Established in 1992, Epsom Antiques and Collectors Fair is one of the longest running antique fairs in the UK calendar.

The event runs on a Tuesday in the Oaks Hall at the racecourse, with more than 60 indoor stands. We also have the capacity to provide hard-standing areas for outdoor stalls, which are allocated on a first-come first-served casual basis on the day of the event and weather dependant.

Facilities for disabled access, and free parking that can accommodate 1000 vehicles in car park 23. There is plenty of indoor seating and an on-site food truck for refreshments.
