23 September 2024

Following the romantic trials and tribulations of Charity Hope Valentine, who tries again and again to make something of herself, and wants more than anything to be loved. Wearing her heart on her sleeve, Charity is strung along in a series of bad relationships, but her hopeful romanticism and unfailing optimism lift her out of her circumstances and help her reach for a life beyond whilst working at the seedy Fandango Ballroom as a taxi dancer. Along the way, she learns valuable lessons about self-worth, but when she meets Oscar, a neurotic, shy actuary, will she find true love at last?
