12 lead. Once again the visitors responded with an assault on the Sutton 22 with the sidestepping Chris Harris to the fore. Alex Mount conceded a penalty but immediately made amends by winning a turnover from the quickly taken play. S&E replaced Tom Boaden with Callum Gibson, who is a man of considerable 'avoirdufois' whose 140kg frame might turn a deck-chair to match-wood, to add ballast to the front row. In addition their lineout with the catch and drive was becoming a potent weapon.

The weather began to deteriorate as not only did the temperature plummet but also a fog began to descend and gradually envelop proceedings. As Colfeians sought parity they probed the 22 and were awarded a penalty for a Ghumra knock on. Chris Harris went for the three-point option but hooked his kick. In stark contrast a couple of minutes later Sutton were awarded a penalty on the halfway line on the angle with a distance in excess of 50 metres. With a truly magnificent strike Freddy Bunting bisected the posts. The strike was greeted with rapturous applause from the crowd as much for the 18-12 lead as for the opportunity to warm their hands.

As had been the case throughout the match the men from Horn Park responded at once in the grand manner. Winning a kickable penalty they opted to kick for the corner. They won the lineout and after sustained pressure the ball was transferred to hooker Daniel Orubo who dismissively broke through the tacklers to score. With the conversion going awry there was now only a solitary point in the game with Sutton & Epsom holding the advantage at 18-17. With the game entering the final quarter and so finely poised the hosts now played their best rugby of the match. With a slender lead the key is to play in the opposition's half and they proceeded to dominate the territorial battle.

The game opened up and Sutton scrum half Chris Ballard became more influential making sniping breaks and playing at a high tempo. From one counter the 9 won a penalty and took the quick tap which instigated multiple attacks from the Rugby Lane XV. Colfeians defensive resolve was impressive as they managed to halt Kyren Ghumra in the corner and the hosts were held up over the line. S&E were then gifted a great chance by a careless knock in the 22. From the scrum Matt Whitaker headed for glory. Once more the Horn Park men stood firm and Sutton were held up

over the line. The visibility deteriorated and the distant Clubhouse was shrouded in fog. A shrill blast of Tobias Whitney's whistle indicated another penalty for Sutton. Freddy Bunting stepped up and hammered it home for a 21-17 lead with a couple of minutes of normal time remaining.

Up to this point Sutton had been exemplary on receipt of the restarts but at this vital stage they gave away a penalty. The visitors, conscious of the clock, turned down a shot at goal. Now the anxiety of the crowd as much as the fog descended on Rugby Lane as they knew another Colfeians try would see them take the lead. As they tried to work an overlap on the 22 Kyren Ghumra made a priceless interception. From the subsequent Sutton scrum the hosts failed to find touch and invited more pressure on themselves but forced a knock on with thunderous tackle. S&E conceded a penalty from the scrum and OCs turned the screw by opting for another scrum. Their followed a commendable moment of tactical acumen as the home team replaced their hooker with a prop. The beefed up Black & White pack drove their opponents off the ball and were awarded a penalty which was greeted by the loudest cheer of the day. Bunting kicked to touch, the lineout was secured and the clock was run down before the ball was kicked to the grandstand. Sutton had won this epic encounter 21-17.

The excellence of Freddy Bunting's placekicking had made the vital the difference. The Colfeians powerful forwards with the outstanding Number 8 Conor Gray had an influential afternoon with Chris Harris their creative hub in the backs. However, Sutton & Epsom played with steely determination that bodes well for the rest of the season. Once again they raised their game in the second half with their collective desire epitomised by debutant Matt Symonds' nerveless display. This is the midpoint of the season and the reverse fixtures begin next Saturday with a trip to Balmoral Avenue to take on leaders Beckenham. Back in September on that remarkably hot day the Kent side won 42-41. It will be another stern test for the Black & Whites especially as their hosts will no doubt be smarting from having just lost to bottom of the table Sidcup.

## Genuine victory on synthetic surface

11 December 2023

Cobham 16 **Sutton & Epsom** RFC 44. Saturday 18th November. Being the last league fixture in November the S&E squad had a rather Edwardian appearance as if they were members of the Epsom Amateur Dramatic Club cast preparing for a performance of 'Journey's End'. However, their Movember charitable generosity did not extend to the rugby pitch as they impressively defeated a more than capable Cobham XV by 44-16. On a gloomy afternoon blissfully free from precipitation Cobham kicked off the match on their pristine synthetic surface.

The hosts had amassed 140 points so far this campaign from their three home victories and were one of a trio of clubs on 27 points looking to close the gap on the top two of Beckenham and Battersea Ironsides. The Memorial Ground men made a confident start as their large, athletic and mobile forwards provided plenty of possession for their quicksilver backs. The home team's high tempo game was matched by excellent defence as Sutton and Epsom's best play was thwarted by an impenetrable wall on the opposition 22. The Fairmile Lane side pressed hard for an opening score as a vital mark five metres from the S&E line denied them a try. Moments later Cobham had the consolation of a scrummage penalty in front of the posts and Jonny Holmes opened their account for a 3-0 lead.

After fifteen minutes the hosts were finally rewarded for their early dominance with a try. Despite valiant defence on their

line the Cobham pack would not be denied and hooker Andrew Murphy forced his way over from close-range. Though the conversion drifted wide the home team held an 8-0 advantage. For supporters of the Black & Whites there had been precious little attacking play to cheer but the restart provided them with their first try. The alert Chris Farrell gathered the loose ball and burst into the 22 and a few phases later Josh Pulvirenti exploded from the ruck to run in under the posts. Freddy Bunting chipped over the simplest of conversions to make it 7-8. A couple of minutes later Willem Ratu swooped on the ball and ran it in from 60 metres to score by the uprights. Captain Bunting did the necessary and S&E now led 14-8 at the end of the first quarter.

Cobham might have felt a tad aggrieved that the scoreboard did not reflect the balance of the game. To their credit they responded in the classical manner with a try of their own. A perfectly flighted kick descended from the leaden sky just outside the Sutton and Epsom 22 and Jordan Huie was greeted by the ball and an opponent. It was the hosts turn to scoop up the loose ball and punish the back-peddalling visitors as prop Luke Bliss burrowed his way over the line for the try. The extras were not added but the home team now trailed by a solitary point, 13-14. Sutton made early changes as Ben Tame and Tom Boaden replaced George London and Callum Gibson. The momentum of the match had shifted back in favour of the hosts as their swarming defence harried Garerth O'Brien and won another penalty in front of the posts. Jonny Holmes gratefully accepted the three points and Cobham held a 16-14 lead.

With 10 minutes remaining in the first half Sutton & Epsom enjoyed their best period of play. An impressive catch and drive from the lineout saw them advance to the line and force a penalty. The ball was kicked to the corner for the 5-metre lineout but there was to be no repeat of the forward efficiency and a knock on gave the hosts an opportunity to clear their lines. A lengthy clearance was skilfully trapped by Jordan Huie who ran the ball back and won a penalty. The irrepressible Bunting made it 17-16 for S&E. In the dying embers of the first period Cobham had a lineout on the Sutton 22 and the platform to edge ahead once more. However, Ewan McTaggart stole the ball to initiate a counterattack. The ball went wide and was twice kicked ahead and Lawrence Elliott was on hand to score in the corner. Freddy Bunting made the touchline conversion look anything but challenging and the referee blew his whistle and the teams turned around with Sutton & Epsom leading 24-16.

After a half of high quality rugby that had been most competitive from the first minute none of the assembled crowd would have risked a wager on the outcome as the game was very much in the balance. From the restart Cobham gathered the ball and launched a speculative Garry Owen that resulted in a mid-air collision on halfway and chaos. The ball was hacked forward as S&E struggled to control it until Willem Ratu touched down over his line. After that escape it was Sutton who were the first to open their account in the second period when they were awarded a scrummage penalty. Freddy Bunting knocked it over from 45 metres to extend the lead to 27-16.

The hosts then dominated territory and possession for the next ten minutes. Earlier in the season S&E's defensive frailties would have seen them conceding tries but the defence now on show was unrecognisable from those autumnal days. The tackling was ferocious and forced handling errors in an impressive collective show of cussed defiance. The next visit to the hosts' half resulted in another penalty and another long-range success for the boot of Bunting as the Rugby Lane men led 30-16 with the game in the final quarter.

As determined as the Cobham attacks were they were trumped by the excellence of the Sutton defence. The visitors not only halted the hosts in their tracks but were making turnovers and counterattacking with relish. With pace on both flanks and confidence in abundance the Black and Whites turned defence into attack. The Memorial Ground XV were equally resolute and threw everything at Sutton in an effort to get back into the game. A glimmer of hope was extinguished with another obliterating tackle by Jordan Huie in the corner. The winger then showed his attacking qualities by carrying the ball into the opposition half and won a penalty. Captain Bunting opted for the kick to the corner and he was rewarded with a try. The 5-metre lineout was taken and the forwards muscled their way over the line and Ben Tame emerged as the scorer. Freddy Bunting caressed over the conversion for 37-16 and the Black & Whites had secured the bonus point for their fourth try.

Once again Chris Farrell regained the restart and initiated a thrilling Sutton attack. A crossfield kick was secured by Jordan Huie who strode towards the 22 and linked with Chris Ballard. The momentum was maintained by a superb piece of support running by lock Ewan McTaggart and the ball was spun wide to Willem Ratu who finished with aplomb in the corner. Freddy Bunting maintained his perfect kicking afternoon taking his personal tally to 19 points as his team lead by 44-16. In time added on there was still time for more thrills and spills. Once more a Cobham attack floundered on the Black & White wall in the S&E 22 and a devastating counter ensued. Freddy Bunting ran from his own half down the wing with deceptive pace that left the would be pursuer clutching a pulled hamstring. The Sutton 10 opted to run over the last defender rather than go round him and as he tumbled to the ground and juggled the ball the referee ruled a knock on as he popped the ball up to a supporting player. The game concluded in the Cobham half with no further addition to the score. Sutton had won 44-16 to record their second bonus point success on the road in consecutive weeks and make it three wins on the bounce.

This was by a margin the finest match of the Sutton season so far. The Cobham side from the first minute to the last carried a serious attacking threat. The front row triumvirate of Messrs Murphy, Bliss and Lippiatt were mightily impressive at the set piece. The home forwards carried with pace and aggression and the backs spread the ball well. However, the deciding factor in the contest was the excellence of the Sutton defence which not only stopped numerous attacks but forced errors and countered with great effect. It was truly a marvellous team performance with the side relishing their defensive duties as much as they enjoyed running with the ball. The second half effort to shut out the quality Cobham XV and to win it 20-0 was most impressive.

Next Saturday is another rest weekend and the campaign continues on 2 nd December when Old Colfeians visit Rugby Lane for the 2pm kick off. It promises to be a splendid match as the visitors are enjoying a purple patch having won their last five fixtures. It will also be the 50 th anniversary of the first time the clubs met and their first league meeting since 2007.

# Willem The Conqueror brings victory to local rugby side

11 December 2023

London Cornish 24 Sutton & Epsom RFC 53, Saturday 11th November. It had been a decade since these two clubs had met in a league fixture and only a point separated them this season in the nether regions of the table. Having defeated bottom club Sidcup the previous Saturday Sutton travelled with optimism and were buoyed by the arrival of centre Willem Ratu from New Zealand who was making his debut. The hosts after weeks of hampered availability were also content that they were fielding their best combination so far this campaign.

At the final whistle it was Sutton & Epsom who took the spoils with a 53-24 bonus point victory. This ended a winless streak of 16 away league fixtures for the Black & Whites stretching back to the thrilling Tring 21-20 triumph of March 2022.

On a chill but still afternoon Freddy Bunting initiated proceedings in sunshine under a bright blue sky following a minute's silence for Remembrance Day. London Cornish have endured a hideous run of injuries and their misfortune continued after the first ruck that forced them to bring on Mathew Hand for Tony Pellow and reshuffle their front row. London Cornish's attempt to clear from their 22 was spoiled by Ewan McTaggart using all of his Brobdingnagian stature to charge down the kick then he adroitly transferred the ball to Robbie Martey who offloaded to Josh Pulvirenti to score his first 1st XV try. Freddy Bunting added the extras for a 7-0 lead. S&E barely had time to reflect on their perfect opening before the hosts drew level. Having forced their way into the 22 they were awarded a penalty that was quickly taken and scrum half Findlay Tweedie scored by the uprights. Michael Edworthy added the simple conversion for 7-7.

Sutton pressed hard to regain the advantage and seemed to have wasted an opportunity but the referee brought play back for a penalty in front of the sticks and Freddy Bunting made it 10-7. Moments later they extended their lead with their second goal of the afternoon. Another kick clipped Black & White hands foreshortening the clearance enabling Gareth O'Brien to gather the ball in centre field. The ball was transferred to Willem Ratu who ran it in from 40 metres with clinical efficiency and devastating pace. Captain Bunting bisected the uprights for a 17-7 lead.

Moments later he was caressing another penalty over the bar for 20-7 to end the first quarter. In the next ten minutes the men in Black & Gold had a chance to get back within a score. Fly half Michael Edworthy was successful with his first penalty but his second attempt drifted wide so London Cornish trailed 10-20 with ten minutes remaining of the first period as they enjoyed their best spell in the game. Sutton broke the shackles courtesy of another erroneous kick. A penalty failed to find touch and Robbie Martey returned it with interest. Soon Willem Ratu was offloading to Chris Farrell and the hooker set off for the line only to be denied by a wonderful covering tackle and the observant visiting touch judge who spotted he put a foot in touch when diving for the corner. It was then the Surrey men who suffered a charge down in their 22 but they escaped unpunished. In the dying embers of the first half Sutton secured their third try. Willem Ratu released Jordan Huie who showed great strength in the 22 before Ewan McTaggart advanced it to the line. The recycled ball came to Gareth O'Brien five metres out who stepped inside and was tackled but managed to reach for the line and score. Freddy Bunting concluded the half with the conversion and Sutton & Epsom led 27-10.

