Epsom business contact with the King warranted

23 December 2024

Epsom based since 2013 **Cirrus**, the leading provider of contact centre software, is proud to announce it has been granted a Royal Warrant of Appointment by His Majesty **King Charles III**. The grants were made to 386 companies previously holding a Royal Warrant of Appointment from Queen Elizabeth II, as well as 7 companies with an established and ongoing trading relationship with HM Queen Camilla.

This prestigious recognition marks a reappointment for Cirrus, building on the acknowledgement previously granted by Her late Majesty The Queen for its outstanding service to the Royal Household.

Cirrus has built a strong reputation for providing innovative, cloud-based contact centre solutions that help organisations improve customer engagement and service delivery. This Royal Warrant recognises the company's continued excellence in supporting the Royal Collection Trust.

Jason Roos, Founder and CEO of Cirrus, shared: "It's an immense honour for Cirrus to receive this recognition with a Royal Warrant. This achievement reflects the hard work and dedication of our team. We've always focused on delivering solutions that make a real impact, and this recognition from His Majesty's Household validates that effort in the most meaningful way."

The Royal Warrant of Appointment is awarded to businesses that have supplied goods or services to the Royal Household for at least five years. This announcement also highlights Cirrus' ongoing commitment to supporting local communities, while maintaining the highest environmental standards. Cirrus joins the ranks of household names such as BT and Samsung.

"Looking back, it's incredible to see how far we've come. And looking ahead, we're more motivated than ever to keep pushing the boundaries of what we can achieve. This Royal Warrant is a recognition of our daily efforts, and we're excited to continue collaborating with fantastic partners and clients," Roos added.

In the past year, Cirrus has continued to thrive, securing new clients across sectors such as public services, healthcare, and retail. The company's solutions are trusted by organisations including Nisbets, Premium Credit, and Northern Ireland Water.
