

Christmas Chimes

“What better opportunity to get yourself in the mood than to come along to Epsom Chamber Choir’s Christmas concert?

For our one-hour family-friendly concert, the choir’s inspiring voices will be joined by the rousing sound of St Martin’s organ and the charming chiming of the Epsom Chamber Belles!

Our programme will include contemporary and traditional choir carols along with favourite Christmas songs like “Winter Wonderland” and, naturally, “Have Yourself a Merry Little Christmas”! There will be audience carols as well of course, including “Away in a Manger” especially for the children. We encourage you to keep up the merriment when the music is over, with a glass of wine and some festive refreshments.

We are proud to be supporting the Epsom and St Helier Hospitals charity this Christmas and a retiring collection will be taken at the end of the concert.

“
