

Community Hub in Ewell

A Community Hub has been set up in Ewell Village, at Ewell Hall by Jo of Abbeyfield Southern Oaks and run in conjunction and supported by of voluntary groups to include Epsom Rotary and Ewell Rotary. The sessions are completely free with refreshments and lunch included with advice available and is for the whole community of any age, anyone who feels that they are struggling with the current way of life, financially, loneliness, health, benefits, food... Just somewhere they can go and there is a listening ear.

The next date of the Hub is Friday, 01 December 2023 between 10.30am and 1.30pm when a special guest has been invited and again on 22 December 2023 again at 10.30am and 1.30pm. We really hope everyone makes use of this facility, which may be continued depending on demand.
