

Epsom and Ewell's MP in the running for ... running

20 January 2026

A hardy team of **Epsom & Ewell Harriers** women braved freezing conditions for the third fixture of the **Surrey Cross Country League** season at **Oxshott Woods** on 10th January, hosted by Elmbridge Road Runners. The demanding woodland course, featuring slippery roots, undulating ground and the infamous hill, tested runners throughout.

Epsom & Ewell fielded two full women's teams and enjoyed an outstanding day in Division Two. The A team produced a commanding performance to take first place, finishing 35 points clear of Reigate Priory, while the B team secured an excellent second place, just behind Wimbledon Windmilers.

Individually, Sophie Glencross (U20) led the Harriers home with a superb third-place finish overall, drawing on her recent Varsity Cross Country experience to handle the tough conditions with confidence. Close behind, Sophie Lomas continued her strong winter form by finishing fourth, following her eighth-place result at the Surrey Cross Country Championships the previous weekend.

Completing the A team scoring positions were Annie Snowball (U20) in 19th, Nicky Stevenson (V45) in 21st and Lily Brown (U20) in 28th. Stevenson also recorded a notable age-group performance, finishing fifth in the V45-54 category with a time of 34:40.

Further strong runs came from Lauren Johnson in 32nd, Amber Brough-Nuesink in 43rd and **Helen Maguire in 44th place — the Liberal Democrat MP for Epsom and Ewell** — competing alongside her local club on a challenging winter course. Also finishing were Sandra Newbury in 86th and Julie Houghton in 98th.

After three of the four league fixtures, Epsom & Ewell sit third in Division Two, with Annie Snowball currently leading the U20 individual standings. With Reigate Priory and Vets AC contesting the top positions and E&E holding a narrow advantage over both Clapham Pioneers and Wimbledon Windmilers for the final promotion place, the concluding fixture at Lloyd Park promises to be keenly fought.

Selected results:

3rd - Sophie Glencross 30:01
 4th - Sophie Lomas 30:43
 19th - Annie Snowball 34:11
 21st - Nicky Stevenson 34:40
 28th - Lily Brown 35:22
 32nd - Lauren Johnson 35:49
 43rd - Amber Brough-Nuesink 36:37
 44th - **Helen Maguire** 36:43
 86th - Sandra Newbury 40:14
 98th - Julie Houghton 42:18

Sutton & Epsom v Sidcup - Rugby match report

20 January 2026

Sutton and Epsom 12 Sidcup 28. Saturday 17th January.

Sidcup arrived at Rugby Lane buoyed by the wheels wobbling on the Brighton bandwagon. Back-to-back defeats either side of the festive break by their south-coast rivals had left the Crescent Farm side just one point off the top. For Sutton and Epsom, their top-five position - equating to entry into the play-off rounds - was under threat.

Before kick-off, the Black and Whites had to digest the unpalatable news that Old Colfeians had won 22-19 at Beckenham under the lights on Friday night, pushing Sutton and Epsom down to sixth place. In a keenly contested encounter at Rugby Lane, Sidcup came from behind to win 28-12 and, crucially, scored their fourth try on the final play to secure a bonus point that lifted them into pole position by virtue of a vastly superior points difference.

The recent number-nine hiatus for Sutton and Epsom was resolved with Euan Findlay making his league debut. There was also a welcome return for "the prodigal son" Josh Glanville, pulling on the colours for his first outing of the campaign. On the bench, crowd favourite Richard Madadangoma made his first appearance of the season. All Sutton and Epsom's comings and goings paled into insignificance, however, alongside Sidcup prop Sam Carmen, who was making his 300th league appearance.

Before kick-off there was a tribute to Ben Searle, a member of the Sutton and Epsom physio team who tragically passed away following a battle with cancer. After the applause, Freddy Bunting set the game in motion with Sutton and Epsom attacking the clubhouse end.

Sutton and Epsom were hoping to reprise the outstanding performance that defeated Sidcup at Crescent Farm last season. The secret then was a fast start built on high-tempo rugby, rapid recycling and effective use of width. To their credit, the hosts put that plan into effect, dominating territory and possession in the opening exchanges.

Never has the old chestnut of taking penalty points reverberated louder around the stand. Four kickable penalties in front of the posts were declined in the first half. This was particularly notable given Sidcup possess the league's best defensive record, conceding only 16 points per game. Yet this approach has been consistent all season, with Sutton and Epsom having converted only three penalty kicks despite amassing 460 points.

After a scoreless first quarter in which the Sidcup defence repeatedly repelled attacks that came agonisingly close, Sutton and Epsom finally broke through in the 25th minute. A sweeping move from halfway saw Tom Lennard break free on an inside line, Josh Rea time his support perfectly, and debutant Findlay finish with aplomb. Freddy Bunting's conversion struck the upright, but the hosts led 5-0.

Ten minutes later Sidcup entered the Sutton and Epsom 22 for the first time and immediately made it count. A penalty kicked to the corner set up an attacking line-out and, after initial resistance, hooker Harry Large forced his way over. Josh Twyford converted impressively from the touchline to give the visitors a 7-5 lead.

