

An Afternoon at the Opera - by Opera Holloway

28 October 2022

A musical feast is on offer of favourite operatic arias, duets and trios from some of opera's best loved operas. On the menu are Faust, La Traviata, La Bohème, Il Barbiere di Siviglia and more. Since Opera Holloway last performed at St Martin's, star singers - Soprano Callie Gaston, Tenor William Branston and Baritone Sam Oram - have overcome both Brexit and Corona to make their International debuts continue to be in demand in the UK and overseas.

The afternoon's delights include O mio babbino caro (Puccini), The Pearl Fishers Duet (Bizet) and Nessun Dorma (Puccini).
