

## Epsom squash team stand the squeeze

When five girls from **Rosebery School, Epsom** formed the school's first ever squash team just six months ago with a view to entering the England Squash National Schools Championships 2023/24, little did they know how far they would go in this tough and prestigious tournament. Being a state school with no on-site squash facilities, they knew they would be competing against a lot of private schools around the country, many with their own squash courts and dedicated coaches. They were, however, all keen squash players and junior members of **Ebbisham Sports Club** in Epsom where they trained on a regular basis.

By dint of their considerable success in Stages 1 and 2 of the Championships, held respectively at Limpsfield Club in November 2023 and **Epsom College** in January 2024, the Rosebery School Girls Squash Team were delighted to learn that they had done enough to qualify for the Finals held in Birmingham on 14<sup>th</sup> March. One of the top eight teams from around the country to reach the Finals, the Rosebery Squash Team battled hard through three very tough matches during the course of a long day, with some excellent individual match wins and some very close losses. Whilst they came extremely close to beating one of the other schools, in the end the Rosebery team had to settle for final place, but did so with a smile on their faces and knowing they had given the Championships their all.