Sutton and Epsom responded superbly and regained the lead before the interval. Sam Lennie made a trademark bulldozing break through midfield, Josh Rea again played a pivotal role, and Michael Bennion arrived at pace to sprint in from outside the 22 and score under the posts. Bunting added the extras to make it 12-7.

As first-half stoppage time approached, Sidcup produced their best passage of play, pressing hard for a second score. After excellent continuity, it appeared a try had been scored in the corner, but the ball was lost just short of the line. The half ended with the visitors in the ascendancy, though Sutton and Epsom had played some of their best rugby for a long while. Only time would tell whether they would rue not turning that dominance into more points.

Alex Lambe's whistle began a finely balanced second half. Sidcup opened with a couple of uncharacteristic errors, but these proved brief. Five minutes in, Ben Stokes cut through the Sutton and Epsom defence, only to be denied by a timely intervention from Findlay. Shortly afterwards the visitors struck again. A perfectly timed pass on halfway released winger Seb Ellison, who kicked ahead, chased and gathered just ahead of the cover. Twyford converted from wide to put Sidcup 14-12 ahead.

Momentum now belonged to the men from Crescent Farm. Sidcup dominated possession, and Sutton and Epsom's defensive resolve was tested relentlessly. That resistance held until the final quarter, when sustained pressure told. Captain Louis Keeley exploited the blindside, burst down the touchline and cut inside to score. Twyford's conversion stretched the lead to 21-12.

As Sidcup turned the screw, Sutton and Epsom were further hampered by the injury-enforced departure of Josh Rea, who had produced an outstanding performance. The visitors hunted the bonus point, but the Rugby Lane men stood firm, holding Sidcup up over the line with ten minutes remaining.

With five minutes to play, Sutton and Epsom survived a stunning break, scrambling heroically before winning a relieving penalty. The match seemed set to conclude without bonus points. In the dying moments, however, an arm interfered with a Sutton and Epsom line-out jumper and a penalty was awarded. The Black and Whites opted for a long-range kick from near the touchline. Success would have earned a deserved bonus point. The kick drifted wide.

Sidcup counter-attacked from deep, moving the ball fluently before a long kick and eager chase forced a turnover. Hooker Harry Large, again in excellent support, gathered and ran in under the posts. Twyford added the conversion to complete a 28-12 victory and send Sidcup top of the league.

Sidcup's second-half defence proved rather more durable than the Maginot Line, and Sutton and Epsom were unable to find a way through. Yet the hosts made their opponents work until the final seconds, and the first-half performance in particular should be the benchmark for the remainder of the season.

The league programme now pauses, with hostilities resuming on 31 January when Sutton and Epsom welcome Gravesend to Rugby Lane, having beaten them 29-12 away in October. High-flying Sidcup host local rivals Beckenham as they continue their push for promotion.

Ashtead Tennis Club gets set to expand

20 January 2026

Sport in Mole Valley is set to get a boost after plans for a new clubhouse, that will allow Ashtead Tennis Club to offer more to the community, was approved. The new larger facility will replace the existing block and will include accessible toilets, changing facilities and a larger social area.

The club plans to build its new Ashtead Recreation Ground headquarters with matching materials as its current block.

Officers at Mole Valley District Council's January 7 development committee said it would not harm the or overly impact the neighbourhood. The plans were widely praised as being good for Ashtead with the only real objections being three windows that faced a neighbouring property. The committee, however, heard these would be masked by fencing and trees

Councillor Chris Hunt: (Independent: Ashtead Lanes & Common) said: " The tennis club have obviously put an awful lot of work into this application. This is positive." He added: "Use of this new proposed clubhouse is an improvement to their current structure and most people will be looking towards the tennis courts rather than to the fence.

Cllr Phil Hammond (Liberal Democrat: Fetcham) said "Ashtead is a lovely place...so I'm sure the neighbours can resolve their issues. We give a lot of support to football, bowls, cricket and tennis clubs. We do a lot through our neighbourhood CIL. Updating their facilities is a challenge, getting accessible toilets and changing.

"The demographic of sports, the involvement of young people, women's sport; It's always changing and evolving and I think it's good that this council can support that. It's a good place, it's a busy place and I've seen what they do in terms of developing the sport but they also extend the sport with things like pickleball or easier forms of tennis. It's the sort of thing we need in our community."

Seven-try storm sinks Epsom and Sutton

20 January 2026

Old Colfeians 44 Sutton & Epsom RFC 22. Saturday 10th January.

The fourth-placed Black & Whites opened their 2026 account at Horn Park against Old Colfeians, who sat one place below them in the league table. Sutton's season has been one of feast or famine — the ecstasy of winning their first four fixtures giving way to the agony of a five-match losing streak — although bonus points in defeat have kept them competitive. Whatever New Year resolutions were made, they did not translate into success on the pitch as Old Colfeians ran in seven tries in a 44-22 victory.

After a week of wild weather, conditions were benign, despite a temporary water cut in the area which thankfully was resolved in time for the teams to shower. There was an early sign of trouble when Sutton were pushed back at the first scrum, although this proved to be a rare moment of dominance by the home pack. Old Colfeians opened the scoring with a penalty from Ollie Burkett. Sutton responded five minutes later when Freddy Bunting kicked to the corner, Ewan McTaggart secured possession and after multiple phases Tom Lennard found winger Kyren Ghumra, who crossed for the opening try. The conversion struck the upright, but Sutton led 5-3.

