Check your Epsom and Ewell train journeys January weekends.

14 January 2025

Residents of Epsom and Ewell are advised to prepare for disruptions to South Western Railway (SWR) services due to essential engineering works in the Wimbledon area. Bus replacement services will operate on key routes over two consecutive weekends: January 18-19 and January 25-26.

While services on the London Waterloo line from Epsom will be affected, passengers can still reach Waterloo by using Southern Railway services via the Victoria line and changing at Clapham Junction. However, there will be no SWR services between Epsom and Guildford, and SWR trains to Dorking will also be unavailable.

The works will involve renewing 800 meters of track, ballast, and sleepers between Wimbledon and Earlsfield, alongside replacing points and installing 100 meters of conductor rail. These upgrades aim to improve track reliability and reduce faults, providing smoother journeys for passengers.

Key Impacts for Epsom and Ewell Residents

- **No SWR trains from Epsom to Guildford.**
- **Southern Railway services to Dorking via the Victoria line remain available.**
- **Rail replacement buses will operate between Clapham Junction and Worcester Park, affecting onward connections.**

Additional Service Changes

- SWR services between London Waterloo and Chessington South, Hampton Court, Dorking, and Woking (stopping services) will not run.
- Longer-distance services to Portsmouth Harbour, Exeter St Davids, and Weymouth will be revised, taking up to 30 minutes longer.
- Berrylands station will be closed during the works.

Plan Ahead

SWR advises passengers to check travel options in advance via the SWR website (southwesternrailway.com/plan-my-journey) or National Rail (nationalrail.co.uk) and to allow extra time for their journeys.

Apologies from Network Rail and SWR

Peter Williams, SWR’s Customer and Commercial Director, acknowledged the inconvenience:
“Customers should plan ahead if they intend to travel on these weekends, as engineers carry out vital maintenance at one of the busiest parts of our network. We’re grateful for our customers’ patience.”

Mark Goodall, Network Rail’s Wessex Route Director, added:
“We’re sorry for the disruption but completing these upgrades back-to-back is the most efficient option. We encourage passengers to check their journeys and plan ahead.”

Further closures in the Wimbledon area are also planned for Sunday, February 2, and Sunday, February 9. Updates will be available on the SWR website.

For Epsom and Ewell residents, alternative travel routes and extra planning will help navigate the disruptions while these essential upgrades take place.
