Climate Conversations | Climate Risks – How Can You Prepare?

20 November 2026

Join EECAN and u3a Epsom & Ewell for the launch of Climate Conversations – a friendly, welcoming space to share ideas, learn and take action together.

Our first topic, Climate Risks – How You Can Prepare, will explore local risks including flooding, drought, water shortages, heatwaves, storm-related power cuts and potential food shortages.

We'll share plans for investing our £10,800 Surrey County Council grant, including a new Library of Things offering free equipment to help vulnerable residents prepare for emergencies. Come along and help shape how this funding is spent.

Join us in person at St John's Church Parish Room, Epsom, or online: https://meet2.organise.earth/rooms/95o-iug-ems-2p6/join

Everyone welcome – no booking required!
