Citizens Advice Go the Extra Mile Fundraising Walk 14 May

9 March 2023

On Sunday May 14 2023, Citizens Advice Epsom & Ewell will be walking, skipping, riding or rolling to raise funds for our community service. Join us for a 5- or 10-mile walk in the countryside around Epsom, Surrey and help us meet our target!

We are walking the extra mile to raise £6,000 so we can support and give advice to people, families, neighbours, young and old, who need our help. It costs, on average, £60 across the year for each client that we help. Raising £6,000 could help an additional 100 clients this year.

The cost of living crisis is having a devastating impact on people in our community. As food costs and energy bills rise, families are struggling to make ends meet. It's stressful, isolating and frightening. Every day our advisers go the extra mile for these clients to help solve the problems they face.

So will you join us on Sunday 14 May 2023 and together we can walk, skip, ride or roll those extra steps and raise a few extra much-needed pounds for Citizens Advice Epsom & Ewell with Go the Extra Mile – a walking event that's a little extra challenging and a little extra fun!

Register now for a self-guided 5 or 10 mile walk in the countryside close to Epsom (exact routes confirmed shortly). Entry is £5 per adult and children go free. All entrants are encouraged to gain as much sponsorship as possible. By raising £60 you could enable us to help another client this year. You may wish to set yourself a more ambitious target of £100, compete with your friends to see who can raise the most or even walk in fancy dress.

Please visit our website for more information, where you can register via Eventbrite, download a sponsor form or create a Just Giving fundraising page.

Every day we go the extra mile for our clients. Will you go the extra mile for us?
