

Early Morning Bird Walk

28 April 2023

Join local expert Graham Cotten for a morning walk across the Common to see and hear a variety of birds, both residents and summer visitors. Please wear suitable clothes and footwear – the Common is wet – and do bring binoculars.

If travelling away from Epsom, Stew Pond car park is on the left several hundred yards beyond the Horton Lane roundabout. It is NOT the car park by the church.

Very occasionally we are forced to cancel a walk at short notice, so please check our website before setting out.
