

# Chris Lee Jazz Quartet

1 May 2023

Some of the best jazz players on the British scene come to Epsom in a programme of finger-clicking, foot-tapping classics from the Great American Songbook. Pianist Chris Lee is joined by saxophonist Luke Annesley, bassist Joe Pettitt and drummer Winston Clifford. A rare opportunity to hear these top jazz musicians in your own town performing in the lovely surrounds of St Martin's Church.