The hosts soon hit back as centre Louis Baker broke through from 25 metres for the first of his two tries, regaining the lead at 8-5. Sutton replied immediately with what many present judged their try of the season — slick passing down the right wing released Ghumra for his second, nudging the visitors back in front at 10-8. The lead did not last long. A flowing counter-attack, started by full-back Chris Harris, ended with Mylo Mutongwizo finishing in the corner. Another missed conversion left Old Colfeians ahead 13-10.

Sutton pressed again but a sharp interception from Burkett turned defence into attack, leading to a try finished by prop Tom Rameaux. Burkett added the conversion for a 20-10 half-time lead in a fast-paced and entertaining contest.

Sutton were dealt a blow when scrum-half Gareth O'Brien was forced off with concussion, with Tom Lennard taking over his duties. The visitors made a strong start to the second half and were rewarded when McTaggart forced his way over from close range after another line-out move. Once again the conversion was missed, leaving Sutton trailing 20-15 with half an hour to play.

Although Sutton enjoyed spells of possession, Old Colfeians' defence was resolute. When the hosts regained territory, Harris kicked to the corner and the resulting catch-and-drive saw hooker Freddie Holland-Oliver score the bonus-point try. Burkett converted for 27-15 and the home forwards, led by captain Andy O'Malley, began to dominate. O'Malley powered over soon after, stretching the lead to 34-15.

Adam Bibby briefly reignited Sutton hopes with a strong run, but Baker then ran in from 40 metres for his second try to make it 39-15. Sutton did at least secure a valuable bonus point when Tom Lennard took a quick tap from a penalty near the line and Eric Duey emerged from the pile to score. Bunting converted to bring the score to 39-22.

Old Colfeians had the final word when O'Malley crossed again following another forward surge. Burkett missed the conversion but the hosts completed a convincing 44-22 win.

Sutton were very much in contention in the first half, but as the game wore on they were increasingly overpowered by a dominant Colfeians pack that laid the platform for victory. Both sides then enjoyed generous hospitality in the clubhouse, where Horn Park remains a favourite destination for travelling supporters.

Next Saturday Sutton return to Rugby Lane to face Sidcup, who won the reverse fixture 22-12 earlier in the season.

Dan Jones Hat Trick Brings Christmas Cheer For Sutton & Epsom Rugby

20 January 2026

Sutton & Epsom RFC 61 Old Reigatian 17. Saturday 20th December.

On Saturday 6 January 2024 Old Reigatian had secured a hard-fought 28-26 victory over Old Colfeians to go top of Regional 2 South East. Since then, however, their form has faltered and they arrived at Rugby Lane still searching for a first league win of the campaign. Despite that, there was a degree of optimism for the visitors, with Sutton and Epsom themselves enduring a run of five straight defeats, albeit tempered by a remarkable ability to collect bonus points along the way. That run came to an emphatic end as the Black & Whites produced a dominant display, scoring nine tries in a 61-17 victory and leaving Old Reigatian rooted to the

foot of the table over the Christmas period.

Kyren Ghumra and Kieran Finney returned to the Sutton and Epsom starting XV and, on a mild winter afternoon at Rugby Lane, Billy Egleton's whistle set the game in motion. Sutton and Epsom needed only three minutes to open the scoring. From a line-out, Rob Hegarty and Josh Rea carried into the 22 and Dan Jones was rewarded for his support play with the first of his three tries. Freddy Bunting converted. Five minutes later a charged-down clearance led to another Sutton and Epsom line-out on the 22, the forwards drove on before the backs were released and a set move created space for Ghumra to stroll in at the corner. Bunting's conversion from the touchline made it 14-0.

Old Reigatian briefly threatened a response after earning a line-out deep in the Sutton and Epsom 22, but a wayward pass squandered a rare opportunity. Sutton and Epsom immediately made them pay. Following a long clearance and penalty, a line-out 30 metres out saw Dan Johnson, Gareth O'Brien and Boaden carry strongly before Ghumra claimed his second try. Bunting added the extras for 21-0.

The first quarter ended with Sutton and Epsom claiming the bonus point. Adam Bibby countered deep into Reigatian territory, supported by Tom Lennard, and sustained pressure eventually saw lock Kieran Finney force his way over. Bunting converted for 28-0. On the half hour Hegarty made a trademark break from turnover ball and once again Jones was in perfect support, accelerating away to score from outside the 22. The conversion made it 35-0.

Old Reigatian were rewarded for their persistence just before the break. Playing their best rugby of the half, they earned successive penalties five metres out and lock Dan Grant eventually powered over. The conversion missed, making it 35-5. Sutton and Epsom responded immediately. Hegarty broke again and passed to Josh Rea, whose well-timed angle cut the defence before offloading to Sam Lennie. Hauled down short, the ball was recycled and Gareth O'Brien stepped through to score Sutton and Epsom's sixth. Bunting converted to give Sutton and Epsom a commanding 42-5 lead at half-time.