This was familiar territory for London Cornish, in the previous round they trailed at the break by 22-0 at Cobham before a storming 4-try second half brought them to the verge of a classic win. However, it was not long before the Rugby Lane team were extending their lead as they secured a bonus point with their fourth try two minutes into the second period. Willem Ratu in a flurry of surging limbs swatted away touchline tacklers and ran the ball in from his own 22 and the Bunting boot made it 34-10. As with the first half the hosts swiftly replied. This time it was a forward effort rounded off by captain Alex Davey from short-range. Ciaran Johnston took over the kicking duties from the injured Mike Edworthy and reduced the lead to 34-17.

For the Rugby Lane followers of a pessimistic disposition their fears were immediately allayed. Sutton claimed the restart and carried the ball to the Cornish 22 where Alex Mount made the telling break before passing to Rob Hegarty to do the honours. The simple conversion was completed and the scoreboard indicated S&E were 41-17 up within ten minutes of the second half.

The Black & Whites replaced Steve Munford at 9 with Chris Ballard and Tom Boaden swapped with Alex Mount at prop. London Cornish were far from subdued and threw everything at their opponents with winger Rob Mackay a constant threat coming off his wing numerous times zigzagging his way through would be tacklers. The Sutton & Epsom defence held firm with Matt Whitaker's magnificent tackle holding up his opponent over the line.

The next score went to Sutton and Willem Ratu completed his hat trick. He ran into the 22 and appeared to be halted as he stumbled but he rolled over regained his feet and ran in to score.

There followed a collector's item... a missed kick by Bunting as the visitors held a 46-17 advantage. The visitors were now at full throttle. They were held up over the line, a kick ahead was cleared by the scrambling defence and Matt Whitaker was halted from a five-metre scrum. But with ten minutes remaining it looked as if Rob Mackay was going to get his reward for his afternoon's endeavours. He strode towards the corner but was brought down with glory within his grasp by Jordan Huie. In years gone by it would have been acclaimed as a great cover tackle but in this season of the experimental new law it was a high tackle, yellow card and a penalty try.

S&E's penchant for the penalty try has seen five in eight outings and has now reached epidemic proportions as the Cornish trailed 24-46. With the numerical advantage they eyed the opportunity for a bonus point for a fourth try before the match concluded.

Once more the Rugby Lane XV regained the restart and advance to the 22. A tremendous scrummage provided the perfect platform to exploit a generous blindside. Matt Whitaker picked up at 8 drew the defender and Chris Ballard waltzed in for his first Sutton try. Normal service resumed as Freddy Bunting converted to bring his personal tally to 18 points and the score to 53-24. For the remainder of the game the hosts went in search of the valuable bonus point but the visitors showed the same determination in defence as they had in attack. Despite the extra man London Cornish were not able to create a clear cut opportunity and the game ended with no further addition to the score. Sutton & Epsom had finally ended their away day woes and won handsomely 53-24.

Willem Ratu was outstanding on debut not only scoring a hat trick but also his passing and tackling were of the highest quality. As is often the case when an exceptional player is added into the mix it elevates the players around him. Ewan McTaggart had his finest game, Chris Farrell revelled in his role out wide and Robbie Martey racked up impressive stats for players passed and metres made. The travelling supporters were delighted to see the Black & Whites playing once more with pace, power and confidence and are now relishing the remainder of the season. London Cornish never took a backward step but were hindered by losing two of their front five within the first 10 minutes. Notable in a losing cause were Number 8 Adam Wheeler who carried relentlessly and Rob Mackay who was dangerous whenever he got the ball.

Next Saturday Sutton are on the road again when they visit the Memorial Ground to play high-flying Cobham who are fourth in the league only trailing Reeds Weybridge on points difference.

## Sutton and Epsom sink Sidcup

11 December 2023

Sutton & Epsom RFC 30 - Sidcup 20. Saturday 4th November. Regional 2 South East is a most competitive league where any side can overturn its opponent so giving hope to supporters every Saturday afternoon. However, for the followers of Sutton and Sidcup they knew only too well that on occasion you have to win games. This campaign had witnessed only a solitary success for both camps and this fixture was therefore a meeting of the damned duo in terms of relegation spots. To the unaffiliated observer the game may have had the appearance of two bald men fighting over a comb but to these two proud clubs meeting under strained circumstances it was a match of the utmost importance. The result would lead to the bells ringing out for both clubs whether they were the alarm variety of relegation or angelic church ones heralding success was still to be determined. By the final whistle it was the hosts who were in the mood for the seasonal fireworks as they triumphed by 30-20.

After the season stalled in deference to the World Cup Final hostilities renewed at Rugby Lane as Sutton welcomed one of her oldest opponents in Sidcup. Despite the tempestuous weather the match was played on a fine surface and mercilessly minus rain as Freddy Bunting kicked off. The opening exchanges saw both teams attempting to run the ball. The Kent side's first entry to the Sutton 22 was undermined when they conceded a penalty. In contrast for S&E a Callum Gibson charge down saw Chris Farrell surge towards glory before the referee brought it back for a penalty to S&E. Captain Bunting kicked to the corner for the attacking line out. Having secured the ball the forwards escorted George London over the line to score the first try. Freddy Bunting added the extras for a morale-boosting 7-0 lead after 10 minutes.

Following some excellent defence the Black & Whites looked like giving Sidcup a second dose of medicine as they kicked a penalty into the corner. However, the throw in went askew and the visitors were awarded a relieving scrummage. Ten minutes later the men from Kent showed S&E how to score from an attacking line out but not in the classical mode. Having secured the ball Mr Tobias Whinney halted proceedings with a shrill blast of his whistle. He had taken objection to winger Max Russell's involvement and issued a yellow card and then jogged under the posts to give the Crescent Farm side a penalty try. This was the fourth time this season that the hosts had suffered this draconian sanction as the visitors levelled the score at 7-7.

Reduced to 14 Sutton & Epsom introduced Messrs Boaden & Hegarty for Gibson & London in the hope of holding out. Sidcup were then inconvenienced by the loss of scrum half Sam Leamon to injury. Then his half-back partner, Josh Twyford, made a telling contribution with a steeping kick. The ball descending from the heavens and S&E winger Robbie Martey jumped to contest for the ball on halfway but the ricochet was re-gathered by Sidcup. A second try was only prevented by scrambling defence and an excellent Martey tackle. Sadly for Sutton it was the most temporary stays of execution as the visitors swiftly recycled the ball and forced their way over the whitewash. Josh Twyford added the conversion for a 14-7 lead.

The first period had been an even affair but was ending with Sidcup in the ascendancy. The visitors next sortie into the host's 22 saw Sutton fullback Ciaran Mohr injure his shoulder to be replaced by the experienced Steve Munford who went to 9 as the incumbent Chris Ballard retreated to the open pastures of 15. The Black & Whites appeared to be navigating the half into a safe haven when they conceded a penalty whilst in possession. Josh Twyford stepped up to conclude the first half with a sweetly struck penalty to extend the visitor's advantage to 17-7.

Despite the lowly league status of the two teams it had been an entertaining first period with both sides carrying the ball with intent but being thwarted by efficient defences who tackled with a relish that reflected the significance of the fixture.

The match re-started and soon Josh Twyford was initiating an aerial bombardment that had proved beneficial in the billowing wind of the first half. This time Sidcup did not gain points from the sensible tactic. Both teams were aware of the significance of the first score in the half. Sutton's efforts were undermined as their line out temporarily malfunctioned and offered the visitors an easy escape. After ten minutes S&E scored through their most familiar method. The half-moon countenance of the Sidcup offender gave no hint of what he had been doing or, indeed, thinking but it was enough for Mr Tobias Whinney to award a penalty. Freddy Bunting collected three points for the Sutton cause as the scoreboard recorded 10-17. Within five minutes an excellent interception by the Black & Whites' lock Ewan McTaggart saw the hosts on the attack and awarded another penalty. Freddy Bunting reduced the deficit to 13-17.

The penalty pendulum swung back in the favour of the Kent men when a few minutes later the referee awarded them an opportunity to go for goal. Josh Twyford stepped up to the mark to make it 20-13 in Sidcup's favour as the game entered the final quarter. With a sense of symmetry the visitors were reduced to 14 men for a high tackle on Max Russell who had earlier enjoyed an unexpected ten minute rest. Soon after the Black & Whites had another penalty well within Freddy Bunting's range but the captain opted to kick to the corner. The gamble resulted in an unexpected bonus. The catch and drive was halted illegally and Sidcup were reduced to 13 men as Sir took his yellow card from his pocket once more. S&E opted for the 5-metre scrum but heroic defence on the line by the visitors saw them hold up the pack to be awarded the drop out from their line.

Before the crowd had time to digest if that might have been the turning point of the match the Surrey men were back on the attack. Chris Farrell found space out wide and burst into the 22 and his perfectly timed pass was taken by flanker Rob Hegarty who squeezed in at the corner. A fabulous touchline conversion brought the scores level at 20-20 and the crowd to their feet. With Sidcup still not returned to their full compliment Sutton ran back the restart.

In such circumstances retaining possession is vital. S&E swung the ball from side to side and eventually Sidcup ran out of numbers. Once more it was the ubiquitous Farrell, on the left wing rather than the right this time, who was the provider as he passed to Robbie Martey on halfway. The winger showed all of his vast experience and class as he weaved his way to the line leaving would be tacklers rooted to the spot like potted plants. Freddy Bunting added the conversion as the two goals within five minutes had the Black & Whites leading 27-20.

The reinvigorated hosts went searching for a fourth try and a bonus point. Max Russell broke into the 22 but conceded a penalty on the deck. As the game entered time added on Sutton were awarded a penalty near halfway. Captain Bunting wisely took aim for goal with the reward of extending the advantage to beyond one score. He made it six successful strikes out of six and S&E led 30-20. Spirited Sidcup gathered themselves for a final assault and took advantage of the host's indiscipline to kick a penalty into the 22. Any anxiety for the Rugby Lane supporters was alleviated as their side turned over the ball and won a penalty. Shortly afterwards the referee concluded proceedings and the Black & Whites had a vital 30-20 win.

The hard fought contest was eventually decided by Sutton exploiting their numerical advantage when they played probably their best rugby of the season. In a fine effort by all concerned the hosts defence was much improved. The visitors contributed much to the match and gave no indication of being any worse than previous visitors this season despite their position in the league. Sutton & Epsom travel to the Richard Evans Memorial Playing Fields next Saturday 11<sup>th</sup> November to take on London Cornish. Please note that the game will kick off at 2:15 pm and for those spectators who enjoy indulging in the post-match reflections these will take place at Roehampton Cricket Club.

# Sutton & Epsom go under at Gravesend

11 December 2023

Gravesend v Sutton and Epsom RFC. Saturday 21st October. The last occasion that Sutton & Epsom ventured to the Rectory Field was during Gravesend's triumphant title-winning season of 2013-4 as the host's mighty pack and Italian international half-backs secured a 41-3 victory. Much has changed in the last 10 years and George London was the sole Sutton survivor from that torrid afternoon. Gravesend have recovered from their harrowing opening day of this campaign against the Ironsides and came into the contest with a couple of wins including an impressive success at Medway who had defeated S&E the previous round. After a match of fluctuating fortunes the home team secured a bonus point win by 36-29.

To the relief of all concerned Saturday's torrential rain coincided with S&E's coach journeys to and from Kent. On a mild afternoon, the sun shone but there was a stiff breeze that favoured Sutton when captain Freddy Bunting kicked off the fixture. Keen followers of the Surrey men often feel that a strong drink is a prerequisite to watching the first quarter but on Saturday they made a wonderful start. Australian debutant Josh Pulvirenti soared into the air to secure the first lineout on the opposition 22 and the ball was spun wide for Luca Shaw to be denied in the corner by the touch judge's flag. Consolation for the visitors was immediate as the referee bought the game back for a penalty. It was kicked to the corner, the lineout was secured and a few carries later the Sutton pack was over the line and Matt Whitaker had the try. Freddy Bunting chipped over the simple conversion for a 7-0 lead after 5 minutes. A couple of minutes later the first of many penalties for high tackles provided Freddy Bunting with the opportunity to increase the lead. Making light of the distance and angle he extended the lead to 10-0.

The home XV soon were pressing for points with a lineout in the visitor's 22 but a technical infringement gave Sutton a scrum near their line. Perhaps expecting a long clearing kick on the wind the Kent men were taken by surprise as Number 8 Whitaker took off down the blindside swatting away tacklers with disdain on a 60 metre rampage. Sadly for players and spectators alike the potential entertainment was disrupted by the frequency of the whistle with Gravesend incurring the early wrath of Sir before he transferred his attentions to S&E's infringements.

Freddy Bunting added impressive penalties from distance in the 17th and 22nd minutes and Sutton led by 16-0. The Rectory Field supporters finally had something to cheer when fullback Ben Kite, grandson of club legend John Moxham, burst into the 22 to create a try for centre Chris Brady. The touchline conversion failed but Gravesend were on the board trailing by 5-16. The penalty pendulum now swung violently against the visitors. Soon the referee was beckoning over the Sutton skipper for a word and some cautionary advice. Everyone knew that the next offence would result in a yellow card. True to his word he brandished a yellow card to Josh Glanville on Gravesend's next sortie into the Sutton 22. The ball was kicked into the corner and the hosts had the 5-metre lineout and the opportunity to exploit their strong suit against the numerically reduced opponents. The catch and drive was illegally impeded and a penalty try was awarded. To rub salt into the visitor's wounds a second yellow was flourished and another Josh departed, this time the Antipodean version, Mr Pulvirenti.

