

## Dorking to slow down?

Plans to cut speed limits in Dorking town centre to 20mph are being considered. Surrey County Council is looking at cutting speeds along the A25 Reigate Road, West Street, South Street, Vincent Lane and surrounding roads – and carrying out a resident survey until October 13 to gather views.

It comes after the county council introduced limits across Surrey in 2024. This proposal is being funded through Surrey's Integrated Transport Schemes – with a countywide budget of £2.8 million.

Before the council can introduce changes it advertises its intentions to give people the opportunity to tell us what they think about them. The council is then obliged to consider any feedback before making a final decision whether to still go ahead, with or without any changes. If there is enough support for the scheme it is anticipated to come into force early next year.

Surrey County Councillor Hazel Watson (Liberal Democrat: Dorking Hills) said lower speed limits give drivers more time to react, reduce the severity of any collisions, and makes the roads safer for vulnerable users. She said: "There will be some additional 20mph signs, but mostly the existing 30mph signs will be replaced."

She added: "Road safety is a very high priority for Surrey residents and this lower, appropriate, speed limit proposal for Dorking Town has been requested by many residents for a long time. It builds on the very successful introduction of lower, appropriate, 20mph or 30mph speed limits which have been introduced on many of the rural lanes and through the village centres across the Dorking Hills over the last few years."

"It is important that every resident who has an opinion on this proposal registers their comments at <https://dorking-20mph-scheme.commonplace.is/> so that their views can be taken into account."