Any fears of a second-half collapse were quickly dispelled. Although Reigatian defended stoutly for the opening ten minutes, Sutton and Epsom's seventh try arrived from a five-metre line-out when Ewan McTaggart fed Dan Jones for his hat trick. Bunting converted for 49-5. The game opened up, and while Sutton and Epsom occasionally kicked possession away, they continued to dominate. Late in the third quarter, after Steve Munford gathered a loose ball following an ambitious Reigatian chip, sustained pressure ended with Tom Lennard scoring. The conversion was missed, leaving the score at 54-5.

With ten minutes remaining Sutton and Epsom added their ninth try. Sam Lennie, outstanding throughout, emerged from a mass of forwards to touch down, with Bunting converting for 61-5. Old Reigatian, however, showed commendable spirit. A loose pass on halfway was seized upon by scrum-half Jack Nicol, who ran in untouched, and although the conversion was missed it sparked renewed confidence. Moments later, slick handling saw Jonny Bridges score in the corner, with Conor Woods converting to make it 61-17.

A late yellow card for Ewan McTaggart gave the visitors a numerical advantage in their search for a bonus point, but no further scores followed. The final whistle confirmed a comprehensive Sutton and Epsom victory, capping an impressive all-round performance from the Black & Whites as they closed the year on a high. Sutton and Epsom will now hope to replicate last season's strong finish, with added incentive from a complex play-off system, while Old Reigatian continue their search for a first win.

The league now pauses for the Christmas break. Sutton and Epsom will reflect on an excellent early-season run before injuries and form intervened, and league action resumes on 10 January at Horn Park against Old Colfeians.

Sutton and Epsom: O'Brien, Scott, Bibby, Bunting (c), Ghumra, Lennard, Munford, Johnson, Lennie, Boaden, McTaggart, Finney, Rea, Jones, Hegarty. Replacements: Howes, Duey, Symonds.

Old Reigatian: Allen (c), Coyle, M. Nicol, Holder, Bridges, Woods, J. Nicol, Garrec, Nestor, Marshall, Grant, Franklin-Talbot, Pease, Bye, Mendoza. Replacements: Monk, Burton, Blake.

A Nice Xmas Double for Epsom & Ewell FC

20 January 2026

Epsom & Ewell FC v Balham FC 20th December – Combined Counties Premier League. Away At Imperial Fields, Bishopsfield Road. Morden.

We played Balham FC at their adopted home, Imperial Fields, and recorded our first double of the season after beating them 3-1 way back in early August at our then temporary home, the Reg Madgwick Stadium in Cobham. This was a far more attritional game, which we emerged from as winners thanks to a second-half strike to secure a 1-0 victory.

We welcomed Che Bell back into our defensive formation and he made a great comeback. Teddy Ralph played at left wing-back in a very unfamiliar position for him and acquitted himself very well. We also welcomed Prince Aderogba to the football club, who impressed on his debut. Antonios Nazareth took a place on the bench after recovering from flu earlier in the week.

One of our players, Connor McShane, was injured in the warm-up, so Ryley Merrett was called up and arrived by taxi to take his place on the substitutes' bench. Last but not least, our 44-year-old assistant manager, Craig Dundas, played up front alongside Tyler Robinson. This demonstrated just how many players we are missing. Craig, by the way, played very well during the 58 minutes he was on the pitch and was a constant threat to the Balham defence.

First Half

The game was mostly played in the Balham half, although they did come back into it during the five minutes before half-time. The referee "set his stall out" early by booking Luis Oliveira in the 8th minute. A further three yellow cards were brandished, making it 2-2 in the book at half-time.

We did have a good shot from Tyler Robinson saved, but this was about the only real goalmouth action of the first half.

Half-time: 0-0

In the 50th minute, Karl Bailey replaced the injured Jason Bloor, and in the 58th minute Obasanjo Akinniranye replaced Craig Dundas. We were still very much on top at this stage.

In the 63rd minute, we got the goal we richly deserved as Tyler Robinson broke down the right flank and crossed for substitute Akinniranye, who calmly slotted the ball between two defenders to give us the lead.

Balham immediately began making substitutions, and we followed suit when Callum O'Keeffe replaced Teddy Ralph in the 74th minute.

Unfortunately, we lost Tyler Robinson in the 87th minute to an alleged elbow on a Balham defender. He was shown a straight red card after the referee consulted with his assistant. Was the red card harsh? Yes, it was. Tyler was convinced after the match that this was the case, and this view was supported by the Balham player involved, who expressed his surprise at the decision.

Could we hold out, with what appeared to be plenty of injury time still to play? The answer was **YES**. A very good three points were secured, moving us on to 28 points, although with no change in our league position.

What's Next?

We have a big match against Corinthian Casuals at Chalky Lane, Chessington, next Saturday, 27th December, with a 3pm kick-off. As a large crowd is expected, it would be advisable to arrive in good time if travelling by car to secure a parking space.

Epsom and Ewell FC Media

Derby Prize Money to Rise to £2m as Epsom Seeks to Reassert Its Place at the Top of British Racing

20 January 2026

The Derby at Epsom is set to regain its position at the very summit of British flat racing after The Jockey Club confirmed that prize money for the 2026 renewal will rise to £2 million, making it the joint-richest race in the UK.