The lead was reduced to four points and S&E to 13 men as Gravesend were 12-16 down but with everything in their favour. Sutton & Epsom dug deep and defended with great determination to make it to the interval with no further points conceded and no more men sent to the dug out. The hosts were in the ascendancy despite trailing 16-12 at the break. However, Sutton would only have a couple of minutes of the second half to survive before being returned to their full compliment.

The game resumed with the Rectory Field men eager to take advantage of their numbers and not only reduce the deficit but also take the lead for the first time in the match. Remarkably not a single point was gained against the 13 men. Perhaps Gravesend thought it unsporting to score against a Sutton side in reduced circumstances because no sooner were Sutton back to 15 the Kent side took the lead. Kicking a penalty into the corner their efficient catch and drive produced the points as flanker Samraj Chahal was ushered over the line. The conversion faltered but the home team had clawed back a 16-point gap and now led 17-16. The crowd barely had time to savour this success as Sutton's riposte was immediate. Excellent play got S&E into the 22 and Gravesend on the defensive. A long pass found winger Lawrence Elliott in splendid isolation and on the 503rd anniversary of Ferdinand Magellan's discovery of his eponymous Straits he had a considerably simpler journey to the try-line to score. Freddy Bunting converted with aplomb as Sutton regained the advantage to lead 23-17.

To mimic the visitors the hosts instantly replied with a try of their own in the corner. The ball was spun wide and a powerful burst by winger Andrew Cooke saw him touch down in the corner. Rhys Betts could not replicate Sutton's touchline conversion and Gravesend trailed by a solitary point, 22-23. The second period had seen three tries in seven minutes and the expectant crowd were hungry for more. S&E were next to score and it was from that most familiar source...the boot of Bunting. The captain's fourth penalty of the afternoon increased the Rugby Lane team's advantage to 26-22. The Kent men surged into the 22 after an excellent probing kick had Sutton scrambling near their line. From the Gravesend 5-metre scrum replacement Junior Rocket went close to scoring but a few phases later and Samraj Chahal picked up his second try of the afternoon. Rhys Betts ended his kicking drought bisecting the uprights to regain the lead by 29-26.

Entering the final 10 minutes the game was very much in the balance. Junior Rocket's explosive entry into the game now turned into a damp squib as he was not only penalised for his covering tackle but also given a yellow card due to its height. Numerical disadvantage once again proved to be no obstacle for the team suffering the man in the bin. As Sutton pressed hard for the next score and to keep the ball alive they rather naively got bundled into touch. A grateful Gravesend had a lineout near halfway and fell back on their tried and tested routine of the catch and drive. They advanced down the paddock and won a penalty. They knocked the ball into the corner with the prospect of another try. For the second time the referee ruled that foul play had prevented a certain try from the lineout and awarded the penalty try, Chris Farrell departed with a yellow card, the teams were 14 each as the Rectory Field XV could reflect on the 36-26 advantage in time added on. For the visitors it looked as if they would be returning to Surrey with nothing to show for their efforts. However, a penalty at the restart enabled Freddy Bunting to increase his personal tally to 19 points and reduce the deficit to a single score thus earning a valuable bonus point. A minute later the match concluded with Gravesend victorious by the score of 36-29.

Any side that outscores the opposition by 6-2 in tries deserves to win any game and Gravesend's clinical efficiency in the attacking lineouts made all the difference. Sutton & Epsom were much improved from last week. The tackling, the lineout and the fluid passing in the backs were better than at any time in the season. Josh Pulvirenti had a fine debut as looks to be a valuable acquisition. Even by his remarkably high standards, Freddy Bunting's kicking was quite exceptional as he landed 5 penalties and 2 conversions from his magnificent seven kicks at goal. Both XV's suffered with discipline and endured a hefty penalty count in an evenly matched and entertaining contest. Ultimately it was the hosts with their formidable catch & drive that held the trump card in this match and they exploited it to the full.

Next Saturday there are no league fixtures in deference to the Rugby World Cup final. The campaign continues on 4th November at Rugby Lane when Sidcup are the visitors. The Kent side recorded their first win of the season on Saturday by defeating London Cornish by 28-21 at Crescent Farm. It will be a basement battle as these two clubs with proud histories sit at the bottom of the league table. The kick off is at the earlier time of 2:30pm.

## Medway Overpower Sorry Sutton & Epsom

11 December 2023

Sutton & Epsom RFC 15 Medway 33. Saturday 14th October.

Last Saturday the league had a rest weekend after five fixtures in September. Buoyed by their stunning success over league leaders Battersea Ironsides, Sutton, at the last time of asking, had travelled to Old Alleynians with great expectations but fell upon hard times. The latest instalment had S and E in search of a morale-boosting victory as they entertained Medway who were looking for their third win on the bounce to continue their climb up the table. Rugby Lane has born witness to much drama already this season.

The agony of a one-point loss to Beckenham was followed by the ecstasy of a win over Battersea Ironsides by the same margin at the last time of asking with Freddy Bunting's boot being the determining factor on both occasions. Unfortunately for the home support this fixture was a foregone conclusion long before referee Simon Matthews ended the contest with Medway earning a 33-15 bonus point win.

Freddy Bunting kicked off the match under threatening skies with a strong breeze in his face. The Black and Whites have undermined their campaign so far by conceding far too many first quarter tries.

Saturday was to be another dose of unpalatable medicine for S and E players and onlookers alike. These things come in threes sprung to mind as Sutton conceded a free kick and two penalties to gift the visitors a 5-metre lineout. A perfectly executed move saw the ball popped to flanker Jonah Hyde who strolled over. Jack Johnson added the extras for a 7-0 Medway lead after five minutes. If that was dispiriting discipline the next score was lamentably lackadaisical. The visitors

kicked a ball speculatively down the middle of the pitch, a harsh critic might have said they had just gifted the hosts possession with that most fashionable of plays. A combination of wind and cruel bounce turned it into a perfect assist for scrum half Ben Dance to gather and run in a second score. Elements apart, it was very poor play by Sutton and Epsom and they paid the severest penalty. Jack Johnson added another telling blow with the simple conversion as the home team trailed 14-0 in under 10 minutes.

Unsurprisingly the Kent side were overflowing with confidence and looked to take advantage of this perfect start where they had had to do so little to be comfortably ahead. They started to play with power and authority. The midfield centre combination of captain Antony Clement and John Sipawa were a constant menace throughout. It was not only their bullocking runs but also the timely offloads to support that impressed as the Surrey men were overrun in the first quarter. Ben Dance got to within 5 metres but his pass failed to find his colleague. Another attack closed in on the Sutton line ended with the ball being passed onto the forehead of an unsuspecting Medway man 5 metres out. Desperate and spirited Sutton defence created timely turnovers as the seemingly inevitable score was averted.

On the half hour drizzle descended, a rainbow embraced the ground and the Sutton slumber ended in dramatic fashion. Jordan Huie, playing his first game of the season, received the ball near halfway. Initially he did well to avoid being bundled into touch and then showing great strength in contact he wriggled free of his pursuers and passed to fullback Ciaran Mohr.

The fifteen with a clear field ahead of him made the 30 metres but was grateful it was not 31. Freddy Bunting's kick against the wind from the touchline was just buffeted wide but S and E were on the scoreboard trailing 5-14. Buoyed by this success the hosts monopolised possession for the remainder of the first period. The forwards carried with good effect and the ball was spun wide but the visitors were as abrasive in defence as in attack. Freddy Bunting added a penalty to make it 14-8 but then the Black and Whites suffered a double blow. Prop Callum Gibson received a yellow for a tip tackle from the lowest of altitudes and Number 8 Kean Orchard left the field injured. The half concluded with no further incidents with the Rochester-based men 14-8 to the good.

Considering the start of the first period Sutton enduring the opening exchanges of the second half with 14 men was a worrying prospect. On the other side of the balance sheet Medway must have been concerned that what had started out as a procession to victory was now a serious contest with S and E within a score. The visitors pressed hard to make good their numerical superiority but dogged defence by the hosts denied them. A 5-metre Medway lineout saw no repeat of the opening score but Sutton's relief was short-lived as they failed to clear effectively. The Priestfields outfit pressed hard and scored in the corner following sustained pressure as influential Number 8 Deji Oyesola forced his way over the whitewash.

Though the conversion from the flank failed the Kent team had extended their lead to 19-8 with a touch under half an hour left on the clock. A quick retort from the Black and Whites was imperative but the next score came the way of the visitors and secured them a bonus point. The centre combo of Clement and Sipawa were only just denied but the ball was recycled and open side Jonah Hyde touched down for his second try of the afternoon. Jack Johnson landed another punch on the teetering body of Sutton with the extras to lead 26-8 as the game entered the final quarter. S and E, as per the first period, came to life and flooded into the Medway 22 and Ross Parsons' pass to the waiting Ewan McTaggart was knocked on by the defence and the hosts had a 5-metre scrum. 18 points adrift on the scoreboard it was a must score moment for the Rugby Lane team. The visiting pack disrupted the scrummage and the briefest of sieges was lifted.

A spirited Sutton valiantly looked for a score running from their own line to halfway at one stage as the clock ran down. The game entered time added on and it was Medway who were next to add to their account. John Sipawa running over two would be tacklers as he maurauded down the touchline to score a try in the corner that his afternoon's performance surely warranted. The heavyweight boot of Jack Johnson bisected the uprights for 33-8. With the game deep into the time referee Matthews had allocated for stoppages S and E went in search of a consolation. With admirably patience and control the forwards crashed against the apparently adamant defence of the visitors and three penalties followed in rapid succession under the uprights. Finally, the wall of red and amber was breached by prop Callum Gibson who reached over to secure his first try for Sutton. In the blink of an eye Freddy Bunting added the conversion for 33-15. Moments later the referee's shrill blast of his whistle signalled the end of the contest with Medway deservedly taking the glory with an emphatic 33-15 win.

Medway were the superior side on the day as every aspect of their game functioned admirably. Combative in contact and adventurous in intent they scored five tries. Their support play was of the highest quality as Messrs Clement and Sipawa made telling inroads and offloaded with great effect. For S and E Rob Hegarty had his finest game as he carried the battle to the opposition but brief Sutton spells of quality were insufficient on the day. To pile Pelion on Ossa prop Will Lloyd suffered, probably, a career-ending injury when he ruptured his distal bicep tendon after 50 minutes. Everyone at Rugby Lane wishes him well.

As England are making their final preparations for their World Cup semi-final against South Africa in the Stade de France Sutton and Epsom will be doing battle on the Rectory Field with Gravesend. The Kent club had an initiation of fire this season with a humbling 80-7 defeat to Battersea Ironsides on the opening Saturday. Since then they have rallied with wins over Sidcup and Medway and they will provide a stern test for the Black and Whites.

## Sutton and Epsom's Alley of dreams dashed in the end.

11 December 2023

Old Alleynians 29 Sutton & Epsom RFC 25. Saturday 30th September.

For Sutton and Epsom supporters with good memories, and multiple miles on the clock, they will recall opening three consecutive league campaigns from 1989-90 onwards against Old Alleynians. However, 3rd November 2012, in S&E's league winning season, was the last time that the two teams met at Dulwich Common with the hosts shading it 18-17. For Saturday's clash the Black & Whites welcomed back wingers Kyren Ghumra and Robbie Martey which meant that the Rugby Lane team no longer resembled Alf Ramsey's World Cup winners. It was another thrilling chapter in the story of this season with Old Alleynians triumphing 29-25.

Freddy Bunting kicked off in front of a miniscule crowd, no doubt affected by the rail strike, making the very busy roads in the environs even more congested. Thankfully the numbers grew throughout the afternoon and they were rewarded with an exhilarating game. A perfectly flighted kick descended just outside the host's 22 and was followed by a resolute Jack Benton tackle. OAs went wide but conceded a penalty. Freddy Bunting accepted the opportunity to give his team the early 3-0 lead.

The host's reply was instantaneous. The first of many sumptuous offloads by the Alleynians had them invading the visitor's 22 and a kick ahead gave them an attacking lineout. With clinical efficiency hooker Rory Simpson forced his way over for the first try of the game. Henry Dewing's touchline conversion went awry but OAs were 5-3 up.

Sutton & Epsom were equally rapid in their riposte. Declining a penalty shot at goal they went in search of the premium points with a kick to the corner with the attacking lineout to follow. Matt Whitaker secured the throw and the S&E pack was initially halted but a second surge carried Josh Glanville over the line for a very similar score to their opponents. Captain Bunting made light of the kick from the flank to restore Sutton's lead to 10-5. Old Alleynians pressed hard for the next score. Their swarming defence and high tempo game pressured the Rugby Lane team into errors. The visitors survived a charged down in their 22 but later a mistimed lineout created a turnover with fatal consequences. The home team ruthlessly exploited an overlap for Will Malins to score the first of his trio of tries. Henry Dewing bisected the uprights to put the Dulwich-based club into a 12-10 lead. As the first quarter ended OAs, tighthead prop Tom Weightman offered sagely advice to his teammates at the restart: "Boys they cannot exit let's play territory".

