

Council's contribution to our safety

19 January 2024

Epsom and Ewell's Crime and Disorder Committee met Wednesday 17th January to endorse an updated Community Safety Action Plan for 2024-25.

This followed a period of consultation in which **Chris Grayling** MP called for more attention to be paid to prevent local parks being used for drug dealing, one resident's request for slimy leaves being swept up being disregarded as not relevant to the Plan, the **Liberal Democrats** calling for more action on minor crime such as theft from cars and a citizen asking for the Stones Road tunnel under the railway line to be closed because of drug-dealing.

The plan was adopted unanimously and a summary follows:

In an effort to maintain its reputation as a safe haven amidst changing crime patterns, Epsom and Ewell Borough Council has rolled out a comprehensive Community Safety Action Plan for the upcoming year. The plan addresses emerging challenges, emphasizing the protection of vulnerable individuals and enhancing community engagement.

The borough aims to tackle crime at its roots by prioritizing the most vulnerable and those at risk. The implementation of Community Harm and Risk Reduction Meetings (CHaRMM) is a cornerstone of this strategy. These multi-agency gatherings plan interventions for both victims and perpetrators, with approximately 65 cases managed each year.

Key initiatives include attending monthly CHaRMM meetings, ensuring proper resourcing for Domestic Homicide Reviews, and conducting Antisocial Behaviour Case Reviews. These actions aim to provide a voice for victims, address hidden crimes, and enhance overall community safety.

Epsom and Ewell Borough Council are determined to be on the frontline against serious organized crime. Staff, including the Environmental Enforcement team and Environmental Health Team, will undergo awareness sessions. The council also plans to report intelligence via appropriate channels, using its unique position as landowners, event organizers, and chairing Safety Advisory Groups to contribute to counter-terrorism efforts.

The rollout of ACT Awareness (Action Counter Terrorism) training and the establishment of Serious Organized Crime Joint Action Groups demonstrate the borough's commitment to staying vigilant and proactive in the fight against criminal networks.

Beyond addressing vulnerable populations, the plan includes joint initiatives such as Joint Action Groups (JAGs), which focus on targeted interventions in specific geographical areas. The move towards a standing JAG arrangement ensures a continuous forum for partner agencies to collectively address area-based issues.

Additionally, a thorough review of town centre data will be conducted, utilizing available tools to identify trends and behaviours that require attention.

To foster a safer community, the borough will continue joint initiatives with other enforcement agencies, including "Meet the Beat" and "Violence Against Women And Girls" day of action. Social media will also play a pivotal role in keeping residents informed and engaged.

The Council pledges to amplify partner messages on social media, ensuring targeted and informative content that showcases the results of their community safety efforts.

The meeting lasted 2 minutes 37 seconds.
