Council agrees to continue jobseeker support in Epsom & Ewell

29 January 2026

On 27 January 2026, Epsom & Ewell Borough Council's Strategy & Resources Committee approved continued funding and delivery arrangements for the Epsom & Ewell Hub (EE Hub). This decision ensures that this valuable community service can continue helping residents develop their skills, build confidence and improve emotional wellbeing in an easily accessible location— supporting more residents to move successfully into employment. Between 2022-2025, over 1,319 residents registered with EE Hub.

The EE Hub will continue to be delivered by Surrey Lifelong Learning Partnership – a local charity that is active in employment support, skills training and community learning.

Councillor **Clive Woodbridge** (RA Ewell Village), Chair of the Community & Wellbeing Committee, said: "We are extremely proud to continue supporting the Epsom & Ewell Hub, which has become an invaluable resource for residents taking positive steps towards work.

"The Hub's strength lies in its holistic, people-centred approach—helping individuals overcome both practical barriers to employment and the anxiety or low confidence that can often accompany time out of work. For many, challenges linked to education, confidence or personal circumstances can hinder progress, and the Hub provides exactly the support needed to move forward.

"Over the past five years, the Hub has built strong partnerships with local businesses, NESCOT and DWP Jobcentre work coaches, which are essential to helping residents access training and meaningful opportunities.

"I am delighted that we are continuing our partnership with Surrey Lifelong Learning Partnership to deliver this service, and I would like to thank them—and all our partners—for their commitment to providing such an effective and supportive resource for our borough."

EE Hub services available

The Epsom & Ewell Hub provides free support for residents entering the workforce or returning to work, offering help with CVs, interviews and interpersonal skills, while also supporting those facing barriers such as anxiety or low confidence. Its holistic approach includes creative activities that build resilience, and it maintains strong links with local employers—connecting jobseekers to opportunities across organisations and high street businesses—and hosting regular job fairs.

Digital support is also available, helping anyone who wants to set up a mobile phone, access email through to using Microsoft Office or finding jobs online.

Residents can also access complementary programmes and training such as Work Well, which supports adults with long-term conditions to re-engage with employment; and Multiply, a numeracy skills initiative.

Mandy Bosher, Deputy Chief Executive, Surrey Lifelong Learning Partnership said: "We are delighted that, with the support of Epsom & Ewell Borough Council, the Epsom & Ewell Hub has been able to help residents build new skills and gain the confidence needed to move into work. Empathy and understanding are at the heart of everything we do, and our focus is always on providing the personalised support individuals need to move forward. What inspires us most are the individual learning journeys—each one unique, powerful and truly heartwarming."

About the Epsom & Ewell Hub (EE Hub)

Initially the service was funded by the DWP and focused on supporting people aged 18-24 into employment. Following marked improvements in local youth unemployment, DWP funding ceased in 2023. From August 2023 the council utilised funding from the UK Prosperity Fund to support a service providing a wider range of employment support to residents of all ages across the borough and the Hub became the Epsom & Ewell Hub.

The service employs a small team of three dedicated staff, alongside other partners who deliver complementary services such as Work Well (helping to get long term sick back into employment) and other training schemes such as Multiply, a mathematical skills programme. www.epsomandewellhub.com is currently being updated