Within five minutes it looked as if OAs were about to extend their lead from a 5-metre lineout. Defiant defence stopped the advancing forwards and when it went wide a desperate grasp from Michael Bennion prevented the backs applying the coup de grâce. From the ensuing scrum a stunning break from Matt Whitaker supported by Kyren Ghumra took play into the host's half. A penalty for a high tackle was advanced to the 22. Superb play saw Kyren Ghumra to 5 metres out but Jack Howes in support could not hold on to the pass with the undefended line awaiting him. The error was not costly as the Black & White pack won a penalty at the scrum. Opting for tap penalty from 5 metres George London got to within a metre before transferring the ball to Chris Farrell to score. The conversion hit the post but Sutton led 15-12.

Old Alleynians then dominated the remainder of the first period with two tries in the last ten minutes. The first score was Will Malins' second as he got the ball in space and finished with pace and power in the corner. Though the conversion failed the lead had changed hands once more with OAs 17-15 to the good. With the wind in their sails the southeast Londoners were soon pressing for another score. Desperate defence held up the hosts over the line. The goal-line drop out was taken by the hosts who laid siege to the Sutton line. A diving Ghumra interception denied a try but soon after Will Malins turned provider with a wonderful offload to create a try for Number 8 Tom Grahamslaw. Henry Dewing concluded the first period with his second conversion of the afternoon for a 24-15 lead. The teams turned around with a bonus point already secure in Old Alleynians' back pocket for the four fabulous first half tries.

The contest resumed, the tempo increased and the chances to score multiplied exponentially. Quite remarkably there followed thirty minutes of end-to-end rugby with numerous chances but no additional scores. As one matchday photographer mused both XVs were specialising in try avoidance. The catalogue of close calls began with that man Malins once more to the fore. The Sutton defence dawdled by the touchline and the winger manufactured a kick ahead and from nothing the ball was rolling over the try-line with a couple of Alleynians vying for the glory. However, they were denied by the diving Sutton lock Josh Glanville, who used every inch of his frame, to rescue S&E. A few minutes later Kyren Ghumra was sprinting clear in the wide open spaces with a try beckoning before his errant pass sailed high into touch. Then OAs pounced on a ball dropped by the visitors and a breakaway score looked a certainty. But a backpedalling Bunting and

Bennion prevented the dramatic score.

Sutton's cause was not aided when Matt Whitaker departed for a yellow card as a result of cumulative offences. Old Alleynians kicked into the corner hoping to immediately take advantage of their numerical superiority. The ball was claimed and spun wide but white-line fever overwhelmed fullback Henry Dewing and Rob Hegarty scythed him down a metre short with expectant support on the outside. Sutton then took over the 'nearly but not quite' mantle. Reminiscent of the denouement of the Battersea game the previous round they hammered against the line under the posts. Herculean heroics by the SE21 outfit forced S&E to seek the alternative route via the backs. They were denied by a marvellous cover tackle on Kyren Ghumra in the corner. After all the thrills and spills the next score was the much more mundane Bunting penalty to reduce the Old Alleynians' lead to 24-18.

Hardly had the crowd had time to digest that Sutton and Epsom were within a score before they rose to applaud Will Malins' hat trick. It was another excellent finish and a deserved reward for an outstanding performance on the wing. Though the conversion missed with the lead 29-18 with only a couple of minutes remaining of normal time it appeared to be the match-winning moment. However, the Black & Whites were not done and we were able to bear witness to another episode of their long-running Soap "Life On The Opposition Line". The Alleynian defence had been robust all game and were eager for another titanic tussle under their posts. After very careful consideration following numerous carries the referee awarded S&E a try. Chris Farrell emerged from the pile of bodies to claim his second of the afternoon.

Freddy Bunting's simple conversion meant Sutton trailed 25-29 creating a chaotic conclusion. Both sides decided to run the ball at every opportunity. Henry Dewing thought he had finally shut the door on the impertinent opponents when he chipped ahead but the bounce did not favour him and the game was still in the balance.

Though Sutton and Epsom threw the ball from one side to the other they could make little headway against the voracious tackling of the Alleynians. With time up OAs gratefully kicked the ball from the paddock at their first opportunity to collect a thoroughly deserved bonus point win. The Malins hat trick was the obvious highlight but the Old Alleynian XV were excellent with lock Ben Osuntokun epitomising their performance. The Number 4 secured lineout possession, carried to great effect in the loose and was prominent in defence. For S&E they probably created more chances than in any other game this season but could not find that cutting edge. Kyren Ghumra was a tad ring rusty in his first outing of the season but was still a prominent threat. The hosts were good value for their win as they managed to play at a faster tempo, were aggressive in defence and kept attacks going with dextrous offloads and excellent support running.

The league has a weekend off before resuming on Saturday 14th October when Medway visit Rugby Lane to resume hostilities in this most competitive of leagues.

## Bunting Boots Battersea Into Touch

11 December 2023

Sutton & Epsom 26 Battersea Ironsides 25, Saturday 23rd September. This was the first time the two clubs had ever met in a league fixture as Battersea Ironsides became league opponent number 104 at Rugby Lane on Saturday. Once more the Black & Whites were set against an unbeaten side and on this occasion they entertained the league leaders. The hosts gave a debut to fullback Luca Shaw whilst the visitors, not for the first time this campaign, made a host of changes to the squad who had downed London Cornish the previous Saturday. S&E turned the early season form guide on its head with a dramatic 26-25 victory.

After the recent torrid temperatures it was a welcome return to sensible weather that was most conducive to entertaining rugby. Freddy Bunting set the game in motion and within five minutes the Ironsides had taken the lead. A solid lineout in the 22 was followed by a penetrative carry by lock Jack Wharton before captain Stuart released the backs and winger Ben Turner applied the coup de grâce. The conversion from the flank drifted wide as Battersea led 5-0. Five minutes later and

the visitors had doubled their lead. A stunning break from a ruck on halfway by blindside Raphael Arboine was snuffed out by a splendid cover tackle deep in the S&E 22 but the damage had been done. The ball was recycled and spun wide for Ben Turner to dot down once more. Another challenging conversion from Charles Stuart failed as Battersea Ironsides were 10-0 ahead in as many minutes.

The league leaders were content that the natural order was being maintained as they appeared to be on their way to a regulation bonus point victory condemning the Black & Whites to another demoralising defeat. However, perhaps there should be a pitch-side sign at Rugby Lane declaring: "BEWARE OF THE BUNTING". An illegal side entry to a ruck offered the Sutton skipper his first shot at goal. He duly obliged to put S&E on the board at 3-10. A few minutes later he was caressing the ball through the uprights again for 6-10 to conclude the first quarter. The second penalty being awarded for a deliberate knock on after a fine break by Matt Whitaker. The men from Burntwood Lane responded as outside centre Jacob Charles carved through the home defences and with a modicum more of precision a try would have ensued. Moments later his centre partner Ben Lyons held on to the ball too long and another chance disappeared over the horizon.

The SW17 outfit's progress was already being hampered by the regular blasts from referee Richardson's whistle. The sight of the referee shooing back the Battersea offenders the obligatory ten metres as if they were recalcitrant hens was becoming a regular feature of the game. Almost inevitably Freddy Bunting was given another opportunity to add to his account but failed to reduce the deficit on the half hour. The hosts rang the changes with Will Lloyd replacing Callum Gibson in the front row and Jack Benton taking over from Ewan McTaggart in the second row. The remainder of the half saw more probing kicking from both XVs as if they had signed a non-aggression pact putting security ahead of ambition. In time added on, normal service was resumed as Freddy Bunting bisected the uprights for the third time as S&E trailed 9-10. There was just enough time on the clock for the visitors to also have a shot at goal. Charles Stuart kept his head and landed his penalty from near the halfway line to conclude the first period with Battersea Ironsides 13-9 to the good.

As the sides turned around a fascinating contest was evenly poised. The early dominance of the visitors had been undermined by indiscipline as they threw around penalties like confetti and failed to heed the impassioned plea of 'cut out the penalties' from within their ranks. S&E grew into the game via a solid scrum and keeping it tight with the forwards carrying to good effect to counteract the threat of the Battersea backs in open play.

The Black & Whites started the second half in fine style. An early infringement saw Freddy Bunting kick to the 22. An excellent catch and drive was followed by Matt Whitaker carrying to within five metres of the line forcing a scrum to Sutton under the posts. The resilient Battersea defence held the line until Sutton were awarded a penalty try when prop Will Lloyd was illegally prevented from collecting his annual score. The hosts now led by 16-13. In adversity the Ironsides made the perfect riposte. Probing kicks from Charles Stuart pegged the hosts in their 22 and put the visitors onto the front foot. Then more incisive running by Charles Jacobs had S&E on the retreat as centre partner Ben Lyons was on hand to shrug off challengers for an excellent finish in the corner. Despite the conversion failing Charles Stuart's side had seen the restoration of their lead as the scoreboard read 18-16 to Battersea Ironsides.

With an unpleasant echo of last Saturday's match against Old Reigatian the opposition tries were like London buses and Battersea secured a bonus point for their fourth try a minute later. Capitalising on the bouncing ball from an up and under the Openview side tore into the Sutton 22 and scrum half Jack Moates dived over. Charles Stuart gratefully accepted the easier conversion to extend the lead to 25-16. In a blink of an eye the Rugby Lane crowd, who had been contemplating a first win of the season, were now dreading a fourth defeat on the spin. As the game entered the final quarter so the action switched to the visitors' 22. Despite pressure and territory the hosts had to be content with another Freddy Bunting penalty to be within a score at 19-25.

With only seven minutes remaining the men in green ventured into Black & White territory and were given a penalty. Following the prevailing orthodoxy the pot at goal was declined in favour of the kick towards the corner. In hindsight, Charles Stuart's decision might have been a tad cavalier as a successful kick would have translated to a nine-point lead. Fortune did not favour the bold as they were undone by conceding their umpteenth penalty. In time added on a collapsed scrum gave Freddy Bunting the chance to kick to the corner for S&E to have a shot at glory. There followed 5 minutes of unrelenting assault on the Battersea line, heroic defence and unbearable tension with penalties and scrums as the action concentrated under the posts. Finally, a mass of bodies slumped over the line and jubilant Sutton players thrust their arms skyward. Mr Richardson took a considered look and finally raised his arm aloft for Rob Hegarty's try. It was left to Freddy Bunting to add the conversion that was greeted with rapturous applause and the final whistle as Sutton won 26-25.

Battersea Ironsides had the ideal start with a quick-fire Ben Turner brace of tries. Their lineout, whether on their ball or against the Sutton throw, was excellent. Centre Charles Jacobs was a threat every time he had the ball. Captain Charles Stuart varied the attack from 10 but ultimately they were let down by their discipline. The profligate penalty count spread like a contagion and not only cost them 12 points, but also hefty yardage and time spent with 14 men.

The Black & Whites showed character in bucketfuls coming back from the dire start and then overturning the 9-point deficit that culminated with the nail-biting denouement. For Sutton the pack was a source of great strength in the set-piece and the loose, Matt Whitaker was a giant in attack and defence whilst Freddy Bunting kept the scoreboard ticking over.

Next Saturday the Black & Whites visit newly promoted Old Alleynians for the first time since November 2012. The OAs have had a solid start to the campaign lying sixth in the table after wins over Gravesend and Sidcup.

## Close result in match of fluctuating fortunes

11 December 2023

The Black and White bandwagon descended Saturday 16th upon the Geoffrey Knight Fields for the third round of the Regional 2 South East season. Old Reigatian (OR) are one of three clubs, along with London Cornish and Old Alleynians, who crossed Sutton and Epsom's path during their brief dalliance with Level 7 in 2012-13. For Rugby Lane supporters of a certain vintage there was a link to the club's former glory. The OR captain was Reilly Franklin-Talbot the son of erstwhile Sutton Number 8 Sean who, amongst many Herculean deeds, scored the last gasp try in the 1990 Surrey Cup final to defeat Old Mid-Whitgiftians by 16-11. Now returning to the present from some rose-tinted nostalgia, the hosts had begun the year with impressive wins over Sidcup and London Cornish in sharp contrast to the suburbanites' start. The early form guide was just maintained as OR edged past the visitors 35-29 in a game of fluctuating fortunes.

On another glorious summer afternoon, that had a refreshing breeze that was more sympathetic to the travails of the participants than last weekend's cauldron, the crowd gathered to revel in an afternoon made for running rugby. Freddy Bunting's lofted kick off was superbly tapped back by Michael Davies to initiate an opening period of Sutton control. Following multiple phases and profitable probing by Sutton and Epsom they were awarded a penalty. Freddy Bunting did the necessary and Sutton led 3-0. The Black and Whites returned to the OR 22 looking to build on their early advantage but in a crowded midfield Reigatian centre Tom Allen made a timely intervention to intercept and race away to score under the posts. The unchallenging offering was accepted by Conor Woods as the home crowd applauded their 7-3 lead after an enthralling eight minutes.

An accidental, but avoidable, offside by Sutton and Epsom gave the Reigate team the opportunity to test the visitors' defence as they kicked into the 22. The defence stood firm and won a scrummage that enabled them to exit via Chris Ballard's boot. However, a kick is only as good as its chase. A pitiful challenge encouraged a wonderful counter and in the blink of an eye a try looked to be a certainty until a crucial pass hit the deck with the line at the mercy of OR who compounded their misery by giving away a penalty. Their disappointment was assuaged within scrum they deservedly scored. The backs created the overlap for flanker Finlay Lock to apply the coup de grâce. A sweetly struck conversion by Conor Woods made it 14-3.

