

Creative Futures: Year 10 Taster Days at Epsom's UCA

12 July 2025

The University for the Creative Arts (UCA), in collaboration with the Higher Education Outreach Network (HEON), is offering six exciting and inspiring Taster Days for current Year 10 students. These free events will focus on a range of creative disciplines including **Fine Art, Graphic Design, Animation, Acting, Textiles, and Creative Business**.

Taking place across UCA's campuses, each Taster Day is designed to give students a hands-on introduction to life at a specialist creative university. Participants will have the opportunity to work closely with practising artists, experienced academics, and current UCA students. Through engaging workshops and interactive sessions, students will gain valuable insight into what it's like to study and work in the creative industries.

These experiences allow students to explore the university's professional facilities, including industry-standard studios, workshops, and software. Whether it's using digital design tools, experimenting with materials, performing in rehearsal spaces, or developing their own summer music festival, these Taster Days are designed to develop creative confidence and key skills that can support students as they enter Year 11 and begin to think seriously about their future pathways.

UCA partners with HEON, a network of universities and colleges working together as part of the Office for Students' Uni Connect programme. HEON's mission is to raise awareness of higher education and help young people from North Hampshire and Surrey to make informed, confident choices about their next steps. By offering engaging and supportive activities, HEON aims to open doors to higher education for students who may not have previously considered it.

The Taster Days form part of this wider commitment to student outreach and aspiration-raising. They provide a first-hand experience of what it means to study creative subjects at a higher level, while also showcasing the range of career paths available in the creative industries, from visual arts and media to performance and entrepreneurship.

These Taster Days are not just about creativity - for many, it's the first time they've stepped onto a university campus or imagined themselves pursuing a career in the arts. We encourage all eligible Year 10 students to consider attending one of these fantastic opportunities.