The £500,000 uplift takes the Derby's total prize fund to £2 million, with £1 million awarded to the winner, placing the race on a par with Ascot's King George VI and Queen Elizabeth Stakes, long regarded as Britain's most valuable middle-distance contest.

The announcement comes after a six-month review by Epsom Downs Racecourse and The Jockey Club, prompted by a notable fall in attendance at this year's Derby meeting. Official figures show the Derby crowd dropped by more than 4,500, from over 26,800 in 2024 to 22,312 in 2025, raising concerns about the long-term appeal of Britain's most famous Classic.

A race whose prestige once eclipsed prize money

Historically, the Derby's importance has never rested on prize money alone. For much of its 245-year history, victory at Epsom carried unparalleled breeding and reputational value, dwarfing the cash rewards on offer.

Well into the late twentieth century, the Derby paid significantly less than major jumps races such as the Grand National or Cheltenham Gold Cup, yet remained the race every owner, trainer and breeder wanted to win. A Derby victory could transform a colt's value overnight, securing a lucrative stud career that far exceeded any prize cheque.

In recent decades, however, that imbalance has begun to shift. With global investment in racing concentrated increasingly in prize money-led jurisdictions such as Ireland, France, Australia and the Middle East, British racing has faced mounting pressure to compete financially as well as historically.

How the Derby now compares

At £2 million, the Derby will now sit at the top tier of UK racing alongside:

- **King George VI and Queen Elizabeth Stakes (Ascot)** - £2 million
- **The Derby (Epsom)** - £2 million from 2026

By comparison:

- **Cheltenham Gold Cup** currently offers prize money in the region of £625,000
- **The Grand National**, Britain's most famous jumps race, has a total prize fund of £1 million
- **The Oaks**, run on the Friday of the Derby meeting, remains below the Derby but continues to hold major Classic status

The uplift therefore restores a sense of hierarchy at the very top of British flat racing, ensuring that the Derby once again leads from the front rather than trailing its peers.

Wider changes to the Derby meeting

Prize money is not the only area where change is planned. In an effort to attract a younger and more diverse audience, under-18s will be given free entry to both days of the Derby meeting in 2026. Racecourse officials hope this will help introduce a new generation to Epsom Downs and to racing more generally.

There are also significant changes to the structure of the meeting itself. The **Coronation Cup** will move from Friday to Saturday, where it will be run alongside the Derby. Its prize money has more than doubled, rising from £450,000 to £1 million following new sponsorship from leading racehorse breeders Coolmore.

Across the two-day meeting as a whole, total prize money will increase by £1.375 million, while the **Oaks** will remain the feature race on the Friday.

A response to changing times

The changes follow a 2025 Derby won by **Lambourn**, trained by Aidan O'Brien, who recorded a record-extending 11th victory in the Classic. While the quality of racing on the track remains undiminished, the attendance figures suggest Epsom is grappling with wider challenges facing British racing: competition from other sports, rising costs for racegoers, and shifting leisure habits.

By restoring the Derby's financial standing, restructuring the meeting, and lowering barriers to entry for younger fans, Epsom Downs is clearly attempting to balance tradition with modern realities.

Whether higher prize money alone can reverse attendance trends remains to be seen. But with the Derby once again sitting at the very top of the British racing prize-money tree, Epsom is making a clear statement of intent: that the world's greatest flat race should also be one of its most valuable.

Cobham Cruise Past Epsom & Ewell in 4-0 Chalky Lane Defeat

20 January 2026

Epsom and Ewell FC 0 - 4 Cobham Combined Counties League Premier South. Venue Chalky Lane Chessington.

The Salts succumbed to their worst home defeat of the season, losing 0-4 to Cobham. The fact that Cobham are running away with the league (13 points clear with 2 games in hand on 2nd place) meant it would be a difficult game, but unfortunately a poor performance made it easy for them, and they didn't have to get out of second gear in order to claim the 3 points in front of 101 fans.

Injuries and suspensions meant we had to move players around again, although, after the fact, the suspensions were probably best today rather than Tuesday evening, with a more winnable game v Badshot Lea.

Sami Nabbad returned in goal, Shane Dunne came into midfield as Adam Green went to centre-back in place of the suspended Antonios Nazareth, Callum O'Keefe returned in place of Jason Bloor, Filip Ksaidz replaced Andrew Herring, and finally Karl Bailey came in for Ali Fofahan.

There was a little bit of hope in the early stages as Luis Oliveira managed to get to the goal line in the 2nd minute, but he was forced out by three defenders and unable to get the cross in, and the ball ricocheted off him, not even getting the corner. Cobham had the first chance of the afternoon when No. 9 Marklew had a shot across the goal after a good move down their left. Fortunately, there was no one coming in on the far post — something that was to change shortly. Nabbad was forced to make a couple of diving stops to prevent the ball going across the goal. He then had a poor kick-out and his ball went straight to a Cobham player who tried to play in No. 10 Hayford, but fortunately there was a bit too much on the pass and it ran out for a goal kick.