The Old Reigatian backs were in full swing and it was a thrilling sight to behold. The combination of pace, evasive footwork and wonderful passing was devastating. In addition, the ubiquitous flanker Finlay Lock linked play with deft touches and was supported ably by captain Reilly Franklin-Talbot's powerful carrying. Attacking once more this potent potion for success was denied on the line by a Will Lloyd tackle. This was only a temporary stay of execution as OR scored from the 5-metre scrum. Winger Max Coyle stood up the defence and stepped past would be tacklers to finish with aplomb. Conor Woods bisected the uprights and the unstoppable Old Reigatian XV had an impressive and deserved 21-3 lead.

Sutton and Epsom tinkered with their front row as Tom Boaden was replaced by Tariq Al Khaldi. Then five minutes later the Sutton pack was forced into another change when Number 8 Kean Orchard injured his knee and the visitors brought Dan Jones off the bench. The Black and Whites now employed the boot to great effect. Firstly, a Bunting kick forced a drop out then an O'Brien effort set up a lineout in the 22. A jinking run by Gareth O'Brien had the hosts in retreat. The Sutton pack recycled the ball and George London forced his way over. Captain Bunting added the extras to cut the lead to 21-10. The next opportunity to add to the score went to the home team.

However, the Rugby Lane men resolutely defended a 5-metre line and the timely intervention of centre Ross Parsons won the visitors a relieving penalty. At the other end the Black and Whites were awarded a penalty and, in a rare demonstration of fallibility, Freddy Bunting's kick drifted by on the crosswind. The kicking machine returned to working order when the Sutton skipper slotted over his next opportunity that concluded the first period with Old Reigatian 21-13 to the good.

Within five minutes of the restart Freddy Bunting had reduced the deficit to 5 points with his third penalty of the afternoon. Sutton were playing with control and with astute application of their kicking game. The key to their improving fortunes was the set scrum as Messrs Al Khaldi, Howes and Lloyd were utterly dominant. Indeed it was from a scrum that Sutton and Epsom took the lead.

The Black and White pack marched back their opponents by 10 metres in a ruthless demonstration of power and control.

Michael Davies took advantage of the back-peddling defence and the visitors were halted on the line. Sutton were not to be denied and hooker Jack Howes was able to reach over to score. Bunting's conversion put Sutton ahead by 23-21. They had overturned the 18-point margin by starving the Reigatian team of possession.

Sutton and Epsom extended their lead when the scrum was awarded a penalty in front of the posts and Freddy Bunting chipped it over to stretch the lead to 26-21. OR awoke from their slumber in startling fashion. From the restart Chris Ballard cleared to the host's half and the ball was gathered by Max Coyle who set off on a scything run that exploited Sutton's poor cover. Scrum half Alex Skinner was on hand to finish off the sweeping move and Conor Woods added the simplest of conversions. Reinvigorated by regaining the lead at 28-26, with a bonus point in the bank, OR's struck again moments later. Skipper Reilly Franklin-Talbot marauded into the 22 and passed to winger Harrison Mitchell who dotted down. Conor Woods made it five conversions from five attempts as Old Reigatian led 35-26 as the game entered the final quarter.

Sutton and Epsom were soon gifted a way back into the game with a penalty in front of the posts. However, Chris Ballard took a quick tap penalty trying to exploit the defensive disarray. The gamble did not go to glory and the Reigate men survived. Soon after a wonderful chance to extend their lead was butchered when centre Tom Allen's passing let him down following his brilliant break that denied the home crowd a third try in a devastating ten minute spell. With the game in time added on Dan Jones was manhandled at the breakdown and Sutton and Epsom had a penalty. This time the points were taken to give the visitors a potential losing bonus point as the lead was reduced to 35-29. A minute later the Rugby Lane supporters were crestfallen when Old Reigatian were awarded a penalty in front of the posts. The previously perfect Conor Woods erred and the score remained the same. Despite frantic efforts from the Black and Whites there was no eleventh hour drama and the game concluded moments later with OR triumphant by 35-29.

Old Reigatian's backs played some thrilling rugby on a perfect day in the wonderful setting of the Geoffrey Knight Fields. In addition, the tireless Finlay Lock excelled on the flank as OR outscored Sutton and Epsom by five goals to two. In a game of contrasting styles the hosts certainly monopolised the highlights package but there are many ways to flay a feline. The Sutton pack with Tariq Al Khaldi making a most significant contribution off the bench made it an intriguing contest.

With 19 points from the bludgeoning Bunting boot the game could have gone either way. For the visitors there were improvements from the previous outing. Ross Parsons in the centres epitomised the improved work at the breakdown. Jack Howes at hooker had a 100% record with his lineout throwing. However, the garlands are reserved for the fabulous front row who created the platform from which all their success came.

Old Reigatian remain unbeaten, second in the table on points difference having garnered the maximum 15 from their three matches. Sutton have now lost to three of the four unbeaten XVs. Next Saturday they host the other unbeaten side, Battersea Ironsides, who top the table.

## Beckenham Edge Extraordinary Encounter

11 December 2023

**Sutton and Epsom 41 - Beckenham 42.** It was a case of polar opposites on the opening Saturday for this weekend's combatants as the hosts began the campaign with an away defeat at Reeds whilst the visitors got off the mark with a thrilling 36-31 home win against London Cornish. **Sutton and Epsom** had not had the pleasure of hosting the Kent club since their 28-8 victory in November 2013. The Black and Whites gave debuts to starting prop Callum Gibson whilst utility back Jack Briggs began on the bench. In marked contrast evergreen George London returned to the colours to make his 187<sup>th</sup> appearance. The match surpassed even the weather in terms of being unexpected and eleven tries later Beckenham won by a solitary point as the scoreboard read 42-41.

The Rugby Lane crowd palavered peacefully onwards from the clubhouse into the unclouded jollity of the afternoon to witness the Class of 2023-4 open their domestic account. The thermometer told of testing temperatures in the 90s and the challenging conditions were certain to be a factor in proceedings. Freddy Bunting kicked off for the hosts. The first opportunity was given to the visitors as Sutton strayed offside to give Lewis Bunton a simple penalty to put Beckenham on the scoreboard, 3-0, in the third minute. Sutton and Epsom replied in kind moments later as Freddy Bunting equalised with a penalty of his own for 3-3. The Bunting boot then set up a great opportunity with a fabulous 50 20 kick. An ensuing quickly taken penalty by Chris Ballard had the Black and Whites under the posts. Will Lloyd went close before it went wide for Gareth O'Brien to jink his way over. Freddy Bunting added the simple conversion for a 10-3 lead.

The next sortie to the Kent 22 resulted in a second Sutton goal. Michael Bennion made a break and Max Russell kept it alive before it was switched to the right. Gareth O'Brien then glided in untouched under the posts from 30 metres for his second try. Freddy Bunting did the necessary for 17-3 and the players enjoyed a much needed official hydration break. With thirsts slaked and suitably revitalised the boys from Balmoral Avenue swept into the home 22 and won a penalty five out. They set up the lineout and though their catch and drive faltered they were awarded another penalty. A quick tap and a powerful burst saw Jamaican international Rimarni Richards score. The conversion drifted wide but Beckenham had reduced the deficit to 8-17. The Black and Whites immediately extended their lead, though Michael Bennion's dummy went unsold, the ball was recycled, George London stooped to take a pass on the half-volley then made light of the attentions of the visitors' defence to relentlessly power on and touch down from 20 metres. Freddy Bunting bisected the uprights and Sutton and Epsom had clear water at 24-8 approaching the half hour mark.

That clear water was to be the high water mark for the hosts as their ascendancy was alarmingly transformed by a stunning Kent comeback. It was not so much a turning of the tide but a tectonic shift of seismic proportions. A careless penalty at the restart gifted Beckenham an opportunity from a 5-metre lineout. They executed their process to perfection as former skipper Liam Markey flopped over. Despite the conversion failing they were on their way back at 13-24. It was the visitors' turn to err at the restart, not only kicking out on the full but also following up by giving away a penalty. Sutton and Epsom opted for the kick to the corner rather than through the uprights but the gamble did not pay dividends. Moments later at the other end the men from Balmoral Avenue were more clinical as they won their lineout and a bullocking run by Rimarni Richards crossed the whitewash. On this occasion Lewis Bunton added the extras for 20-24. As a disbelieving home crowd dropped their remarks into the understanding air there was one more twist, or perhaps dagger to the heart, before the half-time whistle. Dan Hamilton gathered a loose ball in his own half and he sprinted by the grandstand with no one ahead of him. Desperate cover closed him down but a wonderful support run by Lewis Bunton saw the 10 score. He added the conversion and the visitors turned around 27-24 to the good to end a jaw-dropping half of rugby.

It was hard to know if the incarnadine faces of the Sutton players were from the heat or their embarrassment. The Kent team continued the second period where they left off in the first. Within moments Lewis Bunton had added another penalty for a 30-24 lead. From the restart the catch was run back 50 metres and soon followed try number five with a strong finish on the flank by winger Stefan Linton. The touchline conversion failed but Beckenham were 35-24 ahead with 27 unanswered points. At this stage the visitors looked to be favourites to continue their hot streak and run up a cricket score. However, the pendulum swung back in favour of the Black and Whites.

A positive carry by debutant Callum Gibson offered Sutton some respite with a penalty. Captain Bunting steadied the ship and ended the drought to close the gap to 27-35. Better was to come to raise the spirits of the Rugby Lane crowd. A desperate kick and chase by Max Russell led to a 5-metre penalty. Sadly Max Russell showed all the circumspection of the Gadarene swine with the same result as the Biblical beasts as his quick tap gave away possession. Fortunately for Sutton and Epsom they soon got a penalty that reduced Beckenham to 14 men as Mr Duncan Butler-Wheelhouse issued a yellow card to captain Hans Laud-Anderson showing no empathy towards a fellow double-barrelled man. More woe fell upon the visitors as Ewan McTaggart emerged from a pile of players with a try from the 5-metre lineout to secure an Sutton and Epsom bonus point. Freddy Bunting converted expertly from the touchline to make it a one-point game with Beckenham 35-34 ahead.

It was time for the final official water break and cool heads were certainly at a premium as the game entered the final quarter. Sutton started to play with fluency, the tackling improved, turnovers were being won and the set scrum was secure. The Black and Whites regained the lead with their best team try of the afternoon. Multiple phases had Callum Gibson, Max Russell and Ciaran Mohr make gains and it was left to the vastly experienced George London to force his way over from close-range for his brace. Freddy Bunting once more converted from touch to lead 41-35 leaving Beckenham searching for a goal in the last ten minutes as a try would not suffice.

A spectacular finish ensued as the tension led to errors. Kicks went out on the full, balls were dropped and penalties neutered attacks. Then with the game in time added on the visitors had the chance to kick a penalty into the corner. Could they once again score from a 5-metre lineout? The ball was secured but the drive was held and anxious moments passed until a shrill blast of the whistle. Everyone expected a try but a penalty try was a surprise to those seeking shelter from the sun in the grandstand. Instead of a very challenging conversion from the flank Beckenham had an automatic 7-point score and had regained the lead 42-41. Surely that was the end of the drama.

With noteworthy game management the visiting pack controlled the restart. Slowly and steadily they advanced to the Sutton 22 and the Sutton and Epsom defence dared not concede a penalty but were desperate for a turnover. Unexpectedly Beckenham gave away a penalty and offered the hosts a lifeline. It was advanced by Bunting's boot to halfway. The lineout was secured and the endgame began. The ball went wide and the Kent territory was entered. Then the ultimate drama as Sir awarded the hosts a penalty. It was Captain Bunting who had to go to the well once more and attempt another kick from the touchline. The ball soared over the height of the uprights but inches wide and the final whistle blew. Beckenham had triumphed 42-41 and the Black and Whites had the consolation of two bonus points.

Both teams had moments of dominance but also had periods they would want to forget. It was cruel that the brilliant place-kicking of Freddy Bunting was not rewarded by one last successful strike to add to the previous magnificent seven.

The Sutton scrum was a source of strength, Gareth O'Brien sidestepped his way to two tries and veteran George London also doubled up with forceful scores. Equally Beckenham had their standout performers with the powerful carrying of prop Rimarni Richards being rewarded with two tries, Dan Hamilton was central to the comeback and their lineout converted the chances they were provided with remorseless efficiency.

Next Saturday, 16<sup>th</sup> September, the charabanc will be heading to Geoffrey Knight Fields for a fixture with Old Reigatian. OR have opened their campaign with an impressive 33-7 home win against Sidcup before a 36-26 winning trip to London Cornish in round 2. Meanwhile the Black and Whites will hope it will be third time lucky as they search for their first win.

## Reeds Weybridge 27 - Sutton & Epsom 12

11 December 2023

Following the disappointment of last season's relegation **Sutton & Epsom RFC** had a stern test in their Regional 2 South East opener with a trip to Reeds Weybridge. The hosts are one of the country's most upwardly mobile clubs with six promotions in the last eight campaigns whilst they finished third at the last time of asking. There was some compensation for missing out on their habitual climb up the rugby pyramid. An excellent cup run ended in an 18-3 defeat to league rivals Battersea Ironsides at Saracens' StoneX Stadium in the final of the inaugural Papa John's Regional 2 South Plate. For the Black & Whites it was their first league encounter with the men from Whiteley Village. S&E welcomed debutants Chris Ballard, Kean Orchard and Max Russell to the 1st XV whilst, on the other end of the scale, it was a red-letter-day for Will Lloyd as the veteran prop made his 100<sup>th</sup> 1st XV league appearance. Unfortunately, Sutton failed to open their account at the first time of asking as Reeds Weybridge deservedly won by 27-12.

