

Epsom students put Xmas style in Centre

Fashion Imaging & Styling students studying at **Epsom's University for the Creative Arts (UCA)** have created a festive window display for the town's Ashley shopping Centre.

The local students created work that interpreted the festive season through cutting-edge fashion styling and eye-catching photography.

Their work was inspired by colour themes, seasonal climate, festive paraphernalia, and clothing - from wearing a wrapping paper design, referencing traditional tartans, or joining the ski elite.

"Collaborating with local shops and retail allows us to play an active part in the Epsom community. It will give residents the chance to view and share in the creative journey of our young creatives," **said Martin Sparkes, a senior lecturer at UCA Epsom.**

The Ashley Centre's Manager added: *"The Ashley centre is the heart of the town of Epsom for retail, and it is important that we work closely with the community. So, we are delighted to be able to collaborate with these talented students by giving them the opportunity to showcase their talent, as well as learn more about the retail industry from the shopping centre."*

The window installation will be up until the end of January 2023.