We then lost Shane Dunne to a knee injury after 15 minutes which would cause us problems as he holds the midfield together, and with Adam Green in defence, we were in for a difficult time. After 17 minutes Cobham got their reward for their control of the game. Again it came down their left with No. 11 Rule playing a nice ball across the goal, with Marklew running in unopposed and passing the ball into the net.

Epsom & Ewell 0-1 Cobham.

Cobham were now in control and on 31 minutes a nice ball was played into Marklew, and he found himself 1-on-1 with Nabbad, who had moved quickly off his line. Marklew attempted to lift the ball over the onrushing keeper and fortunately put a bit too much on it and it went over the bar too. Shortly after, we managed to put a nice move together and the ball was played to Oliveira who burst towards the box only to be brought down just outside. McVey, who normally takes the kick, stepped aside for No. 9 Robinson to have a go, but his shot hit the bottom of the wall and rebounded easily back to the keeper. On 36 minutes we gave away a free kick outside the box, which earned Nelson-Roberts a yellow card, in a similar position to our previous kick. Cobham No. 7 decided to go under the wall as well. He also managed to hit the bottom and it rolled easily back to Nabbad. Unfortunately, Sami managed to let the ball go through his hands and legs and it rolled into the goal. I don't even think it managed to hit the back of the net.

Cobham continued to create more and keep us pinned in our half and they had a couple more chances that didn't really trouble Nabbad, but a header in the box from Marklew appeared to strike an Epsom & Ewell arm. There was a big shout from Cobham players but the referee waved it away. Difficult to see from where we were standing but we went in 0-2 down.

HT Epsom & Ewell 0-2 Cobham.

There needed to be a big talk from the management to get the players focused for the second half. 2-0 down still means we are in the game, but our performance in the first half was poor and lacked any real energy. Hopefully, we would give it a go in the second. Alas, it was not to be and despite the fact we were playing down the hill in the second half, Cobham continued to exert pressure. Again they had a couple of chances and a third goal looked on the cards rather than us getting back into the game, and on 62 minutes we gave them a third goal. Trying to play out from the back, Nabbad played the ball to Green who attempted to play the ball across goal to Aiwone. He tried to let the ball run across his body whilst facing the goal, but No. 11 Rule anticipated the move and took the ball off Aiwone and slotted the ball into an empty net.

In the meantime, Oba Akinniranye had replaced Karl Bailey and, as always, he started to cause trouble on our right; however, he managed to get himself booked after a little bit of trouble with Cobham No. 4, and both ended up in the book. Oba did manage to provide an assist for our first real shot on goal and good movement found Ryley Merritt (who had replaced Dunne in the 1st half). He had a good shot, but it went across the goal. As the keeper scrambled across it must have been close. Cobham seemed to think *we have to stop this* and on the 85th minute another move down the Cobham right had the ball played across goal and No. 14 Simpson had another easy finish at the far post.

We managed to create a couple of chances towards the end and finally their keeper had to make a save, after Oba again created problems and his shot was stopped just short of the goal. Jack Torbett, returning after another lay-off, hit the bar from a cross/shot. There was nothing really after that, and Cobham continued their march to the title.

After a great mid-week performance v Step 4 Bedfont Sports in a friendly, today's performance was disappointing and with only one shot on goal for the whole game it is probably the worst since we lost to Sutton Common Rovers. Losing to Cobham is also not the worst result either, but we need to gather ourselves for Tuesday night v Badshot Lea at Chalky Lane. KO 7.45, as some of the teams below us are putting in good results and we don't wish to be drawn into another relegation battle.

We look forward to seeing you there.

Team:

Nabbad, Oliveira, Nelson-Roberts, C. Green, Dunne, Aiwone, O'Keeffe, Murphy-McVey, Robinson, Ksaidz, Bailey — Subs: Gilfillian-Waul, Dundas, Akinniranye, Merrett, Torbett.

Late Penalty Breaks Epsom Hearts in 34-33 Thriller

20 January 2026

Dartfordians 34 Sutton & Epsom RFC 33 Saturday 13th December.

The midpoint of the campaign has been reached and the return journey has begun in Regional 2 South East. In Round 2 back in September, the Black & Whites hosted Dartfordians and snuck home by 33-29, with Rob Hegarty scoring a hat-trick. Sutton & Epsom had led 33-17 with five minutes to go and were no doubt grateful that there were not five more minutes to play. While the hosts then sat just a solitary place above winless Old Reigatian and the visitors were nestled in fourth spot, S&E arrived in Bexley on a run of four successive defeats. Added to this were the usual seasonal effects of wear and tear, and few were anticipating a comfortable afternoon. So it came to pass that Dartfordians won 34-33 with the final kick of the game.

Sutton & Epsom fielded 11 players from their September squad. Niall McCormack made his debut from the bench and Angus Nelson, having his first outing of the season, kept him company, while Matt Symonds made his first appearance of the campaign on the wing. Dartfordians were marginally more settled, with 12 of the 18 who appeared at Rugby Lane also taking part, though Jarlath Hetherington was once again a notable absentee. Traffic accidents and congestion delayed the kick-off until 2.15pm, and disaster struck Sutton early when an interception allowed centre Harvey Whyte to run in from his own half. The conversion was missed but Dartfordians led 5-0, playing up the slope.

