Volunteers in Epsom Take Action

On **Wednesday**, **26th February**, a group of volunteers from Epsom put social justice into action at the **Nourish Hub**. The volunteers, from the **World Mission Society Church of God**, commemorated the day by **donating food and volunteering**. This initiative was part of a larger campaign called **"Hold Hope!"**, which was carried out across **30 countries** to mark UN Social Justice Day.

The volunteers had been preparing for about a month. Initially unsure of what to donate, they obtained a **wish list** from the Nourish Hub and packed enough food for **15 to 20 families**. The **Nourish Hub staff** were extremely grateful, with the manager stating that the donation would significantly help in providing **nourishing meals**. The **deputy manager** was especially delighted, noting that the donation was almost equal to the food currently in stock.

What is the Nourish Hub?

The Nourish Hub, located in Shepherd's Bush, is run by UKHarvest, an environmental charity dedicated to reducing food waste and promoting healthy eating. The hub is also supported by Hammersmith and Fulham Council and provides an average of 200 meals per day to those in need.

Across the UK, including in **Epsom and Surrey**, food banks are working tirelessly to support struggling individuals and families. Often, we don't give much thought to food banks, but **small donations can make a big difference**. As the saying goes, **"Every little helps."**

Spreading Love and Raising Awareness

The volunteers wanted to **share love and raise awareness** of social justice, especially on this day. They found great fulfillment in helping others and hope their efforts inspire **you** to take action and support your local community.

The **Church of God**, which operates in **175 countries**, continues to engage in **diverse voluntary activities**. The **Epsom branch, located on East Street**, is planning more initiatives, including:

☐ Street clean-ups

☐ Help for the homeless
