

De Beauvoir Piano Trio - Saturday afternoon recital

The De Beauvoir Piano Trio is a London based prize-winning ensemble formed of violinist Enyuan Khong, cellist Charlotte Kaslin and pianist Élisabeth Pion. These young performers relish championing less well-known composers from the past and present alongside familiar names in classical music. In a thrilling hour of chamber music, the trio will perform works by Beethoven, Shostakovich and Gabriela Lena Frank. Admission is free but donations welcomed.