The early setback was compounded when S&E flanker Dan Jones' return from injury lasted less than ten minutes. Undeterred, Sutton took the lead when Tom Lennard made the initial break and the Black & Whites exploited an overlap for Matt Symonds to score with his first touch. Freddy Bunting converted to edge Sutton ahead at 7-5. It was the start of a topsy-turvy encounter, with the lead changing hands repeatedly. On the half-hour mark, Dartfordians regained the advantage after sustained pressure forced Sutton onto the back foot. Despite strong defence, with Lennard prominent, a poor clearance led to a catch-and-drive from which prop Louis Chapman scored. Tom Gubby converted for a 12-7 lead.

Within five minutes Sutton were back in front. A superb break from Bunting, well supported by Gareth O'Brien, took S&E to within five metres, and from the ensuing penalty the forwards took charge. Despite valiant resistance, prop Tom Boaden forced his way over, with Bunting again converting to make it 14-12. From the restart, winger Jack Bunce was rewarded for his kick chase as Bunting lost possession in the tackle. After heroic defence denied full-back Joe Scott, it was captain Kieran Clarke who eventually scored from a five-metre scrum. Gubby converted to restore Dartfordians' lead at 19-14.

There was still time for one more score before the break, and it went Sutton's way. O'Brien initiated a counter-attack from inside the Sutton half and the Black & Whites produced their best attacking rugby of the half, advancing through multiple phases to reach five metres out. A retreating Dartfordians defence conceded a penalty, which O'Brien took quickly, weaving his way to the line with pace and skill. Bunting added the extras and Sutton led 21-19 at the interval. After a breathless, see-sawing first half, it would have taken a brave soul to predict the final outcome.

The visitors broke the pattern ten minutes into the second half. A superb break by Adam Bibby almost brought a try, but excellent cover defence denied him. Hegarty and Sam Lennie continued the move and S&E appeared to have scored, only for the referee to rule the final pass forward. That disappointment was short-lived, as play was brought back for a Sutton penalty. Slick back play then provided Symonds with his second try of the afternoon, and Bunting's magnificent touchline conversion extended the lead to 28-19.

Five minutes later Dartfordians responded. A series of penalties forced Sutton deep into their own 22 and, after multiple phases of determined forward play, centre Harvey Whyte powered his way over. Gubby converted to reduce the deficit to 28-26. Both sides had now secured their try bonus point as the game entered its final quarter, with everything still to play for.

A pivotal moment followed when Bibby was yellow-carded for a high tackle as he chased down a long clearance. In such a tightly contested match, ten minutes with a numerical advantage proved crucial. Sutton dug deep, monopolising possession and running down the clock, but Dartfordians eventually forced their way back into the S&E 22. Another penalty piled on the pressure, and from a catch-and-drive the ball was released for flanker James Garvey to squeeze over in the corner. The difficult conversion was missed, but Dartfordians were back in front at 31-28.

With some irony, the referee then reduced the home side to 14 just as Sutton returned to a full complement. It appeared the Black & Whites had missed their chance when a harsh pass to Symonds resulted in a knock-on, but they were rescued by a colossal scrum effort that earned a penalty. Sutton camped on the line as Dartfordians' defence held firm, twice denying Lennie within inches of the line. From the drop-out, Sutton surged back again and were awarded a penalty in front of the posts. Declining the draw, they kicked to the corner, and from the line-out the pack ushered Lennie over. Bunting's kicking had been immaculate all afternoon, so it was a surprise when the conversion drifted narrowly wide, but Sutton led 33-31.

There was still time for the restart. As so often, Sutton proved most vulnerable immediately after scoring. Almost inevitably, Dartfordians were awarded a penalty. In a moment of intense drama, Tom Gubby held his nerve and landed the decisive kick. It was agony for the men from Rugby Lane and pure ecstasy for the Kent crowd. With no time remaining, Dartfordians had won 34-33.

The lower reaches of the table are tightly congested and, after several near misses, Dartfordians finally emerged on the right side of the scoreline. Aside from the interception, their four tries came from excellent forward ball-carrying, with a physical and committed pack posing a constant threat from attacking line-outs. With Old Reigatian now 25 points adrift at the bottom, Dartfordians will look upwards with optimism, as the next three teams are within two points.

This was a painful defeat for Sutton & Epsom. They regained the lead on four occasions, scored five tries and have accumulated the most bonus points in the league with 14. Errors, whether missed kicks to touch or costly penalties, handed Dartfordians valuable territory and attacking platforms. To snatch the lead in the dying moments only to concede a penalty from the restart made this the hardest defeat of the season to bear.

Next Saturday at 2pm, Sutton & Epsom host Old Reigatian in their final league fixture of 2025. The visitors are enduring a tough campaign, one that Rugby Lane supporters of a 2011-12 vintage will recall with empathy. The Black & Whites will hope their Christmas charity does not extend to gifting the Old Boys their first win of the season. Such is the cyclical nature of rugby that the side from Geoffrey Knight Fields topped Regional 2 South East as recently as 6 January 2024.

