

Contractors occupying the high-ground

Ewell school benefits from local highway contractors' social value activities.

Milestone Infrastructure, a part of M Group Services, is committed to supporting the communities in which it operates and was delighted to volunteer its services to **West Ewell Primary School** recently by helping to clear a large, abandoned area of the school playground containing a disused swimming pool and outbuildings.

Milestone Infrastructure is the street lighting contractor for Surrey County Council and, as part of its commitment to undertaking social value activities and events throughout the year, the team formed a Social Value Alliance with the council and other highways contractors including Yunex, Atkins, Ringway and Surrey Skill Mill.

A team of 36 volunteers representing the Alliance met onsite to help remove the old swimming pool and outbuildings surrounding it and cut back overgrown foliage to make the area safe and accessible for the school children to use in future.

Once the ground has been cleared and the overgrown vegetation removed, the area will provide an accessible space for the children to use and enjoy in future.

Vikki Kelly, Strategic Improvement Manager at Milestone Infrastructure, said: "Building social value into what we do and giving back to the local communities where we work is a large part of what we do. It was a rewarding day and, together with our alliance partners, we managed to achieve everything we needed to onsite and more."

James Joyce, Business Manager at West Ewell school, said: "We would like to thank Milestone Infrastructure who organised the event but also the other companies that attended: Surrey County Council, Yunex Traffic, Atkins, Surrey Skill Mill and Ringway. On the day they achieved more than you could expect for a day volunteer event and transformed the area, giving the school a regenerated space that can now be used."

Mia Bennett, Head teacher at West Ewell school, added: "We really appreciate the time, effort and resources your teams invested in making this project a reality. The cleared area is now a blank canvas which we plan to transform into a flourishing wildlife area and outdoor classroom which all our pupils can enjoy, while learning about nature, biodiversity and developing a deep appreciation for our environment."

Milestone's focus on social value is an essential element of M Group Services' environmental, social and governance (ESG) commitments.