On a magnificent summer's afternoon, with a cricket match in progress on the other side of the trees, S&E's new captain, Freddy Bunting, initiated proceedings kicking down the modest slope with a gentle breeze in his face. The hosts completely dominated the opening fifteen minutes. They imposed their tempo and pattern on the game. After an initial penetrative carry by a forward or two the ball was spun wide. Despite the territory and possession the forward bursts were modest rather than devastating. Sutton survived a quick tapped penalty from the alert Ollie Palmer but having cleared their lines incurred their first penalty to the new experimental tackle laws. A probing kick to the corner gave RW a great attacking platform. The first assault was repelled by a Matt Whitaker tackle but swift recycling saw the ball swung blind and an overlap was created for lock Cameron Goodwin to stride home. Jack Jesty added the extras with a sweetly struck conversion from the flank for a 7-0 lead.

Buoyed by the opening score on five minutes the Hershams men looked to stamp their authority on the game and extend their advantage. Despite the next ten minutes being one-way traffic the hosts and spectators were frustrated by the stop-start nature of the proceedings. Errors were met with a bountiful whistle as infringements and rustiness were not excused by Referee Wright. A second try for RW seemed inevitable as Coriolanian Sutton defence was required to hold their line. The ball was sent wide for an inevitable score but a diving Michael Davies intercepted a pass with a catch more familiar to cricket than rugby. The frustrated hosts conceded a penalty and the visitors cleared from under their posts.

Belatedly S&E had some possession and immediately put it to great effect. Fluent handling saw them arrive for their first visit into the alien 22. Another penalty was awarded and Bunting kicked to the corner. Before the lineout was taken prop Alex Mount was replaced by Tom Boaden. From the throw a well-executed lineout saw the mass of Black & White shirts bundle over the line. Rob Hegarty emerged from the pile to claim the try. Freddy Bunting's touchline conversion drifted wide as Reeds led 7-5. They followed a period of dominance from the men from Rugby Lane. The

visitors mimicked their opposition by failing to add to their total despite the monopoly of territory and possession. Though they were unfortunate that when Ben Tame crossed the whitewash from another lineout the referee was unsighted and gave the only decision available to her and Reeds had a relieving drop out. However, the visitors only had themselves to blame for failing to secure the lead. They were turned over near the line and conceded a penalty with a try at their mercy. It was the turn of RW to show the virtues of Horatio on his famous bridge.

Sutton's profligacy was punished in the 40 th minute. Chris Ballard's pass was impeded at the ruck and the loose ball was poached. Captain Bunting made an excellent tackle to stop the try but the second wave saw hooker Rhys Day score despite another thunderous tackle. Jack Jesty added the conversion to stretch the lead to 14-5. There was eight additional minutes to the half and Sutton spent more time in the far 22 but to no avail as the sides went into the interval with Reeds Weybridge 14-5 to the good.

Naturally Sutton and Epsom were desperate for the opening score of the second period. But within a minute it was the boot of Jesty that added an early penalty from in front of the posts for a healthy advantage of 17-5. The visitors played at a higher tempo but still struggled to be clinical as they tried to get back into the game. Frequent blasts of the whistle impaired both teams until the Hersham side were offered another opportunity to extend their lead. For the only occasion in the game Jack Jesty erred and S&E's task was not made any harder. Solid defence rebuffed the Black & Whites as Gareth O'Brien's scything run was halted by the offence of crossing. Reeds Weybridge then gave the visitors a lesson in scoring. From a period of sustained pressure and patient ball retention blindsided Joe Wastie rounded off the attack. Normal service resumed from Jack Jesty and RW led by the sizeable margin of 24-5.

Sutton and Epsom needed a rapid reply and it came from the most familiar source. An alert Chris Ballard took a quick tap penalty then the ball was spread wide and S&E threatened again but this time Matt Whitaker was on hand to score. Freddy Bunting eased over the conversion to trail 12-24. For Reeds' Captain Herbie Finn there was not the standard scalding vituperation that often follows these moments but the sagacious advice to his troops that the game was not over. The Black & Whites needed to maintain the pressure and add to this score to create doubt in the minds of their opponents. However, careless penalties were conceded, the ball was cleared and any flames of recovery were extinguished by the commendably calm game management of the hosts.

In the last five minutes Referee Wright brandished a yellow card, going about the task with a mortician's lofty detachment from the irksome job in hand. Reeds would have to play out the game with 14 but it was too late to have a telling impact as Joe Wastie went from player to spectator. After five minutes of time added on the hosts were awarded another penalty and the assured Jack Jesty bisected the uprights to conclude proceedings with Reeds Weybridge victorious to the tune of 27-12.

Reeds deserved their victory. Their lineout provided quality possession, their forwards carried effectively and they played at pace. Through notable absentees in their ranks they perhaps lacked that telling intervention in the back division to punch holes in the defence but they will not be overtly concerned having taken the points. Unlike Sutton and Epsom they opted to kick simple penalties and kept the opposition at arm's length. The hosts played with an excellent tempo and to their familiar pattern and imposed themselves on the game in the first quarter. They should have gained more than their solitary goal but early season rustiness will no doubt be replaced by clinical efficiency in the weeks to come. Their defence was resolute and their game management in the last quarter meant there was going to be no famous Sutton comeback.

For the visitors it was a delight to see the return of Matt Whitaker. Sutton and Epsom without Whitaker would be like Hamlet without the Prince and for the umpteenth time the opposition declared him the pick of the S&E bunch. Debutant Chris Ballard at 9 impressed with not only his service but also his ability to exploit the gaps. It was not for want of effort that centurion Will Lloyd failed to be on the winning side. He was rock solid in the scrum, made his carries and offloads as well as a crucial intervention on the line that prevented a Reeds try. Neither side benefited from the frequency of the stoppages but the Black & Whites failed to play with the fluency that was demonstrated in pre-season. One feels a victory would transform their demeanour.

Next Saturday 9th September league rugby returns to Rugby Lane with a 3pm home fixture against Beckenham RFC all are most welcome to attend.

## Rugby Returning To Rugby Lane in Ewell

11 December 2023

This time last year **Sutton & Epsom Rugby Football Club** were looking optimistically at the brand new Regional 1 South Central anticipating opening their account at Lily Hill Park against Bracknell. Twelve months later following a season that was underwhelming in the extreme Sutton and Epsom came bottom of the league and were relegated. With the RFU shuffling the deck once more S&E have been placed in Regional 2 South East. For the second campaign on the bounce the Black & Whites will be welcoming some new league opponents in the form of Battersea Ironsides and Reeds Weybridge. Meanwhile they will be reacquainting themselves with familiar foes like Sidcup whilst Old Colfeians make a welcome return to Rugby Lane for the first time since 2006.

Notable players have departed for a variety of reasons including age, family life or the golf course and Messrs Caddy, Cooksammy, Drye, Harwood, Hurley & See will be hard to replace and a most grateful club offer them their heartiest best wishes for the future. But this is the cyclical nature of club rugby and it will provide an opportunity for young players to step into big boots and establish their reputation as an essential starter for the 1st XV.

For the supporters the loss of those favourites will be compensated by the long-awaited return to the colours for Matt Whitaker following surgery after a fallow season last time around. One senior player has not hung up his boots and will be hoping for at least one more league encounter as prop Will Lloyd is currently a man with 99 league appearances under his belt and hopes to become the club's 32nd league centurion.

Head Coach Paul Hodgson commenting on the season ahead said: "Since my return back at Sutton & Epsom RFC, I don't feel there has been a more exciting time in this transition period between seasons. The main reason being is that a young crop of players, mainly graduates from the S&E RFC Junior section, will be making up the majority of the starting squad. Mixed in with a few experienced players and new faces, I feel the 1st XV representing this great club will be a very competitive side. My prediction for the season is that there will be a lot of good times playing down at Rugby Lane and there will be some good wins achieved on the road."

As usual the league season begins on the opening Saturday in September when Sutton & Epsom travel to Whitely Village to experience an inaugural league fixture with Reeds Weybridge. For those of you who frequent Rugby Lane the first home fixture is against Beckenham on Saturday 9th September kicking off at 3pm.

Full fixtures for the season can be found on the club's website

## The season's final curtain

11 December 2023

Sutton & Epsom RFC 34 v Bracknell 24. Saturday 11th March.

The modern league fixture list has a marvellous symmetry as it ends against the opponent one

played on the opening day of the season. Way back in September that meant a journey to Lily Hill Park to play Bracknell for the first time since the 2009-10 season. A lot of players have crossed the whitewash since then, and too many of them have been S&E's opponents, and 22 games later the season has ended. Perhaps the omens were not so favourable on Day 1 as once again as with those former times the Black & Whites were facing the denouement of the campaign having already been relegated from Level 5. On 10 th April 2010 the team bid a fond farewell by thrashing North Walsham 55-15 and on this occasion Sutton & Epsom put in a rousing performance to sign off with a 34-24 triumph over Bracknell.

The game certainly had the feeling of the end of an era as James Caddy led out the side for his allegedly last appearance. Joining the stalwart back row in the departure lounge were George Drye, Sam Hurley and Jamie See, all of whom have been superb servants of the club and were instrumental in the recent rise to National 2. In addition, it was certainly a red-letter day for Chris Pointing as he celebrated his 100 th 1 st XV league appearance.

Despite the aforesaid reasons for one last Herculean effort S&E started the match in the worst possible manner. The unfathomable slow start that has become the byword of this season reared its ugly head again. In front of a crowd in excess of 250 Bracknell ruthlessly exposed the early Sutton frailties. The opening ten minutes hinted at an unpalatable drubbing for the Black & Whites. The outstanding Bracknell Number 8 Ken Hodgson was rampaging round Rugby Lane and soon scythed through the defence to set up Simon Bayliss for a try in the corner. Moments later the backtracking Robbie Martey cut out an assist but was shown a yellow card. With the man advantage the Berkshire men went blind exploiting another defensive oversight and Simon Bayliss strolled in for his second. On this occasion Ollie Radford added the conversion for 12-0.

As the Fab Four might have considered that the fairy tale ending to their careers was being penned by the Brothers Grimm Sutton scored. Freddy Bunting intercepted a pass in his own half and ran it back. He added the conversion for S&E to trail 7-12. The Rugby Lane men had woken from their slumber and began to defend with urgency. The Bracknell backs who had enjoyed time and space in the first quarter were being pressed on the gain line and all over the pitch Sutton tackled with a ferocity and zeal that lifted the crowd. Robbie Martey returned and was soon on the action making a vital mark on a dangerous cross-field kick. A couple of infringements and the Bunting boot put the hosts in the corner for a 5-metre lineout. The ball was secured and the pack did the necessary and George London scored. Freddy Bunting made light of the challenging conversion and the Black & Whites led 14-12.

What had looked like a relaxing end of season jaunt for the visitors had been transformed and the hosts had not finished. On the half hour the S&E pack once more lined up for another 5-metre lineout. Lightning was to strike twice and with meritorious efficiency Will Lloyd forced his way over. Freddy Bunting thumped over the conversion as the jubilant crowd roared their appreciation for the 21-12 lead. Aged followers tried to recall if they had seen their team lead at the break. The Lily Hill Park team rather taken aback by the effrontery of three scores conceded without reply threatened to end the half as it had begun. Scrum half Franklin Lewis took a quick penalty 40 metres out. Desperate defence saw Sutton fling themselves on a loose ball but a knock on gave Bracknell a scrum 15 metres out under the posts. From this prime platform to attack Ben Tame and Jamie See made crucial tackles before Ken Hodgson was held up over the line. Five minutes later the referee drew the first half to a close when Ollie Radford's promising run ended when he was bundled into touch. Sutton turned around 21-12 to the good after a Jekyll and Hyde performance in the first period.

The second half got under way with the visitors having the advantage of the wind and keen to be the first to add to their tally on the scoreboard. An early Bracknell break was followed by a probing kick that was gathered by a wonderful sliding take by Robbie Martey 5 metres from his line. Having cleared the ball Sutton continued their fine form of the first period. The hosts spread the ball wide after powerful carries by the forwards and forced the visitors onto the defensive. Both sides were showing great defensive resolve as thunderous tackling all over the pitch thwarted the best attacking efforts of all concerned. The match ebbed and flowed until a long clearance from Freddy Bunting was taken near the touchline on halfway. The initial chaser was too easily stepped and the defensive support was inadequate. A surging run down the touchline and a simple pass inside saw lock George Jupp score. Ollie Radford impressively bisected the uprights as Bracknell trailed 19-21.

There was hardly any time for the crowd to contemplate the two-point deficit before the next score. And what a score it was by Robbie Martey. Any self-doubt in the Black & White ranks was instantly extinguished as the winger jinked and weaved his way through would be tacklers and outpaced the cover to score Sutton's try of the season. The conversion drifted wide as the hosts led 26-19. Next it was Jamie See's turn to sidestep his way down the pitch and the Rugby Lane team were awarded a penalty. Wisely they opted for the kick at goal and Freddy Bunting extended the lead to 29-19. Sutton had a ten-point lead with ten minutes left on the clock.

Perhaps the largest roar of the day greeted Chris Pointing coming off the bench for his 100 th 1 st XV league appearance. There have been too many near misses and eleventh hour tragedies this season for the Black & Whites and the crowd urged on the team to dig deep. The XV responded in great style. Ross Parsons made a break and the pack powered in behind him to advance the ball to the Bracknell line. It was the Berkshire men's turn to show superb defence and frustrate the Surrey men by holding them up over the line. However, Sutton gathered the drop out and countered. The ball went wide to replacement Ciaran Mohr who finished with aplomb squeezing in

at the corner he stretched for the line to score despite a superb covering tackle. S&E led 34-19 as the game entered time added on.