Sutton & Epsom:

O'Brien, Symonds, Bibby, Bunting (c), Scott, Lennard, Munford, Johnson, Lennie, Boaden, McTaggart, Duey, Rea, Jones, Hegarty.

Replacements: Howes, Nelson, McCormack.

Dartfordians:

Scott, Kpaka, J Taylor, Whyte, Bunce, Gubby, M Taylor, Garrett, Hooban, Chapman, Adams, Chandler, Garvey, Clarke (c), Wright.

Replacements: Clayton, Rackley, Chappell.

Million-pound FIFA-standard football pitch opens at Glyn School in Ewell

20 January 2026

A new state-of-the-art FIFA-standard 3G football pitch and pavilion has been officially opened at Glyn School in Ewell after more than £1 million of investment from national and local partners.

The Premier League, The FA and the Government’s Football Foundation contributed just over half of the total cost, with further funding from Epsom & Ewell Borough Council, Your Fund Surrey (Surrey County Council) and the Epsom & Ewell Colts. The new pitch will be used by Glyn School, other GLF Schools, Epsom & Ewell Colts FC and the wider community.

Epsom & Ewell Borough Council’s Playing Pitch Strategy and Corporate Plan identified the need for high-quality sports provision to promote healthy lifestyles, widen participation and meet the needs of a growing population. With more than 1,800 students at Glyn and around 5,000 across other GLF Schools, the facilities are expected to make a significant daily impact on school and community sport.

A partnership with Epsom & Ewell Colts FC means the pitch will become a major hub for grassroots football, supporting over 1,200 players across 82 teams, including 30 girls’ and women’s teams. The GLF Schools Foundation will help expand access for disadvantaged groups, disabled players and young people historically underrepresented in sport, aligning with both borough and national priorities for community wellbeing.

The official opening took place on Wednesday (Dec 10), with GLF Schools Interim CEO James Nicholson addressing guests and the Mayor of Epsom & Ewell, **Cllr Robert Leach**, cutting the ribbon. Also present were Liz Pill from the Football Foundation and Rosanne Fine from Surrey Football Association. Visitors toured the pitch and pavilion after watching players take to the new surface.

Jo Garrod, Headteacher at Glyn School, said: “This new pitch and pavilion are a fantastic addition to the sports facilities at our school and will be a huge benefit to all our students. We’re extremely grateful to the Football Foundation for the funding and investment and delighted that they have made such a significant contribution to improve the quality of sports facilities for everyone in the community.”

James Nicholson, Interim CEO of GLF Schools, said: “The range of sports and activities we offer at GLF Schools is central to the educational experience for all students. Having the latest modern facilities is key to giving every student the best opportunities to reach their full potential and enjoy their time with us. I’d like to thank The Football Foundation, whose major grant made this development possible, Epsom & Ewell Council, Your Fund Surrey (Surrey County Council), and the Epsom & Ewell Colts, who also supported this project with substantial financial contributions. As well as Surrey FA for their strategic guidance and endorsement, and all the consultants in design, fundraising, planning, and project management who worked so hard to build such an impressive pitch and pavilion.”

Robert Sullivan, Chief Executive of the Football Foundation, said: “The Football Foundation is working closely with our partners, the Premier League, The FA and Government, to transform the quality of grassroots facilities in England by delivering projects like this across the country. Good quality playing facilities have a transformative impact on physical and mental health and play an important role in bringing people together and strengthening local communities. We’re delighted that the local community in Epsom and Ewell will now be able to enjoy all these benefits thanks to the new facilities at Glyn School.”

Epsom & Ewell MP Helen Maguire said: “The opening of this new pitch and pavilion at Glyn School is a real milestone for Ewell and the wider borough. It gives young people and local clubs a first-class space to train, play, and grow – and it strengthens the role that sport can play in building confidence and aspiration, as well as the improvements it can bring to both physical and mental health. I’m delighted to see this project completed and look forward to visiting soon.”

Many local clubs, organisations and community groups provided letters of support, including NESCOT, Chelsea FC Foundation, Fetcham United FC, Active Surrey, Surrey Schools FA, Surrey Cricket Foundation and Tidy Keepers.

A 3G (Third Generation) astro pitch is an advanced artificial turf surface combining synthetic grass, sand and rubber infill to mimic natural turf, offering all-weather durability and consistent performance.

About the Football Foundation

The Football Foundation is the Premier League, The FA and the Government’s charity dedicated to delivering outstanding grassroots facilities. Since 2000 it has raised £1.3 billion to improve facilities nationwide, including 1,300 3G pitches, 15,000 grass pitches and 1,700 changing rooms, attracting an additional £1.5 billion in partnership funding. It works with local authorities, County FAs and community partners to create Local Football Facility Plans for every area of England. More information at footballfoundation.org.uk.

About GLF Schools

GLF Schools is a multi-academy trust of 43 schools serving more than 17,000 pupils aged 2 to 19 across Oxfordshire, Berkshire, Hampshire, Surrey, West Sussex and parts of London. The Trust includes eight secondary schools and 35 primary settings, each serving its own community while sharing a commitment to excellent educational outcomes.
