Epsom March crime and safety round-up

2 April 2026

Policing activity across Epsom and Ewell in March 2026 saw a mix of enforcement successes, court outcomes and continued concern around acquisitive crime, drugs and community safety.

30th March an unexploded ordnance was handed in to the police counter in the Town Hall, The Parade, Epsom. The area was cordoned off until experts gave the all-clear.

Drug crime crackdown sees cash seizures in Epsom

A significant policing outcome during March was the seizure of more than £12,000 linked to criminal activity following a proactive stop by officers in Epsom. The funds, recovered under the Proceeds of Crime Act, are set to be reinvested into policing.
Local police social media updates suggest this forms part of wider activity targeting drug-related offending and organised crime in the borough, with officers using stop-and-search powers and intelligence-led patrols to disrupt offenders.

Targeted operations lead to arrests across offence types

Neighbourhood policing teams reported intensive enforcement weeks during which more than 20 arrests were made across a range of offences including burglary, theft, drugs and weapons possession. (Facebook)
These operations reflect a continued emphasis on “visible policing” and proactive interventions in hotspot areas.

Burglary and vehicle crime remain priorities

Across Surrey, two burglars were jailed in March after targeting homes to steal car keys and vehicles in early-morning break-ins.
While not limited to Epsom and Ewell, such offences remain a key policing priority locally, with residents repeatedly advised to secure vehicles and keys.

Domestic abuse and sexual offences prosecutions

March also saw several significant court outcomes across the county, including custodial sentences for domestic abuse, coercive behaviour and serious sexual offences.
Police continue to highlight safeguarding and victim support as central to their work, alongside encouraging reporting and use of protective measures such as Clare’s Law disclosures.

Community engagement and policing visibility

Residents are being invited to participate in upcoming “Policing Your Community” roadshows, aimed at gathering local concerns and shaping neighbourhood priorities.
This follows ongoing efforts in Epsom and Ewell to strengthen engagement between officers and the public.

Ongoing concerns around public safety incidents

Although outside the March reporting window, earlier incidents such as the January report of a teenage girl being approached by two men in Court Recreation Ground continue to frame community concerns about safety in public spaces. (The Sun)
Police have maintained increased visibility patrols in such areas in response.

Overall picture

Data and operational updates suggest that policing in Epsom and Ewell during March has been characterised by: targeted enforcement against drugs and organised crime; continued focus on burglary and vehicle theft; strong emphasis on safeguarding in domestic abuse and sexual offence cases; ongoing community engagement initiatives.
While Surrey remains a relatively low-crime area overall, the persistence of acquisitive crime and anti-social behaviour continues to shape local policing priorities.