There was no let up in the action as Sutton again attacked. Even in the opposition 22 the hosts tackled as if they were on their own line as they denied them any space to counter. In the end it was a kick and chase by Noah Cannon that almost secured a fourth try and a bonus point for the Lily Hill Park team. Once again Robbie Martey was on hand to touch down. In was a temporary respite as moments later Noah Cannon decided on a more direct approach. He sped down the blindside delivered a jolting palm off and scored in the corner. The conversion drifted wide and Mr Foster blew the final whistle and Sutton had won 34-24.

It was a rousing end to a disappointing season and a fitting farewell to Messrs Caddy, Drye, Hurley & See. It was the best Sutton performance of the season in a match where Bracknell started in irresistible style and threatened to run away with the game. For the visitors Ken Hodgson was at the heart of everything and a constant threat. For S&E it was a wonderful team performance. The commitment to the cause was mightily impressive whether it was the tackling in defensive duties or the ball-carrying by the pack or the Bunting boot. When it was needed Robbie Martey added that sprinkling of magic on an afternoon when the Black & Whites were not to be denied. The league season may have ended but a new Cup competition follows in the weeks to come. The draw will occur next week and the date and opposition for this match will be posted in due course on the club website.

## The Prince of Maidenhead Reigns Supreme

11 December 2023

Sutton & Epsom RFC 26 - Maidenhead 45. Saturday 4th March.

The Black & Whites returned to Rugby Lane in the knowledge that their race had been run this season. The men in magenta had torn them to shreds at Braywick Park in November and both squads were fully aware of that outcome. Despite the match having no consequence with regard to the league table or which cup competition would be entered both sides produced a thrilling spectacle played at breakneck pace with eleven tries to applaud. Maidenhead won by 45-26 but Sutton restored their pride with a performance that deservedly earned them a bonus point.

It might have been the first Saturday in March but there was no sign of spring in the air as Freddy Bunting started the match with a biting wind behind him. From the outset it was clear that the visitors were going to utilise their excellent back division and run the ball from anywhere. This scenario was no surprise to the hosts whose defensive line on the Berkshire 22 held firm despite several efforts to break free. Reluctantly Maidenhead cleared with the boot. S&E's first possession proved to be most productive. The covering Caddy charged towards the 22 and after several swift phases Alex Mawdsley's perfectly timed pass allowed Robbie Martey to score. Freddy Bunting added the conversion for 7-0.

That instant success focussed the Maidenhead minds and within five minutes they had not only drawn level but had taken the lead. Though Sutton safely secured the restart after a few phases near halfway the opted to kick. Their opponent countered at pace searching for space on the right before switching to the opposite flank. An arcing run by centre Harry Wells set up the prolific Alex Turton who ran round under the posts. Moments later Harry Wells turned from provider to scorer. A long clearance into the Surrey men's 22 was run back but the ball was turned over and the alert Harry Wells swept down the unguarded blindside to score. Greg Smith converted both scores and the boys from Braywick Park led 14-7 after a magnificent seven opening minutes.

There was no respite from the high tempo as both teams threw themselves headlong into attack. Equally both sides were demonstrating resolute defence. At the start of the second quarter the Black & Whites encamped within five minutes of glory. Jordan Huie went close, a 5-metre catch and drive was denied and a golden opportunity to level the scores was missed. Then to heap Pelion upon Ossa the visitors cleared their lines and scored with their next attack. Harry Wells was a central figure again as he put Greg Smith into space. The fly half burst into enemy territory and was only stopped by an excellent tackle by Alex Mawdsley but the ball was soon in the hands of Scott Prince who ran in the last 30 metres for the first of his three tries of the afternoon. Greg Smith, perfection personified, added the extras for 21-7.

Excellent Sutton defence from the restart regained possession and moments later the hosts had a penalty. A well-rehearsed lineout ploy saw George Drye rampage down the touchline. The ball was spun wide to the opposite flank where Jordan Huie was thwarted by excellent cover. A minute later it was Chris Farrell throwing himself at the line like a torpedo who went agonising close and a shrill blast from Mr Dixon's whistle gave Maidenhead a relieving penalty. Very soon relief became a form of cruel and unusual punishment. A speculative kick ahead by Scott Prince enjoyed a favourable bounce and the ball was transferred to fullback James Maddern who coasted home to score. Greg Smith celebrated the bonus point try with another conversion for 28-7. With the interval rapidly approaching the hosts desperately needed some reward for their first half endeavours. It was now S&E's turn to run back a clearance kick and score. Robbie Martey evaded the first man, sped through the gap and drawing the retreating defence onto him he passed to Jamie See who did well to cover the last 10 metres to touch down. Freddy Bunting added the conversion as the referee concluded the first half with the magenta men 28-14 ahead. Despite the score-line the Black & Whites had had the majority of the possession and territory as well as more minutes in their opponent's 22. However, the visitors were ruthless in exploiting any errors as well as additionally demonstrating scintillating back play.

Sutton enjoyed the perfect start to the second period with a try. Despite failing to secure the 5-metre lineout they regained possession and this time they were not to be denied close to the line. Appropriately George London was the scorer on an afternoon when he carried with relentless aggression and to great effect. Trailing 19-28 S&E were right back in the contest. It was now the turn of the Braywick Park boys to turn the screw in the Sutton 22. Time and again the Rugby Lane men scythed down the opposition but the Maidenhead team patiently retained possession until a long pass found Scott Prince who crossed the whitewash for the second time. Though the conversion drifted wide the visitors had a 14-point cushion leading 33-19 with half an hour to go. Despite dominating the next fifteen minutes with George Drye to the fore with rampaging runs synonymous of classic locks throughout the ages S&E erred at the crucial moment. Whether it was a lineout infringement or pressure from the organised and resolute opposition defence they failed to add to their score. To massage sodium chloride into the laceration Maidenhead needed the merest glimpse of a chance to see them adding to their account. A turnover near their line led to an audacious counter that saw captain Niall Crossley put into space and stride in from 40 metres. With Greg Smith having departed with an earlier injury scrum half Archie Dunnill took over the kicking duties and bisected the uprights for 40-19.

Making light of the latest setback Sutton continued the search for a fourth try and a bonus point. The remarkable pace of the game did not relent and the attacks rained down at either end. A jinking run by Dan Jones hinted at greater deeds. Then five minutes later Alex Mawdsley made a break on halfway but his errant pass was gathered by Scott Prince who needed no second invitation to sprint in unopposed to complete his hat trick. The challenging conversion drifted wide and Maidenhead led 45-19. The game entered time added on and the Black & Whites continued their quest for the Holy Grail of the bonus point. Agonisingly they were held up over the line. Then with the final play of the afternoon there was at last ecstasy after so much agony. Fittingly the score followed another charge from George Drye and an incisive burst from Robbie Martey to set up Freddy Bunting for his first league try for the Black & Whites. He failed to convert his score and the referee ended the contest with Maidenhead 45-26 victors.

In the end it was Maidenhead's superior quality that told in an enthralling contest. Harry Wells was at the creative heart and wingers Prince and Turton were a constant menace with the former taking the glory with his triple. The Black & Whites more than played a supporting role in this fixture. The back row trio of Messrs Tame, London and Caddy were exceptional as they tackled, harried and carried throughout. George Drye played like a man possessed, as ever Steve Munford tackled everything that moved and parenthood has not blunted Jamie See's talents. For S&E it was an afternoon when every error was punished with brutal efficiency whilst they failed to make the most of their chances. That being said they took the game to one of the best attacking sides in the league from their early opening score to their bonus point try on the final play of the game and deserve great credit for their performance.

The season concludes for Sutton & Epsom next Saturday with the visit of Bracknell who defeated the Black & Whites on the opening day of the season. The kick off at Rugby Lane will be 3pm. It is hoped that a sizable crowd will be present to bid a fond farewell to the departing quartet of Sam Hurley, James Caddy, Jamie See and George Drye who have given many years of devoted service to the team and have been instrumental in the club's recent successes.

## **Sutton and Epsom RFC Sink Despite All Hands On Deck**

11 December 2023

Brighton 39 Sutton & Epsom 22. Saturday 25th February. The last of Epsom and Sutton's rearranged fixtures sadly fell on a weekend that not only featured the Six Nations but also a couple of stag weekends. Creativity was the byword for selection as 2 nd XV players, veterans of yesteryear, coaches and university students gathered at Waterhall for the formal introductions before taking on the Blues. In September at Rugby Lane the Black & Whites enjoyed one of only two successes this campaign when they overcame Brighton 42-24. The south coast men gained a measure of revenge winning 39-22 which eased their fears of the drop but the result relegated S&E because remarkably at Bodicote Park Banbury had defeated second-placed Camberley.

The Sutton and Epsom XV included the veteran trio of Frankie Murray and the brothers Pointing, Chris and Mickey, debutants Jordan Farrar and Alex Gerhard from the Swallows, students Jack Benton and Taylor Gaye and coaches Steve Munford and Mark Lambert. Tom Brooker took the armband and was the only remaining member of the pack from last Saturday's Havant loss. The clouds dispersed and the game started in sunshine but with a strong wind that was illustrated as the Brighton kick off sailed out on the full. The majority of the crowd wisely took advantage of the well-appointed clubhouse rather than braving the elements pitch-side for a match of great significance for both clubs in terms of survival in this league. The hosts looked to spread the ball from the outset and their back division with Onke Nesi to the fore was lively and threatening. S&E tackled ferociously and the pack willingly took on the ball-carrying duties.

After ten minutes winger Aled Edwards thought he had wriggled free but was brought back for a foot in touch. The Waterhall woes were immediately abated when centre Arthur Robinson scythed through the defence after sustained Brighton pressure to score. In the absence of the redoubtable Sean O'Hagan scrum half Harry Alexander took over the kicking duties and made light of the tricky wind to make it 7-0. Five minutes later the Sutton resources were further stretched when Kyren Ghumra was forced off after a knock on the head when falling on the ball. With no spare back on the bench Jordan Farrar went on the flank and Jack Butt stood in on the wing. Despite the adversity the Black & Whites were tenacious in defence and the forwards relished the set scrums with the experienced duo of Reid and Lambert winning penalties.

The Sussex men had to wait until the half hour to extend their lead. A well-worked lineout ploy from 5 metres was thwarted but prop Billy Rolfe twisted and stretched for the line to score. The conversion drifted wide as the hosts led 12-0. Sutton & Epsom brought on Hartpury University prop Taylor Gaye for his debut and he made an immediate impact. The diminutive Dan Jones won a penalty for a high tackle which was kicked into the corner. Though the lineout was lost excellent scavenging by the pack regained possession and Taylor Gaye scored from short-range. The conversion was blown wide but Sutton were on the board trailing 5-12. Confidence now surged through the Black & White ranks and they were soon attacking in the Blues 22. With the interval rapidly approaching the referee issued a yellow card to Billy Rolfe. At once Sutton looked to benefit from their numerical advantage. The forwards got to within a yard under the posts before it was spun wide. It appeared that Angus Findlay had scored in the corner but an excellent defensive covering tackle dislodged the ball as the winger tried to touch down. Brighton cleared their lines from the scrum and the referee concluded the first period with the Blues 12-5 up at the break.

If S&E were despondent at their failure to score before the interval you would not have noticed by the way they started the second half. Robbie Martey caught a clearance on halfway and advanced towards the 22. Captain Brooker kept up the attack and ball came to Dan Jones who jinked his way to the line and passed to Frankie Murray who scored a try that rolled back the years. The conversion narrowly missed but Sutton were only 10-12 down with the extra man.

Before the travelling Rugby Lane faithful had time to dream of a remarkable victory they were awoken from their reverie by an instant reply from the Waterhall men. Having secured a scrum on the 22 from the restart the ball went out to Arthur Robinson who ran the perfect line to score his second and Brighton's third try. Harry Alexander added the extras for the 19-10 lead. Conditions deteriorated rapidly as the clouds gathered, the rain fell and the temperature plummeted with half an hour remaining on the clock.

The hosts began to turn the screw with two tries in as many minutes. First to benefit was returning prop Billy Rolfe who collected his second of the afternoon after relentless pressure from the Sussex men. Moments later Aled Edwards was touching down in the corner and the Black & Whites were 29-10 adrift. Entering the final quarter the impartial observer might have thought that the visitors may have run out of steam and the veterans made to suffer. The floodgates did not open and contrary to all expectations S&E began their rearguard action. The next score was an unlikely one when Brighton decided to kick a penalty with ten minutes remaining. Harry Alexander effortlessly bisected the uprights for 32-10 leaving the visitors needing four scores. The task went from uphill to climbing Everest in flip-flops when replacement Conor Scott sped in under the posts finishing with aplomb. Harry Alexander converted for 39-10.

Then Tom Brooker gave a splendid example of leading from the front. Gathering the ball near halfway he took the ball in to contact and drove back three defenders and broke through their clutches and bolted towards the posts. He finished in style brushing aside the last tackler as if he was Alex Dombrandt. Alex Mawdsley drop-kicked the conversion in a blink of an eye for 39-17. Sutton now went in search of a bonus point and took the game to Brighton. Unfortunately scrum half Austin Bell was forced off with an ankle injury and S&E shuffled the deck again. Undaunted by this setback they invaded the opposition 22 again. Quick ball was spun wide and Alex Mawdsley forced his way over. Whether he applied the coup de grace or the significant pressure was supplied by Robbie Martey was immaterial as the referee signalled a try. Alex Mawdsley failed to convert from the flank and the referee blew his whistle to end the game with Brighton victorious by 39-22.

