

Absolute sparathon & fun day

Absolute Martial Arts is a martial arts school based in Epsom, Carshalton, Caterham and Sutton.

This year we have had 13 of our students qualify to represent England at the WKC World Championships in Portugal. Unfortunately, in kickboxing, there is no funding which means all competitors have to pay for the entire trip themselves.

We have decided to hold a fundraising event at Wallace Fields Infants School to help families fund the trip.

We are holding a sparathon and fun day on 21st July with lots of different activities for children and adults, BBQ, raffles and more! We are looking forward to a fun filled community event – all welcome!