The Blues were worthy winners. Their forwards carried aggressively and effectively and their backs looked to run at every opportunity and had plenty of pace to exploit their somewhat makeshift opponents. The bonus point win was most welcome as the hosts are still not clear of relegation. In contrast this defeat condemned the visitors to the drop. However, the manner of defeat will be cherished by the Rugby Lane supporters. The level of commitment, the tenacity and the bonus point were highlights in a display overflowing with team spirit. Steve Munford gave an outstanding performance in defence tackling all-comers. The many front row permutations were a constant menace in the scrum. The side benefited greatly from the leadership on the pitch from not only Tom Brooker but also the cadre of experienced players that filled their ranks. On the other end of the scale, the youthful debutants Alex Gerhard, Jordan Farrar and Taylor Gayle put in huge shifts and looked very comfortable at 1st XV level which bodes well for the future.

Though the season has come to a premature end for Sutton & Epsom, followers of Brighton will hope Wimbledon and Havant will reflect their lofty status and put Banbury to the sword unlike the faltering Camberley so that the Blues stay put in Regional One South Central. Next Saturday S&E entertain Maidenhead at Rugby Lane in the penultimate game of the season.

## Wimbledon on the Up and Up

11 December 2023

Sutton & Epsom Women 20 Wimbledon Women 43. Saturday 18th February. Sutton & Epsom had enjoyed a comfortable 26-0 triumph at Beverley Meads in November. However, they were only too aware that that result bore no resemblance to the recent form of the Dons. In 2023 they have taken the scalps of not only Hammersmith & Fulham last week but also the Guildford Gazelles and most notably Battersea Ironsides. After 80 minutes of thrilling rugby and an eleven-try bonanza

Wimbledon returned to SW20 with the points after an exhilarating 43-20 triumph.

Hannah Gutteridge kicked off for the visitors on a mild and sunny afternoon that was ideal for running rugby and both teams capitalised on the conditions. After the initial sparring with both sets of forwards carrying the ball ferociously and being met with thunderous tackles it was the Barham Road team who opened the scoring. The Dons were awarded a penalty when an S&E player failed to roll away. A splendid tackle by Abby Wynne thwarted the first sortie but it was spread wide for Jade Whareate to squeeze in at the corner for a 5-0 lead. The game went from end to end as Sutton tried to get onto level terms whilst Wimbledon sought to extend their lead. With Aegean Leech to the fore the Dons defence stood firm.

Sutton suffered a self-inflicted wound when Abby Wynne's long clearance was brought back due to S&E players failing to retreat. Gifted with free possession and the bonus of a penalty on the host's 22 the visitors exploited the situation to the maximum. Fluent play from the backs set up Maddie Healey who finished with aplomb out wide. Trailing 0-10 the Rugby Lane team were also forced into a change as an injured Hannah Smith was replaced by Natalie McCall. Maddie Healey was soon in the thick of the action once more with another electric burst of pace which should have created a try but the ball hit the deck when the line was begging.

The fates then conspired against the Black & Whites as a raking clearance kick from Hannah Gutteridge took the cruellest of bounces to wrong foot the cover. Maddie Healey got to the ball first and intelligently fly-hacked the ball to the vacant in-goal area. The quicksilver winger won the race to the line to touchdown for her second try of the afternoon. Hannah Gutteridge made light of the challenging conversion to extend Wimbledon's lead to 17-0. Sutton & Epsom pressed hard to get on the scoreboard before the break. The Dons knocked on the restart and provided the perfect platform on the 22 for an S&E attack but once more they could not find a way through the opposition defences. In addition winger Ella Zeqiri was injured in a tackle and had to be replaced by Lucy Hoad. All the hosts' efforts were in vain as the first period ended with Wimbledon leading 17-0.

Sutton & Epsom were pro-active at the break and brought Joanne Evans and Jayne Maddox off the bench as they went in search of an early score in the second half. The latter made an immediate impact with her running and probing boot. However, the next score went to the visitors. A stunning break by fullback Ellie Seagrave put the S&E defence under severe pressure. The hosts conceded a 5-metre penalty. A couple of rumbling carries by the SW20 pack narrowed the defence and then the ball was spun wide. Zoe Johnson was on hand for the clinical finish to earn the bonus point for Try Number 4.

Sutton now mounted a stunning comeback. Aegean Leach stole the ball and her swift counter nearly led to a try. The retreating defence were forced into conceding a penalty and the referee issued a yellow card. The Black & Whites took immediate advantage of their numerical superiority with the tap penalty sent wide where Joanne Evans battled her way over the line to score. Trailing 5-22 the crowd only had a moment to draw breath before they were cheering another Sutton score. S&E secured the restart and Jayne Meadows crossfield kick was gathered but a bone-shaking tackle from Aegean Leach turned over the ball and the talismanic Sutton back set off for the line from halfway. Her powerful run down the touchline culminated in a jolting hand-off to the last defender before scoring. The visitors' lead was now only 22-10 and they were still 14.

It was now Jayne Meadows turn to turnover the ball. Natalie McCall was awarded a penalty after a strong carry which was quickly taken and Jayne Meadows carried it to the 22. The ball was spun wide until Aegean Jones cut back and her angled run saw her collect her second score under the posts. The momentum of the match had swung dramatically in the hosts' favour as they now only trailed 15-22. However, their wings were clipped when not only they temporarily lost the influential Joanne Evans to a yellow card for a high tackle but they also lost Aegean Leech to an injury.

It was now Wimbledon's turn to take advantage of the yellow card scenario. A fabulous run from depth by Ellie Seagrave fielding a Jayne Meadows clearance almost saw the 15 score but support was on hand from replacement Shenay Nurse who crossed the whitewash. Hannah Gutteridge added the extras for 29-15 and clear water between the two teams. Sutton returned to attack mode and a flurry of penalties saw another yellow card being awarded to one of the Dons. S&E failed to convert the pressure from 5 metres out and Hannah Gutteridge relieved the pressure with a huge clearance kick. They say a kick is only as good as the chase and Shenay Nurse raced after the ball and her pressure resulted in a knock on. The visitors were in no mood to ease off and centre Jade Whareate scored a marvellous solo effort to garner her second try of the afternoon. Hannah Gutteridge bisected the uprights as the Beverley Meads team stretched their advantage to 36-15.

Joanne Evans returned as S&E sought out at least a solitary bonus point for the fourth try. But Wimbledon had not finished and as if she had felt left out of the action outside centre Sophie Jackson set off in search of glory. Her powerful run carved through the defence and she had enough in reserve to burst through the last tackle and score under the posts. Hannah Gutteridge added her fourth conversion of the afternoon to make it 43-15. However, the final moment belonged to Lucy Hoad. The winger collected the ball near halfway and began an arcing run across

the width of the pitch, having outflanked the defence she only had one opponent left who she promptly sidestepped for a stunning score. That concluded the scoring on a pulsating afternoon of rugby.

Wimbledon deservedly won the contest 43-20 with their excellent back division scoring a magnificent seven tries. On the back of the strong ball-carrying of their forwards the distribution, handling and finishing of their backs showed what can be done with exemplary core skills. The revitalised Sutton after the break seriously threatened to overturn the 22-point deficit and the final margin of defeat probably did not reflect the competitive nature of this wonderful contest. Next Sunday, 26 th February, Sutton & Epsom will be looking to return to winning ways when they travel to the Guildford Gazelles who they have yet to play this season.

## Knights give Sutton & Epsom a hard day

11 December 2023

Havant RFC 50 - Sutton & Epsom 5. Saturday 18th February.

The traditional close encounters of the rugby kind between Sutton & Epsom and Havant had a Rugby Lane resurrection in November when the Hampshire men secured a hard fought 30-27 success. The Hooks Lane faithful are enjoying a splendid campaign this season having eight wins out of nine at home with only the table-topping Dons have downed their colours to the tune of 16-11 in a game where the hosts suffered four yellow cards. It was always going to be a mighty challenge for the Black & Whites against the club sitting second in the league and there was to be no underdog story as Havant enjoyed an 8-try triumph by 50-5.

On a cold, overcast afternoon with the sound of the rattlers in the grandstand Freddie Bunting kicked off the match. The opening five minutes was one-way traffic and the blue sign with the white arrow was pointing towards the Sutton try-line. Eschewing thoughts of kicking the ball Havant were keen to stretch the legs of their stylish back division. The initial sparring ended with the ball being brought back for a penalty that the hosts kicked to within 15 metres of the visitors' line. Ross Parkins caught the lineout and the forwards advanced. The backs were released and a long pass introduced fullback Cam Smith into the line and relishing the gap in the defence he opened the scoring. Though the conversion drifted wide it was 5-0 to Havant and moment later it would be 12-0. Following concerted pressure Reuben Knight was stopped under the posts but a dextrous backhanded pass out of the tackle gifted brother Joel the simplest of scores and he added the extras to boot.

Sutton & Epsom are not unfamiliar with trailing matches in the first quarter this season. Finally, they had some phases but having made little progress they were advanced by a well-placed Freddie Bunting kick. Soon after they won a penalty and chose to decline the

3-point option and they kicked into the corner. The disappointment at losing the 5-metre lineout was replaced instantly by euphoria. Havant tapped the ball into their in-goal area and Tom Brooker reacted the quickest for a Sutton try. Though the conversion from the flank drifted narrowly wide the Black & Whites only trailed 5-12. From the restart problems began to mount for the visitors. They were penalised under pressure at the scrummage. The ball was kicked into the corner and the initial triumph of halting the Havant catch and drive was tempered by James Caddy being shown a yellow card. The hosts took advantage of their numerical superiority with Try Number 3. The next 5-metre lineout was overthrown but recovered by Reuben Knight and from the ruck the ever-alert Ben Holt sniped from close-range. The errant conversion meant that it was now 17-5 to the Bedhampton boys at the end of the first quarter.

In the Rugby Lane fixture Havant were denied the bonus point being tryless in the second period. Invoking that spirit Sutton set forth to reduce the deficit. The pressure from the Surrey men saw Havant receive a yellow card as Will Brock left the fray. Just before that Mr Tompkins was very busy with his notebook when James Caddy returned S&E emptied their bench as Messrs Bell, Boaden & Tame were replaced by Messrs Farrell, Parsons & London, though the latter had temporarily switched with Baptiste-Wilson for an earlier scrummage. This was tactical rather than injury-induced. Though Sutton Mark 2 fared little better against the Hooks Lane XV who were not prepared to rest on their laurels. Robust running from flanker Wes Dugan saw him swat away would-be tacklers and touchdown

under the posts. Joel Knight added the easiest of conversions for 24-5 and a bonus point was deposited into the bank. The hosts had not finished and rounded off the first half with their fifth try. The ball found Harry Carr on the flank who used his speed and strength to score in the corner. The conversion failed but the hosts led 29-5 and soon after the half concluded and the teams retreated to the warmth of their dressing rooms for words of encouragement.

The hosts were in no mood for charity and extended their lead within five minutes of the restart. The Sutton cause was not helped by dropping the kick-off that gifted territory and possession to the Havant XV. After sustained pressure Joel Knight forced his way over from short distance for his second, and Havant's sixth, try. The centre converted his try for a 36-5 lead. The Hooks Lane coaches rang the changes in personnel in a more singular fashion than the visitors. Firstly, the sizeable lineout presence of Ross Parkins was replaced by Matt Whitehead and five minutes later Jonah North was swapped for Rory Penfold on the wing. The Black & Whites started to enjoy more possession but their improving efforts were undone by poor passing. The Hampshire scrum-half, Ben Holt, fell victim to white line fever and ignored Richard Janes to be held up over line by excellent S&E cover. Moments later the errant Holt made amends and finished clinically from a metre. Joel Knight bisected the uprights for 43-5.

The game entered the final quarter with the result beyond doubt but plenty to play for in terms of pride. Whether it was going to be a case of damage limitation or a spirited finale with consolation scores for Sutton remained to be seen. George London, as he has done so often before, took the game to the opposition, driving his tackler back yards in contact he sought to inspire the Black & Whites. Their followed a bizarre passage of play when the visitors turned over the ball four times in just over a minute. To be fair drizzle and dropping temperatures had made handling increasingly challenging as the game became somewhat scrappy.

Inside the last ten minutes winger Harry Carr produced a moment of brilliance with a blindside break at express pace. Though he was denied the individual glory replacement Matt Whitehead was on hand for the final flourish to score Havant's eighth try. Joel Knight made it five from eight from his boot that added to his brace of tries brought his personal tally to 20 points in the 50-5 scoreline. Soon after Ben Holt added a yellow card to his entertaining afternoon and retired to the sidelines and Wes Dugan stepped in at 9. Sutton, with the extra man, pressed hard for a consolation try. Teams do not sit second in the table if they have a porous defence and the hosts defended their line as if they led by a solitary point rather than 45. Time and again thumping tackles repelled the S&E pack. The ball went wide and the adamant line stood firm as the Rugby Lane men knocked on. Havant cleared and the Black & White army retreated with renewed sympathy for Sisyphus. In the last knockings it was the hosts who looked like ending with a final score. A fine break by Joel Knight saw the inside pass blocked. Then Harry Carr was denied a try as he just failed to reach his chip ahead. The referee blew his whistle and Havant had deservedly won with a bonus point by 50-5.

The combination of robust ball carrying forwards and dynamic backs spearheaded by the trio of Knights was more than enough to defeat the visitors. For the Black & Whites it was the third Saturday on the trot against top three opposition and once more it was a case of spirited resistance in adversity. Their cause was not helped by early scotomata in their defensive alignment. Though they had to make do with limited territory and possession they were too often undone by errant passing.

Next Saturday S&E head to the coast to fulfil the Brighton fixture that succumbed to the freezing temperatures before Christmas. At Rugby Lane in September the Black & Whites enjoyed their finest hour with a thrilling 42-24 triumph and would dearly love a repeat performance.
